The interstate library compact is hereby enacted into law and is entered into on behalf of this state with any state bordering on New Mexico which legally joins therein in substantially the following form:

INTERSTATE LIBRARY COMPACT

The contracting states agree that:

ARTICLE I - PURPOSE

Because the desire for the services provided by public libraries transcends governmental boundaries and can be provided most effectively by giving such services to communities of people regardless of jurisdictional lines, it is the policy of the states who are parties to this compact to cooperate and share their responsibilities in providing joint and cooperative library services in areas where the distribution of population makes the provision of library service on an interstate basis the most effective way to provide adequate and efficient services.

ARTICLE II - PROCEDURE

The appropriate officials and agencies of the party states or any of their political subdivisions may, on behalf of said states or political subdivisions, enter into agreements for the cooperative or joint conduct of library services when they shall find that the executions of agreements to that end as provided herein will facilitate library services.

ARTICLE III - CONTENT

Any such agreement for the cooperative or joint establishment, operation or use of library services, facilities, personnel, equipment, materials or other items not excluded because of failure to enumerate shall, as among the parties of the agreement: 1) detail the specific nature of the services, facilities, properties or personnel to which it is applicable; 2) provide for the allocation of costs and other financial responsibilities; 3) specify the respective rights, duties, obligations and liabilities; 4) stipulate the terms and conditions for duration, renewal, termination, abrogation, disposal of joint or common property, if any, and all other matters which may be appropriate to the proper effectuation and performance of said agreement.

ARTICLE IV - CONFLICT OF LAWS

Nothing in this compact or in any agreement entered into hereunder shall be construed to supersede, alter or otherwise impair any obligation imposed on any public library by otherwise applicable laws.

ARTICLE V - ADMINISTRATOR

Each state shall designate a compact administrator with whom copies of all agreements to which his state or any subdivision thereof is party shall be filed. C. All archaeological specimens collected or removed from the archaeological site as a result of excavation pursuant to Subsections A and B of this section shall be the property of the person owning the land on which the site is located.

D. Nothing in this section shall be deemed to limit or prohibit the use of the land on which the archaeological site is located by the owner of the land or to require the owner to obtain a permit for personal excavation on his own land, provided that no transfer of ownership is made with the intent of excavating archaeological sites as prohibited in this section, and provided further that this exemption does not apply to marked or unmarked burial grounds.
