

CHAPTER 61

Professional and Occupational Licenses

ARTICLE 1

Uniform Licensing

61-1-1. Short title.

Sections 61-1-1 through 61-1-31 NMSA 1978 may be cited as the "Uniform Licensing Act".

History: 1953 Comp., § 67-26-1, enacted by Laws 1957, ch. 247, § 1; 1971, ch. 54, § 1.

ANNOTATIONS

Cross references. — For State Rules Act, see Chapter 14, Article 4 NMSA 1978.

For criminal offender employment, see 28-2-1 NMSA 1978.

For the Parental Responsibility Act, see Chapter 40, Article 5A NMSA 1978.

Uniform Licensing Act. — Following the recompilation of NMSA in 1978, this section defined the Uniform Licensing Act as "Sections 61-1-1 through 61-1-31 NMSA 1978". Laws 1981, ch. 349, §§ 22 and 23 added 61-1-32 and 61-1-33 NMSA 1978, but did not specifically add those sections to the Uniform Licensing Act.

Laws 2002, ch. 83, §§ 2 to 4 purported to enact new sections under the Uniform Licensing Act but those sections were relocated to appear following the State Civil Emergency Preparedness Act which is compiled as 12-10-1 to 12-10-10 NMSA 1978.

Due process. — A regulation of the New Mexico board of psychologist examiners requiring an oral examination for reinstatement of a retiree's license was rationally related to a legitimate governmental purpose; however, the examination might not comply with due process, and, thus, an applicant for reinstatement was entitled to a hearing on the rational justification for the oral examination requirement. *Mills v. New Mexico State Bd. of Psychologist Exmrs.*, 1997-NMSC-028, 123 N.M. 421, 941 P.2d 502.

Appeals. — Because the Uniform Licensing Act did not provide a retired psychologist with a basis for appealing a decision of the New Mexico board of psychologist examiners to require an oral examination for reinstatement of her license, she could request a writ of certiorari to obtain review of the board's alleged due process violations. *Mills v. New Mexico State Bd. of Psychologist Exmrs.*, 1997-NMSC-028, 123 N.M. 421, 941 P.2d 502.

Revocation must be based on substantial evidence. — In administrative adjudications where a person's livelihood (a property right) is at stake, any action depriving a person of that property must be based upon such substantial evidence as would support a verdict in a court of law. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

Naked hearsay insufficient. — In proceedings to revoke a license to conduct a business or profession, where, by law, the licensee is entitled to a hearing before the licensing authority, revocation based solely upon hearsay evidence is unwarranted. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

License not revocable on grounds for original denial. — An administrative agency, having once issued a license to an applicant who has made full disclosure of all pertinent facts, may not revoke that same license for reasons that would not have permitted issuance of the license in the first instance. *Roberts v. State Bd. of Embalmers & Funeral Dirs.*, 78 N.M. 536, 434 P.2d 61 (1967).

Barring fraud and misrepresentation and the existence of statutory authority, state may not revoke the license issued previously to party for the reason that party did not have two years of college training required by the statute when, in fact, at the time appellant granted the license to party, state knew that appellee did not have said college work but, nevertheless, proceeded to grant the license under a policy which, in effect, eliminated the college requirement. *Roberts v. State Bd. of Embalmers & Funeral Dirs.*, 78 N.M. 536, 434 P.2d 61 (1967).

Specification of "unprofessional conduct" not required. — A board may suspend or revoke a license to practice a profession for "unprofessional conduct" without its being required to first specify by regulation or rule exactly what acts may be so considered. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

Preexisting account not required to receive funds. — No law or regulation of the New Mexico real estate commission requires a custodial, trust or escrow account prior to the receipt of funds appropriate for deposit in such account. *McCaughtry v. New Mexico Real Estate Comm'n*, 82 N.M. 116, 477 P.2d 292 (1970).

ANNOTATIONS

1989 amendments. — Laws 1989, ch. 6, § 49, effective July 1, 1989, in Subsection A, substituting "surveyors" for "land surveyors" in Paragraph (16), "commission and division of the regulation and licensing department" for "committee and division of the commerce and industry department" in Paragraph (20), and "manufactured housing division of the regulation and licensing department" for "division of the commerce and industry department" in Paragraph (24), was approved March 2, 1989. Laws 1989, ch. 51, § 26, effective June 16, 1989, also amending this section by rewriting Subsections A(20) and A(24); adding a Subsection A(27), which read "the board of social work examiners; and"; and redesignating former Subsection A(27) as present Subsection A(28), was approved March 15, 1989. However, Laws 1989, ch. 387, § 16, effective July 1, 1989, also amending this section, in Subsection A(20) substituting "regulation and licensing department" for "commerce and industry department"; in Subsection A(24) inserting "manufactured housing" preceding "division" and substituting "regulation and licensing department" for "commerce and industry department"; adding present Subsection A(27); and redesignating former Subsection A(27) as present Subsection A(28), was approved April 7, 1989. This section is set out as amended by Laws 1989, ch. 387, § 16. See 12-1-8 NMSA 1978.

The 1990 amendment, effective May 16, 1990, in Subsection A, substituted "professional engineers and surveyors" for "professional engineers and land surveyors" in Paragraph (16), substituted "construction industries commission and construction industries division" for "construction industries committee and division" in Paragraph (20), deleted "Polygraphy Act and the" preceding "Private Investigators Act" in Paragraph (25), added present Paragraphs (28) to (34), designated former Paragraph (28) as present Paragraph (35), and made a minor stylistic change.

The 1991 amendment, effective June 14, 1991, in Subsection A, added Paragraphs (35) and (36), designated former Paragraph (35) as Paragraph (37) and made a related stylistic change, and made a minor stylistic change in Subsection E.

1993 amendments. — Laws 1993, ch. 49, § 31, effective July 1, 1993, which, in Subsection A, deleted "state" preceding "board" in Paragraph (19), added Paragraph (27), and renumbered former Paragraphs (27) through (37) as Paragraphs (28) through (38), was approved March 18, 1993. Laws 1993, ch. 171, § 25, effective June 18, 1993, also amending this section by rewriting it to the extent that a detailed comparison is impracticable, was approved April 2, 1993. However, Laws 1993, ch. 295, § 1, effective June 18, 1993, also amending this section by rewriting Subsection A, but not giving effect to the changes made by the first two 1993 amendments, was approved April 7, 1993. The section is set out as amended by Laws 1993, ch. 295, § 1. See 12-1-8 NMSA 1978.

The 2002 amendment, effective March 5, 2002, added Subsection F.

61-1-3. Opportunity for licensee or applicant to have hearing.

Every licensee or applicant shall be afforded notice and an opportunity to be heard, before the board has authority to take any action which would result in:

- A. denial of permission to take an examination for licensing for which application has been properly made as required by board rule;
- B. denial of a license after examination for any cause other than failure to pass an examination;
- C. denial of a license for which application has been properly made as required by board rule on the basis of reciprocity or endorsement or acceptance of a national certificate of qualification;

- N. a refund to the consumer of fees that were billed to and collected from the consumer by the licensee.

History: 1953 Comp., § 67-26-3, enacted by Laws 1957, ch. 247, § 3; 1981, ch. 349, § 2; 1993, ch. 295, § 2.

ANNOTATIONS

The 1993 amendment, effective June 18, 1993, added the Paragraph (1) designation and Paragraphs (2) and (3) to Subsection D; added Subsections G through N; and made stylistic changes throughout the section.

Sufficiency of notice and hearing determined under due process standards. – Because there is no precise statutory guideline for a proceeding under this section and due process requires adequate notice and a hearing before the state can take action seeking remuneration against a licensee, the sufficiency of the notice and hearing must be determined under a constitutional due process analysis. *Rex, Inc. v. Mfg. Hous. Comm'n*, 2003-NMCA-134, 134 N.M. 533, 80 P.3d 470.

A constitutional due process analysis under this section must consider and balance three factors: (1) the private interest affected, (2) the risk of an erroneous deprivation of the interest with the procedures used, and (3) the government's interest, including the fiscal and administrative burdens of providing additional procedures. *Rex, Inc. v. Mfg. Hous. Comm'n*, 2003-NMCA-134, 134 N.M. 533, 80 P.3d 470.

Due process requirements were satisfied where the notice of contemplated action cited the statute and the rules the committee relied upon in contemplating the attachment of the consumer bond, contained information about the actual bond, and outlined the general nature of the evidence, and where the licensee had a full and fair opportunity to be heard on the issue of whether collateral estoppel applied on the issues of misrepresentation and loss by the consumers. *Rex, Inc. v. Mfg. Hous. Comm'n*, 2003-NMCA-134, 134 N.M. 533, 80 P.3d 470.

Probable cause hearing not necessary before revocation proceedings. — A licensee is not deprived of any due process rights when no probable cause hearing is

conducted prior to the institution of license revocation proceedings. *Keney v. Derbyshire*, 718 F.2d 352 (10th Cir. 1983).

Charging board not disqualified in hearing on charge. — The board of medical examiners has exclusive jurisdiction of the granting and revoking of certificates admitting physicians and surgeons to practice and, in view of the absence of a provision for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and was, therefore, an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Authority of pharmacy board. — Subsection L grants the board of pharmacy authority to fine pharmacist licensees up to \$1000.00 for any violation of the Pharmacy Act, 61-11-1 et seq., NMSA 1978, or for a violation of provisions of the board's rules and regulations for which the Pharmacy Act authorizes disciplinary action. Additionally, Subsection L grants the board authority to impose fines of the same amounts upon non-pharmacist registrants and licensees over whom the board has the power to impose other forms of discipline including license or registration revocation and suspension. As to persons over whom the board lacks such disciplinary powers under the Pharmacy Act, the Uniform Licensing Act does not grant the power to impose fines. 1995 Op. Att'y Gen. No. 95-01.

Zeal in performing public duty does not disqualify. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

61-1-3.1. Limitations.

A. An action that would have any of the effects specified in Subsections D through N of Section 61-1-3 NMSA 1978 or an action related to unlicensed activity shall not be initiated by a board later than two years after the discovery by the board of the conduct that would be the basis for the action, except as provided in Subsection C of this section.

B. The time limitation contained in Subsection A of this section shall be tolled by any civil or criminal litigation in which the licensee or applicant is a party arising from substantially the same facts, conduct or transactions that would be the basis for the board's action.

C. The New Mexico state board of psychologist examiners shall not initiate an action that would result in any of the actions specified in Subsections D through N of Section 61-1-3 NMSA 1978 later than five years after the conduct of the psychologist or psychologist associate that is the basis for the action. However, if the conduct that is the basis for the action involves a minor or a person adjudicated incompetent, the action shall be initiated, in the case of a minor, no later than one year after the minor's eighteenth birthday or five years after the conduct, whichever is last and, in the case of a person adjudicated incompetent, one year after the adjudication of incompetence is terminated or five years after the conduct, whichever is last.

D. The New Mexico public accountancy board shall not initiate an action under the 1999 Public Accountancy Act [61-28B-1 to 61-28B-29 NMSA 1978] that would result in any of the actions specified in Subsections D through N of Section 61-1-3 NMSA 1978 later than two years following the discovery by the board of a violation of that act.

History: 1978 Comp., § 61-1-3.1, enacted by Laws 1981, ch. 349, § 3; 1989, ch. 41, § 1; 1992, ch. 10, § 27; 1993, ch. 218, § 40; 1993, ch. 295, § 4; 2003, ch. 334, § 1.

ANNOTATIONS

The 1989 amendment, effective June 16, 1989, in Subsection A substituted "Subsection D" for "Subsections D" and added "except as provided in Subsection C of this section"; in Subsection B deleted ", transaction" following "conduct"; and added Subsection C.

The 1992 amendment, effective May 20, 1992, substituted "Subsections C and D" for "Subsection C " in Subsection A, added Subsection D, and made minor stylistic changes throughout the section.

1993 amendments. — Laws 1993, ch. 218, § 40, effective July 1, 1993, adding a new Subsection E, was approved April 5, 1993. However, Laws 1993, ch. 295, § 4, also amending this section by substituting "Subsections D through N" for "Subsection D, E or F" in Subsection A and the first sentence of Subsection C; inserting "the discovery of" in Subsection A; substituting "result in any of the actions" for "have any of the effects" in the first sentence of Subsection C; and rewriting Subsection D, but not giving effect to the changes made by the first 1993 amendment, was approved April 7, 1993. The section is set out as amended by Laws 1993, ch. 295. See 12-1-8 NMSA 1978.

The 2003 amendment, effective July 1, 2003, in Subsection A, inserted "or an action related to unlicensed activity", "by the board" and substituted "Subsection C" for "Subsections C and D"; in Subsection D, inserted "1999" preceding "Public Accountancy Act".

When limitation period begins to run. — The limitation period of this section begins to run from the date of the licensee's culpable conduct. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

Criminal prosecution tolls statute. — The criminal prosecution of culpable conduct serves only to toll the statute if litigation is commenced during the two-year period following the criminal act. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

If tolling applies, the limitation period is tolled from the time of indictment or information until the judgment of conviction has been entered, but no longer. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

Conviction is not "conduct". — Although the fact of conviction may provide a separate and independent basis for revoking a professional license, a conviction is not "conduct" within the meaning of this section and, therefore, the two-year limitation period begins to run from the time of the conduct, transaction, or occurrence that

underlies the conviction rather than from the date of conviction. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

Evidence outside of limitations period proper. — Where psychologist failed to object at the administrative hearing to evidence concerning events that occurred outside of the statute of limitations; as such, the evidence of the therapeutic relationship was properly presented in order to provide context and background. *N.M. State Bd. of Psychologist Exam'rs v. Land*, 2003-NMCA-034, 62 N.M. 1244, 62 P.3d 1244, cert. denied, N.M. , P.3d (2003).

61-1-3.2. Unlicensed activity; disciplinary proceedings; civil penalty.

A. A person who is not licensed to engage in a profession or occupation regulated by a board is subject to disciplinary proceedings by the board.

B. A board may impose a civil penalty in an amount not to exceed one thousand dollars (\$1,000) against a person who, without a license, engages in a profession or occupation regulated by the board. In addition, the board may assess the person for administrative costs, including investigative costs and the cost of conducting a hearing.

History: Laws 2003, ch. 334, § 3.

ANNOTATIONS

Effective dates. — Laws 2003, ch. 334, § 4 makes the act effective on July 1, 2003.

61-1-4. Notice of contemplated board action; request for hearing; notice of hearing.

A. For the purpose of investigating complaints against licensees, the board may issue investigative subpoenas prior to the issuance of a notice of contemplated action as provided in this section.

B. When a board contemplates taking any action of a type specified in Subsection A, B or C of Section 61-1-3 NMSA 1978, it shall serve upon the applicant a written notice containing a statement:

(1) that the applicant has failed to satisfy the board of his qualifications to be examined or to be issued a license, as the case may be;

(2) indicating in what respects the applicant has failed to satisfy the board;

(3) that the applicant may secure a hearing before the board by depositing in the mail within twenty days after service of the notice a certified return receipt requested letter addressed to the board and containing a request for a hearing; and

(4) calling the applicant's attention to his rights under Section 61-1-8 NMSA 1978.

C. In any board proceeding to take any action of a type specified in Subsection A, B or C of Section 61-1-3 NMSA 1978, the burden of satisfying the board of the applicant's qualifications shall be upon the applicant.

D. When a board contemplates taking any action of a type specified in Subsections D through N of Section 61-1-3 NMSA 1978, it shall serve upon the licensee a written notice containing a statement:

(1) that the board has sufficient evidence that, if not rebutted or explained, will justify the board in taking the contemplated action;

(2) indicating the general nature of the evidence;

(3) that unless the licensee within twenty days after service of the notice deposits in the mail a certified return receipt requested letter addressed to the board and containing a request for a hearing, the board will take the contemplated action; and

(4) calling the licensee's attention to his rights as provided in Section 61-1-8 NMSA 1978.

E. If the licensee or applicant does not mail a request for a hearing within the time and in the manner required by this section, the board may take the action contemplated in the notice and such action shall be final and not subject to judicial review.

F. If the licensee or applicant does mail a request for a hearing as required by this section, the board shall, within twenty days of receipt of the request, notify the licensee or applicant of the time and place of hearing, the name of the person who shall conduct the hearing for the board and the statutes and regulations authorizing the board to take the contemplated action. The hearing shall be held not more than sixty nor less than fifteen days from the date of service of the notice of hearing.

G. Licensees shall bear all costs of disciplinary proceedings unless they are excused by the board from paying all or part of the fees or if they prevail at the hearing and an action specified in Section 61-1-3 NMSA 1978 is not taken by the board.

History: 1953 Comp., § 67-26-4, enacted by Laws 1957, ch. 247, § 4; 1993, ch. 295, § 3; 2003, ch. 334, § 2.

ANNOTATIONS

The 1993 amendment, effective June 18, 1993, added present Subsection A; redesignated the former first paragraph of Subsection A as present Subsection B; rewrote the former second paragraph of Subsection A as present Subsection C; redesignated former Subsections B through D as Subsections D through F; substituted "D through N" for "D, E or F" in the introductory language of Subsection D; added Subsection G; and made stylistic changes in Subsections B, D, and F.

The 2003 amendment, effective July 1, 2003, in Paragraph D(4), substituted "as provided in" for "under"; in Subsection F, added "of hearing" at the end.

Probable cause hearing not necessary before revocation proceedings. — A licensee is not deprived of any due process rights when no probable cause hearing is conducted prior to the institution of license revocation proceedings. *Keney v. Derbyshire*, 718 F.2d 352 (10th Cir. 1983).

Charging board not disqualified in hearing on charge. — The board of medical examiners has exclusive jurisdiction regarding the granting and revoking of certificates admitting physicians and surgeons to practice and, in view of the fact that the statutes do not provide for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and was, therefore, an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Zeal in performing public duty does not disqualify. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Requirement of actual notice to licensee. — The Uniform Licensing Act requires actual notice to be given to an individual who may lose a license, pursuant to the hearing requirements contained in the law. In that case, a public policy-making body which convenes a hearing on a licensing matter and which is subject to the provisions of the act, must follow the act's specific notice tenets. In these cases, mere posting of such notice is insufficient as it affects the individual licensee. 1990 Op. Att'y Gen. No. 90-29.

Content of notice. — The "evidence" to be set out in the notice of contemplated action under this statute is the evidence of the ground or grounds to be relied upon in taking the contemplated action under former 61-5-14 NMSA 1978, not the evidence to be adduced by way of explanation and determination of rehabilitation under the Criminal Offender Employment Act, 28-2-1 et seq. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Notice of contemplated action sufficient. — The Notice of Contemplated Action in this case was sufficient to provide the licensee with notice, even though it did not state that the qualifying party certificate was in jeopardy; the licensee knew the general nature of the proceedings against him and that is all that notice pleading requires.

Further, the licensee waived the lack of notice issue by appearing at the administrative hearing and defending on the merits. *Oden v. State, Regulation & Licensing Dep't*, 1996-NMSC-022, 121 N.M. 670, 916 P.2d 1337.

Psychologist was afforded adequate notice that she might be questioned regarding what means she had used to assess her former patient's needs and potential for exploitation; the relevant board rules, which were quoted in the notice of contemplated action, provided that personal relationships with former clients could only be entered with "caution and deliberateness", which should be reflected by the psychologist considering issues such as the need for future treatment and the potential for exploitation of the client. *N.M. State Bd. of Psychologist Exam'rs v. Land*, 2003-NMCA-034, 62 N.M. 1244, 62 P.3d 1244, cert. denied, N.M. , P.3d (2003).

The notice of contemplated action was adequate where it cited the statute and the rules the committee relied upon in contemplating the attachment of the consumer bond, contained information about the actual bond, and outlined the general nature of the evidence. *Rex, Inc. v. Mfg. Hous. Comm'n*, 2003-NMCA-134, 134 N.M. 533, 80 P.3d 470.

The manufacturer was not prejudiced by the omission of the right to subpoena witnesses in the notice of contemplated action because the hearing was based upon the judgment and findings of the district court in an Unfair Practices Act action, and the manufacturer did not have the right to relitigate them. *Rex, Inc. v. Mfg. Hous. Comm'n*, 2003-NMCA-134, 134 N.M. 533, 80 P.3d 470.

61-1-5. Method of service.

Any notice required to be served by Section 61-1-4 or 61-1-21 NMSA 1978 and any decision required to be served by Section 61-1-14 or 61-1-21 NMSA 1978, may be served either personally or by certified mail, return receipt requested, directed to the licensee or applicant at his last know [known] address as shown by the records of the board. If the notice or decision is served personally, service shall be made in the same manner as is provided for service by the Rules of Civil Procedure for the District Courts. Where the notice or decision is served by certified mail, it shall be deemed to have been served on the date borne by the return receipt showing delivery or the last attempted delivery of the notice or decision to the addressee or refusal of the addressee to accept delivery of the notice or decision.

Requirement of actual notice to licensee. — The Uniform Licensing Act requires actual notice to be given to an individual who may lose a license, pursuant to the hearing requirements contained in the law. In that case, a public policy-making body which convenes a hearing on a licensing matter and which is subject to the provisions of the act, must follow the act's specific notice tenets. In these cases, mere posting of such notice is insufficient as it affects the individual licensee. 1990 Op. Att'y Gen. No. 90-29.

61-1-6. Venue of hearing.

Board hearings held under the Uniform Licensing Act [61-1-1 NMSA 1978] shall be conducted in the county in which the person whose license is involved maintains his residence, or at the election of the board, in any county in which the act or acts complained of occurred; except that, in cases involving initial licensing, hearings shall be held in the county where the board maintains its office. In any case, however, the person whose license is involved and the board may agree that the hearing is to be held in some other county.

History: 1953 Comp., § 67-26-6, enacted by Laws 1957, ch. 247, § 6.

61-1-7. Hearing officers; hearings; public; exception; excusal; protection of witness and information.

A. All hearings under the Uniform Licensing Act [61-1-1 NMSA 1978] shall be conducted either by the board or, at the election of the board, by a hearing officer who may be a member or employee of the board or any other person designated by the board in its discretion. A hearing officer shall, within thirty days after any hearing, submit to the board a report setting forth his findings of fact.

B. All hearings under the Uniform Licensing Act shall be open to the public, provided that in cases in which any constitutional right of privacy of an applicant or licensee may be irreparably damaged, a board or hearing officer may hold a closed hearing if the board or hearing officer so desires and states the reasons for this decision

in the record. The applicant or licensee may, for good cause shown, request a board or hearing officer to hold either a public or a closed hearing.

C. Each party may peremptorily excuse one board member or a hearing officer by filing with the board a notice of peremptory excusal at least twenty days prior to the date of the hearing, but this privilege of peremptory excusal may not be exercised in any case in which its exercise would result in less than a quorum of the board being able to hear or decide the matter. Any party may request that the board excuse a board member or a hearing officer for good cause by filing with the board a motion of excusal for cause at least twenty days prior to the date of the hearing. In any case in which a combination of peremptory excusals and excusals for good cause would result in less than a quorum of the board being able to hear or decide the matter, the peremptory excusals that would result in removing the member or members of the board necessary for a quorum shall not be effective.

D. In any case in which excusals for cause result in less than a quorum of the board being able to hear or decide the matter, the governor shall, upon request by the board, appoint as many temporary board members as are necessary for a quorum to hear or decide the matter. These temporary members shall have all of the qualifications required for permanent members of the board.

E. In any case in which excusals result in less than a quorum of the board being able to hear or decide the matter, the board, including any board members who have been excused, may designate a hearing officer to conduct the entire hearing.

F. Each board shall have power where a proceeding has been dismissed, either on the merits or otherwise, to relieve the applicant or licensee from any possible odium that may attach by reason of the proceeding, by such public exoneration as it shall see fit to make, if requested by the applicant or licensee to do so.

G. There shall be no liability on the part of and no action for damages against a person who provides information to a board in good faith and without malice in the reasonable belief that such information is accurate. A licensee who directly or through an agent intimidates, threatens, injures or takes any adverse action against a person for providing information to a board shall be subject to disciplinary action.

History: 1953 Comp., § 67-26-7, enacted by Laws 1957, ch. 247, § 7; 1981, ch. 349, § 6; 1993, ch. 295, § 5.

ANNOTATIONS

The 1993 amendment, effective June 18, 1993, substituted "excusal; protection of witness and information" for "disqualification" in the catchline; substituted "any constitutional right of privacy" for "the reputation" in the first sentence of Subsection B; rewrote Subsection C; substituted "excusals for cause" for "disqualifications" in the first

sentence of Subsection D; substituted "excusals" for "disqualifications" and "excused" for "disqualified" in Subsection E; and added Subsection G.

Charging board not disqualified in licensing on charge. — The board of medical examiners has exclusive jurisdiction regarding the granting and revoking of certificates admitting physicians and surgeons to practice and, in view of the fact that the statutes do not provide for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and is therefore an interested party. *Seidenberg v. Const., art. II, § 18. *Reid v. New Mexico Bd. of Exmrs. in Optometry*, 92 N.M. 414, 589 P.2d 198 (1979).

61-1-8. Rights of person entitled to hearing.

A. A person entitled to be heard under the Uniform Licensing Act [61-1-1 NMSA 1978] shall have the right to be represented by counsel or by a licensed member of his own profession or occupation, or both; to present all relevant evidence by means of witnesses and books, papers, documents and other evidence; to examine all opposing witnesses who appear on any matter relevant to the issues; and to have subpoenas and subpoenas duces tecum issued as of right prior to the commencement of the hearing to compel discovery and the attendance of witnesses and the production of relevant books, papers, documents and other evidence upon making written request therefor to the board or hearing officer. The issuance of such subpoenas after the commencement of the hearing rests in the discretion of the board or the hearing officer. All notices issued pursuant to Section 61-1-4 NMSA 1978 shall contain a statement of these rights.

B. Upon written request to another party, any party is entitled to:

(1) obtain the names and addresses of witnesses who will or may be called by the other party to testify at the hearing; and

(2) inspect and copy any documents or items which the other party will or may introduce in evidence at the hearing.

The party to whom such a request is made shall comply with it within ten days after the mailing or delivery of the request. No such request shall be made less than fifteen days before the hearing.

C. Any party may take depositions after service of notice in accordance with the Rules of Civil Procedure for the District Courts. Depositions may be used as in proceedings governed by those rules.

61-1-9. Powers of board or hearing officer in connection with hearings.

A. In connection with any hearing held under the Uniform Licensing Act [61-1-1 NMSA 1978], the board or hearing officer shall have power to have counsel to develop the case; to subpoena, for purposes of discovery and of the hearing, witnesses and relevant books, papers, documents and other evidence; to administer oaths or affirmations to witnesses called to testify; to take testimony; to examine witnesses; and to direct a continuance of any case. Boards or hearing officers may also hold conferences before or during the hearing for the settlement or simplification of the issues but such settlement or simplification shall only be with the consent of the applicant or licensee.

B. Geographical limits upon the subpoena power shall be the same as if the board or hearing officer were a district court sitting at the location at which the hearing or discovery proceeding is to take place. The method of service, including tendering of

witness and mileage fees, shall be the same as that under the Rules of Civil Procedure for the District Courts, except that those rules requiring the tender of fees in advance shall not apply to the state.

C. The board or hearing officer may impose any appropriate evidentiary sanction against a party who fails to provide discovery or to comply with a subpoena.

61-1-10. Enforcement of board orders and contempt procedure.

In proceedings before a board or hearing officer under the Uniform Licensing Act [61-1-1 NMSA 1978], if any person refuses to respond to a subpoena, or refuses to take the oath or affirmation as a witness or thereafter refuses to be examined, or refuses to obey any lawful order of a board contained in its decision rendered after hearing, the secretary of the board may apply to the district court of the county where the proceedings are being held for an order directing that person to take the requisite action. The court may issue such order in its discretion. Should any person willfully fail to comply with an order so issued, the court shall punish him as for contempt.

History: 1953 Comp., § 67-26-10, enacted by Laws 1957, ch. 247, § 10; 1981, ch. 349, § 9.

61-1-11. Rules of evidence.

A. In proceedings held under the Uniform Licensing Act [61-1-1 NMSA 1978], boards and hearing officers may admit any evidence and may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent people in the

conduct of serious affairs. Boards and hearing officers may in their discretion exclude incompetent, irrelevant, immaterial and unduly repetitious evidence. In proceedings involving the suspension or revocation of a license, rules of privilege shall be applicable to the same extent as in proceedings before the courts of this state. Documentary evidence may be received in the form of copies or excerpts.

B. Boards and hearing officers may take notice of judicially cognizable facts and in addition may take notice of general, technical or scientific facts within their specialized knowledge. When any board or hearing officer takes notice of a fact, the applicant or licensee shall be notified either before or during the hearing of the fact so noticed and its source and shall be afforded an opportunity to contest the fact so noticed.

C. Boards and hearing officers may utilize their experience, technical competence and specialized knowledge in the evaluation of evidence presented to them.

ANNOTATIONS

Reliable evidence given probative effect. — Evidence of a kind commonly relied on by reasonably prudent men in the conduct of serious affairs may be given probative effect under this section. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969). See note under 61-1-1 NMSA 1978.

Necessity of expert testimony. — Expert testimony was not required to support charges that a dentist submitted a false claim for reimbursement and that the dentist was guilty of unprofessional conduct and failed to practice dentistry in a professionally competent manner. Where the agency conducting the hearing is itself composed of experts qualified to make a judgment as to the licensee's adherence to standards of professional conduct, there is no need for the kind of assistance an expert provides in the form of an opinion. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Hearsay admissible. — This section clearly contemplates that a board may admit and consider hearsay evidence, if it is of a kind commonly relied upon by reasonably prudent men in the conduct of serious affairs. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

Because an agency has wide discretion in receiving and excluding evidence in proceedings under the Uniform Licensing Act, any error in allowing reference to an indictment against a dentist was harmless. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Standard of proof applied in administrative proceedings, with few exceptions, is a preponderance of the evidence. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

Substantial evidence must support revocation. — The revocation or suspension of a license to conduct a business or profession must not be based solely upon hearsay evidence, as other legally competent evidence, together with the hearsay evidence, must substantially support the findings upon which the revocation or suspension is based. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

Higher burden to prove fraud. — If fraud is charged in an administrative proceeding, the evidence in support of a finding of fraud is not deemed substantial "if it is not clear, strong and convincing." *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Special weight given to technical findings. — Courts may properly give special weight and credence to findings concerning technical or scientific matters by administrative bodies whose members, by education, training or experience, are especially qualified and are functioning within the perimeters of their expertise since legislative approval of the treatment of the findings of these boards is implicit in this section. *McDaniel v. hearing. The record shall be preserved by any stenographic method in use in the district courts of this state, or in the discretion of the board, by tape recording. The board shall observe any standards pertaining to tape recordings established for the district courts of this state.

61-1-13. Decision.

A. After a hearing has been completed, the members of the board shall proceed to consider the case and as soon as practicable shall render their decision, provided that the decision shall be rendered by a quorum of the board. In cases in which the hearing is conducted by a hearing officer, all members who were not present throughout the hearing shall familiarize themselves with the record, including the hearing officer's report, before participating in the decision. In cases in which the hearing is conducted by the board, all members who were not present throughout the hearing shall thoroughly familiarize themselves with the entire record, including all evidence taken at the hearing, before participating in the decision.

B. A decision based on the hearing shall be made by a quorum of the board and signed by the person designated by the board within sixty days after the completion of the preparation of the record or submission of a hearing officer's report, whichever is later. In any case, the decision must be rendered and signed within ninety days after the hearing.

History: 1953 Comp., § 67-26-13, enacted by Laws 1957, ch. 247, § 13; 1981, ch. 349, § 12; 1993, ch. 295, § 6.

ANNOTATIONS

The 1993 amendment, effective June 18, 1993, in Subsection A, substituted "a quorum of the board" for "the board at a meeting where a majority of the members are present and participating in the decision" at the end of the first sentence; and made stylistic changes in the second and third sentences.

Standard of proof for a hearing under this section is by a preponderance of the evidence. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

Section requires that decision be made by majority of the members of the board. *McCaughtry v. New Mexico Real Estate Comm'n*, 82 N.M. 116, 477 P.2d 292 (1970).

Effect of failure to timely sign decision. — Failure of the board of dentistry to render and sign its decision suspending a dentist's license within 90 days after completion of the hearing made the decision null and void. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

The 90-day time limit imposed by this section is expressly jurisdictional. Where the board fails to take action within the required 90-day period, its decision is void and must be reversed. *Lopez v. New Mexico Bd. of Medical Exmrs.*, 107 N.M. 145, 754 P.2d 522 (1988).

History: 1953 Comp., § 67-26-14, enacted by Laws 1957, ch. 247, § 14.

61-1-15. Procedure where person fails to request or appear for hearing.

If a person who has requested a hearing does not appear, and no continuance has been granted, the board or hearing officer may hear the evidence of such witnesses as may have appeared, and the board may proceed to consider the matter and dispose of it on the basis of the evidence before it in the manner required by Section 61-1-13 NMSA 1978. Where because of accident, sickness or other cause a person fails to request a hearing or fails to appear for a hearing which he has requested, the person may within a reasonable time apply to the board to reopen the proceeding, and the board upon finding such cause sufficient shall immediately fix a time and place for hearing and give the person notice as required by Sections 61-1-4 and 61-1-5 NMSA 1978. At the time and place fixed, a hearing shall be held in the same manner as would have been employed if the person had appeared in response to the original notice of hearing.

61-1-29. Adoption of regulations; notice and hearing.

A. The procedures specified in Sections 61-1-29 through 61-1-31 NMSA 1978 shall be applicable to proceedings by a board to adopt, amend or repeal rules or regulations of general applicability which implement or interpret a law enforced or administered by the board. B. No regulation or amendment or repeal thereof shall be adopted by the board until after a public hearing by the board.

C. The board shall make reasonable efforts to give notice of any rulemaking proceeding to its licensees and to the members of the public. Notice of the hearing shall be given at least thirty days prior to the hearing date and shall state the subject, the time and the place of the hearing and the manner in which interested persons may present their views. The emergency regulation shall not continue in effect longer than forty-five days unless within that time the board commences proceedings to adopt the regulation by issuing the notice required under Section 61-1-29 NMSA 1978. If the board commences proceedings under Section 61-1-29 NMSA 1978, the emergency regulation shall remain in effect until a permanent regulation takes effect or until the procedures are otherwise completed. In no event shall any emergency regulation remain in effect for more than one hundred twenty days.

An appeal of an emergency regulation is perfected by filing a notice of appeal with the court of appeals and the board within the period of time the emergency regulation is in effect. The appellant shall certify in his notice of appeal that arrangements have been made with the board for preparation of a sufficient number of transcripts of the record of the hearing on which the appeal depends to support his appeal to the court, at the expense of the appellant, including three copies which he shall furnish to the board.

C. Upon appeal, the court of appeals shall set aside the regulation only if found to be:

- (1) arbitrary, capricious or an abuse of discretion;

61-2-10. Certification for use of topical ocular pharmaceutical agents; display. (Repealed effective July 1, 2010.)

A. The board shall issue certification for the use of topical ocular pharmaceutical agents to optometrists licensed on the effective date of this section who have completed appropriate forms issued by the board and submitted proof of successful completion of the educational requirements for certification established by the board, which requirements shall be not less than those required in Paragraph (2) of Subsection B of this section.

B. The board shall issue certification for the use of topical ocular pharmaceutical agents to optometrists licensed after the effective date of this section who have completed appropriate forms issued by the board and submitted proof of:

(1) having satisfactorily completed a course in pharmacology as applied to optometry with particular emphasis on the topical application of diagnostic pharmaceutical agents to the eye for the purpose of examination of the human eye and the analysis of ocular functions, which course is offered by an institution accredited by a regional or professional accreditation organization recognized or approved by the national commission on accrediting or the United States secretary of education; or

(2) having postgraduate education with a minimum of seventy hours of instruction in general and ocular pharmacology as applied to optometry taught by an accredited institution and approved by the board.

C. The board shall issue certification for the use of topical ocular pharmaceutical agents to optometrists who have successfully completed an examination and submitted

proof of having satisfactorily completed a course in pharmacology as applied to optometry, with particular emphasis on the application of pharmaceutical agents for the purpose of examination of the human eye, analysis of ocular functions and treatment of visual defects or abnormal conditions of the human eye and its adnexa. The course shall constitute a minimum of one hundred classroom-clinical hours of instruction in general and ocular pharmacology, including therapeutic pharmacology, as applied to optometry, and shall be taught by an accredited institution and approved by the board.

ANNOTATIONS

Delayed repeals. — See 61-2-18 NMSA 1978.

The 1995 amendment, effective July 1, 1995, deleted "diagnostic" preceding "pharmaceutical" near the beginning of Subsection A and in the introductory paragraph of Subsection B, and deleted "five" following "one hundred" in the second sentence of Subsection C.

"Effective date of this section". — The effective date of this section, referred to in the introductory paragraph of Subsection B, means the effective date of Laws 1977, ch. 30, § 3, which is June 17, 1977.

Necessity of submission of proof of course completion. — To become certified to use topical ocular pharmaceutical agents, an optometrist must pass an examination and submit proof of completion of the course in pharmacology to the board. To hold otherwise would render the certification process meaningless. The board would then have to contact every pharmacology school in the country to ask if any New Mexico optometrists had completed any courses. *Molina v. McQuinn*, 107 N.M. 384, 758 P.2d 798 (1988).

The word "use" in Subsection C extends to prescribing drugs for patients who are treated by an optometrist. *Molina v. McQuinn*, 107 N.M. 384, 758 P.2d 798 (1988).

(1) "immediate follow-up care" is that period of contact lens fitting time required to determine a contact lens prescription that is appropriate to the documented clinical needs of the patient; and

(2) "replacement contact lens prescription" means a prescription prepared by a licensed optometrist containing the information specified in this section and written expressly for the purpose of providing lenses that have already been properly fitted.

B. A licensed optometrist shall ensure that each replacement contact lens prescription that the licensed optometrist prescribes for contact lenses:

(1) contains all the information necessary for the replacement contact lens prescription to be properly dispensed, including the:

C. After a licensed optometrist releases the patient from immediate follow-up care, the patient may request a replacement contact lens prescription from the licensed optometrist. The request shall be in writing and signed by the patient, and shall be retained in the patient's file for at least five years. If, after examination, the patient's prescription has not changed since the last examination and there are no ocular concerns, a licensed optometrist shall, upon request of the patient, provide the patient's replacement contact lens prescription to the patient without cost to the patient and without requiring the patient to purchase contact lenses.

D. In responding to a patient's request pursuant to Subsection C of this section, a licensed optometrist shall transmit the replacement contact lens prescription by mail, telephone, facsimile, e-mail or any other means of communication that will, under normal circumstances, result in the patient receiving the information within a reasonable time.

E. The replacement contact lens prescription that a licensed optometrist provides a patient:

(1) shall contain the information necessary for the proper duplication of the current prescription of the patient;

(2) shall contain, subject to the provisions of Subsection F of this section, an expiration date for the replacement contact lens prescription of not more than twenty-four months from the time the patient was first examined; and

(3) may contain wearing guidelines or specific instructions for use of the contact lenses by the patient, or both.

F. The licensed optometrist shall enter into the patient's medical record the valid clinical reasons for a shorter expiration date and shall provide the patient with a written and oral explanation of the clinical reasons for a shorter expiration date.

G. When a patient's prescription is dispensed by a person other than a licensed optometrist or a person associated directly or indirectly with the licensed optometrist, the licensed optometrist is not liable for any injury to or condition of a patient caused solely by the negligence of the dispenser.

H. A licensed optometrist who releases a replacement contact lens prescription to a patient may provide the patient with a written statement that wearing improperly fitted

contact lenses may cause harm to the patient's eyes and that the patient should have an eye examination if there are any changes in the patient's vision, including pain or vision loss.

I. A licensed optometrist who fills or provides a contact lens prescription shall maintain a record of that prescription in accordance with rules promulgated by the board.

J. A person other than a licensed optometrist or physician who fills a contact lens prescription shall maintain a record of that prescription for five years.

K. The board may impose a civil fine of no more than one thousand dollars (\$1,000) on a licensed optometrist who fails to provide a replacement contact lens prescription, knowingly dispenses contact lenses without a valid and unexpired replacement contact lens prescription or who otherwise fails to comply with the provisions of this section.

L. A person who is not a licensed optometrist or a licensed physician shall not sell or dispense a contact lens to a resident of this state unless the person has at the time of sale or dispensing a copy of a valid, unexpired prescription or has obtained verification of a valid, unexpired prescription in accordance with Subsection M of this section.

M. A contact lens may not be sold, dispensed or distributed to a patient in this state by a seller of contact lenses unless one of the following has occurred:

(1) the patient has given or mailed the seller an original, valid, unexpired written contact lens prescription;

(2) the prescribing licensed optometrist has given, mailed or transmitted by facsimile transmission a copy of a valid, unexpired written contact lens prescription to a seller designated in writing by the patient to act on the patient's behalf; or

(3) the prescribing licensed optometrist has orally or in writing verified the valid, unexpired prescription to a seller designated by the patient to act on his behalf.

(1) a request for a verification shall be made by the seller to the prescribing licensed optometrist by facsimile, mail or telephone;

(2) if received between 9:00 a.m. and 5:00 p.m. on a working day, the prescribing licensed optometrist shall provide verification to the seller within three working days of receipt;

(3) if not received between 9:00 a.m. and 5:00 p.m. on a working day, the prescribing licensed optometrist shall provide verification to the seller within three working days after 9:00 a.m. of the next working day following receipt;

(4) in any case where the existence of a valid designation by the patient of a seller to act on the patient's behalf is in question, the prescriber shall promptly contact the patient to determine if a designation is in effect. Under no circumstances shall a non-response to a verification request be deemed to authorize, validate or confirm any prescription; and

(5) as used in this subsection, "working day" means any Saturday or Sunday that the office of the prescribing licensed optometrist is open and Monday through Friday but does not include a holiday.

O. A person who knowingly violates the provisions of Subsection L of this section is guilty of a fourth degree felony and shall be sentenced pursuant to Section 31-18-15 NMSA 1978.

P. A person who is not a licensed optometrist or a licensed physician shall not sell or dispense a contact lens to a resident of this state unless he is registered with the board of pharmacy as a seller or dispenser of contact lenses; provided that pharmacies, clinics and hospitals licensed by the board of pharmacy shall be exempt from this requirement. The board of pharmacy shall promulgate rules to establish the application procedures for obtaining registration and may include a requirement for payment of a fee by the applicant, but the amount of the fee shall not exceed the costs of implementing the registration requirement. The board of pharmacy shall maintain a current list of all registered sellers and dispensers of contact lenses. A person who is not registered pursuant to this subsection and knowingly sells or dispenses a contact lens to a resident of this state is guilty of a misdemeanor and shall be sentenced pursuant to Section 31-19-1 NMSA 1978.

B. A license shall be renewed annually on or before July 1. The licensee shall pay to the secretary-treasurer of the board the required fees. The board shall promulgate rules establishing additional requirements and procedures for renewal of a license. It shall also promulgate rules establishing a fee schedule for renewal of a license, but a specific fee shall not exceed five hundred dollars (\$500).

C. Failure to renew a license pursuant to this section terminates the optometrist's authority to practice optometry, and the former licensee shall fulfill all current requirements for licensing and therapeutic drug certification if application for licensing or certification is made after termination.

D. An optometrist who intends to retire from the practice of optometry shall notify the board in writing before the expiration of his license, and the secretary-treasurer of the board shall acknowledge the receipt of the notice and record it. If within a period of five years from the year of retirement the optometrist desires to resume practice, he shall notify the board in writing, and, upon giving proof of completing refresher courses prescribed by rules of the board and the payment of required fees, his license shall be restored to him in full effect.

E. Before engaging in the practice of optometry, a licensed optometrist shall notify the secretary-treasurer of the board in writing of the address at which he intends to begin practice and subsequently of any changes in his business address or location. Notices the board is required to give a licensee shall legally have been given when delivered to the latest address furnished by the licensee to the board.

(1) practicing or attempting to practice optometry without a valid current license issued by the board;

(2) using or attempting to use a topical ocular pharmaceutical agent or an oral pharmaceutical agent that is regulated pursuant to the provisions of the New Mexico Drug, Device and Cosmetic Act [Chapter 26, Article 1 NMSA 1978] without having the certification for its use issued by the board, unless the administration of pharmaceutical agents is done under the direct supervision of a licensed optometrist certified to administer the pharmaceutical agents in accordance with the provisions of the Optometry Act [Chapter 61, Article 2 NMSA 1978]; or

(3) permitting a person in one's employ, supervision or control to practice optometry or use pharmaceutical agents described in Paragraph (2) of this subsection unless that person is licensed and certified in accordance with the provisions of the Optometry Act [Chapter 61, Article 2 NMSA 1978] or unless the administration of pharmaceutical agents is done under the direct supervision of a licensed optometrist certified to administer the pharmaceutical agents in accordance with the provisions of the Optometry Act.

B. A person who commits one of the following acts is guilty of a misdemeanor and upon conviction shall be sentenced pursuant to the provisions of Section 31-19-1 NMSA 1978:

(1) making a willfully false oath or affirmation where the oath or affirmation is required by the Optometry Act [Chapter 61, Article 2 NMSA 1978];

(5) except for licensed optometrists, using any trial lenses, trial frames, graduated test cards or other appliances or instruments for the purpose of examining the eyes or rendering assistance to anyone who desires to have an examination of the eyes, but it is not the intent of this paragraph to prevent any school nurse, schoolteacher or employee in public service from ascertaining the possible need of vision services, if the person, clinic or program does not attempt to diagnose or prescribe ophthalmic lenses for the eyes or recommend any particular practitioner or system of practice;

(6) advertising the fabricating, adapting, employing, providing, sale or duplication of eyeglasses or any part thereof, but this paragraph does not preclude the use of a business name, trade name or trademark not relating to price or the use of the address, telephone number, office hours and designation of the provider, in or at retail outlets, on business cards, eyeglass cleaners and cases or in news media or in public directories, mailings and announcements of location openings or the use of the words "doctors' prescriptions for eyeglasses filled" or "eyeglass repairs, replacements and adjustments"; or

ANNOTATIONS

Delayed repeals. — See 61-2-18 NMSA 1978.

The 1995 amendment, effective July 1, 1995, added Subsection A; designated the former introductory paragraph as Subsection B and rewrote the provision; redesignated former Subsections C through F as Paragraphs B(1) through B(4); deleted former

Subsection G prohibiting practicing optometry when one's license has been revoked or suspended; designated former Subsections H through J as Paragraphs B(5) through B(7); and made related and other stylistic changes throughout the section.

The 1996 amendment, added the language beginning "unless, however, the administration of pharmaceutical agents" at the end of Paragraph A(2), deleted "licensed or" following "unless that person is" in Paragraph A(3), and added the language beginning "or unless the administration of pharmaceutical agents" at the end of Paragraph A(3). Laws 1996, ch. 59 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective May 15, 1996, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

The 2003 amendment, effective June 20, 2003, rewrote the section to the extent that a detailed comparison is impracticable.

Applicability to optometrists in state. — An optometrist doing business in New Mexico must carry on the profession in accordance with the laws of this state. 1969 Op. Att'y Gen. No. 69-80.

Constitutionality of advertising restraints. — Subsection (m) of 67-7-13, 1953 Comp., prohibiting price advertising of eyeglasses, lenses and the like, did not impose a constitutionally prohibited burden upon interstate commerce, and was not preempted by federal legislation; nor did it constitute a deprivation of property in violation of the due process clause or a violation of the privileges and immunities clause of the fourteenth amendment. *Head v. New Mexico Bd. of Exmrs.*, 374 U.S. 424, 83 S. Ct. 1759, 10 L. Ed. 2d 983 (1963).

Constitutional basis for prohibitions against advertising. — Laws prohibiting price advertising and similar advertising by professional persons have as their constitutional basis the rationale that the state has such an interest in the health of its citizens that it may prevent advertising or price promulgation by professional individuals engaged in treating the human body or any part thereof. 1963-64 Op. Att'y Gen. No. 63-119. (opinion rendered under former law.)

Freedom of speech issue not decided. — Argument that injunction against a newspaper and radio station, prohibiting the accepting or publishing within New Mexico of a Texas optometrist's advertisement, constituted an invalid restraint upon freedom of speech protected by the fourteenth amendment was neither made to the state courts nor reserved in notice of appeal, and would not be considered by the supreme court. *Head v. New Mexico Bd. of Exmrs.*, 374 U.S. 424, 83 S. Ct. 1759, 10 L. Ed. 2d 983 (1963).

Cable television system not "advertising". — Cable television system which did not sell advertising space, nor receive any compensation whatsoever from advertisers or broadcasters for the electronic service it performed, and was supported entirely by the sale of subscriptions to viewers, in return for which it performed the service of increasing the viewer's capacity to receive television signals, was not "advertising" within meaning of statute forbidding advertising of optometry and optometry services; neither did operators share a "community of purpose" with out-of-state optometrists or broadcasters sufficient to render them liable as accessories. *Midwest Video v. Campbell*, 80 N.M. 116, 452 P.2d 185 (1969).

Fact that one consequence of the cable television systems' activities was to expose a number of New Mexicans to price advertising inducements to which they might not otherwise have been exposed was merely an incidental effect of an otherwise lawful activity, and did not, of itself, absent intention or purpose, make the activity "advertising." *Midwest Video v. Campbell*, 80 N.M. 116, 452 P.2d 185 (1969).

Out-of-state advertising. — The placing of prohibited trade advertising with out-of-state media by a New Mexico optometrist would lie within the prohibition of the former New Mexico Optometry Act (67-7-1, 1953 Comp. et seq.). 1969 Op. Att'y Gen. No. 69-80.

Stay of federal proceedings pending state construction. — Former 67-7-13(m), 1953 Comp., which forbade the advertising of prices or terms on eyeglasses, spectacles, etc., should have been exposed to state construction as to its application to the plaintiffs or limiting action before the federal courts were asked to pass on its constitutionality; therefore, proceedings challenging its validity before a three-judge federal district court would be stayed for a reasonable time pending state court interpretation of the statute. *Midwest Video Corp. v. 61-2-15. Exemptions. (Repealed effective July 1, 2010.).

A. Except for the provisions of Section 61-2-16 NMSA 1978 and as provided in this subsection, the Optometry Act [Chapter 61, Article 2 NMSA 1978] does not apply to a licensed physician or a person, clinic or program under his responsible supervision and control, provided that the person, clinic or program under the responsible supervision and control of the licensed physician shall not use either loose or fixed trial lenses for the sole purpose of determining the prescription for eyeglasses or contact lenses.

The 1991 amendment, effective June 14, 1991, substituted "promote, preserve and protect the public health, safety and welfare" for "safeguard life and health and to promote the public welfare" and made a minor stylistic change.

The 2001 amendment, effective June 15, 2001, inserted "hemodialysis technicians and medication aides".

Requiring nurse to "float" not unlawful or serious misconduct. — A hospital's "floating" policy is not necessarily something that "public policy would condemn." Therefore, requiring a nurse to "float" is not the kind of unlawful or serious misconduct for which recognition of the tort of wrongful discharge was intended. *Francis v. Memorial Gen. Hosp.*, 104 N.M. 698, 726 P.2d 852 (1986).

61-3-24.1. Compact entered into. (Repealed effective July 1, 2010.)

The Nurse Licensure Compact is entered into law and entered into with all other jurisdictions legally joining therein in a form substantially as follows:

"NURSE LICENSURE COMPACT

ARTICLE 1 - Findings and Purpose

- A. The party states find that:

(1) the health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;

(2) violation of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;

(3) the expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;

(4) new practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex; and

(5) the current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.

B. The general purposes of this compact are to:

(1) facilitate the states' responsibility to protect the public's health and safety;

(2) ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;

(3) facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions;

(4) promote compliance with the laws governing the practice of nursing in each jurisdiction; and

(5) invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.

ARTICLE 2 - Definitions

As used in the Nurse Licensure Compact [61-3-24.1 NMSA 1978]:

A. "adverse action" means a home or remote state action;

B. "alternative program" means a voluntary, non-disciplinary monitoring program approved by a licensing board;

C. "coordinated licensure information system" means an integrated process for collecting, storing and sharing information on nurse licensure and enforcement

activities related to nurse licensure laws, which is administered by a nonprofit organization composed of and controlled by state licensing boards;

D. "current significant investigative information" means:

(1) investigative information that a licensing board, after a preliminary inquiry that includes notification and opportunity for the nurse to respond if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or

(2) investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond;

E. "home state" means the party state that is the nurse's primary state of residence;

F. "home state action" means an administrative, civil, equitable or criminal action permitted by the home state's laws that are imposed on a nurse by the home state's licensing board or other authority, including actions against an individual's license such as: revocation, suspension, probation or any other action that affects a nurse's authorization to practice;

G. "licensing board" means a party state's regulatory body responsible for issuing nurse licenses;

H. "multistate licensure privilege" means current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical or vocational nurse in such party state. All party states have the authority, in accordance with existing state due process law, to take actions against the nurse's privilege such as: revocation, suspension, probation or any other action which affects a nurse's authorization to practice;

I. "nurse" means a registered nurse or licensed practical or vocational nurse, as those terms are defined by each party state's practice laws;

J. "party state" means a state that has adopted the Nurse Licensure Compact;

K. "remote state" means a party state, other than the home state:

(1) where the patient is located at the time nursing care is provided; or

(2) in the case of the practice of nursing not involving a patient, in such party state where the recipient of nursing practice is located;

L. "remote state action" means:

(1) an administrative, civil, equitable or criminal action permitted by a remote state's laws that are imposed on a nurse by the remote state's licensing board or other authority, including actions against a nurse's multistate licensure privilege to practice in the remote state; and

(2) cease and desist orders and other injunctive or equitable orders issued by remote states or the licensing boards thereof;

M. "state" means a state, territory or possession of the United States, the District of Columbia or the Commonwealth of Puerto Rico; and

N. "state practice laws" means an individual party state's laws and regulations that govern the practice of nursing, define the scope of nursing practice and create the methods and grounds for imposing discipline. "State practice laws" does not include the initial qualifications for licensure or requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.

ARTICLE 3 - General Provisions and Jurisdiction

A. A license to practice registered nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in such party state. A license to practice licensed practical or vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical or vocational nurse in such party state. In order to obtain or retain a license, an applicant must meet the home state's qualifications for licensure and license renewal as well as all other applicable state laws.

B. A party state may, in accordance with state due process laws, limit or revoke a multistate licensure privilege of any nurse to practice in the state and may take any other action under applicable state laws necessary to protect the health and safety of state citizens. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.

C. A nurse practicing in a party state must comply with the state practice laws of the state in which the patient is located at the time care is rendered. In addition, the practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of the party state. The practice of nursing will subject a nurse to the jurisdiction of the nurse licensing board and the courts, as well as the laws, in that party state.

D. The Nurse Licensure Compact [61-3-24.1 NMSA 1978] does not affect additional requirements imposed by a party state for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.

E. Individuals not residing in a party state shall continue to be able to apply for nurse licensure as provided for under the laws of each party state. However, the license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.

ARTICLE 4 - Application for Licensure in a Party State

A. Upon application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any restrictions on the multistate licensure privilege and whether any other adverse action by any state has been taken against the license.

B. A nurse in a party state shall hold licensure in only one party state at a time, issued by the home state.

C. A nurse who intends to change primary state of residence may apply for licensure in the new home state in advance of such change. However, new licenses will not be issued by a party state until after the nurse provides evidence of change in primary state of residence satisfactory to the new home state's licensing board.

D. When a nurse changes primary state of residence by:

(1) moving from one party state to another party state, and obtains a license from the new home state, the license from the former home state is no longer valid;

(2) moving from a nonparty state to a party state, and obtains a license from the new home state, the individual state license issued by the nonparty state is not affected and will remain in full force if so provided by the laws of the nonparty state; or

(3) moving from a party state to a nonparty state, the license issued by the prior home state converts to an individual state license, valid only in the former home state, without the multistate licensing privilege to practice in other party states.

ARTICLE 5 - Adverse Actions

In addition to the general provisions described in Article 3 of the Nurse Licensure Compact [61-3-24.1 NMSA 1978], the following provisions apply.

A. The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions, including the factual and legal basis for such action, if known. The licensing board of a remote state shall also promptly report any significant current investigative information yet to result in a remote state action. The administrator of the coordinated licensure information system shall promptly notify the home state of any such reports.

B. The licensing board of a party state shall have the authority to complete any pending investigations for a nurse who changes primary state of residence during the course of such investigations. It shall also have the authority to take appropriate actions, and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.

C. A remote state may take adverse action affecting the multistate licensure privilege to practice within that party state. However, only the home state has the power to impose adverse action against the license issued by the home state.

D. For purposes of imposing adverse action, the licensing board of the home state shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, it shall apply its own state laws to determine appropriate action.

E. The home state may take adverse action based on the factual findings of the remote state, so long as each state follows its own procedures for imposing such adverse action.

F. Nothing in the Nurse Licensure Compact [61-3-24.1 NMSA 1978] shall override a party state's decision that participation in an alternative program may be used in lieu of licensure action and that such participation shall remain nonpublic if required by the party state's laws. Party states must require nurses who enter any alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from such other party state.

ARTICLE 6 - Additional Authorities Invested in Party State Licensing Boards

Notwithstanding any other powers, a party state licensing board shall have authority to:

A. if otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse;

B. issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses and the production of evidence. Subpoenas

issued by a licensing board in a party state for the attendance and testimony of witnesses or the production of evidence from another party state, shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state where the witnesses or evidence is located;

C. issue cease and desist orders to limit or revoke a nurse's authority to practice in the state; and

D. promulgate uniform rules and regulations as provided for in Article 8 of the Nurse Licensure Compact [61-3-24.1 NMSA 1978].

ARTICLE 10 - Entry into Force, Withdrawal and Amendment

If that compact is held contrary to the constitution of any party state, that compact, shall remain in full force and effect as to the remaining party states and in full force and effect as to the party states affected as to all severable matters.

61-3-29.1. Diversion program created; advisory committee; renewal fee; requirements; immunity from civil actions. (Repealed effective July 1, 2010.).

A. The board shall establish a diversion program to rehabilitate nurses whose competencies may be impaired because of the abuse of drugs or alcohol so that nurses can be treated and returned to or continue the practice of nursing in a manner that will benefit the public. The intent of the diversion program is to develop a voluntary alternative to traditional disciplinary actions and an alternative to lengthy and costly investigations and administrative proceedings against such nurses, at the same time providing adequate safeguards for the public.

B. The board shall appoint one or more evaluation committees, hereinafter called "regional advisory committees", each of which shall be composed of members with expertise in chemical dependency. At least one member shall be a registered nurse. No current member of the board shall be appointed to a regional advisory committee. The executive officer of the board or his designee shall be the liaison between each regional advisory committee and the board.

C. Each regional advisory committee shall function under the direction of the board and in accordance with regulations of the board. The regulations shall include directions to a regional advisory committee to:

- (1) establish criteria for continuance in the program;
- (2) develop a written diversion program contract to be approved by the board that sets forth the requirements that shall be met by the nurse and the conditions under which the diversion program may be successfully completed or terminated;
- (3) recommend to the board in favor of or against each nurse's discharge from the diversion program;
- (4) evaluate each nurse's progress in recovery and compliance with his diversion program contract;
- (5) report violations to the board;
- (6) submit an annual report to the board; and
- (7) coordinate educational programs and research related to chemically dependent nurses.

D. The board may increase the renewal fee for each nurse in the state not to exceed twenty dollars (\$20.00) for the purpose of implementing and maintaining the diversion program.

Files of nurses in the diversion program shall be maintained in the board office and shall be confidential except when used to make a report to the board concerning a nurse who is not cooperating and complying with the diversion program contract or, with written consent of a nurse, when used for research purposes as long as the nurse is not specifically identified. However, such files shall be subject to discovery or subpoena. The confidential provisions of this subsection are of no effect if the nurse admitted to the diversion program leaves the state prior to the completion of the program.

F. Any person making a report to the board or to a regional advisory committee regarding a nurse suspected of practicing nursing while habitually intemperate or addicted to the use of habit-forming drugs or making a report of a nurse's progress or lack of progress in rehabilitation shall be immune from civil action for defamation or

other cause of action resulting from such reports if the reports are made in good faith and with some reasonable basis in fact.

G. Any person admitted to the diversion program for chemically dependent nurses who fails to comply with the provisions of this section or with the rules and regulations adopted by the board pursuant to this section or with the written diversion program contract or with any amendments to the written diversion program contract may be subject to disciplinary action in accordance with Section 61-3-28 NMSA 1978.

Expert testimony in disciplinary proceedings. — Because the board of chiropractic examiners has a level of expertise unlike that of a typical jury, expert testimony is not required to establish a standard of care for chiropractors. *Darr v. "Detrimental conduct" meriting suspension. — Although there was not substantial evidence to support the board's findings that respondent failed to keep his patient informed as to the possible dangers of his treatment and then failed to refer her to a more qualified physician, other findings were supported by substantial evidence and merited the board's finding that respondent violated the applicable standard of care and that his license should be suspended. *Darr v. Culdice*, 33 N.M. 641, 275 P. 371 (1929).

Board could not permit unlicensed persons to practice dentistry. — The board could not, by rules and regulations, allow unlicensed persons to perform services which, under statutory provisions, constitute the practice of dentistry. *Family Dental Center v. New Mexico Bd. of Dentistry*, 97 N.M. 464, 641 P.2d 495 (1982).

Supervision of dental hygienist. — No services which constitute dental hygiene can be performed unless a licensed dentist is physically and immediately present in the office or building where the work is being performed, in order that the dentist can meet the statutory duty to supervise the services of the dental hygienist. 1971 Op. All applicants for licensure as a dentist shall have graduated and received a degree from a school of dentistry that is accredited by the joint commission on dental accreditation and have passed the written portion of the dental examination administered by the joint commission on national dental examinations of the American dental association or, if the test is not available, another written examination determined by the board.

B. Applicants for a general license to practice dentistry by examination shall be required, in addition to the requirements set forth in Subsection A of this section, to pass a test covering the laws and rules for the practice of dentistry in New Mexico. Written examinations shall be supplemented by the board or its agents by administering to each applicant a practical or clinical examination that reasonably tests the applicant's qualifications to practice general dentistry. Upon an applicant passing the written and clinical examinations and payment in advance of the necessary fees, the board shall issue a license to practice dentistry.

C. The board may issue a general license to practice dentistry, by credentials, without a practical or clinical examination to an applicant who is duly licensed by a clinical examination as a dentist under the laws of another state or territory of the United States; provided that license is active and that all dental licenses that individual possesses have been in good standing for five years prior to application. The credentials must show that no dental board actions have been taken during the five years prior to application; that no proceedings are pending in any states in which the applicant has had a license in the five years prior to application; and that a review of public records, the national practitioners data bank or other nationally recognized data resources that record actions against a dentist in the United States does not reveal any activities or unacquitted civil or criminal charges that could reasonably be construed to constitute evidence of danger to patients, including acts of moral turpitude.

D. The board may issue a general license to practice dentistry by credentials to an applicant who meets the requirements, including payment of appropriate fees and the passing of an examination covering the laws and rules of the practice of dentistry in New Mexico, of the Dental Health Care Act [61-5A-1 to 6-5A-29 NMSA 1978] and rules promulgated pursuant to that act, and who:

(2) is duly licensed by examination as a dentist pursuant to the laws of another state or territory of the United States.

The applicant shall have a postgraduate degree or certificate from an accredited dental college, school of dentistry of a university or other residency program that is accredited by the joint commission on dental accreditation in one of the specialty areas of dentistry recognized by the American dental association. The applicant shall also meet all other requirements as established by rules of the board, which shall include an examination covering the laws and rules of the practice of dentistry in New Mexico. A specialty license limits the licensee to practice only in that specialty area.

The credentials must show that no dental board actions have been taken during the five years prior to application; that no proceedings are pending in any states in which the

applicant has had a license in the five years prior to application; and that a review of public records, the national practitioners data bank or other nationally recognized data resources that record actions against a dentist in the United States does not reveal any activities or unacquitted civil or criminal charges that could reasonably be construed to constitute evidence of danger to patients, including acts of moral turpitude. The applicant shall also meet all other qualifications as deemed necessary by rules of the board, which shall include an examination covering the laws and rules of the practice of dentistry in New Mexico. A specialty license limits the licensee to practice only in that specialty area.

The 2003 amendment, effective June 20, 2003, deleted "judicial review" following "Disciplinary proceedings" in the section heading; deleted "and regulations" following "rules" throughout the section; inserted "including those of licensed non-dentist owners" following "license or certificate" near the middle of Subsection A; substituted "rules" for "regulations" following "as defined by" near the middle of Paragraph A(3); deleted "or regulation" following "defined by rule" at the end of Paragraph A(5); substituted "licensure" for "practice" following "beyond the scope of" at the end of Paragraph A(8); and substituted "of the board and the committee" for "and regulations" following "defined in rules" at the end of Paragraph A(12).

Burden of proof for suspension of license. — The standard of proof utilized by the former board of dentistry in determining that a dentist's license should be suspended was a preponderance of the evidence. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

Conviction as sufficient basis for revocation. — Since a dentist was convicted of four counts of making or permitting a false claim for reimbursement for public assistance services, a conviction itself, as distinguished from the underlying conduct, is a sufficient basis for revoking a dental license. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Standard for use of conviction to revoke license. — In order for a conviction to be used as a basis for a license revocation, the licensing agency must explicitly state its reasons for a decision prohibiting the licensee from engaging in his or her employment or profession, and the agency must find that the licensee has not been sufficiently rehabilitated to warrant the public trust and must give reasons for this finding. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

- (4) if the finding recommends suspension or restriction of the ability of the licensee to practice dentistry or dental hygiene, then the board shall make specific recommendations as to the length and nature of the suspension or restriction and shall recommend how such suspension or restriction shall be carried out and supervised.

D. At the conclusion of the hearing, the board or the dental hygienists committee shall make a determination of the merits and may order one or more of the following:

In the interest of the public health, safety and welfare and to protect the public from the improper, unprofessional, incompetent and unlawful practice of medicine, it is necessary to provide laws and rules controlling the granting and use of the privilege to practice medicine and to establish a medical board to implement and enforce the laws and rules.

C. The primary duties and obligations of the medical board are to issue licenses to qualified physicians, physician assistants and anesthesiologist assistants, to discipline incompetent or unprofessional physicians, physician assistants or anesthesiologist assistants and to aid in the rehabilitation of impaired physicians, physician assistants and anesthesiologist assistants for the purpose of protecting the public.

The 2003 amendment, effective June 20, 2003, substituted "medical board" for "board of medical examiners" in Subsections B and C; in Subsection C, inserted

"anesthesiologist assistants" three times and deleted "to register qualified" preceding "physician assistants".

Recompilations. — Laws 1989, ch. 269, § 2 recompiles former 61-6-1 NMSA 1978, relating to appointment, qualifications and terms of board of medical examiners, as 61-6-2 NMSA 1978, effective July 1, 1989.

License requirement does not violate First Amendment rights. — The Medical Practice Act does not purport to regulate the expression of ideas or opinions concerning effective treatments or other issues of public concern, nor does it require all speakers at seminars held in New Mexico to be licensed to practice in New Mexico. The act simply requires those who engage in conduct in New Mexico that amounts to the practice of medicine to obtain a New Mexico license. Thus, any burden on the exercise of First Amendment rights is at best minimal and incidental, and the act leaves open alternative channels of communication through which ideas and opinions can be expressed. *State v. Ongley*, 118 N.M. 431, 882 P.2d 22 (Ct. App. 1994).

The 1989 amendment, effective July 1, 1989, renumbered this section, which formerly was 61-6-1 NMSA 1978; inserted "or schools" near the middle of the second sentence of Subsection A; substituted the present provisions of Subsection D for " The public member, upon the effective date of this act, shall be appointed to a term expiring January 1, 1982. Thereafter the public member shall be appointed to a four-year term"; substituted all of the present language of Subsection E following "removed" for "as a member of this board"; and made minor stylistic changes throughout the section.

The 1991 amendment, effective June 14, 1991, in Subsection A increased the membership of the board from six members to eight members and, in the second sentence, substituted "two public members and six reputable physicians" for "one public member and five reputable physicians" and "licensed physicians" for "registered practitioners"; deleted former Subsection C which read "Two of the physician members

of the board first appointed shall hold their offices for a period of two years, and the remaining three physician members shall hold their offices for a period of four years. Thereafter, the physician members shall hold their offices for a period of four years. All board members shall hold office until their successors are appointed and qualified"; designated former Subsections D and E as Subsections C and D, rewriting present Subsection C which read "The public member shall be appointed to a four-year term"; and made related and minor stylistic changes in Subsections A and B.

The 2003 amendment, effective June 20, 2003, substituted "New Mexico Medical Board" for "Board of Medical Examiners" in the section heading; in Subsection A, substituted "'New Mexico medical board, consisting of nine members" for "board of medical examiners, consisting of eight members" in the first sentence, inserted "one physician assistant" preceding "and six reputable", deleted "as defined in Section 61-6-6 NMSA 1978" in the second sentence, inserted the present third sentence, and inserted "by the board" in the last sentence; added present Subsection C and redesignated former Subsections C and D as Subsections D and E, and rewrote present Subsection D.

Temporary provisions. — Laws 2003, ch. 19, § 28, effective June 20, 2003, provides that all functions, personnel, appropriations, money, records, equipment, supplies and other property of the New Mexico board of medical examiners shall be transferred to the New Mexico medical board; all contracts of the New Mexico board of medical examiners shall be binding and effective on the New Mexico medical board; and all references in law to the New Mexico board of medical examiners shall be deemed to be references to the New Mexico medical board.

Compiler's notes. — Laws 1989, ch. 269, § 32 repeals former 61-6-2 NMSA 1978, as amended by Laws 1955, ch. 44, § 1, relating to meetings and quorums of the board, effective July 1, 1989. For former provisions, see 1986 Replacement Pamphlet. For present comparable provisions, see 61-6-3 NMSA 1978.

Governor's power not usurped. — Requirement that the governor appoint to the board of medical examiner's nominees who were submitted by the New Mexico medical society, where only the governor has this prerogative, would not unconstitutionally usurp the governor's power. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Review of board's proceedings. — On review of proceedings of board of medical examiners, court is limited to a determination of whether the board's order was reasonable, lawful and had substantial evidence to support it. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Corporation to perform medical services. — Because the legislature chose to expressly prohibit the corporate practice, apart from professional corporations, in the case of dentists and podiatrists, and chose to expressly permit, with limitation, other forms of corporate practice in the case of psychologists and engineers, it may be

inferred from the legislature's silence in the case of medical doctors that a corporation may be formed to provide medical services. 1987 Op. Att'y Gen. No. 87-39.

A corporation, organized and controlled by non-physicians, may provide medical services to the general public through employed physicians, unless prohibited by statute or unless it exercises lay control of medical judgment or engages in lay exploitation of the medical profession in a manner prohibited by public policy. 1987 Op. License requirement does not violate First Amendment rights. — The Medical Practice Act does not purport to regulate the expression of ideas or opinions concerning effective treatments or other issues of public concern, nor does it require all speakers at seminars held in New Mexico to be licensed to practice in New Mexico. The act simply requires those who engage in conduct in New Mexico that amounts to the practice of medicine to obtain a New Mexico license. Thus, any burden on the exercise of First Amendment rights is at best minimal and incidental, and the act leaves open alternative channels of communication through which ideas and opinions can be expressed. *State v. Ongley*, 118 N.M. 431, 882 P.2d 22 (Ct. App. 1994).

ANNOTATIONS

Delayed repeals. — See 61-6-35 NMSA 1978.

The 1989 amendment, effective July 1, 1989, renumbered this section, which formerly was 61-6-14 NMSA 1978, inserted in the section heading "licensee may be fined, censured or reprimanded", "unprofessional and dishonorable conduct defined", and "fees and expenses"; in Subsection A twice substituted "may" for "shall" and inserted "and may fine, censure or reprimand any licensee" in the first sentence, and deleted "in connection with the issuance, renewal, suspension or revocation of licenses" following "proceedings" in the second sentence; designated the former third and fourth sentences of Subsection A as present Subsection B; designated the former fifth and sixth sentences of Subsection A as present Subsection C, while substituting "61-6-20" for "61-6-18" at the end of the last sentence therein; redesignated former Subsection B as present Subsection D; substituted "confidence" for "secret" in Subsection D(5); substituted all of the present language of Subsection D(8) beginning with "annual" for "an annual registration"; added all of the language of Subsection D(10) following "registration"; substituted the present provisions of Subsection D(15) for "making a fraudulent claim"; added present Subsections D(18) through D(26); redesignated former Subsection D(18) as present Subsection D(27); redesignated former Subsection C as present Subsection E; deleted former Subsection D, relating to hospital report of loss of physician's privilege; added Subsections F and G; redesignated former Subsection E as present Subsection H; in Subsection H substituted "entity" for "company", inserted "or indemnifying physicians for professional liability", and substituted "settlements or

judgments" for "malpractice claims"; and made minor stylistic changes throughout the section.

The 1991 amendment, effective June 14, 1991, in Subsection D, added Paragraphs (27) and (28), redesignated former Paragraph (27) as Paragraph (29) and made a related stylistic change and made a minor stylistic change in Subsection A.

The 1994 amendment, effective May 18, 1994, added the second sentence and added "or the Impaired Physician Act" in the last sentence in Subsection A; substituted "the physician" for "he" in Subsection B; substituted "the" for "his" preceding "period of suspension" and "the physician's" for "his" preceding "license reinstated" in Subsection C; substituted "the physician" for "him" in Subsection D(2); deleted "annual" preceding "renewal" in Subsection D(8); substituted "the physician" for "his" twice and "the physician" for "him" in Subsection D(9); substituted "the physician's" for "his" in Subsection D(10); added "administering or dispensing" following "prescribing" in Subsection D(17); substituted "the physician" for "him" in Subsection D(21); added "administering or dispensing of any drug or medicine" in Subsection D(26); and substituted "for" for "of" following "inducement" in Subsection E.

The 1997 amendment substituted "Impaired Health Care Provider Act" for "Impaired Physician Act" at the end of Subsection A, substituted "discipline imposed on a licensee to practice medicine by another state, including probation, suspension or revocation" for "the suspension or revocation by another state of a license to practice medicine" at the beginning of Paragraph D(14), added Paragraph D(30), and made minor stylistic changes in Subsections B and D. Laws 1997, ch. 221 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective June 20, 1997, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

The 2001 amendment, effective April 2, 2001, inserted "or conviction of a misdemeanor associated with the practice of medicine" in Paragraph D(6).

The 2003 amendment, effective June 20, 2003, rewrote this section to the extent that a detailed comparison is impracticable.

The 2005 amendment, effective April 5, 2005, adds in Subsection D(14) that "unprofessional or dishonorable conduct" includes the denial of a license by an other state and deletes in Subsection D(28) the qualification that the licensee represent or infer that the activity is a legitimate part of the patient's treatment.

Compiler's notes. — Laws 1989, ch. 269, § 32 repeals former 61-6-15 NMSA 1978, as amended by Laws 1973, ch. 361, § 7, relating to definition of "practice of medicine" and exceptions from this article, effective July 1, 1989. For former provisions, see 1986 Replacement Pamphlet.

Due process. — Former Subsection D(27) (now see Subsection D(29)) of this section, defining "unprofessional or dishonorable conduct" to include conduct unbecoming in one licensed to practice medicine or detrimental to the best interests of the public, is not void for vagueness. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974).

Terms of probation not unconstitutionally vague. — Where one of the terms of probation imposed by the board on a physician found guilty of unprofessional conduct for falsely prescribing demerol for the alleged use of another when in fact the drug was for personal use was that the doctor not take or have in the doctor's possession "any dangerous drugs" without the consent of a psychiatrist, and the physician thereafter prescribed the drug ritalin for a patient and diverted some of it for personal use, revocation of the physician's license for violating probation was justified, as under the facts the terms thereof were not unconstitutionally vague. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974).

Prior judicial determination unnecessary. — An administrative determination of "unlawful, illegal or unauthorized" conduct sufficient to support a conclusion of "unprofessional conduct," as provided in this section, is not dependent upon a prior judicial determination of criminal guilt. *Strance v. New Mexico Bd. of Medical Exmrs.*, 83 N.M. 15, 487 P.2d 1085 (1971).

Restraint of proceedings. — Board of medical examiners has exclusive jurisdiction regarding the granting and revoking of certificates admitting physicians and surgeons to practice, and as statutes do not provide for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and was, therefore, an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Reinstatement after revocation. — Board of medical examiners has the power to suspend a license inherent in its power to revoke, but when revocation is accomplished, the only method of reinstating revoked licensee to full privileges is by the means of reapplication. 1953-54 Op. Att'y Gen. No. 5839.

Under former law, the legislature did not define unprofessional conduct, nor prohibit advertising by physicians; former statute did not go far enough to give power to the board of medical examiners to revoke the license of a physician for advertising unless said advertising was false, immoral and against the public welfare. 1939-40 Op. Att'y Gen. 23.

Subsection D(5) does not create privilege; it only describes ethical constraints placed upon a physician. *Trujillo v. Puro*, 101 N.M. 408, 683 P.2d 963 (Ct. App. 1984).

No lay control of professional medical judgments. — An entity, such as a clinic, hospital or other similar corporate entity employing physicians, may not engage in

conduct amounting to the practice of medicine by exerting lay control of professional medical judgments. 1987 Op. Att'y Gen. No. 87-39.

Failure to receive renewal notice and application for renewal of license from the board does not excuse a licensed professional counselor from the requirements for renewal.

C. If continuing education unit requirements are not completed within the licensing period and by the expiration date, the license or registration will be considered expired and the licensee or registrant will refrain from practicing.

D. Failure to renew a license or registration within thirty days from the date of expiration as provided in this section shall cause the license or registration to automatically expire. Reinstatement of an expired license or registration will require the licensee to reapply, submit all necessary documentation and meet all current standards for licensure.

E. A person licensed or registered under the Counseling and Therapy Practice Act who wishes to retire from practice shall notify the board in writing before the expiration of his current license or registration. If, within a period of five years from the year of retirement, the licensee or registrant wishes to resume practice, the licensee or registrant shall so notify the board in writing, and upon giving proof of completing such continuing education as prescribed by rule of the board and the payment of a renewal license fee and reinstatement fee, his license or registration shall be restored to him in full effect.

61-10-14. Privileges and obligations; presence on hospital staffs; intent of act. (Repealed effective July 1, 2010.).

Osteopathic physicians and surgeons licensed hereunder shall have equal rights, privileges and obligations in the handling of cases and rendering of medical services in all branches and phases of the healing arts as are accorded or permitted physicians and surgeons of other schools of practice; that such general rights shall extend to the rendering of medical services under the provisions of public health, welfare, assistance laws and other fields of public medicine, and no regulations shall be made with respect thereto limiting, excluding or discriminating against osteopathic physicians and surgeons.

Osteopathic physicians and surgeons shall also have the right to register under the laws of the United States governing narcotics. Osteopathic physicians shall observe and be subject to all state and municipal regulations relative to the reporting of births and deaths and all matters pertaining to the public health with equal rights and obligations as physicians and surgeons of other schools of medicine, and such reports shall be accepted by the officers of the departments to which they are made.

A. That the rights, benefits and obligations conferred by this act upon licensed osteopathic physicians and surgeons shall not be construed as taking from the governing authorities of all state, county and municipal hospitals, or from any publicly supported hospital either in whole or in part the complete control and management of such hospitals with power to make rules and regulations for the operations of such hospitals and to determine who will be on the staff of such hospitals; nor shall this act be construed as taking from the governing authorities of any hospital or other institution owned, operated or maintained [maintained] by any religious, industrial or fraternal group or organization the absolute right of complete control and management of such hospitals and institutions.

The board of osteopathic medical examiners may either refuse to issue or may suspend or revoke any license for any one or any combination of the following causes:

Equal protection. — Since foreign-trained physicians who have not earned an M.D. degree may be licensed by the board of medical examiners and list themselves under the heading "Physicians and Surgeons, M.D." in the telephone directory, the board of osteopathic examiners would be violating the equal protection rights of osteopathic physicians by prohibiting them from listing themselves under that heading; insofar as Subsection E of this section would do so, is unconstitutional. 1974 Op. ANNOTATIONS

Delayed repeals. — See 61-12D-17 NMSA 1978.

"Supervision". — Term "immediate personal supervision," as used in this section, calls for close, direct supervision by a licensed practitioner of the healing arts. 1957-58 Op. Att'y Gen. No. 57-316.

Holding self out as physical therapist. — Even without an appropriate title or set of initials, an individual could still be publicly professing to be a physical therapist. 1957-58 Op. Att'y Gen. No. 57-316.

Masseur. — Masseur who merely massaged other persons without professing to do so to relieve disease or pain did not come within the provisions of former licensing act, but when he held himself as being able to heal or cure diseases, he was subject to prosecution. 1941-42 Op. Att'y Gen. No. 3956; 1949-50 Op. Att'y Gen. No. 5275.

Violation of act. — While unlicensed individual might not be guilty of unprofessional conduct since he works for physicians on a prescription basis, his want of a license plus lack of knowledge of his activities by the orthopedic surgeon under whose control he ostensibly works, and lack of close, direct and personal supervision of such activities by any licensed practitioner, clearly indicates a lack of compliance with this act. 1957-58 Op. Att'y Gen. No. 57-316.

61-13-2. Definitions. (Repealed effective July 1, 2014.)

As used in the Nursing Home Administrators Act [61-13-1, 61-13-2, 61-13-4, 61-13-5 to 61-13-16 NMSA 1978]:

- A. "board" means the board of nursing home administrators;
- B. "nursing home administrator" means any individual who is responsible for planning, organizing, directing and controlling the operation of a nursing home or who shares such functions with one or more persons in operating a nursing home;
- C. "nursing home" means any nursing institution or facility required to be licensed under state law as a nursing facility by the public health division of the department of health, whether proprietary or nonprofit, including skilled nursing home facilities, and whether a separate entity or a part of a medical institutional facility; and
- D. "practice of nursing home administration" means the planning, organizing, directing and control of the operation of a nursing home.

History: 1953 Comp., § 67-37-2, enacted by Laws 1970, ch. 61, § 2; 1993, ch. 245, § 1.

ANNOTATIONS

Delayed repeals. — See 61-13-17 NMSA 1978.

The 1993 amendment, effective June 18, 1993, made stylistic changes in Subsection B, and substituted "facility by the public health division of the department of health" for "home by the health and social services department" and deleted "extended care facilities" before "skilled nursing home facilities" in Subsection C.

Intermediate care facility for mentally retarded properly licensed by the health and social services department as an intermediate care facility is not a nursing home as defined by this section; its administrator is not, therefore, required to be licensed as a nursing home administrator. 1988 Op. Architects

61-15-1. Purposes of the act. (Repealed effective July 1, 2012.)

In order to safeguard life, health and property and to promote public welfare, any person practicing architecture in this state shall be required to submit evidence that he is qualified to practice and shall be registered as provided in the Architectural Act [61-15-1.1 NMSA 1978]. It shall be unlawful for any person to practice architecture in this state unless that person is duly registered or exempt under the provisions of the Architectural Act.

History: Laws 1931, ch. 155, § 1; 1939, ch. 82, § 1; 1941 Comp., § 51-1401; 1953 Comp., § 67-12-1; 1987, ch. 282, § 1.

Cross references. — For engineering practice, see 61-23-1 NMSA 1978 et seq.

The 1987 amendment, effective June 19, 1987, deleted the Subsection A designation at the beginning, substituted "in the Architectural Act" for "and from six months after the passage of this act" at the end of the first sentence, and in the second sentence inserted "or exempt" following "is duly registered" and substituted "the Architectural Act" for "this act except as hereinafter provided" at the end.

Registration not required for licensed engineers. — Professional engineers licensed under 67-21-1 to 67-21-25, 1953 Comp. (now repealed) need not secure registration under this act. They are authorized to draw plans and construct buildings and to do many acts similar to those of registered architects. The two laws are similar, but need not be read together, since they are each for the purpose of regulating separate and distinct professions in which the actual practice calls for doing similar acts. 1939-40 Op. Att'y Gen. 79 (opinion rendered prior to enactment of Engineering and Land Surveying Practice Act).

Registration and residence prerequisites to county employment. — A county may not employ an architect who is not a resident of New Mexico and who has not obtained state registration. 1947-48 Op. Att'y Gen. No. 5072.

61-15-2. Definitions (Repealed effective July 1, 2012.)

As used in the Architectural Act [61-15-1.1 NMSA 1978]:

A. "architect" means any individual registered under the Architectural Act to practice architecture;

B. "architectural services" means the services, as defined by rule of the board, performed in the practice of architecture. These services include predesign services, programming and planning, providing designs, drawings, specifications, other technical submissions, administration of construction contracts, coordination of technical submissions prepared by others and such other professional services as may be necessary to the planning, progress and completion of any architectural services. An architect who has complied with all of the laws of New Mexico relating to the practice of architecture has a right to engage in the incidental practice of activities properly classifiable as engineering; provided that the architect does not hold himself out to be an engineer or as performing engineering services and further provided that the architect performs only that part of the work for which the architect is professionally qualified and uses qualified professional engineers, architects or others for those portions of the work in which the contracting architect is not qualified. Furthermore, the architect shall assume all responsibility for compliance with all laws, codes, rules and ordinances of the state or its political subdivisions pertaining to documents bearing an architect's professional seal;

C. "board" means the board of examiners for architects;

D. "construction administration", when performed by an architect, means the interpretation of the drawings and specifications, the establishment of standards of acceptable workmanship and the observation of construction to determine its consistency with the general intent of the construction documents. Inspection of buildings by contractors, subcontractors or building inspectors or their agents shall not constitute construction administration;

E. "incidental practice" means the performance of other professional services that are related to an architect's performance of architectural services;

F. "intern architect" means a person who is actively pursuing completion of the requirements for diversified training in accordance with rules of the board;

G. "practice of architecture" means rendering or offering to render architectural services in connection with the design, construction, enlargement or alteration of a building or group of buildings and the space within the site surrounding those buildings, which have as their principal purpose human occupancy or habitation. "Practice of architecture" does not include the practice of engineering as defined in the Engineering and Surveying Practice Act [61-23-1 NMSA 1978] but may include such engineering work as is incidental practice;

H. "project" means the building or group of buildings and the space within the site surrounding the buildings as defined by the construction documents; and

I. "responsible charge" means that all architectural services have been or will be performed under the direction, guidance and restraining power of a registered architect who has exercised professional judgment with respect thereto.

History: 1978 Comp., § 61-15-2, enacted by Laws 1979, ch. 362, § 2; 1987, ch. 282, § 3; 1999, ch. 263, § 1.

Repeals and reenactments. — Laws 1979, ch. 362, § 2, repealed former 61-15-2 NMSA 1978, relating to definitions of "practice of architecture," "general administration of construction" and "building," and enacted a new 61-15-2 NMSA 1978.

The 1987 amendment, effective June 19, 1987, alphabetized and relettered the subsections; rewrote Subsection B; in Subsection D substituted "construction observation of a construction contract" for "general administration of a construction contract" at the beginning, and added "when performed by a person engaged in the

practice of architecture" to the end of the first sentence and added the second sentence; inserted Subsection E; and rewrote Subsection F.

The 1999 amendment, effective June 18, 1999, in Subsection B, inserted "as defined by rule of the board", substituted "predesign services, programming and planning, providing designs" for "planning, providing preliminary studies, designs", substituted "administration of construction contracts, coordination of technical submissions prepared by others and such" for "and the observation of construction for the purpose of assuring substantial compliance with drawings and specifications and include such" in the first sentence, deleted language allowing engineers to engage in activities properly classified as architecture insofar as it is incidental to work as an engineer, and added the language beginning "codes, rules and ordinances" at the end of the subsection; in Subsection D, substituted the term "construction administration" for the term "construction observation of a construction contract" twice and deleted "periodic" preceding "observation"; deleted former Subsection E, which defined "direct supervision"; added Subsections E, F, H and I, and redesignated former Subsection F as Subsection G; and in Subsection G, substituted "architectural services" for "any service which requires architectural education, training and experience" in the first sentence, and added the second sentence.

K. The board, in cooperation with the state board of registration for professional engineers and land surveyors [state board of licensure for professional engineers and surveyors] and the board of landscape architects, shall create a joint standing committee to be known as the "joint practice committee". In order to safeguard life, health and property and to promote public welfare, the purpose of the committee is to promote and develop the highest professional standards in design, planning and construction and the resolution of ambiguities concerning the professions. ANNOTATIONS

Delayed repeals. — See 61-15-13 NMSA 1978.

Bracketed material. — The bracketed material in this section was inserted by the compiler. It was not enacted by the legislature and is not part of the law.

The 1987 amendment, effective June 19, 1987, in Subsection A substituted "at least four" for "a meeting within sixty days after its members are first appointed and thereafter shall hold at least two" in the first sentence and added the last sentence; in Subsection C, in the last sentence, substituted "fund of the board of examiners for architects" for "separate fund hereinafter designated"; in Subsection D added the last sentence; in Subsection E substituted "a fee set by the board" for "a fee of fifty dollars (\$50.00)"; in Subsection H in the first sentence, inserted "and the board of landscape architects" following "land surveyors", inserted "landscape architect" in the committee name, and in

the second sentence deleted "two" preceding "professions"; and made minor language changes throughout the section.

The 1999 amendment, effective June 18, 1999, added Subsections B, D, E, and J, and redesignated subsequent subsections accordingly; added the first sentence of Subsection C; in Subsection F, deleted "except for the secretary who shall receive, in addition, a salary to be set by the board" at the end of the first sentence, and substituted "chair or the chair's designee" for "chairman and secretary or by two other members and the secretary of the board" in the second sentence; in Subsection G, substituted "by rule provide for the examinations required for registration" for "hold at least once each year an examination of applicants for registration, at a time and place designated by the board" in the first sentence, and deleted "written or oral" at the end of the last sentence; substituted "criminal violation" for "person violating any provision" in Subsection I; deleted former Subsection G, relating to the board's right to refuse to issue, to suspend, or to revoke any license for any of the grounds set forth in 61-15-12 NMSA 1978 or for any violation of the Architectural Act; and in Subsection K, deleted "architect-engineer-landscape architect" preceding "joint practice committee" in the first sentence, deleted the former second sentence, which read "The committee shall have as its purpose the resolution of disputes concerning the professions", and added the next-to-last sentence.

No fee charged for registration certificate. — A plain reading of Subsection E (now see Subsection H) discloses that the board is required to issue a certificate of registration to an applicant upon being satisfied of the applicant's qualifications. No mention is made in the section of any fee to be charged for the architect's first certificate of registration. 1966 Op. Att'y Gen. No. 66-44.

Application fee not payable in installments. — This section clearly prescribes an application fee of \$50 which must be paid in its entirety at the time the application is made. There is no provision or even an indication in the law which would permit payment of the fee in installments. 1966 Op. Att'y Gen. No. 66-44.

A. The board shall issue a certificate of registration to each architect. An architect may, upon registration, obtain the seal of the design authorized by the board, which bears the registrant's name and the legend "Registered Architect - State of New Mexico". All plans, specifications, plats and reports prepared by an architect or under an architect's responsible charge shall be signed and sealed by that architect, including all plans and specifications prepared by an architect or under an architect's responsible charge on work described in Subsection B of Section 61-15-9 NMSA 1978.

C. Renewal may be effected at any time prior to expiration by the payment of a fee in an amount set by the board. Fees shall be paid to the board.

D. The failure on the part of any registrant to renew a certificate prior to expiration shall not deprive that person of the right of renewal within three years of the expiration date of the certificate. Reinstatement of the certificate may be effected in a manner prescribed by rule and may include penalties and fees.

E. Renewal of a certificate that has been expired for more than three years shall require a demonstration of continued proficiency and qualification to practice architecture in addition to payment of penalties and fees and such other requirements as may be required by rule.

ANNOTATIONS

Delayed repeals. — See 61-15-13 NMSA 1978.

The 1987 amendment, effective June 19, 1987, substituted "the Architectural Act" for "this Act" throughout the section; redesignated the former Subsections B and C as Paragraph (1) and (2) of Subsection A; deleted the former Subsection D as set out in the 1986 Replacement Pamphlet; redesignated the former Subsection E as Subsection B; and in Subsection B, deleted "clerks of the work" preceding "superintendents" near the beginning and substituted "direct supervision" for "immediate personal supervision" near the end; and made minor changes in language and punctuation throughout the section.

1999 amendments. — Identical amendments to this section were enacted by Laws 1999, ch. 263, § 6, effective June 18, 1999, approved April 8, 1999, and Laws 1999, ch. 272, effective June 18, 1999, and approved later on April 8, 1999, which added "from registration" to the section heading; rewrote Subsection A(1), which formerly read "architects who are not legal residents of and have no established places of business in this state who are acting as consulting associates of a legal resident architect registered under the provisions of the Architectural Act, provided the nonresident architects are qualified for such professional service in their own state or country; and"; and rewrote Subsection B, which formerly read "Nothing in the Architectural Act shall prevent the draftsmen, students, superintendents and other employees of lawfully practicing architects under the provisions of the Architectural Act from acting under the instructions, control or supervision of the employer or shall prevent the employment of superintendents on the construction, enlargement or alterations of buildings or any appurtenances thereto or shall prevent those superintendents from acting under the direct supervision of registered architects by whom the plans and specifications of any

building, enlargements, constructions or alterations were prepared". This section is set out as amended by Laws 1999, ch. 272, § 28. See 12-1-8 NMSA 1978.

Substantial compliance suffices. — Where an independent school district hires a registered and resident New Mexico architect to design and supervise the construction of a new junior high school and employs a firm of out-of-state architects and engineers and where the work is commenced and the architectural design, preliminary surveys and climate control is complete, the New Mexico architect dies, prior to the actual finalization of the plans, substantial compliance exists with the Architectural Act. The school district may construct the proposed project based upon the plans completed by the out-of-state firm. However, it must be emphasized that any further architectural services of any nature must be performed by a registered resident pursuant to 61-15-9 NMSA 1978. 1965 Op. Att'y Gen. No. 65-7.

Law reviews. — For note, "Police Power and the Design of Buildings," see 5 Nat. Resources J. 122 (1965).

61-15-9. Project exemptions. (Repealed effective July 1, 2012.)

A. The state and its political subdivisions are not exempt from the requirements of the Architectural Act [this article].

B. A person who is not an architect may prepare building plans and specifications, unless the building plans and specifications involve public safety or health, but the work shall be done only on:

- (1) single-family dwellings not more than two stories in height;
- (2) multiple dwellings not more than two stories in height containing not more than four dwelling units of wood-frame construction; provided, this paragraph shall not be construed to allow a person who is not registered under the Architectural Act to design multiple clusters of up to four dwelling units each to form apartment or condominium complexes where the total exceeds four dwelling units on any lawfully divided lot;
- (3) garages or other structures not more than two stories in height which are appurtenant to buildings described in Paragraphs (1) and (2) of this subsection; or
- (4) nonresidential buildings, as defined in the uniform building code, unless the building code official having jurisdiction has found that the submission of plans, drawings, specifications or calculations prepared and designed by an architect or engineer licensed by the state is necessary to obtain compliance with minimum standards governing the preparation of building plans and specifications adopted by the construction industries division of the regulation and licensing department. The construction industries division shall set, by regulation, minimum standards for preparation of building plans and specifications pursuant to this paragraph.

C. Nothing in the Architectural Act shall require the state or a political subdivision of the state to secure the services of an architect or engineer for a public work project that consists of repair, replacement or remodeling if the alteration does not affect structural or life safety features of a building and does not require the issuance of a building permit under any applicable code.

D. A New Mexico registered professional engineer who has complied with all the laws of New Mexico relating to the practice of engineering has a right to engage in the incidental practice, as defined by rule, of activities properly classified as architectural services; provided that the engineer does not hold himself out to be an architect or as performing architectural services; and further provided that the engineer performs only that part of the work for which the engineer is professionally qualified and uses qualified professional engineers, architects or others for those portions of the work in which the contracting professional engineer is not qualified. The engineer shall assume all responsibility for compliance with all laws, codes, rules and ordinances of the state or its political subdivisions pertaining to documents bearing an engineer's professional seal.

The section is set out as amended by Laws 1999, ch. 272, § 29. See 12-1-8 NMSA 1978.

Substantial compliance suffices. — Where an independent school district hires a registered and resident New Mexico architect to design and supervise the construction of a new junior high school and employs a firm of out-of-state architects and engineers and where the work is commenced and the architectural design, preliminary surveys and client control is complete, the New Mexico architect dies, prior to the actual finalization of the plans, substantial compliance exists with the Architectural Act. The school district may construct the proposed project based upon the plans completed by the out-of-state firm. (now repealed) since these acts must be read separately, similar powers being conferred upon professional engineers as are granted to architects in this act. 1939-40 Op. - (8) provide for the licensure of barbers, cosmetologists, manicurists-pedicurists, estheticians, electrologists, instructors, schools, enterprises and establishments;

B. The board may establish continuing education requirements as requirements for licensure.

History: Laws 1993, ch. 171, § 7; 1997, ch. 218, § 4; 2003, ch. 408, § 23.

ANNOTATIONS

The 1997 amendment, in Subsection A, substituted "licensure and license renewal" for "certification and renewal of certification" in Paragraph (4), inserted "enterprise" in Paragraph (6), deleted "certification or" preceding "licensure" in Paragraph (7), rewrote Paragraph (8), inserted "and fees" in Paragraph (10), added Paragraph (12) and made minor stylistic changes at the end of Subsections (10) and (11) accordingly; and, in Subsection C, inserted "enterprise". Laws 1997, ch. 218 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective June 20, 1997, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

Fee not waivable. — A barber shop had to pay the establishment license fee in order to be a valid operation and the state board had no authority to waive the requirement

that a shop pay the fee. 1951-52 Op. Att'y Gen. No. 5407. (opinion rendered under former law).

Inspection fee not chargeable for relocation. — Inspection fee provision applied only to barber shops which were opening for business for the first time. It did not apply where mere location of shop was changed. 1937-38 Op. Att'y Gen. 142. (opinion rendered under former law).

Inspection fee chargeable for reopening. — The opening of a barber shop after it was closed for some years constituted the opening or establishment of such shop for which the inspection fee was payable under former 61-17-13 NMSA 1978. 1937-38 Op. Att'y Gen. 241. (opinion rendered under former law).

No fee chargeable for certificate transfer. — The board could pass a rule requiring a transfer of the annual establishment license mentioned in former 61-17-13 NMSA 1978 in the books of the board, or by an exchange of the certificate transferred for a new certificate issued in lieu of the old one and in the name of the vendee, but it could not make any charge for this transfer or exchange of license certificates, since former 61-17-13 NMSA 1978 did not authorize such a charge and the board could not, by rule, require the payment of charges not authorized by this section. 1939-40 Op. Att'y Gen. 91. (opinion rendered under former law).

Board deemed state officers for venue purposes. — The former board of barber examiners was clothed by the legislature with powers and duties of statewide scope, the exercise of which involved some portion of the governmental power. Hence the board itself, as well as its component members, was a state officer for venue purposes. *Tudesque v. New Mexico State Bd. of Barber Exmrs.*, 65 N.M. 42, 331 P.2d 1104 (1958).

ANNOTATIONS

Delayed repeals. — For delayed repeal, see 61-17A-25 NMSA 1978.

The 1997 amendment rewrote Subsection F. Laws 1997, ch. 218 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective June 20, 1997, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

No upper limit on required hours. — The language of former 61-17-4 NMSA 1978 used clearly stated the minimum number of hours necessary for graduation and placed no maximum hours upon the course of study. 1957-58 Op. Att'y Gen. No. 57-153. (opinion rendered under former law).

Students not required to charge fees. — Former 61-17-4 NMSA 1978 was silent as to fees to be charged by student barbers, if any. The legislature could authorize a minimum fee to be charged for services performed by student barbers, but in lieu of such specific statutory authorization, student barbers, attending barber school, could refuse to accept or collect any charge for barbering services rendered to the public. 1957-58 Op. Att'y Gen. No. 57-153. (opinion rendered under former law).

College teaching credit not required. — Under former 61-17-4 NMSA 1978, the New Mexico state barbers board could not require that instructors in barbers colleges in New Mexico have 10 hours teaching credit in or at an accredited college or university. 1957-58 Op. Att'y Gen. No. 57-245. (opinion rendered under former law).

ARTICLE 18A

Collection Agencies

61-18A-1. Short title.

This act [61-18A-1 NMSA 1978] may be cited as the "Collection Agency Regulatory Act."

History: Laws 1987, ch. 252, § 1.

ANNOTATIONS

Agency may not practice law directly. — A collection agency engages in the unauthorized practice of law when it represents parties before judicial bodies, prepares pleadings, manages litigation, gives legal advice, renders services requiring legal skill, or prepares instruments which secure legal rights. *State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc.*, 85 N.M. 521, 514 P.2d 40 (1973).

Or indirectly. — Soliciting assignments of claims on a contingent fee basis and filing suit thereon on the same basis constitutes the practice of law. *State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc.*, 85 N.M. 521, 514 P.2d 40 (1973).

By procuring legal services. — A collection agency may solicit claims for collection, but it engages in the unauthorized practice of law when it holds out that it can procure or perform legal services in the collection process. 1974 Op. Att'y Gen. No. 74-28.

Or pro forma assignments. — Where the agency procures the assignment merely to facilitate filing suit, legal services are in effect offered; this is unauthorized practice. *State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc.*, 85 N.M. 521, 514 P.2d 40 (1973).

Section 61-18A-26 NMSA 1978 does not authorize the practice of taking the assignment of debts from an underlying creditor on a contingency fee basis and the filing of a suit by the collection agency's own attorneys in the collection agency's own name. *Kolker v. Duke City Collection Agency*, 750 F. Supp. 468 (D.N.M. 1990).

Creditor must select attorney freely. — If nonlitigation methods fail, the agency must refer the claim back to the creditor and must advise him to select an attorney of his own choice. For the agency to take a pro forma interest in the claim to enable it to file suit in

its own name is to actually furnish legal services and as such is unauthorized. 1974 Op. Att'y Gen. No. 74-28.

Agency may not control litigation. — Where assignment is pro forma, the fact that the agency directs the litigation constitutes the unauthorized practice of law. State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc., 85 N.M. 521, 514 P.2d 40 (1973).

Or otherwise interfere with attorney-client relation. — If the creditor selects an attorney who is also an agency attorney, the agency may not control the litigation or interfere in any way with the attorney-client relationship; such control or interference constitutes the unauthorized practice of law. 1974 Op. Att'y Gen. No. 74-28.

The composition of the

committee and its powers and duties shall be in accordance with identical resolutions adopted by each board.

ARTICLE 29

Real Estate Brokers and Salesmen

61-29-1. Prohibition. (Effective January 1, 2006 until July 1, 2012.)

It is unlawful for a person to engage in the business, act in the capacity of, advertise or display in any manner or otherwise assume to engage in the business of, or act as an associate broker or a qualifying broker within this state without a license issued by the commission. A person who engages in the business or acts in the capacity of an associate broker or a qualifying broker in this state, except as otherwise provided in Section 61-29-2 NMSA 1978, with or without a New Mexico license, has thereby submitted to the jurisdiction of the state and to the administrative jurisdiction of the commission and is subject to all penalties and remedies available for a violation of any provision of Chapter 61, Article 29 NMSA 1978.

History: 1953 Comp., § 67-24-19, enacted by Laws 1959, ch. 226, § 1; 1965, ch. 304, § 1; 2001, ch. 163, § 1; 2005, ch. 35, § 1.

ANNOTATIONS

Delayed repeals. — See 61-29-19 NMSA 1978.

The 2001 amendment, effective July 1, 2001, substituted "a person to engage" for "any person, business association or corporation to engage"; deleted "real estate" preceding "broker"; deleted "New Mexico real estate" preceding "commission"; and added the last sentence of the subsection.

The 2005 amendment, effective January 1, 2006, prohibits a person from engaging in business or acting as an associate broker or a qualifying broker without a license.

Generally, as to advertisements violating section. — It is a violation of this section for a person, business firm or corporation to advertise the disposition of real estate using the terms "Real Estate Agency," "Realty," "Agency" or "Broker" without first being licensed as a real estate broker as is defined in 61-29-2 NMSA 1978. It is not really important whether or not the person, business firm or corporation doing the advertising uses the terms "Real Estate Agency," "Realty," "Agency" or "Broker." The real question is: have they advertised themselves as offering a service which comes within the definition of a real estate broker and a real estate salesman? 1966 Op. Att'y Gen. No. 66-16.

Brokerage can encompass sale of interest in real estate contract. — Commission had jurisdiction over real estate broker's sale of an interest in a real estate contract since broker was a real estate broker as defined in 61-29-2A NMSA 1978 and represented himself as such and acted in that capacity. *Elliott v. New Mexico Real Estate Comm'n*, 103 N.M. 273, 705 P.2d 679 (1985).

ANNOTATIONS

Delayed repeals. — See 61-29-19 NMSA 1978.

The 2003 amendment, effective January 1, 2004, substituted "contractual" for "contractural" following "means the legal or" near the middle of Paragraph A(1); deleted "created pursuant to Section 61-29-4 NMSA 1978" at the end of Paragraph A(5); inserted "or a real estate salesperson's license" following "real estate broker's license" in the middle of Paragraph A(7); substituted "a person" for "anyone" following "licensee means" near the beginning of Paragraph A(8); deleted Paragraph A(9) and redesignated the subsequent paragraphs accordingly; and substituted "(10)" for "(11)" following "Paragraph" near the end of Subsection B.

The 2005 amendment, effective January 1, 2006, redefines "agency relationship" to mean the fiduciary relationship created solely by a written agreement between a person and a brokerage; defines "agent" to mean the brokerage authorized solely by a written agreement; defines "associate broker" to mean a person who is associated with or engaged under contract by a qualifying broker; defines "brokerage relationship" as the legal or contractual relationship between a person and a brokerage in a real estate transaction; redefines "licensee" to mean a person holding a qualifying broker's or associate broker's license; and defines "transaction broker" to mean a qualifying broker, associate broker or brokerage that provides real estate services without entering into an agency relationship.

Broker buying or selling property for himself. — The commission lacks jurisdiction over a real estate broker who is buying or selling property for himself, unless he holds himself out as a broker. *Vihstadt v. Real Estate Comm'n*, 106 N.M. 641, 748 P.2d 14 (1988).

Burden on broker when acting for himself. — A licensed broker has the burden of showing that there is no possibility of misunderstanding or confusion as to his status when he purports to act for himself. *Poorbaugh v. New Mexico Real Estate Comm'n*, 91 N.M. 622, 578 P.2d 323 (1978).

Hiring of note broker for sale of real estate contract. — Because the seller of a real estate contract, who hired a note broker to handle the sale, was not acting as a real estate broker during the sale, the commission lacked jurisdiction to revoke the seller's license for misrepresentation. *Vihstadt v. Real Estate Comm'n*, 106 N.M. 641, 748 P.2d 14 (1988).

Whether landowner made representation as to being real estate broker is factual determination to be made by the trier of fact. *Poorbaugh v. New Mexico Real Estate Comm'n*, 91 N.M. 622, 578 P.2d 323 (1978).

Broker to supervise salespeople. — This section and 61-29-11 NMSA 1978 express a clear legislative mandate that brokers, as the persons principally responsible to the public, actually be in a position to supervise the actions of their salespeople. At the same time, the statutes do not require the broker himself to engage in business full-time. 1980 Op. Att'y Gen. No. 80-22.

Fiduciary duties of salesperson extended to broker. — Because a real estate salesperson must work under a broker, when a principal buyer or seller engages a real estate salesperson as an agent, the principal also engages the salesperson's qualifying broker as an agent, thus extending the fiduciary duty owed to the principal buyer or seller up the salesperson's chain of command to the broker. Although agency fiduciary obligations and liabilities may extend from a salesperson to the qualifying broker, the fiduciary duties of one real estate salesperson are not attributable to another salesperson operating under the same qualifying broker unless one salesperson is at fault in appointing, supervising or cooperating with the other. *Moser v. Bertram*, 115 N.M. 766, 858 P.2d 854 (1993).

The exemption contained in Subsection D applies only to those persons holding the power of attorney and who are not engaged in business as real estate brokers. 1965 Op. Att'y Gen. No. 65-122.

Broker status not changed by power of attorney. — Where a real estate broker entered into a real estate transaction as a broker, he was not exempt from the jurisdiction of the commission under the "attorney in fact" exception in Subsection D, even though he was given the power of attorney to enable him to complete the

transaction without the owners being present. *Elliott v. New Mexico Real Estate Comm'n*, 103 N.M. 273, 705 P.2d 679 (1985).

Activities not excepted. — Activities did not fall within exception provided for in Subsection D. See *Bosque Farms Home Center, Inc. v. Tabet Lumber Co.*, 107 N.M. 115, 753 P.2d 894 (1988).

No license required for arranging investments. — Arranging investments in real estate contracts is not a transaction for which a real estate broker's or salesperson's license is required. *Garcia v. New Mexico Real Estate Comm'n*, 108 N.M. 591, 775 P.2d 1308 (Ct. App. 1989).

The hearing shall be held at least thirty days prior to a proposed final action. Changes or amendments to the rules shall be filed in accordance with the procedures of the State Rules Act and shall become effective thirty days after notification to all active licensees of the filing of the changes or amendments.

A. Licenses shall be granted only to persons who meet the requirements for licensure prescribed by law and are deemed by the commission to be of good repute and competent to transact the business of a qualifying broker or an associate broker in a manner that safeguards the interests of the public.

B. An applicant for a qualifying broker's license or an associate broker's license shall be a legal resident of the United States and have reached the age of majority. Each applicant for a qualifying broker's license or an associate broker's license shall have passed the real estate examination approved by the commission and shall:

(1) furnish the commission with a certificate that the applicant has completed successfully ninety classroom hours of instruction in basic real estate courses approved by the commission, thirty hours of which shall have been a broker basics course; or

(2) furnish the commission with a certificate that the applicant is a duly licensed real estate broker in good standing in another state; provided that the applicant has successfully completed ninety classroom hours of instruction in basic real estate courses approved by the commission, thirty hours of which shall have been a broker basics course.

C. An applicant for a qualifying broker's license shall have been actively engaged in the real estate business as an associate broker or real estate salesperson for at least two of the last five years immediately preceding application for a qualifying broker's license and furnish the commission proof that the applicant has completed successfully one hundred twenty hours of prelicensing courses, including a broker basics course, approved by the commission.

D. A licensee holding a current real estate salesperson's license on the effective date of this 2005 act shall automatically qualify for an associate broker's license without any additional requirements. However, to be eligible to apply for a qualifying broker's license, a real estate salesperson obtaining an associate broker's license pursuant to this subsection shall, in addition to meeting all other requirements for a qualifying broker's license, pass a real estate broker's examination approved by the commission.

E. The commission shall require the information it deems necessary from every applicant to determine that applicant's honesty, trustworthiness and competency.

Corporations, partnerships or associations may hold a qualifying broker's license issued in the name of the corporation, partnership or association; provided that at least one member of the partnership or association or one officer or employee of a corporation who actively engages in the real estate business first secures a qualifying broker's license. The license shall be issued in the name of the corporation, partnership or association, naming the partner, associate, officer or employee as qualifying broker for the corporation, partnership or association.

The 1999 amendment, effective June 18, 1999, in the introductory language of Subsection B, substituted "and, except as provided in Section 61-29-14 NMSA 1978, be a resident of New Mexico" for "and have been an actual bona fide resident of New Mexico for six months next preceding the filing of application"; deleted "in New Mexico" following "salesperson" in Subsection B(1); and deleted "and be a resident of New Mexico preceding the filing of application" following "age of majority" in Subsection C.

The 2001 amendment, effective July 1, 2001, in Subsection B, deleted "real estate" preceding "broker's license" and inserted "have passed the real estate examination approved by the commission and shall" in the introductory language; substituted "a broker basics course" for "ninety classroom hours of instruction in basic real estate courses" in Paragraph (1); inserted "thirty hours of which shall have been a broker basics course" at the end of Paragraphs (3) and (4); inserted "have passed the real estate examination approved by the commission" in Subsection C; and substituted "may" for "shall be entitled to" in the second sentence of Subsection D.

2003 amendments. — Identical amendments to this section were enacted by Laws 2003, ch. 22, § 4, effective June 20, 2003, and Laws 2003, ch. 329, § 1, effective July 1, 2003, deleting "and, except as provided in Section 61-29-14 NMSA 1978, be a resident of New Mexico" following "age of majority" near the middle of Subsection B; and adding Subsection B(5). The section is set out as amended by Laws 2003, ch. 329 § 1. See 12-1-8 NMSA 1978.

The 2005 amendment, effective January 1, 2006, specifies the qualifications for qualifying and associate broker licenses; eliminates the requirement that an applicant shall have been a real estate sales person; and requires that applicants complete ninety

classroom hours of instruction, thirty hours of which are broker basic courses or provide a certificate that the applicant is a licensed real estate broker in another state and has completed ninety classroom hours in basic real estate courses; eliminates the requirements that the applicant furnish proof of equivalent experience; eliminates provisions for the real estate salesperson's license; requires that an applicant for a qualifying broker's license shall have been engaged in the real estate business as an associate broker or salespersons for two years and have completed one hundred twenty hours of real estate courses; provides that the holder of a salesperson's license shall automatically qualify for an associate broker's license; and provides that to be eligible for a qualifying broker's license, a salesperson who automatically obtains an associate broker's license must pass a real estate broker's examination.

Section expressly authorizes broker to hold more than one license, provided that person is actively engaged in the real estate business of the partnership, corporation or other business association for which he is the qualifying party. The statute does not authorize an individual to have more than one license in an individual capacity. 1980 Op. Att'y Gen. No. 80-22.

Persons of "good repute". — The "good repute" requirement is interpreted to relate to honesty and trustworthiness. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Suit for commission to be in name of licensed broker. — As an action to recover a real estate commission may only be brought in the name of the licensed broker, evidence showing corporation may be entitled to a license, or that an officer thereof had a license, was insufficient to enable corporation to bring suit in its own name. The corporation itself must be licensed to bring suit. *Star Realty Co. v. Sellers*, 73 N.M. 207, 387 P.2d 319 (1963).

Apprenticeship not necessary. — There is nowhere in 61-29-1 to 61-29-17 NMSA 1978, a requirement that an apprenticeship be served before an applicant can apply for a broker's license; to the contrary, 61-29-10 NMSA 1978 specifically sets out the means to be used by the commission in determining applicant's reputation and competency. 1963-64 Op. Att'y Gen. No. 63-110.

When license under Mobile Housing Act required. — When a real estate broker or salesperson acts as the agent for another person in the sale, exchange, lease or purchase of a mobile housing unit which is not attached to real property he is no longer engaging in the real estate business as defined in the Real Estate Licensing Act. Rather, he is engaged in the business of acting as an agent for another in the sale of a mobile housing unit and must be licensed as a dealer under the Mobile Housing Act. 1982 Op. Att'y Gen. 61-29-10. Application for license and examination. (Effective January 1, 2006 until July 1, 2012.)

A. All applications for licenses to act as qualifying brokers and associate brokers shall be made in writing to the commission and shall contain such data and information as may be required upon a form to be prescribed and furnished by the commission. The application shall be accompanied by:

(1) the recommendation of two reputable citizens who own real estate in the county in which the applicant resides, which recommendation shall certify that the applicant is of good moral character, honest and trustworthy; and

(2) the triennial license fee prescribed by the commission.

B. In addition to proof of honesty, trustworthiness and good reputation, an applicant shall pass a written examination approved by the commission. The examination shall be given at the time and places within the state as the commission shall prescribe; however, the examination shall be given not less than two times during each calendar year. The examination shall include business ethics, writing, composition, arithmetic, elementary principles of land economics and appraisals, a general knowledge of the statutes of this state relating to deeds, mortgages, contracts of sale, agency and brokerage and the provisions of Chapter 61, Article 29 NMSA 1978.

C. An applicant is not permitted to engage in the real estate business until the applicant has passed the approved examination, complied with the other requirements of Chapter 61, Article 29 NMSA 1978, and until a license has been issued to the applicant.

D. Notice of passing or failing to pass the examination shall be given to an applicant not later than three weeks following the date of the examination.

E. The commission may establish educational programs and procure qualified personnel, facilities and materials for the instruction of persons desiring to become qualifying brokers or associate brokers or desiring to improve their proficiency as qualifying brokers or associate brokers. The commission may inspect and accredit educational programs and courses of study and may establish standards of accreditation for educational programs conducted in this state. The expenses incurred by the commission in activities authorized pursuant to this subsection shall not exceed the total revenues received and accumulated by the commission.

The 2001 amendment, effective July 1, 2001, in Subsection A, deleted "New Mexico real estate" preceding "commission"; deleted "or has his place of business" following "resides" in Paragraph (1); in Paragraph (2), substituted "triennial" for "annual", deleted "which shall not be refunded in any event" from the end of the paragraph; in Subsection B, substituted "approved by" for "prepared by or under the supervision of" in the first sentence; removed the distinction between examinations for brokers and those for salesmen and deleted provisions that only applied to one examination or the other; in Subsection C, deleted "either as a broker or salesman" following "real estate business", inserted "approved" preceding "examination"; in Subsection E, substituted "brokers or salespersons" for "real estate brokers or salesmen" in two places, and substituted "activities authorized pursuant to" for "enabled under the provisions of" in the last sentence.

The 2005 amendment, effective January 1, 2006, provides for applications and examinations of applicants for licenses to act as qualifying broker and as associate broker.

License required to sue for commission. — A person who simply brings two parties together in a real estate transaction must be licensed to sue for the recovery of a commission. To rule otherwise would be to violate the clear intent of the legislature in requiring that real estate "brokers" or salespersons be licensed. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Apprenticeship not necessary. — There is nowhere in 61-29-1 to 61-29-17 NMSA 1978, a requirement that an apprenticeship be served before an applicant can apply for a broker's license; to the contrary, this section specifically sets out the means to be used by the commission in determining applicant's reputation and competency. 1963-64 Op. Relicensing of out-of-state broker returning to state. — An individual who has been licensed as a resident real estate broker in the state of New Mexico, and who has established a residence in another state or country may subsequently return to New Mexico and be relicensed as a real estate broker upon payment of the necessary fee and filing of the required bond and meeting any other needed requirements without applying for and taking a broker's examination as required of applicants who have not previously been licensed as real estate brokers, provided that the real estate board in its discretion desires to waive the examination. 1957-58 Op. 61-29-10.1. Brokerage relationships; creation. (Repealed effective July 1, 2012.)

A. For all regulated real estate transactions first executed on or after January 1, 2000, no agency relationship between a buyer, seller, landlord or tenant and a brokerage shall exist unless the buyer, seller, landlord or tenant and the brokerage agree, in writing, to the agency relationship. No type of agency relationship may be assumed by a buyer, seller, landlord, tenant or licensee, or created orally or by implication.

B. A brokerage may provide real estate services to a client pursuant to an express written agreement that does not create an agency relationship and no agency duties will be imposed on the brokerage.

C. A brokerage may provide real estate services to a customer without entering into an express written agreement and without creating an agency relationship and no agency duties will be imposed on the brokerage.

D. The commission shall promulgate rules governing the rights of clients or customers and the rights, responsibilities and duties of a brokerage in those brokerage relationships that are subject to the jurisdiction of the commission.

History: Laws 1999, ch. 127, § 2; 2003, ch. 36, § 2.

ANNOTATIONS

Delayed repeals. — See 61-29-19 NMSA 1978.

The 2003 amendment, effective January 1, 2004, inserted present Subsections B and C and redesignated former Subsection B as present Subsection D; in present Subsection D deleted "and responsibilities" following "governing the rights" near the beginning and substituted "a brokerage in those brokerage relationships that are subject to the jurisdiction of the commission" for "the brokerage in an agency relationship" at the end.

61-29-10.2. Licensee's duties; disclosure. (Effective January 1, 2006 until July 1, 2012.)

A. Prior to the time a licensee generates or presents any written document that has the potential to become an express written agreement, the licensee shall give to a prospective buyer, seller, landlord or tenant a list of the licensee's duties that are in accordance with requirements established by the commission.

B. Licensees shall perform all duties that are established for licensees by the commission.

History: Laws 1999, ch. 127, § 3; 2003, ch. 36, § 3; 2005, ch. 35, § 12.

ANNOTATIONS

The 2003 amendment, effective January 1, 2004, substituted "Licensee's Duties - Disclosure" for "Brokerage Relationship; Disclosure" in the heading; designated the former first paragraph as Subsection A and added Subsection B; and substituted "at the time when the parties enter into an express written agreement, a list of the licensee's duties that are in accordance with requirements established by the commission" for "at the first substantive contact a brokerage relationship disclosure in accordance with requirements established by the commission" at the end of Subsection A.

The 2005 amendment, effective January 1, 2006, provides that prior to the time a licensee prepares or presents a document that will be a written agreement, the licensee must provide a list of the licensee's duties.

61-29-10.3. Repealed.

ANNOTATIONS

Repeals. — Laws 2003, ch. 36, § 4 repeals 61-29-10.3, as enacted by Laws 1999, ch. 127, § 4, relating to brokerage nonagency relationships, effective January 1, 2004.

61-29-11. Issuance, renewal and surrender of licenses. (Effective January 1, 2006 until July 1, 2012.)

A. The commission shall issue to each qualified applicant a license in the form and size prescribed by the commission.

B. The license shall show the name and address of the licensee. An associate broker's license shall show the name of the qualifying broker by whom the associate broker is engaged. The commission shall deliver or mail the license of the associate broker to the qualifying broker by whom the associate broker is engaged, and the qualifying broker shall display the license at the brokerage from which the associate broker will be conducting real estate business on behalf of the brokerage. The license of the associate broker shall remain in the custody and control of the qualifying broker as long as the associate broker is engaged by that qualifying broker.

C. Every license shall be renewed every three years on or before the last day of the month following the licensee's month of birth. Upon written request for renewal by the licensee, the commission shall certify renewal of a license if there is no reason or condition that might warrant the refusal of the renewal of a license. The licensee shall provide proof of compliance with continuing education requirements and pay the renewal fee. If a licensee has not made application for renewal of license, furnished proof of compliance with continuing education requirements and paid the renewal fee by the license renewal date, the license shall expire. The commission may require a person whose license has expired to apply for a license as if the person had not been previously licensed under Chapter 61, Article 29 NMSA 1978 and further require that

the person be reexamined. The commission shall require a person whose license has expired to pay when the person applies for a license, in addition to any other fee, a late fee. If during a period of one year from the date the license expires the person or the person's spouse is either absent from this state on active duty military service or the person is suffering from an illness or injury of such severity that the person is physically or mentally incapable of making application for a license, payment of the late fee and reexamination shall not be required by the commission if, within three months of the person's permanent return to this state or sufficient recovery from illness or injury to allow the person to make an application, the person makes application to the commission for a license. A copy of that person's or that person's spouse's military orders or a certificate from the applicant's physician shall accompany the application. A person excused by reason of active duty military service, illness or injury as provided for in this subsection may make application for a license without imposition of the late fee. All fees collected pursuant to this subsection shall be disposed of in accordance with the provisions of Section 61-29-8 NMSA 1978. The revocation of a qualifying broker's license automatically suspends every associate broker's license granted to any person by virtue of association with the qualifying broker whose license has been revoked, pending a change of qualifying broker. Upon the naming of a new qualifying broker, the suspended license shall be reactivated without charge if granted during the three-year renewal cycle.

D. A qualifying broker shall conduct brokerage business under the trade name and from the brokerage address registered with the commission. Every brokerage shall have a qualifying broker in charge. The license of the qualifying broker and each associate broker associated with that qualifying broker shall be prominently displayed in each brokerage office. The address of the office shall be designated in the qualifying broker's license, and a license issued shall not authorize the licensee to transact real estate business at any other address. In case of removal from the designated address, the licensee shall make application to the commission before the removal or within ten days thereafter, designating the new location of the licensee's office and paying the required fee, whereupon the commission shall issue a license for the new location if the new location complies with the terms of Chapter 61, Article 29 NMSA 1978. A qualifying broker shall maintain a sign at the brokerage office of such size and content as the commission prescribes.

E. When an associate broker is discharged or terminates association or employment with the qualifying broker with whom the associate broker is associated, the qualifying broker shall deliver or mail the associate broker's license to the commission within forty-eight hours. The commission shall hold the license on inactive status. It is unlawful for an associate broker to perform any of the acts authorized by Chapter 61, Article 29 NMSA 1978 either directly or indirectly under authority of an inactive license after the associate broker's association with a qualifying broker has been terminated and the associate broker's license has been returned to the commission until the appropriate fee has been paid and the license has been reissued and reactivated by the commission.

History: 1953 Comp., § 67-24-28, enacted by Laws 1959, ch. 226, § 10; 1965, ch. 304, § 6; 1977, ch. 295, § 3; 1979, ch. 94, § 3; 1980, ch. 82, § 11; 1981, ch. 22, § 2; 1983, ch. 261, § 4; 1985, ch. 89, § 2; 1987, ch. 90, § 4; 1993, ch. 253, § 2; 1995, ch. 143, § 2; 2001, ch. 163, § 7; 2003, ch. 22, § 5; 2005, ch. 35, § 13.

ANNOTATIONS

Delayed repeals. — See 61-29-19 NMSA 1978.

The 1993 amendment, effective June 18, 1993, inserted "or his spouse" and "the person" preceding "is suffering" in the sixth sentence and substituted "that person or his spouse's" for "the person's" in the seventh sentence, in Subsection C; deleted "for cancellation" from the end of the first sentence, inserted the second sentence, and substituted "to the commission" for "for a cancellation" in the last sentence, in Subsection E; and made stylistic changes in Subsections C and D.

The 1995 amendment, effective July 1, 1995, in Subsection C, rewrote the first sentence which read "Every license shall be subject to annual renewal on the last day of the licensee's month of birth", made a related change in the third sentence, and deleted "annual" and "annually" preceding "renewal" throughout the subsection; made a stylistic change in Subsection D; and added Subsection F.

The 2001 amendment, effective July 1, 2001, deleted "permanent" preceding "license" in Subsection A; in Subsection B, deleted "real estate" preceding "broker" in two places; in Subsection C, substituted the reactivation provision and conditions thereto for suspended licenses for the provision that a new license will be issued in the event that the real estate salesperson's license is suspended, and will be free if re-issued in the same year it was granted; in Subsection D, deleted "under Chapter 61, Article 29 NMSA 1978" following "operated by a licensed broker", inserted "who is a natural person", deleted "or under contract to" following "associated with", deleted "except a licensed branch office" following "any other address", in Subsection E, deleted "immediately" preceding "deliver" and inserted "within forty-eight hours" in the first sentence, substituted "an inactive license" for "such license" in the second sentence; and deleted Subsection F, concerning the renewal of licenses within a certain time period in order to coordinate certain requirements.

The 2003 amendment, effective June 20, 2003, in Subsection C, deleted "of one hundred dollars (\$100)" at the end of the sixth sentence; in Subsection D, substituted "within this state a fixed office that conforms" for "a fixed office within this state which shall be so located as to conform" following "broker shall maintain" near the beginning of the first sentence, and inserted "real estate" preceding "salesperson" near the middle of the third sentence.

The 2005 amendment, effective January 1, 2006, requires that an associate broker's license show the name of the qualifying broker by whom the associate broker is engaged; requires the real estate commission to send the associate broker's license to

the qualifying broker by which the associate broker is engaged; requires the qualifying broker to display the associate broker's license at the brokerage; provides that the associate broker's license remains in the custody of the qualifying broker as long as the associate broker is engaged by the qualifying broker; provides that the revocation of a qualifying broker's license suspends the license of every associate broker engaged by the qualifying broker; requires qualifying brokers to conduct brokerage business under the trade name and at the address registered with the real estate commission; requires that the qualifying broker's license and the licenses of associate brokers be displayed at the brokerage office; and provides that if an associate broker ceases to be engaged by the qualifying broker, the qualifying broker must send the associate broker's license to the real estate commission to be held in inactive status.

Brokers must supervise their salespeople. — Section 61-29-2 NMSA 1978 and this section express a clear legislative mandate that brokers, the persons principally responsible to the public, actually be in a position to supervise the actions of their salespeople. At the same time, the statutes do not require the broker himself to engage in business full-time. 1980 Op. Att'y Gen. No. 80-22.

Fiduciary duties of salesperson extended to broker. — Because a real estate salesperson must work under a broker, when a principal buyer or seller engages a real estate salesperson as an agent, the principal also engages the salesperson's qualifying broker as an agent, thus extending the fiduciary duty owed to the principal buyer or seller up the salesperson's chain of command to the broker. Although agency fiduciary obligations and liabilities may extend from a salesperson to the qualifying broker, the fiduciary duties of one real estate salesperson are not attributable to another salesperson operating under the same qualifying broker unless one salesperson is at fault in appointing, supervising or cooperating with the other. *Moser v. Bertram*, 115 N.M. 766, 858 P.2d 854 (1993).

Relicensing of out-of-state broker returning to state. — An individual who has been licensed as a resident real estate broker in the state of New Mexico, and who has established a residence in another state or country may subsequently return to New Mexico and be relicensed as a real estate broker upon payment of the necessary fee and filing of the required bond and meeting any other needed requirements without applying for and taking a broker's examination as required of applicants who have not previously been licensed as real estate brokers, provided that the real estate board in its discretion desires to waive the examination. 1957-58 Op. Att'y Gen. No. 58-186.

61-29-12. Refusal, suspension or revocation of license for causes enumerated. (Effective January 1, 2006 until July 1, 2012.)

A. The commission may refuse to issue a license or may suspend, revoke, limit or condition a license if the applicant or licensee has by false or fraudulent representations obtained a license or, in performing or attempting to perform any of the actions specified in Chapter 61, Article 29 NMSA 1978, an applicant or licensee has:

- (1) made a substantial misrepresentation;
- (2) pursued a continued and flagrant course of misrepresentation; made false promises through agents, salespersons, advertising or otherwise; or used any trade name or insignia of membership in any real estate organization of which the licensee is not a member;
- (3) paid or received a rebate, profit, compensation or commission to or from any unlicensed person, except the licensee's principal or other party to the transaction, and then only with that principal's written consent;
- (4) represented or attempted to represent a qualifying broker other than a qualifying broker with whom the licensee is associated without the express knowledge and consent of that qualifying broker;
- (5) failed, within a reasonable time, to account for or to remit any money coming into the licensee's possession that belongs to others, commingled funds of others with the licensee's own or failed to keep funds of others in an escrow or trustee account or failed to furnish legible copies of all listing and sales contracts to all parties executing them;
- (6) been convicted in any court of competent jurisdiction of a felony or any offense involving moral turpitude;
- (7) employed or compensated directly or indirectly a person for performing any of the acts regulated by Chapter 61, Article 29 NMSA 1978 who is not a licensed qualifying broker or an associate broker; provided, however, that a qualifying broker may pay a commission to a qualifying broker of another state; provided further that the nonresident broker shall not conduct in this state any of the negotiations for which a fee, compensation or commission is paid except in cooperation with a licensed qualifying broker of this state;
- (8) failed, if a qualifying broker, to place as soon after receipt as is practicably possible, after securing signatures of all parties to the transaction, any deposit money or other money received by the qualifying broker in a real estate transaction in a custodial, trust or escrow account, maintained by the qualifying broker in a bank or savings and loan institution or title company authorized to do business in this state, in which the funds shall be kept until the transaction is consummated or otherwise terminated, at which time a full accounting of the funds shall be made by the qualifying broker. Records relative to the deposit, maintenance and withdrawal of the funds shall contain information as may be prescribed by the rules of the commission. Nothing in this

paragraph prohibits a qualifying broker from depositing nontrust funds in an amount not to exceed the required minimum balance in each trust account so as to meet the minimum balance requirements of the bank necessary to maintain the account and avoid charges. The minimum balance deposit shall not be considered commingling and shall not be subject to levy, attachment or garnishment. This paragraph does not prohibit a qualifying broker from depositing any deposit money or other money received by the qualifying broker in a real estate transaction with another cooperating broker who shall in turn comply with this paragraph;

(9) failed, if an associate broker, to place as soon after receipt as is practicably possible in the custody of the associate broker's qualifying broker, after securing signatures of all parties to the transaction, any deposit money or other money entrusted to the associate broker by any person dealing with the associate broker as the representative of the qualifying broker;

(10) violated a provision of Chapter 61, Article 29 NMSA 1978 or a rule promulgated by the commission;

(11) committed an act, whether of the same or different character from that specified in this subsection, that is related to dealings as a qualifying broker or an associate broker and that constitutes or demonstrates bad faith, incompetency, untrustworthiness, impropriety, fraud, dishonesty, negligence or any unlawful act; or

(12) been the subject of disciplinary action as a licensee while licensed to practice real estate in another jurisdiction, territory or possession of the United States or another country.

B. An unlawful act or violation of Chapter 61, Article 29 NMSA 1978 by an associate broker, employee, partner or associate of a qualifying broker shall not be cause for the revocation of a license of the qualifying broker unless it appears to the satisfaction of the commission that the qualifying broker had guilty knowledge of the unlawful act or violation.

ANNOTATIONS

Delayed repeals. — See 61-29-19 NMSA 1978.

The 1991 amendment, effective June 14, 1991, substituted "in Chapter 61, Article 29 NMSA 1978" for "herein" in the introductory paragraph; substituted the language beginning with "unlicensed person" for "person other than his principal" at the end of Subsection C; and made minor stylistic changes in Subsections E and K.

The 2001 amendment, effective July 1, 2001, inserted the Subsection A and B designations and redesignated former Subsections A to K as Paragraphs A(1) to A(11); deleted "real estate" preceding "broker" throughout the section; in Subsection A, substituted "refuse to issue or may suspend" for "refuse a license for cause or suspend", and "an applicant or licensee has:" for "is deemed to be guilty of:" in the introductory language; substituted "with whom he is associated" for "with whom he is licensed" in Paragraph (4), inserted "after securing signatures of all parties to the transaction" in Paragraphs (8) and (9); deleted "in the interests of the public and in conformance with the provisions of Chapter 61, Article 29 NMSA 1978" from the end of Paragraph (10); substituted "committed an act" for "any other conduct" in Paragraph (11); and added Paragraph (12).

The 2005 amendment, effective January 1, 2006, permits the real estate commission to issue license with limitations or conditions if the applicant or licensee has obtained a license by false or fraudulent representations or performed or attempted to perform the prescribed acts specified in this section and provides that an unlawful act or violation of Chapter 61, Article 29 NMSA 1978 by an associate broker is not cause for revocation of a qualifying broker's license unless the qualifying broker had guilty knowledge of the act.

Revocation for "substantial misrepresentations". — The commission may suspend a license on the grounds that the licensee misrepresented to prospective buyers both the size of the property in question and the age of the roof. *Wolfley v. Real Estate Comm'n*, 100 N.M. 187, 668 P.2d 303 (1983).

If the subjects of misrepresentations on application forms are material, i.e., "substantial misrepresentations", the real estate commission can, absent intervening equities, revoke the license even though there is no actual or intentional fraud. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

The test of whether a misrepresentation is substantial is if it operates as an inducement to the real estate commission to do that which it should not otherwise have done. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Where a license to sell real estate was revoked for false or fraudulent representations in applications with respect to unpaid liens or judgments, but the real estate commission's findings and conclusions did not resolve in any meaningful way whether licensee intended to deceive and to induce the commission to act in reliance upon a misrepresentation of fact known by him to be untrue, and there were no specific findings and conclusions by the commission to afford the supreme court a clear understanding that the decision was based upon false representations relevant and material to facts bearing upon the good repute and competence of the licensee in the public interest, the cause was remanded to the commission with express directions to enter proper findings of fact and conclusions of law, together with a final order. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Applicability of Paragraph A(3) prohibition. — The prohibition of Subsection C (now Paragraph A(3)) is applicable to a broker or salesman representing the seller of real estate giving the purchaser trading stamps, free down payments on the property, moving costs, etc., when it can be shown that the real estate broker or salesman gave one or more of the items listed to the purchaser of the property as an integral part of a transaction involving the purchase and sale of the property. 1963-64 Op. Att'y Gen. No. 63-28 (rendered prior to 1991 amendment).

Payment of commission to buyer who is not principal prohibited. — Subsection C (now Paragraph A(3)) precludes a licensed salesman or broker from paying any portion of his commission to a buyer who is not his principal, regardless of disclosure to the principal of the arrangement. 1981 Op. Att'y Gen. No. 81-25 (rendered prior to 1991 amendment).

In order to properly make sense of the reference in Subsection C (now Paragraph A(3)) to "paying," and to give effect to the legislative intent indicated by that reference, the words "to or" may be read into that subsection preceding "from any person." 1981 Op. Att'y Gen. No. 81-25 (rendered prior to 1991 amendment).

Substantial evidence to support commission's suspension of broker's license based on Paragraph A(5). — See *Elliott v. New Mexico Real Estate Comm'n*, 103 N.M. 273, 705 P.2d 679 (1985).

Criminal Offender Employment Act to be followed in suspension or revocation action. — The provisions of the Criminal Offender Employment Act must be followed by the real estate commission in any action by the commission to suspend or revoke a broker's or salesperson's license because of a conviction of a felony or misdemeanor involving moral turpitude. 1982 Op. Att'y Gen. No. 82-2.

Broker to have knowledge of building code and zoning ordinances. — It is incumbent upon the broker to have a general knowledge of the building code and the zoning ordinances which deal with the particular property being offered for sale or which is being purchased. *Amato v. Rathbun Realty, Inc.*, 98 N.M. 231, 647 P.2d 433 (Ct. App. 1982).

Nonresident broker may share in commission. — This section modifies 61-29-1 and 61-29-16 NMSA 1978 to the extent that a nonresident broker may, in a limited situation, share in a commission. He may only do so, however, through cooperation with a New Mexico licensed broker. *Hayes v. Reeves*, 91 N.M. 174, 571 P.2d 1177 (1977).

Generally, as to establishing custodial, trust or escrow accounts. — No regulation of the real estate commission requires a custodial, trust or escrow account prior to the receipt of funds appropriate for deposit in such account. *McCaughtry v. New Mexico Real Estate Comm'n*, 82 N.M. 116, 477 P.2d 292 (1970).

Jurisdiction where landowner claims acting as broker. — Under 61-29-2 NMSA 1978 if a landowner represents to either the buyer or seller that he is acting as a broker, the real estate commission has jurisdiction over the transaction. *Poorbaugh v. New Mexico Real Estate Comm'n*, 91 N.M. 622, 578 P.2d 323 (1978).

Hiring of note broker for sale of real estate contract. — Because the seller of a real estate contract, who hired a note broker to handle the sale, was not acting as a real estate broker during the sale, the commission lacked jurisdiction to revoke the seller's license for misrepresentation. *Vihstadt v. Real Estate Comm'n*, 106 N.M. 641, 748 P.2d 14 (1988).

The 2001 amendment, effective July 1, 2001, substituted "Maintenance" for "Publication" in the section heading; substituted "The commission shall maintain a list" for "The commission shall, at least annually, publish"; and substituted "maintain" for "prepare" in the last sentence.

61-29-16. Suit by qualifying or associate broker. (Effective January 1, 2006 until July 1, 2012.)

No action for the collection of a commission or compensation earned by any person as a qualifying broker or an associate broker required to be licensed under the provisions of Chapter 61, Article 29 NMSA 1978 shall be maintained in the courts of the state unless such person was a duly licensed qualifying broker or associate broker at the time the alleged cause of action arose. In any event, suit against a member of the public as distinguished from any person licensed under Chapter 61, Article 29 NMSA 1978 shall be maintained only in the name of the qualifying broker.

History: 1953 Comp., § 67-24-33, enacted by Laws 1959, ch. 226, § 15. 2005, ch. 35, § 16.

ANNOTATIONS

Delayed repeals. — See 61-29-19 NMSA 1978.

The 2005 amendment, effective January 1, 2006, provides that no action to collect a commission or compensation by a person as a qualifying broker or an associate broker shall be maintained unless the person was licensed as a qualifying broker or an associate broker on the date cause of action arose and requires that suits against a member of the public be in the name of the qualifying broker.

Meaning of "this act". — See same catchline in notes to 61-29-7 NMSA 1978.

Section upholds legislative intent that brokers be licensed. — A person who simply brings two parties together in a real estate transaction must be licensed to sue for the recovery of a commission. To rule otherwise would be to violate the clear intent of the legislature in requiring that real estate "brokers" or salespersons be licensed. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Meaning of "arose". — The word "arose" used in this statute is used in its usual and ordinary meaning and denotes past completed action, not past continuing action. *Lakeview Invs., Inc. v. Alamogordo Lake Village, Inc.*, 86 N.M. 151, 520 P.2d 1096 (1974).

Person claiming commission must prove license. — The statute casts no burden upon a defendant to prove absence of a license but does place upon one claiming a real estate commission the burden of establishing that he was duly licensed when the alleged cause of action arose and the inadvertent statement relative to the burden of proof in *Southwest Motel Brokers, Inc. v. Alamo Hotels, Inc.* 72 N.M. 227, 382 P.2d 707 (1963), is overruled. *Star Realty Co. v. Sellers*, 73 N.M. 207, 387 P.2d 319 (1963).

Finding that plaintiff held license required. — A judgment for recovery of a real estate commission without a finding that the plaintiff held either a broker's or salesman's license when the cause of action arose is erroneous. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Section prohibits action in quantum meruit to recover value of services rendered by person who is required to have license, in the absence of such license. *Bank of N.M. v. Freedom Homes, Inc.*, 94 N.M. 532, 612 P.2d 1343 (Ct. App. 1980).

An unlicensed real estate broker or salesperson cannot recover a commission in an action in quantum meruit. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Suit by corporation. — Since an action to recover a real estate commission may only be brought in the name of the licensed broker, evidence showing corporation may be entitled to a license, and that an officer thereof had a license, was insufficient to enable corporation to bring suit in its own name. *Star Realty Co. v. Sellers*, 73 N.M. 207, 387 P.2d 319 (1963).

Action for breach of contract. — This section did not prevent real estate broker from maintaining action for breach of contract where broker was not licensed at time he entered into exclusive sales representation agreement with defendant but became licensed prior to breach of this agreement by defendant. *Lakeview Invs., Inc. v. Alamogordo Lake Village, Inc.*, 86 N.M. 151, 520 P.2d 1096 (1974).

In estimating the commission on an exchange of real estate the actual and not the trade value of the property received in exchange should be taken as the basis, unless the contract of employment provides for some other basis, such as a fixed and agreed valuation of the property given in exchange. *Maine v. Garvin*, 76 N.M. 546, 417 P.2d 40 (1966).

Allegation of licensing effective against motion to dismiss. — Allegation that the party seeking relief was licensed at the time the work or service was performed satisfies the requirements of this section as against a motion to dismiss. *Lakeview Invs., Inc. v. Alamogordo Lake Village, Inc.*, 86 N.M. 151, 520 P.2d 1096 (1974).

In order to satisfy the requirements of this section as against a motion to dismiss, the party seeking relief must allege that he was licensed at the time the work or service was performed. *Bosque Farms Home Center, Inc. v. Tabet Lumber Co.*, 107 N.M. 115, 753 P.2d 894 (1988).

Parol evidence rule is fully applicable together with all the exceptions recognized in connection with any other writing in connection with written listing agreements. Parol evidence may not be received when its purpose and effect is to contradict, vary, modify or add to a written agreement, but is generally admissible to supply terms not in the written contract, to explain ambiguities in the written agreement, or to show fraud, misrepresentations or mistake. *Maine v. Garvin*, 76 N.M. 546, 417 P.2d 40 (1966).

Compensation rule distinguished from that in fraud. — The rule applicable in determining the right of an agent to recover compensation from his principal differs from that which is applied when fraud is claimed as between a vendor and purchaser. *Maine v. Garvin*, 76 N.M. 546, 417 P.2d 40 (1966).

61-31-6. Scope of practice. (Repealed effective July 1, 2016.)

A. For the purposes of the Social Work Practice Act [61-31-1 to 61-31-24 NMSA 1978], a person is practicing social work if he advertises, offers himself to practice, is employed in a position described as social work or holds out to the public or represents in any manner that he is licensed to practice social work in this state.

B. Social work practice means a professional service and emphasizes the use of specialized knowledge of social resources, social systems and human capabilities to effect change in human behavior, emotional responses and social conditions. Services may be rendered through direct assistance to individuals, couples, families, groups and community organizations. Social work practice focuses on both direct and indirect services to facilitate change on the intrapersonal, interpersonal and systemic levels. Areas of specialization that address these include but are not limited to the following:

(1) clinical social work practice, which is the professional application of social work theory and methods in the diagnosis, treatment and prevention of psychosocial dysfunction, disability or impairment, including but not limited to emotional and mental disorders. It is based on knowledge of one or more theories of human development within a psychosocial context. Clinical social work includes interventions directed to interpersonal interactions, intrapsychic dynamics or life support and management issues. Clinical social work services consist of assessment, diagnosis and treatment, including psychotherapy and counseling, client-centered advocacy, consultation and evaluation;

(2) social work research practice, which is the professional study of human capabilities and practice of social work specialties, including direct and indirect practice, through the formal organization and the methodology of data collection and the analysis and evaluation of social work data;

(3) social work community organization, planning and development practice, which is a conscious process of social interaction and method of social work concerned with the meeting of broad needs and bringing about and maintaining adjustment between needs and resources in a community or other areas; helping people to deal more effectively with their problems and objectives by helping them develop, strengthen and maintain qualities of participation, self-direction and cooperation; and bringing about changes in community and group relationships and in the distribution of decision-

making power. The community is the primary client in community organizations. The community may be an organization, neighborhood, city, county, state or national entity;

(4) social work administration, which is the practice that is concerned primarily with translating laws, technical knowledge and administrative rulings into organizational goals and operational policies to guide organizational behavior; designing organizational structure and procedures or processes through which social work goals can be achieved; and securing resources in the form of material, staff, clients and societal legitimation necessary for goal attainment and organizational survival; and

(5) university social work faculty, which provides an equal quality of social work education in identified areas of content; prepares graduates to practice in a range of geographic areas with diverse populations; and establishes the foundation for practitioners' professional futures, exposing them to the best of current knowledge and developing in them the ability to continue questioning and learning, as well as an awareness of their responsibility to continue this professional development.

L. In the event of a vacancy for any reason, the board secretary shall immediately notify the governor and the board of the vacancy and the reason for its occurrence to expedite the appointment of a new board member within a six-month period.

It is the responsibility of the funeral service intern and the licensee in charge to report changes of employment.

D. A funeral service intern may be under the supervision of more than one funeral service practitioner at the establishment at which he is employed, provided that the board has received notice in writing prior to any changes in supervision. E. Each funeral service intern shall report to the board quarterly, upon forms provided by the board, showing the work that has been completed during the preceding three months. All quarterly reports are due in the board office within thirty days of the close of the quarter. If a report is not received by the date due, the work completed

F. Once a funeral service intern is under the general supervision of a funeral service practitioner, the funeral service intern need not submit to the board the quarterly reports required in this section.
