### PROTECTION OF PERSONS SUBJECT TO SUBPOENAS

A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

Subject to Subparagraph (2) of Paragraph D below, a person commanded to produce and permit inspection and copying may, within fourteen (14) days after service of the subpoena or before the time specified for compliance if such time is less than fourteen (14) days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

On timely motion, the court by which a subpoena was issued

shall quash or modify the subpoena if it:

- (1) fails to allow reasonable time for compliance,
- (2) requires a person who is not a party or an officer of a party to travel to a place more than one hundred miles from the place where that person resides, is employed or regularly transacts business in person, except as provided below, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or
- (3) requires disclosure of privileged or other protected matter and no exception or waiver applies, or
  - (4) subjects a person to undue burden.

If a subpoena:

- (1) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
- (2) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or
- (3) requires a person who is not a party or an officer of a party to incur substantial expense to travel, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

### DUTIES IN RESPONDING TO SUBPOENA

- (1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.
- (2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

[Approved, effective May 15, 2000.]

# **GUIDELINES FOR DETERMINING ELIGIBILITY**

Pursuant to Section 31-15-7 NMSA 1978, the following guidelines are established for determination of indigency and eligibility for public defender services.

# I. PRESUMPTION OF INDIGENCY

An applicant is presumed indigent if the applicant is a current recipient of state or federally administered public assistance programs for the indigent: aid to families of dependent children (AFDC), food stamps, medicaid, disability security income (DSI), public assisted housing or Department of Health case management services (DHMS). Proof of assistance must be attached to the application and no further inquiry is necessary. Home equity, etc. is not to be taken into account if the applicant is a current recipient of one of the six programs described above.

If the interviewer is unable to complete the indigency application or believes the information to be unreliable because of communication or other problems associated with a mental disability of the applicant, indigency will be presumed until the applicant's competency to stand trial and indigency is determined by the public defender or court. If because of the mental disability of the applicant, the interviewer is unable to complete the indigency application or believes the information is unreliable, the Department of Health case management services (DHMS) section should be checked.

## II. FINANCIAL RESOURCES

If the applicant is not presumptively indigent, the screening agent shall examine the financial resources of the applicant with consideration given to:

- A. Net Income
- B. Assets
- C. Exceptional Expenses

# A. Net Income

The screening agent shall include total salary and wages for the applicant and the applicant's spouse minus deductions required by law (FICA, state and federal withholding). In order to calculate the salary of an individual, the screening agent shall use one of the two methods:

- (1) if the individual is presently unemployed, the screening agent shall ask about employment during the twelve (12) months preceding the interview date and calculate the amount of money earned during such twelve (12) months. Proof of this income must be attached to the application; or
- (2) if the individual is presently employed, the screening agent shall project the current income for twelve (12) months into the future. Proof of this income must be attached to the application. If the applicant is unemployed and has no income, the screening agent shall inquire as to how the applicant "gets by". Proof of income is not required but responses must be documented on the eligibility form (i.e. eats on soup line, street person, sleeps in car, etc.). If the applicant gets by on "odd jobs", the income from the odd jobs should be noted. Proof of income must be provided (i.e. income tax returns, etc). Zeros will not be accepted for income. If there is no income, an explanation is needed as to why there is no income.

If the applicant does not pay for housing, the fair rental value of the housing shall be included as income. The fair rental value of the applicant's housing may be determined by the chief public defender or designee. Also to be considered are funds from any other sources including but not limited to social security payments, union funds, veteran's benefits, worker's compensation, unemployment benefits, regular support from any absent family member, public or private employee pensions, or income from dividends, interests, rents, estates, trusts or gifts. If the applicant lives alone but receives rent from a family member, the rent shall be considered as regular support from the applicant's family and shall be included as income.

The income of a spouse must be included in the calculation of income even though the applicant and the applicant's spouse are not living in the same household unless:

(1) the applicant and the spouse are legally separated; or

(2) the spouse is an alleged victim of the applicant or a complaining witness against the applicant.

# **B.** Assets

The screening agent shall consider all assets of the applicant and the applicant's spouse which are convertible into cash within a reasonable period of time. Assets include all cash on hand as well as in checking and savings accounts, stocks, bonds, certificates of deposit and tax refunds. All real estate shall be considered in terms of the amounts which could be raised by a loan on the property.

# C. Exceptional Expenses

The screening agent shall consider any unusual expenses of the applicant and the applicant's legal dependents which would, in all probability, prohibit the applicant from being able to secure private counsel. The following expenses are not exceptional expenses: rent, food, utilities, gas money, consumer loans and student loans. Exceptional expenses shall include, but not be limited to, costs for medical care, family support obligations and child care payments. In order to be included as an exceptional expense:

- (1) the cost of medical care cannot be covered by insurance;
- (2) family support expense obligations must be court ordered and actually paid on a regular basis; and
- (3) child care must be paid on a regular basis. If the applicant says that child support or child care is paid when the applicant can, the payments do not qualify as exceptional expenses.

The applicant must provide proof of the exceptional expense incurred and proof that payment is being made on a regular basis. If proof is provided, the regular monthly payment for the exceptional expense is multiplied by twelve (12) months and the calculated amount can be deducted from total income.

Other exceptional expenses shall include: payroll garnishments, internal revenue service claims, court ordered attorney fees or other court ordered payments and funeral expenses not covered by insurance.

# III. INDIGENCY FORMULA

The screening agent shall calculate the amount of available funds by adding the total for net income for the household (Column A) together with the total for assets for the household (Column B) and subtracting the total for exceptional expenses (Column C). If the available funds (net income plus assets minus exceptional expenses) are at or below the amounts in the indigency table, the applicant is indigent and is eligible for free

representation. If the available funds exceed the amounts in the indigency table, the chief public defender may deem the applicant not to be indigent.

If the applicant does not know the applicant's spouse's income or assets the applicant is presumed not indigent and is not eligible for free representation unless the applicant produces the necessary information within two (2) working days after the interview.

# IV. APPEAL

If the applicant is found by the screening agent or the court not to be indigent, the applicant may appeal the decision to the district defender in those districts with public defender offices. If the applicant wishes to appeal the decision of the district defender, the applicant shall appeal to the district court. In those districts without public defender offices, the applicant may appeal directly to the court. If the applicant wishes to appeal a finding that the applicant is not indigent:

- (1) in those districts with district public defender offices, the screening agent shall notify the public defender of the appeal;
- (2) in those districts without public defender offices, the screening agent shall notify the court of the appeal.

All appeals shall be filed within ten (10) working days after the date of the decision.

## V. REIMBURSEMENT

If the applicant is not indigent, but cannot hire a private attorney, the applicant may be represented by the public defender department on a reimbursement basis. In order to qualify for representation by the Public Defender Department on a reimbursement basis, the applicant must obtain statements from three financial institutions: e.g., a bank, a savings and loan, a credit union or a loan company. The statements from the financial institutions must state whether the financial institutions would lend the applicant any money and if so, how much. After obtaining statements from three financial institutions, the applicant must obtain letters from three private lawyers stating whether they will accept the case on behalf of the applicant. If none of the lawyers will accept the case, the applicant must bring the three financial institution statements and the three lawyer letters to:

- (1) the public defender staff office if the district has a public defender staff office; or
- (2) the court in which the case is pending if the district does not have a public defender staff office.

Upon receipt of the three statements and three letters, the public defender or the court shall find that the applicant is not indigent but is unable to hire a private attorney. In districts with public defender staff offices, the public defender shall accept the

applicant's case on a reimbursement basis. In districts without a public defender staff office, the court shall appoint an attorney on contract with the Public Defender Department to represent the applicant on a reimbursement basis.

If the applicant is ineligible for free representation but is in jail and cannot make bail, the applicant shall not be required to provide documentation of inability to hire private counsel as set forth. Any applicant who is ineligible for free representation but is in jail and cannot make bail shall be given public defender representation on a reimbursement basis.

In reimbursement cases, the chief public defender or designee may ask the applicant to sign a contract and a promissory note to pay reimbursement to the State of New Mexico. The reimbursement shall cover legal fees, expert witness fees and private investigation. The legal fees shall be governed by schedule adopted by the Public Defender Department. The expert witness fees and private investigation fees shall be governed by the fees paid by the Public Defender Department.

First payment shall be due thirty (30) days from the date of completion of the contract and note. If the applicant is incarcerated on the date of completion of the contract and note, the date of payment shall be thirty (30) days from the date of release from incarceration.

If the applicant fails to complete a contract and note, the order of appointment with reimbursement shall serve as notice for collection if payments are not made. If this is the case, a copy of the order of appointment and a copy of the application should be sent to the administration office in lieu of contract and note.

## VI. NEW CHARGES

If an applicant has applied for public defender services within six (6) months prior to the filing of new charges or a probation violation, completion of a new eligibility determination form is not necessary. A copy of the last eligibility determination form should be placed in the new file being opened. If an applicant has applied for public defender services more than six (6) months prior to the filing of new charges or a probation violation, completion of a new eligibility determination form is necessary. If less than six (6) months have elapsed but there has been a change in circumstance for the applicant, completion of a new eligibility determination form is necessary.

If the plea is rejected or withdrawn, the original charges are automatically reinstated.
- 5. Waiver of defenses and appeal. Unless this plea is rejected or withdrawn, the defendant gives up any and all motions, defenses, objections or requests which the defendant has made or raised, or could assert hereafter, to the court's entry of judgment and imposition of a sentence consistent with this agreement. The defendant waives the right to appeal the conviction that results from the entry of this plea agreement.
  - 6. Withdrawal permitted if agreement rejected. If after

reviewing this agreement and any presentence report the court concludes that any of its provisions are unacceptable, the court will allow the withdrawal of the plea, and this agreement will be void. If the plea is withdrawn, neither the plea nor any statements arising out of the plea proceedings shall be admissible as evidence against the defendant in any criminal proceedings.

I understand that entry of this plea agreement may have an effect upon my immigration or naturalization status.

I have read and understand the above. I have discussed the case and my constitutional rights with my lawyer. I understand that by pleading (guilty) (no contest) (guilty but mentally ill) I will be giving up my right to a trial by jury, to confront, cross-examine and compel the attendance of witnesses and my privilege against self-incrimination. I understand that if the court grants me probation, a suspended sentence, a deferred sentence or a conditional discharge, the terms and conditions thereof are subject to modification in the event that I violate any of the terms or conditions imposed.

#### DISTRICT COURT APPROVAL

The defendant personally appearing before me and I have concluded as follows:

- 1. That the defendant understands the charges set forth in the (complaint) (information) (indictment).
- 2. That the defendant understands the range of possible sentences for the offenses charged, from probation to a maximum of

•

3. That the defendant understands the following constitutional rights which the defendant gives up by pleading (guilty) (no contest) (guilty but mentally ill):

- (a) the right to trial by jury, if any;
- (b) the right to the assistance of an attorney at trial, and to an appointed attorney, to be furnished free of charge, if the defendant cannot afford one;
- (c) the right to confront the witnesses against the defendant and to cross-examine them as to the truthfulness of their testimony;
- (d) the right to present evidence on the defendant's own behalf, and to have the state compel witnesses of the defendant's choosing to appear and testify;
- (e) the right to remain silent and to be presumed innocent until proven guilty beyond a reasonable doubt.
  - 4. That the defendant wishes to give up the constitutional

rights of which the defendant has been advised.

- 5. That there exists a basis in fact for believing the defendant [is (guilty) (guilty but mentally ill) of] [committed] the offenses charged and that an independent record for such factual basis has been made.
- 6. That the defendant and the prosecutor have entered into a plea agreement and that the defendant understands and consents to its terms.
- 7. That the plea is voluntary and not the result of force, threats or promises other than a plea agreement.
- 8. That under the circumstances, it is reasonable that the defendant plead (quilty) (no contest) (quilty but mentally ill).
- 9. That the defendant understands that a conviction may have an effect upon the defendant's immigration or naturalization status.

On the basis of these findings, I conclude that the defendant knowingly, voluntarily and intelligently pleads (guilty) (no contest) (guilty but mentally ill) to the above charges and accepts such plea. These findings shall be made a part of the record in the above-styled case.

#### USE NOTE

- 1. This form is used instead of Form 9-406 if there is a plea agreement. This form is not used for conditional plea. See Criminal Form 9-408C NMRA if there is a conditional plea.
  - 2. Use appropriate alternative.
- 3. An example of a description of maximum penalties is as follows: "Unlawful taking of a vehicle is a fourth degree felony with a basic sentence of 18 months and a fine of \$5000.00, followed by 1 year parole. Any basic sentence may be altered up

to one third for aggravating and mitigating circumstances".

4. This paragraph is used if there are other pending or known criminal charges against the defendant that will be disposed of by this agreement.

[As amended, effective September 1, 1990; May 1, 1998.]

## **ANNOTATIONS**

**The 1990 amendment,** effective for cases filed on or after September 1, 1990, inserted "I understand that a conviction may have an effect upon my immigration or naturalization status." following Term 5.

The 1998 amendment, effective May 1, 1998, rewrote the form.

**Strict adherence to form not required.** - Failure to utilize the form set out in this rule did not invalidate a guilty plea where there were adequate indicia that the plea was knowing and voluntary. State v. Jonathan B. 1998-NMSC-003, 124 N.M. 620, 954 P.2d 52, cert. denied, 525 U.S. 865, 119 S. Ct. 155, 142 L. Ed. 2d 127 (1998).

#### PROCEDURE

(To be printed on the reverse side of report)

- The laboratory named on the front of this report is a laboratory authorized or certified by the scientific laboratory division of the health department to perform blood and alcohol tests. The agency has established formal procedures for receipt, handling and testing of blood samples to assure integrity of the sample, a formal procedure for conduct and report of the chemical analysis of the samples by the gas chromatographic ) (specify, if other method used) and quality control procedures to validate the analyses. The quality control procedures include semi-annual proficiency testing by an independent agency. The procedures have the general acceptance and approval of the scientific community, including the medical profession, and of the courts, as a means of assuring a chemical analysis of a blood sample that accurately discloses the concentration of alcohol in the blood. The same procedures are applicable for samples other than blood if submitted for alcohol analysis. The analyst who conducts the analysis in this must meet the qualifications required by the director of this laboratory to properly conduct such analyses. The supervisor of analysts must also be qualified to conduct such analyses.
- 2. When a blood sample is received at the laboratory, the receiving employee examines the sample container and:
- (a) determines that it is a standard container of a kit approved by the director of the laboratory;
- (b) determines that the container is accompanied by this report, with Part A completed;
- (c) determines that the donor's name and the date that the sample was taken have already been entered on this report

and on the container and that they correspond;

- (e) places a laboratory number and the date of receipt on the log, on the container, and on this report, so that each has the same laboratory number and date of receipt;
- (f) completes and signs the Certificate of Receiving Employee, making specific notations as to any unusual circumstances, discrepancies, or irregularities in the condition or handling of the sample up to the time that the container and report are delivered to the analysis laboratory;
- (g) personally places the container with this report attached in a designated secure cabinet for the analyst or delivers it to the analyst.
- 3. When the blood sample is received by the analyst, the analyst:
- (a) makes sure the laboratory number on the container corresponds with the laboratory number on this report;
- (b) makes sure the analysis is conducted on the sample which accompanied this report at the time the report was received by the analyst;
- (c) conducts a chemical analysis of the sample and enters the results on this report;
- (d) retains the sample container and the raw data from the analysis;
- (e) completes and signs the Certificate of Analyst, noting any circumstance or condition which might affect the integrity of the sample or otherwise affect the validity of the analysis;
  - (f) delivers this report to the reviewer.
- 4. The reviewer checks the calculations of the analysis, examines this report, signs the Certificate of Reviewer, and delivers the report to a laboratory employee for distribution.
- 5. An employee of the agency mails a copy of this report to the donor at the address shown on this report, by depositing it in an outgoing mail container which is maintained in the usual and ordinary course of business of the laboratory. The employee signs the certificate of mailing to the donor, and mails the original of this report to the submitting law enforcement agency.
