

**14-5004. Efforts by defendant to fabricate evidence.**

Evidence that the defendant attempted [to persuade a witness to testify falsely] [to manufacture evidence to be produced at the trial] may be considered by you as a circumstance tending to show a consciousness of guilt. However, such evidence is not sufficient in itself to prove guilt and its weight and significance, if any, are matters for your determination.

USE NOTES

No instruction on this subject shall be given.
