**A. Requirements mandatory.** Licenses to practice law shall be granted only to applicants who fulfill all of the requirements of these rules.

**B. Qualifications.** Every person seeking admission to practice law in New Mexico shall file a formal application as prescribed by these rules and as required by the board. Submission of the application shall constitute submission by the applicant to the jurisdiction of the New Mexico Board of Bar Examiners until a final determination upon admission of the applicant may be completed. Every applicant shall have the burden of establishing to the satisfaction of the board that the applicant possesses all of the following qualifications:

(1) is at least twenty-one (21) years of age;

(2) is a graduate with a juris doctor or bachelor of laws and letters degree (at the time of the bar examination for which application is made) of a law school formally accredited by the American Bar Association or is a graduate of any law school who has been engaged in the practice of law in another state or states for at least four (4) of the six (6) years immediately preceding the person's application for admission to practice in New Mexico;

(3) is a person of good moral character, physically and mentally fit to practice law;

[As amended, effective November 14, 1988; July 24, 1996.]

### **ANNOTATIONS**

**The 1988 amendment,** effective November 14, 1988, added the second sentence in Paragraph B.

**The 1996 amendment,** effective to apply to the February 1997 bar examination, added Subparagraph B(6) and made a related stylistic change.

**Rational connection between qualification and fitness required.** - A state cannot exclude a person from the practice of law or from any other occupation in a manner or for reasons that contravene the due process or equal protection clause of the fourteenth amendment. A state can require high standards of qualification, such as good moral character or proficiency in its law, before it admits an applicant to the bar, but any qualification must have a rational connection with the applicant's fitness or capacity to practice law. *Schwartz v. Board of Bar Exmrs.*, 353 U.S. 232, 77 S. Ct. 752, 1 L. Ed. 2d 796 (1957).

**Affidavit requirement valid.** - Applicant to take the New Mexico bar examination must be shown to be a person of good moral character before he is eligible to take the bar examination, and requirement of submission of an affidavit of an attorney of this state to that effect does not deny due process or equal protection. *Henington v. State Bd. of Bar Exmrs.*, 60 N.M. 393, 291 P.2d 1108 (1956).

**Good moral character prerequisite to taking examination.** - The right to take an examination to practice law is a qualified right, and one who seeks permission to take such examination must be prepared to satisfy reasonable requirements as to good moral character and training. *Henington v. State Bd. of Bar Exmrs.*, 60 N.M. 393, 291 P.2d 1108 (1956).

**Court final arbiter of standards for bar admission.** - The legislature may enact valid laws in fixing minimum requirements for admission to the bar, but in no event maximum; and it may not require the courts to admit on standards other than as accepted or established by the courts, and any legislation which attempts to do so is an invasion of the judicial power and violative of the constitutional provisions establishing the separate branches of government and prohibiting the legislature from invading the judiciary. *In re Sedillo*, 66 N.M. 267, 347 P.2d 162 (1959).

**Powers of supreme court over admission to practice.** - The supreme court has the ultimate responsibility to grant or withhold an admission to practice law. That court must independently examine and weigh the evidence and then pass upon its sufficiency. A

particular case must be judged on its own merits, and an ad hoc determination in each instance must be made by the court. *Nall v. Board of Bar Exmrs.*, 98 N.M. 172, 646 P.2d 1236 (1982).

**Character indication of fitness.** - Membership in the bar is a privilege burdened with conditions. A fair private and professional character is one of them. Compliance with that condition is essential at the moment of admission; but it is equally essential afterwards. Whenever the condition is broken the privilege is lost. To refuse admission to an unworthy applicant is not to punish him for past offenses. The examination into character, like the examination into learning, is merely a test of fitness. *Schwartz v. Board of Bar Exmrs.*, 60 N.M. 304, 291 P.2d 607 (1955), rev'd on other grounds, 353 U.S. 232, 77 S. Ct. 752, 1 L. Ed. 2d 796 (1957).

**Conduct and opinion of peers relevant to character.** - Proof of his good moral character entails a consideration of two kinds of indirect evidence: first, the pattern of conduct an individual follows; and, second, a consideration of the regard his fellows and associates have for him. *Schwartz v. Board of Bar Exmrs.*, 60 N.M. 304, 291 P.2d 607 (1955), rev'd on other grounds, 353 U.S. 232, 77 S. Ct. 752, 1 L. Ed. 2d 796 (1957).

**Arrest, aliases, communist affiliation deemed not moral unfitness.** - Arrests with convictions, use of aliases many years ago and communist party membership during the 1930's do not raise substantial doubts about applicant's good moral character. Therefore, denial of application is denial of due process because these circumstances do not rationally justify a finding of moral unfitness. *Schwartz v. Board of Bar Exmrs.*, 353 U.S. 232, 77 S. Ct. 752, 1 L. Ed. 2d 796 (1957).

**Burden of proof as to moral character.** - The burden is on the applicant to prove good moral character. The board then has the opportunity to rebut, showing evidence of bad moral character. *Nall v. Board of Bar Exmrs.*, 98 N.M. 172, 646 P.2d 1236 (1982).

**Burden of proof in challenging board's findings or decision.** - The applicant has the burden of showing that the board's findings are not supported by the evidence or that the decision was erroneous or unlawful. Reasonable doubts are resolved in favor of the applicant. *Nall v. Board of Bar Exmrs.*, 98 N.M. 172, 646 P.2d 1236 (1982).

**ABA educational requirements may not be waived.** - Subsection (b)(2) (now Subparagraph (2) of Paragraph B) does not permit a case-by-case waiver of the American Bar Association educational requirements. *In re Adams*, 102 N.M. 731, 700 P.2d 194 (1985).

**Full-time practice notwithstanding nonlegal work.** - Court holds applicant to the bar has been engaged in the full-time practice of law where for the previous seven years he has advised the government on questions of law involving contracts, mortgages, patents and leaseholds, inter alia, although much of the time has been spent doing work nonlawyers could do. *Harty v. Board of Bar Exmrs.*, 81 N.M. 116, 464 P.2d 406 (1970)(decided under former rule).

The Court may revoke the license of any attorney at any time upon satisfactory showing that the same was obtained by false representations, fraud or deceit.

**B. Filing requirements.** Applications for admission to the bar of New Mexico shall be submitted in duplicate on forms prescribed by the Board of Bar Examiners from time to time. Application forms may be obtained from the secretary of the board. Applications shall be filed with the secretary of the board at P.O. Drawer R, Santa Fe, New Mexico 87504, as follows:

(1) Applicants who have been out of law school for more than twelve (12) months prior to the filing of the application, or who have been admitted in another jurisdiction and have practiced in that jurisdiction and are going to take the bar examination, must file their applications ninety (90) days prior to the next scheduled bar examination;

(2) a properly authenticated transcript (sent from the law school) evidencing graduation with a juris doctor or bachelor of laws and letters degree from a law school formally accredited by the American Bar Association; except that if the applicant is not a graduate of an accredited law school the applicant shall transmit with the application:

(a) a certificate of admission in another state;

(b) three certificates vouching for the applicant's good moral character by members of the bar of such other state;

(c) one or more certificates by a judge or judges of the highest court of original jurisdiction in such other state, or the clerk thereof, to the effect that the applicant has been actively engaged in the actual practice of law in that state for at least four (4) years prior to the date of the certificate, and further that applicant is in good standing in the bar of such state and has not been disbarred, been placed under disciplinary suspension or, resigned from such bar while under disciplinary investigation, is not the subject of any pending disciplinary proceedings in such state, or if the applicant has been suspended or disbarred, that the applicant has been duly reinstated.

Certificates of admission from other states may be sent to the secretary of the board at Santa Fe under separate cover. All such papers will be returned to the applicant in due course. Other documents submitted will be returned to the applicant if requested, upon approval by the chairman or vice chairman of the Board of Bar Examiners; and

(3) letters of recommendation from three licensed attorneys in good standing in any jurisdiction in the United States, who are familiar with the applicant's qualifications certifying that the applicant is a person of good moral character and physically and mentally qualified for admission to the bar of New Mexico.

[As amended, effective November 14, 1988; effective November 1, 1994.]

**The 1988 amendment,** effective November 14, 1988, inserted "estates and trusts" in Paragraph B(4).

**The 1996 amendment,** effective July 24, 1996, added Paragraph C.

### **15-204. Questions.**

The bar examination shall include hypothetical questions requiring essay answers, the MBE and the MPRE. The Supreme Court will establish a minimum passing scaled score for the MPRE. Beginning in July 1997, the bar examination may also include multi-state performance test questions. Questions shall not be generally designed to test knowledge uniquely based upon local case or statutory law; however, subjects of substantial local interest may be included. Questions will not be labeled as to subject matter. Sufficient time will be allowed for answering the questions to permit the applicant to make an analysis of the facts and to prepare answers.

[As amended, effective July 24, 1996.]

## ANNOTATIONS

The 1996 amendment, effective July 24, 1996, added the second sentence.

### **15-205. Administration and grading.**

A. **Policies and graders.** Subject to the approval of the Supreme Court, the board may adopt such grading policies as it deems appropriate for the examinations. Graders shall be appointed by the Board of Bar Examiners for the grading of examinations.

B. **Nonidentity grading.** Every applicant shall be assigned an examination number at random. Grading shall be strictly anonymous, and the information matching the names and code numbers of the applicants shall be kept in the custody of the secretary of the board, or such other person as is designated by the board until all papers have been finally graded, all numerical or percentage grades for each applicant have been compiled and each applicant has been determined by examination number to have either passed or failed the written examination.

C. **Essay and performance test portion of bar exam.** The essay portion of the examination shall be graded on a five-point scale. Each answer shall be graded on the following basis:

- (1) no credit shall be given to any unanswered question or to a nonresponsive answer;
- (2) a grade of 1 shall be given to an answer that is well below average;
- (3) a grade of 2 shall be given to an answer that is below average;
- (4) a grade of 3 shall be given to an answer that is average;
- (5) a grade of 4 shall be given to an answer that is above average;
- (6) a grade of 5 shall be given to an answer that is well above average.

Essay and performance test grades shall be added together, with appropriate weighting for the essay questions and performance test questions, as determined by the board. Each applicant's grades shall be scaled to the MBE portion of the examination.

A combined scaled score of 130 on the MBE and essay parts of the examination shall be the minimum passing score.

D. **Uniformity of grading.** In order to assure maximum fairness and uniformity in grading, the Board of Bar Examiners shall prescribe standards for grading to be used by

all graders. To the extent possible, all the answers to a particular question should be graded by the same grader.

**E. Ethics exam.** The Board of Bar Examiners shall test applicants on professional responsibility and legal ethics by separate examination. Regardless of test results on the other examination parts, applicants must receive a minimum scaled score of 75 on the MPRE to be eligible for admission. The ethics examination part of the bar examination must be passed by the applicant within one (1) year after the date of notification that the applicant has passed the essay and MBE parts of the examination. For purposes of this paragraph, the date of notification shall be the date notification is mailed to the applicant by the secretary of the board.

- (1) the essay questions of the examination;
- (2) the applicant's answers to such essay questions;
- (3) sample answers for each question.

B. **Inspection not allowed.** No inspection of the multi-state bar examination, multi-state performance test or the multi-state professional responsibility examination questions or answers shall be allowed unless authorized by the National Conference of Bar Examiners.

C. **Bar examination grading.** Any applicant who has failed the bar examination but is otherwise qualified for admission may, within thirty (30) days of notice to the applicant of examination results, upon written request, cause the board (or member or secretary thereof) to review applicant's grading to determine the mathematical accuracy of the scoring of the applicant's examination. There shall be no right to hearing or appeal with regard to the grade that an applicant received for answers to exam questions.

[As amended, effective November 1, 1994; July 24, 1996.]

### **15-208. Periodic studies.**

A thorough study should be made of the bar examination results periodically to determine its effectiveness and to discover defects and suggest improvements in the bar examination system.

## **ARTICLE 3 ADMISSION**

### **15-301. Investigation, interviews and appeals.**

A. **Investigations.** The board shall conduct an investigation and otherwise inquire into and determine the character, fitness and general qualifications of every applicant for admission. In every such investigation and inquiry the board may obtain such information relating to the character, fitness and general qualifications of the applicant; and may take and hear testimony, administer oaths and affirmations and compel, by subpoena, the attendance of witnesses and the production of books, papers and documents. Any member of the board may administer such oaths and affirmations. Investigations and inquiries shall be informal, but shall be thorough, with the object of ascertaining the truth. Technical rules of evidence need not be observed. Any hearing for such purpose may be held by a division of the board consisting of not less than three members of the board, and either the board chairman, the board vice-chairman or a member of the board appointed by the board chairman to preside shall serve as the division's presiding officer, which presiding officer shall have power to issue subpoenas. A complete record shall be made of all hearings held pursuant hereto, and each applicant shall be advised of the nature of any allegations or charges made which may lead to denial of licensure, and may cross-examine adverse witnesses, be represented by counsel and present relevant evidence. Subpoenas shall be freely issued on the

written request of any such applicant. Failure to respond to subpoenas issued hereunder will be an act of contempt of the Supreme Court and shall forthwith be reported by the board to the Supreme Court.

**B. Interviews.** The board, any member of the board or a committee of the board, shall investigate and may hold interviews as to an applicant's qualification. An interview is not a "hearing", as described in these rules; however, information gathered at an interview of the applicant shall be admissible at hearings and an applicant's truthfulness shall be considered relevant to the applicant's qualifications.

C. The board may hold a hearing on the qualifications of any applicant. The hearing may be held by a committee of the board consisting of not less than three members of the board. The chair of the board or any member of the board appointed by the chair shall chair the committee. The applicant shall be advised of the nature of the subject and purpose of the hearing and may cross-examine witnesses, be represented by counsel and present evidence in the applicant's behalf. A record shall be made of all committee hearings. The committee chair shall have the power to issue subpoenas on behalf of the committee. Subpoenas shall be freely issued on the written request of the applicant. Failure to respond to a committee subpoena will be an act of contempt of the Supreme Court and shall be reported by the board to the Supreme Court.

**D. Appeals.** If after a hearing the board refuses to recommend the admission of an applicant, the board shall make written findings of fact and conclusions. The findings and conclusions of the board shall be filed with the secretary of the board and a copy sent by certified or registered mail to the applicant. Any applicant aggrieved by a decision or action of the board may within sixty (60) days after the date of mailing of the findings and conclusions to the applicant, appeal to the Supreme Court by filing a petition and brief-in-chief with the clerk of the Court specifying wherein the board has erred, and by serving copies upon the secretary of the board. A docketing statement and docket fee will not be required. The record on appeal to the Supreme Court shall consist of the application and file of the board, the record of the hearing, whether by tape recording or transcript, and the findings and conclusions of the board. Within forty-five (45) days after the board has received the petition on appeal it will file a response. Oral arguments shall be made in accordance with the Rules of Appellate Procedure. The petitioner shall be responsible for making satisfactory arrangements with the secretary of the board for the record on appeal, whether by tape recording or transcript. The Supreme Court may tax the costs of appeal against the petitioner or the board, or partially against both, as it may deem equitable.

[As amended, effective November 1, 1994.]

## **ANNOTATIONS**

**The 1994 amendment**, effective November 1, 1994, deleted former Paragraph A relating to interviews; redesignated former Paragraph B as Paragraph A, deleted "and hearings" from the paragraph heading, and substituted "cross-examine adverse

witnesses, be represented by counsel and present relevant evidence" for "cross-examine witnesses against him, be represented by counsel and present evidence in his own behalf" in that paragraph; added Paragraphs B and C; redesignated Paragraph C as Paragraph D and rewrote that paragraph; and made minor stylistic changes throughout the rule.

**Powers of supreme court over admission to practice.** - The supreme court has the ultimate responsibility to grant or withhold an admission to practice law. That court must independently examine and weigh the evidence and then pass upon its sufficiency. A particular case must be judged on its own merits, and an ad hoc determination in each instance must be made by the court. *Nall v. Board of Bar Exmrs.*, 98 N.M. 172, 646 P.2d 1236 (1982).

**Burden of proof as to moral character.** - The burden is on the applicant to prove good moral character. The board then has the opportunity to rebut, showing evidence of bad moral character. *Nall v. Board of Bar Exmrs.*, 98 N.M. 172, 646 P.2d 1236 (1982).

**Burden of proof in challenge to board's findings or decision.** - The applicant has the burden of showing that the board's findings are not supported by the evidence or that the decision was erroneous or unlawful. Reasonable doubts are resolved in favor of the applicant. *Nall v. Board of Bar Exmrs.*, 98 N.M. 172, 646 P.2d 1236 (1982).

## **15-302. Admission to practice.**

**A. Time for admission.** Applicants who have qualified for admission and applicants who are being admitted with conditions set by the Supreme Court shall be granted a license to practice law in all the courts of this state. Applicants will be admitted at the regular session of the Supreme Court next following fulfillment by the applicant of all requirements of these rules. Successful applicants shall arrange with the court clerk to present themselves for admission within six (6) months after notification that they have passed the examination or follow the requirements for out-of-state swearing-in, as prescribed by the Board of Bar Examiners. Upon good cause presented in writing prior to expiration of such six (6) month period, the board may extend the period for admission. Applicants who fail to present themselves or apply for an extension within the period above fixed, or who fail to arrange for out-of-state swearing-in as prescribed by the Board of Bar Examiners, will be deemed to have abandoned their application for admission.

**B. Reinstatement.** A member of the bar who voluntarily withdraws from membership in the state bar, or goes on inactive status pursuant to the rules of the state bar, or who

has been suspended for nonpayment of bar dues or fees, shall be required to file an application for reinstatement to active status with the Board of Bar Examiners for recommendation to the Supreme Court, and shall be required to pay to the Board of Bar Examiners a fee of three hundred fifty dollars (\$350.00), plus any reasonable additional expenses, attorneys fees and costs in connection with any investigations and hearings as the board deems necessary. Unless otherwise ordered by the Supreme Court, an applicant for reinstatement will not be required to take the bar examination.

**C. Reinstatement; additional condition.** The Supreme Court, as a condition of reinstatement, may impose a requirement that the applicant enroll in continuing legal education classes or a bar review course or any other requirement that the Supreme Court may deem necessary.

[As amended, effective November 1, 1994.]

**B. Requirements and limitations for law school professors.** In order to make an appearance as lawyer pursuant to this rule, the law professor must:

- (4) certify in writing that the law professor has read and is familiar with the New Mexico Rules of Professional Conduct and the Rules of the Supreme Court of New Mexico and New Mexico statutes relating to the conduct of lawyers.

**C. Certification.**

- (1) The law school dean shall certify the law professor or the supervisor in the clinical law program. This certification and the written certification as required by Subparagraph (4) of Paragraph B shall be filed with the clerk of this Court at the beginning of each academic year and shall remain in effect for that academic year.
- (2) Any law professor certified pursuant to this rule shall not be a member of the state bar but shall be subject to all disciplinary procedures provided by law, Supreme Court rule governing the discipline of lawyers, or both, and shall be required to pay the annual disciplinary fee. Any person allowed to practice under this rule may be permanently barred from practicing law in New Mexico or receive any lesser sanction, if he is found in violation of the Rules of Professional Conduct.

[As amended, effective April 1, 1989; November 1, 1994.]

## ANNOTATIONS

**The 1989 amendment**, effective on and after April 1, 1989, in the first sentence in Paragraph A, substituted "eleven members" for "nine members".

**The 1994 amendment**, effective November 1, 1994, substituted "who need not be a member of the board" for "who need not be a member and who may be, but need not be, the clerk of the New Mexico Supreme Court" in Paragraph B and made a minor stylistic change in Paragraph A(3).

**Educational prerequisites constitutional.** - The educational qualifications required of applicants before they are permitted to practice law in this state do not violate the fourteenth amendment or N.M. Const., art. II, § 18, either in regard to the clause requiring due process of law or in providing for equal protection of the laws. *Henington v. State Bd. of Bar Exmrs.*, 60 N.M. 393, 291 P.2d 1108 (1956).

**Board recommendations given great weight.** - The supreme court has ultimate responsibility to grant or withhold admission to the practice of law, but, in determining whether or not an applicant should be admitted, the court will always give the most serious consideration to the recommendations of the Board of Bar Examiners and will overrule them only when unalterably convinced that they are not well founded. *Lucius v. State Bd. of Bar Exmrs.*, 84 N.M. 382, 503 P.2d 1160 (1972).

**Court promulgates bar admission standards.** - The legislature may enact valid laws in fixing minimum requirements for admission to the bar, but in no event maximum; and it may not require the courts to admit on standards other than as accepted or established by the courts, and any legislation which attempts to do so is an invasion of the judicial power and violative of the constitutional provisions establishing the separate branches of government and prohibiting the legislature from invading the judiciary. *In re Sedillo*, 66 N.M. 267, 347 P.2d 162 (1959)(decided under former law).

**Board minutes deemed "public records".** - The minutes of the Board of Bar Examiners meet the requirements of the definition of "public records" and, as such, are required under 14-2-1 NMSA 1978 to be subject to the inspection of the public. 1953-54 Op. Att'y Gen. No. 5933.

B. **Devotion to duty and compensation.** A bar examiner shall devote whatever time is necessary to perform the duties required of this office. The sole compensation which a bar examiner receives shall be per diem and mileage for attending meetings or hearings of the board or of any panel or committee thereof at the same rate as provided in the Per Diem and Mileage Act for nonsalaried public officers attending meetings.

C. **Essential conduct.** A bar examiner shall be conscientious, studious, thorough and diligent in learning the methods, problems and progress of legal education, in preparing bar examinations and in seeking to improve the examination, its administration and requirements for admission to the bar. A bar examiner shall be just and impartial in recommending the admission of applicants.

D. **Adverse influence, conflicting duties and inconsistent obligations.** A bar examiner shall not have adverse interests, conflicting duties or inconsistent obligations which will in any way interfere with the proper administration of the bar examiner's

duties as a bar examiner. A bar examiner shall not participate directly or indirectly in courses for the preparation of applicants for bar admission, serve as a law school faculty member or act as a trustee or regent of a law school or of a university of which a law school is a part, or with which a law school is affiliated. A bar examiner shall act in a manner that does not create any suspicion that the examiner may be swayed by improper considerations.

[As amended, effective November 1, 1994.]

## **ANNOTATIONS**

**The 1994 amendment**, effective November 1, 1994, made gender neutral changes throughout the rule.

### **15-403. Tenure.**

Each bar examiner shall serve for a term of up to five (5) years and shall be eligible for reappointment. The members of the Board of Bar Examiners shall be appointed for staggered terms to insure continuity of policy, but there shall be sufficient rotation in the personnel of the board to bring new views to it and to insure continuing interest in its work. Upon a vacancy occurring on the Board of Bar Examiners, a new member shall be appointed as provided by these rules to serve for the remainder of the unexpired term of the member being replaced.

### **15-404. Rulemaking powers.**

### **15-405. Preparation of questions.**

The board shall adopt a policy as to the number, preparation and makeup of the questions. The Board of Bar Examiners shall not use any questions prepared by a member of the law faculty at any law school in New Mexico. The board, or a committee thereof, shall review and approve each question.

[As amended, effective November 1, 1994.]

## **ANNOTATIONS**

**The 1994 amendment**, effective November 1, 1994, substituted "expert exam writers" for "expert draftsmen" in the second sentence.

### **15-406. Regular and special meetings.**

The Board of Bar Examiners may hold other examinations for the Multi-State Professional Responsibility Examination, or other examinations or meetings in the state for the purpose of passing upon the qualifications of applicants or for the disposition of the business before it as it may deem necessary. The board will meet on the second Saturday in December and the second Saturday in May of each year for the purpose of interviewing applicants and considering applications under Rules 15-104 and 15-301, unless the board designates another date. It may hold examinations or meetings at such places and times as in its judgment will be most convenient for all parties concerned; but whenever examinations are held as provided in this rule, all persons whose applications are on file awaiting examination must be notified of the time and place at least ten (10) days prior thereto.
