

Opinion No. 32-511

September 6, 1932

BY: E. K. Neumann, Attorney General

TO: Mrs. Georgia L. Lusk, Supt. of Public Instruction, Santa Fe, New Mexico.

{*177} In reply to your letter of this date relating to the question raised by Mr. W. G. Donley of Carlsbad, N. M., I will say that our opinion of October 14, 1932, relating to the same subject, is still our opinion, and which I quote in full as follows:

"This is in reply to your letter of October 13, 1931, requesting an opinion from this office as to whether or not a chiropractor is authorized to issue a certificate under Section 110-327, 1929 Code, exempting children from vaccination.

"It is my opinion that a chiropractor {*178} is not a "duly licensed and practicing physician," within the meaning of said section. See Isaacson vs. Wisconsin Casualty Assn., 203 N. W. 918, 920, 187 Wis. 25."
