

CHAPTER 61

PROFESSIONAL AND OCCUPATIONAL LICENSES

ARTICLE 1

UNIFORM LICENSING

61-1-1. Short title.

Sections 61-1-1 through 61-1-31 NMSA 1978 may be cited as the "Uniform Licensing Act".

History: 1953 Comp., § 67-26-1, enacted by Laws 1957, ch. 247, § 1; 1971, ch. 54, § 1.

Cross-references. - For the State Rules Act, see 14-3-24, 14-3-25, 14-4-1 to 14-4-9 NMSA 1978.

As to criminal offender employment, see 28-2-1 NMSA 1978.

Revocation must be based on substantial evidence. - In administrative adjudications where a person's livelihood (a property right) is at stake, any action depriving him of that property must be based upon such substantial evidence as would support a verdict in a court of law. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

Naked hearsay insufficient. - In proceedings to revoke a license to conduct a business or profession, where, by law, the licensee is entitled to a hearing before the licensing authority, revocation based solely upon hearsay evidence is unwarranted. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

License not revocable on grounds for original denial. - An administrative agency, having once issued a license to an applicant who has made full disclosure of all pertinent facts, may not revoke that same license for reasons that would not have permitted issuance of the license in the first instance. *Roberts v. State Bd. of Embalmers & Funeral Dirs.*, 78 N.M. 536, 434 P.2d 61 (1967).

Barring fraud and misrepresentation and the existence of statutory authority, state may not revoke the license issued previously to party for the reason that party did not have two years of college training required by the statute when, in fact, at the time appellant granted the license to party, state knew that appellee did not have said college work but, nevertheless, proceeded to grant him the license under a policy which, in effect, eliminated the college requirement. *Roberts v. State Bd. of Embalmers & Funeral Dirs.*, 78 N.M. 536, 434 P.2d 61 (1967).

Specification of "unprofessional conduct" not required. - A board may suspend or revoke a license to practice a profession for "unprofessional conduct" without its being

required to first specify by regulation or rule exactly what acts may be so considered. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

Preexisting account not required to receive funds. - No law or regulation of the New Mexico real estate commission requires a custodial, trust or escrow account prior to the receipt of funds appropriate for deposit in such account. *McCaughtry v. New Mexico Real Estate Comm'n*, 82 N.M. 116, 477 P.2d 292 (1970).

Laws 1989, ch. 51, § 26, effective June 16, 1989, also amending this section by rewriting Subsections A(20) and A(24); adding a Subsection A(27), which read "the board of social work examiners; and"; and redesignating former Subsection A(27) as present Subsection A(28), was approved March 15, 1989. However, Laws 1989, ch. 387, § 16, effective July 1, 1989, also amending this section, in Subsection A(20) substituting "regulation and licensing department" for "commerce and industry department"; in Subsection A(24) inserting "manufactured housing" preceding "division" and substituting "regulation and licensing department" for "commerce and industry department"; adding present Subsection A(27); and redesignating former Subsection A(27) as present Subsection A(28), was approved April 7, 1989. This section is set out as amended by Laws 1989, ch. 387, § 16. See 12-1-8 NMSA 1978.

The 1990 amendment, effective May 16, 1990, in Subsection A, substituted "professional engineers and surveyors" for "professional engineers and land surveyors" in Paragraph (16), substituted "construction industries commission and construction industries division" for "construction industries committee and division" in Paragraph (20), deleted "Polygraphy Act and the" preceding "Private Investigators Act" in Paragraph (25), added present Paragraphs (28) to (34), designated former Paragraph (28) as present Paragraph (35), and made a minor stylistic change.

The 1991 amendment, effective June 14, 1991, in Subsection A, added Paragraphs (35) and (36), designated former Paragraph (35) as Paragraph (37) and made a related stylistic change, and made a minor stylistic change in Subsection E.

61-1-3. Opportunity for licensee or applicant to have hearing.

Every licensee or applicant shall be afforded notice and an opportunity to be heard before the board shall have authority to take any action, the effect of which would be:

A. to deny permission to take an examination for licensing for which application has been duly made; or

B. to deny a license after examination for any cause other than failure to pass an examination; or

C. to deny a license for which application has been duly made on the basis of reciprocity or endorsement or acceptance of a national certificate of qualification; or

D. to withhold the renewal of a license for any cause other than failure to pay the required renewal fee; or

E. to suspend a license; or

F. to revoke a license.

History: 1953 Comp., § 67-26-3, enacted by Laws 1957, ch. 247, § 3; 1981, ch. 349, § 2.

Probable cause hearing not necessary before revocation proceedings. - A licensee is not deprived of any due process rights when no probable cause hearing is conducted prior to institution of license revocation proceedings against him. *Keney v. Derbyshire*, 718 F.2d 352 (10th Cir. 1983).

Charging board not disqualified in hearing on charge. - The board of medical examiners has exclusive jurisdiction of the granting and revoking of certificates admitting physicians and surgeons to practice and, in view of the absence of a provision for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and was, therefore, an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Zeal in performing public duty does not disqualify. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

61-1-3.1. Limitations.

A. No action which would have any of the effects specified in Subsection D, E or F of Section 61-1-3 NMSA 1978 may be initiated by a board later than two years after the conduct which would be the basis for the action, except as provided in Subsection C of this section.

B. The time limitation contained in Subsection A of this section shall be tolled by any civil or criminal litigation in which the licensee or applicant is a party arising from substantially the same facts, conduct or transactions which would be the basis for the board's action.

C. The New Mexico state board of psychologist examiners shall not initiate an action which would have any of the effects specified in Subsection D, E or F of Section 61-1-3 NMSA 1978 later than five years after the conduct of the psychologist or psychologist associate which is the basis for the action. However, if the conduct which is the basis for the action involves a minor or a person adjudicated incompetent, the action shall be initiated, in the case of a minor, no later than one year after the minor's eighteenth birthday, or five years after the conduct, whichever is last; and in the case of a person adjudicated incompetent, one year after the adjudication of incompetence is terminated, or five years after the conduct, whichever is last.

History: 1978 Comp., § 61-1-3.1, enacted by Laws 1981, ch. 349, § 3; 1989, ch. 41, § 1.

The 1989 amendment, effective June 16, 1989, in Subsection A substituted "Subsection D" for "Subsections D" and added "except as provided in Subsection C of this section"; in Subsection B deleted ", transaction" following "conduct"; and added Subsection C.

When limitation period begins to run. - The limitation period of this section begins to run from the date of the licensee's culpable conduct. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

Criminal prosecution tolls statute. - The criminal prosecution of culpable conduct serves only to toll the statute if litigation is commenced during the two-year period following the criminal act. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

If tolling applies, the limitation period is tolled from the time of indictment or information until the judgment of conviction has been entered, but no longer. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

But conviction is not "conduct". - Although the fact of conviction may provide a separate and independent basis for revoking a professional license, a conviction is not "conduct" within the meaning of this section and, therefore, the two-year limitation period begins to run from the time of the conduct, transaction, or occurrence that underlays the conviction rather than from the date of conviction. *Varoz v. New Mexico Bd. of Podiatry*, 104 N.M. 454, 722 P.2d 1176 (1986).

61-1-4. Notice of contemplated board action; request for hearing; notice of hearing.

A. When a board contemplates taking any action of a type specified in Subsections [Subsection] A, B or C of Section 61-1-3 NMSA 1978, it shall serve upon the applicant a written notice containing a statement:

(1) that the applicant has failed to satisfy the board of his qualifications to be examined or to be issued a license, as the case may be;

(2) indicating in what respects the applicant has so failed to satisfy the board; and

(3) that the applicant may secure a hearing before the board by depositing in the mail within twenty days after service of the notice, a certified return receipt requested letter addressed to the board and containing a request for a hearing; and

(4) calling the applicant's attention to his rights under Section 8 [61-1-8 NMSA 1978].

In any board proceeding involving the denial of a duly made application to take an examination or for a license on the basis of reciprocity or endorsement or a national certificate of qualification or refusal to issue a license after an applicant has taken and passed an examination, the burden of satisfying the board of the applicant's qualifications shall be upon the applicant.

B. When a board contemplates taking any action of a type specified in Subsections [Subsection] D, E or F of Section 61-1-3 NMSA 1978, it shall serve upon the licensee a written notice containing a statement:

(1) that the board has sufficient evidence which, if not rebutted or explained, will justify the board in taking the contemplated action;

(2) indicating the general nature of the evidence;

(3) that unless the licensee within twenty days after service of the notice deposits in the mail a certified return receipt requested letter addressed to the board and containing a request for a hearing, the board will take the contemplated action; and

(4) calling the licensee's attention to his rights under Section 8 [61-1-8 NMSA 1978].

C. If the licensee or applicant does not mail a request for a hearing within the time and in the manner required by this section, the board may take the action contemplated in the notice and such action shall be final and not subject to judicial review.

D. If the licensee or applicant does mail a request for a hearing as required by this section, the board shall, within twenty days of receipt of such request, notify the licensee or applicant of the time and place of hearing, the name or names of the person

or persons who shall conduct the hearing for the board and the statutes and regulations authorizing the board to take the contemplated action, which hearing shall be held not more than sixty nor less than fifteen days from the date of service of such notice.

History: 1953 Comp., § 67-26-4, enacted by Laws 1957, ch. 247, § 4.

Probable cause hearing not necessary before revocation proceedings. - A licensee is not deprived of any due process rights when no probable cause hearing is conducted prior to institution of license revocation proceedings against him. *Keney v. Derbyshire*, 718 F.2d 352 (10th Cir. 1983).

Charging board not disqualified in hearing on charge. - The board of medical examiners has exclusive jurisdiction of the granting and revoking of certificates admitting physicians and surgeons to practice and, in view of the fact statutes do not provide for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and was, therefore, an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Zeal in performing public duty does not disqualify. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Requirement of actual notice to license. - The Uniform Licensing Act requires actual notice to be given to an individual who may lose a license, pursuant to the hearing requirements contained in the law. In that case, a public policy-making body which convenes a hearing on a licensing matter and which is subject to the provisions of the act, must follow the act's specific notice tenets. In these cases, mere posting of such notice is insufficient as it affects the individual licensee. 1990 Op. Att'y Gen. No. 90-29.

Content of notice of contemplated action. - The "evidence" to be set out in the notice of contemplated action under this statute is the evidence of the ground or grounds to be relied upon in taking the contemplated action under 61-5-14 NMSA 1978, not the evidence to be adduced by way of explanation and determination of rehabilitation under Criminal Offender Employment Act. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

61-1-5. Method of service.

Any notice required to be served by Section 61-1-4 or 61-1-21 NMSA 1978 and any decision required to be served by Section 61-1-14 or 61-1-21 NMSA 1978, may be served either personally or by certified mail, return receipt requested, directed to the licensee or applicant at his last known [known] address as shown by the records of the board. If the notice or decision is served personally, service shall be made in the same manner as is provided for service by the Rules of Civil Procedure for the District Courts. Where the notice or decision is served by certified mail, it shall be deemed to have been served on the date borne by the return receipt showing delivery or the last attempted delivery of the notice or decision to the addressee or refusal of the addressee to accept delivery of the notice or decision.

History: 1953 Comp., § 67-26-5, enacted by Laws 1957, ch. 247, § 5.

Requirement of actual notice to licensee. - The Uniform Licensing Act requires actual notice to be given to an individual who may lose a license, pursuant to the hearing requirements contained in the law. In that case, a public policy-making body which convenes a hearing on a licensing matter and which is subject to the provisions of the act, must follow the act's specific notice tenets. 61-1-6. Venue of hearing.

Board hearings held under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] shall be conducted in the county in which the person whose license is involved maintains his residence, or at the election of the board, in any county in which the act or acts complained of occurred; except that, in cases involving initial licensing, hearings shall be held in the county where the board maintains its office. In any case, however, the person whose license is involved and the board may agree that the hearing is to be held in some other county.

History: 1953 Comp., § 67-26-6, enacted by Laws 1957, ch. 247, § 6.

61-1-7. Hearing officers; hearings; public; exception; disqualification.

A. All hearings under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] shall be conducted either by the board or, at the election of the board, by a hearing officer who may be a member or employee of the board or any other person designated by the board in its discretion. A hearing officer shall, within thirty days after any hearing, submit to the board a report setting forth his findings of fact.

B. All hearings under the Uniform Licensing Act shall be open to the public, provided that, in cases in which the reputation of an applicant or licensee may be irreparably damaged, a board or hearing officer may hold a closed hearing if the board or hearing officer so desires and states the reasons for this decision in the record. The applicant or licensee may, for good cause shown, request a board or hearing officer to hold either a public or a closed hearing.

C. Any board member or hearing officer may be disqualified by the filing of an affidavit of disqualification as in the case of judges, but this privilege of disqualification by affidavit may not be exercised in any case in which its exercise would result in less than a quorum of the board being able to hear or decide the matter. Any disqualification of a board member which would result in less than a quorum of the board being able to hear or decide the matter shall only be for good cause shown to the board, and in any case in which a combination of disqualifications by affidavit and for good cause would result in less than a quorum of the board being able to hear or decide the matter, the disqualification or disqualifications by affidavit which would result in removing the member or members of the board necessary for a quorum shall not be effective.

D. In any case in which disqualifications result in less than a quorum of the board being able to hear or decide the matter, the governor shall, upon request by the board, appoint as many temporary board members as are necessary for a quorum to hear or decide the matter. These temporary members shall have all of the qualifications required for permanent members of the board.

E. In any case in which disqualifications result in less than a quorum of the board being able to hear or decide the matter, the board, including any board members who have been disqualified, may designate a hearing officer to conduct the entire hearing.

F. Each board shall have power where a proceeding has been dismissed, either on the merits or otherwise, to relieve the applicant or licensee from any possible odium that may attach by reason of the proceeding, by such public exoneration as it shall see fit to make if requested by the applicant or licensee to do so.

History: 1953 Comp., § 67-26-7, enacted by Laws 1957, ch. 247, § 7; 1981, ch. 349, § 6.

Charging board not disqualified in licensing on charge. - The board of medical examiners has exclusive jurisdiction of the granting and revoking of certificates admitting physicians and surgeons to practice and, in view of the fact statutes do not provide for disqualification of board members, proceedings before the board may not be

restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and is therefore an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Zeal in performing public duty does not disqualify. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Due process violated where hearing conducted by prejudiced tribunal. - Any utilization of this section which has the effect of allowing an administrative hearing, punitive in nature, to be conducted by a patently prejudiced tribunal must necessarily violate the due process provisions of the fifth and fourteenth amendments of the United States Constitution and N.M. Const., art. II, § 18. *Reid v. New Mexico Bd. of Exmrs. in Optometry*, 92 N.M. 414, 589 P.2d 198 (1979).

61-1-8. Rights of person entitled to hearing.

A. A person entitled to be heard under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] shall have the right to be represented by counsel or by a licensed member of his own profession or occupation, or both; to present all relevant evidence by means of witnesses and books, papers, documents and other evidence; to examine all opposing witnesses who appear on any matter relevant to the issues; and to have subpoenas and subpoenas duces tecum issued as of right prior to the commencement of the hearing to compel discovery and the attendance of witnesses and the production of relevant books, papers, documents and other evidence upon making written request therefor to the board or hearing officer. The issuance of such subpoenas after the commencement of the hearing rests in the discretion of the board or the hearing officer. All notices issued pursuant to Section 61-1-4 NMSA 1978 shall contain a statement of these rights.

B. Upon written request to another party, any party is entitled to:

(1) obtain the names and addresses of witnesses who will or may be called by the other party to testify at the hearing; and

(2) inspect and copy any documents or items which the other party will or may introduce in evidence at the hearing.

The party to whom such a request is made shall comply with it within ten days after the mailing or delivery of the request. No such request shall be made less than fifteen days before the hearing.

C. Any party may take depositions after service of notice in accordance with the Rules of Civil Procedure for the District Courts. Depositions may be used as in proceedings governed by those rules.

61-1-9. Powers of board or hearing officer in connection with hearings.

A. In connection with any hearing held under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], the board or hearing officer shall have power to have counsel to develop the case; to subpoena, for purposes of discovery and of the hearing, witnesses and relevant books, papers, documents and other evidence; to administer oaths or affirmations to witnesses called to testify; to take testimony; to examine witnesses; and to direct a continuance of any case. Boards or hearing officers may also hold conferences before or during the hearing for the settlement or simplification of the issues but such settlement or simplification shall only be with the consent of the applicant or licensee.

B. Geographical limits upon the subpoena power shall be the same as if the board or hearing officer were a district court sitting at the location at which the hearing or discovery proceeding is to take place. The method of service, including tendering of witness and mileage fees, shall be the same as that under the Rules of Civil Procedure for the District Courts, except that those rules requiring the tender of fees in advance shall not apply to the state.

C. The board or hearing officer may impose any appropriate evidentiary sanction against a party who fails to provide discovery or to comply with a subpoena.

History: 1953 Comp., § 67-26-9, enacted by Laws 1957, ch. 247, § 9; 1981, ch. 349, § 8.

Granting continuance to allow discovery. - This section allows the board to grant a prehearing continuance to assure that the licensee obtains full and complete discovery. *Molina v. McQuinn*, 107 N.M. 384, 758 P.2d 798 (1988).

61-1-10. Enforcement of board orders and contempt procedure.

In proceedings before a board or hearing officer under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], if any person refuses to respond to a subpoena, or refuses to take the oath or affirmation as a witness or thereafter refuses to be examined, or refuses to obey any lawful order of a board contained in its decision rendered after hearing, the secretary of the board may apply to the district court of the county where the proceedings are being held for an order directing that person to take the requisite action. The court may issue such order in its discretion. Should any person willfully fail to comply with an order so issued, the court shall punish him as for contempt.

History: 1953 Comp., § 67-26-10, enacted by Laws 1957, ch. 247, § 10; 1981, ch. 349, § 9.

61-1-11. Rules of evidence.

A. In proceedings held under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], boards and hearing officers may admit any evidence and may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent people in the conduct of serious affairs. Boards and hearing officers may in their discretion exclude incompetent, irrelevant, immaterial and unduly repetitious evidence. In proceedings involving the suspension or revocation of a license, rules of privilege shall be applicable

to the same extent as in proceedings before the courts of this state. Documentary evidence may be received in the form of copies or excerpts.

B. Boards and hearing officers may take notice of judicially cognizable facts and in addition may take notice of general, technical or scientific facts within their specialized knowledge. When any board or hearing officer takes notice of a fact, the applicant or licensee shall be notified either before or during the hearing of the fact so noticed and its source and shall be afforded an opportunity to contest the fact so noticed.

C. Boards and hearing officers may utilize their experience, technical competence and specialized knowledge in the evaluation of evidence presented to them.

History: 1953 Comp., § 67-26-11, enacted by Laws 1957, ch. 247, § 11; 1981, ch. 349, § 10.

Reliable evidence given probative effect. - Evidence of a kind commonly relied on by reasonably prudent men in the conduct of serious affairs may be given probative effect under this section. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969). See note under 61-1-1 NMSA 1978.

Necessity of expert testimony. - Expert testimony was not required to support charges that a dentist submitted a false claim for reimbursement and that he was guilty of unprofessional conduct and failed to practice dentistry in a professionally competent manner. Where the agency conducting the hearing is itself composed of experts qualified to make a judgment as to the licensee's adherence to standards of professional conduct, there is no need for the kind of assistance an expert provides in the form of an opinion. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Hearsay admissible. - This section clearly contemplates that a board may admit and consider hearsay evidence, if it is of a kind commonly relied upon by reasonably prudent men in the conduct of serious affairs. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

Because an agency has wide discretion in receiving and excluding evidence in proceedings under the Uniform Licensing Act, any error in allowing reference to an indictment against a dentist was harmless. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Standard of proof applied in administrative proceedings, with few exceptions, is a preponderance of the evidence. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

Substantial evidence must support revocation. - The revocation or suspension of a license to conduct a business or profession must not be based solely upon hearsay evidence, and other legally competent evidence, together with the hearsay evidence,

must substantially support the findings upon which the revocation or suspension is based. In re Willoughby, 82 N.M. 443, 483 P.2d 498 (1971).

Higher burden to prove fraud. - Where fraud is charged in administrative proceeding, the evidence in support of a finding of fraud is not deemed substantial "if it is not clear, strong and convincing." Seidenberg v. New Mexico Bd. of Medical Exmrs., 80 N.M. 135, 452 P.2d 469 (1969).

Special weight given to technical findings. - Courts may properly give special weight and credence to findings concerning technical or scientific matters by administrative bodies whose members, by education, training or experience, are especially qualified and are functioning within the perimeters of their expertise, and legislative approval of such treatment of the findings of such boards is implicit in this section. McDaniel v. New Mexico Bd. of Medical Exmrs., 86 N.M. 447, 525 P.2d 374 (1974).

61-1-12. Record.

In all hearings conducted under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], a complete record shall be made of all evidence received during the course of the hearing. The record shall be preserved by any stenographic method in use in the district courts of this state, or in the discretion of the board, by tape recording. The board shall observe any standards pertaining to tape recordings established for the district courts of this state.

61-1-13. Decision.

A. After a hearing has been completed, the members of the board shall proceed to consider the case and as soon as practicable shall render their decision, provided that the decision shall be rendered by the board at a meeting where a majority of the members are present and participating in the decision. In cases in which the hearing is conducted by a hearing officer, all members who were not present throughout the hearing must familiarize themselves with the record including the hearing officer's report before participating in the decision. In cases in which the hearing is conducted by the board, all members who were not present throughout the hearing must thoroughly familiarize themselves with the entire record including all evidence taken at the hearing, before participating in the decision.

B. A decision based on the hearing shall be made by a quorum of the board and signed by the person designated by the board within sixty days after the completion of the preparation of the record or submission of a hearing officer's report, whichever is later. In any case the decision must be rendered and signed within ninety days after the hearing.

History: 1953 Comp., § 67-26-13, enacted by Laws 1957, ch. 247, § 13; 1981, ch. 349, § 12.

Standard of proof for a hearing under this section is by a preponderance of the evidence. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

Section requires that decision be made by majority of the members of the board. *McCaughtry v. New Mexico Real Estate Comm'n*, 82 N.M. 116, 477 P.2d 292 (1970).

Effect of failure to timely sign decision. - Failure of the board of dentistry to render and sign its decision suspending a dentist's license within 90 days after completion of the hearing made the decision null and void. *Foster v. Board of Dentistry*, 103 N.M. 776, 714 P.2d 580 (1986).

The 90-day time limit imposed by this section is expressly jurisdictional. Where the board fails to take action within the required 90-day period, its decision is void and must be reversed. *Lopez v. New Mexico Bd. of Medical Exmrs.*, 107 N.M. 145, 754 P.2d 522 (1988).

61-1-15. Procedure where person fails to request or appear for hearing.

If a person who has requested a hearing does not appear, and no continuance has been granted, the board or hearing officer may hear the evidence of such witnesses as may have appeared, and the board may proceed to consider the matter and dispose of it on the basis of the evidence before it in the manner required by Section 61-1-13 NMSA 1978. Where because of accident, sickness or other cause a person fails to request a hearing or fails to appear for a hearing which he has requested, the person may within a reasonable time apply to the board to reopen the proceeding, and the board upon finding such cause sufficient shall immediately fix a time and place for hearing and give the person notice as required by Sections 61-1-4 and 61-1-5 NMSA 1978. At the time and place fixed, a hearing shall be held in the same manner as would have been employed if the person had appeared in response to the original notice of hearing.

61-1-16. Contents of decision.

The decision of the board shall contain findings of fact made by the board; conclusions of law reached by the board; the order of the board based upon these findings of fact and conclusions of law; and a statement informing the applicant or licensee of his right to judicial review and the time within which such review must be sought.

History: 1953 Comp., § 67-26-16, enacted by Laws 1957, ch. 247, § 16; 1981, ch. 349, § 15.

61-1-17. Petition for review; waiver of right.

Any person entitled to a hearing under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] who is aggrieved by an adverse decision of a board issued after hearing, may obtain a review of the decision in the district court of Santa Fe county, or in the district court of the county in which the hearing was held, or, upon agreement of the parties to the appeal, in any other district court of the state. In order to obtain such review such person must, within twenty days after the date of service of the decision as required by Section 14 [61-1-14 NMSA 1978], file with the court a petition for review, a copy of which shall be served on the board secretary, stating all exceptions taken to the decision and indicating the court in which the appeal is to be heard. The court shall not consider any exceptions not stated in the petition. Failure to file such petition for review in the manner and within the time stated shall operate as a waiver of the right to judicial review and shall result in the decision of the board becoming final; except that for good cause shown, within the time stated, the judge of the district court may issue an order granting one extension of time not to exceed sixty days.

History: 1953 Comp., § 67-26-17, enacted by Laws 1957, ch. 247, § 17.

Section applies only to licensing decisions. - This section sets forth venue provisions governing the judicial review only of orders of the board which relate to the denial, suspension or revocation of licenses. It is inapplicable to judicial review of price agreement order of state board of barber examiners. *Tudesque v. New Mexico State Bd. of Barber Exmrs.*, 65 N.M. 42, 331 P.2d 1104 (1958).

61-1-18. Record filed by board; contents.

Within thirty days after service of the copy of the petition for review, the board shall prepare, certify and file with the clerk of the district court in the proper county the record of the case, comprising a copy of the notice of hearing required under Sections 4 and 5 [61-1-4 and 61-1-5 NMSA 1978]; a complete transcript of the testimony taken at the hearing; copies of all pertinent documents and other written evidence introduced at the hearing; a copy of the decision of the board containing the items specified in Section 16 [61-1-16 NMSA 1978]; and a copy of the petition for review containing the exceptions filed to the decision. For good cause shown within the time stated, the judge of the district court may issue an order granting one extension of time not to exceed sixty days.

With permission of the court, the record may be shortened by stipulation of all parties to the review proceeding. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for such additional costs as may be occasioned by the refusal. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

History: 1953 Comp., § 67-26-18, enacted by Laws 1957, ch. 247, § 18.

Evidence collaterally attacking conviction properly excluded. - The opinion of an expert criminal lawyer that a dentist's plea of guilty had been unknowingly and unintelligently given and that he had received ineffective assistance of counsel in the criminal proceedings leading to his convictions was irrelevant to the issue before the court, and constituted an attempt to collaterally attack the convictions. *Weiss v. New Mexico Bd. of Dentistry*, 110 N.M. 574, 798 P.2d 175 (1990).

Am. Jur. 2d, A.L.R. and C.J.S. references. - 53 C.J.S. Licenses §§ 43, 62.

61-1-19. Stay.

At any time before or during the review proceeding, the aggrieved person may apply to the board or file a motion in accordance with the Rules of Civil Procedure for the District Courts in the reviewing court for an order staying the operation of the board decision pending the outcome of the review. The board or court may grant or deny the stay in its discretion. No such order granting or denying a stay shall be reviewable.

History: 1953 Comp., § 67-26-19, enacted by Laws 1957, ch. 247, § 19; 1976, ch. 4, § 1; 1981, ch. 349, § 16.

61-1-20. Scope of review.

Upon the review of any board decision under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], the judge shall sit without a jury, and may hear oral arguments and receive written briefs, but no evidence not offered at the hearing shall be taken, except that in cases of alleged omissions or errors in the record, testimony thereon may be taken by the court. The court may affirm the decision of the board or remand the case for further proceedings; or it may reverse the decision if the substantial rights of the

petitioner have been prejudiced because the administrative findings, inferences, conclusions or decisions are: in violation of constitutional provisions; or in excess of the statutory authority or jurisdiction of the board; or made upon unlawful procedure; or affected by other error of law; or unsupported by substantial evidence on the entire record as submitted; or arbitrary or capricious.

If the court reverses or remands the decision of the board, the judge shall set out in writing, which writing shall become a part of the record, the reasons for such reversal or remand.

History: 1953 Comp., § 67-26-20, enacted by Laws 1957, ch. 247, § 20.

Reviews of real estate commission governed by different provision. - Because, where statutes are in conflict with one another and one cannot be applied without doing violence to another, the specific provisions should govern over the general, 61-29-13 NMSA 1978, adopted in 1959 as part of the Real Estate Broker and Salesman Act, rather than this section, adopted in 1957 as part of the Uniform Licensing Act, governs reviews of the real estate commission. *Poorbaugh v. New Mexico Real Estate Comm'n*, 91 N.M. 622, 578 P.2d 323 (1978).

Options of reviewing court. - The court may affirm the decision of the board or remand the case for further proceedings; or it may reverse the decision if the substantial rights of the petitioner have been prejudiced because the administrative findings, inferences, conclusions or decisions are: in violation of constitutional provisions; or in excess of the statutory authority or jurisdiction of the board; or made upon unlawful procedure; or affected by other error of law; or unsupported by substantial evidence on the entire record as submitted; or arbitrary or capricious. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

The district court is limited in its review to determining whether the order of the board was unreasonable or unlawful; whether the order of the board was supported by substantial evidence; and, generally, whether the action of the board was within the scope of its authority. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969); *Fiber v. New Mexico Bd. of Medical Exmrs.*, 93 N.M. 67, 596 P.2d 510 (1979).

The supreme court must conduct the same review as the district court while at the same time determining whether the district court erred in the first appeal. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Court may not substitute its judgment for that of the board. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974); *Fiber v. New Mexico Bd. of Medical Exmrs.*, 93 N.M. 67, 596 P.2d 510 (1979).

This section does not permit the court to make the findings or to fix the penalty for such is the function of the New Mexico real estate commission. *McCaughtry v. New Mexico Real Estate Comm'n*, 82 N.M. 116, 477 P.2d 292 (1970).

Board's findings to be upheld if supported by substantial evidence. - The district court is bound to uphold the board's findings if they were supported by substantial evidence, regardless of whether the court might find otherwise or might believe different witnesses. *Family Dental Center v. New Mexico Bd. of Dentistry*, 97 N.M. 464, 641 P.2d 495 (1982).

"Substantial evidence" is defined as "more than merely any evidence and more than a scintilla of evidence and contemplates such relevant legal evidence as a reasonable person might accept as sufficient to support a conclusion." *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

"Substantial evidence" means such relevant evidence as a reasonable mind might accept as adequate to support a conclusion. *Family Dental Center v. New Mexico Bd. of Dentistry*, 97 N.M. 464, 641 P.2d 495 (1982).

Where reviewing court to defer to board. - The court may give special weight to the decision of the board of medical examiners where the issue before the board is essentially one of a scientific or medical nature; however, where the facts are not in dispute and the question is a legal one, the court will not hesitate to overrule the decision of the board. *Fiber v. New Mexico Bd. of Medical Exmrs.*, 93 N.M. 67, 596 P.2d 510 (1979).

Supreme court review. - The supreme court, in reviewing the district court's judgment, must, in the first instance, make the same review of the administrative agency's action as did the district court. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Grounds for reversal. - The courts are vested with the power and authority to set aside an order of such agency if it is unreasonable, unlawful, arbitrary, capricious or not supported by evidence. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974).

Reversal must be based on specified ground. - When the judge substitutes his own judgment in reversing the decision of the board, rather than basing his reversal upon any of the grounds set forth in this section, his judgment will be reversed and that of the board reinstated. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

It is well established that a district court, on appeal, is restricted to whether, as a matter of law, the administrative body acted fraudulently, arbitrarily or capriciously, whether the administrative order is substantially supported by evidence and, generally, whether the action of the administrative body was within the scope of its authority. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Findings and conclusions as to intent to deceive. - Where a license to sell real estate was revoked for false or fraudulent representations in applications with respect to unpaid liens or judgments, but the real estate commission's findings and conclusions did not resolve in any meaningful way whether licensee intended to deceive and to induce the commission to act in reliance upon a misrepresentation of fact known by him to be untrue, and there were no specific findings and conclusions by the commission to afford the supreme court a clear understanding that the decision was based upon false representations relevant and material to facts bearing upon the good repute and competence of the licensee in the public interest, the cause would be remanded to the commission with express directions to enter proper findings of fact and conclusions of law, together with a final order. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

New evidence not heard on review. - The scope of review of the district court upon appeal from the board excludes evidence not offered at the hearing, except that in cases of alleged omissions or errors in the record, as testimony thereon may be taken by the court. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

Absence of board member not prejudicial. - Where one of the board members is absent during part of the testimony and is apparently rounding up a witness to testify at the hearing absent an indication that the board as a whole was biased or prejudiced toward appellee, it would not constitute a basis to overturn the board's decision. *In re Willoughby*, 82 N.M. 443, 483 P.2d 498 (1971).

Substantial evidence to support real estate commission's suspension of broker's license. - See *Elliott v. New Mexico Real Estate Comm'n*, 103 N.M. 273, 705 P.2d 679 (1985).

Review in light of 61-6-12 NMSA 1978. - The district court may find that the differences in methodology of examination scoring between this state and another do not rationally relate to the question of "equivalent" "qualifications and requirements," as those terms are used in the second sentence of 61-6-12 NMSA 1978 (now 61-6-13A NMSA 1978). *Fiber v. New Mexico Bd. of Medical Exmrs.*, 93 N.M. 67, 596 P.2d 510 (1979).

Findings unsupported by substantial evidence. - Where there is a failure to establish the nature of pills sold and whether a prescription is required by law, findings that pharmacist willfully and unlawfully sold without prescription certain dangerous drugs as defined by the Federal Food and Drug Laws would not be supported by law and should be set aside. *Young v. Board of Pharmacy*, 81 N.M. 5, 462 P.2d 139 (1969).

Arbitrary action defined as willfully in disregard of facts. - Arbitrary and capricious action on the part of an administrative agency has been defined as willful and unreasonable action, without consideration and in disregard of facts or circumstances. Where there is room for two opinions, action is not arbitrary or capricious when exercised honestly and upon due consideration, even though it may be believed that an

erroneous conclusion has been reached. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974).

The notice of the hearing shall be served upon the applicant or licensee within fifteen days after service of the decision to reopen the case. The hearing shall be held within forty-five days after service of the notice, and a decision shall be rendered, signed and served upon the applicant or licensee within thirty days after the hearing.

D. The board's decision to refuse a request to reopen the case shall not be reviewable except for an abuse of discretion.

The board may then affirm or modify its findings of fact and its decision, and shall file with the reviewing court as a part of the record the additional evidence, together with the affirmation of, or modifications in, its findings or decision.

61-1-28. Purpose of act; liberal interpretation.

The legislature expressly declares that its purpose in enacting the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] is to promote uniformity with respect to the conduct of board hearings and judicial review and that the Uniform Licensing Act is to be liberally construed to carry out its purpose.

61-1-29. Adoption of regulations; notice and hearing.

A. The procedures specified in Sections 61-1-29 through 61-1-31 NMSA 1978 shall be applicable to proceedings by a board to adopt, amend or repeal rules or regulations of general applicability which implement or interpret a law enforced or administered by the board. These procedures shall not apply to:

(2) declaratory rulings issued pursuant to Section 61-1-33 NMSA 1978;

(3) decisions, statements or interpretations issued or actions taken in the course of disciplinary proceedings against a licensee; or

(4) formal or informal opinions of the attorney general issued pursuant to requests of the board.

B. No regulation or amendment or repeal thereof shall be adopted by the board until after a public hearing by the board.

C. The board shall make reasonable efforts to give notice of any rulemaking proceeding to its licensees and to the members of the public. Notice of the hearing shall be given at least thirty days prior to the hearing date and shall state the subject, the time and the place of the hearing and the manner in which interested persons may present their views. The notice shall also state where interested persons may secure copies of any proposed regulations. The notice of the public hearing shall include but not necessarily be limited to publishing the notice in a newspaper of general circulation in the state, and the board shall give notice to all persons who have made a written request to the board for advance notice.

D. At the hearing, the board shall allow all interested persons reasonable opportunity to submit data, views or arguments orally or in writing and to examine witnesses testifying at the hearing. Any person heard or represented at the hearing shall be given written notice of the action of the board. The board may designate a hearing officer to take evidence in the hearing. A record shall be made of all proceedings at the hearing.

E. No regulation or amendment or repeal thereof shall become effective until thirty days after its filing under the State Rules Act [14-3-24, 14-3-25, 14-4-1 to 14-4-9 NMSA 1978].

61-1-30. Emergency regulations; appeal.

A. If the board determines that an emergency exists which requires immediate action to protect the public peace, health, welfare or safety, it may, with the written concurrence of the governor, adopt a regulation or amendment or repeal thereof, and the emergency regulation shall become effective immediately upon its filing under the State Rules Act [14-3-24, 14-3-25, 14-4-1 to 14-4-9 NMSA 1978]. The emergency regulation shall not continue in effect longer than forty-five days unless within that time the board commences proceedings to adopt the regulation by issuing the notice required under Section 61-1-29 NMSA 1978. If the board commences proceedings under Section 61-1-29 NMSA 1978, the emergency regulation shall remain in effect until a permanent regulation takes effect or until the procedures are otherwise completed. In no event shall any emergency regulation remain in effect for more than one hundred twenty days.

B. Any person who is or may be affected by an emergency regulation adopted by the board may appeal to the court of appeals for relief. An appeal of an emergency regulation is perfected by filing a notice of appeal with the court of appeals and the board within the period of time the emergency regulation is in effect. The notice of appeal shall be accompanied by a copy of the emergency regulation. Within three days of the date the board receives the notice of appeal, the board shall file with the court of appeals a statement setting forth the facts requiring the emergency action. The board shall also deliver a copy of the statement to the appellant. The appellant shall have five days to file with the court of appeals a written response to the board's statement. The appellant shall also deliver a copy of its response to the board. The court of appeals may set aside the emergency regulation only if it finds that the board's exercise of its emergency regulation-making authority is arbitrary, capricious, contrary to law or an abuse of discretion.

All appeals shall be upon the record made at the hearing by the board and shall be taken to the court of appeals within thirty days after filing of the regulation under the State Rules Act [14-3-24, 14-3-25, 14-4-1 to 14-4-9 NMSA 1978].

B. An appeal to the court of appeals under this section is perfected by the timely filing of a notice of appeal with the court of appeals, with a copy attached of the regulation from which the appeal is taken. The appellant shall certify in his notice of appeal that arrangements have been made with the board for preparation of a sufficient number of transcripts of the record of the hearing on which the appeal depends to support his appeal to the court, at the expense of the appellant, including three copies which he shall furnish to the board.

C. Upon appeal, the court of appeals shall set aside the regulation only if found to be:

(1) arbitrary, capricious or an abuse of discretion;

Interpretations overturned only if clearly wrong. - Reviewing courts overturn the administrative interpretation of a statute by appropriate agencies only if they are clearly incorrect. Since detailmen handle controlled drugs and are part of the interstate drug shipment operation, even though they do not ship drugs themselves, the interpretation by the board of pharmacy of 26-1-16 NMSA 1978 to allow licensing of detailmen is not clearly erroneous and will not be overturned by a reviewing court. *Pharmaceutical Mfrs. C. The governor may remove any member from the board for the neglect of any duty required by law, for incompetence, for improper or unprofessional conduct as defined by board regulation or for any reason that would justify the suspension or revocation of his license to practice optometry.

D. No board member shall serve more than two consecutive terms, and any member failing to attend, after proper notice, three consecutive meetings shall automatically be removed as a board member unless excused for reasons set forth in board regulations.

E. In the event of a vacancy for any reason, the board secretary shall immediately notify the governor, the board members and the state optometric association of the vacancy, the reason for its occurrence and the action taken by the board, so as to expedite the appointment of a new board member.

A. The board shall issue certification for the use of topical ocular diagnostic pharmaceutical agents to optometrists, licensed on the effective date of this section, who have completed appropriate forms issued by the board and submitted proof of successful completion of the educational requirements for certification established by the board, which requirements shall be not less than those required in Paragraph (2) of Subsection B of this section.

B. The board shall issue certification for the use of topical ocular diagnostic pharmaceutical agents to optometrists, licensed after the effective date of this section, who have completed appropriate forms issued by the board and submitted proof of:

(1) having satisfactorily completed a course in pharmacology as applied to optometry with particular emphasis on the topical application of diagnostic pharmaceutical agents to the eye for the purpose of examination of the human eye and the analysis of ocular

functions, which course is offered by an institution accredited by a regional or professional accreditation organization recognized or approved by the national commission on accrediting or the United States secretary of education; or

(2) having postgraduate education with a minimum of seventy hours of instruction in general and ocular pharmacology as applied to optometry taught by an accredited institution and approved by the board.

C. The board shall issue certification for the use of topical ocular pharmaceutical agents to optometrists who have successfully completed an examination and submitted proof of having satisfactorily completed a course in pharmacology as applied to optometry, with particular emphasis on the application of pharmaceutical agents for the purpose of examination of the human eye, analysis of ocular functions and treatment of visual defects or abnormal conditions of the human eye and its adnexa. Necessity of submission of proof of course completion. - To become certified to use topical ocular pharmaceutical agents, an optometrist must pass an examination and submit proof of completion of the course in pharmacology to the board. To hold otherwise would render the certification process meaningless. The board would then have to contact every pharmacology school in the country to ask if any New Mexico optometrists had completed any courses. *Molina v. McQuinn*, 107 N.M. 384, 758 P.2d 798 (1988).

The word "use" in Subsection C extends to prescribing drugs for patients who are treated by an optometrist. *Molina v. McQuinn*, 107 N.M. 384, 758 P.2d 798 (1988).

(2) for licensure by examination, a fee set by the board in an amount not to exceed one hundred dollars (\$100);

(3) for the issuance of a certificate of license, a fee set by the board in an amount not to exceed twenty-five dollars (\$25.00);

(4) for the annual renewal of license, a fee set by the board in an amount not to exceed one hundred dollars (\$100); and

(5) for late renewal after September 1 of any year, a late charge set by the board in an amount not to exceed twenty-five dollars (\$25.00), which late fee is in addition to any other fees.

B. Any person licensed as an optometrist under any prior laws of this state, whose license is valid on the effective date of the Optometry Act, shall be held to be licensed under the provisions of the Optometry Act [this article] and shall be entitled to the annual renewal of his present license as provided therein.

C. Prior to engaging in the active practice of optometry in this state, each licensee shall furnish the board evidence that he holds a registration number with the bureau of revenue [revenue processing division of the taxation and revenue department] of New Mexico and has completed, as a condition of licensure by endorsement, such continuing education requirements as set by the regulations of the board.

61-2-12. License; display; renewal; retirement; resumption of practice. (Effective until July 1, 1998.)

A. Every person to whom a certificate of license has been issued shall display the certificate of license in a conspicuous place in his principal office or place of business.

B. Each license shall be renewed annually on or before July 1 of each year by the licensee remitting to the secretary of the board the proper fee and proofs of registration with the bureau of revenue [revenue processing division of the taxation and revenue department] and [proof] of continued education as required by regulation of the board. Notice of renewal shall be sent to each licensee by the board before July 1 of each year. Failure to renew his license on or before September 1 shall subject the licensee to such late charge as shall be determined by regulation of the board not to exceed the limit set forth in the Optometry Act [this article]. Any license not renewed by October 1 of each year shall be automatically revoked. Upon receipt of the renewal certificate, each licensee shall attach a copy of the same to his certificate of license.

C. Each optometrist applying for the renewal of his license shall furnish to the secretary of the board satisfactory evidence that he has attended in the preceding year, at least two days of the annual education program as conducted by the New Mexico optometric association, or its equivalent as determined by the board. The secretary shall send a written notice of the continuing education requirements at least thirty days prior to August 1 in each year, to the last known address of the licensee. Failure of a licensee to meet such annual postgraduate educational requirements shall be grounds for the revocation of his license. Any license revoked because of the failure to meet the continuing education requirements shall be reinstated by the board upon the presentation of evidence of postgraduate study of a standard approved by the board and the payment of all fees due.

D. Any optometrist who intends to retire from the practice of optometry shall notify the board in writing before the expiration of his renewal of licensure and the secretary of the board shall acknowledge the receipt of such notice and record the same. If, within a period of five years from the year of retirement, the optometrist desires to resume practice, he shall so notify the board in writing and, upon giving proof of completing

such refresher courses prescribed by regulation of the board and the payment of an amount equivalent to all lapsed renewal fees, his certificate of license shall be restored to him in full effect. Any optometrist not currently licensed, because of failure to timely renew, because of retirement or for any other reason, who practices optometry in this state shall be subject to the penalties provided for violation of the Optometry Act.

E. Before engaging in the practice of optometry and after a license has been issued to him, each registered optometrist shall notify the secretary of the board in writing of the address at which he intends to begin practice, and subsequently of any changes in his business address or location. Any notices the board is required to give a licensee shall legally have been given when delivered to the latest address furnished by the licensee to the board.

- A. conviction of a felony, as shown by a certified copy of the record of the court of conviction;
- B. malpractice or incompetence;
- C. continued practice by a person knowingly having an infectious or contagious disease;
- D. advertising by means of knowingly false, misleading or deceptive statements or advertising or attempting to practice under a name other than one's own;

Without limiting the right of the board to determine what acts on the part of a licensee constitute unprofessional conduct, the following acts shall be deemed to be unprofessional conduct:

Each of the following acts committed by any person constitutes a misdemeanor, punishable upon conviction by a fine of not less than fifty dollars (\$50.00) nor more than one hundred dollars (\$100) or by imprisonment not to exceed six months, or both:

A. practicing or attempting to practice optometry without a current license issued by the board;

B. permitting any person in one's employ, supervision or control to practice optometry, unless that person is licensed or exempted in accordance with the provisions of the Optometry Act [this article];

C. making a willfully false oath or affirmation where the oath or affirmation is required by the Optometry Act;

D. selling or using any designation, diploma or certificate tending to imply that one is a practitioner of optometry, unless one holds a license as provided by the Optometry Act;

E. refusal, after a request, to provide a patient a copy of his spectacle prescription, not including a contact lens prescription, providing the prescription is not over one year old;

F. duplicating or replacing an ophthalmic lens, not including contact lens, without a current prescription not more than two years old or without a written authorization from the patient if the prescription is not available;

G. practicing optometry during any period of time in which one's license has been revoked or suspended as provided by the Optometry Act;

H. except for licensed optometrists and as provided in Subsection A of Section 61-2-15 NMSA 1978, using any trial lenses, trial frames, graduated test cards or other appliances or instruments for the purpose of examining the eyes or rendering assistance to anyone who desires to have an examination of the eyes; provided, however, that it is not the intent of this subsection to prevent any school nurse, schoolteacher or employee in public service from ascertaining the possible need of vision services, provided that such person, clinic or program does not attempt to diagnose or prescribe ophthalmic lenses for the eyes or recommend any particular practitioner or system of practice;

I. advertising by any means the fabricating, adapting, employing, providing, sale or duplication of eyeglasses or any part thereof. This subsection does not preclude the use of a business name, trade name or trademark not relating to price or the use of the address, telephone number, office hours and designation of the provider in or at retail outlets, on business cards, eyeglass cleaners and cases or in news media or in public directories, mailings and announcements of location openings or the use of the words "doctors' prescriptions for eyeglasses filled" or "eyeglass repairs, replacements and adjustments"; or

J. selling of prescription eyeglasses or contact lenses, frames or mountings for lenses in an establishment in which the majority of its income is not derived from being engaged in that endeavor.

Constitutionality of advertising restraints. - Subsection (m) of 67-7-13, 1953 Comp., prohibiting price advertising of eyeglasses, lenses and the like, did not impose a constitutionally prohibited burden upon interstate commerce, and was not preempted by federal legislation; nor did it constitute a deprivation of property in violation of the due process clause or a violation of the privileges and immunities clause of the fourteenth

amendment. *Head v. New Mexico Bd. of Exmrs. in Optometry*, 374 U.S. 424, 83 S. Ct. 1759, 10 L. Ed. 2d 983 (1963).

Constitutional basis for prohibitions against advertising. - Laws prohibiting price advertising and similar advertising by professional persons have as their constitutional basis the rationale that the state has such an interest in the health of its citizens that it may prevent advertising or price promulgation by professional individuals engaged in treating the human body or any part thereof. 1963-64 Op. Att'y Gen. No. 63-119. (opinion rendered under former law.)

Freedom of speech issue not decided. - Argument that injunction against a newspaper and radio station, prohibiting the accepting or publishing within New Mexico of a Texas optometrist's advertisement, constituted an invalid restraint upon freedom of speech protected by the fourteenth amendment was neither made to the state courts nor reserved in notice of appeal, and would not be considered by the supreme court. *Head v. New Mexico Bd. of Exmrs. in Optometry*, 374 U.S. 424, 83 S. Ct. 1759, 10 L. Ed. 2d 983 (1963).

Cable television system not "advertising". - Cable television system which did not sell advertising space, nor receive any compensation whatsoever from advertisers or broadcasters for the electronic service it performed, and was supported entirely by the sale of subscriptions to viewers, in return for which it performed the service of increasing the viewer's capacity to receive television signals, was not "advertising" within meaning of statute forbidding advertising of optometry and optometry services; neither did operators share a "community of purpose" with out-of-state optometrists or broadcasters sufficient to render them liable as accessories. *Midwest Video v. Campbell*, 80 N.M. 116, 452 P.2d 185 (1969).

Fact that one consequence of the cable television systems' activities was to expose a number of New Mexicans to price advertising inducements to which they might not otherwise have been exposed was merely an incidental effect of an otherwise lawful activity, and did not, of itself, absent intention or purpose, make the activity "advertising." *Midwest Video v. Campbell*, 80 N.M. 116, 452 P.2d 185 (1969).

Applicability to optometrists in state. - An optometrist doing business in New Mexico must carry on his profession in accordance with the laws of this state. 1969 Op. Att'y Gen. No. 69-80.

Out-of-state advertising. - The placing of prohibited trade advertising with out-of-state media by a New Mexico optometrist would lie within the prohibition of the former New Mexico Optometry Act (67-7-1, 1953 Comp. et seq.). 1969 Op. Att'y Gen. No. 69-80.

Stay of federal proceedings pending state construction. - Former 67-7-13(m), 1953 Comp., which forbade the advertising of prices or terms on eyeglasses, spectacles, etc., should have been exposed to state construction as to its application to the plaintiffs or limiting action before the federal courts were asked to pass on its constitutionality;

therefore, proceedings challenging its validity before a three-judge federal district court would be stayed for a reasonable time pending state court interpretation of the statute. *Midwest Video Corp. v. Campbell*, 250 F. Supp. 158 (D.N.M. 1965).

ARTICLE 3 NURSING

61-3-1. Short title. (Effective until July 1, 1998.)

Sections 61-3-1 through 61-3-30 NMSA 1978, may be cited as the "Nursing Practice Act".

History: 1953 Comp., § 67-2-1, enacted by Laws 1968, ch. 44, § 1.

Delayed repeals. - See 61-3-31 NMSA 1978 and notes thereto.

61-3-2. Purpose. (Effective until July 1, 1998.)

The purpose of the Nursing Practice Act [61-3-1 to 61-3-30 NMSA 1978] is to promote, preserve and protect the public health, safety and welfare by regulating the practice of nursing and schools of nursing in the state.

History: 1953 Comp., § 67-2-2, enacted by Laws 1968, ch. 44, § 2; 1991, ch. 190, § 1.

The 1991 amendment, effective June 14, 1991, substituted "promote, preserve and protect the public health, safety and welfare" for "safeguard life and health and to promote the public welfare" and made a minor stylistic change.

Requiring nurse to "float" not unlawful or serious misconduct. - A hospital's "floating" policy is not necessarily something that "public policy would condemn." Therefore, requiring a nurse to "float" is not the kind of unlawful or serious misconduct for which recognition of the tort of wrongful discharge was intended. *Francis v. Memorial Gen. Hosp.*, 104 N.M. 698, 726 P.2d 852 (1986).

Delayed repeals. - See 61-3-31 NMSA 1978 and notes thereto.

61-3-29.1. Diversion program created; advisory committee; renewal fee; requirements; immunity from civil actions. (Effective until July 1, 1998.)

A. The board shall establish a diversion program to rehabilitate nurses whose competencies may be impaired because of the abuse of drugs or alcohol so that nurses can be treated and returned to or continue the practice of nursing in a manner that will benefit the public. The intent of the diversion program is to develop a voluntary alternative to traditional disciplinary actions and an alternative to lengthy and costly investigations and administrative proceedings against such nurses, at the same time providing adequate safeguards for the public.

B. The board shall appoint one or more diversion evaluation advisory committees, hereinafter called the "advisory committee", each of which shall be composed of at least five members with expertise in chemical dependency. Two members of each advisory committee shall be registered nurses and one member shall be a licensed practical nurse. No current member of the board shall be appointed to an advisory committee. The executive officer of the board or his designee shall be the liaison between each advisory committee and the board.

C. Each advisory committee shall function under the direction of the board and in accordance with regulations of the board. The regulations shall include directions to an advisory committee to:

- (1) establish criteria for admission and continuance in the program;
- (2) review sworn complaints filed with the board against a licensed nurse involving drug abuse or alcohol;
- (3) review voluntary requests of each nurse requesting diversion;
- (4) develop a written diversion agreement to be approved by the board which sets forth the requirements that shall be met by the nurse and the conditions under which the diversion program may be successfully completed or terminated;

(5) recommend to the board in favor of or against each nurse's admission into and release from a diversion program;

(6) receive and review all reports regarding each nurse's progress in treatment and recovery;

(7) report violations to the board;

(8) submit statistical reports to the board;

(9) coordinate educational programs and research related to chemically dependent nurses; and

(10) monitor peer-assistant and employee-assistant programs in the state.

D. The board may increase the renewal fee for each nurse in the state not to exceed twenty dollars (\$20.00) for the purpose of implementing and maintaining the diversion program.

E. Files of nurses in the diversion program shall be maintained in the board office and shall be confidential except for making a report to the board concerning any nurse who is not cooperating and complying with the diversion agreement. However, such files shall be subject to discovery or subpoena. The confidential provisions of this subsection are of no effect if the nurse admitted to the diversion program leaves the state prior to the completion of the program.

F. Any person making a report to the board or to an advisory committee regarding a nurse suspected of practicing nursing while habitually intemperate or addicted to the use of habit-forming drugs or making a report of a nurse's progress or lack of progress in rehabilitation shall be immune from civil action for defamation or other cause of action resulting from such reports, provided such reports are made in good faith and with some reasonable basis in fact.

G. Any person admitted to the diversion program for chemically dependent nurses who fails to comply with the provisions of this section, or with the rules and regulations adopted by the board pursuant to this section, or with the written diversion agreement or with any amendments to the written diversion agreement may be subject to disciplinary action in accordance with Section 61-3-28 NMSA 1978.

Applicants for licensure as a dentist by examination shall be required to pass the national dental examination of the council of national board of dental examiners of the American Dental Association or, if this test is not available, then another written examination determined by the board. Each written examination shall be supplemented by the board's administering to each applicant a practical or clinical examination that reasonably tests the applicant's qualifications to practice dentistry. Upon an applicant successfully passing the written and clinical examinations, the board shall issue to him a license to practice dentistry.

B. The board shall issue a license as a dentist without written examination to an applicant who has been duly licensed by examination as a dentist under the laws of another state or territory if:

(b) the written examination was not a national board examination and the applicant has practiced as a licensed dentist in a state or in federal service for a minimum of seven consecutive years immediately prior to the year in which his application is filed; and

Each licensee shall, before July 1 of the renewal year, transmit to the secretary of the board a signed statement stating his current address, his compliance with the regulations requiring continuing education, the serial number of his license and a renewal fee in an amount set by regulation of the board not to exceed one hundred dollars (\$100) for each year. Any license granted by the board is automatically suspended if its holder fails to apply for his renewal certificate by July 1 of the renewal year and shall be automatically revoked unless the licensee furnishes proof that he has met the continuing education requirements and pays to the board a late fee in an amount set by regulation of the board not to exceed one hundred dollars (\$100), together with all other unpaid fees, by August 1 of the renewal term.

Each licensee's triennial renewal year shall be determined by the last digit of the licensee's serial number, and by beginning July 1, 1984:

(1) those licensees whose license serial numbers have as the last digit zero through three shall renew their licenses for one year by July 1, 1984 and shall renew their licenses every three years thereafter;

(2) those licensees whose license serial numbers have as the last digit four through six shall renew their licenses for two years by July 1, 1984 and shall renew their licenses every three years thereafter; and

(3) those licensees whose license serial numbers have as a last digit seven through nine shall renew their licenses for three years by July 1, 1984 and shall renew their licenses every three years thereafter.

E. Any dentist who wishes to retire from the practice of dentistry shall notify the board in writing before the expiration of his current license, and the secretary of the board shall acknowledge the receipt of such notice and record the same. If, within a period of five years from the year of retirement, the dentist wishes to resume practice, he shall so notify the board in writing and, upon giving proof of completing such refresher courses as prescribed by regulation of the board and the payment of an amount equivalent to all lapsed renewal fees, his certificate of license shall be restored to him in full effect.

F. Any person who practices dentistry after his license has lapsed or has been retired, suspended or revoked shall be considered an illegal practitioner, subject to the penalties provided for this violation of the Dental Act [61-5-1 to 61-5-9, 61-5-11 to 61-5-22 NMSA 1978].

Each written examination shall be supplemented by a practical examination in the removal of deposits from and the polishing of the surface of the teeth and in such other subject matter as the board deems necessary to test the qualifications of the applicant. Upon an applicant successfully passing the written and clinical examinations, the board shall issue to him a license as a dental hygienist.

Each licensee shall, before July 1 of the renewal year, transmit to the secretary of the board a signed statement stating his current address, the licensee's compliance with the regulations requiring continued education, the serial number of his license and a renewal fee in an amount set by regulation of the board not to exceed fifty dollars (\$50.00) for each year. Any license as a dental hygienist granted by the board is automatically suspended if its holder fails to apply for his renewal certificate by July 1 of the renewal year and shall be automatically revoked unless the licensee furnishes proof that he has met the continuing education requirements and pays to the board a late fee in an amount set by regulation of the board not to exceed one hundred dollars (\$100), together with all other unpaid fees, by August 1 of the renewal year.

Each licensee's triennial renewal year shall be determined by the last digit of the licensee's serial number, and beginning by July 1, 1984:

- (1) those licensees whose license serial numbers have as the last digit zero through three shall renew their licenses for one year by July 1, 1984 and shall renew their licenses every three years thereafter;
- (2) those licensees whose license serial numbers have as the last digit four through six shall renew their licenses for two years by July 1, 1984 and shall renew their licenses every three years thereafter; and

F. Any person who practices as a dental hygienist after his license has lapsed, been retired, suspended or revoked shall be considered an illegal practitioner, subject to the penalties provided for this violation of the Dental Act [61-5-1 to 61-5-9, 61-5-11 to 61-5-22 NMSA 1978].

G. Any holder of a valid license and renewal certificate who desires to change to the employment of another dentist or institution shall return his present permit to practice in the designated location to the secretary of the board and, upon payment of a three dollar (\$3.00) transfer fee, the board shall issue a new certificate valid for the new employment location.

61-5-16. Injunction to stop unlicensed dental practice. (Effective until July 1, 1998.)

The attorney general, prosecuting attorney, board of dentistry or any citizen of any county where any person practices dentistry, as defined by the laws of New Mexico, without possessing a valid license to do so may, in accordance with the laws of New Mexico governing injunctions, maintain an action in the name of the state to enjoin such person from practicing dentistry until a valid license to practice dentistry be secured. And any person who has been so enjoined who violates the injunction shall be punished for contempt of court; provided, that the injunction does not relieve any person practicing dentistry without a valid license from a criminal prosecution therefor as provided by law. Such remedy by injunction is in addition to any remedy provided for the

criminal prosecution of such offender. In charging any person in a complaint for injunction, or in an affidavit, information or indictment with practicing dentistry without a valid license, it is sufficient to charge that the person did, upon a certain day and in a certain county, engage in the practice of dentistry without a valid license, without averring any further or more particular facts concerning the same.

B. an unlicensed person from performing for a licensed dentist merely mechanical work upon inert matter in the construction, making, alteration or repairing of any artificial dental substitute, dental restorative or corrective appliance, when the casts or impressions for such work have been furnished by a licensed dentist and where the work is directly supervised by the dentist for whom done or under a written authorization signed by him. The burden of proving the written authorization or direct supervision is upon the person charged with the violation of this provision;

C. any dentist who meets the qualifications of Subsections A through E of Section 61-5-8 NMSA 1978 and who submits proof that he has received a written notification by the board of dentistry that he possesses the necessary character and professional qualifications, from entering into a contract to serve exclusively as a member of their medical staff, with any state hospital or state institution, any institution or dental program approved by resolution of the health services division of the health and environment department [department of health] or maintained by the health services division; provided, that the contracting dentist must be duly licensed to practice by the board of dentistry within eighteen months after the date of his employment or he shall be automatically terminated and may not be rehired until he has obtained his license; or

D. any dentist who has been lawfully licensed to practice dentistry in another state from appearing for educational purposes before any group of dentists licensed to practice dentistry in this state, any group of dental hygienists licensed to practice dental hygiene in this state, or any students duly enrolled in a school of dental hygiene recognized by the board of dentistry. Bracketed material. - The bracketed reference to the department of health was inserted by the compiler, as Laws 1991, ch. 25, § 16 repeals former 9-7-4 NMSA 1978, relating to the health and environment department, and enacts a new 9-7-4 NMSA

1978, creating the department of health. The bracketed material was not enacted by the legislature and is not part of the law.

State license exemption. - Since this section allows any dentist licensed in another state, who receives notification by the board that he possesses the necessary character and qualifications, to practice dentistry exclusively as a member of the medical staff of a state institution, the state personnel board may not promulgate rules requiring a New Mexico license; however, the board may require other qualifications to establish the professional competency of its employees. 1974 Op. Att'y Gen. No. 74-20.

Actions by unlicensed assistants held to be unlawful practice of dentistry. - Unlicensed assistants performing such dental services as taking impressions and adjusting dentures constitutes the unlawful practice of dentistry. *Family Dental Center v. A. mental illness;

B. physical illness including, but not limited to, deterioration through the aging process or loss of motor skill; or

C. habitual or excessive use or abuse of drugs, as defined in the Controlled Substances Act [30-31-1 to 30-31-40 NMSA 1978], or alcohol.

61-5-27. Board; additional powers and duties. (Effective until July 1, 1998.)

A. If the board has reasonable cause to believe that a dentist licensed to practice dentistry in this state is unable to practice dentistry with reasonable skill and safety to patients because of a condition described in Section 3 [61-5-26 NMSA 1978] of the Impaired Dentist Act, the board shall cause an examination, as described in Subsection B of this section, of such dentist to be made and shall, following the examination, take appropriate action within the provisions of that act [61-5-24 to 61-5-34 NMSA 1978].

B. Examination of a dentist under this section shall be conducted by an examining committee as provided in the following:

(1) except as otherwise provided in Paragraph (2) of this subsection, the board shall refer all cases of an examination to the board of dentistry for examination by an examining committee created by the board of dentistry solely for the purpose of each examination; the examining committee shall be composed of three practicing physicians

contracted for by the board of dentistry and at least one physician shall be a licensed psychiatrist if a case of mental illness is involved; or

(2) in the event that the board of dentistry can contract or arrange with the state medical society for the use of the examining committees created pursuant to Paragraph (1) of Subsection B of Section 61-7-4 NMSA 1978, the examination of the dentist's ability to practice with reasonable skill and safety shall be determined by such committee in cooperation with the board of dentistry.

61-5-28. Examination by committee. (Effective until July 1, 1998.)

A. The examining committee assigned to examine a dentist pursuant to referral by the board under Section 4 [61-5-27 NMSA 1978] of the Impaired Dentist Act shall conduct an examination of the dentist for the purpose of determining the dentist's fitness to practice dentistry with reasonable skill and safety to patients, either on a restricted or unrestricted basis, and shall report its findings and recommendations to the board. The findings and recommendations shall be based on findings by the examining committee that the dentist examined possesses one or more of the impairments set forth in Section 3 [61-5-26 NMSA 1978] of the Impaired Dentist Act and such impairment does, in fact, affect the ability of the dentist to skillfully and safely practice dentistry. The examining committee shall order the dentist to appear before it for hearing and give him ten days' notice of time and place of the hearing, together with a statement of the cause for such examination. The notice shall be served upon the dentist either personally or by registered or certified mail with return receipt requested.

B. If the examining committee, in its discretion, deems a mental or physical examination of the dentist necessary to its determination of the fitness of the dentist to practice, the examining committee shall order the dentist to submit to such examination. Any person licensed to practice dentistry in this state shall, by so practicing or by making or filing an annual registration to practice dentistry in this state, be deemed to have:

(1) given his consent to submit to mental or physical examination when so directed by the examining committee; and

(2) waived all objections to the admissibility of the examining committee's report to the board on the grounds of privileged communication.

C. Any dentist ordered to a hearing before the examining committee under the provisions of Subsection A of this section shall be entitled to a mental or physical examination by that committee if he makes a request therefor.

D. Any dentist who submits to a diagnostic mental or physical examination as ordered by the examining committee shall have a right to designate his own physician to be present at the examination and make an independent report to the board.

E. Failure of a dentist to comply with an examining committee order under Subsection B of this section to appear before it for hearing or to submit to mental or physical examination under this section shall be reported by the examining committee to the board, and, unless due to circumstances beyond the control of the dentist, shall be grounds for the immediate and summary suspension by the board of the dentist's license to practice dentistry in this state until the further order of the board.

History: Laws 1981, ch. 229, § 5.

Delayed repeals. - See 61-5-23 NMSA 1978 and notes thereto.

A dentist may request in writing to the board a restriction of his license to practice dentistry. The board may grant the request for restriction and shall have authority, if it deems appropriate, to attach conditions to the licensure of the dentist to practice dentistry within specified limitations and waive the commencement of any proceeding under Section 8 [61-5-31 NMSA 1978] of the Impaired Dentist Act. Removal of a voluntary restriction on licensure to practice dentistry shall be subject to the procedure for reinstatement of license in Section 9 [61-5-32 NMSA 1978] of the Impaired Dentist Act.

History: Laws 1981, ch. 229, § 6.

Delayed repeals. - See 61-5-23 NMSA 1978 and notes thereto.

61-5-30. Report to the board; action. (Effective until July 1, 1998.)

A. The examining committee shall report to the board its findings on the examination of the dentist under Section 5 [61-5-28 NMSA 1978] of the Impaired Dentist Act, the determination of the examining committee as to the fitness of the dentist to engage in the practice of dentistry with reasonable skill and safety to patients, either on a restricted or unrestricted basis, and any management that the examining committee may recommend. Such recommendation by the examining committee shall be advisory only and shall not be binding on the board.

B. The board may accept or reject the recommendation of the examining committee to permit a dentist to continue to practice with or without any restriction on his license to practice dentistry or may refer the matter back to the examining committee for further examination and report thereon.

C. In the absence of a voluntary agreement by a dentist under Section 6 [61-5-29 NMSA 1978] of the Impaired Dentist Act for restriction of the licensure of the dentist to practice dentistry, any dentist shall be entitled to a hearing under and in accordance with the procedure contained in the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] before the board and a determination on the evidence as to whether or not restriction, suspension or revocation of licensure shall be imposed.

History: Laws 1981, ch. 229, § 7.

Delayed repeals. - See 61-5-23 NMSA 1978 and notes thereto.

61-5-31. Proceedings. (Effective until July 1, 1998.)

A. The board may formally proceed against a dentist under the Impaired Dentist Act [61-5-24 to 61-5-34 NMSA 1978] in accordance with the procedures contained in the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978].

B. At the conclusion of the hearing, the board shall make the following findings:

(1) whether or not the dentist is impaired by one of the grounds for restriction, suspension or revocation listed in Section 3 [61-5-26 NMSA 1978] of the Impaired Dentist Act;

(2) whether or not such impairment, if found in Paragraph (1) of this subsection, does in fact limit the dentist's ability to practice dentistry skillfully and safely;

(3) to what extent such impairment limits the dentist's ability to practice dentistry skillfully and safely and whether the board finds that such impairment is such that the dentist [dentist's license] should be suspended, [or] revoked or [that he should be] restricted in his practice of dentistry; and

(4) if the finding in Paragraph (3) of this subsection recommends suspension or restriction of the dentist's ability to practice dentistry, then the board shall make specific recommendations as to the length and nature of the suspension or restriction and shall recommend how such suspension or restriction shall be carried out and supervised.

C. At the conclusion of the hearing, the board shall make a determination of the merits and may order one or more of the following:

(1) placement of the dentist on probation on such terms and conditions as it deems proper for the protection of the public;

(2) suspension or restriction of the license of the dentist to practice dentistry for the duration of his impairment;

(3) revocation of the license of the dentist to practice dentistry; or

(4) reinstatement of the dentist's license to practice dentistry without restriction.

D. The board may temporarily suspend the license of any dentist without a hearing, simultaneously with the institution of proceedings under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], if it finds that the evidence in support of the examining committee's determination is clear and convincing and that his continuation in practice would constitute an imminent danger to public health and safety.

E. Neither the record of the proceeding nor any order entered against a dentist may be used against him in any other legal proceeding except upon judicial review as provided in Section 10 [61-5-33 NMSA 1978] of the Impaired Dentist Act.

A dentist whose licensure has been restricted, suspended or revoked under the Impaired Dentist Act [61-5-24 to 61-5-34 NMSA 1978], voluntarily or by action of the board, shall have a right at reasonable intervals to petition for reinstatement of his license and to demonstrate that he can resume the competent practice of dentistry with reasonable skill and safety to patients. The petition shall be made in writing and on a form prescribed by the board. Action of the board on the petition shall be initiated by referral to, and examination by, the examining committee pursuant to the provisions of Sections 4 and 5 [61-5-27 and 61-5-28 NMSA 1978] of that act. The board may, in its discretion, upon written recommendation of the examining committee, restore the licensure of the dentist on a general or limited basis.

Delayed repeals. - See 61-5-23 NMSA 1978 and notes thereto.

61-5-33. Judicial review. (Effective until July 1, 1998.)

All orders of the board under Subsection C of Section 8 [61-5-31 NMSA 1978] of the Impaired Dentist Act shall be subject to judicial review as provided for under the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978]. The decision of the board shall not be

stayed or enjoined pending such review by a district court that [but] may be stayed or enjoined pending review by the court of appeals or the New Mexico supreme court.

History: Laws 1981, ch. 229, § 10.

Delayed repeals. - See 61-5-23 NMSA 1978 and notes thereto.

ARTICLE 6 MEDICINE AND SURGERY

61-6-1. Short title; purpose. (Effective until July 1, 1998.)

A. Chapter 61, Article 6 NMSA 1978 may be cited as the "Medical Practice Act".

B. In the interest of the public health, safety and welfare and to protect the public from the improper, unprofessional, incompetent and unlawful practice of medicine, it is necessary to provide laws and regulations controlling the granting and use of the privilege to practice medicine and to establish a board of medical examiners to implement and enforce those laws and regulations.

C. The primary duties and obligations of the board of medical examiners are to issue licenses to qualified physicians, to register qualified physician assistants, to discipline incompetent or unprofessional physicians or physician assistants and to aid in the rehabilitation of impaired physicians and physician assistants for the purpose of protecting the public.

History: 1978 Comp., § 61-6-1, enacted by Laws 1989, ch. 269, § 1.

Delayed repeals. - See 61-6-35 NMSA 1978 and notes thereto.

Recompilations. - Laws 1989, ch. 269, § 2 recompiles former 61-6-1 NMSA 1978, relating to appointment, qualifications and terms of board of medical examiners, as 61-6-2 NMSA 1978, effective July 1, 1989.

61-6-2. Board of medical examiners; appointment; terms; qualifications. (Effective until July 1, 1998.)

A. There is created the "New Mexico board of medical examiners", consisting of eight members. The board shall be composed of two public members and six reputable physicians of known ability who are graduates of medical colleges or schools in good standing, as defined in Section 61-6-6 NMSA 1978, and who have been licensed physicians in and bona fide residents of New Mexico for a period of five years immediately preceding the date of their appointment. Public members of the board shall be residents of New Mexico, shall not have been licensed or have practiced as physicians and shall have no significant financial interest, direct or indirect, in the occupation regulated.

B. The governor shall appoint the physician members from a list of names submitted to him by the New Mexico medical society or its authorized governing body or council. The list shall contain five names of qualified physicians for each physician member to be appointed. Physician member vacancies shall be filled in the same manner.

C. Members shall be appointed to staggered terms beginning on January 1, 1992. Three physician members and one public member shall be appointed to two-year terms, and three physician members and one public member shall be appointed to four-year terms. Thereafter, the members shall be appointed to four-year terms. All board members shall hold office until their successors are appointed and qualified.

D. Any board member failing to attend three consecutive meetings, either regular or special, shall automatically be removed as a member of the board unless excused from attendance by the board for good cause shown.

Delayed repeals. - See 61-6-35 NMSA 1978 and notes thereto.

Cross-references. - For Uniform Licensing Act, see 61-1-1 to 61-1-31 NMSA 1978.

The 1989 amendment, effective July 1, 1989, renumbered this section, which formerly was 61-6-1 NMSA 1978; inserted "or schools" near the middle of the second sentence of Subsection A; substituted the present provisions of Subsection D for "The public member, upon the effective date of this act, shall be appointed to a term expiring January 1, 1982. Thereafter the public member shall be appointed to a four-year term"; substituted all of the present language of Subsection E following "removed" for "as a member of this board"; and made minor stylistic changes throughout the section.

The 1991 amendment, effective June 14, 1991, in Subsection A increased the membership of the board from six members to eight members and, in the second sentence, substituted "two public members and six reputable physicians" for "one public member and five reputable physicians" and "licensed physicians" for "registered practitioners"; deleted former Subsection C which read "Two of the physician members of the board first appointed shall hold their offices for a period of two years, and the remaining three physician members shall hold their offices for a period of four years. Thereafter, the physician members shall hold their offices for a period of four years. All board members shall hold office until their successors are appointed and qualified"; designated former Subsections D and E as Subsections C and D, rewriting present Subsection C which read "The public member shall be appointed to a four-year term"; and made related and minor stylistic changes in Subsections A and B.

Compiler's note. - Laws 1989, ch. 269, § 32 repeals former 61-6-2 NMSA 1978, as amended by Laws 1955, ch. 44, § 1, relating to meetings and quorums of the board, effective July 1, 1989. For former provisions, see 1986 Replacement Pamphlet. For present comparable provisions, see 61-6-3 NMSA 1978.

Governor's power not usurped. - Requirement that the governor appoint to the board of medical examiner's nominees who were submitted by the New Mexico medical society, where only the governor has this prerogative, would not unconstitutionally usurp the governor's power. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Review of board's proceedings. - On review of proceedings of board of medical examiners, court is limited to a determination of whether the board's order was reasonable, lawful and had substantial evidence to support it. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Corporation to perform medical services. - Because the legislature chose to expressly prohibit the corporate practice, apart from professional corporations, in the case of dentists and podiatrists, and chose to expressly permit, with limitation, other forms of corporate practice in the case of psychologists and engineers, it may be

inferred from the legislature's silence in the case of medical doctors that a corporation may be formed to provide medical services. 1987 Op. Att'y Gen. No. 87-39.

A corporation, organized and controlled by non-physicians, may provide medical services to the general public through employed physicians, unless prohibited by statute or unless it exercises lay control of medical judgment or engages in lay exploitation of the medical profession in a manner prohibited by public policy. 1987 Op. 61-6-10. Supervising physician; responsibility. (Effective until July 1, 1998.)

A. As a condition of registration and annual renewal of registration, all physician assistants practicing in New Mexico shall inform the board of the physician under whose supervision they will practice. All supervising physicians shall be licensed under the Medical Practice Act [this article] and shall be approved by the board.

B. Every physician using, supervising or employing a registered physician assistant shall be individually responsible and liable for the performance of the acts and omissions delegated to the physician assistant. Nothing in this section shall be construed to relieve the physician assistant of any responsibility and liability for any of his own acts and omissions.

C. No physician may have under his supervision more than two currently registered physician assistants, except where a physician is working in a health facility providing health service to the public primarily on a free or reduced fee basis, which is funded in whole or in part out of public funds or the funds of private charitable institutions, the board may authorize a greater number upon a finding that the program provides adequate supervision of the physician assistants.

61-6-13. Licensure by endorsement. (Effective until July 1, 1998.)

A. The board may grant a license without examination and by endorsement to an applicant who has been a regularly licensed physician in the district of Columbia or another state, territory or jurisdiction and who has qualifications and requirements equivalent to those required in New Mexico, provided that the applicant is properly endorsed by the officers of the examining board with jurisdiction and provided that the applicant shall not have failed an examination prescribed by the New Mexico board of medical examiners.

B. The board may grant a license without examination and by endorsement to any applicant who has been licensed in a province of the dominion of Canada if the license is certified by the Canadian medical council and provided that the applicant shall not have failed an examination prescribed by the board. The board may also extend such endorsement privileges as it deems fit and accept in lieu of the examination herein prescribed a certificate of examination issued by the national board of medical examiners.

C. A graduate of a medical college located outside the United States and its territories or possessions, who is of good moral character, who is a legal resident of the United States and who has been regularly licensed and has practiced medicine immediately preceding his application in another state or territory having qualifications and requirements equivalent to those required in New Mexico may, when properly endorsed by the officers of the examining board that has jurisdiction in the state or territory in which the applicant was examined and licensed, be granted a license by endorsement and without examination at the discretion of the board in the same manner as if the

applicant had graduated from a medical college located in the United States or its possessions.

D. All applicants for licensure under this section shall personally appear before the board or any designated board member for an interview.

Effective dates. - Laws 1989, ch. 269, § 33 makes the Medical Practice Act effective on July 1, 1989.

Practice of medicine limited. - The practice of medicine, as characterized by the art of diagnosing, administration and prescribing of drugs and medicines, surgery, psychiatric examination, analysis and consultation, is limited in New Mexico to persons who, as determined by the New Mexico board of medical examiners, are duly accredited graduates of approved medical schools and have successfully passed a written examination or who have been granted their licenses by way of endorsement from the officers of examining boards of other states or certified to the New Mexico board of medical examiners by the national board of medical examiners. 1957-58 Op. Att'y Gen. No. 58-136.

Entitlement to license. - Absent properly issued and reasonable regulations, a person is entitled to a license if he meets all the qualifications established by the legislature. 1965 Op. Att'y Gen. No. 65-11.

Function of interview. - The interview is a helpful aid in determining whether or not an applicant has met the New Mexico qualifications for licensing by endorsement. 1965 Op. Att'y Gen. No. 65-11.

Osteopath is a physician and surgeon who has been trained in that "system or school of medicine which is taught and practiced in standard colleges of osteopathy and surgery," substantially the same as those in which applicants for a license to practice medicine are required to be examined. 1933-34 Op. Att'y Gen. 155.

Findings regarding "equivalent" "qualifications and requirements". - The district court may find that the differences in methodology of examination scoring between this state and another do not rationally relate to the question of "equivalent" "qualifications and requirements" as those terms are used in Subsection A. *Fiber v. B. The secretary-treasurer of the board may issue to any applicant who is licensed to practice medicine in another state, territory of the United States or another country and who is qualified to practice medicine and surgery in this state a temporary license to practice medicine under the sponsorship of and in association with a licensed New Mexico physician. The following provisions shall apply:

Temporary licenses may be granted to allow the applicant to assist in teaching, conducting research, performing specialized diagnostic and treatment procedures and implementing new technology and for physician educational purposes. Licensees may engage in only those activities specified on the temporary

license, and the temporary license shall identify the licensed New Mexico physician who will sponsor and associate with the applicant during the time the applicant practices medicine in New Mexico. The sponsoring or associating physician shall submit an affidavit attesting to the qualifications of the applicant and activities the applicant will perform; and

(2) the temporary license shall be issued for a period not to exceed three months from date of issuance and may be renewed upon application and payment of fees as provided in Section 61-6-19 NMSA 1978.

C. Whenever an eligible applicant has filed his application and complied with all other requirements of the Medical Practice Act [this article] in the interim between regular board meetings, the secretary-treasurer may issue an interim license to hold good until the next regular licensing meeting of the board.

D. The application for a temporary license under this section shall be accompanied by a license fee as provided in Section 61-6-19 NMSA 1978.

History: 1941 Comp., § 51-125; Laws 1953, ch. 48, § 2; 1953 Comp., § 67-5-7; Laws 1969, ch. 46, § 5; 1988, ch. 11, § 1; 1978 Comp., § 61-6-13, recompiled as § 61-6-14 by Laws 1989, ch. 269, § 10; 1991, ch. 148, § 2.

Delayed repeals. - See 61-6-35 NMSA 1978 and notes thereto.

The 1988 amendment, effective February 18, 1988, added "temporary" and "and temporary licenses for out-of-state physicians" to the catchline; deleted "of medical examiners" following "of the board" and "apply for a license to" following "qualified to" near the beginning of Subsection A, and added "and the following provisions shall apply" at the end of the Subsection; redesignated former Subsections B and C as present Subsections A(1) and A(2), substituting "permit may" for "permit shall" in Subsection A(2); deleted former Subsection D, regarding a \$25.00 license fee; and added present Subsection B.

The 1989 amendment, effective July 1, 1989, renumbered in this section, which formerly was 61-6-13 NMSA 1978; in Subsection A deleted "the average temporary daily population of which exceeds one hundred persons, for a period of not less than two weeks nor more than three months" following "school" near the middle of the introductory paragraph; added all of the language of Subsection B(2) following "fees"; added present Subsection C; redesignated former Subsection C as present Subsection D while substituting all of the language thereof following "fee" for "as determined by the board, but not to exceed one hundred dollars (\$100), payable to the board"; and deleted "or permit" following "license" several times throughout the section.

The 1991 amendment, effective June 14, 1991, in Paragraph (1) of Subsection B, added "and for physician educational purposes" at the end of the second sentence and inserted "licensed" preceding "New Mexico physician" in the third sentence.

Recompilations. - Laws 1989, ch. 269, § 11 recompiles former 61-6-14 NMSA 1978, relating to refusal, revocation or suspension of license, as 61-6-15 NMSA 1978, effective July 1, 1989.

61-6-15. License may be refused, revoked or suspended; licensee may be fined, censured or reprimanded; procedure; practice after suspension or revocation; penalty; unprofessional and dishonorable conduct defined; fees and expenses; notice of claim. (Effective until July 1, 1998.)

A. The board may refuse to license and may revoke or suspend any license that has been issued by the board or any previous board and may fine, censure or reprimand any licensee upon satisfactory proof being made to the board that the applicant for or holder of the license has been guilty of unprofessional or dishonorable conduct. All proceedings shall be as required by the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978].

B. The board may, in its discretion and for good cause shown, place the licensee on probation on such terms and conditions as it deems proper for protection of the public and for the purpose of the rehabilitation of the probationer, or both. Upon expiration of the term of probation, if a term is set, further proceedings may be abated by the board if the holder of the license furnishes the board with evidence that he is competent to practice medicine, is of good moral character and has complied with the terms of probation.

C. If evidence fails to establish to the satisfaction of the board that the licensee is competent and is of good moral character or if evidence shows that he has not complied with the terms of probation, the board may revoke or suspend the license forthwith. If a license to practice medicine in this state is suspended, the holder of the license may not practice during the term of suspension; and any person whose license has been revoked or suspended by the board and who thereafter practices or attempts or offers to practice medicine in New Mexico, unless his period of suspension has expired or been modified by the board or his license reinstated, is guilty of a felony and shall be punished as provided in Section 61-6-20 NMSA 1978.

D. "Unprofessional or dishonorable conduct", as used in this section, means among other things, but not limited to because of enumeration:

(1) procuring, aiding or abetting a criminal abortion;

(2) employing any person to solicit patients for him;

(3) representing to a patient that a manifestly incurable condition of sickness, disease or injury can be cured;

- (4) obtaining any fee by fraud or misrepresentation;
- (5) willfully or negligently divulging a professional confidence;
- (6) conviction of any offense punishable by incarceration in a state penitentiary or federal prison. A copy of the record of conviction, certified by the clerk of the court entering the conviction, is conclusive evidence;
- (7) habitual or excessive use of intoxicants or drugs;
- (8) fraud or misrepresentation in applying for or procuring a license to practice in this state or in connection with applying for or procuring annual renewal, including cheating on or attempting to subvert the licensing examinations;
- (9) making false or misleading statements regarding his skill or the efficacy or value of the medicine, treatment or remedy prescribed or administered by him or at his direction in the treatment of any disease or other condition of the human body or mind;
- (10) impersonating another person licensed to practice medicine, permitting or allowing any person to use his license or certificate of registration or practicing medicine under a false or assumed name;
- (11) aiding or abetting the practice of medicine by a person not licensed by the board;
- (12) gross negligence in the practice of medicine;
- (13) manifest incapacity or incompetence to practice medicine;
- (14) the suspension or revocation by another state of a license to practice medicine, based upon acts by the licensee similar to acts described in this section. A certified copy of the record of suspension or revocation of the state making the suspension or revocation is conclusive evidence;
- (15) the use of any false, fraudulent or deceptive statement in any document connected with the practice of medicine;
- (16) fee splitting;
- (17) the prescribing of narcotic, stimulant or hypnotic drugs for other than accepted therapeutic purposes;
- (18) conduct likely to deceive, defraud or harm the public;
- (19) repeated similar negligent acts;
- (20) employing abusive billing practices;

(21) failure to report to the board any adverse action taken against him by:

(a) another licensing jurisdiction;

(b) any peer review body;

(c) any health care entity;

(d) any professional or medical society or association;

(e) any governmental agency;

(f) any law enforcement agency; or

(g) any court for acts or conduct similar to acts or conduct that would constitute grounds for action as defined in this section;

(22) failure to report to the board surrender of a license or other authorization to practice medicine in another state or jurisdiction or surrender of membership on any medical staff or in any medical or professional association or society following, in lieu of and while under disciplinary investigation by any of those authorities or bodies for acts or conduct similar to acts or conduct that would constitute grounds for action as defined in this section;

(23) failure to furnish the board, its investigators or representatives with information requested by the board;

(24) abandonment of patients;

(25) being found mentally incompetent or insane by a court of competent jurisdiction;

(26) injudicious prescribing;

(27) failure to adequately supervise, as provided by board regulation, a medical or surgical assistant or technician or professional licensee who renders health care;

(28) intentionally engaging in sexual contact or sexual penetration with a patient other than one's spouse after representing or inferring that such activity is a legitimate part of the patient's treatment; and

(29) conduct unbecoming in a person licensed to practice medicine or detrimental to the best interests of the public.

E. As used in this section, "fee splitting" includes offering, delivering, receiving or accepting any unearned rebate, refunds, commission preference, patronage dividend, discount or other unearned consideration, whether in the form of money or otherwise,

as compensation or inducement of referring patients, clients or customers to any person irrespective of any membership, proprietary interest or co-ownership in or with any person to whom the patients, clients or customers are referred.

F. Licensees shall bear all costs of disciplinary proceedings unless exonerated.

G. Licensees whose licenses are in a probationary status shall pay reasonable expenses for maintaining probationary status, including but not limited to laboratory costs when laboratory testing of biological fluids are included as a condition of probation.

H. For the purpose of investigating the competence of medical practitioners covered by the Medical Practice Act [this article] who practice medicine in the state of New Mexico, any entity issuing professional liability insurance to physicians or indemnifying physicians for professional liability in New Mexico shall report to the board all settlements or judgments against licensed physicians whether they are tried in court or settled out of court.

History: 1953 Comp., § 67-5-9; Laws 1969, ch. 46, § 6; 1979, ch. 63, § 3; 1983, ch. 260, § 2; 1978 Comp., § 61-6-14, recompiled as § 61-6-15 by Laws 1989, ch. 269, § 11; 1991, ch. 148, § 3.

Delayed repeals. - See 61-6-35 NMSA 1978 and notes thereto.

The 1989 amendment, effective July 1, 1989, renumbered this section, which formerly was 61-6-14 NMSA 1978, inserted in the catchline "licensee may be fined, censured or reprimanded", "unprofessional and dishonorable conduct defined", and "fees and expenses"; in Subsection A twice substituted "may" for "shall" and inserted "and may fine, censure or reprimand any licensee" in the first sentence, and deleted "in connection with the issuance, renewal, suspension or revocation of licenses" following "proceedings" in the second sentence; designated the former third and fourth sentences of Subsection A as present Subsection B; designated the former fifth and sixth sentences of Subsection A as present Subsection C, while substituting "61-6-20" for "61-6-18" at the end of the last sentence therein; redesignated former Subsection B as present Subsection D; substituted "confidence" for "secret" in Subsection D(5); substituted all of the present language of Subsection D(8) beginning with "annual" for "an annual registration"; added all of the language of Subsection D(10) following "registration"; substituted the present provisions of Subsection D(15) for "making a fraudulent claim"; added present Subsections D(18) through D(26); redesignated former Subsection D(18) as present Subsection D(27); redesignated former Subsection C as present Subsection E; deleted former Subsection D, relating to hospital report of loss of physician's privilege; added Subsections F and G; redesignated former Subsection E as present Subsection H; in Subsection H substituted "entity" for "company", inserted "or indemnifying physicians for professional liability", and substituted "settlements or judgments" for "malpractice claims"; and made minor stylistic changes throughout the section.

The 1991 amendment, effective June 14, 1991, in Subsection D, added Paragraphs (27) and (28), redesignated former Paragraph (27) as Paragraph (29) and made a related stylistic change and made a minor stylistic change in Subsection A.

Compiler's note. - Laws 1989, ch. 269, § 32 repeals former 61-6-15 NMSA 1978, as amended by Laws 1973, ch. 361, § 7, relating to definition of "practice of medicine" and exceptions from this article, effective July 1, 1989. For former provisions, see 1986 Replacement Pamphlet.

Due process. - Subsection D(27) of this section, defining "unprofessional or dishonorable conduct" to include conduct unbecoming in one licensed to practice medicine or detrimental to the best interests of the public, is not void for vagueness. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974).

Terms of probation not unconstitutionally vague. - Where one of the terms of probation imposed by the board on a physician found guilty of unprofessional conduct for falsely prescribing demerol for the alleged use of another when in fact the drug was for his own use was that he not take or have in this possession "any dangerous drugs" without the consent of his psychiatrist, and the physician thereafter prescribed the drug ritalin for a patient and diverted some of it for his own use, revocation of the physician's license for violating his probation was justified, as under the facts the terms thereof were not unconstitutionally vague. *McDaniel v. New Mexico Bd. of Medical Exmrs.*, 86 N.M. 447, 525 P.2d 374 (1974).

Prior judicial determination unnecessary. - An administrative determination of "unlawful, illegal or unauthorized" conduct sufficient to support a conclusion of "unprofessional conduct," as provided in this section, is not dependent upon a prior judicial determination of criminal guilt. *Strance v. New Mexico Bd. of Medical Exmrs.*, 83 N.M. 15, 487 P.2d 1085 (1971).

Restraint of proceedings. - Board of medical examiners has exclusive jurisdiction of the granting and revoking of certificates admitting physicians and surgeons to practice, and as statutes do not provide for disqualification of board members, proceedings before the board may not be restrained merely by reason of the fact that the board itself initiated the proceedings against a physician and was, therefore, an interested party. *Seidenberg v. New Mexico Bd. of Medical Exmrs.*, 80 N.M. 135, 452 P.2d 469 (1969).

Reinstatement after revocation. - Board of medical examiners has the power to suspend a license inherent in its power to revoke, but when revocation is accomplished, the only method of reinstating revoked licensee to full privileges is by the means of reapplication. 1953-54 Op. Att'y Gen. No. 5839.

Under former law, the legislature did not define unprofessional conduct, nor prohibit advertising by physicians; former statute did not go far enough to give power to the board of medical examiners to revoke the license of a physician for advertising

unless said advertising was false, immoral and against the public welfare. 1939-40 Op. Att'y Gen. 23.

Subsection D(5) does not create privilege. - Subsection D(5) does not create a privilege; it only describes ethical constraints placed upon a physician. *Trujillo v. Puro*, 101 N.M. 408, 683 P.2d 963 (Ct. App. 1984).

No lay control of professional medical judgments. - An entity, such as a clinic, hospital or other similar corporate entity employing physicians, may not engage in conduct amounting to the practice of medicine by exerting lay control of professional medical judgments. 1987 Op. Att'y Gen. No. 87-39.

Such findings and recommendations shall be based on findings by the examining committee, that the physician examined possesses one or more of the impairments set forth in Section 3 [61-7-3 NMSA 1978] of the Impaired Physician Act and such impairment does, in fact, affect the ability of the physician to skillfully or safely practice medicine. The examining committee shall order the physician to appear before it for hearing and give him ten days' notice of time and place of the hearing, together with a statement of the cause for such examination. Such notice shall be served upon the physician either personally or by registered or certified mail with return receipt requested.

Failure of a physician to comply with a committee order under Subsection B of this section to appear before it for hearing or to submit to mental or physical examination under this section shall be reported by the committee to the board, and, unless due to circumstances beyond the control of the physician, shall be grounds for the immediate and summary suspension by the board of the physician's license to practice medicine in this state until the further order of the board.

Such recommendation by the committee shall be advisory only and shall not be binding on the board.

B. The board may accept or reject the recommendation of the examining committee to permit a physician to continue to practice with or without any restriction on his license to practice medicine, or may refer the matter back to the examining committee for further examination and report thereon.

C. In the absence of a voluntary agreement by a physician under Section 6 [61-7-6 NMSA 1978] of the Impaired Physician Act for restriction of the licensure of such physician to practice medicine, any physician shall be entitled to a hearing under and in accordance with the procedure contained in the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978] before the board and a determination on the evidence as to whether or not restriction, suspension or revocation of licensure shall be imposed.

61-7-8. Proceedings.

A. The board may formally proceed against a physician under the Impaired Physician Act [61-7-1 to 61-7-11 NMSA 1978] in accordance with the procedures contained in the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978].

(1) whether or not the physician is impaired by one of the grounds for restriction, suspension or revocation listed in Section 3 [61-7-3 NMSA 1978] of the Impaired Physician Act;

(2) whether or not such impairment, if found in Paragraph (1) of this subsection, does in fact limit the physician's ability to practice medicine skillfully or safely;

(3) to what extent such impairment limits the physician's ability to practice medicine skillfully or safely and whether the board finds that such impairment is such that the physician should be suspended, revoked or restricted in his practice of medicine; and

(4) if the finding in Paragraph (3) of this subsection recommends suspension or restriction of the physician's ability to practice medicine, then the board shall make specific recommendations as to the length and nature of the suspension or restriction and shall recommend how such suspension or restriction shall be carried out and supervised.

C. At the conclusion of the hearing, the board shall make a determination of the merits and may order one or more of the following:

Osteopathic physicians and surgeons licensed hereunder shall have equal rights, privileges and obligations in the handling of cases and rendering of medical services in all branches and phases of the healing arts as are accorded or permitted physicians and surgeons of other schools of practice; that such general rights shall extend to the rendering of medical services under the provisions of public health, welfare, assistance laws and other fields of public medicine, and no regulations shall be made with respect thereto limiting, excluding or discriminating against osteopathic physicians and surgeons.

Osteopathic physicians and surgeons shall also have the right to register under the laws of the United States governing narcotics. Osteopathic physicians shall observe and be subject to all state and municipal regulations relative to the reporting of births and deaths and all matters pertaining to the public health with equal rights and obligations as physicians and surgeons of other schools of medicine, and such reports shall be accepted by the officers of the departments to which they are made.

61-10-15. Refusal and revocation of license. (Effective until July 1, 1998.)

The board of osteopathic medical examiners may either refuse to issue or may suspend or revoke any license for any one or any combination of the following causes:

- A. conviction of a felony, as shown by a certified copy of the record of the court of conviction;
- B. the obtaining of, or an attempt to obtain a license, or practice in the profession for money, or any other thing of value, by fraudulent misrepresentation;
- C. gross malpractice;
- D. advertising, practicing or attempting to practice under a name other than one's own;
- E. advertising by means of knowingly false or deceptive statements;
- F. habitual drunkenness, or habitual addiction to the use of morphine, cocaine or other habit-forming drugs; or
- G. immoral, dishonorable or unprofessional conduct.

The board may neither refuse to issue nor to renew nor suspend nor revoke any license, however, for any of these causes, unless the person accused has been given at least twenty days' notice in writing of the charge against him and a public hearing by the board of osteopathic medical examiners, with right of review of the board's decision by the district court of the first judicial district by certiorari, on petition of the party against whom the board's decision is rendered.

The board of osteopathic medical examiners shall have the power to compel the attendance of witnesses and the production of relevant books and papers for the investigation of matters that may come before them and the presiding officer of said board may administer the requisite oaths and said board shall have the same authority to compel the giving of testimony as is conferred on courts of justice.

Equal protection. - Since foreign-trained physicians who have not earned an M.D. degree may be licensed by the board of medical examiners and list themselves under the heading "Physicians and Surgeons, M.D." in the telephone directory, the board of osteopathic examiners would be violating the equal protection rights of osteopathic

physicians by prohibiting them from listing themselves under that heading; insofar as Subsection E of this section would do so, it is unconstitutional. 1974 Op. Att'y Gen. No. 74-21.

Deceptive phone listing. - Osteopathic physicians who were listed in the telephone directory yellow pages under the heading "Physicians and Surgeons, M.D." without using a degree designation and without giving an indication that they were osteopathic physicians were violating Subsection E of this section. 1974 Op. A. All persons legally licensed to practice osteopathic medicine and surgery in this state shall, on or before July 1 of each year, submit proof of completion of continuing education requirements as required by the board and pay to the secretary of the board an annual renewal fee as provided in Section 61-10-6.1 NMSA 1978 for the renewal of his license to practice osteopathic medicine and surgery. Upon payment of fees and proof of completion of continuing education requirements, the board shall issue a certificate of annual renewal of license.

B. The secretary of the board shall send a written notice to every person holding a legal certificate to practice osteopathic medicine in this state at least thirty days prior to July 1 of each year, directed to the last known address of licensee, and notify him that it will be necessary for him to pay the annual renewal fee. Proper forms shall accompany the notice, and the licensee shall make application for the renewal of his certificate on these forms. The fact that a practitioner has not received his blank form from the board shall not, however, relieve him of the duty to register on or before July 1 nor shall the board's failure to mail the forms operate to exempt him from the penalties provided in Chapter 61, Article 10 NMSA 1978.

61-10-20. Postgraduate educational requirements. (Effective until July 1, 1998.)

For the purpose of protecting the health and well-being of the citizens of this state and for maintaining and continuing informed professional knowledge and awareness, the board shall establish mandatory continuing educational requirements for osteopathic physicians licensed in this state. In establishing such requirements, the board shall recognize and give weight to existing educational methods, procedures, devices and

programs in use among the various medical specialties and other recognized medical groups and the consensus of the members of the medical community. This section does not abrogate or affect the status, force or operation of the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978]. The board shall not establish and enforce such requirements if they will reduce the availability of physicians in a community to an extent that adequate medical care is jeopardized.

In the event any licensee fails to comply with the requirements of Section 61-10-19 NMSA 1978, he shall, upon order of the board of osteopathic medical examiners, forfeit his right to practice osteopathic medicine in this state and his license and certificate shall be canceled; provided, however, that the secretary of the board may reinstate him upon the payment of all fees due and upon the presentation of satisfactory evidence of the attendance at an educational program as provided for in Chapter 61, Article 10 NMSA 1978.

B. It is further provided that any person licensed to practice osteopathic medicine in New Mexico desiring to withdraw from the active practice of his profession in this state shall have the right to apply to the secretary of the board of osteopathic medical examiners for a temporary suspension of his certificate to practice osteopathic medicine in this state, with the right to renew and reinstate his certificate if he so desires, upon a showing that he has paid the appropriate fees on or before July 1 of each year.

However, Laws 1989, ch. 371, § 8, effective June 16, 1989, adding the same present Subsection C; redesignating former Subsection C as present Subsection D; and in the undesignated proviso, rewriting the second sentence, which formerly read "This paragraph shall not preclude vision screening; and provided further, the board shall not adopt any rule or regulation allowing an osteopathic physician's assistant to perform diagnosis or medical, surgical, mechanical, manipulative or orthopedic treatment of the human foot", was approved April 7, 1989. Assistants may not prescribe controlled substances. - Nothing in Subsection A authorizes the board to permit physician's assistants to prescribe controlled substances in violation of 30-31-18A NMSA 1978. *New Mexico Bd. of Pharmacy v. New Mexico Bd. of Osteopathic Medical Exmrs.*, 95 N.M. 780, 626 P.2d 854 (Ct. App. 1981).

61-10A-7. Responsibility.

Every osteopathic physician using, supervising or employing a registered osteopathic physician's assistant shall be individually responsible and liable for the performance of the acts and omissions delegated to the osteopathic physician's assistant. Nothing herein shall be construed to relieve the osteopathic physician's assistant of any

responsibility and liability for any of his own acts and omissions. No osteopathic physician may have under his supervision more than two currently registered osteopathic physicians' assistants, except where an osteopathic physician is working in a health facility providing health service to the public primarily on a free or reduced fee basis, which is funded in whole or in part out of public funds or the funds of private charitable institutions; the board may authorize a greater number upon a finding that the program provides adequate supervision of the osteopathic physicians' assistants.

Meaning of "this act". - See the same catchline in the notes following 61-12-5 NMSA 1978.

"Supervision". - Term "immediate personal supervision," as used in this section, calls for close, direct supervision by a licensed practitioner of the healing arts. 1957-58 Op. Att'y Gen. No. 57-316.

Holding self out as physical therapist. - Even without an appropriate title or set of initials, an individual could still be publicly professing to be a physical therapist. 1957-58 Op. Att'y Gen. No. 57-316.

Masseur. - Masseur who merely massaged other persons without professing to do so to relieve disease or pain did not come within the provisions of former licensing act, but when he held himself as being able to heal or cure diseases, he was subject to prosecution. 1941-42 Op. Att'y Gen. No. 3956; 1949-50 Op. Att'y Gen. No. 5275.

Violation of act. - While unlicensed individual might not be guilty of unprofessional conduct within the meaning of 61-12-13 NMSA 1978 since he works for physicians on a prescription basis, his want of a license plus lack of knowledge of his activities by the orthopedic surgeon under whose control he ostensibly works, and lack of close, direct and personal supervision of such activities by any licensed practitioner, clearly indicates a lack of compliance with this act. 1957-58 Op. Att'y Gen. No. 57-316.

ARTICLE 13 NURSING HOME ADMINISTRATORS

61-13-1. Short title. (Effective until July 1, 1998.)

This act [61-13-1, 61-13-2, 61-13-4, 61-13-5 to 61-13-16 NMSA 1978] may be cited as the "Nursing Home Administrators Act".

History: 1953 Comp., § 67-37-1, enacted by Laws 1970, ch. 61, § 1.

Delayed repeals. - See 61-13-17 NMSA 1978 and notes thereto.

61-13-2. Definitions. (Effective until July 1, 1998.)

As used in the Nursing Home Administrators Act [61-13-1, 61-13-2, 61-13-4, 61-13-5 to 61-13-16 NMSA 1978]:

A. "board" means the board of nursing home administrators;

B. "nursing home administrator" means any individual responsible for planning, organizing, directing and controlling the operation of a nursing home, or who shares such functions with one or more persons operating a nursing home;

C. "nursing home" means any nursing institution or facility required to be licensed under state law as a nursing home by the health and social services department [department of health], whether proprietary or nonprofit, including extended care facilities, skilled nursing home facilities, and whether a separate entity or a part of a medical institutional facility; and

D. "practice of nursing home administration" means the planning, organizing, directing and control of the operation of a nursing home.

History: 1953 Comp., § 67-37-2, enacted by Laws 1970, ch. 61, § 2.

Delayed repeals. - See 61-13-17 NMSA 1978 and notes thereto.

Bracketed material. - The bracketed reference in Subsection C was inserted by the compiler. The health and social services department was abolished by Laws 1977, ch. 253, § 5. Section 4 of that act established the health and environment department, consisting of several divisions, including a health services division. Laws 1991, ch. 25, § 16 repeals former 9-7-4 NMSA 1978, relating to the health and environment department, and enacts a new 9-7-4 NMSA 1978, creating the department of health. The bracketed material was not enacted by the legislature and is not part of the law.

Intermediate care facility for mentally retarded properly licensed by the health and social services department as an intermediate care facility is not a nursing home as defined by this section; its administrator is not, therefore, required to be licensed as a nursing home administrator. 1988 Op. Att'y Gen. No. 88-48.

61-13-3. Criminal offender's character evaluation. (Effective until July 1, 1998.)

The provisions of the Criminal Offender Employment Act [28-2-1 to 28-2-6 NMSA 1978] shall govern any consideration of criminal records required or permitted by the Nursing Home Administration [Administrators] Act [61-13-1, 61-13-2, 61-13-4, 61-13-5 to 61-13-16 NMSA 1978].

History: 1953 Comp., § 67-37-2.1, enacted by Laws 1974, ch. 78, § 35.

Delayed repeals. - See 61-13-17 NMSA 1978 and notes thereto.

61-13-4. Board of nursing home administrators. (Effective until July 1, 1998.)

A. There is created the "board of nursing home administrators", consisting of seven members appointed by the governor. Two members of the board shall be practicing nursing home administrators licensed under the Nursing Home Administrators Act [61-13-1, 61-13-2, 61-13-4, 61-13-5 to 61-13-16 NMSA 1978], one member shall be a hospital administrator, one member shall be a practicing physician licensed in this state and three members shall be from the public.

B. All initial appointments to the board shall be for a term of three years. Subsequently, the term of each member expires on June 30 in the third year after his appointment. In the case of a vacancy on the board, the governor shall, within ninety days of the occurrence of the vacancy, appoint a member to fill the unexpired portion of the term. The three members of the board initially appointed as nursing home or hospital administrators shall meet the requirements for licensure under the Nursing Home Administrators Act as nursing home administrators and shall have served as an administrator of an institution meeting the definition of a nursing home, as set forth in the Nursing Home Administrators Act, for at least three of the five years immediately preceding the appointment. In lieu of taking the examinations prescribed as a requirement for licensure in the Nursing Home Administrators Act, the initial three board members eligible for licensure as nursing home administrators shall be tested by the health services division of the health and environment department [department of health], and, upon satisfying the division that they meet the requirements and qualifications for nonprovisional licensure as nursing home administrators, they shall be issued licenses. Board members shall be citizens of the United States and residents of the state, and not more than one member shall be an employee of any state or other public agency.

History: 1953 Comp., § 67-37-3, enacted by Laws 1970, ch. 61, § 3; 1977, ch. 34, § 1; 1991, ch. 189, § 19.

Delayed repeals. - See 61-13-17 NMSA 1978 and notes thereto.

Cross-references. - For the Uniform Licensing Act, see 61-1-1 to 61-1-31 NMSA 1978.

Bracketed material. - The bracketed reference to the department of health was inserted by the compiler, as Laws 1991, ch. 25, § 16 repeals former 9-7-4 NMSA 1978, relating to the health and environment department, and enacts a new 9-7-4 NMSA 1978, creating the department of health. The bracketed material was not enacted by the legislature and is not part of the law.

The 1991 amendment, effective June 14, 1991, deleted "of examiners" following "Board" in the catchline; in Subsection A, substituted "created the" for "created a state" and "seven members" for "five members" in the first sentence, substituted "one member" for "two members" and added "and three members shall be from the public" at the end of the second sentence and made related stylistic changes; in Subsection B, deleted the former first sentence relating to appointment of members of the original board, divided the former second sentence into two sentences and rewrote the provision which read "Thereafter all appointments to the board shall be for a term of three years or less so that the term of each member expires on June 30 in the third year after his appointment", substituted "three members" for "four members" in the fourth and fifth sentences, substituted "health services division of the health and environment department" for "health facilities service division of the health and social services department" in the fifth sentence and made related and minor stylistic changes throughout the section.

Section is not too vague to enable establishment by board of reasonable guidelines for revocation or suspension of license. In re Willoughby, 82 N.M. 443, 483 P.2d 498 (1971).

Board need not specify acts deemed unprofessional by rule or regulation, as these acts usually reflect general standards of ethics and practice which are adhered to in a profession. In re Willoughby, 82 N.M. 443, 483 P.2d 498 (1971).

Presence at hearing. - Absent evidence of prejudice or bias on part of board, fact that one member was not present for part of suspension hearing, while he was attempting to locate a witness, was excusable. In re Willoughby, 82 N.M. 443, 483 P.2d 498 (1971).

ARTICLE 14E MEDICAL RADIATION HEALTH AND SAFETY

61-14E-1. Short title.

Sections 1 through 12 [61-14E-1 to 61-14E-12 NMSA 1978] of this act may be cited as the "Medical Radiation Health and Safety Act".

History: Laws 1983, ch. 317, § 1.

61-14E-2. Purpose of act.

The purpose of the Medical Radiation Health and Safety Act [61-14E-1 to 61-14E-12 NMSA 1978] is to maximize the protection practicable for the citizens of New Mexico from ionizing radiation in the practice of the healing arts. This purpose is effectuated by establishing requirements for appropriate education and training of persons operating medical equipment emitting ionizing radiation, establishing standards of education and

training for the persons who administer radiologic procedures and providing for the appropriate examination and certification of those persons.

History: Laws 1983, ch. 317, § 2.

History: Laws 1983, ch. 317, § 4; 1991, ch. 14, § 1.

Bracketed material. - The bracketed reference to the department of environment was inserted by the compiler, as Laws 1991, ch. 25, § 4 establishes the department of environment and provides that all references to the environmental improvement division of the health and environment department shall be construed to mean the department of environment. The bracketed material was not enacted by the legislature and is not part of the law.

The 1991 amendment, effective June 14, 1991, added Paragraph (4) in Subsection C; in Subsection K, substituted "licensed practitioner" for "physician" and added "or the American chiropractic board of radiology" at the end; and made related stylistic changes.

61-14E-5. Board; powers; duties.

The board shall, pursuant to the advice and recommendations of the advisory council and following the procedures set forth in Section 74-1-9 NMSA 1978:

A. adopt and promulgate such rules, regulations and certification standards as may be necessary to effectuate the provisions of the Medical Radiation Health and Safety Act [61-14E-1 to 61-14E-12 NMSA 1978] and to maintain high standards of practice; and

The requirement of a certificate shall not apply to a licensed practitioner or auxiliary or health practitioner licensed or certified by an independent board; provided that any certification and examination program for auxiliaries established by an independent board shall be submitted to the advisory council and approved by the board. The requirement of a certificate shall also not apply to a student who is enrolled in and attending a required individual education program of a school or college of medicine, osteopathy, chiropractic, podiatry, dentistry, dental hygiene or radiologic technology to apply radiation to humans under the supervision of a licensed practitioner or under the direct supervision of a certified radiologic technologist.

History: Laws 1983, ch. 317, § 7; 1991, ch. 14, § 2.

The 1991 amendment, effective June 14, 1991, in the final paragraph, deleted "or a student enrolled in and attending a school or college of medicine, osteopathy, chiropractic, podiatry, dentistry, dental hygiene or radiologic technology who applies radiation to humans while under the supervision of a licensed practitioner or the direct supervision of a certified radiologic technologist" and added the second sentence.

ARTICLE 15 ARCHITECTS

61-15-1. Purposes of the act. (Effective until July 1, 1994.)

In order to safeguard life, health and property and to promote public welfare, any person practicing architecture in this state shall be required to submit evidence that he is qualified to practice and shall be registered as provided in the Architectural Act [Chapter 61, Article 15 NMSA 1978]. It shall be unlawful for any person to practice architecture in this state unless that person is duly registered or exempt under the provisions of the Architectural Act.

History: Laws 1931, ch. 155, § 1; 1939, ch. 82, § 1; 1941 Comp., § 51-1401; 1953 Comp., § 67-12-1; 1987, ch. 282, § 1.

Delayed repeals. - See 61-15-13 NMSA 1978.

Cross-references. - As to engineering practice, see 61-23-1 NMSA 1978 et seq.

The 1987 amendment, effective June 19, 1987, deleted the Subsection A designation at the beginning, substituted "in the Architectural Act" for "and from six months after the passage of this act" at the end of the first sentence, and in the second sentence

inserted "or exempt" following "is duly registered" and substituted "the Architectural Act" for "this act except as hereinafter provided" at the end.

Registration not required for licensed engineers. - Professional engineers licensed under 67-21-1 to 67-21-25, 1953 Comp. (now repealed) need not secure registration under this act. They are authorized to draw plans and construct buildings and to do many acts similar to those of registered architects. The two laws are similar, but need not be read together, since they are each for the purpose of regulating separate and distinct professions in which the actual practice calls for doing similar acts. 1939-40 Op. Att'y Gen. 79 (opinion rendered prior to enactment of Engineering and Land Surveying Practice Act).

Registration and residence prerequisites to county employment. - A county may not employ an architect who is not a resident of New Mexico and who has not obtained state registration. 1947-48 Op. Att'y Gen. No. 5072.

61-15-2. Definitions. (Effective until July 1, 1994.)

As used in the Architectural Act [Chapter 61, Article 15 NMSA 1978]:

A. "architect" means any individual registered under the Architectural Act to practice architecture;

B. "architectural services" means the services performed in the practice of architecture. These services include planning, providing preliminary studies, designs, drawings, specifications, other technical submissions and the observation of construction for the purpose of assuring substantial compliance with drawings and specifications and include such other professional services as may be necessary to the planning, progress and completion of any architectural services. It is recognized that an architect who has complied with all of the laws of New Mexico relating to the practice of architecture has a right to engage in activities properly classifiable as engineering insofar as it is incidental to his work as an architect. Likewise, it is recognized that an engineer who has complied with all of the laws of New Mexico relating to the practice of engineering has the right to engage in activities properly classified as architecture insofar as it is incidental to his work as an engineer, provided that in such cases an architect shall not hold himself out as practicing engineering and an engineer shall not hold himself out as practicing architecture, and further provided that the architect or engineer, as the case may be, shall perform only that part of the work for which he is professionally qualified and shall utilize qualified professional engineers, architects or others for those portions of the work in which the contracting professional engineer or architect is not qualified. Furthermore, the architect or professional engineer, as the case may be, shall assume all responsibility for compliance with all laws and ordinances relating to the designs or projects with which he may be engaged;

C. "board" means the board of examiners for architects;

D. "construction observation of a construction contract" means the interpretation of the drawings and specifications, the establishment of standards of acceptable workmanship and the periodic observation of construction to determine its consistency with the general intent of the construction documents when performed by a person engaged in the practice of architecture. Inspection of buildings by contractors, subcontractors or building inspectors or their agents shall not constitute construction observation of a construction contract;

E. "direct supervision" means that any documents bearing the architect's stamp and signature have been prepared under the immediate and responsible direction of the architect, who has exercised his direction, guidance and restraining power over the preparation of the documents and has exercised his professional judgment in all architectural matters embodied within the documents; and

F. "practice of architecture" means rendering or offering to render any service which requires architectural education, training and experience in connection with the design, construction, enlargement or alteration of a building or group of buildings and the space within and surrounding those buildings, which have as their principal purpose human occupancy or habitation.

History: 1978 Comp., § 61-15-2, enacted by Laws 1979, ch. 362, § 2; 1987, ch. 282, § 3.

Delayed repeals. - See 61-15-13 NMSA 1978.

Repeals and reenactments. - Laws 1979, ch. 362, § 2, repealed former 61-15-2 NMSA 1978, relating to definitions of "practice of architecture," "general administration of construction" and "building," and enacted a new 61-15-2 NMSA 1978.

The 1987 amendment, effective June 19, 1987, alphabetized and relettered the subsections; rewrote Subsection B; in Subsection D substituted "construction observation of a construction contract" for "general administration of a construction contract" at the beginning, and added "when performed by a person engaged in the practice of architecture" to the end of the first sentence and added the second sentence; inserted Subsection E; and rewrote Subsection F.

Six of the members shall be architects having ten years or more experience in the profession, five years of which shall have been in responsible charge of architectural projects, and shall have been registered as architects in New Mexico for at least five years. One of these six architects shall be in architectural education in an accredited college of architecture. The seventh member shall be a public member who is a voting member. The public member of the board shall not have been licensed as an architect, nor shall such public member have any significant financial interest, whether direct or indirect, in the occupation regulated.

B. Each member of the board shall be at least thirty years of age, a citizen of the United States and a resident of New Mexico for at least five years prior to the date of appointment.

Each member of the board whose term has not expired on the effective date of this section shall serve out his unexpired term.

D. Each member of the board shall receive a certificate of appointment from the governor and, before beginning his term of office, shall file with the secretary of state the constitutional oath of office. The governor may remove any member from the board for the neglect of any duty required by law, for incompetence or, if the member is a licensed architect, for any improper or unprofessional conduct as defined by regulations of the board.

E. The board shall elect a chairman, a vice chairman and a secretary and any other officers it deems necessary.

History: 1978 Comp., § 61-15-3, enacted by Laws 1979, ch. 362, § 3; 1987, ch. 282, § 4.

It shall be within the jurisdiction of the board to determine and prescribe by regulations the professional and technical qualifications necessary for the practice of architecture in New Mexico. C. Members of the board shall receive per diem and mileage as provided in the Per Diem and Mileage Act [10-8-1 to 10-8-8 NMSA 1978] and shall receive no other compensation, perquisite or allowance except for the secretary who shall receive, in addition, a salary to be set by the board. All expenses certified by the board as properly and necessarily incurred in the discharge of its duties, including authorized reimbursement, and including necessary expenses incident to cooperation with like boards of other states, shall be paid by the state treasurer out of the "fund of the board of examiners for architects" on the warrant of the secretary of finance and administration issued upon vouchers signed by the chairman and secretary or by two other members and the secretary of the board; provided, however, that at no time shall the total warrants issued exceed the total amount of funds accumulated under the Architectural Act [Chapter 61, Article 15 NMSA 1978]. All money derived from the operation of the Architectural Act shall be deposited with the state treasurer who shall keep the money in the fund of the board of examiners for architects.

D. The board shall hold at least once each year an examination of applicants for registration, at a time and place designated by the board. The board shall keep a complete record of all examinations, written or oral.

E. Upon application, upon a prescribed form and upon payment by the applicant of a fee set by the board, the board shall consider the application and, in cases as herein authorized, shall issue a certificate of registration as an architect to any person who submits evidence satisfactory to the board that he is fully qualified to practice architecture.

F. It is the duty of the board to report to the district attorney of the district where the offense was committed any person violating any provision of the Architectural Act.

G. The board may refuse to issue, may suspend or may revoke any license, in accordance with the provisions of the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], for any of the grounds set forth in Section 61-15-12 NMSA 1978 or for any violation of the Architectural Act.

H. The board, in cooperation with the state board of registration for professional engineers and land surveyors and the board of landscape architects, shall create a joint standing committee to be known as the "architect-engineer-landscape architect-joint practice committee". The committee shall have as its purpose the resolution of disputes concerning the professions. The composition of the committee and its duties and powers shall be in accordance with identical resolutions adopted by each board.

History: Laws 1931, ch. 155, § 3; 1939, ch. 82, § 3; 1941 Comp., § 51-1403; 1953 Comp., § 67-12-3; Laws 1959, ch. 12, § 1; 1963, ch. 43, § 16; 1977, ch. 247, § 174; 1979, ch. 362, § 4; 1987, ch. 282, § 5.

Delayed repeals. - See 61-15-13 NMSA 1978.

The 1987 amendment, effective June 19, 1987, in Subsection A substituted "at least four" for "a meeting within sixty days after its members are first appointed and thereafter shall hold at least two" in the first sentence and added the last sentence; in Subsection C, in the last sentence, substituted "fund of the board of examiners for architects" for "separate fund hereinafter designated"; in Subsection D added the last sentence; in Subsection E substituted "a fee set by the board" for "a fee of fifty dollars (\$50.00)"; in Subsection H in the first sentence, inserted "and the board of landscape architects" following "land surveyors", inserted "landscape architect" in the committee name, and in the second sentence deleted "two" preceding "professions"; and made minor language changes throughout the section.

No fee charged for registration certificate. - A plain reading of Subsection E discloses that the board is required to issue a certificate of registration to an applicant upon being satisfied of the applicant's qualifications. No mention is made in the section of any fee to be charged for the architect's first certificate of registration. 1966 Op. Att'y Gen. No. 66-44.

Application fee not payable in installments. - This section clearly prescribes an application fee of \$50.00 which must be paid in its entirety at the time the application is made. There is no provision or even an indication in the law which would permit payment of the fee in installments. 1966 Op. Att'y Gen. No. 66-44.

However, each year of teaching or study of architecture satisfactorily completed in a school of architecture of a standing satisfactory to the board shall be equivalent to one year of professional experience. In addition, effective January 1, 1990, an applicant for examination for registration must have a professional degree from an accredited architectural program in order to be eligible for the examination for registration.

The 1987 amendment, effective June 19, 1987, divided the former Subsection A into the present Subsections A and B and relettered the subsequent subsections; in Subsection B substituted "professional experience" for "such active engagement" at the end of the second sentence and added the third sentence; in Subsection D deleted the former last sentence which read "In case the board denies the issuance of a certificate to an applicant, one-half of the registration fee deposited shall be returned by the board to the applicant"; in Subsection E substituted "sole proprietorship" for "firm" where it appears in the first and second sentences, deleted "joint stock" preceding "association" both places that word appears and substituted "F, G and H" for "E, F and G"; in Subsection F substituted "individuals or through partnerships" for "individual partners or through joint stock"; in Subsection H deleted "joint stock" preceding "association" in five places, and substituted "direct supervision of" for "responsible charge of and directly responsible for" at the end; and made minor language changes throughout the section.

United States citizenship is not required to be an architect licensed to practice in New Mexico. 1941-42 Op. Att'y Gen. No. 4177.

Applicant entitled to 50% refund upon examination failure. - Because failure to pass the examinations required by the board is a statutory basis for refusal of the registration certificate, the board must refund to the applicant 50% of the registration fee he deposited. 1966 Op. Att'y Gen. No. 66-79.

Full fee required with subsequent application. - A failure of all or a portion of the examination required by the board, necessitates the denial of the issuance of a certificate of registration to an applicant, and the applicant must then pay the full \$50.00 application fee before he may again be considered by the board for issuance of a certificate of registration even though he might not be required to take all sections of the examination on his subsequent attempts. 1966 Op. Att'y Gen. No. 66-79 (rendered under prior law).

61-15-7. Certificates of registration. (Effective until July 1, 1994.)

A. Each registrant may, upon registration, obtain the seal of the design authorized by the board, which bears the registrant's name and the legend "Registered Architect - State of New Mexico". Plans, specifications, plats and reports issued by a registrant shall be stamped with the seal during the life of a registrant's certificate.

B. Certificates of registration shall expire on the last day of December following their issuance or renewal and shall be invalid after that date unless renewed.

C. Renewal may be effected at any time during December by the payment of a fee in an amount set by the board. The registrant shall satisfy the board that he is still proficient and qualified to practice architecture, as required by the board. Fees shall be paid to the board.

D. The failure on the part of any registrant to renew his certificate annually in December shall not deprive that person of the right of renewal thereafter, but the fee to be paid for the renewal of a certificate after December shall be increased ten percent for each month or a fraction of a month that the payment for renewal is delayed.

Delayed repeals. - See 61-15-13 NMSA 1978.

The 1987 amendment, effective June 19, 1987, in Subsection C deleted from the end of the first sentence "but not to exceed fifty dollars (\$50.00) for a legal resident and one hundred dollars (\$100) for a nonresident" and deleted from the last sentence "the secretary of" preceding "the board"; in Subsection D deleted the former last sentence which read "The maximum fee for a delayed renewal shall not exceed twice the normal fee for each and every year that registrant remains in default"; and made minor changes in language and punctuation throughout the section.

Initial registration certificate free. - This section does not provide for any registration fee to be collected at the time the applicant has been accepted by the board as being entitled to registration as a New Mexico architect. Thus, a New Mexico architect appears to be entitled to his original certificate of registration free of charge. 1966 Op. Att'y Gen. No. 66-44.

61-15-8. Exemptions. (Effective until July 1, 1994.)

A. The following shall be exempt from the provisions of the Architectural Act [Chapter 61, Article 15 NMSA 1978]:

(1) architects who are not legal residents of and have no established places of business in this state who are acting as consulting associates of a legal resident architect registered under the provisions of the Architectural Act, provided the nonresident architects are qualified for such professional service in their own state or country; and

(2) architects acting solely as officers or employees of the United States or any interstate railroad system.

B. Nothing in the Architectural Act shall prevent the draftsmen, students, superintendents and other employees of lawfully practicing architects under the provisions of the Architectural Act from acting under the instructions, control or supervision of the employer or shall prevent the employment of superintendents on the construction, enlargement or alterations of buildings or any appurtenances thereto or shall prevent those superintendents from acting under the direct supervision of registered architects by whom the plans and specifications of any building, enlargements, constructions or alterations were prepared.

History: Laws 1931, ch. 155, § 7; 1939, ch. 82, § 7; 1941 Comp., § 51-1407; 1953 Comp., § 67-12-7; 1987, ch. 282, § 9.

Delayed repeals. - See 61-15-13 NMSA 1978.

The 1987 amendment, effective June 19, 1987, substituted "the Architectural Act" for "this Act" throughout the section; redesignated the former Subsections B and C as Paragraph (1) and (2) of Subsection A; deleted the former Subsection D as set out in the 1986 Replacement Pamphlet; redesignated the former Subsection E as Subsection B; and in Subsection B, deleted "clerks of the work" preceding "superintendents" near the beginning and substituted "direct supervision" for "immediate personal supervision" near the end; and made minor changes in language and punctuation throughout the section.

Substantial compliance suffices. - Where an independent school district hires a registered and resident New Mexico architect to design and supervise the construction

of a new junior high school and employs a firm of out-of-state architects and engineers and where the work is commenced and the architectural design, preliminary surveys and climate control is complete, the New Mexico architect dies, prior to the actual finalization of the plans, substantial compliance exists with the Architectural Act. The school district may construct the proposed project based upon the plans completed by the out-of-state firm. However, it must be emphasized that any further architectural services of any nature must be performed by a registered resident pursuant to 61-15-9 NMSA 1978. 1965 Op. Att'y Gen. No. 65-7.

61-15-9. Restrictions. (Effective until July 1, 1994.)

A. Except as otherwise provided in the Architectural Act [Chapter 61, Article 15 NMSA 1978], neither the state nor any political subdivision of the state shall engage in the construction of any public work involving architecture for which the plans, specifications and architectural services have not been provided by legal resident registered architects of the state. Except in the case of school districts, nothing in this section shall be held to apply to public work for which the expenditure for the complete project does not exceed one hundred thousand dollars (\$100,000). In the case of school districts, nothing in this section shall apply:

(1) to public work for which the expenditure for the complete project does not exceed one hundred thousand dollars (\$100,000); or

(2) to the construction or relocation of portable classroom units that are intended for use as temporary classrooms. Portable classrooms will not be considered temporary where more than four units are joined together.

B. Nothing in the Architectural Act shall prevent any person from preparing building plans and specifications without being registered unless the building plans and specifications involve public safety or health, but the work shall be done only on:

(1) single-family dwellings not more than two stories in height;

(2) multiple dwellings not more than two stories in height containing not more than four dwelling units of wood-frame construction; provided, this paragraph shall not be construed to allow a person who is not registered under the Architectural Act to design multiple clusters of up to four dwelling units each to form apartment or condominium complexes where the total exceeds four dwelling units on any lawfully divided lot;

(3) garages or other structures not more than two stories in height which are appurtenant to buildings described in Paragraphs (1) and (2) of this subsection; or

(4) nonresidential buildings, as defined in the uniform building code, unless the building code official having jurisdiction has found that the submission of plans, drawings, specifications or calculations prepared and designed by an architect or engineer licensed by the state is necessary to obtain compliance with minimum standards governing the preparation of building plans and specifications adopted by the construction industries division of the regulation and licensing department. The construction industries division shall set, by regulation, minimum standards for preparation of building plans and specifications pursuant to this paragraph.

C. Nothing in the Architectural Act shall require the state or any political subdivision of the state to secure the services of an architect or engineer for any public work project which consists of repair, replacement or remodeling of nonstructural elements of an existing structure.

History: Laws 1931, ch. 155, § 8; 1939, ch. 82, § 8; 1941 Comp., § 51-1408; 1953 Comp., § 67-12-8; Laws 1963, ch. 279, § 2; 1971, ch. 190, § 1; 1975, ch. 247, § 1; 1977, ch. 53, § 1; 1979, ch. 362, § 7; 1981, ch. 75, § 1; 1983, ch. 63, § 2; 1987, ch. 282, § 10.

Delayed repeals. - See 61-15-13 NMSA 1978.

The 1987 amendment, effective June 19, 1987, in Subsection B, in the opening clause, substituted "building plans" for "architectural plans" the first occurrence, substituted "building plans" for "plans" the second occurrence and deleted from the end "residences of less than three stories or the work shall be done on commercial, industrial or semi-public buildings, the construction cost of which does not exceed eighty thousand dollars (\$80,000)", and added Paragraphs (1) through (4); and deleted the former Subsection C as set out in the 1986 Replacement Pamphlet and redesignated the former Subsection D accordingly.

Substantial compliance suffices. - Where an independent school district hires a registered and resident New Mexico architect to design and supervise the construction of a new junior high school and employs a firm of out-of-state architects and engineers and where the work is commenced and the architectural design, preliminary surveys and client control is complete, the New Mexico architect dies, prior to the actual finalization of the plans, substantial compliance exists with the Architectural Act. The school district may construct the proposed project based upon the plans completed by the out-of-state firm. However, it must be emphasized that any further architectural services of any nature must be performed by a registered resident of New Mexico pursuant to this section. 1965 Op. Att'y Gen. No. 65-7.

Unlicensed architect allowed on less than three storied residence. - An individual, firm, or corporation may practice architecture without being registered, where the work is done on residences of less than three stories. 1933-34 Op. Att'y Gen. 28.

Licensed engineer not restricted. - A professional licensed engineer does not violate this section by drawing plans and constructing a building, since authority to do so is conferred upon him by law. 1939-40 Op. Att'y Gen. 44 (opinion rendered prior to enactment of Engineering and Land Surveying Practice Act).

Licensed engineers not affected. - Section 10 of Laws 1939, ch. 82 does not repeal the matter pertaining to engineers in 67-21-1 to 67-21-25, 1953 Comp. (now repealed) since these acts must be read separately, similar powers being conferred upon professional engineers as are granted to architects in this act. 1939-40 Op. Att'y Gen. 79 (opinion rendered prior to enactment of Engineering and Land Surveying Practice Act).

The 1987 amendment, effective June 19, 1987, in the opening clause substituted "two hundred fifty dollars (\$250) or more than one thousand (\$1,000)" for "one hundred dollars (\$100) nor more than five hundred dollars (\$500)", in Subsection F substituted "registered" for "licensed" following "unless exempted or duly"; and made minor language changes throughout the section.

A. In accordance with the provisions of the Uniform Licensing Act [61-1-1 to 61-1-31 NMSA 1978], the board may refuse to issue, may suspend or may revoke any certificate of registration as an architect upon the grounds that the licensee or applicant is:

D. Nothing in the Architectural Act shall be construed as requiring the board to report, for the institution of proceedings, minor violations of that act provided that the board, after an informal hearing, determines that the public interest will be adequately served by a suitable written notice or warning or by the suspension of the offender's license or certificate of registration for a period not to exceed thirty days.

The 1987 amendment, effective June 19, 1987, substituted the present opening clause for "that on and after the effective date of this act, it shall be"; in Subsection A, substituted "the Barbering Act by the board" for "this Act by the board of Barber Examiners as hereinafter established"; deleted the former subsection B as set out in the 1986 Replacement Pamphlet; relettered the subsequent subsections accordingly; in Subsection C, deleted from the end "or a valid, unrevoked and unexpired certificate of registration as a registered apprentice"; and made minor changes in language and punctuation throughout the section.

Paroled felon not barred from applying. - A convicted felon, while on parole, is under no disqualification that would prevent him from applying for a license to practice barbering or any other trade, profession or occupation in this state. 1957-58 Op. Att'y Gen. No. 58-214.

Inapplicable in federal enclave. - The state of New Mexico may not require that barbers employed at White Sands missile range by a concessionaire under contract with the army and air force exchange service be subject to licensing and other regulation under the laws of New Mexico as administered by the state board of barber examiners. 1959-60 Op. Att'y Gen. No. 60-15.

Inspection prerequisite to reopening. - The opening of a barber shop after it was closed for some years constitutes the opening or establishment of such shop for which the inspection fee is payable. 1937-38 Op. Att'y Gen. 241.

61-17-3. Definitions. (Effective until July 1, 1994.)

As used in the Barbering Act [61-17-1 to 61-17-39 NMSA 1978]:

A. "board" means the board of barber examiners;

B. "secretary" means the secretary of the board;

C. "certificate" means a certificate of registration entitling the person to whom it is issued to practice barbering or entitling a barber school or barber shop to be operated;

D. "barber shop" means any place, shop or establishment wherein the practice of barbering is engaged or carried on;

E. "barber school" or "barber college" means any place, shop or establishment wherein the practices, fundamentals, theories or practical applications of barbering are taught; and

F. "barbering" means any one or any combination of the following practices when done upon the upper part of the human body for cosmetic purposes for the public generally, upon male or female:

(1) shaving or trimming the beard or cutting the hair;

(2) curling and waving, including permanent waving provided that after July 1, 1988 any person who applies to be licensed as a barber shall be examined by the board to determine the applicant's proficiency to practice permanent waving. Nothing in this section shall preclude licensed barbers from using hair dryers, blow dryers, air wavers, hot combs, curling irons or other implements used in thermal waving;

(3) giving facial and scalp massage or treatments with oils, creams, lotions or other preparations, either by hand or mechanical appliances;

(4) singeing, shampooing or dyeing the hair or applying tonics; and

History: Laws 1937, ch. 220, § 2; 1941 Comp., § 51-1602; 1953 Comp., § 67-14-2; Laws 1977, ch. 224, § 1; 1988, ch. 37, § 1; 1988, ch. 38, § 1.

Delayed repeals. - See 61-17-41 NMSA 1978.

The 1988 amendments. - Laws 1988, ch. 37, § 1, effective March 3, 1988, substituting "the Barbering Act" for "Sections 67-14-1 through 67-14-39 NMSA 1953" in the introductory paragraph; making minor stylistic changes in Subsections A and F; and substituting the language in Subsection F(2) following "including permanent waving", including a sentence regarding barbers licensed prior to July 1, 1988, for the former provision regarding the securing of an endorsement from the board of barber examiners as a prerequisite to practicing curling and waving, including permanent waving and blow-waving, was approved March 3, 1988. However, Laws 1988, ch. 38, § 1 also effective March 3, 1988, effecting the same changes but not adding the sentence regarding barbers licensed prior to July 1, 1988, was approved later on March 3, 1988. The section is set out as amended by Laws 1988, ch. 38, § 1. See 12-1-8 NMSA 1978.

61-17-4. Regulation of barber schools. (Effective until July 1, 1994.)

A. No barber school or barber college shall be approved by the board unless it requires as a prerequisite to graduation a course of instruction of not less than twelve hundred hours, including the following subjects:

(1) scientific fundamentals of barbering;

(2) hygiene;

(3) histology of the hair and skin;

(4) structure of the head, face and neck;

(5) elementary chemistry relating to sterilization and antiseptics;

(6) massaging and manipulating the muscles of the scalp, skin and neck;

(7) haircutting;

(8) shaving; and

(9) arranging, coloring, bleaching and tinting hair.

B. No barber school or barber college shall enroll or admit any student unless the student completes and files an application of such form and containing such matters as the board may prescribe. The application shall be retained by the barber school or barber college enrolling or admitting the student. Should a barber school cease to operate, all applications and graduate records or copies thereof shall be filed with the board.

C. No barber school or barber college shall enroll or admit any student in a postgraduate course for the purpose of qualifying persons to pass the examination conducted by the board to determine fitness to practice barbering unless the student files an application which shows that he has either graduated from a barber school or barber college approved by the board or can prove by sworn affidavits that he has practiced as a barber in another state for at least two years immediately prior to filing the application. The application shall be retained by the barber college or barber school so admitting or enrolling the student. Should a barber school cease to operate, all applications and graduate records or copies thereof shall be filed with the board. Nothing in this subsection shall be construed as limiting or modifying the provisions of Section 61-17-6 NMSA 1978.

D. It is unlawful for any person, firm or corporation to operate a barber school or barber college without first obtaining a permit from the board, fully complying with the provisions of the Barbering Act [61-17-1 to 61-17-39 NMSA 1978] and paying an annual fee for the operation thereof.

History: Laws 1937, ch. 220, § 3; 1941 Comp., § 51-1603; 1953 Comp., § 67-14-3; Laws 1975, ch. 39, § 1; 1987, ch. 107, § 2.

Delayed repeals. - See 61-17-41 NMSA 1978.

The 1987 amendment, effective June 19, 1987, in Subsection C, in the first sentence deleted "holds a valid, unexpired and uncanceled certificate of registration as a registered apprentice" following "approved by the board" near the middle of the sentence, and in the fourth sentence substituted "Section 61-17-6 NMSA 1978" for "Section 67-14-4 NMSA 1953"; and made minor changes in language and punctuation throughout the section.

No upper limit on required hours. - The language used clearly states the minimum number of hours necessary for graduation and places no maximum hours upon the course of study. 1957-58 Op. Att'y Gen. No. 57-153.

Students not required to charge fee. - This section is silent as to fees to be charged by student barbers, if any. The legislature could authorize a minimum fee to be charged for services performed by student barbers, but in lieu of such specific statutory authorization, student barbers, attending barber school, may refuse to accept or collect

any charge for barbering services rendered to the public. 1957-58 Op. Att'y Gen. No. 57-153.

(2) to own, manage, operate or control any barber shop, barber school or barber college in any city, town or village having a water distribution system unless continuous hot and cold running water is provided for in the barber shop, barber school or barber college;

(3) to own, manage, operate or control any barber school or barber college, part or portion thereof, whether connected therewith or in a separate building, where the practice of barbering as defined in the Barbering Act [61-17-1 to 61-17-39 NMSA 1978] is engaged in or carried on unless all entrances to the place where the practice of barbering is engaged in or carried on display a sign indicating that the work is done by students exclusively;

(4) to own, manage, control or operate any barber shop as defined in the Barbering Act unless the shop displays a recognizable sign indicating that it is a barber shop, which said sign shall be clearly visible at the main entrance to the shop;

(5) to use a towel that is used on one patron on another patron unless it has been laundered;

The 1987 amendment, effective June 19, 1987, designated the former first paragraph as Subsection A and the former second paragraph as Subsection B, in Subsection A(1) deleted "or apprentice" following "for any barber" at the beginning, in Subsection B substituted "those enumerated in Subsection A of this section" for "the foregoing" and made numerous changes in language throughout the section.

Board may not require unauthorized charges. - Under this section, the board may pass a rule requiring a transfer on its books of an annual barber shop establishment license when the shop is sold, or an exchange of the certificate transferred for a new one issued in lieu of the old and in the name of the vendee, but it may not make any charge for this transfer or exchange, since this section does not authorize such a charge and the board may not, by rule, require the payment of charges not authorized by law. 1939-40 Op. ARTICLE 18A COLLECTION AGENCIES

61-18A-1. Short title.

This act may be cited as the "Collection Agency Regulatory Act."

History: Laws 1987, ch. 252, § 1.

Effective dates. - Laws 1987, ch. 252, § 35 makes the act effective on July 1, 1987.

Meaning of "this act". - The term "this act", as used in this section, means Laws 1987, ch. 252, which appears as 61-18A-1 to 61-18A-33 NMSA 1978.

Agency may not practice law directly. - A collection agency engages in the unauthorized practice of law when it represents parties before judicial bodies, prepares pleadings, manages litigation, gives legal advice, renders services requiring legal skill, or prepares instruments which secure legal rights. *State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc.*, 85 N.M. 521, 514 P.2d 40 (1973).

Or indirectly. - Soliciting assignments of claims on a contingent fee basis and filing suit thereon on the same basis constitutes the practice of law. *State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc.*, 85 N.M. 521, 514 P.2d 40 (1973).

By procuring legal services. - A collection agency may solicit claims for collection, but it engages in the unauthorized practice of law when it holds out that it can procure or perform legal services in the collection process. 1974 Op. Att'y Gen. No. 74-28.

Or pro forma assignments. - Where the agency procures the assignment merely to facilitate filing suit, legal services are in effect offered; this is unauthorized practice. State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc., 85 N.M. 521, 514 P.2d 40 (1973).

Section 61-18A-26 NMSA 1978 does not authorize the practice of taking the assignment of debts from an underlying creditor on a contingency fee basis and the filing of a suit by the collection agency's own attorneys in the collection agency's own name. Kolker v. Duke City Collection Agency, 750 F. Supp. 468 (D.N.M. 1990).

Creditor must select attorney freely. - If nonlitigation methods fail, the agency must refer the claim back to the creditor and must advise him to select an attorney of his own choice. For the agency to take a pro forma interest in the claim to enable it to file suit in its own name is to actually furnish legal services and as such is unauthorized. 1974 Op. Att'y Gen. No. 74-28.

Agency may not control litigation. - Where assignment is pro forma, the fact that the agency directs the litigation constitutes the unauthorized practice of law. State ex rel. Norvell v. Credit Bureau of Albuquerque, Inc., 85 N.M. 521, 514 P.2d 40 (1973).

Or otherwise interfere with attorney-client relation. - If the creditor selects an attorney who is also an agency attorney, the agency may not control the litigation or interfere in any way with the attorney-client relationship; such control or interference constitutes the unauthorized practice of law. 1974 Op. Att'y Gen. No. 74-28.

A reexamination fee is required each time the applicant takes the examination.

A. When an applicant complies with all requirements of the Cosmetology Act [61-19A-1 to 61-19A-34 NMSA 1978], and furnishes a certificate from a licensed physician stating that he is free from tuberculosis, the board shall issue the applicant a license in the classification for which he is qualified to practice.

The demonstrator's certificate entitles the individual holder thereof who is not licensed under the Cosmetology Act [61-19A-1 to 61-19A-34 NMSA 1978] to demonstrate products or techniques for promotional purposes. Individuals holding a demonstrator's certificate are required to carry their certificate during all demonstrations. The annual fee is one hundred dollars (\$100) as specified in the Cosmetology Act. Regulations for obtaining a demonstrator's certificate shall be determined by the board. If the demonstrator's certificate is not renewed within thirty days after the specified expiration date, that certificate is void and may be reapplied for as per the regulations promulgated by the board. Compiler's note. - The reference to "Subsection N of Section 2 of the Cosmetology Act" in the last sentence in this section seems to be incorrect, as 61-19A-2N defines "junior operator." Section 61-19A-2O defines "guest artist."

61-19A-19. Application for cosmetological establishments, electrology clinics, schools of cosmetology and schools of electrology; bond of schools. (Effective until July 1, 1996.)

A. Cosmetological establishments, electrology clinics, schools of cosmetology or schools of electrology may be operated as follows: any person, firm or corporation desiring to operate a cosmetological establishment, electrology clinic, school of cosmetology or school of electrology shall make application, accompanied by the original registration fee as set forth in the Cosmetology Act [61-19A-1 to 61-19A-34 NMSA 1978]. The cosmetological establishment shall at all times be in charge of and under the immediate supervision of a licensed cosmetologist. The electrology clinic shall at all times be in charge of and under the immediate supervision of a licensed electrologist. Schools of cosmetology and schools of electrology must at all times be in charge of and under the immediate supervision of a licensed instructor of cosmetology or electrology, respectively.

B. Schools of cosmetology and schools of electrology shall be conducted as follows: application must be made and accompanied by the original registration fee as set forth in the Cosmetology Act. When the application is made between July 1 and June 30 following, there shall be paid to the board that portion of the registration fee specified in the Cosmetology Act which the unexpired number of months in the year bears to the entire year and shall include the month in which the application is made. This section does not authorize a school of cosmetology or electrology to be operated without the required licenses. A school of cosmetology or electrology shall be granted an original establishment license and school owner's license or annual renewal of its school owner's license only if it remains in full compliance with the provisions of the Cosmetology Act and the regulations of the board.

C. Each school shall post with the board a corporate surety bond in an amount equivalent to one thousand dollars (\$1,000) for each student regularly enrolled and regularly attending the school, but not more than five thousand dollars (\$5,000). The bond shall be in the form approved by the board and conditioned upon compliance with the provisions of the Cosmetology Act and upon faithful compliance with the terms and conditions of all contracts, verbal or written, made by the school to furnish instruction to

any person. The bond must be to the state and must be retained in the office of the superintendent of insurance. The bond must be in favor of every person who pays or deposits any money with the school as payment for any instruction. Every bond shall continue in force until notice of termination is given by registered mail to the office of the superintendent of insurance, and every bond shall set forth this fact. Every establishment exacting a fee for the teaching of any branch of cosmetology or electrology is a school of cosmetology or school of electrology within the meaning of this section, and shall comply with all of the provisions contained in the Cosmetology Act which pertain to schools of cosmetology or electrology.

D. The license provided in this section authorizes the school of cosmetology or electrology holding such license to transact operations in this state during the year or fraction thereof for which it is issued, subject to reasonable regulations of the board.

History: Laws 1979, ch. 382, § 19.

A. Schools of cosmetology or schools of electrology shall be located so as to be entirely separate from and have no connection with cosmetological establishments, electrology clinics or any other place of business.

B. Schools of cosmetology or schools of electrology may operate satellite classrooms located anywhere in the service area, but full cognizance must be given to the need for students to either transport themselves or be transported between the satellite classroom and the school, as the administrative center. Such an arrangement should facilitate engaging in cooperative efforts between public community colleges, technical institutes and proprietary cosmetology schools. While no limit is prescribed in relation to the distance that satellite classrooms may be from the center of administration, the transportation problem must be given full attention in order that the student's time may be productively utilized for instruction. The location of the satellite classroom must also be such that distractions, unnecessary noise or air pollution can be maintained at a minimum. The satellite classroom shall not offer any services to the public.

C. All brushes, combs, towels, instruments and applicators shall be sanitized before each use. All students and instructors shall wear washable uniforms. Containers for soiled brushes, combs, towels, instruments and applicators shall be provided and maintained in a sanitary condition. Floors shall have washable coverings.

D. Schools of cosmetology or schools of electrology shall provide separate rooms for classwork and practical instruction and a separate room for supervised practice. A separate locker for each student shall be provided. A bulletin board shall be provided on which a copy of the laws concerning the licensing of cosmetologists, electrologists and

instructors and the board's certificate of approval of the school shall be conspicuously displayed at all times.

E. Each school of cosmetology and schools [school] of electrology shall have, in good working order, apparatus and equipment necessary for the full and ready teaching of all subjects included in the curriculum. Schools shall keep daily records of attendance for each student and shall keep daily records of each subject and each practice for each student, and these records shall be open for inspection by members of the board or their officially appointed representatives. Any change in staff shall be reported to the board within ten days after the change has taken place. Instruction and supervision in theory, classroom and clinic shall be limited to twenty students per instructor. A minimum of one instructor must be employed by each school of cosmetology and by each school of electrology on a full-time basis. Each school library shall consist of not less than ten books that are in good condition for study and shall be available to the students at all reasonable times.

F. Students and student instructors applying for matriculation in a school of cosmetology or a school of electrology shall first be registered with the board, and the registration shall be accompanied by a fee of ten dollars (\$10.00) and evidence that the student is at least sixteen years of age and of good health as evidenced by a medical certificate signed by a licensed physician or medical laboratory stating that the applicant is free from tuberculosis, proof of two years' high school or the equivalent for cosmetology and electrology students and proof of completion of the twelfth grade or the equivalent for student instructor enrollees.

G. In order to obtain credit for time spent in the study of cosmetology or electrology elsewhere than in this state, evidence must be verified by the state board of cosmetology in the state where attendance occurred. Credit will be granted in accordance with regulations promulgated by the board.

H. Curriculum is prescribed as follows:

(1) prior to applying for the appropriate examination, at least:

(a) sixteen hundred hours of theoretical study and actual practice in an approved school of cosmetology shall be required of each student prior to applying for the cosmetology examination;

(e) two hundred hours of theoretical study and actual practice or, in lieu thereof, proof of one year's actual experience in a licensed electrology clinic shall be required of each applicant prior to applying for the electrology instructor's examination;

(2) practical instruction shall consist of classwork and individual instruction in all subjects of each practice and shall include actual practice by the students on transformations or other devices, on other students or on the public; and

(3) the board shall appoint a committee to assist in prescribing the curriculum which shall be taught by the schools of cosmetology and schools of electrology licensed under the Cosmetology Act [61-19A-1 to 61-19A-34 NMSA 1978]. There shall be thirteen members on the curriculum committee as follows: the board member who is responsible for the administration of the continuing education program; the board member who is responsible for licensing; two school owners; two licensed instructors; two licensed electrologists; two licensed cosmetologists; two cosmetological establishments; and the executive director. None of the members may represent the same business or educational institution. The committee shall meet at least annually at the direction of the board.

I. It is unlawful for any school of cosmetology or school of electrology to permit its students to practice cosmetology or electrology on the public under any circumstances until the student has completed fifteen percent of the total hours required, with the exception of shampooing and manicuring-pedicuring, not to exceed five hours per week per student.

J. Any school of cosmetology or school of electrology enrolling student instructors shall not have at any one time more than one student instructor for each licensed instructor actively engaged in teaching at the school.

K. No instructor or student instructor shall be permitted to practice cosmetology or electrology on the public other than that part of the practical work which pertains directly to the teaching of subjects included in the curriculum.

L. Each school of cosmetology shall display, in a conspicuous place within the clinic area of the school, a sign which shall read: "All services in this school are performed by students who are in training as cosmetologists or manicurists-pedicurists." Each school of electrology shall display, in a conspicuous place within the clinic area of the school, a sign which shall read: "All services in this school are performed by students who are in training as electrologists."

M. No school of cosmetology or school of electrology shall pay compensation to any of its students, either directly or indirectly.

N. No school of cosmetology or school of electrology may conduct a clinical department for compensation until the school has been in operation for a period of fifteen percent of the total time necessary to provide fifteen percent of the hours of instruction required under the Cosmetology Act.

The license may not be the subject of a sale, transfer, assignment, conveyance, lease, bequest, gift or other means of transfer. The sale, transfer, assignment, lease, bequest or gift of any part or all of any establishment will not include any license issued by the board. The legislature declares that it is a matter of public safety, interest and concern that the practices of engineering and surveying merit and receive the confidence of the public and that only qualified persons be permitted to engage in the practices of engineering and surveying. In order to safeguard life, health and property, and to promote the public welfare, any person in either public or private capacity practicing or offering to practice engineering or surveying shall be required to submit evidence that he is qualified to so practice and shall be registered as provided in the Engineering and Surveying Practice Act [61-23-1 to 61-23-32 NMSA 1978]. It shall be unlawful for any person to practice or offer to practice in New Mexico, or to use in connection with his name or otherwise assume, use or advertise any title or description tending to convey the impression that he is a professional engineer, engineer, professional surveyor or surveyor unless that person is registered or exempt under the provisions of the Engineering and Surveying Practice Act which shall be construed in accordance with this declaration of policy.

61-23-3. Definitions. (Effective until July 1, 1994.)

As used in the Engineering and Surveying Practice Act [61-23-1 to 61-23-32 NMSA 1978]:

A. "board" means the state board of registration for professional engineers and surveyors;

B. "engineering" or "practice of engineering" means any service or creative work, the adequate performance of which requires engineering education, training and experience in the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems, engineering studies and the review of construction for the purpose of assuring substantial compliance with drawings and specifications; any of which embrace such services or work, either public or private, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects and industrial or consumer products or equipment of a mechanical electrical, hydraulic, chemical, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. The practice of engineering does not include responsibility for the superintendence of construction, site conditions, operations, equipment, personnel or the maintenance of safety in the work place;

C. "engineer" or "professional engineer" means a person who practices any branch of the profession of engineering or who, by verbal claim, sign, advertisement, letterhead, card or in any other manner publicly professes to be an engineer or a professional engineer, or through the use of some other title implies that he is an engineer or a professional engineer and is registered under the Engineering and Surveying Practice Act and is able to perform or does perform engineering service or work or any other designated service recognized as engineering;

D. "engineering intern" means a person who has qualified for, taken and passed an examination in the fundamental engineering subjects as provided in the Engineering and Surveying Practice Act;

E. "engineering work" means the work performed in the practice of engineering. The board recognizes that in certain fields of practice there is a broad overlap between the

work of engineers and architects. This is particularly true in the design of buildings and similar structures. An architect who has complied with all the laws of New Mexico relating to the practice of architecture has a right to engage in activities properly classifiable as engineering insofar as it is necessarily incidental to his work as an architect, provided that the architect does not hold himself out as practicing engineering; and an engineer who has complied with all of the laws of New Mexico relating to the practice of engineering has a right to engage in activity properly classified as architecture insofar as it is incidental to his work as an engineer, provided the engineer does not hold himself out as practicing architecture; and further provided that the architect or engineer, as the case may be, shall perform only that part of the work for which he is professionally qualified, and shall utilize qualified professional engineers or architects, or others, for those portions of the work in which the contracting professional engineer or architect is not qualified. Furthermore, the architect or professional engineer, as the case may be, shall assume all responsibility for compliance with all the laws or ordinances relating to the designs or projects with which he may be engaged;

F. "responsible charge" means direct control and personal supervision of engineering work or surveying as the case may be;

G. "surveying" or "practice of surveying" means any service or work, the substantial performance of which involves the application of the principles of mathematics and the related physical and applied sciences for:

(1) the measuring and locating of lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings and on the beds or bodies of water for the purpose of defining location, areas and volumes;

(2) the monumenting of property boundaries and for the platting and layout of lands and subdivisions thereof;

(3) the application of photogrammetric methods used to derive topographic and other data;

(4) the establishment of horizontal and vertical controls for surveys for design, topographic surveys including photogrammetric methods, construction surveys of engineering and architectural public works projects; and

(5) the preparation and perpetuation of maps, records, plats, field notes and property description;

H. "surveyor" or "professional surveyor" means a person who practices the profession of surveying or who, by verbal claim, sign, advertisement, letterhead, card or in any manner, publicly professes to be a surveyor or professional surveyor or through the use of some other title implies that he is a surveyor or a professional surveyor or that he is registered under the Engineering and Surveying Practice Act and is able to perform or

does perform surveying service or work or any other designated service recognized as surveying;

I. "surveying intern" means a person who has qualified for, taken and passed an examination in the fundamentals of surveying subjects as provided in the Engineering and Surveying Practice Act; and

J. "surveying work" means the work performed in the practice of surveying. The board recognizes that there is overlap between the work of engineers and surveyors in the design of an engineering project that is executed under the control of the engineer who has primary engineering responsibility for the project. In the case of such a project, a qualified engineer who has complied with all of the laws of the state of New Mexico relating to the practice of engineering has the right to engage in:

(1) the application of photogrammetric methods used to derive topographic and other data; and

(2) the establishment of horizontal and vertical controls for surveys for design, topographic surveys including photogrammetric methods and construction surveys of engineering and architectural public works projects.

For provisions of former section, see 1981 Replacement Pamphlet. For present comparable provisions, see Subsections A and G of 61-23-24 NMSA 1978.

The landscape architect members of the board shall be appointed from lists submitted to the governor by the New Mexico chapter of the American society of landscape architects. 61-28-8. Prohibition against practicing without a permit. (Effective until July 1, 1994.)

A. It is unlawful for a person to engage in the practice of public accountancy in this state unless such person is the holder of a valid permit to practice public accountancy issued by the board; provided that:

(1) nothing in the New Mexico Public Accountancy Act of 1987 [Chapter 61, Article 28 NMSA 1978] shall prohibit a certified public accountant or registered or licensed public accountant of another state, territory or insular possession of the United States or of the District of Columbia or any accountant of a foreign country lawfully practicing therein from temporarily practicing in this state on professional business;

(2) a certified public accountant or a registered or licensed public accountant of another state, territory or insular possession of the United States or of the District of Columbia may be granted a certificate of proficiency by reciprocity upon furnishing satisfactory evidence to the board that:

(a) at the time of application, he is in good standing in another jurisdiction which extends reciprocity to certificate holders in this state; and

(b) at the time of the issuance of the applicant's certificate in the other jurisdiction, he would have met all such requirements then applicable in this jurisdiction. An applicant who has held a valid permit or license to practice for at least five years and has practiced public accountancy for at least five years after the issuance of a permit shall be deemed to have met the requirements of this state. No certificate of proficiency as a registered public accountant by reciprocity will be granted after December 31, 1987; and

(3) a certified public accountant or a registered or licensed public accountant of another state, territory or insular possession of the United States or of the District of Columbia who is authorized to practice in that jurisdiction and who applies for a certificate by reciprocity in this state shall, from the date of filing a completed application which apparently satisfies all requirements with the board, be deemed qualified to practice and may practice public accountancy in this state until the board has acted upon his application. This temporary authority to practice shall not act to prevent the board from refusing to issue a certificate or permit if the applicant otherwise fails to qualify for a certificate or permit under the New Mexico Public Accountancy Act of 1987.

B. Nothing in the New Mexico Public Accountancy Act of 1987 shall be construed in such a manner as to apply to practicing attorneys at law.

If the applicant does not elect to take the remaining parts of the certified public accountant examination, then the applicant may continue to apply for and take the registered public accountant examination subject to the provisions of Section 61-28-28 NMSA 1978;

(5) have passed the registered public accountant examination that was taken prior to January 1, 1988 and have not yet been issued a certificate of proficiency as a registered public accountant due to the failure of the applicant to meet the experience requirement of Subsection A of this section and who satisfactorily complete one hundred twenty hours of continuing professional education in the review or audit functions of public accountancy within forty-two months of the date that the experience requirement is satisfied; or

(6) held a certificate of proficiency, but not a valid permit, as a registered public accountant and who, no later than December 31, 1990, and after having obtained a permit to practice as a registered public accountant, satisfactorily complete the continuing professional education requirement of Paragraph (1), (2) or (3) of this subsection. A person who upon entering the service has an unexpired period for compliance with any provision of the New Mexico Public Accountancy Act of 1987 [Chapter 61, Article 28 NMSA 1978] shall have an equal period, but not less than twelve months after discharge from the service, to complete compliance with that act.

D. A candidate who has met the requirements for eligibility to take the examination, except for the educational requirement and the public accountancy experience requirement under Subsection A of this section, who expects to meet the educational requirement within sixty days following the examination shall be eligible to take the examination. No certificate shall be issued, nor shall credit for the examination or any part of it be given, unless such requirement is in fact completed within that time and the candidate presents evidence of completion of the education requirement to the board.

ARTICLE 29

REAL ESTATE BROKERS AND SALESMEN

61-29-1. Prohibition. (Effective until July 1, 1994.)

It is unlawful for any person, business association or corporation to engage in the business, act in the capacity of, advertise or display in any manner, or otherwise assume to engage in the business of, or act as, a real estate broker or real estate salesman within this state without a license issued by the New Mexico real estate commission.

History: 1953 Comp., § 67-24-19, enacted by Laws 1959, ch. 226, § 1; 1965, ch. 304, § 1.

Delayed repeals. - See 61-29-19 NMSA 1978.

Generally, as to advertisements violating section. - It is a violation of this section for a person, business firm or corporation to advertise the disposition of real estate using the terms "Real Estate Agency," "Realty," "Agency" or "Broker" without first being licensed as a real estate broker as is defined in 61-29-2 NMSA 1978. It is not really important whether or not the person, business firm or corporation doing the advertising uses the terms "Real Estate Agency," "Realty," "Agency" or "Broker." The real question is: have they advertised themselves as offering a service which comes within the definition of a real estate broker and a real estate salesman? 1966 Op. Att'y Gen. No. 66-16.

Brokerage can encompass sale of interest in real estate contract. - Commission had jurisdiction over real estate broker's sale of an interest in a real estate contract since broker was a real estate broker as defined in 61-29-2A NMSA 1978 and represented himself as such and acted in that capacity. *Elliott v. A. A "real estate broker" within the meaning of Chapter 61, Article 29 NMSA 1978 is a person, business association or corporation who for a salary, fee, commission or valuable consideration lists, sells or offers for sale, buys or offers to buy or negotiates the purchase or sale or exchange of real estate or who leases or offers to lease or rents or offers for rent or auctions or offers or attempts or agrees to auction real estate or who buys or offers to buy, sell or offers to sell or otherwise deals in options on real estate or advertises or holds himself out as being engaged in the business of buying, selling, exchanging, renting, leasing, auctioning or dealing with options on any real estate or the improvement thereon for others, as a whole or partial vocation. The term "broker" also includes any person employed by or on behalf of the owner of real estate to conduct the sale, leasing or other disposition thereof at a salary or fee, commission or any other consideration. It also includes any person who engages in the business of charging an advance fee or contracting for collection of a fee in connection with any contract whereby he undertakes primarily to promote the sale of real estate through its listing in a publication issued primarily for such purpose or for referral of information concerning such real estate to brokers, or both. The term "real estate", as used in Chapter 61,

Article 29 NMSA 1978, shall include leaseholds and other interest less than leaseholds, including rights to use property. Resident managers of apartment buildings are not required to be licensed, provided they do not carry on any other real estate activity and do not serve as a resident manager for more than one employer.

B. A "real estate salesperson" within the meaning of Chapter 61, Article 29 NMSA 1978 is any person who for a compensation or valuable consideration is associated with or engaged under contract either directly or indirectly by or on behalf of a licensed broker to participate in any activity included in Subsection A of this section or in the pursuance of such broker's business, as a whole or partial vocation.

C. Any one act of a person, business association or corporation in performing or attempting to perform an activity set forth in this section shall constitute the person, business association or corporation a real estate broker or real estate salesperson.

D. The provisions of Chapter 61, Article 29 NMSA 1978 shall not apply to any person, business association or corporation who as owner or lessor performs any of the aforesaid with reference to property owned or leased by them or to the employees of the owner or lessor or to the employees of a real estate broker acting on behalf of the owner or lessor, with respect to the property so owned or leased, where such acts are performed in the regular course of or as incident to the management of such property and the investments therein, except where the sale or offering for sale or the lease or offering for lease of such property constitutes a subdivision containing one hundred or more parcels. The provisions of Chapter 61, Article 29 NMSA 1978 shall not apply to persons acting as attorney-in-fact under a duly executed power of attorney from the owner authorizing the final consummation by performance of any contract for the sale, leasing or exchange of real estate. Chapter 61, Article 29 NMSA 1978 shall not be construed to include in any way the services rendered by an attorney at law in the performance of his duties as attorney at law. Chapter 61, Article 29 NMSA 1978 shall not be held to include, while acting as such, a receiver, trustee in bankruptcy, administrator or executor or any person selling real estate under order of any court, or to include a trustee acting under trust agreement, deed of trust or will, or the regular salaried employees thereof. The provisions of Chapter 61, Article 29 NMSA 1978 shall not be construed to apply to the activities of a salaried employee of a governmental agency acting within the scope of his employment.

E. The provisions of Chapter 61, Article 29 NMSA 1978 shall not apply to persons who deal exclusively in mineral leases or the sale or purchase of mineral rights or royalties in any case wherein the fee to the land or the surface rights are in no way involved in the transaction.

Broker buying or selling property for himself. - The commission lacks jurisdiction over a real estate broker who is buying or selling property for himself, unless he holds himself out as a broker. *Vihstadt v. Real Estate Comm'n*, 106 N.M. 641, 748 P.2d 14 (1988).

Burden on broker when acting for himself. - A licensed broker has the burden of showing that there is no possibility of misunderstanding or confusion as to his status when he purports to act for himself. *Poorbaugh v. New Mexico Real Estate Comm'n*, 91 N.M. 622, 578 P.2d 323 (1978).

Hiring of note broker for sale of real estate contract. - Because the seller of a real estate contract, who hired a note broker to handle the sale, was not acting as a real estate broker during the sale, the commission lacked jurisdiction to revoke the seller's license for misrepresentation. *Vihstadt v. Real Estate Comm'n*, 106 N.M. 641, 748 P.2d 14 (1988).

Whether landowner made representation as to being real estate broker is factual determination to be made by the trier of fact. *Poorbaugh v. New Mexico Real Estate Comm'n*, 91 N.M. 622, 578 P.2d 323 (1978).

Broker to supervise salespeople. - This section and 61-29-11 NMSA 1978 express a clear legislative mandate that brokers, as the persons principally responsible to the public, actually be in a position to supervise the actions of their salespeople. At the same time, the statutes do not require the broker himself to engage in business full-time. 1980 Op. Att'y Gen. No. 80-22.

The exemption contained in Subsection D applies only to those persons holding the power of attorney and who are not engaged in business as real estate brokers. 1965 Op. Att'y Gen. No. 65-122.

Broker status not changed by power of attorney. - Where a real estate broker entered into a real estate transaction as a broker, he was not exempt from the jurisdiction of the commission under the "attorney in fact" exception in Subsection D, even though he was given the power of attorney to enable him to complete the transaction without the owners being present. *Elliott v. New Mexico Real Estate Comm'n*, 103 N.M. 273, 705 P.2d 679 (1985).

Activities not excepted. - Activities did not fall within exception provided for in Subsection D. See *Bosque Farms Home Center, Inc. v. Tabet Lumber Co.*, 107 N.M. 115, 753 P.2d 894 (1988).

No license required for arranging investments. - Arranging investments in real estate contracts is not a transaction for which a real estate broker's or salesperson's license is required. *Garcia v. New Mexico Real Estate Comm'n*, 108 N.M. 591, 775 P.2d 1308 (Ct. App. 1989).

There is created the New Mexico real estate commission, called "the commission" in Chapter 61, Article 29 NMSA 1978. The commission shall be appointed by the governor and shall consist of five members who shall have been residents of the state for three consecutive years immediately prior to their appointment, four of whom shall have been real estate brokers licensed in New Mexico and one of whom shall be a member of the public who has never been licensed as a real estate broker or salesperson; provided not more than one member shall be from any one county within the state. The members of the commission shall serve for a period of five years or until their successors are appointed and qualified. Members to fill vacancies shall be appointed for any unexpired term. The governor may remove any member for cause. The commission shall possess all the powers and perform all the duties prescribed by Chapter 61, Article 29 NMSA 1978 and as otherwise provided by law, and it is expressly vested with power and authority to make and enforce any rules and regulations to carry out the provisions of that article. The hearing shall be held at least thirty days prior to any proposed final action. Any changes or amendments to the rules and regulations shall be filed in accordance with the procedures of the State Rules Act [14-3-24, 14-3-25, 14-4-1 to 14-4-9 NMSA 1978] and shall become effective thirty days after notification to all active licensees of the filing of the changes or amendments. The commission may employ any staff it deems necessary to assist in carrying out its duties and in keeping its records.

The regulations shall require that every licensee except licensees who are sixty-five years of age or older and who have a minimum of twenty years' continuously licensed experience in the selling, leasing or managing of real property, as a condition of his license renewal, shall successfully complete thirty classroom hours of instruction every three years in courses approved by the commission. A. Licenses shall be granted only to persons who are deemed by the commission to be of good repute and competent to transact the business of a real estate broker or salesperson in such a manner as to safeguard the interests of the public.

B. Each applicant for a broker's license shall be a legal resident of the United States, have reached the age of majority and have been an actual bona fide resident of New Mexico for six months next preceding the filing of application. Each applicant for a real estate broker's license shall:

(1) have performed actively as a real estate salesperson in New Mexico for at least twenty-four months out of the preceding thirty-six months immediately prior to filing application and furnish the commission a certificate that he has completed successfully

ninety classroom hours of instruction in basic real estate courses approved by the commission;

(2) furnish the commission a certificate that he has completed successfully one hundred eighty classroom hours of instruction in basic real estate courses approved by the commission;

(3) furnish the commission a certificate that he is a duly licensed real estate broker in good standing in another state, providing he has completed successfully ninety classroom hours of instruction in basic real estate courses approved by the commission; or

(4) furnish the commission satisfactory proof of his equivalent experience in an activity closely related to or associated with real estate and furnish the commission a certificate that he has completed successfully ninety classroom hours of instruction in basic real estate courses approved by the commission.

C. Each applicant for a salesperson's license shall be a legal resident of the United States, have reached the age of majority and be a resident of New Mexico preceding the filing of application and shall furnish the commission a certificate that he has completed successfully sixty classroom hours of instruction in basic real estate courses approved by the commission.

D. The commission shall require such information as it may deem necessary from every applicant to determine his honesty, trustworthiness and competency. Corporations, partnerships or associations shall be entitled to hold a broker's license issued in the name of the corporation, partnership or association, provided at least one member of the partnership or association or one officer or employee of a corporation who actively engages in the real estate business first secures a broker's license. Such license shall be issued in the name of the corporation, partnership or association, naming the partner, associate, officer or employee as qualifying broker for the corporation, partnership or association.

Section expressly authorizes broker to hold more than one license, provided that person is actively engaged in the real estate business of the partnership, corporation or other business association for which he is the qualifying party. The statute does not authorize an individual to have more than one license in an individual capacity. 1980 Op. Att'y Gen. No. 80-22.

Persons of "good repute". - The "good repute" requirement is interpreted to relate to honesty and trustworthiness. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Suit for commission to be in name of licensed broker. - As an action to recover a real estate commission may only be brought in the name of the licensed broker, evidence showing corporation may be entitled to a license, or that an officer thereof had a license, was insufficient to enable corporation to bring suit in its own name. The corporation itself must be licensed to bring suit. *Star Realty Co. v. Sellers*, 73 N.M. 207, 387 P.2d 319 (1963).

Apprenticeship not necessary. - There is nowhere in 61-29-1 to 61-29-17 NMSA 1978, a requirement that an apprenticeship be served before an applicant can apply for a broker's license; to the contrary, 61-29-10 NMSA 1978 specifically sets out the means to be used by the commission in determining applicant's reputation and competency. 1963-64 Op. Att'y Gen. No. 63-110.

When license under Mobile Housing Act required. - When a real estate broker or salesperson acts as the agent for another person in the sale, exchange, lease or purchase of a mobile housing unit which is not attached to real property he is no longer engaging in the real estate business as defined in the Real Estate Licensing Act. Rather, he is engaged in the business of acting as an agent for another in the sale of a mobile housing unit and must be licensed as a dealer under the Mobile Housing Act. 1982 Op. Att'y Gen. 61-29-10. Application for license and examination. (Effective until July 1, 1994.)

A. All applications for licenses to act as real estate brokers and real estate salesmen shall be made in writing to the New Mexico real estate commission and shall contain such data and information as may be required upon a form to be prescribed and furnished by the commission. Such applications shall be accompanied by:

(1) the recommendation of two reputable citizens who own real estate in the county in which the applicant resides or has his place of business, which recommendation shall certify that the applicant is of good moral character, honest and trustworthy; and

(2) the annual license fee prescribed by the commission, which shall not be refunded in any event.

B. In addition to proof of honesty, trustworthiness and good reputation, each applicant shall pass satisfactorily a written examination prepared by or under the supervision of

the commission. The examination shall be given at such time and such places within the state as the commission shall prescribe; however, the examination for brokers shall be given not less than two times during each calendar year and the examination for salesmen shall be given not less than six times during each calendar year. The examination for a broker's license shall include business ethics, writing, composition, arithmetic, elementary principles of land economics and appraisals, a general knowledge of the statutes of this state relating to deeds, mortgages, contracts of sale, agency and brokerage and the provisions of Sections 61-29-1 through 61-29-18 NMSA 1978. The examination for a broker's license shall be of a more exacting nature and scope and more stringent than the examination for a salesman's license.

C. No applicant is permitted to engage in the real estate business either as a broker or salesman until he has satisfactorily passed the examination, complied with the other requirements of Sections 61-29-1 through 61-29-18 NMSA 1978, and until a license has been issued to him.

D. Notice of passing or failing to pass the examination shall be given by the commission to each applicant not later than three weeks following the date of the examination.

E. The commission may establish educational programs and procure qualified personnel, facilities and materials for the instruction of persons desiring to become real estate brokers or salesmen or desiring to improve their proficiency as real estate brokers or salesmen. The commission may inspect and accredit educational programs and courses of study and may establish standards of accreditation for educational programs conducted in this state. The expenses incurred by the commission in activities enabled under the provisions of this subsection shall not exceed the total revenues received and accumulated by the commission.

To rule otherwise would be to violate the clear intent of the legislature in requiring that real estate "brokers" or salespersons be licensed. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Apprenticeship not necessary. - There is nowhere in 61-29-1 to 61-29-17 NMSA 1978, a requirement that an apprenticeship be served before an applicant can apply for a broker's license; to the contrary, this section specifically sets out the means to be used by the commission in determining applicant's reputation and competency. 1963-64 Op. Att'y Gen. No. 63-110.

Relicensing of out-of-state broker returning to state. - An individual who has been licensed as a resident real estate broker in the state of New Mexico, and who has established a residence in another state or country may subsequently return to New Mexico and be relicensed as a real estate broker upon payment of the necessary fee and filing of the required bond and meeting any other needed requirements without applying for and taking a broker's examination as required of applicants who have not previously been licensed as real estate brokers, provided that the real estate board in its discretion desires to waive the examination. 1957-58 Op. Att'y Gen. No. 58-186.

61-29-11. Issuance, renewal and surrender of licenses. (Effective until July 1, 1994.)

A. The commission shall issue to each qualified applicant a permanent license in such form and size as shall be prescribed by the commission.

B. This license shall show the name and address of the licensee and, in the case of a real estate salesperson's license, shall show the name of the real estate broker by whom he is engaged. The license of each real estate salesperson shall be delivered or mailed to the real estate broker by whom such real estate salesperson is engaged and shall be kept in the custody and control of that broker.

C. Every license shall be subject to annual renewal on the last day of the licensee's month of birth of each year. The commission shall certify renewal of each license annually, in the absence of any reason or condition which might warrant the refusal of a license, upon written request for renewal by the licensee, proof of compliance with continuing education requirements and receipt of the annual renewal fee. In the event any licensee has not made application for renewal of license, furnished proof of compliance with continuing education requirements and paid the annual renewal fee for the current year within thirty days of his license renewal date of any given year, the license shall expire. The commission may, in its discretion, require the person whose license has expired to apply for a license as if he had not been previously licensed under Chapter 61, Article 29 NMSA 1978 and further require that he be re-examined. The commission shall require the person whose license has expired to pay when he applies for a license, in addition to any other fee, a late fee of one hundred dollars (\$100). If, during a period of one year from the date the license expires, the person is either absent from this state on active duty military service or is suffering from an illness or injury of such severity that the person is physically or mentally incapable of making application for a license, payment of the late fee and re-examination shall not be required by the commission if, within three months of the person's permanent return to this state or sufficient recovery from illness or injury to allow the person to make an application, the person makes application to the commission for a license. A copy of the person's military orders or a certificate of the applicant's physician shall accompany the

application. Any person excused by reason of active duty military service, illness or injury as provided for in this subsection may make application for a license without imposition of the late fee. All fees collected pursuant to this subsection shall be disposed of in accordance with the provisions of Section 61-29-8 NMSA 1978. The revocation of a broker's license shall automatically suspend every real estate salesperson's license granted to any person by virtue of his association with the broker whose license has been revoked, pending a change of broker and the issuance of a new license. Such new license shall be issued without charge if granted during the same year in which the license was granted.

D. Each resident licensed broker shall maintain a fixed office within this state which shall be so located as to conform with local regulations. Every office operated by a licensed broker under Chapter 61, Article 29 NMSA 1978 shall have a licensed broker in charge. The license as broker and the license of each salesperson associated with or under contract to that broker shall be prominently displayed in the office. The address of the office shall be designated in the broker's license, and no license issued shall authorize the licensee to transact real estate business at any other address, except a licensed branch office. In case of removal from the designated address, the licensee shall make application to the commission before such removal or within ten days thereafter, designating the new location of his office and paying the required fee, whereupon the commission shall issue a license for the new location if the new location complies with the terms of Chapter 61, Article 29 NMSA 1978. Each licensed broker shall maintain a sign on his office of such size and content as the commission shall prescribe. In making application for a license or for a change of address, the licensee shall verify that his office conforms with local regulations.

E. When any real estate salesperson is discharged or terminates his association employment with the real estate broker with whom he is associated, it is the duty of that real estate broker to immediately deliver or mail the commission that real estate salesperson's license for cancellation. It is unlawful for any real estate salesperson to perform any of the acts contemplated by Chapter 61, Article 29 NMSA 1978 either directly or indirectly under authority of such license after his association has been terminated and his license as salesperson has been returned for a cancellation as provided in that article until the appropriate fee has been paid and the license has been reissued by the commission.

History: 1953 Comp., § 67-24-28, enacted by Laws 1959, ch. 226, § 10; 1965, ch. 304, § 6; 1977, ch. 295, § 3; 1979, ch. 94, § 3; 1980, ch. 82, § 11; 1981, ch. 22, § 2; 1983, ch. 261, § 4; 1985, ch. 89, § 2; 1987, ch. 90, § 4.

Delayed repeals. - See 61-29-19 NMSA 1978.

Applicability. - Laws 1983, ch. 261, § 8, makes the provisions of § 4 of the act applicable to real estate broker and salesperson licenses issued on or after January 1, 1984.

Brokers must supervise their salespeople. - Section 61-29-2 NMSA 1978 and this section express a clear legislative mandate that brokers, the persons principally responsible to the public, actually be in a position to supervise the actions of their salespeople. At the same time, the statutes do not require the broker himself to engage in business full-time. 1980 Op. Att'y Gen. No. 80-22.

Relicensing of out-of-state broker returning to state. - An individual who has been licensed as a resident real estate broker in the state of New Mexico, and who has established a residence in another state or country may subsequently return to New Mexico and be relicensed as a real estate broker upon payment of the necessary fee and filing of the required bond and meeting any other needed requirements without applying for and taking a broker's examination as required of applicants who have not previously been licensed as real estate brokers, provided that the real estate board in its discretion desires to waive the examination. 1957-58 Op. 61-29-12. Refusal, suspension or revocation of license for causes enumerated. (Effective until July 1, 1994.)

The commission shall have the power to refuse a license for cause or to suspend or revoke a license at any time where the licensee has by false or fraudulent representations obtained a license or where the licensee in performing or attempting to perform any of the actions mentioned in Chapter 61, Article 29 NMSA 1978 is deemed to be guilty of:

A. making a substantial misrepresentation;

B. pursuing a continued and flagrant course of misrepresentation; making false promises through agents, salespersons, advertising or otherwise; or using any trade name or insignia of membership in any real estate organization of which the licensee is not a member;

C. paying or receiving any rebate, profit, compensation or commission to or from any unlicensed person, except his principal or other party to the transaction, and then only with his principal's written consent;

D. representing or attempting to represent a real estate broker other than the broker with whom he is licensed without the express knowledge and consent of the broker;

E. failing, within a reasonable time, to account for or to remit any money coming into his possession that belongs to others, commingling funds of others with his own or failing to keep such funds of others in an escrow or trustee account or failing to furnish legible copies of all listing and sales contracts to all parties executing them;

F. conviction in any court of competent jurisdiction of a felony or any offense involving moral turpitude;

G. employing or compensating directly or indirectly any person for performing any of the acts regulated by Chapter 61, Article 29 NMSA 1978 who is not a licensed broker or licensed salesperson; provided, however, that a licensed broker may pay a commission to a licensed broker of another state; provided further that the nonresident broker does not conduct in this state any of the negotiations for which a fee, compensation or commission is paid except in cooperation with a licensed broker of this state;

H. failing, if a broker, to place as soon after receipt as is practicably possible any deposit money or other money received by him in a real estate transaction in a custodial, trust or escrow account maintained by him in a bank or savings and loan institution or title company authorized to do business in this state, in which the funds shall be kept until the transaction is consummated or otherwise terminated, at which time a full accounting of the funds shall be made by the broker. Records relative to the deposit, maintenance and withdrawal of such funds shall contain information as may be prescribed by the rules and regulations of the commission. Nothing in this subsection shall prohibit any broker from depositing nontrust funds in an amount not to exceed the required minimum balance in each trust account so as to meet the minimum balance requirements of the bank necessary to maintain the account and avoid charges. This minimum balance deposit shall not be considered commingling and shall not be subject to levy, attachment or garnishment. This subsection, however, shall not prohibit a broker from depositing any deposit money or other money received by him in a real estate transaction with another cooperating broker who shall in turn comply with this subsection;

I. failing, if a salesperson, to place as soon after receipt as is practicably possible in the custody of his registered broker any deposit money or other money entrusted to him by any person dealing with him as the representative of his registered broker;

J. violating any provisions of Chapter 61, Article 29 NMSA 1978 or any reasonable rule or regulation promulgated by the commission in the interests of the public and in conformance with the provisions of Chapter 61, Article 29 NMSA 1978; or

K. any other conduct, whether of the same or different character from that specified in this section, that is related to dealings as a real estate broker or real estate salesperson and that constitutes or demonstrates bad faith, incompetency, untrustworthiness, impropriety, fraud, dishonesty, negligence or any unlawful act.

Any unlawful act or violation of any of the provisions of Chapter 61, Article 29 NMSA 1978 by any real estate salesperson, employee, partner or associate of a licensed real estate broker shall not be cause for the revocation of a license of any real estate broker unless it appears to the satisfaction of the commission that the real estate broker had guilty knowledge of the unlawful act or violation.

History: 1953 Comp., § 67-24-29, enacted by Laws 1959, ch. 226, § 11; 1965, ch. 304, § 7; 1981, ch. 22, § 3; 1983, ch. 261, § 5; 1984, ch. 56, § 1; 1987, ch. 90, § 5; 1991, ch. 13, § 1.

Delayed repeals. - See 61-29-19 NMSA 1978.

The 1991 amendment, effective June 14, 1991, substituted "in Chapter 61, Article 29 NMSA 1978" for "herein" in the introductory paragraph; substituted the language beginning with "unlicensed person" for "person other than his principal" at the end of Subsection C; and made minor stylistic changes in Subsections E and K.

Revocation for "substantial misrepresentations". - The commission may suspend a license on the grounds that the licensee misrepresented to prospective buyers both the size of the property in question and the age of the roof. *Wolfley v. Real Estate Comm'n*, 100 N.M. 187, 668 P.2d 303 (1983).

If the subjects of misrepresentations on application forms are material, i.e., "substantial misrepresentations", the real estate commission can, absent intervening equities, revoke the license even though there is no actual or intentional fraud. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

The test of whether a misrepresentation is substantial is if it operates as an inducement to the real estate commission to do that which it should not otherwise have done. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Where a license to sell real estate was revoked for false or fraudulent representations in applications with respect to unpaid liens or judgments, but the real estate commission's findings and conclusions did not resolve in any meaningful way whether licensee intended to deceive and to induce the commission to act in reliance upon a misrepresentation of fact known by him to be untrue, and there were no specific findings and conclusions by the commission to afford the supreme court a clear understanding that the decision was based upon false representations relevant and material to facts bearing upon the good repute and competence of the licensee in the public interest, the cause was remanded to the commission with express directions to enter proper findings of fact and conclusions of law, together with a final order. *Padilla v. Real Estate Comm'n*, 106 N.M. 96, 739 P.2d 965 (1987).

Applicability of Subsection C prohibition. - The prohibition of Subsection C is applicable to a broker or salesman representing the seller of real estate giving the purchaser trading stamps, free down payments on the property, moving costs, etc., when it can be shown that the real estate broker or salesman gave one or more of the items listed to the purchaser of the property as an integral part of a transaction involving the purchase and sale of the property. 1963-64 Op. Att'y Gen. No. 63-28 (rendered prior to 1991 amendment).

Payment of commission to buyer who is not principal prohibited. - Subsection C precludes a licensed salesman or broker from paying any portion of his commission to a buyer who is not his principal, regardless of disclosure to the principal of the arrangement. 1981 Op. Att'y Gen. No. 81-25 (rendered prior to 1991 amendment).

In order to properly make sense of the reference in Subsection C to "paying," and to give effect to the legislative intent indicated by that reference, the words "to or" may be read into that subsection preceding "from any person." 1981 Op. Att'y Gen. No. 81-25 (rendered prior to 1991 amendment).

Substantial evidence to support commission's suspension of broker's license based on Subsection E. - See Elliott v. New Mexico Real Estate Comm'n, 103 N.M. 273, 705 P.2d 679 (1985).

Criminal Offender Employment Act to be followed in suspension or revocation action. - The provisions of the Criminal Offender Employment Act must be followed by the real estate commission in any action by the commission to suspend or revoke a broker's or salesperson's license because of a conviction of a felony or misdemeanor involving moral turpitude. 1982 Op. Att'y Gen. No. 82-2.

Broker to have knowledge of building code and zoning ordinances. - It is incumbent upon the broker to have a general knowledge of the building code and the zoning ordinances which deal with the particular property being offered for sale or which is being purchased. Amato v. Rathbun Realty, Inc., 98 N.M. 231, 647 P.2d 433 (Ct. App. 1982).

Nonresident broker may share in commission. - This section modifies 61-29-1 and 61-29-16 NMSA 1978 to the extent that a nonresident broker may, in a limited situation, share in a commission. He may only do so, however, through cooperation with a New Mexico licensed broker. Hayes v. Reeves, 91 N.M. 174, 571 P.2d 1177 (1977).

Generally, as to establishing custodial, trust or escrow accounts. - No regulation of the real estate commission requires a custodial, trust or escrow account prior to the receipt of funds appropriate for deposit in such account. McCaughtry v. New Mexico Real Estate Comm'n, 82 N.M. 116, 477 P.2d 292 (1970).

Jurisdiction where landowner claims acting as broker. - Under 61-29-2 NMSA 1978 if a landowner represents to either the buyer or seller that he is acting as a broker, the real estate commission has jurisdiction over the transaction. Poorbaugh v. New Mexico Real Estate Comm'n, 91 N.M. 622, 578 P.2d 323 (1978).

Hiring of note broker for sale of real estate contract. - Because the seller of a real estate contract, who hired a note broker to handle the sale, was not acting as a real estate broker during the sale, the commission lacked jurisdiction to revoke the seller's license for misrepresentation. Vihstadt v. Real Estate Comm'n, 106 N.M. 641, 748 P.2d 14 (1988).

61-29-13. Provision for hearing before suspension or revocation of license. (Effective until July 1, 1994.)

61-29-14. Nonresident brokers. (Effective until July 1, 1994.)

No application for issuance of a license or renewal of an existing broker's license shall be accepted from any nonresident applicant who is not a broker licensed in another state which other state extends the privilege of licensure to real estate brokers licensed in New Mexico. A qualifying nonresident may become a real estate broker by conforming to all the conditions of Chapter 61, Article 29 NMSA 1978.

In its discretion, the commission may recognize, in lieu of the recommendations and certificates required to accompany an application for a broker's license, the broker's license issued to a nonresident in another state, provided the other state extends the privilege of licensure to real estate brokers licensed in New Mexico. The license shall be issued upon payment of the license fee, verification that the applicant has complied with his resident state's current education requirements, of which ninety classroom hours for a nonresident broker must be approved by the New Mexico real estate commission, and the filing by the applicant with the commission of a certified copy of the applicant's license issued by the other state, provided that:

A. the applicant shall have maintained an active place of business in the state by which he is licensed, shall establish and maintain an active place of business in this state and shall pass the written examination required by Section 61-29-10 NMSA 1978;

B. the applicant shall file an irrevocable consent that suits and actions may be commenced against him in the proper court of any county of this state in which a cause of action may arise or in which the plaintiff may reside, by the service of any process or pleadings authorized by the laws of this state on the commission, the consent stipulating and agreeing that such service of process or pleadings on the commission shall be taken and held in all courts to be as valid and binding as if personal service had been made upon the applicant in New Mexico. The instrument containing the consent shall be duly acknowledged and, if [the applicant is] a corporation or association, shall be accompanied by the duly certified copy of the resolution of the proper officers or managing board authorizing the proper officer to execute the instrument. In case any process or pleading mentioned in the case is served upon the board, it shall be by duplicate copies, one of which shall be filed in the office of the commission and the other immediately forwarded by registered mail to the main office of the applicant against which the process or pleadings are directed; and

C. the applicant shall file a bond in form and content the same as is required of resident applicants under Chapter 61, Article 29 NMSA 1978.

61-29-15. Publication of list of licensees. (Effective until July 1, 1994.)

The commission shall at least annually publish a list of the names and addresses of all licensees licensed by it under the provisions of this act, and of all persons whose license has been suspended or revoked within that year, together with such other information relative to the enforcement of the provisions of this act as it may deem of interest to the public. The commission shall also prepare a statement of all funds received and statement of all disbursements, and copies of such statements shall be mailed by the commission to any person in this state upon request.

In any event suit against a member of the public as distinguished from any person licensed under this act shall be maintained only in the name of the broker.

History: 1953 Comp., § 67-24-33, enacted by Laws 1959, ch. 226, § 15.

Delayed repeals. - See 61-29-19 NMSA 1978.

Meaning of "this act". - See same catchline in notes to 61-29-5 NMSA 1978.

Section upholds legislative intent that brokers be licensed. - A person who simply brings two parties together in a real estate transaction must be licensed to sue for the recovery of a commission. To rule otherwise would be to violate the clear intent of the legislature in requiring that real estate "brokers" or salespersons be licensed. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Meaning of "arose". - The word "arose" used in this statute is used in its usual and ordinary meaning and denotes past completed action, not past continuing action. *Lakeview Invs., Inc. v. Alamogordo Lake Village, Inc.*, 86 N.M. 151, 520 P.2d 1096 (1974).

Person claiming commission must prove license. - The statute casts no burden upon a defendant to prove absence of a license but does place upon one claiming a real estate commission the burden of establishing that he was duly licensed when the alleged cause of action arose and the inadvertent statement relative to the burden of proof in *Southwest Motel Brokers, Inc. v. Alamo Hotels, Inc.* 72 N.M. 227, 382 P.2d 707 (1963), is overruled. *Star Realty Co. v. Sellers*, 73 N.M. 207, 387 P.2d 319 (1963).

Finding that plaintiff held license required. - A judgment for recovery of a real estate commission without a finding that the plaintiff held either a broker's or salesman's license when the cause of action arose is erroneous. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Section prohibits action in quantum meruit to recover value of services rendered by person who is required to have license, in the absence of such license. *Bank of N.M. v. Freedom Homes, Inc.*, 94 N.M. 532, 612 P.2d 1343 (Ct. App. 1980).

An unlicensed real estate broker or salesperson cannot recover a commission in an action in quantum meruit. *Watts v. Andrews*, 98 N.M. 404, 649 P.2d 472 (1982).

Suit by corporation. - Since an action to recover a real estate commission may only be brought in the name of the licensed broker, evidence showing corporation may be entitled to a license, and that an officer thereof had a license, was insufficient to enable corporation to bring suit in its own name. *Star Realty Co. v. Sellers*, 73 N.M. 207, 387 P.2d 319 (1963).

Action for breach of contract. - This section did not prevent real estate broker from maintaining action for breach of contract where broker was not licensed at time he entered into exclusive sales representation agreement with defendant but became

licensed prior to breach of this agreement by defendant. *Lakeview Invs., Inc. v. Alamogordo Lake Village, Inc.*, 86 N.M. 151, 520 P.2d 1096 (1974).

In estimating the commission on an exchange of real estate the actual and not the trade value of the property received in exchange should be taken as the basis, unless the contract of employment provides for some other basis, such as a fixed and agreed valuation of the property given in exchange. *Maine v. Garvin*, 76 N.M. 546, 417 P.2d 40 (1966).

Allegation of licensing effective against motion to dismiss. - Allegation that the party seeking relief was licensed at the time the work or service was performed satisfies the requirements of this section as against a motion to dismiss. *Lakeview Invs., Inc. v. Alamogordo Lake Village, Inc.*, 86 N.M. 151, 520 P.2d 1096 (1974).

In order to satisfy the requirements of this section as against a motion to dismiss, the party seeking relief must allege that he was licensed at the time the work or service was performed. *Bosque Farms Home Center, Inc. v. Tabet Lumber Co.*, 107 N.M. 115, 753 P.2d 894 (1988).

Parol evidence rule is fully applicable together with all the exceptions recognized in connection with any other writing in connection with written listing agreements. Parol evidence may not be received when its purpose and effect is to contradict, vary, modify or add to a written agreement, but is generally admissible to supply terms not in the written contract, to explain ambiguities in the written agreement, or to show fraud, misrepresentations or mistake. *Maine v. Garvin*, 76 N.M. 546, 417 P.2d 40 (1966).

Compensation rule distinguished from that in fraud. - The rule applicable in determining the right of an agent to recover compensation from his principal differs from that which is applied when fraud is claimed as between a vendor and purchaser. *Maine v. Garvin*, 76 N.M. 546, 417 P.2d 40 (1966).

A. For the purposes of the Social Work Practice Act [61-31-1 to 61-31-24 NMSA 1978], a person is practicing social work if he advertises, offers himself to practice, is employed in a position described as social work or holds out to the public or represents in any manner that he is licensed to practice social work in this state.

B. Social work practice means a professional service and emphasizes the use of specialized knowledge of social resources, social systems and human capabilities to effect change in human behavior, emotional responses and social conditions. Services may be rendered through direct assistance to individuals, couples, families, groups and community organizations. Social work practice focuses on both direct and indirect services to facilitate change on the intrapersonal, interpersonal and systemic levels. Areas of specialization which address these include but are not limited to the following:

(1) clinical social work practice, which is the professional application of social work theory and methods in the diagnosis, treatment and prevention of psychosocial dysfunction, disability or impairment, including but not limited to emotional and mental disorders. It is based on knowledge of one or more theories of human development

within a psychosocial context. Clinical social work includes interventions directed to interpersonal interactions, intrapsychic dynamics or life support and management issues. Clinical social work services consist of assessment, diagnosis and treatment, including psychotherapy and counseling, client-centered advocacy, consultation and evaluation;

(2) social work research practice, which is the professional study of human capabilities and practice of social work specialties, including direct and indirect practice, through the formal organization and the methodology of data collection and the analysis and evaluation of social work data;

(3) social work community organization, planning and development practice, which is a conscious process of social interaction and method of social work concerned with the meeting of broad needs and bringing about and maintaining adjustment between needs and resources in a community or other areas; helping people to deal more effectively with their problems and objectives by helping them develop, strengthen and maintain qualities of participation, self-direction and cooperation; and bringing about changes in community and group relationships and in the distribution of decision-making power. The community is the primary client in community organizations. The community may be an organization, neighborhood, city, county, state or national entity;

(4) social work administration, which is the practice that is concerned primarily with translating laws, technical knowledge and administrative rulings into organizational goals and operational policies to guide organizational behavior; designing organizational structure and procedures or processes through which social work goals can be achieved; and securing resources in the form of material, staff, clients and societal legitimation necessary for goal attainment and organizational survival; and

(5) social work education practice, which provides an equal quality of social work education in identified areas of content; prepares graduates to practice in a range of geographic areas with diverse populations; and establishes the foundation for practitioners' professional futures, exposing them to the best of current knowledge and developing in them the ability to continue questioning and learning, as well as an awareness of their responsibility to continue this professional development.

Such files may be made available to other states' social worker boards or law enforcement agencies upon request to the board if the social worker leaves the state prior to successful completion of the program and shall be subject to discovery by subpoena.

61-32-2. Purpose. (Effective until July 1, 1994.)

It is the inherent right and obligation of the state government to protect its citizens and provide for the good order of society. Therefore, it is declared to be essential to the overall health, safety and welfare that those who are involved in care and disposition of the dead human body be subjected to regulation and control. Such control relates to the needs which must be met regarding the handling and care of the dead and the sensitivities of those who survive, whether they wish or do not wish rites and ceremonies, religious and others, prior to or at the time of disposition of the body. A concept fundamental to American society is that the dead are cared for and the needs of survivors met in a way which gives a dignity to humankind. The Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978] shall be liberally construed to embrace this concept.

A license for the practice of funeral service is not ambulatory and is issued for a specific location only. It shall be used only at the address specified in the application unless the licensee is granted written approval for a change by the board; provided, that this provision shall not prevent a person licensed for the practice of funeral service from conducting a funeral in another establishment or holding a funeral establishment permit under Section 16 [61-32-16 NMSA 1978] of the Thanatopractice License Law, nor shall it prevent a person licensed for the practice of funeral service from conducting a funeral at a church, home, public hall, lodge room or cemetery chapel, provided such person licensed for the practice of funeral service maintains an

establishment of his own or is in the employ of one conforming to all other provisions of the Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978] and operating a funeral establishment pursuant to that act.

Upon application for renewal of a license, the applicant shall furnish evidence of having completed ten contact hours (1.0 continuing education units) within the previous year. The units shall be in activities approved by the board as established by regulation. The board may in its discretion require an examination to certify continuing competency. Any person neglecting or failing to have his license renewed as provided in this section may, at the discretion of

the board, have the same renewed by making application therefor during the ninety days immediately following the expiration date and upon the payment of a revival and renewal fee not to exceed one hundred fifty dollars (\$150). Provided, that the license of any licensee who is actively engaged in the military service of the United States may, at the discretion of the board, be held in abeyance for the duration of such service and such person may be relieved of the payment of the revival and renewal fee as the board may deem justifiable and expedient. Provided, further, that within a period not exceeding five years following the expiration date and upon the payment of a revival and renewal fee not to exceed one hundred fifty dollars (\$150), a person who has not renewed his license as provided in this section and who has not been engaged in the practice of funeral service or direct disposition in this state may, at the discretion of the board and upon meeting such continuing education or passing such continuing competency examination as the board may prescribe, have his license revived and renewed, so long as the board has agreed to such inactive status prior to the expiration of the license.

A. Any person holding a valid certificate of qualification as a funeral director or as an embalmer granted by the state board of embalmers and funeral directors of the state of New Mexico on June 30, 1978, shall not be required to make a new application or submit to an examination but shall be entitled to a license for the practice of funeral service, upon the same terms and conditions as are provided in the Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978] for the renewal of licensees who may be initially licensed on and after July 1, 1978, except that the continuing education requirements of Section 12 [61-32-12 NMSA 1978] of the Thanatopractice License Law shall not be applicable to the granting of the initial license.

B. Any funeral establishment holding a valid establishment license issued by the state board of embalmers and funeral directors of the state of New Mexico on June 30, 1978, shall not be required to make a new application or submit to a new inspection but shall be entitled to a funeral establishment license upon the same terms and conditions as are provided in the Thanatopractice License Law for the renewal of licensees which may be initially licensed after July 1, 1978, except that the restriction of Subsection B of Section 16 [61-32-16 NMSA 1978] of the Thanatopractice License Law relating to the mileage distance between units of a multi-unit enterprise not having a full-time licensee

in charge of each unit shall not apply to the initial licensing and renewal of such existing establishment licensees so long as there is no change in location or ownership of the existing licensed establishment.

C. Any person who on June 30, 1978, is a duly registered apprentice embalmer in this state shall immediately be granted a certificate of resident traineeship under the Thanatopractice License Law and shall receive credit for the obtaining of a license for the practice of funeral service for all of the time spent by such person as an apprentice embalmer prior to the effective date of the Thanatopractice [Thanatopractice] License Law.

D. All such persons shall be subject to every other provision of the Thanatopractice License Law and to the rules and regulations adopted pursuant to that act. Prior to granting any license or certificate under this section, such persons shall pay to the board the same fees as are prescribed in the Thanatopractice License Law for renewal of such licenses and certificates.

61-32-14. Assistant funeral service practitioners. (Effective until July 1, 1994.)

A. Any person who on June 30, 1978 holds a valid certificate of registration as an assistant funeral director granted by the state board of embalmers and funeral directors of the state of New Mexico may, on or before December 31, 1978, apply for a certificate of registration as an assistant funeral service practitioner by filing an application, on a form prescribed by the board, accompanied by a fee not to exceed one hundred fifty dollars (\$150). The application shall contain the recommendation of the applicant's employer, who shall be a person licensed for the practice of funeral service.

B. If the application is in proper form and no reason appears for rejecting the application, the board shall issue a certificate of registration as an assistant funeral service practitioner which shall show:

- (1) name of the holder;
- (2) date of issuance;
- (3) name and address of the holder's qualified employer;
- (4) number of the employer's license to practice funeral service; and
- (5) the provisions of Subsection E of this section.

C. A certificate of registration as an assistant funeral service practitioner shall be valid only during the holder's period of service under the licensed funeral service practitioner whose name appears thereon. The holder of such a certificate of registration may make application to the board for a transfer of his certificate, accompanied by the previous certificate; the written recommendation of the applicant's new employer, who must be a person licensed for the practice of funeral service; and a fee not to exceed one hundred fifty dollars (\$150) for transfer of certificate.

D. A certificate of registration as an assistant funeral service practitioner expires on June 30 of each year and may be renewed upon payment of a renewal fee not to exceed one hundred fifty dollars (\$150), provided that the holder has met all other requirements of this section and has furnished evidence of having completed ten contact hours (1.0 continuing education units) within the previous year. The units shall be in activities approved by the board as established by regulation.

E. A holder of a certificate of registration as an assistant funeral service practitioner does not have the rights and duties of a person licensed for the practice of funeral service and is only a subordinate employee of the licensed funeral service practitioner under whom he serves. The holder cannot take the place of the funeral service practitioner, and the funeral service practitioner cannot abdicate his duties to the holder of such a certificate of registration. The holder of a certificate of registration as an assistant funeral service practitioner shall at all times act under the direction, supervision and control of the licensed funeral service practitioner under whom he serves; provided, however, that such funeral service practitioner need not be physically present at all times in order to comply with the provisions of this subsection. It is unlawful for a holder of such a certificate of registration to prepare for burial or disposition, conduct a service or ceremony, direct or supervise the burial or disposal of remains or operate a funeral establishment without such direction, supervision and control of his qualified employer.

F. A holder of a certificate of registration as an assistant funeral service practitioner who violates the provisions of Subsection E of this section shall be deemed as holding himself out to be engaged in the practice of funeral service without a license in violation of the Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978].

History: 1978 Comp., § 61-29A-14, enacted by Laws 1978, ch. 185, § 14; 1989, ch. 187, § 3; recompiled as 1978 Comp., § 61-32-14.

Delayed repeals. - See 61-32-25 NMSA 1978.

The 1989 amendment, effective June 16, 1989, in Subsection A substituted "fee not to exceed one hundred fifty dollars (\$150)" for "fee of twenty dollars" in the first sentence and "shall" for "must" near the beginning of the second sentence; in Subsection C substituted "fee not to exceed one hundred fifty dollars (\$150)" for "fee of ten dollars (\$10.00)" in the second sentence; in Subsection D substituted "renewal fee not to

exceed one hundred fifty dollars (\$150)" for "twenty dollar (\$20.00) renewal fee" in the first sentence; and in Subsection E corrected a misspelling in the last sentence.

61-32-14.1. Associate funeral service practitioners. (Effective until July 1, 1994.)

A. A person who is a resident and holds a valid certificate of registration as an assistant funeral director issued pursuant to Section 61-29A-14 NMSA 1978 [61-32-14 NMSA 1978] is eligible for licensure as an associate funeral service practitioner if he satisfies the board that he has:

(1) been certificated as an assistant funeral director by the board or its predecessor agency, the state board of embalmers and funeral directors of the state of New Mexico, for a continuous period of fifteen years immediately prior to application;

(2) actual experience as an assistant funeral director during such fifteen-year period so as to have acquired the knowledge, skills and experience to conduct the practice of funeral service without the need of the direction, supervision and control of a licensed funeral service practitioner;

(3) successfully passed a practical examination devised and conducted by the board on one or more dead human bodies, demonstrating embalming skill at least substantially equivalent to that possessed by the average licensed funeral service practitioner; and

(4) successfully passed an oral examination devised and conducted by the board, demonstrating a practical knowledge of funeral directing and related subject areas.

B. Application shall be on forms furnished by the board and shall be accompanied by a fee not to exceed one hundred fifty dollars (\$150). The board may prescribe a practical examinations fee not to exceed one hundred fifty dollars (\$150). The license may be renewed upon the same terms, conditions and fees as prescribed in Section 61-29A-12 NMSA 1978 [61-32-12 NMSA 1978] for licenses for the practice of funeral service.

C. Except as provided in Subsection D of this section:

(1) a person licensed as an associate funeral service practitioner may engage in the practice of funeral service to the same extent and subject to the same limitations and grounds for disciplinary action as prescribed by law and the board's regulations for licensed funeral service practitioners; and

(2) an associate funeral service practitioner's license shall be treated the same as a funeral service practitioner's license.

D. Except as otherwise expressly permitted by the board in a particular circumstance upon the basis of public interest or need, an associate funeral service practitioner may act neither as the funeral service practitioner in charge of a funeral establishment under

Subsection B of Section 61-29A-16 NMSA 1978 nor [61-32-16 NMSA 1978] as the supervising funeral service practitioner under Section 61-29A-15 NMSA 1978 [61-32-15 NMSA 1978].

History: 1978 Comp., § 61-29A-14.1, enacted by Laws 1983, ch. 137, § 3; 1989, ch. 187, § 4; recompiled as 1978 Comp., § 61-32-14.1.

Delayed repeals. - See 61-32-25 NMSA 1978.

Bracketed material. - The bracketed translations in Subsections A, B, and D were inserted by the compiler to reflect the recompilation of Article 29A as Article 32 in 1990.

The 1989 amendment, effective June 16, 1989, substituted "fee not to exceed one hundred fifty dollars (\$150)" for "fee of seventy-five dollars (\$75.00)" in the first sentence of Subsection B.

61-32-15. Funeral service resident trainee; qualifications; fee; reports; limitations. (Effective until July 1, 1994.)

A. A person desiring to become a resident trainee for the practice of funeral service shall make application on a form provided for that purpose, which application shall be subject to review of the entire board. The application shall show that the applicant is at least eighteen years of age, of good moral character and free from any communicable disease and shall evidence that the applicant has successfully completed or is actively engaged in completing the educational requirements set forth in Section 61-29A-9 NMSA 1978 [61-32-9 NMSA 1978]. The application must be sustained by the oath of the applicant and be accompanied by a fee not to exceed one hundred fifty dollars (\$150). When the board is satisfied as to the qualifications of an applicant, it shall instruct the secretary to issue a certificate of resident traineeship. When a resident trainee wishes to get in-service training with a person licensed for the practice of funeral service, a request shall be submitted to the secretary of the board. If the permission is granted and at any time thereafter the resident trainee leaves the preceptorship of the licensee whose service has been entered, it shall be the duty of the licensee to give the resident trainee an affidavit showing the length of time served with him, which affidavit shall be filed with the secretary of the board and made a matter of record in that office. If such resident trainee shall thereafter seek permission to continue in-service training in the state, a request for permission to do so shall be submitted to the secretary.

B. A certificate of resident traineeship shall be signed by the resident trainee, the preceptor and the owner of the establishment in which the preceptorship was served and shall be renewable upon the payment of a renewal fee not to exceed one hundred fifty dollars (\$150) on June 30 of each year; provided, however, that such certificate may not be renewed more than three times. The board shall mail, in June of each year to each registered resident trainee at his last known address, a notice that the renewal fee is due and that, if not paid by the first day of August, the penalty for the lapse in renewal will be a fee not to exceed one hundred fifty dollars (\$150), in addition to the

renewal fee; provided that the registration of any resident trainee who is actually engaged in the military service of the United States may, at the discretion of the board, be held in abeyance for the duration of such service and such person may be relieved of such renewal fees and penalties as the board may deem justifiable and expedient.

C. All resident trainees registered as provided in this section shall be required to report to the board quarterly upon forms provided by the board, showing the work which has been completed during the three months preceding the first of the month in which the report is made. The data contained in the report shall be certified to as correct by the person licensed for the practice of funeral service under whom he has served during such period and by the person licensed for the practice of funeral service owning the funeral establishment.

D. Before a resident trainee shall be eligible to receive a license for the practice of funeral service, evidence required by the Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978] shall be presented along with an affidavit from the licensee or affidavits from the licensees under whom the trainee worked showing that he has assisted in the embalming of at least fifty bodies and that he has assisted in the conducting of at least fifty funerals during resident traineeship. In all applications of resident trainees for licenses for the practice of funeral service, the eligibility of the applicant shall be determined by the records filed with the board.

E. A resident trainee who has allowed a certificate of resident traineeship to lapse or who has had a resident traineeship suspended or revoked may, within one year after such lapse, suspension or revocation, make application for reregistration, but not more than two such registrations shall be allowed by the board. The board may, at its discretion, allow a resident trainee credit under a registration for the time actually served under a previous registration; provided that if the previous registration has been suspended or revoked for cause, not more than seventy-five percent of the time previously served shall be credited on the registration.

F. Each sponsor for a registered resident trainee shall be actively associated with a funeral establishment as defined in the Thanatopractice License Law.

the first sentence of Subsection B, and "a fee not to exceed one hundred fifty dollars (\$150)" for "ten dollars (\$10.00)" in the second sentence of Subsection B.

A. No person shall conduct, maintain, manage or operate a funeral establishment unless a permit for the establishment has been issued by the board and is conspicuously displayed in the funeral establishment. In case of funeral services held in any private residence, church or lodge hall, no permit shall be required.

B. No permit to operate a funeral establishment shall be issued or renewed by the board unless the funeral establishment has in charge full time therein a person licensed for the practice of funeral service. If the establishment is part of a multi-unit enterprise within this state, only one establishment needs to have therein full time a person licensed in the practice of funeral service so long as the full-time licensee is headquartered within fifty miles, by direct road travel, of the other establishments seeking a permit.

C. A funeral establishment shall be conducted at a specific location primarily devoted to such purpose and shall consist of a chapel in which funeral services may be conducted, together with space for displaying caskets, shipping cases and other suitable funeral merchandise, and a preparation room equipped with tile, cement or composition floor, necessary drainage and ventilation, and containing necessary instruments and supplies for the preparation and embalming of dead human bodies for burial, transportation or other disposition. The board may adopt such rules, regulations and classifications as may be reasonable, sufficient and proper to define what shall be deemed the proper drainage and ventilation and what instruments or facilities are necessary and suitable in a funeral establishment to meet the requirements of the Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978].

C. A direct disposition establishment shall be used exclusively for direct disposition. It shall have a well-ventilated room equipped with a tile, cement or composition floor with adequate drainage, and a refrigeration unit thermostatically controlled as determined by the board, with a minimum storage area of 12.5 cubic feet per body for sheltering prior to disposition. The board shall adopt rules and regulations dealing specifically with the requirements of this subsection.

The board may adopt such rules and regulations as it deems reasonable to define what are proper facilities for cremation, including calcination and pulverization, at a crematory.

C. An existing crematory shall have until July 1, 1984 to obtain a permit required by Subsection A of this section and to comply with the board's rules and regulations adopted pursuant to Subsection B of this section.

History: 1978 Comp., § 61-29A-17.1, enacted by Laws 1983, ch. 137, § 4; recompiled as 1978 Comp., § 61-32-17.1.

Each permit shall expire on June 30 of each year and may be renewed on the payment of a renewal fee

not to exceed two hundred dollars (\$200), provided that the establishment meets all requirements of the Thanatopractice License Law [61-32-1 to 61-32-24 NMSA 1978] and complies with the rules and regulations of the board.

B. C. When more than one person proposes to engage in the operation of a funeral or direct disposition establishment as a partnership or corporation, one of the partners or corporation officers shall secure a license for the practice of funeral service or as a direct disposer and be registered by the board as the manager of the establishment. No partner or corporate officer shall hold himself out through advertising or otherwise as being a licensee unless so licensed.

D. B. Before the arrangers select the funeral, the personnel of the funeral establishment shall identify what is included in the funeral as well as the prices of all available funerals and shall also identify the related expenses of others such as cemeteries and florists. Full disclosure shall also be made in the case of a memorial service or direct disposition and as to use of funeral merchandise where some or all of it is not to be disposed of with the body and written permission must be obtained therefor.

- (3) staff, facilities and equipment for a funeral or memorial service. - (4) use of automotive equipment:
 - (a) casket coach;
 - (b) vehicles for passenger transportation;
 - (c) transportation of flowers;
