MEMORANDUM OPINION

FRY, Judge.

{1} Respondent appealed a writ of mandamus entered against it by the district court. We issued a notice of proposed disposition proposing to reverse due to the lack of service of process upon Respondent. Respondent has filed a memorandum in support

of the proposed disposition, and Petitioner did not file a memorandum opposing the proposed disposition. Therefore, for the reasons stated in the notice, we reverse the district court's decision in this case.

{2} IT IS SO ORDERED.
