

**14-5003. Consciousness of guilt; falsehood.**

If you find that before this trial the defendant made a false or deliberately misleading statement concerning the charge upon which he is now being tried, you may consider such statement as a circumstance tending to prove a consciousness of guilt, but it is not sufficient of itself to prove guilt. The weight to be given to such a circumstance and its significance, if any, are matters for your determination.

USE NOTES

No instruction on this subject shall be given.
