13-1-1 to 13-1-20. Repealed.

ANNOTATIONS

Repeals. - Laws 1984, ch. 65, § 175, repeals 13-1-1 to 13-1-20 NMSA 1978, relating to public purchases. For provisions of former sections, see 1983 Replacement Pamphlet.

Laws 1984, ch. 65, § 176, as amended by Laws 1984 (1st S.S.), ch. 2, § 1, makes Laws 1984, ch. 65 effective on November 1, 1984.

13-1-21. Application of preferences.

A. For the purposes of this section:

(1) "resident business" means a New Mexico resident business or a New York state business enterprise;

(2) "New Mexico resident business" means a business that is authorized to do and is doing business under the laws of this state and:

(a) that maintains its principal place of business in the state;

(b) has staffed an office and has paid applicable state taxes for two years prior to the awarding of the bid and has five or more employees who are residents of the state; or

(c) is an affiliate of a business that meets the requirements of Subparagraph (a) or (b) of this paragraph. As used in this section, "affiliate" means an entity that directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with the qualifying business through ownership of voting securities representing a majority of the total voting power of the entity;

(3) "New York state business enterprise" means a business enterprise, including a sole proprietorship, partnership or corporation, that offers for sale or lease or other form of exchange, goods or commodities that are substantially manufactured, produced or assembled in New York state, or services, other than construction services, that are substantially performed within New York state. For purposes of construction services, a New York state business enterprise means a business enterprise, including a sole

proprietorship, partnership or corporation, that has its principal place of business in New York state;

(4) "resident manufacturer" means a person who offers materials grown, produced, processed or manufactured wholly in the state; provided, however, that a New York state business enterprise shall be deemed to be a resident manufacturer solely for the purpose of evaluating the New York state business enterprise's bid against the bid of a resident manufacturer that is not a New York state business enterprise;

(5) "recycled content goods" means supplies and materials composed in whole or in part of recycled materials; provided that the recycled materials content meets or exceeds the minimum content standards required by bid specifications; and

(6) "virgin content goods" means supplies and materials that are wholly composed of nonrecycled materials or do not meet minimum recycled content standards required by bid specification.

B. When bids are received only from nonresident businesses and resident businesses and the lowest responsible bid is from a nonresident business, the contract shall be awarded to the resident business whose bid is nearest to the bid price of the otherwise low nonresident business bidder if the bid price of the resident bidder is made lower than the bid price of the nonresident business when multiplied by a factor of .95.

C. When bids are received only from nonresident businesses and resident manufacturers and the lowest responsible bid is from a nonresident business, the contract shall be awarded to the resident manufacturer whose bid is nearest to the bid price of the otherwise low nonresident business bidder if the bid price of the resident manufacturer is made lower than the bid price of the nonresident business when multiplied by a factor of .95.

D. When bids are received only from resident businesses and resident manufacturers and the lowest responsible bid is from a resident business, the contract shall be awarded to the resident manufacturer whose bid is nearest to the bid price of the otherwise low resident business bidder if the bid price of the resident manufacturer is made lower than the bid price of the resident business when multiplied by a factor of .95.

E. When bids are received from resident manufacturers, resident businesses and nonresident businesses and the lowest responsible bid is from a resident business, the contract shall be awarded to the resident manufacturer whose bid is nearest to the bid price of the otherwise low resident business bidder if the bid price of the resident manufacturer is made lower than the bid price of the resident business when multiplied by a factor of .95.

F. When bids are received from resident manufacturers, resident businesses and nonresident businesses and the lowest responsible bid is from a nonresident business,

the contract shall be awarded to the resident manufacturer whose bid is nearest to the bid price of the otherwise low nonresident business bidder if the bid price of the resident manufacturer is evaluated as lower than the bid price of the nonresident business when multiplied by a factor of .95. If there is no resident manufacturer eligible for award under this provision, then the contract shall be awarded to the resident business whose bid is nearest to the bid price of the otherwise low nonresident business bidder if the bid price of the resident business is made lower than the bid price of the nonresident business when multiplied by a factor of .95.

G. When bids are received for virgin content goods only or for recycled content goods only, Subsections B through F of this section shall apply.

H. When bids are received for both recycled content goods and virgin content goods and the lowest responsible bid is for virgin content goods, the contract shall be awarded to:

(1) a resident manufacturer offering the lowest bid on recycled content goods of equal quality if the bid price of the resident manufacturer when multiplied by a factor of .90 is made lower than the otherwise low virgin content goods bid price;

(2) a resident business offering a bid on recycled content goods of equal quality if:

(a) the bid price of no resident manufacturer following application of the preference allowed in Paragraph (1) of this subsection can be made sufficiently low; and

(b) the lowest bid price of the resident business when multiplied by a factor of .90 is made lower than the otherwise low virgin content goods bid price; or

(3) a nonresident business or nonresident manufacturer offering recycled content goods of equal quality if:

(a) the bid price of no resident business or resident manufacturer following application of the preference allowed in Paragraph (1) or (2) of this subsection can be made sufficiently low; and

(b) the lowest bid price of a nonresident offering recycled content goods when multiplied by a factor of .95 is made lower than the otherwise low virgin content bid price.

I. When bids are received for both recycled content goods and virgin content goods and the lowest responsible bid is for recycled content goods offered by a nonresident business or nonresident manufacturer, the contract shall be awarded to:

(1) a resident manufacturer offering the lowest bid on recycled content goods of equal quality if the bid price of the resident manufacturer when multiplied by a factor of .95 is made lower than the otherwise low recycled content goods bid price; or

(2) a resident business offering a bid on recycled content goods of equal quality if:

(a) the bid price of no resident manufacturer following application of the preference allowed in Paragraph (1) of this subsection can be made sufficiently low; and

(b) the lowest bid price of the resident business when multiplied by a factor of .95 is made lower than the otherwise low recycled content goods bid price offered by a nonresident business or manufacturer.

J. When bids are received for both recycled content goods and virgin content goods and the lowest responsible bid is for recycled content goods offered by a resident business, the contract shall be awarded to a resident manufacturer offering the lowest bid on recycled content goods of equal quality if the bid price of the resident manufacturer when multiplied by a factor of .95 is made lower than the otherwise low recycled content goods bid price.

K. This section shall not apply when the expenditure of federal funds designated for a specific purchase is involved or for any bid price greater than five million dollars (\$5,000,000).

L. The provisions of this section shall not apply to the purchase of buses from a resident manufacturer or a New Mexico resident business that manufactures buses in New Mexico. It is the purpose of this subsection to:

(1) allow any bus manufacturer or business that manufactures buses to compete openly for public procurement contracts in New Mexico without giving preference to a business based on the location of the place of manufacture of the buses;

(2) give resident manufacturers and New Mexico resident businesses that manufacture buses an equal opportunity to sell their buses in states that have reciprocal preference laws; and

(3) eliminate all different treatment of any kind under New Mexico law and by all political jurisdictions in the state between New Mexico resident businesses and manufacturers that manufacture buses and businesses in other states that manufacture and sell buses.

ANNOTATIONS

Repeals and reenactments. - Laws 1968, ch. 72, § 9, repealed a former 6-5-32, 1953 Comp., relating to resident preference, and enacted a similar provision, also designated 6-5-32, 1953 Comp.

Laws 1979, ch. 72, § 1, repealed a former 13-1-21 NMSA 1978, relating to resident preference, and enacted a new 13-1-21 NMSA 1978.

The 1995 amendment, effective June 16, 1995, substituted "a business that" for "one which" in Paragraph (1) in Subsection A, added Paragraphs (3) and (4) in Subsection A, added Subsections G through J, and redesignated former Subsection G as Subsection K.

1997 amendments. - Identical amendments to this section, enacted by Laws 1997, ch. 1, § 2 and Laws 1997, ch. 2, § 2, both effective January 24, 1997, in Subsection A, inserted "a New Mexico resident business or a New York state business enterprise;" in Paragraph (1); designated present Paragraph (2), adding "'New Mexico resident business' means" at the beginning; added Paragraph (3), redesignating former Paragraphs (2) through (5) as Paragraphs (4) through (6), and added the proviso at the end of Paragraph (4). However, Laws 1997, ch. 3, § 1 also amended this section, effective January 29, 1997, by incorporating the changes made by Laws 1997, ch. 1, § 2 and ch. 2, § 2, and substituted "not" for "now" near the end of Subsection A(4). This section is set out as amended by Laws 1997, ch. 3, § 1. See 12-1-8 NMSA 1978.

The 2000 amendment, effective March 6, 2000, added Subsection L.

Severability clauses. - Laws 1997, ch. 3, § 2 provides for the severability of the act if any part or application thereof is held invalid.

Policy. - The underlying policy of this section is to give a preference to those persons and companies who contribute to the economy of the state of New Mexico by maintaining plants and other facilities within the state and giving employment to residents of the state. 1969 Op. Att'y Gen. No. 69-42.

Multiple preference policy. - A bidder who offers materials grown, processed or manufactured in this state may not claim both the manufacturer's 5% preference and the resident dealer's 5% preference against an out-of-state supplier, giving the in-state supplier a 10% preference. 1968 Op. Att'y Gen. No. 68-42.

13-1-21.1. Repealed.

ANNOTATIONS

Repeals. - Laws 1984, ch. 65, § 175, repeals 13-1-21.1 NMSA 1978, as enacted by Laws 1981, ch. 340, § 1, relating to public purchases of American-made motor vehicles. For provisions of former sections, see 1983 Replacement Pamphlet.

13-1-21.2. Equal procurement access for New York businesses.

A. Certain recent amendments to the New York state procurement statutes have the effect of prohibiting New Mexico businesses from selling goods or providing services to New York state and local governments and quasi-governmental entities. This act eliminates all differential treatment of any kind between New York state business enterprises and New Mexico businesses in New Mexico procurement and thereby negates the application to New Mexico businesses of the New York amendments and protects the access of New Mexico businesses to the New York market.

B. New York state business enterprises shall be treated as New Mexico resident businesses or resident manufactures [manufacturers] for all procurement purposes.

History: Laws 1997, ch. 1, § 1 and Laws 1997, ch. 2, § 1.

ANNOTATIONS

Bracketed material. - The bracketed word "manufacturers" in Subsection B was inserted by the compiler; it was not enacted by the legislature and is not a part of the law.

Effective dates. - Laws 1997, ch. 1, § 6 and Laws 1997, ch. 2, § 6 make the acts effective immediately. Both acts were approved January 24, 1997.

Duplicate laws. - Laws 1997, ch. 1 § 1 and Laws 1997, ch. 2 § 1 enact identical provisions of law. Both have been compiled at this location.

13-1-22. Resident business and manufacturer certification; application; information.

No resident business or resident manufacturer, as those terms are defined in Subsection A of Section 13-1-21 NMSA 1978, shall be given any preference in the awarding of contracts for furnishing materials or services to a state agency, unless the resident business or resident manufacturer shall have qualified with the state

purchasing agent as a resident business or resident manufacturer, or both, by making application to the state purchasing agent and receiving from him a certification number. The procedure for application and certification shall be as follows:

A. the state purchasing agent shall prepare an application form for certification as a resident business or manufacturer, requesting such information and proof as he deems necessary to qualify the applicant under the terms of Section 13-1-21 NMSA 1978;

B. the resident business or resident manufacturer shall complete the application form and submit it to the state purchasing agent, prior to the awarding of any contract in which the resident business or manufacturer desires to be given a preference; and

C. the state purchasing agent shall examine the application and if necessary may seek additional information or proof to assure himself that the prospective business or manufacturer is indeed entitled to the statutory preference. If all is in order, he shall issue the supplier a distinctive certification number, which shall be valid until revoked, and which, when used on bids and other purchasing documents, shall entitle the business or manufacturer to the statutory preference.

History: 1953 Comp., § 6-5-32.1, enacted by Laws 1969, ch. 184, § 1; 1979, ch. 72, § 2.

13-1-23 to 13-1-27. Repealed.

13-1-28. Short title.

Sections 1 through 172 [13-1-28 to 13-1-117 and 13-1-118 to 13-1-199 NMSA 1978] of this act may be cited as the "Procurement Code."

History: Laws 1984, ch. 65, § 1.

ANNOTATIONS

Meaning of "this act". - The term "this act", referred to in this section, means Laws 1984, Chapter 65, Sections 1 through 172 of which appear as 13-1-28 to 13-1-117 and 13-1-118 to 13-1-199 NMSA 1978.

Purpose of act. - It was the purpose of the former Public Purchases Act to insure the efficient and economical operation of government throughout the state principally by the submission of the great bulk of official purchases to the competitive-bidding process. 1969 Op. Att'y Gen. No. 69-87. See also 1959-60 Op. Att'y Gen. No. 59-78.

Protection another purpose. - The former Public Purchases Act was for the protection of the public and its provisions were to be construed as fairly and reasonably as to accomplish such object. 1964 Op. Att'y Gen. No. 64-60.

When purpose of act defeated. - If a party contracting with a state or agency thereof were allowed to compel performance of a contract executed in contravention of state laws using estoppel as a basis, the purpose of the former Public Purchases Act and all other similar restraints on the power of an officer or agency to bind the state would be effectively defeated. 1969 Op. Att'y Gen. No. 69-92.

Major objective. - A major objective of the former Public Purchases Act was the close, centralized supervision of purchase orders. 1969 Op. Att'y Gen. No. 69-87.

Particularly prescribed mode of contracting exclusive. - Where the mode of contracting by local public bodies is especially and plainly prescribed and limited, that mode is exclusive and must be pursued, or the contract will not bind the municipality. *Danley v. City of Alamogordo*, 91 N.M. 520, 577 P.2d 418 (1978).

Effect on municipal contracts. - The former Public Purchases Act was essentially to prevent favoritism, fraud, extravagance, and improvidence in the awarding of municipal contracts. 1964 Op. Att'y Gen. No. 64-60.

Public water utilities. - If the expenditures encountered in maintaining and operating a public water utility were of such an extent as to come within the provisions of the former Public Purchases Act, such provision had to be followed. 1964 Op. Att'y Gen. No. 64-60.

Jointly-owned utility. - Corporation which was authorized to operate a gas public utility system, and which was jointly owned and jointly controlled by three cities, stood on the same footing as a municipal utility under the former Public Purchases Act. 1966 Op. Att'y Gen. No. 66-7.

Contract to build a private jail and to house and care for prisoners from a county was subject to the former Public Purchases Act. 1983 Op. Att'y Gen. No. 83-5.

Company owned by legislator bidding on state contracts. - Unless otherwise prohibited by N.M. Const., art. IV, § 28, a company owned by a legislator may bid on contracts to supply state agencies with materials and supplies under the competitive bid process set forth in the Procurement Code. 1989 Op. Att'y Gen. No. 89-34.

Payment of late charges or interest. - The state is not obligated to pay late charges or interest penalties unless specifically required by the contract and included in the responsive bid or proposal. 1987 Op. Att'y Gen. No. 87-51.

Directing agency to choose its own auditor. - In carrying out the requirement set forth in the Audit Act (12-6-1 to 12-6-14 NMSA 1978) to audit the financial affairs of each state agency on a yearly basis, the procedures employed by the State Auditor in creating a pool of independent auditors and then directing agencies to contract with auditors he designated from the pool violated the requirements of the Procurement Code (13-1-28 et seq. NMSA 1978). 1992 Op. Att'y Gen. No. 92-06.

72 Supp. C.J.S. Public Contracts §§ 4 to 17; 81A C.J.S. States § 145.

13-1-29. Rules of construction; purposes.

A. The Procurement Code [13-1-28 to 13-1-117 and 13-1-118 to 13-1-199 NMSA 1978] shall be liberally construed and applied to promote its purposes and policies.

B. All references in law to the Public Purchases Act shall be construed to be references to the Procurement Code.

C. The purposes of the Procurement Code are to provide for the fair and equitable treatment of all persons involved in public procurement, to maximize the purchasing value of public funds and to provide safeguards for maintaining a procurement system of quality and integrity.

History: Laws 1984, ch. 65, § 2.

ANNOTATIONS

Public Purchases Act. - The Public Purchases Act, referred to in Subsection B, was compiled as 13-1-1 to 13-1-27 NMSA 1978, and was repealed by Laws 1984, ch. 65, § 175, effective November 1, 1984.

Purposes. - The Procurement Code protects against the evils of favoritism, nepotism, patronage, collusion, fraud, and corruption in the award of public contracts. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

Duty of fair and equitable treatment. - The duty of good faith and fair dealing in the bidding process required that the City abide by the strictures of the Procurement Code and the Purchasing Manual. Specifically, the criteria provided by the City were an implied contract that if any bids were accepted, the acceptance would be based on these criteria and no others. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

By unlawfully introducing, considering, and relying on a criterion not listed in the request, the city breached an informal contract that it would follow the Procurement Code and the Purchasing Manual in considering each bid. Thus, though no formal contract was ever concluded between the parties, the city's conduct was a breach of an implied contract for which damages will lie. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

13-1-30. Application of the code.

A. Except as otherwise provided in the Procurement Code [13-1-28 to 13-1-117 and 13-1-118 to 13-1-199 NMSA 1978], that code shall apply to every expenditure by state agencies and local public bodies for the procurement of items of tangible personal property, services, construction and also applies to concession contracts at the New Mexico state fair in excess of ten thousand dollars (\$10,000), whether those concession contracts generate revenue and earnings or expend funds.

B. When a procurement involves the expenditure of federal funds, the procurement shall be conducted in accordance with mandatory applicable federal law and regulations. When mandatory applicable federal law or regulations are inconsistent with the provisions of the Procurement Code, compliance with federal law or regulations shall be compliance with the Procurement Code.

History: Laws 1984, ch. 65, § 3; 1994, ch. 143, § 1.

ANNOTATIONS

ANNOTATIONS

1991 amendments. - Laws 1991, ch. 78, § 1, effective April 2, 1991, deleting "industries" following "corrections" the second time the word appears in Subsection I; adding Subsection O identical to that added by Laws 1991, ch. 118, § 1; and making a minor stylistic change in Subsection C and related stylistic changes in Subsections M and N, was approved on April 2, 1991. However, Laws 1991, ch. 118, § 1, effective July 1, 1991, making a minor stylistic change in Subsection N and adding Subsections O and P, was approved on April 3, 1991. The section is set out as amended by Laws 1991, ch. 118, § 1. See 12-1-8 NMSA 1978.

The 1994 amendment, effective July 1, 1994, added Subsection Q and made related stylistic changes.

The 1999 amendment, effective June 18, 1999, substituted "commission" for "industries" in Subsection I, inserted "not exceeding five thousand dollars (\$5,000)" in Subsection J, and added Subsection R.

Procurement Code. - See 13-1-28 NMSA 1978 and notes thereto.

Scope of exemption provision. - Only when centralized control was thought to be harmful or unproductive of savings were exemptions allowed by the former Public Purchases Act. 1969 Op. Att'y Gen. No. 69-87.

When public notice and competitive bidding required. - A professional legal services contract in excess of \$1,000 between a state agency and legislator may be awarded only after public notice and competitive bidding. 1979 Op. Att'y Gen. No. 79-23.

Attempt to add exemption. - Section 73-20-45H NMSA 1978 attempts to add an exemption to the former State Purchasing Act by reference to that act. Properly the State Purchasing Act should have been amended. 1967 Op. Att'y Gen. No. 67-110.

Effect. - Section 73-20-45H NMSA 1978, having the same object as and being prior and repugnant to the former Public Purchases Act, is repealed by implication. 1967 Op. Att'y Gen. No. 67-110.

Jail facilities exemptions. - Laws 1987, ch. 348, § 2 amended this section to permit local public bodies to enter into contracts with an independent contractor for construction and operation of a jail facility without competitive bidding. The financing and design of a jail facility are also exempt from this article, as long as the local public body does not have a direct contractual relationship with the parties responsible for designing and financing the facility. 1987 Op. Att'y Gen. No. 87-47.

Applicability of section to school districts. - The provision of 22-5-4N NMSA 1978 of the School Code, requiring that contracts for expenditure of money be made in accordance with the Procurement Code, requires school boards to contract according to all but two sections of the entire Procurement Code; this means that all bidding requirements of the Code, including the exemptions in this section, apply to school district contracts. *Morningstar Water Users Ass'n v. Farmington Mun. Sch. Dist. No. 5*, 120 N.M. 307, 901 P.2d 725 (1995).

Sale of water services by municipality to school district. - A municipality and a school district fall within the definition of "local public bodies" in 13-1-67 NMSA 1978, and, thus, a transaction involving the purchase of water services by the school district from the water utility of the municipality is within the exemptions of Subsections A and D because the municipality is a local public body selling water services to another local public body and the school district is purchasing "publicly provided" water. *Morningstar Water Users Ass'n v. Farmington Mun. Sch. Dist. No. 5*, 120 N.M. 307, 901 P.2d 725 (1995).

Emergency requirements not applicable to exempt transaction. - The emergency provisions of former 13-1-27 NMSA 1978 did not apply to a contract for the purchase of water services by a school district from the water utility of a municipality which was within the exemptions contained in Subsections A and D of this section. *Morningstar Water Users Ass'n v. Farmington Mun. Sch. Dist. No. 5*, 120 N.M. 307, 901 P.2d 725 (1995).

Contract for professional services of insurance agency exempt. - A contract whereby an insurance agency would provide technical or professional services to the central purchasing office of a local public body for a fee would have been exempt from the former Public Purchases Act. 1969 Op. Att'y Gen. No. 69-135.

Sale of manual by state employee. - The Procurement Code does not apply to the sale of a manual by a state employee to the New Mexico State Department of Public

Safety, as long as the department purchases the manual from the copyright holder.
1988 Op. Att'y Gen. No. 88-42.

13-1-98.1. Hospital and health care exemption.

The provisions of the Procurement Code shall not apply to procurement of items of tangible personal property or services by a state agency or a local public body through:

A. an agreement with any other state agency, local public body or external procurement unit or any other person, corporation, organization or association that provides that the parties to the agreement shall join together for the purpose of making some or all purchases necessary for the operation of public hospitals or public and private hospitals, if the state purchasing agent or a central purchasing office makes a determination that the arrangement will or is likely to reduce health care costs; or

B. an agreement with any other state agency, local public body or external procurement unit or any other person, corporation, organization or association for the purpose of creating a network of health care providers or jointly operating a common health care service, if the state purchasing agent or a central purchasing office makes a determination that the arrangement will or is likely to reduce health care costs, improve quality of care or improve access to care.

The 1995 amendment, effective June 16, 1995, added Subsection M, redesignated former Subsection M as Subsection N, and made a minor stylistic change in Subsection L.

13-1-100.1. Construction contracts; construction management services.

A. A construction management services contract may be entered into for any construction or state or local public works project when a state agency or local public body makes a determination that it is in the public's interest to utilize construction management services. Construction management services shall not duplicate and are in addition to the normal scope of separate architect or engineer contracts, the need for which may arise due to the complexity or unusual requirements of a project as requested by a state agency or local public body.

B. To insure fair, uniform, clear and effective procedures that will strive for the delivery of a quality project, on time and within budget, the secretary, in conjunction with the appropriate and affected professional associations and contractors, shall promulgate regulations, which shall be adopted by the governing bodies of all using agencies and shall be followed by all using agencies when procuring construction management services as authorized in Subsection A of this section.

Effect on lease purchase. - A lease purchase of personalty by a school district is exempted from the Bateman Act (6-6-11, 6-6-13 to 6-6-18 NMSA 1978), but was subject to the former Public Purchases Act in respect to bidding requirements. 1964 Op. Att'y Gen. No. 64-141.

Trade-in or exchange. - If there is to be a trade-in or exchange of used articles as part payment on a purchase price, the bid procedure to be followed is that for the total expenditure and not what may be the bid of the seller when the bid is the difference between the sale price and the trade-in allowance. 1969 Op. Effect on insurance contracts. - Material changes in an insurance contract with a school district, which would increase the rates and/or benefits, could not be made without following the bid procedures set forth in the former Public Purchases Act. 1969 Op. Att'y Gen. No. 69-43.

13-1-104. Competitive sealed bids; public notice.

A. An invitation for bids or a notice thereof shall be published not less than ten calendar days prior to the date set forth for the opening of bids. In the case of purchases made by the state purchasing agent, the invitation or notice shall be published at least once in at least three newspapers of general circulation in this state. In the case of purchases made by other central purchasing offices, the invitation or notice shall be published at least once in a newspaper of general circulation in the area in which the central purchasing office is located. These requirements of publication are in addition to any other procedures which may be adopted by central purchasing offices to notify prospective bidders that bids will be received, including but not limited to publication in a trade journal, if available. If there is no newspaper of general circulation in the area in which the central purchasing office is located, such other notice may be given as is commercially reasonable.

B. The state purchasing agent and all central purchasing offices shall send copies of the notice or invitation for bids involving the expenditure of more than ten thousand dollars

(\$10,000) to those businesses which have signified in writing an interest in submitting bids for particular categories of items of tangible personal property, construction and services and which have paid any required fees. The state purchasing agent or a central purchasing office may set different registration fees for different categories of services, construction or items of tangible personal property, but such fees shall be related to the actual, direct cost of furnishing copies of the notice or invitation for bids to the prospective bidders. The fees shall be used exclusively for the purpose of furnishing copies of the notice or invitation for bids of proposed procurements to prospective bidders.

C. As used in this subsection, "prospective bidders" includes persons considering submission of a bid as a general contractor for the construction contract and persons who may submit bids to a general contractor for work to be subcontracted pursuant to the construction contract. The state purchasing agent and all central purchasing offices shall make copies of invitations for bids for construction contracts available to prospective bidders. The state purchasing agent or a central purchasing office may require prospective bidders who have requested documents for bid on a construction contract to pay a deposit for a copy of the documents for bid. The deposit shall equal the full cost of reproduction and delivery of the documents for bid. The deposit, less delivery charges, shall be refunded if the documents for bid are returned in usable condition within the time limits specified in the documents for bid, which time limits shall be no less than ten calendar days from the date of the bid opening. All forfeited deposits shall be credited to the funds of the state purchasing agent or central purchasing office, whichever is applicable.

The 1999 amendment, effective June 18, 1999, substituted "an" for "the" at the beginning of Subsection A, and substituted "ten thousand dollars (\$10,000)" for "five thousand dollars (\$5,000)" in Subsection B.

13-1-105. Competitive sealed bids; receipt and acceptance of bids.

Bids shall be unconditionally accepted for consideration for award without alteration or correction, except as authorized in the Procurement Code [13-1-28 to 13-1-117 and 13-1-118 to 13-1-199 NMSA 1978]. Bids shall be evaluated based on the requirements set forth in the invitation for bids, which requirements may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery and suitability

for a particular purpose. Those criteria such as discounts, transportation costs and total or life-cycle costs that will affect the bid price shall be objectively measurable, which shall be defined by regulation. The invitation for bids shall set forth the evaluation criteria to be used. No criteria may be used in bid evaluation that are not set forth in the invitation for bids. If the lowest responsible bid has otherwise qualified, and if there is no change in the original terms and conditions, the lowest bidder may negotiate with the purchaser for a lower total bid in order to avoid rejection of all bids for the reason that the lowest bid was up to ten percent higher than budgeted project funds. Such negotiation shall not be allowed if the lowest bid was more than ten percent over budgeted project funds.

ANNOTATIONS

Evaluation of bids. - All the acts in question by the City - introducing a locality requirement after the bids were opened, awarding the contract to the fourth-ranked bidder, and rejecting the proposals after making a contract award - were arbitrary and capricious. Had the City simply rejected all proposals at any point before making an award, this matter would not be before the court. *Planning & Design Solutions v. 13-1-106. Competitive sealed bids; correction or withdrawal of bids.

A. A bid containing a mistake discovered before bid opening may be modified or withdrawn by a bidder prior to the time set for bid opening by delivering written or telegraphic notice to the location designated in the invitation for bids as the place where bids are to be received. After bid opening, no modifications in bid prices or other provisions of bids shall be permitted. A low bidder alleging a material mistake of fact which makes his bid nonresponsive may be permitted to withdraw its bid if:

(1) the mistake is clearly evident on the face of the bid document; or

(2) the bidder submits evidence which clearly and convincingly demonstrates that a mistake was made.

B. Any decision by a procurement officer to permit or deny the withdrawal of a bid on the basis of a mistake contained therein shall be supported by a determination setting forth the grounds for the decision.

History: Laws 1984, ch. 65, § 79.

ANNOTATIONS

Section not applicable to executed contracts. - While this section can prevent modification of bid prices after bid opening, it does not address contracts or contract modification or reformation. Because this section relates to bids and not contracts, it is not applicable and it does not preclude contract reformation based upon mutual mistake discovered after contract formation, as in this case. *Ballard v. 13-1-108. Competitive sealed bids; award.

A contract solicited by competitive sealed bids shall be awarded with reasonable promptness by written notice to the lowest responsible bidder. Competitive qualifications-based proposals shall be used for procurement of professional services of

architects, engineers, landscape architects, construction managers and surveyors who submit proposals pursuant to Sections 13-1-120 through 13-1-124 NMSA 1978.

History: Laws 1984, ch. 65, § 84; 1989, ch. 69, § 7; 1997, ch. 171, § 4; 1999, ch. 220, § 1.

The 1999 amendment, effective June 18, 1999, added the exception at the beginning of the section.

Outpatient clinics. - County was authorized to enter into a contract with a private, for-profit group to provide a daytime, outpatient clinic in the county, but the county could not sign the proposed contract until it chose a clinic pursuant to this article. 1987 Op. Att'y Gen. No. 87-74.

B. In the case of requests for competitive qualifications-based proposals, price shall be determined by formal negotiations related to scope of work.

History: Laws 1984, ch. 65, § 85; 1989, ch. 69, § 8.

ANNOTATIONS

Request is not an offer. - A request for bids is not an offer; the bidders are making offers when they submit bids. No contract for the procurement occurs until acceptance

by the party that solicited bids. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

Effect of request for proposals. - By requesting proposals, the City entered into an implied or informal contract that it would fairly consider each bid in accordance with all applicable statutes. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

13-1-113. Competitive sealed proposals; public notice.

The request for proposals shall state the relative weight to be given to the factors in evaluating proposals.

History: Laws 1984, ch. 65, § 87.

ANNOTATIONS

Evaluation of proposals. - All the acts in question by the City - introducing a locality requirement after the bids were opened, awarding the contract to the fourth-ranked bidder, and rejecting the proposals after making a contract award - were arbitrary and capricious. Had the City simply rejected all proposals at any point before making an award, this matter would not be before the court. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

13-1-115. Competitive sealed proposals; negotiations.

Offerors submitting proposals may be afforded an opportunity for discussion and revision of proposals. Revisions may be permitted after submissions of proposals and prior to award for the purpose of obtaining best and final offers. Negotiations may be conducted with responsible offerors who submit proposals found to be reasonably likely to be selected for award. This section shall not apply to architects, engineers, landscape architects and surveyors who submit proposals pursuant to Sections 13-1-120 through 13-1-124 NMSA 1978.

History: Laws 1984, ch. 65, § 88; 1989, ch. 69, § 9.

13-1-116. Competitive sealed proposals; disclosure; record.

The contents of any proposal shall not be disclosed so as to be available to competing offerors during the negotiation process.

History: Laws 1984, ch. 65, § 89.

A. Except for road and highway construction or reconstruction projects, a design and build project delivery system may be authorized when the state purchasing agent or a central purchasing office makes a determination in writing that it is appropriate and in the best interest of the state or local public body to use the system on a specific project with a maximum allowable construction cost of more than ten million dollars (\$10,000,000). The determination shall be issued only after the state purchasing or central purchasing office has taken into consideration the following criteria, which shall be used as the minimum basis in determining when to use the design and build process:

- (1) the extent to which the project requirements have been or can be adequately defined;
- (2) time constraints for delivery of the project;
- (3) the capability and experience of potential teams with the design and build process;
- (4) the suitability of the project for use of the design and build process as concerns time, schedule, costs and quality; and
- (5) the capability of the using agency to manage the project, including experienced personnel or outside consultants, and to oversee the project with persons who are familiar with the design and build process.

(2) during phase two, the short-listed firms shall be invited to submit detailed specific technical concepts or solutions, costs and scheduling. Unsuccessful firms may be paid a stipend to cover proposal expenses. After evaluation of these submissions, selection shall be made and the contract awarded to the highest ranked firm.

(2) the only requirement for architects, engineers, landscape architects or surveyors is limited to either site improvements or adaption for a pre-engineered building or system.

13-1-126. Sole source procurement.

A contract may be awarded without competitive sealed bids or competitive sealed proposals regardless of the estimated cost when the state purchasing agent or a central purchasing office makes a determination, after conducting a good-faith review of available sources and consulting the using agency, that there is only one source for the required service, construction or item of tangible personal property. The state purchasing agent or a central purchasing office shall conduct negotiations, as appropriate, as to price, delivery and quantity in order to obtain the price most advantageous to the state agency or a local public body. A contract for the purchase of research consultant services by institutions of higher learning constitutes a sole source procurement.

History: Laws 1984, ch. 65, § 99; 1987, ch. 348, § 9.

13-1-127. Emergency procurements.

A. The state purchasing agent, a central purchasing office or a designee of either may make or authorize others to make emergency procurements when there exists a threat to public health, welfare, safety or property requiring procurement under emergency conditions; provided that emergency procurements shall be made with competition as is practicable under the circumstances. A written determination of the basis for the emergency procurement and for the selection of the particular contractor shall be included in the procurement file. Emergency procurements shall not include the purchase or lease purchase of heavy road equipment.

B. An emergency condition is a situation which creates a threat to public health, welfare or safety such as may arise by reason of floods, epidemics, riots, equipment failures or similar events. The existence of the emergency condition creates an immediate and serious need for services, construction, or items of tangible personal property that cannot be met through normal procurement methods and the lack of which would seriously threaten:

- (1) the functioning of government;
- (2) the preservation or protection of property; or

(3) the health or safety of any person.

History: Laws 1984, ch. 65, § 100; 1987, ch. 348, § 10.

ANNOTATIONS

Intent. - The intention of the emergency purchases statute is to keep a public record of such purchases and to provide some means of control over them. 1969 Op. Att'y Gen. No. 69-107.

Reason for exceptions. - Only where centralized control may be harmful or unproductive of savings were exceptions from the bid requirement allowed by the former Public Purchases Act. 1969 Op. Att'y Gen. No. 69-87.

Misuse remedy. - The remedy for any misuse of the emergency purchases provisions would appear to be in the form of reporting the same in an audit report rather than in approving or disapproving the purchase itself. 1969 Op. Att'y Gen. No. 69-107.

13-1-128. Sole source and emergency procurements; content and submission or record.

All central purchasing offices shall maintain, for a minimum of three years, records of sole source and emergency procurements. The record of each such procurement shall be public record and shall contain:

A. the contractor's name and address;

B. the amount and term of the contract;

C. a listing of the services, construction or items of tangible personal property procured under the contract; and

D. the justification for the procurement method.

History: Laws 1984, ch. 65, § 101; 1987, ch. 348, § 11.

13-1-129. Procurement under existing contracts.

A. Notwithstanding the requirements of Sections 13-1-102 through 13-1-118 NMSA 1978, the state purchasing agent or a central purchasing office may contract for services, construction or items of tangible personal property without the use of competitive sealed bids or competitive sealed proposals as follows:

(1) at a price equal to or less than the contractor's current federal supply contract price (GSA), providing the contractor has indicated in writing a willingness to extend such contractor pricing, terms and conditions to the state agency or local public body and the purchase order adequately identifies the contract relied upon; or

(2) with a business which has a current exclusive or nonexclusive price agreement with the state purchasing agent or a central purchasing office for the item, services or construction meeting the same standards and specifications as the items to be procured if the following conditions are met:

(a) the quantity purchased does not exceed the quantity which may be purchased under the applicable price agreement; and

(b) the purchase order adequately identifies the price agreement relied upon.

B. The central purchasing office shall retain for public inspection and for the use of auditors a copy of each federal supply contractor state purchasing agent price agreement relied upon to make purchases without seeking competitive bids or proposals.

History: Laws 1984, ch. 65, § 102; 1991, ch. 254, § 1.

ANNOTATIONS

The 1991 amendment, effective June 14, 1991, in Subsection A, substituted "Sections 13-1-102 through 13-1-118 NMSA 1978" for "Sections 75 through 91 of the Procurement Code" in the introductory paragraph, rewrote Paragraph (1) which read "at a price equal to or less than the federal supply contract price or catalogue price, whichever is lower and the purchase order adequately identifies the contract relied upon", substituted "exclusive or nonexclusive" for "contract or" in the introductory paragraph in Paragraph (2) and substituted "price agreement" for "contract" in

Subparagraphs (a) and (b) in Paragraph (2); inserted "federal supply contractor", deleted "contract or current" preceding "price agreement", and added "or proposals" at the end of Subsection B; and deleted the former second and third sentences in Subsection B relating to obtaining copies of price agreements or contracts and the fees therefor.

13-1-130. Purchases; antipoverty program business.

A. Without regard to the bid requirements of Section 75 [13-1-102 NMSA 1978] of the Procurement Code, a central purchasing office may negotiate a contract for materials grown, processed or manufactured in this state by small businesses, cooperatives, community self-determination corporations or other such enterprises designed and operated to alleviate poverty conditions and aided by state or federal antipoverty programs or through private philanthropy.

B. Prior to negotiating a contract under this section, a central purchasing office shall make a determination of the reasonableness of the price and the quality of the materials and that the public interest will best be served by the procurement.

History: Laws 1984, ch. 54, § 103.

13-1-131. Rejection or cancellation of bids or requests for proposals; negotiations.

An invitation for bids, a request for proposals or any other solicitation may be canceled or any or all bids or proposals may be rejected in whole or in part when it is in the best interest of the state agency or a local public body. A determination containing the reasons for cancellation shall be made part of the procurement file. If no bids are received or if all bids received are rejected and if the invitation for bid was for any tangible personal property, construction or service, then new invitations for bids shall be requested. If upon rebidding the tangible personal property, construction or services, the bids received are unacceptable, or if no bids are secured, the central purchasing office may purchase the tangible personal property, construction or services in the open market at the best obtainable price.

History: Laws 1984, ch. 65, § 104; 1987, ch. 348, § 12.

ANNOTATIONS

Evaluation of proposals. - All the acts in question by the City - introducing a locality requirement after the bids were opened, awarding the contract to the fourth-ranked bidder, and rejecting the proposals after making a contract award - were arbitrary and capricious. Had the City simply rejected all proposals at any point before making an award, this matter would not be before the court. *Planning & Design Solutions v. City of Santa Fe*, 118 N.M. 707, 885 P.2d 628 (1994).

13-1-132. Irregularities in bids or proposals.

The state purchasing agent or a central purchasing office may waive technical irregularities in the form of the bid or proposal of the low bidder or offeror which do not alter the price, quality or quantity of the services, construction or items of tangible personal property bid or offered.

History: Laws 1984, ch. 65, § 105.

13-1-133. Responsibility of bidders and offerors.

If a bidder or offeror who otherwise would have been awarded a contract is found not to be a responsible bidder or offeror, a determination that the bidder or offeror is not a responsible bidder or offeror, setting forth the basis of the finding, shall be prepared by the state purchasing agent or a central purchasing office. The unreasonable failure of a bidder or offeror to promptly supply information in connection with an inquiry with respect to responsibility is grounds for a determination that the bidder or offeror is not a responsible bidder or offeror.

History: Laws 1984, ch. 65, § 106.

13-1-134. Prequalification of bidders.

A business may be prequalified by a central purchasing office as a bidder or offeror for particular types of services, construction or items of tangible personal property. Mailing lists of potential bidders or offerors shall include but shall not be limited to such prequalified businesses.

History: Laws 1984, ch. 65, § 107.

13-1-135. Cooperative procurement authorized.

A. Any state agency or local public body may either participate in, sponsor or administer a cooperative procurement agreement for the procurement of any services, construction or items of tangible personal property with any other state agency, local public body or external procurement unit in accordance with an agreement entered into and approved by the governing authority of each of the state agencies, local public bodies or external procurement units involved. The cooperative procurement agreement shall clearly specify the purpose of the agreement and the method by which the purpose will be accomplished. Any power exercised under a cooperative procurement agreement entered into pursuant to this subsection shall be limited to the central purchasing authority common to the contracting parties, even though one or more of the contracting

parties may be located outside this state. An approved and signed copy of all cooperative procurement agreements entered into pursuant to this subsection shall be filed with the state purchasing agent. A cooperative procurement agreement entered into pursuant to this subsection is limited to the procurement of items of tangible personal property, services or construction.

B. Notwithstanding the provisions of Subsection A of this section, a cooperative procurement agreement providing for mutually held funds or for other terms and conditions involving public funds or property included in Section 11-1-4 NMSA 1978 shall be entered into pursuant to the provisions of the Joint Powers Agreements Act [11-1-1 to 11-1-7 NMSA 1978].

C. Central purchasing offices other than the state purchasing agent may cooperate by agreement with the state purchasing agent in obtaining contracts or price agreements, and such contract or agreed prices shall apply to purchase orders subsequently issued under the agreement.

History: Laws 1984, ch. 65, § 108; 1999, ch. 167, § 1.

ANNOTATIONS

The 1999 amendment, effective June 18, 1999, in Subsection A substituted the language beginning "and approved by the governing authority of each of the state agencies" to the end of the subsection for "Joint Powers Agreements Act", added Subsection B, and redesignated former Subsection B as Subsection C.

13-1-135.1. Recycled content goods; cooperative procurement.

A. Beginning July 1, 1995, each central purchasing office shall, whenever its price, quality, quantity, availability and delivery requirements are met, purchase recycled content goods through contracts established by the purchasing division of the general services department or with other central purchasing offices.

B. For purposes of this section, "recycled content goods" means supplies and materials composed in whole or in part of recycled materials; provided that the recycled materials content meets or exceeds the minimum content standards required by bid specifications.

13-1-136. Cooperative procurement; reports required.

ANNOTATIONS

Option for exempt agencies or public bodies. - When the state purchasing agent has entered into a contract which permits, but does not require, those state agencies or local public bodies not under the supervision of the agent to purchase under the contract, the purchases may be made by submission to bids, purchasing under the state purchasing agent contract or purchasing from any other vendor, provided the price obtained, etc., is equal to or better than the terms of the contract. 1969 Op. Att'y Gen. No. 69-113.

When manner of delivery or charging immaterial. - Because it is the responsibility of the state purchasing agent to reduce, to the maximum extent possible, the number of purchase transactions by combining into bulk orders and contracts the requirements of all state agencies for common-use items or items repetitively purchased, the fact that it may be delivered in small quantities and charged as delivered through the use of credit cards seems immaterial. 1968 Op. Att'y Gen. No. 68-8.

13-1-150. Multi-term contracts; specified period.

A multi-term contract for items of tangible personal property, construction or services except for professional services, in an amount under twenty-five thousand dollars (\$25,000), may be entered into for any period of time deemed to be in the best interests of the state agency or a local public body not to exceed four years; provided that the term of the contract and conditions of renewal or extension, if any, are included in the specifications and funds are available for the first fiscal period at the time of contracting. If the amount of the contract is twenty-five thousand dollars (\$25,000) or more, the term shall not exceed eight years, including all extensions and renewals, except that for any such contract entered into pursuant to the Public Building Energy Efficiency and Water Conservation Act [Chapter 6, Article 23 NMSA 1978], the term shall not exceed ten years, including all extensions and renewals. Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefor. A contract for professional services, except for services required to support or operate federally certified medicaid, financial assistance and child support enforcement management information or payment systems and except for services to design, develop or implement the taxation and revenue information management systems project authorized by Laws 1997, Chapter 125 may not exceed a term of four years, including all extensions and renewals, except that a multi-term contract for the services of trustees, escrow agents, registrars, paying agents, letter of credit issuers and other forms of credit enhancement and other similar services, excluding bond attorneys, underwriters and financial advisors with regard to the issuance, sale and delivery of public securities, may be for the life of the securities or as long as the securities remain outstanding.

ANNOTATIONS

The 1993 amendments. - Identical amendments to this section were enacted by Laws 1993, ch. 225, § 1, and Laws 1993, ch. 231, § 13, both approved April 6, 1993 and both effective June 18, 1993, adding the language beginning "except that for any such contract" at the end of the second sentence, and inserting the language beginning ", except for services required" and ending "or payment systems," in the fourth sentence. 13-1-153. Multiple source award; limitations on use.

A multiple source award may be made pursuant to Section 83 [13-1-110 NMSA 1978] of the Procurement Code when awards to two or more bidders or offerors are necessary for adequate delivery or service. Multiple source awards shall not be made when a

single award will meet the needs of the state agency or a local public body without sacrifice of economy or service. Awards shall be limited to the least number of suppliers in one geographical area necessary to meet the requirements of the state agency or a local public body. A multiple source award shall be based upon the lowest responsible bid or proposal received in each geographical area.

History: Laws 1984, ch. 65, § 126.

A. A central purchasing office, when procuring used items of tangible personal property the estimated cost of which exceeds five thousand dollars (\$5,000), shall request bids as though the items were new, adding specifications that permit used items under conditions to be outlined in the bid specifications, including but not limited to requiring a written warranty for at least ninety days after date of delivery and an independent "certificate of working order" by a qualified mechanic or appraiser.

B. Notwithstanding the provisions of Subsection A of this section, the purchasing office for a county may purchase, at public or private auctions conducted by established, recognized commercial auction companies, used heavy equipment, having an estimated cost that exceeds five thousand dollars (\$5,000), for use in construction and maintenance of county streets, roads and highways, subject to the following provisions:

(2) the value of each piece of equipment shall be appraised prior to the auction by a qualified disinterested appraiser retained and paid by the county, who shall make a written appraisal report stating the basis for the appraisal, including the age, condition and comparable sales, and stating that the appraiser has exercised his independent judgment without prior understanding or agreement with any person as to a target value or range of value;

(3) an independent "certificate of working condition" shall be obtained prior to the auction from a qualified mechanic who shall have made a detailed inspection of each major working or major functional part and certified the working condition of each; and

(4) the price paid, including all auction fees and buyer's surcharges, shall not exceed the appraised value.

A. A central purchasing office, when trading in or exchanging used items of tangible personal property the estimated value of which exceeds five thousand dollars (\$5,000) as part-payment on the procurement of new items of tangible personal property, shall:

(1) have an independent appraisal made of the items to be traded in or exchanged. The appraisal shall be in writing, shall be made part of the procurement file and shall be a public record. The invitation for bids or request for proposals shall contain notice to prospective bidders or offerors of the description and specifications of the items to be traded in or exchanged, the appraised value of the items to be traded in or exchanged and the location where the items to be traded in or exchanged may be inspected; or

(2) have two written quotes for purchase of the property at a specified price.

B. Award shall be based upon the net bid. Bidders or offerors shall compute their net bid or offer by deducting the appraised value or highest quote of the items to be traded in or exchanged from the gross bid or offer on the new items of tangible personal property to be procured. If an amount offered in trade is less than the appraised value or the highest quote but is found to be a fair reflection of the current market, representative of the condition of the items of tangible personal property and in the best interest of the agency, the bid or offer may be accepted. Documentation of the terms of acceptance shall be in writing, shall be made a part of the procurement file and shall be a public record.

History: Laws 1984, ch. 65, § 129; 1987, ch. 348, § 16.

If inspection reveals that the delivery does not conform to the quantity or quality specified in the purchase order or contract, the using agency shall immediately notify the central purchasing office. The central

purchasing office shall notify the vendor that the delivery has been rejected and shall order the vendor to promptly make a satisfactory replacement or supplementary delivery. In case the vendor fails to comply, the central purchasing office shall have no obligation to pay for the nonconforming items of tangible personal property. If the delivery does conform to the quantity and quality specified in the purchase order or contract, the using agency shall certify to the central purchasing office that delivery has been completed and is satisfactory.

ARTICLE 4

PUBLIC WORKS CONTRACTS

13-4-1. Public works contracts.

It is the duty of every office, department, institution, board, commission or other governing body or officer thereof of this state or of any political subdivision thereof to award all contracts for the construction of public works or for the repair, reconstruction, including highway reconstruction, demolition or alteration thereof, to a resident contractor whenever practicable.

History: Laws 1933, ch. 50, § 1; 1941 Comp., § 6-501; 1953 Comp., § 6-6-1; Laws 1965, ch. 185, § 1; 1984, ch. 66, § 1.

ANNOTATIONS

For employees to be residents, see 10-1-6 to 10-1-9 NMSA 1978.

"Practicable" defined. - "Practicable" has been defined by the courts to mean something which is capable of being performed or effected under the prevailing circumstances. In making a determination of practicability or nonpracticability, the public body involved must necessarily consider the availability of funds, reliability of the contractor, time factors involved in the construction and other aspects incident to such construction project. 1965 Op. Att'y Gen. No. 65-5.

When written finding required. - An express written finding is required if a New Mexico contractor is not awarded such contract, spelling out the basis for such finding. 1965 Op. Att'y Gen. No. 65-5.

Effect on Ute dam contracts. - The provisions of this article have definite application to the proposed public works project for the construction of the Ute dam. Consequently, any contract executed in violation of this article is void and of no effect, unless a finding is made and a valid substantiation given as to why such award to a non-New Mexico contractor is not "practicable." 1961-62 Op. Att'y Gen. No. 62-80.

Effect on New Mexico interstate stream commission. - The provisions of this article have application to a proposed construction project to be awarded by the New Mexico interstate stream commission. 1961-62 Op. Att'y Gen. No. 62-80.

Legislative intent. - It is apparent that the legislature clearly intended that public construction projects come within the safeguards of the former Public Purchases Act, and be awarded whenever practicable to New Mexico contractors. 1961-62 Op. Att'y Gen. No. 62-80.

Preclusion from bidding. - New Mexico contractors may not properly be precluded from bidding upon public works construction projects financed from state funds. Under the former Public Purchases Act, however, the state purchasing agent was invested with certain discretion in the awarding or rejection of bids. 1961-62 Op. Att'y Gen. No. 62-80.

13-4-2. Resident contractor defined; application of preference.

A. "Resident contractor" means a New Mexico resident contractor or a New York state business enterprise.

B. "New Mexico resident contractor" means any person, firm, corporation or other legal entity if, at the time the contract is advertised for bids and at the time bids are opened, it has all required licenses and meets the following requirements:

(1) if the bidder is a corporation, it shall be incorporated in New Mexico and maintain its principal office and place of business in New Mexico, and a majority of its outstanding shares shall be beneficially owned by one or more individual citizens who are domiciled in the state;

(2) if the bidder is a partnership, general or limited, or other legal entity, it shall maintain its principal office and place of business in New Mexico, and the partners or associates owning a majority beneficial interest shall be domiciled in the state. If one or more partners or associates are corporations, a majority of the outstanding shares of each corporation shall be beneficially owned by individual citizens who are domiciled in the state. If the entity is a trust, a majority of the beneficial interest of the trust shall be owned by individual citizens who are domiciled in the state;

(3) if the bidder is an individual, he shall maintain his principal office and place of business in New Mexico, and the individual shall be a citizen of and domiciled in the state; or

(4) if a bidder who is a telecommunications company as defined by Subsection M of Section 63-9A-3 NMSA 1978 or an affiliate of a telecommunications company has paid unemployment compensation to the employment security division of the labor department at the applicable experience rate for that employer pursuant to the Unemployment Compensation Law on no fewer than ten employees who have performed services subject to contributions for the two-year period prior to issuance of notice to bid, the bidder will be considered to have fulfilled the requirements of Paragraph (1), (2) or (3) of this subsection. A successor to a previously qualified New Mexico contractor or resident contractor, where the creation of the bidder resulted from

a court order, is entitled to credit for qualifying contributions paid by the previously qualified New Mexico contractor or resident contractor.

C. "New York state business enterprise" means a business enterprise, including a sole proprietorship, partnership or corporation, that offers for sale or lease or other form of exchange, goods or commodities that are substantially manufactured, produced or assembled in New York state, or services, other than construction services, that are substantially performed within New York state. For purposes of construction services, a New York state business enterprise means a business enterprise, including a sole proprietorship, partnership or corporation, that has its principal place of business in New York state;

D. For purposes of this section:

(1) "affiliate" means an entity that directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with a telecommunications company through ownership of voting securities representing a majority of the total voting power of that entity; and

(2) "beneficially owned" or "beneficial interest" means exercising actual management and control of all operations, including but not limited to financial decisions, financial liability, labor relations, supervision of field operations, purchases of goods, supplies and services, marketing and sales.

E. When bids are received only from nonresident contractors and resident contractors and the lowest responsible bid is from a nonresident contractor, the contract shall be awarded to the resident contractor whose bid is nearest to the bid price of the otherwise low nonresident contractor if the bid price of the resident contractor is made lower than the bid price of the nonresident contractor when multiplied by a factor of .95.

F. No contractor shall be treated as a resident contractor in the awarding of public works contracts by a state agency or a local public body unless the contractor has qualified with the state purchasing agent as a resident contractor pursuant to this section by making application to the state purchasing agent and receiving from him a certification number. The procedure for application and certification is as follows:

(1) the state purchasing agent shall prepare an application form for certification as a resident contractor, requiring such information and proof as he deems necessary to qualify the applicant under the terms of this section;

(2) the contractor seeking to qualify as a resident contractor shall complete the application form and submit it to the state purchasing agent prior to the submission of a bid on which the contractor desires to be given a preference;

(3) the state purchasing agent shall examine the application and if necessary may seek additional information or proof so as to be assured that the prospective contractor is

indeed entitled to certification as a resident contractor. If the application is in proper form, the state purchasing agent shall issue the contractor a distinctive certification number which is valid until revoked and which, when used on bids and other purchasing documents for state agencies or local public bodies, entitles the contractor to treatment as a resident contractor under Subsection E of this section; and

(4) the certification number issued pursuant to Paragraph (3) of this subsection shall be revoked by the state purchasing agent upon making a determination that the contractor no longer meets the requirements of a resident contractor as defined in this section.

A. In all public works within New Mexico, whether constructed or maintained by the state or by a department, a board, a commission of the state or by any political subdivision thereof, or in any construction or maintenance to which the state or any political subdivision thereof has granted aid, preference shall be given to materials produced, grown, processed or manufactured in New Mexico by citizens or residents of New Mexico or provided or offered by a New York state business enterprise, and such materials shall be used where they are deemed satisfactory for the intended use. In any case where, in the judgment of the different officers, boards, commissions or other authority in this state now or hereafter vested with the power of contracting for material used in the construction or maintenance of public works referred to in this section, it appears that an attempt is being made by producers, growers, processors or manufacturers in the state to form a trust or combination of any kind for the purpose of fixing or regulating the price of materials to be used in any public works to the detriment of or loss to the state, then the provisions of this section shall not apply.

B. As used in this section, "New York state business enterprise" means a business enterprise, including a sole proprietorship, partnership or corporation, that offers for sale or lease or other form of exchange, goods or commodities that are substantially manufactured, produced or assembled in New York state, or services, other than construction services, that are substantially performed within New York state. For purposes of construction services, a New York state business enterprise means a business enterprise, including a sole proprietorship, partnership or corporation, that has its principal place of business in New York state.

13-4-11. Minimum wages on public works; weekly payment; posting wage scale; withholding funds.

Every contract or project in excess of twenty thousand dollars (\$20,000) to which the state or any political subdivision thereof is a party for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads of the state and which requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages to be paid to various classes of laborers and mechanics, which shall be based upon the wages that will be determined by the director of the labor and industrial division of the labor department to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the state or locality, and every contract or project shall contain a stipulation that the contractor, subcontractor, employer or any person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates not less than those stated in the minimum wage rates issued for the project.

A. For the purpose of making wage determinations, the director of the labor and industrial division of the labor department shall conduct a continuing program for the obtaining and compiling of wage-rate information and shall encourage the voluntary submission of wage-rate data by contractors, contractors' associations, labor organizations, interested persons and public officers. Before making a determination of wage rates for any project, he shall give due regard to the information thus obtained. Whenever the director deems that the data at hand are insufficient to make a wage determination, he may have a field survey conducted for the purpose of obtaining sufficient information upon which to make determination of wage rates. Any interested person shall have the right to submit to the director written data, views and arguments why the wage determination should be changed.

B. The scale of wages to be paid shall be posted by the contractor or person acting as a contractor in a prominent and easily accessible place at the site of the work; and it is further provided that there may be withheld from the contractor, subcontractor, employer

or any person acting as a contractor so much of accrued payments as may be considered necessary by the contracting officer to pay to laborers and mechanics employed on the project the difference between the rates of wages required by the director of the labor and industrial division of the labor department to be paid to laborers and mechanics on the work and the rates of wages received by such laborers and mechanics and not refunded to the contractor, subcontractor, employer or any person acting as a contractor or their agents.

C. The director of the labor and industrial division of the labor department shall have authority to issue rules and regulations necessary to administer and accomplish the purposes of the Public Works Minimum Wage Act [13-4-11 to 13-4-17 NMSA 1978].

History: 1953 Comp., § 6-6-6, enacted by Laws 1965, ch. 35, § 1; 1979, ch. 35, § 1; 1991, ch. 224, § 1.

ANNOTATIONS

Repeals and reenactments. - Laws 1965, ch. 35, § 1, repeals 6-6-6, 1953 Comp., relating to withholding wages and the Minimum Wage Act, and enacts the above section.

The 1991 amendment, effective July 1, 1991, substituted "director of the labor and industrial division of the labor department" for "director" and for "chief of the labor and industrial bureau" throughout the section; inserted "subcontractor, employer or any person acting as a contractor" following "contractor" near the middle of the introductory paragraph and in two places in Subsection B; in the introductory paragraph, substituted "contract or project" for "contract based upon these specifications" near the middle and "minimum wage rates issued for the project" for "advertised specifications" at the end; in Subsection B, inserted "or person acting as a contractor" near the beginning and substituted "employed on the project the difference between the rates of wages required by the director of the labor and industrial division of the labor department" for "employed by the contractor or subcontractor on the work the difference between the rates of wages required by the contract" near the middle; and made minor stylistic changes throughout the section.

The word "determine" is synonymous with "ascertain". City of Albuquerque v. Burrell, 64 N.M. 204, 326 P.2d 1088 (1958).

When section applies. - When the political subdivision contracts with another entity to carry out public works, the public works minimum wage rates apply. 1967 Op. Att'y Gen. No. 67-100.

When section does not apply. - When a school board acts as both the contractor and political subdivision, this section does not apply. One entity cannot contract with itself under this section. 1967 Op. Att'y Gen. No. 67-100.

Section inapplicable when telecommunication system replaced. - This section did not apply to a contract whereby the telecommunications system in a state university was simply replaced without any construction or alteration of the buildings and when cables were installed in preexisting tunnels. *Universal Communications Sys. v. Smith*, 104 N.M. 754, 726 P.2d 1384 (1986).

Section violated. - Classification of and wage payments to an employee is in violation of this section, when the interpretation and application of standard job classifications and descriptions were not based upon the prevailing wages being paid on contract work of a similar nature to corresponding classes of laborers and mechanics performing the same work as that employee performed. *L.H. Lacy Co. v. State Labor & Indus. Comm'n*, 89 N.M. 563, 555 P.2d 684 (1976).

Section preempted. - This act is preempted by the federal government's predetermined wage rate only when the New Mexico rate is lower than that predetermined by the federal government. 1971 Op. Att'y Gen. No. 71-114.

Section resembles Davis-Bacon Act. - The New Mexico statute is practically identical with the Davis-Bacon Act (40 U.S.C. § 276a), and if a contractor was challenging the law the New Mexico supreme court would readily accept the reasoning of the United States supreme court. *City of Albuquerque v. Burrell*, 64 N.M. 204, 326 P.2d 1088 (1958).

Duty to determine prevailing ways. - Before promulgation of an order setting the minimum wage scale to be paid on public works a determination must be made of the prevailing wages being paid in a locality for like work. *City of Albuquerque v. Burrell*, 64 N.M. 204, 326 P.2d 1088 (1958).

Employer cannot be ordered to pay additional wages. - This section expressly confers the power to determine the prevailing wage but does grant the power to order an employer to pay the additional wages determined to be due his laborers. If it is determined that a person or firm has failed to pay the prevailing minimum wages, then the certification procedure outlined in Paragraphs A and B of 13-4-14 NMSA 1978 must be followed. *Grauerholtz v. New Mexico Labor & Indus. Comm'n*, 104 N.M. 674, 726 P.2d 351 (1986).

13-4-12. Definition of the term "wages".

A. As used in Section 13-4-11 NMSA 1978, "wages", "scale of wages", "wage rates", "minimum wages" and "prevailing wages" include:

(1) the basic hourly rate of pay; and

(2) the amount of:

(a) the rate of contribution irrevocably made by a contractor, subcontractor, employer or any person acting as a contractor to a trustee or a third person pursuant to a fund, plan or program; and

(b) the rate of costs to a contractor, subcontractor, employer or any person acting as a contractor which reasonably may be anticipated in providing benefits to laborers and mechanics pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the laborers and mechanics affected for: 1) medical or hospital care; 2) pensions on retirement or death; 3) compensation for injuries or illness resulting from occupational activity; or 4) insurance to provide for any of the foregoing; and for: 5) unemployment benefits; 6) life insurance; 7) disability and sickness insurance; 8) accident insurance; 9) vacation and holiday pay; 10) costs of apprenticeship or other similar programs; or for 11) other bona fide fringe benefits; but only where the contractor, subcontractor, employer or any person acting as a contractor is not required by other federal, state or local law to provide any of the foregoing or similar benefits.

B. The obligation of a contractor, subcontractor, employer or person acting as a contractor to make payment in accordance with the prevailing wage determinations of the director of the labor and industrial division of the labor department, insofar as Section 13-4-11 NMSA 1978 or other sections of legislative acts incorporating Section 13-4-11 NMSA 1978 are concerned, may be discharged by:

(1) the making of payments in cash;

(2) the making of contributions of a type referred to in Subparagraph (a) of Paragraph (2) of Subsection A of this section; or

(3) the assumption of an enforceable commitment to bear the costs of a plan or program of a type referred to in Subparagraph (b) of Paragraph (2) of Subsection A of this section or any combination thereof where the aggregate of any payments or contributions and costs therefor is not less than the rate of pay described in Section 13-4-11 NMSA 1978 plus the amount referred to in this section.

C. The provisions of this section shall not affect existing contracts or contracts resulting from bids outstanding on July 15, 1965.

History: 1953 Comp., § 6-6-6.1, enacted by Laws 1965, ch. 35, § 2; 1991, ch. 224, § 2.

ANNOTATIONS

13-4-13. Failure to pay minimum wage; termination of contract.

Every contract within the scope of the Public Works Minimum Wage Act [13-4-11 to 13-4-17 NMSA 1978] shall contain further provision that in the event it is found by the director of the labor and industrial division of the labor department that any laborer or mechanic employed on the site of the project has been or is being paid as a result of a willful violation a rate of wages less than the rate of wages required, the contracting agency may, by written notice to the contractor, subcontractor, employer or person acting as a contractor terminate their right to proceed with the work or such part of the work as to which there has been a willful failure to pay the required wages, and the contracting agency may prosecute the work to completion by contract or otherwise, and the contractor or person acting as a contractor and his sureties shall be liable to the

state for any excess costs occasioned thereby. Any party receiving notice of termination of his project or subcontract under the provisions of this section may appeal the finding of the director as provided in the Public Works Minimum Wage Act.

ANNOTATIONS

Repeals and reenactments. - Laws 1965, ch. 35, § 3, repeals 6-6-7, 1953 Comp., relating to failure to pay minimum wage, and enacts the above section.

The 1991 amendment, effective July 1, 1991, substituted "director of the labor and industrial division of the labor department" and "director" for "state labor commissioner"; inserted "employer or person acting as a contractor" and "or person acting as a contractor"; substituted "project" for "contract" in the second sentence; and made minor stylistic changes throughout the section.

13-4-14. Payment of wages from funds withheld; list of contractors violating act; additional right of wage earners.

A. The director of the labor and industrial division of the labor department shall certify to the contracting agency the names of persons or firms he has found to have disregarded their obligations to employees under the Public Works Minimum Wage Act [13-4-11 to 13-4-17 NMSA 1978] and the amount of arrears. The contracting agency is authorized and directed to pay or cause to be paid to the affected laborers and mechanics, from any accrued payments withheld under the terms of the contract or designated for the project, any wages found due such workmen pursuant to the Public Works Minimum Wage Act. The director shall, after notice to the affected persons, distribute a list to all departments of the state giving the names of persons or firms he has found to have willfully violated the Public Works Minimum Wage Act. No contract or project shall be awarded to the persons or firms appearing on this list or to any firm, corporation, partnership or association in which the persons or firms have an interest until three years have elapsed from the date of publication of the list containing the names of the persons or firms. Any person to be included on the list to be distributed may appeal the finding of the director as provided in the Public Works Minimum Wage Act.

B. If the accrued payments withheld under the terms of the contract, as mentioned in Subsection A of this section, are insufficient to reimburse all the laborers and mechanics with respect to whom there has been a failure to pay the wages required pursuant to the Public Works Minimum Wage Act, the laborers and mechanics shall have the right of action or intervention or both against the contractor or person acting as a contractor and his sureties, conferred by law upon such persons furnishing labor and materials, and, in such proceeding, it shall be no defense that the laborers and mechanics accepted or agreed to less than the required rate of wages or voluntarily made refunds. The director of the labor and industrial division of the labor department shall refer such matters to the district attorney in the appropriate county, and it is the duty and responsibility of the

district attorney to bring civil suit for wages due and liquidated damages provided for in Subsection C of this section.

C. In the event of any violation of the Public Works Minimum Wage Act, the contractor, subcontractor, employer or any person acting as a contractor responsible for the violation shall be liable to any affected employee for his unpaid wages. In addition, the contractor, subcontractor, employer or any person acting as a contractor shall be liable to any affected employee for liquidated damages in the sum of ten dollars (\$10.00) for each calendar day on which a contractor, subcontractor, employer or any person acting as a contractor has willfully required or permitted an individual laborer or mechanic to work in violation of the provisions of the Public Works Minimum Wage Act.

Director cannot order employer to pay additional wages, but must follow certification procedure. - Section 13-4-11 NMSA 1978 expressly confers upon the labor commissioner (now director of the labor and industrial division) the power to determine the prevailing wage for purposes of the Public Works Minimum Wage Act. The commissioner (director) does not have the power to order an employer to pay the additional wages determined to be due his laborers. If the commissioner (director) has determined that a person or firm has failed to pay the prevailing minimum wages, then the certification procedure outlined in Subsections A and B must be followed. *Grauerholtz v. New Mexico Labor & Indus. Comm'n*, 104 N.M. 674, 726 P.2d 351 (1986).

13-4-15. Appeals.

A. Any interested person may appeal any determination, finding or action of the director of the labor and industrial division of the labor department made pursuant to the Public Works Minimum Wage Act [13-4-11 to 13-4-17 NMSA 1978] to the labor and industrial

commission sitting as the appeals board by filing notice of the appeal with the director within fifteen days after the determination has been issued or notice of the finding or action has been given as provided in the Public Works Minimum Wage Act.

B. The labor and industrial commission, sitting as the appeals board, shall adopt rules as it deems necessary for the prompt disposition of appeals. A copy of the rules shall be filed with the librarian of the supreme court law library.

13-4-18. Construction contract performance and payment bonds.

A. When a construction contract is awarded in excess of twenty-five thousand dollars (\$25,000), the following bonds or security shall be delivered to the state agency or local public body and shall become binding on the parties upon the execution of the contract. If a contractor fails to deliver the required performance and payment bonds, the contractor's bid shall be rejected, its bid security shall be enforced to the extent of actual damages. Award of the contract shall be made pursuant to the Procurement Code [13-1-28 to 13-1-117 and 13-1-118 to 13-1-199 NMSA 1978] in the following manner:

(1) a performance bond satisfactory to the state agency or local public body, executed by a surety company authorized to do business in this state and said surety to be approved in federal circular 570 as published by the United States treasury department or the state board of finance or the local governing authority, in an amount equal to one hundred percent of the price specified in the contract; and

(2) a payment bond satisfactory to the state agency or local public body, executed by a surety company authorized to do business in this state and said surety to be approved in federal circular 570 as published by the United States treasury department or the state board of finance or the local governing authority, in an amount equal to one hundred percent of the price specified in the contract, for the protection of all persons supplying labor and material to the contractor or its subcontractors for the performance of the work provided for in the contract.

B. The state purchasing agent or the central purchasing office may reduce the amount of the performance bond required prior to solicitation to not less than fifty percent of the contract price if it is determined to be less costly or more advantageous to the state agency or local public body to self-insure a part of the performance of the contractor.

C. The state purchasing agent or the central purchasing office may reduce the amount of the payment bond required prior to solicitation of not less than fifty percent of the contract price if it is determined that it is in the best interest of the state agency or local public body to do so. Factors to be considered in order to make such a determination include, but are not limited to:

- (1) the value and number of subcontracts to be awarded by the contractor; and
- (2) the value of the contract.

D. Nothing in this section shall be construed to limit the authority of the state agency or local public body to require a performance bond or other security in addition to those bonds, or in circumstances other than specified in Subsection A of this section.

E. For contracts under twenty-five thousand dollars (\$25,000) the state agency or local public body may impose in its sole and complete discretion the requirements of Subsections A, B and C of this section.

Repeals and reenactments. - Laws 1987, ch. 109, § 1 repeals former 13-4-18 NMSA 1978, as amended by Laws 1975, ch. 251, § 1, and enacts the above section, effective June 19, 1987. For the provisions of the former section, see the 1985 Replacement Pamphlet.

Purpose of Little Miller Act. - The Little Miller Act (13-4-18 to 13-4-20 NMSA 1978) was enacted to protect suppliers of materials under any subcontract involving a state construction project. *State ex rel. Electric Supply Co. v. Kitchens Constr., Inc.* 106 N.M. 753, 750 P.2d 114 (1988).

Bond inurement. - Under New Mexico law prior to the passage of this act (Laws 1923, ch. 136), a public contractor's bond inured to the benefit of furnishers of labor, material, and supplies to the principal. *First Nat'l Bank v. Caples*, 17 F.2d 87 (5th Cir. 1927).

Public also protected. - Bond required of road contractor under this section is not only for protection of laborers and materialmen, but also for the protection of the public in

tending to lower prices of labor and material by assuring payment of all claims. *Silver v. Fidelity & Deposit Co.* 40 N.M. 33, 53 P.2d 459 (1935).

Bond requirements. - "Little Miller Act" (13-4-18 to 13-4-20 NMSA 1978) requires a bond conditioned for the performance and completion of contract according to its terms, in "compliance with all requirements of law," and also for payment of labor and materials and is more encompassing than the federal Miller Act, 40 U.S.C. § 270A. *Employment Sec. Comm'n v. C.R. Davis Contracting Co.* 81 N.M. 23, 462 P.2d 608 (1969).

Section gives remedy comparable to mechanic's lien. - Sections 13-4-18 and 13-4-19 NMSA 1978 are intended to provide a remedy comparable to a mechanic's lien to materialmen who provide supplies for a state government construction project. *State ex rel. W.M. Carroll & Co. v. K.L. House Constr. Co.* 99 N.M. 186, 656 P.2d 236 (1982).

Not a lien statute. - The Little Miller Act, 13-4-18 to 13-4-20 NMSA 1978, is not a lien statute; it merely provides a remedy for recovery of monies due for the doing of work or the furnishing of material on a state construction project. *State ex rel. Mountain States Mut. Cas. Co. v. KNC, Inc.* 106 N.M. 140, 740 P.2d 690 (1987).

Section applies to third-tier suppliers. - The "Little Miller Act," 13-4-18 to 13-4-20 NMSA 1978, applies to suppliers of materials under any subcontract involving a state construction project, including third-tier suppliers. *State ex rel. W.M. Carroll & Co. v. K.L. House Constr. Co.* 99 N.M. 186, 656 P.2d 236 (1982).

Third-tier suppliers of materials to government construction projects are entitled to protection under New Mexico's Little Miller Act, 13-4-18 to 13-4-20 NMSA 1978. *Nichols Corp. v. Bill Stuckman Constr., Inc.* 105 N.M. 37, 728 P.2d 447 (1986).

Exceptions to "supplies". - The word "supplies," used in the statute and in a contractor's bond, does not include premiums on workmen's compensation and public liability insurance, and recovery cannot be had against the surety for failure to pay such items. *Anderson v. United States Fid. & Guar. Co.* 44 N.M. 483, 104 P.2d 906 (1940).

Bond required for public highway construction. - This section requires that a bond be given when the state enters into a contract for the construction of a public highway. *American Sur. Co. v. Gilmore Oil Co.* 83 F.2d 249 (10th Cir. 1936).

When materialman may sue. - A bond to the state, conditioned for the performance by a highway contractor of the obligation of his contract, one of which obligations is to pay for materials used, may be sued on by a materialman. *Southwestern Portland Cement Co. v. Williams*, 32 N.M. 68, 251 P. 380 (1926).

Where surety company signed bond to which the contract was attached, it was bound by the provision in the contract that "the contractor will give bond guaranteeing the payment of labor and materials" as required by statute, although such bond was never

actually given, and the surety company was liable to the materialman. *Southwestern Sash & Door Co. v. American Employers' Ins. Co.* 37 N.M. 212, 20 P.2d 928 (1933).

Rights of surety. - A surety that issues performance and payment bonds, and then satisfies claims against the contractor by paying laborers and materialmen, has superior rights as against the contractor's secured creditors to final progress payments and retainage funds held by the project owner. *New Mexico State Hwy. & Transp. Dep't v. Gulf Ins. Co.* 2000-NMCA-007, N.M. , 996 P.2d 424.

When no release of surety. - Failure of school board to retain 15% of the contract price for a school building from the contractor, until final settlement, does not release the surety from liability to the laborers or materialmen. *Southwestern Sash & Door Co. v. American Employers' Ins. Co.* 37 N.M. 212, 20 P.2d 928 (1933).

Timeliness of notice. - Where contractor furnished bond provided for under this section and timely notice was given to contractor's surety only if a substitute item, the last one furnished on the job, was legally sufficient, notice was too late, since contractor had not been informed of the proposed change as required by contract provisions dealing with changes, and the item, never installed, was held not to be the last item furnished under the contract. *Crane O'Fallon Co. v. Via*, 56 N.M. 772, 251 P.2d 260 (1952).

Extension of surety liability. - Although the general rule is that the liability of a surety cannot be extended beyond the fair import of the undertaking in the bond, this rule has certain exceptions: (1) where bonds are given pursuant to statute for a public or quasi-public purpose; or (2) when by special provision of statute the conditions and obligations prescribed in the statute requiring the bond must be read into the bond, whether contained therein or not, and in such cases, the liability of a surety will be determined by the conditions and obligations prescribed in the statute, in the first instance, on principles of public policy, and the second, by force of statutory provision. *Employment Sec. Comm'n v. C.R. Davis Contracting Co.* 81 N.M. 23, 462 P.2d 608 (1969).

13-4-19. Rights of person furnishing labor or material and right of state with respect to taxes due.

A. Every person, firm or corporation who has furnished labor or material in the prosecution of work provided for in such contract, in respect of which a payment bond is furnished under Section 13-4-18 NMSA 1978, and who has not been paid in full therefor before the expiration of a period of ninety days after the day on which the last of the labor was done or performed by him or material was furnished or supplied by him for which such claim is made, and the state, in respect of which a payment bond is furnished under Section 13-4-18 NMSA 1978, by a contractor who does not have its principal place of business in New Mexico, for all taxes due arising out of construction services rendered under the contract, shall have the right to sue on such payment bond for the amount of the balance thereof unpaid at the time of the institution of such suit, and to prosecute such action to final execution and judgment for the sum or sums justly due him; provided, however, that any person having direct contractual relationship with a subcontractor, but no contractual relationship, express or implied, with the contractor furnishing such payment bond shall have a right of action upon said payment bond upon giving written notice to said contractor within ninety days from the date on which such person did or performed the last of the labor or furnished or supplied the last of the material for which such claim is made, stating with substantial accuracy the amount claimed, and the name of the party to whom the material was furnished or supplied or for whom the labor was done or performed. Such notice shall be served by mailing the same by registered mail, postage prepaid, in an envelope addressed to the contractor at

any place he maintains an office or conducts his business or his residence, or in any manner in which the service of summons in civil process is authorized by law.

B. Claimant in such suit shall notify the obligee named in the bond of the beginning of such action, stating the amount claimed, and no judgment shall be entered in such action within thirty days after giving such notice. The obligee and any person, firm, corporation or the state having a cause of action on such bond may be admitted on motion as a party to such action, and the court shall determine the rights of all parties thereto. If the amount realized on such bond be insufficient to discharge all claims in full, such amount shall be distributed among the parties entitled thereto pro rata.

C. Except for suits by the state with respect to taxes, which shall be brought in the name of the bureau of revenue [abolished], every suit instituted under this section shall be brought in the name of the state of New Mexico for the use of the person suing in the district court in any judicial district in which the contract was to be performed and executed, or where the claimant resides, but no such suit, including one brought by the bureau of revenue, shall be commenced after the expiration of one year after the date of final settlement of such contract. The date of final settlement herein shall be that date set by the obligee in the final closing and settlement of payment, if any, due the contractor. The state of New Mexico shall not be liable for the payment of any costs or expenses of any such suit.

D. The obligee named in said bond is authorized and directed to furnish to any person, firm or corporation making application therefor who submits an affidavit that he or it has supplied labor or materials for such work and payment therefor has not been made or that he or it is being sued on any such bond, or to the bureau of revenue [abolished], a certified copy of such bond and the contract for which it was given, which copy shall be prima facie evidence of the contents, execution and delivery of the original, and, in case final settlement of such contract has been made, a certified statement of the date of such settlement which shall be conclusive as to such demand upon it. Applicants shall pay for such certified copies and certified statements such fees as the obligee fixes to cover the cost of preparation thereof.

ANNOTATIONS

Meaning of "bureau of revenue". - The bureau of revenue, referred to in Subsections C and D, was abolished, and its jurisdiction, powers and duties were transferred to the revenue division of the taxation and revenue department. See Laws 1977, ch. 249, §§ 3, 4 and 5. However, Laws 1986, ch. 20, § 122 amended 9-11-4 NMSA 1978 to delete reference to the revenue division in the taxation and revenue department. See 9-11-4 NMSA 1978.

Legislative intent. - If no relief is available under this section, the legislature has decreed that the risk of loss must fall on the contractor or subcontractor who undertakes performance of a contract on a state project, rather than on the taxpayers who presumably have already paid all or most of the costs of the project. *Hydro Conduit Corp. v. Kemble*, 110 N.M. 173, 793 P.2d 855 (1990).

Section gives remedy comparable to mechanic's lien. - Sections 13-4-18 and 13-4-19 NMSA 1978 are intended to provide a remedy comparable to a mechanic's lien to materialmen who provide supplies for a state government construction project. *State ex rel. W.M. Carroll & Co. v. K.L. House Constr. Co.* 99 N.M. 186, 656 P.2d 236 (1982).

Generally. - The statute is remedial in nature and its principal purpose is to protect the supplier of labor and materials, and it should be liberally construed to effectuate the obvious legislative intent. However, the court cannot, in the guise of liberality, justify completely ignoring the very prerequisite (notice) which the legislature prescribed as a condition precedent to the accrual of any right against the contractor's bond. *State ex rel. Komac Paint & Wallpaper Store v. McBride*, 74 N.M. 233, 392 P.2d 577 (1964).

Written notice is mandatory as a strict condition precedent to the existence of any right of action upon the payment bond. *State ex rel. State Elec. Supply Co. v. McBride*, 79 N.M. 467, 444 P.2d 978 (1968).

The requirement under Subsection A that a claimant give written notice within 90 days is a necessary prerequisite to recovery. This notice requirement acts as a protection against unlimited and unascertainable contingent liabilities. *State ex rel. W.M. Carroll & Co. v. K.L. House Constr. Co.* 99 N.M. 186, 656 P.2d 236 (1982).

Notice within 90 days from final performance. - Under express language of this section, identical with that of the Miller Act, the supplier who has no direct contractual relation with the general contractor is given a right of action against the bond only upon compliance with the condition precedent to suit " 'upon giving written notice to said contractor' within ninety days from the date of final performance." *State ex rel. Komac Paint & Wallpaper Store v. McBride*, 74 N.M. 233, 392 P.2d 577 (1964).

Notice "for which such claim is made". - The statute requires written notice of claim within 90 days of the date the last item of material "for which such claim is made" was delivered by the supplier to the subcontractor. *State ex rel. State Elec. Supply Co. v. McBride*, 79 N.M. 467, 444 P.2d 978 (1968).

Substantial compliance with notice required. - The supplier's right of action to recover on the general contractor's bond comes into being only upon substantial compliance with the notice required by the legislature. *State ex rel. Komac Paint & Wallpaper Store v. McBride*, 74 N.M. 233, 392 P.2d 577 (1964).

Timeliness of notice. - Supplying an item not called for by plans and specifications or demanded by a change or other authorization or installed as a part of the construction

did not provide a basis for determining the last day on which materials were supplied. Crane O'Fallon Co. v. Via, 56 N.M. 772, 251 P.2d 260 (1952).

Early notice deemed timely. - A supplier may give adequate notice to a contractor prior to the expiration of the 90-day time limit of Subsection A and may give notice and file suit for nonpayment prior to delivery of the last items to the contractor. State ex rel. Goodmans Office Furnishings, Inc. v. Page & Wirtz Constr. Co. 102 N.M. 22, 690 P.2d 1016 (1984).

Sufficiency of notice. - Acknowledgment of receipt of claim of subcontractor for materials and supplies, under contractor's bond, by state highway department was insufficient notice to surety of such claim. Silver v. Fidelity & Deposit Co. 40 N.M. 33, 53 P.2d 459 (1935).

Estoppel as a defense. - Estoppel may be a defense in a Little Miller Act (13-4-18 to 13-4-20 NMSA 1978) case. State ex rel. Electric Supply Co. v. Kitchens Constr., Inc. 106 N.M. 753, 750 P.2d 114 (1988).

Supplier was not estopped from pursuing its claim under the Little Miller Act (13-4-18 to 13-4-20 NMSA 1978) against the general contractor and the surety, where the supplier made no affirmation to the general contractor concerning notification of the subcontractor's failure to make payments, and there was no conduct on the supplier's part for the general contractor to have relied on to its detriment. State ex rel. Electric Supply Co. v. Kitchens Constr., Inc. 106 N.M. 753, 750 P.2d 114 (1988).

Supplemental complaint after one year allowed where not prejudicial. - A district court's decision to allow the filing of a supplemental complaint to eliminate any alleged jurisdictional defects more than one year after the filing of the initial complaint is in keeping with the remedial nature of the statute, where there is no prejudice shown by the filing of the supplemental complaint. State ex rel. Goodmans Office Furnishings, Inc. v. Page & Wirtz Constr. Co. 102 N.M. 22, 690 P.2d 1016 (1984).

Notice requirement for a workers' compensation insurer's claim of a lien right against a performance bond, given in connection with a state construction project, was governed by the Mechanic's Lien Act, 48-2-1 NMSA 1978 et seq., and not by the Little Miller Act, 13-4-18 to 13-4-20 NMSA 1978. State ex rel. Mountain States Mut. Cas. Co. v. KNC, Inc. 106 N.M. 140, 740 P.2d 690 (1987).

Reasonable attorney's fees should be included in a suit on the bond where the written terms of the contract sued upon expressly provided for the allowance of attorney's fees. State ex rel. Nichols v. Safeco Ins. Co. of Am. 100 N.M. 440, 671 P.2d 1151 (Ct. App. 1983).

Prejudgment interest. - Subcontractor who held a judgment against contractor for debt owed under contract could sue contractor's surety for all contract liability under the bond, including amounts representing prejudgment interest, those amounts being "justly

due" from contractor. State ex rel. Bob Davis Masonry, Inc. v. Safeco Ins. Co. of Am. 118 N.M. 558, 883 P.2d 144 (1994).

13-4-20. Additional bond in case of insolvency of sureties.

Whenever in its judgment any surety on such bond shall be insolvent, or for any cause is not a proper or sufficient surety, the obligee may require the contractor to furnish a new or additional bond or security within ten days; and thereupon, if the obligee shall so order, all work on said contract shall cease until such new or additional bond or security shall be furnished. If not furnished within said time, the obligee may at its option take over and complete said work as the agent and at the expense of the contractor and sureties, either doing the work on force account or letting the same by contract, and shall be entitled to use any equipment, materials and supplies of the delinquent contractor in completing said work.

ANNOTATIONS

Section applies to third-tier suppliers. - The "Little Miller Act," 13-4-18 to 13-4-20 NMSA 1978, applies to suppliers of materials under any subcontract involving a state construction project, including third-tier suppliers. 13-4-21. [Public contracts with nonresident persons or partnerships or unadmitted foreign corporations; agent for service of process.]

That all contracts entered into by the state of New Mexico, any political subdivision of the state of New Mexico or any institution or department of the state of New Mexico, with any person or partnership not a resident of the state of New Mexico, or with any foreign corporation not authorized to do business in the state of New Mexico, for the furnishing of any materials or supplies or for the performance of any public work within the state of New Mexico by such nonresident person, partnership or foreign corporation not authorized to do business in the state of New Mexico, shall contain a specific provision designating an agent of such person, partnership or corporation, resident within the state of New Mexico, with his residence and post-office address, upon whom process and writs in any action or proceeding against any such nonresident person, partnership or corporation may be served in any action arising out of such contract to the same effect as though such person, partnership or corporation were actually and personally served within the state of New Mexico.

13-4-22. [Secretary of state as agent for service.]

In the event any such contract shall not contain the provision above set forth in Section 1 [13-4-21 NMSA 1978] of this act, or in the event the agent so designated in such contract shall die or remove from the state of New Mexico, then and in such event, the nonresident person, partnership or foreign corporation, as the case may be, by entering into said contract shall be deemed to have named the secretary of the state of New Mexico, and his successor in office, as the true and lawful agent of such person, partnership or corporation upon whom such legal process or writs may be served in any action arising out of such contract, and when service is made upon the secretary of state in the manner hereinafter provided, such service shall have the same force and effect as though personal service had been made upon such person, partnership or corporation within the state of New Mexico.

The manner of procuring and serving process in any action brought pursuant to the provisions of this act [13-4-21 to 13-4-24 NMSA 1978] when there has been, either, no designation of an agent in any such public contract, or where the agent named in such contract has died or removed from the state so that service cannot be had upon such agent, shall be as follows, to-wit: - the plaintiff, at the time of filing his complaint shall allege and set forth in his complaint or in an affidavit, to the satisfaction of the judge of the court having jurisdiction, that the defendant is one of the persons, partnerships or corporations contemplated in Section 1 [13-4-21 NMSA 1978] of this act, with the residence of said defendant, if known, and the further fact that said defendant has no designated agent within the state. Upon such showing being made, the judge shall make an order directing that service of process be made upon the defendant by delivering two copies of the process and of the complaint and of said order to the secretary of the state of New Mexico, with instructions and directions to the secretary of the state to forward one copy of said summons, complaint or other process, together with a copy of such order of the court to said defendant by registered mail to the address shown in the complaint or affidavit, as the case may be; and that in addition to making service upon the secretary of the state, the order of the court shall also direct that a copy of the process, together with a copy of the complaint and of said order accompanied by a notice that the same has been served upon the secretary of the state, pursuant to this act, be delivered to the defendant without the state. 13-4-27. Definitions.

As used in Sections 13-4-27 through 13-4-30 NMSA 1978:

A. "central purchasing office" means the governing authority of a state agency or local public body that enters into a public works contract pursuant to applicable state laws. The term "owner" may be used in contract documents and will have the same meaning as central purchasing office;

B. "contractor" means the prime contractor on a public works project who contracts directly with the central purchasing office;

C. "public works" means a construction project of the state, or local public body, not including highway projects of the state highway and transportation department, to design, construct, repair, alter or extend an improvement on real property or to improve real property owned, used or leased by the state or local public body;

D. "retainage" means the amount of money otherwise due to a contractor or subcontractor under a public works contract that may be withheld by a contracting authority to secure performance of the contract;

E. "subcontractor" means a person or other legal entity who contracts with a contractor or other subcontractor to work, or who has fulfilled an obligation to a contractor by contributing toward the completion of work, on a public works project; and

13-4-31. Short title.

Sections 1 through 12 [13-4-31 to 13-4-42 NMSA 1978] of this act may be cited as the "Subcontractors Fair Practices Act".

History: Laws 1988, ch. 18, § 1.

ANNOTATIONS

Meaning of "this act". - The term "this act" refers to Laws 1988, Chapter 18, §§ 1 to 12 of which appears as 13-4-31 to 13-4-42 NMSA 1978. Section 13 of Laws 1988, Chapter 18 appears as 13-4-43 NMSA 1978.

13-4-32. Legislative findings.

The legislature finds that the practices of bid shopping and bid peddling in connection with the construction, alteration and repair of public works projects often result in poor quality of material and workmanship to the detriment of the public, deprive the public of the full benefits of fair competition among contractors and subcontractors and lead to insolvencies and loss of wages to employees.

History: Laws 1988, ch. 18, § 2.

13-4-33. Definitions.

As used in the Subcontractors Fair Practices Act [13-4-31 to 13-4-42 NMSA 1978]:

A. "contractor" means the prime contractor on a public works construction project who contracts directly with the using agency;

B. "subcontractor" means a contractor who contracts directly with the contractor;

C. "listing threshold" means the dollar amount, stipulated in the bidding documents, above which subcontractors must be listed;

D. "notice" means information, advice or a written warning intended to apprise a contractor, subcontractor or using agency of some proceeding in which the contractor's, subcontractor's or using agency's interests are involved or to inform him of some fact that is his right to know. Notice may be sent to a contractor, subcontractor or using agency by certified or registered mail and shall be deemed to be completed upon date of mailing; and

E. "using agency" means any state agency or local public body requiring services or construction.

History: Laws 1988, ch. 18, § 3; 1995, ch. 82, § 2.

ANNOTATIONS

The 1995 amendment, effective June 16, 1995, in Subsection D, substituted "subcontractor or using agency" for "or subcontractor" twice, substituted "the contractor's, subcontractor's or using agency's" for "his", and substituted "that" for "which".

13-4-34. Listing of subcontractors; requirements.

A. Any using agency taking bids for any public works construction project shall provide in the bidding documents prepared for that project a listing threshold which shall be five thousand dollars (\$5,000) or one-half of one percent of the architect's or engineer's estimate of the total project cost, not including alternates, whichever is greater. If the bidding documents do not include a listing threshold, then the using agency shall supply the listing threshold. If the listing threshold has not been included, the bid opening shall be postponed until the using agency has complied with this section. Any contractor or subcontractor interested in bidding may apply to the district court in the county in which the project will be located for an injunction preventing the bid opening until the using agency has complied with this section. Any person submitting a bid shall in his bid set forth:

(1) the name and the city or county of the place of business of each subcontractor under subcontract to the contractor who will perform work or labor or render service to the contractor in or about the construction of the public works construction project in an amount in excess of the listing threshold; and

(2) the category of the work that will be done by each subcontractor. The contractor shall list only one subcontractor for each category as defined by the contractor in his bid.

B. A bid submitted by a contractor who fails to comply with the provisions of Subsection A of this section is a nonresponsive bid which shall not be accepted by a using agency.

History: Laws 1988, ch. 18, § 4; 1989, ch. 296, § 1; 1995, ch. 82, § 3.

ANNOTATIONS

The 1995 amendment, effective June 16, 1995, in Subsection A, inserted "not including alternates", added the second through fourth sentences, substituted in Paragraph A(1) "the city or county" for "location", and in Paragraph A(2) substituted "category" for

"nature" and "that" for "which"; and in Subsection B, substituted "a contractor who" for "any person which".

Separate categories of work in one bid request. - Although there was only one invitation for bids, since it requested two distinct bids covering a single bid lot and a combination of that bid lot with another, the contractor should have listed the subcontractor who would perform each category of work. *Dynacon, Inc. v. D & S Contracting*, 120 N.M. 170, 899 P.2d 613 (Ct. App. 1995).

Written contract not required for listing as subcontractor. - The absence of a written contract between a general contractor and subcontractor at the time the general contractor submitted its bid did not mean that the general contractor was not obligated to list the subcontractor in the bid. *Romero Excavation & Trucking, Inc. v. Bradley Constr., Inc.* 1996-NMSC-010, 121 N.M. 471, 913 P.2d 659.

13-4-35. Exemption.

With the exclusion of that portion of work covering street lighting and traffic signals, the Subcontractors Fair Practices Act [13-4-31 to 13-4-42 NMSA 1978] shall not apply to contracts for the construction, improvement or repair of streets or highways, including bridges, underground utilities within easements including but not limited to water lines, sewer lines and storm sewer lines.

History: Laws 1988, ch. 18, § 5.

13-4-35.1. Application of act.

The Subcontractors Fair Practices Act [13-4-31 to 13-4-42 NMSA 1978] shall not apply to any transaction occurring after the contractor and the listed subcontractor have executed a subcontract unless subsequent action on the subcontract relates to subcontractor listing requirements.

History: Laws 1995, ch. 82, § 1.

ANNOTATIONS

Effective dates. - Laws 1995, ch. 82 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective on June 16, 1995, 90 days after adjournment of the legislature. See Volume 14 NMSA 1978 for "Adjournment Dates of Sessions of Legislature" table.

13-4-36. Substitution of subcontractor.

A. No contractor whose bid is accepted shall substitute any person as subcontractor in place of the subcontractor listed in the original bid, except that the using agency shall

consent to the substitution of another person as a subcontractor in the following circumstances:

(1) when the subcontractor listed in the bid, after having had a reasonable opportunity to do so, fails or refuses to execute a written contract, when such written contract, based upon the general terms, conditions, plans and specifications for the project involved and the terms of such subcontractor's written bid, is presented to him by the contractor;

(2) when the subcontractor listed in the original bid becomes bankrupt or insolvent prior to execution of a subcontract;

(3) when the using agency refuses to approve the subcontractor listed in the original bid, provided such approval has been reserved in the bidding documents;

(4) when the subcontractor listed in the original bid fails or refuses to perform his subcontract;

(5) when the contractor demonstrates to the using agency or its duly authorized officer that the name of the subcontractor was listed as the result of an inadvertent clerical error;

(6) when a bid alternate accepted by the using agency causes the listed subcontractor's bid not to be low;

(7) when the contractor can substantiate to the using agency that a listed subcontractor's bid is incomplete;

(8) when the listed subcontractor fails or refuses to meet the bond requirements of the contractor; or

(9) when it is determined that the listed subcontractor does not have a proper license to perform the work and the contractor has submitted the name of the subcontractor along with proof that the subcontractor bid work for which he was not licensed by the construction industries division of the regulation and licensing department.

B. Prior to approval of the contractor's request for substitution of a subcontractor, the using agency shall give notice in writing to the listed subcontractor of the contractor's request to substitute and of the reasons for the request. The notice shall be served by certified or registered mail to the last known address of the subcontractor. The listed subcontractor who has been so notified has five working days within which to submit written objections to the substitution to the using agency. Failure to file written objections shall constitute the listed subcontractor's consent to the substitution. If written objections are filed, the using agency shall give at least five working days notice in writing to the listed subcontractor of a hearing by the using agency on the contractor's request for substitution.

C. No contractor whose bid is accepted shall permit any subcontract to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original subcontractor listed in the original bid without the consent of the using agency.

D. No contractor whose bid is accepted, other than in the performance of change orders causing changes or deviations from the original contract, shall sublet or subcontract any portion of the work in excess of the listing threshold as to which his original bid did not designate a subcontractor unless:

(1) the contractor fails to receive a bid for a category of work. Under such circumstances, the contractor may subcontract. The contractor shall designate on the listing form that no bid was received; or

(2) the contractor fails to receive more than one bid for a category of work. Under such circumstances, the contractor may subcontract. The contractor shall state on the listing form that only one subcontractor's bid was received, together with the name of the subcontractor. This designation shall not occur more than one time on the subcontractor list.

History: Laws 1988, ch. 18, § 6; 1995, ch. 82, § 4.

ANNOTATIONS

The 1995 amendment, effective June 16, 1995, in Paragraphs A(2) and A(4) substituted "subcontractor listed in the original bid" for "listed subcontractor", in Paragraph A(2) added "prior to execution of a subcontract", added Paragraph A(3), redesignated former Paragraphs A(3) to A(7) as paragraphs A(4) to A(8), in Paragraph A(6) substituted "listed" for "original low", added Paragraph A(9); in Subsection B inserted "of a subcontractor" in the first sentence; in Subsection D, inserted the Paragraph D(1) designation, added Paragraph D(2); and made minor stylistic changes throughout the section.

Bid alternates. - The provision of Subparagraph A(6), concerning acceptance of a "bid alternate" by the using agency, did not apply to allow substitution of a listed contractor when the invitation for bids requested two distinct bids covering a single bid lot and a combination of that bid lot with another and the contractor was required to list the subcontractor who would perform each category of work. *Dynacon, Inc. v. D & S Contracting*, 120 N.M. 170, 899 P.2d 613 (Ct. App. 1995).

Contractor could not substitute itself for subcontractor. - Without proper approval by the using agency, a general contractor could not substitute itself for a listed contractor after the using agency had accepted the general contractor's bid. *Romero Excavation & Trucking, Inc. v. Bradley Constr., Inc.* 1996-NMSC-010, 121 N.M. 471, 913 P.2d 659.

13-4-37. Bond requirements.

A. It is the responsibility of each subcontractor submitting a bid to a contractor to be prepared to submit a faithful performance and payment bond if so requested by the contractor.

B. In the event any subcontractor submitting a bid to a contractor does not, upon the request of the contractor and at the expense of the contractor at the established charge or premium therefor, furnish to the contractor a bond issued by a corporate surety authorized to do business in New Mexico in accordance with the New Mexico Insurance Code and listed in the United States treasury department circular 570 wherein the contractor is named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract, the contractor may reject the bid and make a substitution of another subcontractor subject to the provisions of Section 13-4-36 NMSA 1978. Such bond may be required at the expense of the subcontractor only if the contractor in his written or published request for subcontract bids:

(1) specifies that the expense for the bond shall be borne by the subcontractor; and

(2) clearly specifies the amount and requirements of the bond.

History: Laws 1988, ch. 18, § 7; 1995, ch. 82, § 5.

ANNOTATIONS

The 1995 amendment, effective June 16, 1995, in Subsection A, substituted "a bid" for "bids" and inserted "a" preceding "faithful"; in Subsection B, substituted "a corporate" for "an admitted", and inserted the language beginning "authorized" and ending "circular 570"; and made minor stylistic changes throughout the section.

Insurance Code. - See 59A-1-1 NMSA 1978 and notes thereto.

13-4-38. Failure to specify subcontractor.

If a contractor fails to list a subcontractor in excess of the listing threshold and he does not state that no bid was received or that only one bid was received, he represents that he is fully qualified to perform that portion of the work himself and that he shall perform that portion of the work himself. If after the award of the contract the contractor subcontracts any portion of the work, except as provided in the Subcontractors Fair Practices Act [13-4-31 to 13-4-42 NMSA 1978], the contractor shall be guilty of violation of the Subcontractors Fair Practices Act and subject to the penalties provided in Section 13-4-41 NMSA 1978.

History: Laws 1988, ch. 18, § 8; 1995, ch. 82, § 6.

ANNOTATIONS

The 1995 amendment, effective June 16, 1995, in the first sentence, substituted "list" for "specify", inserted "and he does not state that no bid was received or that only one bid was received", inserted "of the work" following "portion" twice; and made minor stylistic changes throughout the section.

13-4-39. Inadvertent clerical error.

A. The contractor, as a condition to assert a claim of inadvertent clerical error in the listing of a subcontractor, shall, within four working days after the time of the prime bid opening by the using agency, give written notice to the using agency and to both the subcontractor he claims to have listed in error and the subcontractor who had bid to the contractor prior to bid opening.

B. Any listed subcontractor who has been notified by the contractor in accordance with the provisions of this section as to an inadvertent clerical error shall be allowed twelve working days from the time of the prime bid opening within which to submit to the using agency and to the contractor written objection to the contractor's claim of inadvertent clerical error. Failure of the listed subcontractor to file written notice within the twelve working days shall be primary evidence of his agreement that an inadvertent clerical error was made.

C. The using agency shall, in the absence of an objection to the contrary by the listed subcontractor in the original bid, consent to the substitution of the intended subcontractor if:

(1) the contractor, the listed subcontractor listed in error and the intended subcontractor each submit an affidavit to the using agency, along with such additional evidence as the parties may wish to submit, that an inadvertent clerical error was in fact made, provided that the affidavits from each of the three parties are filed within twelve working days from the time of the prime bid opening; or

(2) affidavits are filed by both the contractor and the intended subcontractor within the specified time but the subcontractor whom the contractor claims to have listed in error does not submit, within twelve working days from the time of prime bid opening, to the using agency and to the contractor written objection to the contractor's claim of inadvertent clerical error as provided in this section.

D. If affidavits are filed by both the contractor and the intended subcontractor but the listed subcontractor has, within twelve working days from the time of the prime bid opening, submitted to the using agency and to the contractor written objection to the contractor's claim of inadvertent clerical error, the using agency shall investigate the claims of the parties and hold a hearing to determine the validity of the claims, within

thirty days after the receipt of the contractor's written objection. Any determination made shall be based on facts contained in the affidavits submitted by all three parties and supported by testimony under oath and subject to cross-examination. The using agency may, on its motion or that of any other party, admit testimony of other contractors, any bid registries or depositories or any other party in possession of facts that may have a bearing on the decision of the using agency.

History: Laws 1988, ch. 18, § 9; 1995, ch. 82, § 7.

13-4-40. Emergency subcontracting.

History: Laws 1988, ch. 18, § 10.

13-4-41. Penalties.

A. When a contractor violates any provision of the Subcontractors Fair Practices Act [13-4-31 to 13-4-42 NMSA 1978] except Section 13-4-34 NMSA 1978, the using agency shall:

(1) in the case of a contractor who substitutes another subcontractor in violation of Section 13-4-36 NMSA 1978, for the subcontractor originally included in the bid, assess the contractor a penalty in an amount equal to the greater of ten percent of the amount bid by the listed subcontractor or the difference between the amount bid by the listed subcontractor and the amount bid by the substituted subcontractor;

(2) in the case of a contractor substituting a listed subcontractor for another subcontractor, and the substituted subcontractor knowingly participated in a violation of Section 13-4-36 NMSA 1978, assess the substituted subcontractor a penalty in an amount equal to the greater of ten percent of the amount bid by the listed subcontractor

and the difference between the amount bid by the listed subcontractor and the substituted subcontractor; or

(3) in the case of a contractor who fails to list a subcontractor in excess of the listing threshold as defined in Section 13-4-38 NMSA 1978, assess the contractor a penalty of eight percent of the amount of the subcontract issued for the first violation and thirty percent of the amount of the subcontract issued for any violation thereafter, on any one project.

B. Penalties assessed pursuant to the provisions of this section shall be deposited into the fund from which the contract was awarded.

C. In a proceeding under this section, the contractor shall be entitled to a hearing after notice.

D. A violation of the provisions of the Subcontractors Fair Practices Act constitutes grounds for disciplinary action against a contractor or a subcontractor, pursuant to regulations of the construction industries division of the regulation and licensing department.

E. A contractor or a subcontractor who attempts to circumvent the provisions of the Subcontractors Fair Practices Act shall be subject to the penalties established pursuant to this section.

ARTICLE 4B

FINE ART IN PUBLIC BUILDINGS

13-4B-1. Findings.

The legislature finds that the physical alteration or destruction of fine art, which is an expression of the personality of the artist, is detrimental to the reputation of the artist and artists therefore have an interest in protecting their works of fine art against such alteration or destruction. The legislature also finds that there is a public interest in preserving the integrity of cultural and artistic creations.

History: Laws 1987, ch. 70, § 1.

13-4B-2. Definitions.

As used in this act [13-4B-1 to 13-4B-3 NMSA 1978]:

A. "artist" means the natural person who actually creates a work of fine art but does not include art created by an employee within the scope of his employment. In case of a joint creation of a work of art, each joint creator shall have the rights of an artist with respect to the work of fine art as a whole;

B. "fine art" means any original work of visual or graphic art of any media including any painting, print, drawing, sculpture, craft, object, photograph, audio or video tape, film, hologram or any combination of such media of recognized quality;

C. "gross negligence" means the exercise of so slight a degree of care as to justify the belief that there was indifference to the particular work of fine art;

D. "public building" means a building owned by the state or any of its branches, agencies, departments, boards, instrumentalities or institutions or a building owned by any political subdivision of the state or any of its agencies, instrumentalities or institutions; and

E. "public view" means on the exterior of a public building or in an interior area of a public building.

History: Laws 1987, ch. 70, § 2.

13-4B-3. Fine art; alteration or destruction prohibited; injunctive relief; damages; exceptions.

A. No person except an artist who owns or possesses a work of fine art which the artist has created shall intentionally commit or authorize the intentional commission of any physical defacement, mutilation, alteration or destruction of a work of fine art in public view. As used in this section, "intentional physical defacement, mutilation, alteration or destruction" includes any such action taken deliberately or through gross negligence.

B. The artist shall retain the right to claim and receive credit under his own name or under a reasonable pseudonym or, for just and valid reason, to disclaim authorship of his work of fine art. Credit shall be determined in accord with the medium of expression and the nature and extent of the contribution of the artist to the work of fine art.

C. The artist or any bona fide union or other artists' organization authorized in writing by the artist for such purpose may commence an action in district court without having as prerequisites to a suit any need for:

(1) damages already incurred;

(2) a showing of special damages, if any; or

(3) general damages in any monetary amount to recover or obtain any of the following:

(a) injunctive relief or declaratory relief;

(b) actual damages;

(c) reasonable attorneys' and expert witness fees and all other costs of the action; or

(d) any other relief which the court deems proper.

D. In determining whether a work of fine art is of recognized quality, the court shall rely on the opinions of artists, art dealers, collectors of fine art, curators of art museums, restorers and conservators of fine art and other persons involved with the creation or marketing of fine art.

E. The provisions of this section shall, with respect to the artist, or if any artist is deceased, his heir, legatee, or personal representative, continue until the fiftieth anniversary of the death of such artist, and continue in addition to any other rights and duties which may now or in the future be applicable and, except as provided in Subsection F of this section, may not be waived except by an instrument in writing expressly so providing which is signed by the artist and refers to specific works with identification and such waiver shall only apply to work so identified.

The attorney general may, if the artist is deceased, assert the rights of the artist on the artist's behalf and commence an action for injunctive relief with respect to any work of art which is in public view.

F. If a work of fine art in public view cannot be removed from a building without substantial physical defacement, mutilation, alteration, or destruction of such work, the rights and duties created under this section, unless expressly reserved by an instrument in writing signed by the owner of such building and properly recorded prior to the installation of such art, shall be deemed waived. Such instrument, if recorded, shall be binding on subsequent owners of such building.

G. If the owner of a building wishes to remove a work of fine art which is a part of that building but which can be removed from the building without substantial harm to such fine art, the rights and duties created under this section shall apply unless the owner has diligently attempted without success to notify the artist or, if the artist is deceased, his heir, legatee or personal representative in writing of his intended action affecting the work of fine art, or unless he did provide notice and that person failed within ninety days either to remove the work or to pay for its removal. If such work is removed at the expense of the artist, his heir, legatee or personal representative, title to the fine art shall be deemed to be in such person.

Nature of disposition affecting need for approval. - In instances where a local school board desires to enter into a lease of real property to any private party or religious group and proposes to give exclusive right of possession and occupancy to school lands or buildings, the state board of finance must give its approval pursuant to statute. Where, however, the use permitted is temporary or brief and limited to hours when the property is not needed for school purposes, the approval of the state board of finance is not necessary, and the local board of education may or may not authorize such usage according to its discretion. 1963-64 Op. Generally. - If the consideration for any sale, trade or lease by a state agency, board, department, commission or institution shall be for consideration of \$100,000 or more (and for a period exceeding 25 years), it is subject to the ratification and approval of the

state legislature prior to such sale, trade or lease becoming effective. 1964 Op. Att'y Gen. No. 64-143.

Condemnation is sale of property. 1969 Op. Att'y Gen. No. 69-144.

99-year lease. - Lease of 99 years entered into by board of directors of Los Lunas hospital and training school had to be approved pursuant to the provisions of this section. Under this section the duration of the lease and remuneration could be negotiated by the parties subject to the approval of either the legislature or the state board of finance depending upon the amount of money involved. 1966 Op. Att'y Gen. No. 66-28.

When other party is also public agency. - Requirement under this section for prior approval by the state legislature is applicable even though the other party to such agreement may be another public agency such as the state land office or the state highway commission, since the statutory exemption applies only to such bodies. 1964 Op. Att'y Gen. No. 64-143.

State fair commission. - This section necessitates legislative confirmation of any lease of realty of the New Mexico state fair commission for a period exceeding 25 years and which involves a consideration of \$100,000 or more. 1964 Op. Att'y Gen. No. 64-92.

Extension of leases. - State law does not require the state fair commission to use a bid or request for proposal when extending leases beyond the term of an existing contract. However, if the current resale value of the property leased exceeds \$5,000, the department of finance and administration must, pursuant to this section, approve any extensions. And, if a lease is extended so that it extends beyond the 25-year period specified in this section, legislative approval is required. 1987 Op. Att'y Gen. No. 87-57.

When approval not needed. - The state highway department (now state highway and transportation department) may condemn lands belonging to the intertribal Indian ceremonial association without legislative approval if the provisions of 42-2-3 NMSA 1978 are complied with. 1969 Op. Att'y Gen. No. 69-144.

School districts not mentioned. - School districts are not here mentioned at all and certainly it cannot be argued that local school districts are agencies, boards, departments, commissions or institutions of this state. 1961-62 Op. Att'y Gen. No. 62-54.
