PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it:

- (1) fails to allow reasonable time for compliance,

(2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or

(3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or

(4) subjects a person to undue burden.

If a subpoena:

(1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or

(2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or

(3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

DUTIES IN RESPONDING TO SUBPOENA

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

We, the undersigned, jointly and severally acknowledge that we and our personal representatives are bound to pay to the [State of New Mexico] [City of _____] the sum of _____ dollars (\$_____).

The conditions of this bond are that the above-named defendant is to appear as required in accordance with any and all orders and directions relating to the defendant's appearance in the above-entitled matter as may be given or issued by the court or in any other district or appellate court to which the defendant may be removed or the cause transferred, including any bind-over or subsequent indictment of the defendant in

the District Court for offenses arising out of the transaction or event for which this bond is given.

If the defendant appears as ordered, then this bond is to be void, but if the defendant fails to appear as required by this bond, payment of the amount of this bond shall be due forthwith. Forfeiture of this bond for any breach of its conditions may be declared by any court having cognizance of the above-entitled matter at the time of such breach; and if the bond is forfeited and if the forfeiture is not set aside, upon motion judgment may be entered against each debtor jointly and severally for the amount above stated, together with interest and costs, and execution may be issued and payment secured as provided by law.

[As amended, effective May 15, 1991; as amended by Supreme Court Order 07-8300-29, effective December 10, 2007.]

ANNOTATIONS

The 1991 amendment, effective for cases filed on or after May 15, 1991, in the capitalized paragraph, inserted "and discharged by the court" and deleted "at all times up to the final disposition of all charges including imposition of sentence and any appeal or new trial" from the end of that paragraph.

The 2007 amendment, approved by Supreme Court Order 07-8300-29, effective December 10, 2007, deleted the last sentence of the first paragraph of the conditions of release providing that the defendant is not to depart from the State and requiring the defendant to surrender himself after any judgment and revised the bond to eliminate the bond from continuing on appeal after a finding of guilty or not guilty.

Purpose of bail bond. — A bail bond is a type of bond to obtain the release of a person from imprisonment and to secure his appearance before the court. *State v. Valles*, 2004-NMCA-118, 136 N.M. 429, 99 P.3d 1164.

Use of this form is required by the Supreme Court rules. *State v. Valles*, 2004-NMCA-118, 136 N.M. 429, 99 P.3d 1164.

Statute governs. — Because the bail bond form which the Supreme Court requires sureties to sign when posting bail for a criminal defendant and a statute conflict on when the surety's obligation under the bond terminates, the statute governs. State v. Valles, 2004-NMCA-118, 136 N.M. 429, 99 P.3d 1164.

Section 31-3-10 NMSA 1978 governs over the inconsistent terms of the form prescribed by the Supreme Court. State v. Valles, 2004-NMCA-118, 136 N.M. 429, 99 P.3d 1164.

GUIDELINES FOR DETERMINING ELIGIBILITY

Pursuant to Section 31-15-7 NMSA 1978, the following guidelines are established for determination of indigency and eligibility for public defender services.

I. APPLICATION FEE

A person shall pay a non-refundable application fee for each case in the amount set in Section 35-15-12 NMSA 1978 at the time the person applies with the public defender for representation. *The interviewer will determine if the financial circumstances of the applicant are such that the fee would pose an exceptional hardship, and will recommend to the District office Administrator or Eligibility Supervisor if the fee should be waived. The interviewer will document on the application the reason for the fee waiver.*

II. PRESUMPTION OF INDIGENCY

An applicant is presumed indigent if the applicant is a current recipient of state or federally administered public assistance programs for the indigent: temporary assistance for needy families (TANF), general assistance (GA), supplemental security income (SSI), social security disability income (SSDI), Veteran's disability benefits (VA) if the benefit is the sole source of income, food stamps, medicaid, public assisted housing or Department of Health, Case Management Services (DHMS). Proof of assistance must be attached to the application and no further inquiry is necessary. The document submitted as proof must clearly identify the applicant as currently receiving the qualifying benefit. Benefit cards without other supporting documents will not be accepted as proof of benefit. If the applicant is not receiving Medicaid benefits, but has dependants in the household for whom Medicaid eligibility has been determined, the applicant will be presumed indigent. Home equity, etc. is not to be taken into account if the applicant is a current recipient of one of the six programs described above.

If the interviewer is unable to complete the indigency application or believes the information to be unreliable because of communication or other problems associated with a mental or developmental disability of the applicant, indigency will be presumed.

When this is the case the *Mental Health/Communication* section of the application should be checked. Where available, the designated attorney for mental health issues is to be immediately notified, and if that person is not available the duty attorney is to be immediately notified.

III. FINANCIAL RESOURCES

If the applicant is not presumptively indigent, the screening agent shall examine the financial resources of the applicant with consideration given to:

Net Income, Paragraph A;

Assets, Paragraph B; and

Exceptional Expenses, Paragraph C.

A. **Net Income.** The screening agent shall include total salary and wages for the applicant and the applicant's spouse minus deductions required by law (*FICA, state and federal withholding*). Child support deductions and *medical* insurance deductions will also be considered if already deducted from salary, but will not be recounted in the *Exceptional Expenses* section if counted here. Savings deductions and non-mandatory retirement deductions will be added to the net income. In order to calculate the salary of an individual, the screening agent shall use one of the two methods:

(1) if the individual is presently unemployed, the screening agent shall ask about employment during the twelve (12) months preceding the interview date and calculate the amount of money earned during such twelve (12) months. Proof of this income must be attached to the application; or

(2) if the individual is presently employed, the screening agent shall project the current income for twelve (12) months into the future. Proof of this income must be attached to the application. If the applicant is unemployed and has no income, the screening agent shall inquire as to how the applicant "gets by". Proof of income is not required but responses must be documented on the eligibility form (*i.e. eats on soup line, street person, sleeps in car, etc.*) and some proof of how the individual lives must be provided if available, *i.e., lives with someone providing support, lives on the street (must provide some proof of assistance from homeless shelters or other street assistance providers)*. If the applicant gets by on "odd jobs", the income from the odd jobs must be verified. Zeros will not be accepted for income. If there is no income, an explanation is needed as to why there is no income and documentation is needed that sets forth the reason for no income.

(3) Any person that has been incarcerated for six (6) months or more is also presumed to be indigent. Proof must be provided, *i.e., proof of incarceration, jail release form*. An individual incarcerated in a Department of Corrections facility in any state automatically qualifies.

Net income shall include, but is not limited to social security payments, union funds, veteran's benefits, worker's compensation, unemployment benefits, regular support from any absent family member, public or private employee pensions, or income from dividends, interests, rents, estates, trusts or gifts. If the applicant lives alone but receives rent from a family member, the rent shall be considered as regular support from the applicant's family and shall be included as income.

The income of a spouse must be included in the calculation of income even though the applicant and the applicant's spouse are not living in the same household unless:

(a) the applicant and the spouse are legally separated (*must provide proof of legal separation*);

(b) the applicant and the spouse have not resided together within the last 12 months and the applicant can provide a notarized statement from an adult family member verifying that fact; or

(c) the spouse is an alleged victim of the applicant or complaining witness against the applicant.

B. Assets. The screening agent shall consider all assets of the applicant and the applicant's spouse that are readily convertible into cash within a reasonable period of time. Assets include all cash on hand as well as in checking and savings accounts, stocks, bonds, certificates of deposit and tax refunds. Real estate other than the primary residence shall be valued at the current full valuation on the county property tax rolls less any outstanding obligations against the property. Written documentation of both the value and the outstanding obligations will be attached to the application.

C. Exceptional Expenses. The screening agent shall consider any unusual expenses of the applicant and the applicant's legal dependents that would, in all probability, prohibit the applicant from being able to secure private counsel. The following expenses are not exceptional expenses: rent, food, utilities, gas money, consumer loans and student loans. Exceptional expenses shall include, but not be limited to, costs for medical care or medical insurance, family support obligations and child care payments.

In order to be included as an exceptional expense:

(1) the cost of medical care cannot be covered by insurance;

(2) family support expense obligations must be verified by court order or a notarized statement from the person to whom the support is paid. The support must actually be paid on a regular basis; and must be verified by written documentation such as receipts or cancelled checks;

(3) child care must be paid on a regular basis. If the applicant says that child support is paid when the applicant can, the payments do not qualify as exceptional expenses.

The applicant must provide proof of the exceptional expense incurred and proof that payment is being made on a regular basis. If proof is provided, the regular monthly payment for the exceptional expense is multiplied by twelve (12) months and the calculated amount can be deducted from total income.

Other exceptional expenses shall include: payroll garnishments, internal revenue service claims, court ordered attorney fees or other court ordered payments and funeral expenses not covered by insurance.

An approved filing from a pending bankruptcy proceeding of a potential client can be considered in determining indigency.

IV. INDIGENCY FORMULA

An applicant is indigent if the applicant's available funds do not exceed one hundred fifty percent (150%) of the current federal poverty guidelines established by the United States Department of Labor.

The screening agent shall calculate the amount of available funds by adding the total for net income for the household (Column A) together with the total for assets for the household (Column B) and subtracting the total for exceptional expenses (Column C). If the available funds exceed one hundred fifty percent (150%) of the applicable federal poverty level guideline, the applicant is not indigent.

If the applicant does not know the applicant's spouse's income or assets the applicant is presumed not indigent and is not eligible for free representation unless the applicant produces the necessary information within two (2) working days after the interview.

V. APPEAL

If the applicant is found by the screening agent or the court not to be indigent, the applicant may appeal the decision to the district defender in those districts with public defender offices. If the applicant wishes to appeal the decision of the district defender, the applicant shall appeal to the district court. In those districts without public defender offices, the applicant may appeal directly to the court. If the applicant wishes to appeal a finding that the applicant is not indigent:

(1) in those districts with district public defender offices, the screening agent shall notify the public defender of the appeal;

(2) in those districts without public defender offices, the screening agent shall notify the court of the appeal.

All appeals shall be filed within ten (10) working days after the date of the decision.

VI. REIMBURSEMENT

Any applicant who is ineligible for free representation but is unable to hire private counsel may sign a contract for public defender representation on a reimbursement basis. The reimbursement cost shall cover all charges for legal fees, expert witness, and private investigation costs. Reimbursement fees shall be governed by the schedule adopted by the Public Defender Department.

First payment under a reimbursement contract shall be due thirty (30) days from the date of execution of the contract. If the applicant is incarcerated on the date of execution of the contract, the date of payment shall be thirty (30) days from the date of the applicant's release from incarceration.

If a court enters an order appointing the Public Defender Department to represent a defendant and ordering the defendant to reimburse the state for representation, the defendant shall execute a contract for reimbursement in the appropriate amount under the department's schedule. If the defendant fails to execute a reimbursement contract, the order of appointment shall be forwarded to Public Defender administration for collection along with the documentation stating the amount owing for representation. If the defendant refuses to provide information necessary to determine net income or eligibility, the reimbursement fee shall be the maximum contract rate allowable for the crimes charged under the schedule set by the department.

VII. NEW CHARGES

If an applicant has applied for public defender services within six (6) months prior to the filing of new charges or a probation violation, completion of a new eligibility determination form is not necessary, but the applicant shall be required to pay the application fee. A printout of the CDMS entry for the original application with the new referral should be placed in the new file being opened. If an applicant has applied for public defender services and been found eligible more than six (6) months prior to the filing of new charges or a probation violation, completion of a new eligibility determination form is necessary. An applicant must pay the application fee for each case for which the applicant seeks representation regardless of whether completion of a new eligibility documentation form is required, unless the fee has been waived.

I understand that entry of this plea agreement may require me to register as a sex offender under the Sex Offender Registration and Notification Act [29-11A-1 NMSA 1978], and I acknowledge that, if I am represented by an attorney, my attorney has advised me of the requirement to register.

I further understand that: I have a right to bail; I have a right to trial by jury; I have a right to the assistance of an attorney at all stages of the proceeding, and to an appointed

I understand that a conviction may require me to register as a sex offender under the Sex Offender Registration and Notification Act [29-11A-1 NMSA 1978] and I acknowledge that, if I am represented by an attorney, my attorney has advised me of the requirement to register.

I have read and understand the above. I have discussed the case and my constitutional rights with my lawyer. I understand that by pleading [guilty] [no contest] [guilty but

mentally ill], if my plea is not later withdrawn, I will be giving up my right to a trial by jury, to confront, cross-examine, and compel the attendance of witnesses, and my privilege against self-incrimination. I agree to enter my plea as indicated above on the terms and conditions set forth herein.

PROCEDURE

(To be printed on the reverse side of report)

1. The laboratory named on the front of this report is a laboratory authorized or certified by the scientific laboratory division of the health department to perform blood and alcohol tests. The agency has established formal procedures for receipt, handling and testing of blood samples to assure integrity of the sample, a formal procedure for conduct and report of the chemical analysis of the samples by the gas chromatographic method (_____) (*specify, if other method used*) and quality control

procedures to validate the analyses. The quality control procedures include semi-annual proficiency testing by an independent agency. The procedures have the general acceptance and approval of the scientific community, including the medical profession, and of the courts, as a means of assuring a chemical analysis of a blood sample that accurately discloses the concentration of alcohol in the blood. The same procedures are applicable for samples other than blood if submitted for alcohol analysis. The analyst who conducts the analysis in this must meet the qualifications required by the director of this laboratory to properly conduct such analyses. The supervisor of analysts must also be qualified to conduct such analyses.

2. When a blood sample is received at the laboratory, the receiving employee examines the sample container and:

(a) determines that it is a standard container of a kit approved by the director of the laboratory;

(b) determines that the container is accompanied by this report, with Part A completed;

(c) determines that the donor's name and the date that the sample was taken have already been entered on this report and on the container and that they correspond;

(d) makes a log entry of the receipt of the sample and of any irregularity in the condition of the container or its seals;

(e) places a laboratory number and the date of receipt on the log, on the container, and on this report, so that each has the same laboratory number and date of receipt;

(f) completes and signs the Certificate of Receiving Employee, making specific notations as to any unusual circumstances, discrepancies, or irregularities in the condition or handling of the sample up to the time that the container and report are delivered to the analysis laboratory;

(g) personally places the container with this report attached in a designated secure cabinet for the analyst or delivers it to the analyst.

3. When the blood sample is received by the analyst, the analyst:

(a) makes sure the laboratory number on the container corresponds with the laboratory number on this report;

(b) makes sure the analysis is conducted on the sample which accompanied this report at the time the report was received by the analyst;

(c) conducts a chemical analysis of the sample and enters the results on this report;

- (d) retains the sample container and the raw data from the analysis;
- (e) completes and signs the Certificate of Analyst, noting any circumstance or condition which might affect the integrity of the sample or otherwise affect the validity of the analysis;
- (f) delivers this report to the reviewer.

4. The reviewer checks the calculations of the analysis, examines this report, signs the Certificate of Reviewer, and delivers the report to a laboratory employee for distribution.

5. An employee of the agency mails a copy of this report to the donor at the address shown on this report, by depositing it in an outgoing mail container which is maintained in the usual and ordinary course of business of the laboratory. The employee signs the certificate of mailing to the donor, and mails the original of this report to the submitting law enforcement agency.

6. The biological sample will be retained by the testing laboratory for a period of at least six (6) months pursuant to regulations of the scientific laboratory division.
