## Public Officers and Employees

### Article 1

#### Qualifications

#### **§ 10-1-1. [Ineligibility for recess appointment after rejection by senate.]**

No person, whose nomination or appointment to any office in the state shall have been rejected by the senate, shall be eligible to hold office under recess appointment.

History: Laws 1915, ch. 61, § 1; C.S. 1929, § 96-138; 1941 Comp., § 10-101; 1953 Comp., § 5-1-1.

#### **§ 10-1-2. [Person convicted of crime; ineligibility for office; exception.]**

No person convicted of a felonious or infamous crime, unless such person has been pardoned or restored to political rights, shall be qualified to be elected or appointed to any public office in this state.

History: Laws 1912, ch. 44, § 1; Code 1915, § 3951; C.S. 1929, § 96-102; 1941 Comp., § 10-102; 1953 Comp., § 5-1-2.

Effect of appeal pending. - Person who committed felony by assaulting a federal officer was ineligible to run for governor where although a jury rendered a guilty verdict, the person was appealing the judgment. A judgment on a verdict of a guilty is a conviction, and the fact that an appeal is pending does not alter that interpretation. 1968 Op. Att'y Gen. No. 68-98.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 63A Am. Jur. 2d Public Officers and Employees §§ 48 to 50.

Effect of conviction in federal court, or court of another state or country, on right to hold public office, 39 A.L.R.3d 303.

Misconduct: removal of public officer for misconduct during previous term, 42 A.L.R.3d 691.

### **§ 10-1-3. [Deputies and assistants convicted of crimes; penalty for appointment or retention.]**

It shall be unlawful for any state, county, district, or municipal officer to appoint, employ, or retain as a deputy or assistant any person convicted of a felonious or infamous crime, unless such person has been pardoned or restored to political rights; and any public officer who shall knowingly violate the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction shall be punished by fine of not less than one hundred dollars [(\$100)] nor more than five hundred dollars [(\$500)] and, in addition to such punishment, shall be removed from office in accordance with the provisions of this chapter.

History: Laws 1912, ch. 44, § 2; Code 1915, § 3952; C.S. 1929, § 96-103; 1941 Comp., § 10-103; 1953 Comp., § 5-1-3.

Cross-references. - For persons convicted of crime ineligible for office, see 10-1-2 NMSA 1978.

Meaning of "this chapter". - The 1915 Code compilers replaced "chapter 36 of the Session Laws of 1909," compiled as 10-3-1, 10-4-1 to 10-4-29 NMSA 1978, with "this

chapter," referring to Chapter 80 of the 1915 Code, §§ 3950 to 3985, compiled as 10-1-2 to 10-1-4, 10-3-1, 10-4-1 to 10-4-29 and 10-17-5 NMSA 1978.

"Public officer" and "state officer" are synonyms. 1966 Op. Att'y Gen. No. 66-114.

Employment in position other than deputy or assistant. - It would appear that the employment by the commission or the chief highway engineer of a person (convicted of a felonious crime) in any position other than as deputy or assistant to the commission or the chief highway engineer would not violate the statute. 1953-54 Op. Att'y Gen. No. 5952.

#### **§ 10-1-4. [Women eligible for appointment.]**

A woman can hold the office of school director. 1909-12 Op. Att'y Gen. No. 116.

Repeals. - Laws 1979, ch. 54, § 1, repeals 10-1-5 NMSA 1978, relating to residence requirement for public employees and percentage of residents on public works projects.

### **§ 10-1-6. [Affidavits of residence; prima facie value as evidence.]**

Any person whose duty it is to engage or hire employees mentioned in Section 1 of this act may require any person applying for such employment to file an affidavit with such person, stating his name and residence and that he has been a bona fide resident of the state of New Mexico for a period of one year next previous to the date of application for such employment. In all prosecutions against any persons for violation of the provisions of this act, such affidavits shall be received in evidence as prima facie proof of the truth of the statements therein contained.

History: Laws 1933, ch. 68, § 2; 1941 Comp., § 10-106; 1953 Comp., § 5-1-6.

Compiler's notes. - "Section 1 of this act," referred to near the beginning of the first sentence, means Laws 1933, ch. 68, § 1, which appeared as 10-1-5 NMSA 1978, but was repealed by Laws 1979, ch. 54, § 1.

Meaning of "this act". - The term "this act," referred to near the middle of the second sentence, means Laws 1933, ch. 68, which presently appears as 10-1-6 to 10-1-9 NMSA 1978.

Application to construction project. - This section, when read together with the provisions of 10-1-7 and 10-1-8 NMSA 1978, has specific application to the construction of the public works project contemplated by the interstate streams commission (the Ute dam), and would have to be considered by the commission in the carrying out of the construction work. 1961-62 Op. Att'y Gen. No. 62-80.

Where production of affidavits required. - Under 6-2-1 NMSA 1978, the heads of departments may be compelled to produce the affidavit required under this section before making payment to any person or persons employed who have not been residents of New Mexico for one year prior to their employment as state employees. 1951-52 Op. Every written contract entered into by the state of New Mexico and all political subdivisions thereof, including all of the departments, bureaus, boards, commissions or

institutions of said state and all of its political subdivisions, involving the employment of persons mentioned in Section 1 of this act shall contain such provisions relating to employment as comply with the provisions of this act.

History: Laws 1933, ch. 68, § 4; 1941 Comp., § 10-108; 1953 Comp., § 5-1-8.

## **§ 10-1-10. [Nepotism prohibited; exceptions.]**

It shall hereafter be unlawful for any person elected or appointed to any public office or position under the laws of this state or by virtue of any ordinance of any municipality thereof, to employ as clerk, deputy or assistant, in such office or position, whose compensation is to be paid out of public funds, any persons related by consanguinity or affinity within the third degree to the person giving such employment, unless such employment shall first be approved by the officer, board, council or commission, whose duty it is to approve the bond of the person giving such employment; provided, that this act [10-1-10, 10-1-11 NMSA 1978] shall not apply where the compensation of such clerk, deputy or assistant shall be at the rate of \$600 or less a year, nor shall it apply to persons employed as teachers in the public schools.

History: Laws 1925, ch. 50, § 1; C.S. 1929, § 96-136; 1941 Comp., § 10-110; 1953 Comp., § 5-1-10.

Constitutionality. - This law is not unconstitutional by reason of the fact that the title merely states "An act relating to nepotism." 1937-38 Op. Att'y Gen. No. 263.

Legislative intent. - The legislature intended by this section to apply the civil law rule for determining the degree of relationship and under this method of computation a cousin is not within the third degree, so that a public officer may employ his cousin as a deputy or assistant. 1947-48 Op. Att'y Gen. No. 5040.

Statute normally construed strictly. - Anti-nepotism statutes, being penal in nature, are normally strictly construed. However, no statute may be construed so as to defeat the obvious intent of the legislature. 1982 Op. Att'y Gen. No. 82-8.

Section inapplicable where person hired before relative's election. - This section would not apply to a person employed prior to his relative's election to the hiring authority. 1982 Op. Att'y Gen. No. 82-8.

Brothers are related within the second degree of consanguinity. 1982 Op. Att'y Gen. No. 82-8.

Employment where members of family on school district board. - This section does not prohibit employment of a person in a nonteaching, supervisory capacity, although members of his immediate family serve on the board of the school district. 1957-58 Op. Att'y Gen. No. 57-201.

Election of teacher's relative to school board. - The rule that statutes in pari materia should, as far as reasonably possible, be construed consistently supports, by reference to this section and 29-2-6 NMSA 1978, the conclusion that 22-5-6 NMSA 1978 was

intended only to apply to the initial hiring of teachers and does not affect the retention of teachers when a relative within the prohibited degree of consanguinity is elected to the school board. *New Mexico State Bd. of Educ. v. Board of Educ.*, 95 N.M. 588, 624 P.2d 530 (1981).

Where teacher's spouse on school board. - There is no prohibition against the spouse of a schoolteacher being a member of the school board, but in order to prevent any possible conflict of interest, such school board member should not vote on any issue which affects his or her spouse individually as opposed to affecting all the teachers in the system as a group. 1964 Op. Att'y Gen. No. 64-71.

Where husband and wife hired. - The New Mexico state racing commission may hire a husband and wife to carry on the duties of the racing commission so long as no such employee is related to the commissioner within the degree of consanguinity prohibited by this section. 1951-52 Op. Att'y Gen. No. 5424.

County commissioner's daughter in county department. - The laws on nepotism do not prohibit the employment of a daughter of county commissioner as a stenographer in the county health department of the county where the commissioner serves. 1957-58 Op. Att'y Gen. No. 57-224.

Sheriff's relative as deputy sheriff. - This statute would come into play should a sheriff employ as his guard the regularly employed deputy sheriff since a deputy sheriff would fall within the statutory definition of "deputy or assistant." If such a deputy were related to the sheriff within the prohibited degree it would be a violation of the law. A person temporarily employed as a guard might still be considered an assistant as defined by the statute. However, in the event of temporary employment, it is almost certain that the compensation paid to each assistant would be less than \$600 a year, in which case, the prohibition would not apply. Compensation as used here is synonymous with salary and does not include traveling or other incidental expenses usually called per diem. 1961-62 Op. Att'y Gen. No. 61-9.

Section is not applicable to hiring of state police personnel, but 29-2-6 NMSA 1978, pertaining specifically to the state police, is instead controlling. 1963-64 Op. Att'y Gen. No. 63-114.

Prohibited appointments may be approved. - Appointments within the prohibited degree may yet be made if such appointments are approved by a board or officer whose duty it is to approve the bond of the person making the appointment. 1949-50 Op. Att'y Gen. No. 5247.

Approval of district judge's employee. - As district judges are not bonded, there is no entity from which approval of otherwise prohibited employment by the district judge may be obtained. 1979 Op. Att'y Gen. No. 79-25.

Employment by district judge of his step-daughter, as his secretary, is unlawful. 1979 Op. Att'y Gen. No. 79-25.

Deputy county assessor. - When salary exceeds \$600 per year, appointment of a deputy county assessor without approval of the board of county commissioners is void. State ex rel. Sanchez v. Stapleton, 48 N.M. 463, 152 P.2d 877 (1944).

Municipality's council member is "elected public official". - A member of the governing body of a municipality is an "elected public officer" for purposes of the statutory prohibition against nepotism. 1982 Op. Att'y Gen. No. 82-8.

Brother of council member employable where council member abstains from voting. - The brother of a member of the governing body of a mayor-council municipality may be employed as an assistant municipal clerk if the council member abstains from voting to approve his brother's employment. 1982 Op. Att'y Gen. No. 82-8.

Assistant clerk of a municipality serves as "clerk" to the governing body for purposes of the statutory prohibition against nepotism. 1982 Op. Att'y Gen. No. 82-8.

Court reporter not clerk, deputy, etc. - An official court reporter is not a clerk, deputy or assistant as those terms are used in this section. 1976 Op. Att'y Gen. No. 76-35.

Neither is janitor. - Since a janitor would be neither clerk, deputy or assistant to the employing authority, employment of the wife of one of the school board members by the board would not be prohibited by this section. 1951-52 Op. Att'y Gen. No. 5484.

Nor a "levelman". - This position of a "levelman" in the highway department is not such as would be included within the terminology of "clerk, deputy, or assistant" so as to be within that class of employment from which an officer is prohibited from naming any person related by consanguinity or affinity within the third degree. 1951-52 Op. Att'y Gen. No. 5448.

### **§ 10-1-11. [Payment of nepotism employees; liability of employer and bondsmen; employment void.]**

No person so unlawfully employed shall be paid or receive any compensation from public funds, and such employment shall be null and void, and the person or persons giving such employment, together with his or their bondsmen, shall be liable for any and all moneys so unlawfully paid out.

History: Laws 1925, ch. 50, § 2; C.S. 1929, § 96-137; 1941 Comp., § 10-111; 1953 Comp., § 5-1-11.

**§ 10-1-12. [Employment of persons advocating sabotage, sedition or treason prohibited; discharge of such persons already employed.]**

No person shall be knowingly employed by any state department, office, board, commission or bureau, county, municipality or other political subdivision, board of education or school board, who either directly or indirectly carries on, advocates, teaches, justifies, aids or abets a program of sabotage, force and violence, sedition or treason against the government of the United States or of this state.

When it becomes reasonably apparent to his appointing power that any employee has committed any of the acts hereinabove described it shall be the duty [duty] of such employer to refer the data and information available to him to the district attorney of the judicial district wherein such employee resides, and it shall thereupon become the mandatory duty of the district attorney to institute a proceeding in the district court to determine whether the employee has violated this act [section]. If such court determines that this act has been violated, such employee shall be immediately discharged and shall not be again employed in any capacity by any state department, office, board, commission, or bureau, county, municipality, or other political subdivision, board of education, or school board.

No part of any money appropriated from the state treasury shall ever be expended to compensate any person whose employment is forbidden by this section.

### **§ 10-1-13. County officers; oath; bond.**

A. As used in this section, "county officer" means county commissioner, county assessor, county clerk, county sheriff, county surveyor, county treasurer, probate judge, county flood commissioner and small claims court clerk.

B. Before assuming the duties of his office, each officer shall take and subscribe the oath of office prescribed by the constitution and give an official bond payable to the state and conditioned for the faithful performance of his duties during his term of office and until his successor is elected or appointed and is qualified, and that he will pay all money received in his official capacity to the person entitled to receive it. The bond shall be executed by a corporate surety company authorized to do business in this state. The amount of the bond required shall be fixed by the board of county commissioners in a sum equal to twenty percent of the public money handled by the county officer during the preceding fiscal year, but not to exceed:

C. Each county officer shall appoint a deputy or clerk, as allowed by law, who shall take

the oath of office required of the appointing county officer and shall receive salary as provided by law. In case of the death of the appointing county officer, the deputy shall continue in office and perform the duties of the county officer until a new county officer is appointed and qualified as required by law.

D. The cost of official bonds for county officers shall be paid from the county general fund, and the board of county commissioners may elect to provide a schedule or blanket corporate surety bond covering county officers and employees for any period of time not exceeding four years.

### **Bonds**

#### **§ 10-2-1. [Sureties on bonds; qualifications.]**

No bond of any public officer of this state executed by any individual, or firm as surety, shall be accepted or approved unless the persons or firm executing the same shall be the owners of unencumbered real estate or personal property in this state to an amount equal to the amount for which they respectively qualify on such bonds.

History: Laws 1909, ch. 122, § 2; Code 1915, § 511; C.S. 1929, § 17-107; 1941 Comp., § 10-201; 1953 Comp., § 5-2-1.

Elements of public office. - Five elements are indispensable in any position of public employment, in order to make it a public office of a civil nature: (1) It must be created by

the constitution or by the legislature or created by a municipality or other body through authority conferred by the legislature; (2) it must possess a delegation of a portion of the sovereign power of government, to be exercised for the benefit of the public; (3) the powers conferred, and the duties to be discharged, must be defined, directly or impliedly, by the legislature or through legislative authority; (4) the duties must be performed independently and without control of a superior power, other than the law, unless they be those of an inferior or subordinate office, created or authorized by the legislature, and by it placed under the general control of a superior officer or body; (5) it must have some permanency and continuity, and not be only temporary or occasional. In addition, in this state, an officer must take and file an official oath, hold a commission or other written authority, and give an official bond, if the latter be required by proper authority. 1955-56 Op. Att'y Gen. No. 6396.

### **§ 10-2-12. [Insufficient bond of county or precinct officer; new bond required; failure to provide; procedure; decree of vacancy by district court.]**

It shall be the duty of the board of county commissioners of each county at each regular meeting thereof on the first day of each meeting to examine and inquire into the

sufficiency of all the official bonds given or to be given by any county or precinct officer as required by law, and if it shall appear that any one or more of the securities on the official bond of any county officer has or have removed from the county, died, or become insolvent, or of doubtful solvency, the said board of county commissioners shall cause such county or precinct officer to be summoned to appear before the said board on a day to be named in said summons, to show cause why he should not be required to give a new bond with sufficient security, and if at the appointed time he shall fail to satisfy said board as to the sufficiency of the present security, an order shall be entered of record by said board requiring such county or precinct officer, to file in the office of the county clerk within twenty days, a new bond to be approved as required by law, unless the number and pecuniary ability of other securities on said bond shall be such as to satisfy the board that the bond is sufficient, notwithstanding one or more of the securities on said bond may have removed, be dead, insolvent or of doubtful solvency, in which case the bond in question may be, in the discretion of the board, held sufficient. In the event any such bond is found insufficient, and a new bond is not filed as ordered, the fact shall be certified by the board of county commissioners to the district court of the county, and shall also be certified to the district attorney of the judicial district wherein such county is located; and it shall thereupon become the duty of the district attorney to cause a hearing to be had in said district court for the purpose of adjudicating and declaring a vacancy in such office, in the event the district court determines, after a hearing, that the bond is in fact insufficient, and such officer fails within five days after the district court has so found to file a new bond with sufficient surety as required by law. Upon the entry of such decree of vacancy it shall thereupon become the duty of the appointing power to fill such office in the manner provided by law.

History: Laws 1876, ch. 1, § 37; C.L. 1884, § 368; C.L. 1897, § 687; Code 1915, § 1213; C.S. 1929, § 33-4227; Laws 1939, ch. 57, § 1; 1941 Comp., § 10-212; 1953 Comp., § 5-2-12.

Cross-references. - For county officers, oath, bond, see 10-1-13 NMSA 1978.

Compiler's notes. - A similar provision relating only to constables, compiled in Comp. Laws 1865, ch. 40, § 2, deriving from the Kearny Code, Constables, § 3, appears to have been superseded by this section. Carried forward in Comp. Laws 1884, § 449; Comp. Laws 1897, § 802; Code 1915, § 3166; and Comp. Stat. 1929, § 79-112, modified by the 1915 compilers and carried in Code 1915 and Comp. Stat. 1929, it read: "Whenever the county commissioners shall be satisfied that the bond of any constable is likely to prove insufficient, by reason of the death or failure of the sureties to his bond, or any of them, they shall require such constable to give a new bond."

Bonding of deputy treasurer. - No statute requires that deputy county treasurers be bonded, and while it is good business for bonding companies which are sureties on county treasurers' bonds, as well as for county treasurers, to require that deputy treasurers be bonded, the county should not pay for the premiums on such deputies' bonds, since the state and county are protected on the treasurers' bonds for any

defalcation, even by deputies, under 6-10-38 NMSA 1978. 1939-40 Op. Att'y Gen. No. 137.

A local school district to which the division may provide coverage may provide for marketing and servicing to be done by licensed insurance agents who shall receive reasonable compensation for their services.

History: 1953 Comp., § 5-2-14, enacted by Laws 1978, ch. 132, § 2; 1984, ch. 49, § 1; 1986, ch. 102, § 1.

The 1986 amendment added Subsection (G).

Emergency clauses. - Laws 1986, ch. 102, § 11 makes the act effective immediately. Approved March 5, 1986.

### **§ 10-2-15. Surety bond coverage.**

A. The department shall provide surety bond coverage for all employees. Whenever an employee is required by another law to post bond or surety as a prerequisite to entering employment or assuming office, the requirement is met when coverage is provided for the office or position under the provisions of the Surety Bond Act [10-2-13 to 10-2-16 NMSA 1978]. Notwithstanding any other provisions of law, no state agency or employee shall purchase any employee surety bond other than pursuant to the provisions of the Surety Bond Act.

B. The secretary shall prescribe the amount of surety bond coverage by class of employee.

C. All or any part of the amount of surety bond coverage prescribed by the secretary may be covered by a schedule or blanket corporate surety bond.

D. The department may provide coverage for employees of covered educational entities through insurance, self-insurance or a combination thereof.

Repeals and reenactments. - Laws 1978, ch. 132, § 3, repealed 5-2-15, 1953 Comp. (former 10-2-15 NMSA 1978), relating to surety bonds required, and enacted a new 10-2-15 NMSA 1978.

Intent to cover all state officers and employees. - This section, by its language, "Notwithstanding any other provision of law," evidences legislative intent that the Surety Bond Act controls surety bond coverage of all state officers and employees. 1987 Op. Att'y Gen. 87-42.

### **§ 10-2-16. Surety bond fund.**

A. There is created in the state treasury a "surety bond fund".

B. Money deposited in the surety bond fund may be expended by the department:

(1) to provide surety bond coverage;

(2) to create a retention fund to cover all or any portion of the surety bond risks of state agencies and covered educational entities;

(3) to pay claims of state agencies and covered educational entities covered by a surety bond certificate of coverage issued by the department; and

(4) to pay any costs and expenses of carrying out the provisions of this section.

C. Claims against the surety bond fund shall be made in accordance with a certificate of coverage issued by the department to each state agency and covered educational entity. If the secretary has reason to believe that the surety bond fund would be exhausted by the payment of all claims allowed against the fund during a particular state fiscal year, the amounts paid for each claim shall be prorated with each state agency and covered educational entity receiving an amount equal to the percentage that its claims bear to the total of claims outstanding and payable from the fund. Any amounts due and unpaid as a result of such proration shall be paid in the following fiscal years.

D. The department shall collect or transfer funds from each state agency and covered educational entity to cover costs of coverage of employees of the agency as required by this section. Money collected or transferred from a state agency or covered educational entity pursuant to this subsection shall be deposited in the surety bond fund.

E. The department may provide individual surety bond coverage protecting employees who are employers or supervisors from personal losses for which they may be responsible, which losses were caused by the lack of honesty or faithful performance of employees under their supervision or control.

F. The department shall have the right to recover from a public employee for any loss under the Surety Bond Act [10-2-13 to 10-2-16 NMSA 1978] for which the public employee was responsible.

G. The risk management advisory board shall review:

(1) specifications for all surety bond coverage to be purchased by the department;

(2) the form and legal sufficiency of any surety bond coverage to be purchased by the department; and

(3) the form, purpose and content of any surety bond certificate of coverage to be issued by the director.

The 1986 amendment inserted references to covered educational entities throughout the section; made minor stylistic changes in Subsections B(2) and B(3); and added Subsection B(4).

The 1989 amendment, effective April 7, 1989, in Subsection A, inserted "in the state treasury" and deleted the former second sentence which read "The fund and any income from the fund shall be held in trust, deposited in a segregated account and invested by the department with the prior approval of the state board of finance".

## **Article 3**

### **Vacancies in Local Offices**

#### **§ 10-3-1. [Circumstances causing vacancy in local office.]**

Any office belonging to the class mentioned in Section 10-4-1 NMSA 1978 becomes vacant under any of the following circumstances:

A. by death of the party in office;

B. removal of the officer as provided by this chapter;

C. failure of the officer to qualify as provided by law;

D. expiration of the term of office when no successor has been chosen as provided by law;

E. when the officer removes from the county in which he is elected and in case of municipal officers, when he removes from the town or city for which he is elected;

F. absence from the county for six consecutive months, and in cases of municipal officers, absence for such length of time from the village, town or city for which he is elected; but this provision does not apply to those officers wherein the law provides that the duties may be discharged by a deputy, when such absence is due to illness or other unavoidable cause;

G. by resignation of the officer;

H. by an officer accepting and undertaking to discharge the duties of another incompatible office.

History: Laws 1909, ch. 36, § 3; Code 1915, § 3956; C.S. 1929, § 96-107; 1941 Comp., § 10-301; 1953 Comp., § 5-3-1.

Cross-references. - For temporary abandonment for service in military forces, see 10-6-1 NMSA 1978. For permanent abandonment of office, what constitutes, see 10-6-3 NMSA 1978. For incompatible office or service, definition, see 10-6-5 NMSA 1978. For dismissal, demotion or suspension for conflict of interest, see 10-16-14 NMSA 1978.

Meaning of "this chapter". - See same catchline in notes to 10-1-3 NMSA 1978.

Effect of death of elected candidate before term begins. - The death of an elected candidate before term of office commences does not seat the minority candidate, but creates a vacancy to be filled as in case of vacancy for any other reason. 1917-18 Op. Att'y Gen. No. 198.

Meaning of "qualify". - The word "qualify" does not refer to eligibility for the office but rather to the performance of the acts which the chosen person is required to perform before he can enter into office (usually the taking of an oath and the filing of a bond). 1963-64 Op. Att'y Gen. No. 63-86.

Effect on other section. - This section, creating a vacancy for "failure of the officer to qualify as provided by law" does not repeal by implication the last line of 10-3-3 NMSA 1978 providing that an appointive officer shall hold office until "his successor shall be duly elected and qualified according to law." State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

Effect where authority to hold over after expiration of term. - During the period in which a public officer holds over after the expiration of his term, under constitutional or statutory authority entitling him to do so until the election and qualification of a successor, there is no vacancy in office which may be filled by an interim appointment. State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

Where judicial successor not yet qualified. - Justice of the peace (now magistrate), properly appointed in 1907, and qualified by giving required bond, was entitled to discharge the duties of the office until his successor was qualified. 1909-12 Op. Att'y Gen. No. 76.

Residence in legal contemplation. - Residence in legal contemplation may be maintained in a locality despite actual physical absence, the mental intent of the person being an important factor in determining residence. 1963-64 Op. Att'y Gen. No. 64-20.

Intracounty move of county commissioner. - The removal of a county commissioner from the district from which he was elected to another part of the county does not create a vacancy in the office. 1912-13 Op. Att'y Gen. No. 110.

Of reelected county clerk's resignation before new term. - Where a reelected county clerk resigned prior to the beginning of her new term, a vacancy in office was thereby created pursuant to this section and the person properly appointed on the same day as the resignation and qualified pursuant to 10-3-3 NMSA 1978 was entitled to hold the office until her successor was duly elected and qualified; therefore, there was no vacancy in the office for the new term. State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

Resignation of judge of small claims court. - The resignation of the judge of the small claims court caused a vacancy in that office. 1964 Op. Att'y Gen. No. 64-146.

### **§ 10-3-2. Local school boards; vacant or vacated offices.**

A. A local school board shall hold at least one regular meeting each month of the calendar year.

B. The office of any member of a local school board, if the member misses four consecutive regular meetings, may be declared vacant by a majority vote of the remaining members of the local school board.

C. The office of any member of a local school board, if the member misses six consecutive regular meetings, shall be vacant.

D. Any vacancy of an office on a local school board created pursuant to this section shall be filled in the same manner as other vacancies on a local school board are filled. Any member of a local school board who has his office declared vacant or vacated pursuant to this section shall not be eligible for appointment to the local school board until the term for which he was originally elected or appointed has expired.

E. As used in this section "regular meeting" means a meeting of the members of a local school board at which at least a quorum is present, about which notice has been published and at which normal school district business is transacted.

### **§ 10-3-3. [Vacancy in county or precinct office; appointment.]**

Whenever any vacancy in any county or precinct office in any of the counties of this state other than a vacancy in the office of county commissioner, shall occur by reason of death, resignation or otherwise it shall be the duty of the board of county commissioners of the county where such vacancy has occurred to fill said vacancy by appointment and said appointee shall be entitled to hold said office until his successor shall be duly elected and qualified according to law.

History: Laws 1907, ch. 6, § 2; Code 1915, § 1219; C.S. 1929, § 33-4233; 1941 Comp., § 10-302; 1953 Comp., § 5-3-2.

Cross-references. - For appointment of successor, see 10-4-28 NMSA 1978. As to tenure of office of state officers, see N.M. Const. art. XX, § 2.

Scope of powers. - The board of county commissioners has the power to fill vacancies in any county offices, except vacancies occurring in the board itself. 1909-12 Op. Att'y Gen. No. 182.

Commissioners must fill vacancies. - This section makes it the mandatory duty of the county commissioners to fill vacancies in the office of justice of the peace (now magistrate) in every precinct where a vacancy exists. 1951-52 Op. Att'y Gen. No. 5327.

Within a reasonable time. - No mention is made of the time in which the appointment must be made, thus, in the absence of any directives, the appointment must be made within a reasonable time. 1970 Op. Att'y Gen. No. 70-50.

No power to appoint when no power to elect. - Where people had no legal right to elect an assessor for a county, board of county commissioners had no legal right to appoint, and where such appointment was made, there being no vacancy, such appointment was of no legal effect. Territory ex rel. Andoval v. Albright, 12 N.M. 293, 78 P. 204 (1904), appeal dismissed, 200 U.S. 9, 26 S. Ct. 210, 50 L. Ed. 346 (1906).

Interim appointment. - There is no provision in this statute for an interim appointment. Having made the appointment which filled the vacancy, the jurisdiction of the board was exhausted until another vacancy occurred. It is irrelevant that the plaintiff was designated as "acting county clerk" or that she filed her oath of office and bond as an "acting county clerk"; the appointment is for the full legal term, notwithstanding the appointing body's attempt to give it a different duration. State ex rel. Walker v. Dilley, 86 N.M. 796, 528 P.2d 209 (1974).

Effect of hold-over authority after term expiration. - During the period in which a public officer holds over after the expiration of his term, under constitutional or statutory authority entitling him to do so until the election and qualification of a successor, there is no vacancy in office which may be filled by an interim appointment. State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

As to vacancy. - Where power has been given to appoint to an office and the same has been exercised, any subsequent appointment to the same office will be void unless the prior incumbent has been removed or the office has otherwise become vacant, and an office is not vacant so long as it is supplied, in the manner provided by the constitution or law, with an incumbent who is legally qualified to exercise the power and perform the duties which pertain to it. State ex rel. Walker v. Dilley, 86 N.M. 796, 528 P.2d 209 (1974).

Appointee incumbent cannot be displaced by another appointee. State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

Where second appointee authorized. - Where one has been appointed county clerk and his bond has not been approved in 13 days, the commissioners are authorized to appoint another. 1914 Op. Att'y Gen. No. 98.

When incumbent ineligible for reappointment. - A vacancy in a county office may occur where a successor in an office fails to qualify. The board of county commissioners must appoint a person to fill the vacancy and an incumbent who has already served two consecutive terms is ineligible for that appointment. 1979 Op. Att'y Gen. No. 79-19.

Where incumbent may hold over. - Where person elected to office of probate judge dies before taking office, and incumbent of the office is appointed by county commissioners a year before that time upon resignation of the probate judge, the incumbent holds over until a successor is appointed by board of county commissioners. 1937-38 Op. Att'y Gen. No. 37.

Where reelected clerk resigns prior to beginning of term. - Where a reelected county clerk resigned prior to the beginning of her new term, a vacancy in office was thereby created pursuant to 10-3-1 NMSA 1978 and the person properly appointed on the same day as the resignation was entitled to hold the office until her successor was duly elected and qualified; therefore, there was no vacancy in the office for the new term. State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

Duration of appointee's term. - A county officer appointed by the board of county commissioners serves until the next succeeding general election. 1923-24 Op. Att'y Gen. No. 173.

Last line of section not repealed. - Section 10-3-1 NMSA 1978, creating a vacancy for "failure of the officer to qualify as provided by law" does not repeal by implication the last line of this section, providing that an appointive officer shall hold office until "his successor shall be duly elected and qualified according to law." State ex rel. Rives v. Herring, 57 N.M. 600, 261 P.2d 442 (1953).

## Removal of Local Officers

### § 10-4-1. [Local officers subject to removal.]

Any county, precinct, district, city, town or village officer elected by the people, and any officer appointed to fill out the unexpired term of any such officer, may be removed from office on any of the grounds mentioned in this chapter and according to the provision hereof.

History: Laws 1909, ch. 36, § 1; Code 1915, § 3954; C.S. 1929, § 96-105; 1941 Comp., § 10-303; 1953 Comp., § 5-3-3.

Cross-references. - For removal of justices, judges or magistrates of any court, see N.M. Const., art. VI, § 32. For removal of municipal officers for financial interests, see 3-10-4 NMSA 1978. For removal of municipal officer for malfeasance in office, see 3-10-7 NMSA 1978. For supersedeas of judgment in removal proceedings, see Rule 1-062.

Meaning of "this chapter". - See same catchline in notes to 10-1-3 NMSA 1978.

Constitutionality. - This act (10-3-1, 10-4-1 to 10-4-29 NMSA 1978) does not violate N.M. Const., art. XX, § 2. State ex rel. Harvey v. Medler, 19 N.M. 252, 142 P. 376 (1914).

Purpose of removal is not to determine whether a public officer has been a good person or a bad person in the past but only to determine whether, by reason of existing facts and circumstances, he should be removed from his present office. State v. Santillanes, 99 N.M. 89, 654 P.2d 542 (1982).

This is a civil and not a criminal proceeding. State ex rel. Mitchell v. Medler, 17 N.M. 644, 131 P. 976 (1913); State ex rel. Mansker v. Leib, 20 N.M. 619, 151 P. 766 (1915); State v. Santillanes, 99 N.M. 89, 654 P.2d 542 (1982).

Officer not removable for misconduct during prior term. - The terms "office" and "in office" in this section and 10-4-2 NMSA 1978 mean during the current term for which the officer is elected or appointed and in which the offenses charged occurred. Therefore, it is not within the province of the court to punish a public officer by allowing his removal for misconduct which may have occurred during a previous term. State v. Santillanes, 99 N.M. 89, 654 P.2d 542 (1982).

Power to remove board of education member not exclusive. - Notwithstanding N.M. Const., art. XII, § 6, the school board does not have exclusive power to remove a member of the state board of education, but the court also has such power under this section. State ex rel. Hannah v. Armijo, 37 N.M. 423, 24 P.2d 274 (1933).

District attorney not within purview. - This section does not embrace a district attorney within its purview. *State ex rel. Prince v. Rogers*, 57 N.M. 686, 262 P.2d 779 (1953).

Even though now elected. - In 1909, when this section was passed, the district attorney was an officer appointed by the governor of the state by and with the consent of the legislature. The district attorney is not a "county, precinct, district, city, town or village officer elected by the people" under the terms of this section, even though N.M. Const., art. VI, § 24, adopted in 1911, provides for the election of district attorneys. *State ex rel. Prince v. Rogers*, 57 N.M. 686, 262 P.2d 779 (1953).

Nor is a senator. - Although a state senator may have been absent from the state for more than six months, yet it rests with the senate to declare his office vacant. 1925-26 Op. Att'y Gen. No. 82.

Removal and suspension proceedings separate and distinct. - Proceedings for removal and that for suspension are separate and distinct, and each requires its own citation as a basis for jurisdiction, although the latter is auxiliary to the former. *State ex rel. Delgado v. Leahy*, 30 N.M. 221, 231 P. 197 (1924).

## **§ 10-4-2. [Causes for removal of local officers.]**

The following shall be causes for removal of any officer belonging to the class mentioned in the preceding section [10-4-1 NMSA 1978]:

- A. conviction of any felony or of any misdemeanor involving moral turpitude;
- B. failure, neglect or refusal to discharge the duties of the office, or failure, neglect or refusal to discharge any duty devolving upon the officer by virtue of his office;
- C. knowingly demanding or receiving illegal fees as such officer;
- D. failure to account for money coming into his hands as such officer;
- E. gross incompetency or gross negligence in discharging the duties of the office;
- F. any other act or acts, which in the opinion of the court or jury amount to corruption in office or gross immorality rendering the incumbent unfit to fill the office.

History: Laws 1909, ch. 36, § 2; Code 1915, § 3955; C.S. 1929, § 96-106; 1941 Comp., § 10-304; 1953 Comp., § 5-3-4.

Cross-references. - For sheriff exercising powers after removal, penalty, see 4-41-4 NMSA 1978. For misapplication of funds received from United States forest reserves, ground for removal, see 6-11-4 NMSA 1978. For subregistrars, removal by state registrar of vital statistics, see 24-14-7 NMSA 1978. For failure of peace officer to investigate violations of criminal laws or cooperate in prosecution, see 29-1-1 NMSA 1978. For conservancy district officer, removal, see 73-17-8 NMSA 1978. For New Mexico livestock board, failure to execute bonds, see 77-2-20 NMSA 1978. For constable removed for failure to perform duties as pound-keeper in irrigation district, procedure, see 77-14-34 NMSA 1978.

Generally, as to neglect of duty. - Dismissal of a public officer for neglect of duty cannot be for honest errors in judgment or mistakes in administration. The dismissal must be for failure or neglect to do a positive duty. 1959-60 Op. Att'y Gen. No. 60-132.

Cupidity or pathological sloth. - The neglect must constitute "cupidity or pathological sloth." The mere failure to perform an act, with nothing more, does not constitute a neglect of duty. 1959-60 Op. Att'y Gen. No. 60-132.

Where failure to attend meetings neglect of duty. - The consistent, continual failure of an elected school board member to attend board meetings could be construed as a neglect of duty. The board is charged with the overall supervision of the schools of the district over which it has jurisdiction, and members thereof are certainly charged with a positive duty of such interest in the matters before the board to attend at least a part of its meetings. A complete failure on the part of a board member to take part in board affairs is a dereliction of a positive duty constituting neglect of office. 1959-60 Op. Att'y Gen. No. 60-132.

Failure of justice of peace to account for money. - A justice of the peace (now magistrate) is an officer subject to removal for failure to account for money owing the state. 1963-64 Op. Att'y Gen. No. 63-84 (rendered under former law).

Meaning of "gross incompetency". - The plain meaning of the term "gross incompetency" is a glaringly noticeable or manifest lack of physical or mental ability. 1976 Op. Att'y Gen. No. 76-24.

Requirements of nonrelated job causing conflict of duties. - If an individual is unable to adequately and efficiently perform the duties of a public position because of the requirements of other nonrelated jobs of either a public or private nature, such amounts to an inability to fill the position because of a conflict of duties, thus rendering such person subject to discharge. 1963-64 Op. Att'y Gen. No. 63-133.

Officer not removable for misconduct during prior term. - The terms "office" and "in office" in this section and 10-4-1 NMSA 1978 mean during the current term for which the

officer is elected or appointed and in which the offenses charged occurred. Therefore, it is not within the province of the court to punish a public officer by allowing his removal for misconduct which may have occurred during a previous term. *State v. Santillanes*, 99 N.M. 89, 654 P.2d 542 (1982).

### **§ 10-4-3. [Grand jury accusation.]**

An accusation in writing against any officer belonging to the class of officers mentioned in Section 10-4-1 NMSA 1978, charging any of the matters mentioned in this chapter as sufficient ground for removal, may be presented by the grand jury to the district court of the county in or for which the officer accused is elected.

#### **§ 10-4-5. [Presentment of grand jury accusation; service on defendant; return day.]**

The accusation must be presented in open court, and the judge, after receiving the same, must forthwith cause it to be transmitted to the district attorney who must cause a copy thereof to be served upon the defendant and require by written notice that such defendant appear before the district court at a date to be named in the notice, which shall be not less than five nor more than ten days after service of a copy of such notice, and answer the accusation.

History: Laws 1909, ch. 36, § 6; Code 1915, § 3959; C.S. 1929, § 96-110; 1941 Comp., § 10-307; 1953 Comp., § 5-3-7.

Generally. - It is the duty of the district attorney to bring matter of complaint to attention of court by statement of the offense in ordinary and concise language, without repetition, and in such manner as to enable a person of common knowledge to know what is intended, and support such statement by the affidavit or affidavits of those having knowledge of the facts upon which cause for removal is based. *State ex rel. Mansker v. Leib*, 20 N.M. 619, 151 P. 766 (1915).

As to filing accusation. - The district attorney cannot proceed in the matter of removal of county officials under this act (10-3-1, 10-4-1 to 10-4-29 NMSA 1978), unless sworn evidence has been presented to him, and unless he files an accusation supported by affidavit or affidavits, at a time when the grand jury of the county would not be in session within a period of twenty days, or at a time when the grand jury was not actually in session. *State v. Awalt*, 21 N.M. 510, 156 P. 407 (1916).

When the accusation is presented by the district attorney as provided in the preceding section [10-4-18 NMSA 1978], the same must be supported by sworn affidavit or affidavits, and the court must forthwith investigate the matter, and if a jury is in attendance at the time such accusation is presented, the court must order a citation to the defendant and thenceforth the case must proceed as provided in this chapter where the accusation is by a grand jury.

History: Laws 1909, ch. 36, § 20; Code 1915, § 3973; C.S. 1929, § 96-124; 1941 Comp., § 10-321; 1953 Comp., § 5-3-21.

When amended verification prohibited. - Where the verification of an accusation for the removal of a public officer is held insufficient by the trial court within twenty days of the time for the grand jury to meet, or while it is in session, the matter should be presented, and it is error to permit amended verifications. *State v. Awalt*, 21 N.M. 510, 156 P. 407 (1916).

Accusation distinguished from information. - Accusation to be presented to the court by the district attorney may be one based upon information of others and not a formal charge upon information of the district attorney. *State ex rel. Mansker v. Leib*, 20 N.M. 619, 151 P. 766 (1915).

Citation or order to show cause necessary. - Under the provisions of 10-4-5 NMSA 1978, a citation or order to an officer to show cause why he should not be suspended from office until final determination of a removal proceeding is necessary before the court has the power to proceed to hear the matter of suspension. *State ex rel. than five nor more than fifteen days after service of such order and at such place as may be mentioned in the order, to show cause why he should not be suspended from office until the matters and things alleged in the accusation have been judicially determined under the provisions of this chapter.

When citation or order necessary. - A citation or order to an officer to show cause why he should not be suspended from office until final determination of a removal proceeding is necessary before the court has power to proceed to hear the matter of suspension. State ex rel. Delgado v. Leahy, 30 N.M. 221, 231 P. 197 (1924).

Proceedings for removal and suspension are separate and distinct, and each requires its own citation as a basis for jurisdiction, although the latter is auxiliary to the former. State ex rel. Delgado v. Leahy, 30 N.M. 221, 231 P. 197 (1924).

Jurisdiction of preliminary investigations. - District courts are without jurisdiction to entertain preliminary investigations except as provided in this section and 10-4-25 NMSA 1978, and jurisdiction assumed outside of these sections is properly restrained by a writ of prohibition. If upon order of the secretary a suspended official of any local public body refuses or fails to deliver to the secretary all money, records and other property of the local public body, the secretary may invoke the aid of the court to require delivery of money, records and other property of the local public body.

C. It shall be a petty misdemeanor for an official of any local public body to willfully fail or refuse to deliver all money, records and other property of the local public body to the secretary upon order in accordance with the provisions of this section. Upon conviction, the official shall be sentenced to not more than six months in the county jail and fined not more than five thousand dollars (\$5,000) or both such imprisonment and fine in the discretion of the judge.

### **Abandonment of Public Office or Employment**

#### **§ 10-6-1. [Effect of public officer or employee entering military service.]**

Any incumbent of any public office or employment of the state of New Mexico, or of any of its departments, agencies, counties, municipalities or political subdivisions whatsoever, who shall heretofore have entered or who hereafter shall enter military, naval, United States merchant marine, or other armed service of the United States of America, and who by reason of the duties imposed upon him in such service shall fail to devote his time to the performance in person of the duties of such office or employment shall, by entering or continuing in such service, be deemed to have waived and renounced the salary of, and to have abandoned such office or employment until, but only until, he shall have been relieved from active duty in such service and shall have resumed the personal performance of the duties of such public office or employment.

History: 1941 Comp., § 10-338, enacted by Laws 943, ch. 123, § 1; 1953 Comp., § 5-3-38.

Generally, as to challenging provisions. - A public officer who enters military service cannot challenge provisions of act which temporarily diverts emoluments of the office during his inability to perform the duties of such office, in view of applicability of the removal and vacancy statutes which would normally foreclose him from retaining any right to either emoluments or salary pertaining to such office. *State ex rel. Sanchez v. Stapleton*, 48 N.M. 463, 152 P.2d 877 (1944).

Where not legally appointed. - One who was not legally appointed to the post of deputy assessor cannot question constitutionality of act which provides for carrying on duties of public officer who entered military service. *State ex rel. Sanchez v. Stapleton*, 48 N.M. 463, 152 P.2d 877 (1944).

Purpose of statute. - Laws 1943, ch. 123 (10-6-1 to 10-6-6 NMSA 1978) had as its purpose the preservation to incumbents of their offices despite their failure to perform the duties thereof while in the armed services, and guarding against disruption of essential functions of government. *State ex rel. Sanchez v. Stapleton*, 48 N.M. 463, 152 P.2d 877 (1944).

Effect of national guard duty. - A county clerk or any other public employee or official serving on active duty in the federalized national guard must be considered to have temporarily abandoned his office, and is not entitled to be paid for such office. 1951-52 Op. Att'y Gen. No. 5447.

Section is applicable to members of municipal boards of education. 1943-44 Op. Att'y Gen. No. 4629.

Effect of failure to rule on repeal. - Where trial court entered a correct judgment, its failure to rule that this statute did not by implication repeal a prior removal statute, where the two were not irreconcilable, or that the latter as a more general statute did not repeal the earlier special statute, if error, was harmless. *State ex rel. Sanchez v. Stapleton*, 48 N.M. 463, 152 P.2d 877 (1944).

## **§ 10-6-2. [Temporary appointments.]**

The officer, agent, employee, board or other agency of the state of New Mexico, or of its departments, agencies, counties, municipalities or political subdivisions, who is by law authorized to fill ordinary vacancies in the public office or employment so temporarily abandoned as provided in Section 1 [10-6-1 NMSA 1978] hereof is hereby authorized, empowered and directed to appoint to the public office or employment, so abandoned as provided in Section 1 hereof, another person who shall receive the salary and perform the duties thereof until, but only until, the former incumbent shall have been relieved from active duty in the armed services and shall have resumed the personal discharge of the duties of such public office or employment.

## **§ 10-6-3. [Permanent abandonment of office, what constitutes.]**

Any incumbent of any public office or employment of the state of New Mexico, or of any of its departments, agencies, counties, municipalities or political subdivisions whatsoever, who shall accept any public office or employment, whether within or without the state, other than service in the armed forces of the United States of America, for which a salary or compensation is authorized, or who shall accept private employment for compensation and who by reason of such other public office or employment or private employment shall fail for a period of thirty successive days or more to devote his time to the usual and normal extent during ordinary working hours to the performance of the duties of such public office and employment, shall be deemed to have resigned from and to have permanently abandoned his public office and employment.

History: 1941 Comp., § 10-340, enacted by Laws 1943, ch. 123, § 3; 1953 Comp., § 5-3-40.

Factors constituting abandonment. - It is not only the acceptance of another public office for which a salary or compensation is authorized that will automatically constitute the abandonment of the incumbent's public office; in addition, it must be found that because of such other public office the incumbent fails for 30 successive days or more to devote his time to the usual and normal extent during ordinary working hours to the performance of the duties of such public office. 1964 Op. Att'y Gen. No. 64-73.

Offices of mayor and magistrate compatible. - The office of mayor of an incorporated village and the office of justice of the peace (now magistrate) where the latter's precinct covers said village are not incompatible (rendered prior to 1977 amendment of 10-6-5 NMSA 1978. 1964 Op. Att'y Gen. No. 64-73.

So are school superintendent and teacher. - The office of county school superintendent is compatible with employment as a municipal schoolteacher. Such employment will result in a resignation by operation of law of the office of county school superintendent if it causes the superintendent to fail for 30 successive days to devote full time to his office. Employment as a teacher may also render the superintendent subject to removal from office if it results in the failure, neglect or refusal of the superintendent to discharge any or all of the duties devolving on him by virtue of his office. 1959-60 Op. Att'y Gen. No. 60-154.

And judge and clerk where hours do not conflict. - The test of physical incompatibility is a failure by an official for 30 consecutive days to devote his time to the usual and normal extent during ordinary working hours to the performance of the duties of his office. One cannot perform two full-time positions or one full-time position and one part-time position at the same time. Where the individual is serving in the capacity of municipal judge after his working hours as city clerk, there is no physical incompatibility of office. 1968 Op. Att'y Gen. No. 68-111.

Judge and county maintenance worker. - If an incumbent could successfully perform his duties as probate judge to the usual and normal extent outside his working hours at the

county maintenance department, or vice versa, the two positions would be compatible under the statutory criteria. 1989 Op. Att'y Gen. No. 89-10.

Power to determine and fill vacancy. - County commissioners have power to determine a vacancy in the office of the justice of the peace (now magistrate) to exist by reason of abandonment by the elected incumbent and to appoint another person to fill the vacancy. 1959-60 Op. Att'y Gen. No. 59-34.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 67 C.J.S. Officers and Public Employees § 100.

#### **§ 10-6-4. [Filling vacancy when office permanently abandoned.]**

The officer, agent, employee, board or other agency of the state, or of its departments, agencies, counties, municipalities or political subdivisions, who is by law authorized to fill ordinary vacancies in the public office or employment so permanently abandoned, as provided in Section 3 [10-6-3 NMSA 1978] hereof, is hereby authorized, empowered and directed to appoint to such public office or employment some qualified person who shall thereafter receive the salary and perform the duties thereof until the expiration of the term of the former incumbent or until his successor shall have been elected, appointed or otherwise chosen and qualified or until the former incumbent shall have been relieved from active duty in the armed services and shall have resumed the personal discharge of the duties of such public office or employment.

History: 1941 Comp., § 10-341, enacted by Laws 1943, ch. 123, § 4; 1953 Comp., § 5-3-41.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 67 C.J.S. Officers and Public Employees §§ 74 to 79, 100.

#### **§ 10-6-5. Definition of incompatible office; service and employment.**

Any public office or service, other than service in the armed forces of the United States of America, and any private employment of the nature and extent designated in Section 10-6-3 NMSA 1978 is hereby declared to be incompatible with the tenure of public office or employment.

History: 1941 Comp., § 10-342, enacted by Laws 1943, ch. 123, § 5; 1953 Comp., § 5-3-42; Laws 1977, ch. 56, § 1; 1979, ch. 344, § 1.

Physical incompatibility explained. - The test of physical incompatibility is a failure by an official for 30 consecutive days to devote his time to the usual and normal extent during ordinary working hours to the performance of the duties of his office. One cannot perform two full-time positions or one full-time position and one part-time position at the

same time. Where the individual is serving in the capacity of municipal judge after his working hours as city clerk, there is no physical incompatibility of office. 1968 Op. Att'y Gen. No. 68-111.

Public school instructors and administrators are state employees within the constraints of the prohibition against serving in the legislature while receiving compensation as an employee of the state. 1988 Op. Att'y Gen. No. 88-20.

Effect of section on schoolteacher. - The position of schoolteacher is not an office within the meaning of this section. *Amador v. New Mexico State Bd. of Educ.*, 80 N.M. 336, 455 P.2d 840 (1969).

On state board of education and schoolteacher. - The state board of education only has jurisdiction over a schoolteacher in the instance where the teacher appeals to that board from an adverse ruling by the local board of education and if a teacher who is also a member of the state board should appeal from the action of the local board, the teacher would simply refrain from acting as a member of the board in his case just as would a member of any other trade or profession who appealed to the board of which he was a member. *Amador v. New Mexico State Bd. of Educ.*, 80 N.M. 336, 455 P.2d 840 (1969).

On mayor and magistrate. - The office of mayor of an incorporated village and the office of justice of the peace (now magistrate) where the latter's precinct covers said village are not incompatible (opinion rendered prior to 1977 amendment of 10-6-5 NMSA 1978). 1964 Op. Att'y Gen. No. 64-73.

On judicial and law enforcement officer. - Regardless of salary, a judicial officer may never serve as a law enforcement officer in any situation where holding one office may cause some benefit to accrue to the other, or would intrude upon the disinterested and impartial disposition of civil or criminal cases in court. 1959-60 Op. Att'y Gen. No. 60-168.

On probate judge and deputy district court clerk. - A probate judge may be appointed to act as a deputy district court clerk and receive a salary therefor. 1957-58 Op. Att'y Gen. No. 57-298.

On city clerk and municipal judge. - No incompatibility of office exists because of inconsistency of functions between the offices of city clerk and municipal judge. 1968 Op. Att'y Gen. No. 68-111.

## **§ 10-6-6. [Penalties.]**

It shall be unlawful for any person who has temporarily or permanently abandoned his public office or employment, as herein defined and described, to receive compensation from public money on account of services or periods of time in his or her public office or employment accruing after such temporary or permanent abandonment and, in the case of temporary abandonment as herein defined, before the resumption of such office or employment as described in Section 1 [10-6-1 NMSA 1978] hereof. Any person receiving or paying compensation in violation of this section shall be punished by a fine of not less than two hundred fifty dollars (\$250), nor more than one thousand dollars (\$1,000), or by imprisonment for not more than one year, or by both such fine and imprisonment.

### **Compensation and Working Conditions Generally**

#### **§ 10-7-1. [Temporary transfers of employees from one office, department or institution to another.]**

The governor is further authorized, subject to the approval of the state board of finance, to transfer, temporarily from one office, department or institution to another office, department or institution, such employees as in his judgment may be necessary or convenient at any time to further the economical and efficient conduct of the state government and without regard to the appropriation out of which such employee may be paid; provided, that the governor shall have the power to designate and employ a personnel director who shall assist him in the performance of the duties imposed upon the governor by the terms of this section.

History: Laws 1935, ch 70, § 3; 1941 Comp., § 10-403; Laws 1943, ch. 10, § 3; 1953 Comp., § 5-4-3.

State board of finance. - Laws 1977, ch. 247, § 6, establishes the state board of finance, referred to in this section, in connection with the board of finance division of the department of finance and administration. See 6-1-1 NMSA 1978.

Theory of section. - This section contemplates that a public officer can perform the duties and obligations of any position to which he is temporarily transferred. State ex rel. Bird v. Apodaca, 91 N.M. 279, 573 P.2d 213 (1977).

Meaning of "temporary". - The word temporary means that which is to last for a limited time only, not of long duration but for a short time. 1957-58 Op. Att'y Gen. No. 57-94.

Remuneration where two jobs. - An employee of the state who is employed by one department on a monthly basis could be entitled to remuneration from a second department or agency of the state if the services are performed at a time which are not regular working hours of the first department and in a location different from that of the first department. 1957-58 Op. Att'y Gen. No. 58-16.

## **§ 10-7-2. Salaries and wages payable at least semimonthly.**

It is hereby provided that all persons employed by and on behalf of the state of New Mexico, except those employed by institutions of higher education, including all officers, shall receive their salaries or wages for services rendered in accordance with regulations issued by the department of finance and administration.

History: Laws 1933, ch. 157, § 1; 1941 Comp., § 10-405; 1953 Comp., § 5-4-5; Laws 1961, ch. 70, § 1; 1975, ch. 128, § 1.

Cross-references. - For weekly payment for certain public projects, see 13-4-11 NMSA 1978.

Compiler's notes. - The catchline of this section was not changed when the section was amended in 1975 so that it no longer expressly requires semimonthly payments.

Where judgment for damages not within scope. - This section did not concern judgments for damages for breach of contract awarded to discharge tenured teacher. Sanchez v. Board of Educ., 80 N.M. 286, 454 P.2d 768 (1969).

Generally, as to payment of accrued vacation time. - Employees of political subdivisions may, upon termination of their employment, be compensated for their permissible

accrued vacation time unless prohibited therefrom by the personnel ordinance or merit system. 1964 Op. Att'y Gen. No. 64-155.

Where payment of vacation time improper. - Where an employee continues to be employed by a local public body but simply does not take his vacation time, payment therefor is improper. 1964 Op. Att'y Gen. No. 64-155.

Organization of public employees. - Public employees are certainly not entitled to the right to strike or to bargain collectively concerning the matters of their employment. The right to organize the public employees should be a matter of consideration for the legislature, and since the New Mexico legislature has not seen fit to grant this right, under the present state of the law, such right of organization is not available to public employees. 1955-56 Op. Att'y Gen. No. 6207.

### **§ 10-7-3. [Inapplicability of act.]**

Nothing in this act [10-7-2, 10-7-3 NMSA 1978] shall apply to those officials or employees receiving their salaries or wages at a time as fixed by any provision of the constitution of the state of New Mexico.

### **§ 10-7-4. Group insurance; cafeteria plan; contributions from public funds.**

A. All state departments and institutions and all political subdivisions of the state may and, by July 1, 1975, shall cooperate in providing group term life, medical or disability income insurance for the benefit of eligible employees or salaried officers of the respective departments, institutions and subdivisions.

B. The group insurance contributions of the state or any of its departments or institutions, including institutions of higher education and the public schools, shall be made as follows:

(l) seventy-five percent of the cost of the insurance of an employee whose annual salary is less than fifteen thousand dollars (\$15,000);

(2) seventy percent of the cost of the insurance of an employee whose annual salary is fifteen thousand dollars (\$15,000) or more but less than twenty thousand dollars (\$20,000);

(3) sixty-five percent of the cost of the insurance of an employee whose annual salary is twenty thousand dollars (\$20,000) or more but less than twenty-five thousand dollars (\$25,000); or

(4) sixty percent of the cost of the insurance of an employee whose annual salary is twenty-five thousand dollars (\$25,000) or more.

As used in this subsection, "cost of the insurance" means the premium required to be paid to provide coverages. Any contributions of the political subdivisions of the state, except the public schools, shall not exceed sixty percent of the cost of the insurance.

C. When a public employee elects to participate in a cafeteria plan as authorized by the Cafeteria Plan Act [10-7-14 to 10-7-19 NMSA 1978] and enters into a salary reduction agreement with the governmental employer, the provision of Subsection B of this section with respect to the maximum contributions which can be made by the employer are not violated and will still apply. The employer percentage or dollar contributions as provided in Subsection B of this section shall be determined by the employee's gross salary prior to any salary reduction agreement.

History: Laws 1941, ch. 188, § 1; 1941 Comp., § 10-416; 1953 Comp., § 5-4-12; Laws 1965, ch. 181, § 1; 1969, ch. 86, § 1; 1970, ch. 73, § 1; 1973, ch. 387, § 1; 1981, ch. 151, § 1; 1986, ch. 84, § 1; 1987, ch. 256, § 1; 1987, ch. 289, § 7; 1989, ch. 27, § 1; 1989, ch. 231, § 9.

Cross-references. - For state police group life insurance, see 29-2-29 NMSA 1978. As to continuation of group health insurance after retirement or death of insured, see 10-11-121 NMSA 1978.

The 1986 amendment designated the provisions of the former section as present Subsection A, deleting the former second sentence of Subsection A limiting the amount of the state's contribution, set out in the 1983 Replacement Pamphlet; added Subsection B; and transferred the former third sentence of Subsection A to the end of Subsection B.

The 1987 amendments. - Laws 256, ch. 256, § 1, effective July 1, 1987, in Subsection B, in the undesignated paragraph following Paragraph (4) inserting "and municipalities" following "public schools" near the end of the last sentence and adding Subsection C, was approved April 9, but those amendments were not published. Laws 1987, ch. 289, § 7, effective April 9, 1987, also amending this section by adding Subsection C, but not including the changes made by the first 1987 amendment, was approved later on April 9, 1987. This section was set out as amended by Laws 1987, ch. 289, § 7. See 12-1-8 NMSA 1978.

The 1989 amendments. - Laws 1989, ch. 27, § 1, effective March 13, 1989, in Subsection B, deleting the former second sentence of the last undesignated paragraph, relating to health maintenance organizations and inserting "counties and municipalities" in the last sentence, adding a Subsection C which read "Municipalities may contribute any amount up to one hundred percent of the cost of insurance", and redesignating the former Subsection C as Subsection D, while substituting "Subsections B and C" for "Subsection B" in the first sentence thereof, was approved on March 13, 1989. However, Laws 1989, ch. 231, § 1, effective April 5, 1989, giving effect only to the change by the first amendment which deleted the second sentence of the last undesignated paragraph of Subsection B, but not giving effect to any of the other changes by the first amendment, and, additionally, deleting from the end of the first sentence in Subsection B "no better than the coverages provided by the public employer's group insurance policy in force on January 1, 1985", was approved on April 5, 1989. The section is set out as amended by Laws 1989, ch. 231, § 1. See 12-1-8 NMSA 1978.

Effective dates. - Laws 1986, ch. 84 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective on May 21, 1986.

Applicability. - Laws 1986, ch. 84, § 4 makes the provisions of the act applicable to the first full pay period in the seventy-fifth fiscal year and subsequent pay periods.

Severability clauses. - Laws 1986, ch. 19, § 11 provides for the severability of the act if any part or application thereof is held invalid.

Generally, as to constitutionality and effect of section. - Provision by the state under this section of group or other forms of insurance for the benefit of eligible employees is a valid use of public funds and not a pledge of credit or donation in contravention of the state constitution, since such contribution is in fact an increment to a public employee's salary and is a benefit to the state or its subdivisions through its concomitant effect of attracting and maintaining capable public personnel in public positions. 1964 Op. Att'y Gen. No. 64-83.

Constitutionality of payments. - Payments by the state under this section do not violate N.M. Const. art. V, § 12 and are not payments of additional fees or compensation. 1968 Op. Att'y Gen. No. 68-1.

Objective of section was to expressly provide authority for the state, state institutions and political subdivisions of the state to make contributions from public funds to pay a portion of the cost of group insurance policies carried for the benefit of their employees up to certain prescribed maximums. Such contributions may be validly made if the amounts contributed by the state employer are kept within the statutory limitation. 1963-64 Op. Att'y Gen. No. 63-44. See also 1963-64 Op. Att'y Gen. No. 63-25.

Meaning of "departments". The term "departments" as utilized in this section has application to the three basic departments of state government recognized in N.M.

Const., art. III, § 1, that is, the legislative, executive and judicial departments. 1963-64 Op. Att'y Gen. No. 63-44.

"For the benefit of" construed. - The words "for the benefit of" the employee should be construed to include an employer's payment toward the premium of a group hospitalization insurance policy which covers both an employee and his or her dependents. 1969 Op. Att'y Gen. No. 69-59.

As to dependents. - The legislature did not intend to limit this employment benefit to the individual employee regardless of whether or not he had dependents. 1969 Op. Att'y Gen. No. 69-59.

Payment of retirees health insurance premiums not authorized. - This section is a general law providing municipalities with the authority to pay health insurance costs for employees and their family members, and does not authorize a municipality to pay a portion of its retirees' health insurance premium costs for its employees who retire under the Public Employee's Retirement Act. 1989 Op. Att'y Gen. No. 89-04.

District attorney's office covered. - The district attorney's office is covered under the provisions of this section through 10-7-6 NMSA 1978, inclusive. 1959-60 Op. Att'y Gen. No. 59-106.

Effect on constables and magistrates. - Constables and justices of the peace (now magistrates) are not eligible for group insurance as provided by New Mexico statutes. 1959-60 Op. Att'y Gen. No. 59-42 (rendered prior to 1969 amendment).

Section applies to cattle sanitary board (now New Mexico livestock board) and constitutes a legal limitation upon the maximum amount of contribution which the board may make in providing funds for group insurance programs covering the board's employees. 1963-64 Op. Att'y Gen. No. 63-44.

Where employees of adjutant general's office ineligible. - Persons employed by the office of the adjutant general of New Mexico in maintenance, technical, clerical and fiscal positions throughout the state of New Mexico who are paid by the federal government, and are participants in the state public employees' retirement association program, are nevertheless not eligible for participation in the state group insurance program. 1964 Op. Att'y Gen. No. 64-97.

A. The risk management division of the general services department may, with the prior advice of the committee, establish and administer a group benefits self-insurance plan, providing life, vision, health, dental and disability coverages, or any combination of such coverages, for employees of the state and of participating local public bodies. B. The contribution of a participating local public body to the cost of any such group self-insurance plan shall not exceed that percentage provided for local public body group benefits insurance plans as provided by law.

E. Local public bodies and state agencies which are not participating in the state group benefits insurance plan or self-insurance plan may elect to participate in any group benefits self-insurance plan established pursuant to Subsection A of this section by giving written notice to the director on a date set by the director, which date shall not be later than ninety days prior to the date participation is to begin. The director shall determine an initial rate for such electing entity in accordance with a letter of administration setting forth written guidelines established by the director with the committee's advice. The initial rate shall be based on the claims experience of such electing entity's group for the three immediately preceding continuous years. If three years of continuous experience is not available, a rate fixed for the entity by the director with the committee's advice shall apply, and the electing entity's group shall be rereated on the first premium anniversary following the date one full year of experience for such group becomes available. Any such election may be terminated effective not earlier than June 30 of the third calendar year succeeding the year in which the election became effective or on any June 30 thereafter. Balances in the fund in excess of amounts needed for the purposes of the fund shall not be used to pay dividends or refunds, however described, to individual public employees or their dependents, but may be used, in the director's discretion, to reduce future contributions, to provide additional benefits or as a reserve to stabilize premiums.

B. The fund shall consist of money appropriated to the fund, income from investment of the fund, employers' contributions, employees' contributions, insurance or reinsurance proceeds and other funds received by gift, grant, bequest or otherwise for deposit in the fund, including but not limited to refunds of amounts from prior state group life, vision, dental, health and disability insurance plans, all of which are hereby appropriated to and for the purposes of the fund.

C. Disbursements from the fund shall be made by warrant signed by the secretary of finance and administration upon vouchers signed by the director. Lump sum disbursements from the fund may be advanced, in the manner described in this subsection, to a professional claims administrator to be used to pay benefits. The administrator shall keep any such lump sum advance in a segregated account and shall hold the advance in trust for the benefit of participating employees. On or before the last day of

each month, the administrator shall prepare a request for replenishment of the lump sum disbursement in the amount actually paid out for benefits during the month. Not more than thirty days after the last day of each month, the administrator shall make and submit to the director a detailed report of expenditures of any such lump sum advance during the month.

D. Money in the fund may be used by and is hereby appropriated to the risk management division of the general services department:

(1) to purchase life, vision, health, dental and disability insurance, or any combination of these, for state and local public body employees participating in the group self-insurance plan and their covered dependents, from an insurance company determined to be the best responsible bidder, as defined in the Procurement Code [13-1-28 to 13-1-117, 13-1-118 to 13-1-199 NMSA 1978], after:

(a) requesting sealed proposals from three or more insurance agents licensed in New Mexico; or

(b) requesting sealed proposals in accordance with the provisions of the Procurement Code;

(2) to contract with and pay one or more professional claims administrators;

(3) to contract with and pay private attorneys or law firms for advice and for defense of contested claims determinations;

(4) to contract with and pay qualified independent actuaries, financial auditors and claims management and procedures auditors;

(5) to contract with and pay consultants, financial advisors and investment advisors for independent consulting and advice;

(6) to pay reasonable investment commissions and expenses;

(7) to make lump sum advances to any person or firm acting as a professional claims administrator, such advances to be used exclusively to pay benefits to participating employees;

(8) to pay benefits to or for participating employees and their dependents;

(9) to pay any other costs and expenses incurred in carrying out this section; and

(10) as otherwise provided by law.

E. The fund shall be maintained in actuarially sound condition as evidenced by the annual written certification of an actuary qualified for such work that as of June 30 of the

current year the fund was actuarially sound.

F. Annually on or before January 15, the director shall submit to the legislature a report on any group self-insurance plan created pursuant to Subsection A of Section 5 [10-7B-6 NMSA 1978] of the Group Benefits Act, a financial audit of the fund and a claims management and procedures audit by a qualified claims auditor for the one-year period ending on June 30 immediately preceding the report. With respect to claims files, the claims audit may, in the director's discretion, be limited to a random sampling.

### **§ 10-7B-8. Group self-insurance fund; investment.**

A. In making investments of the fund, the director shall consider the relative safety of the investment and the need for liquidity in the fund, as well as the income to be produced. No investment of the fund shall have a maturity date, or similar date before which it may not be liquidated for cash without penalty, premium, deduction, surcharge or interest rate decrease, later than one year from the date of purchase.

B. The director may seek such investment advice as he deems proper. State agencies with investment expertise, including but not limited to the state treasurer, the state investment council, the state investment officer and the state board of finance, shall cooperate in providing investment advice upon the director's request. The director may contract with an investment advisor and pay him from the fund. Any such investment advisor shall have at least a bachelor's degree in economics, accounting, business administration or a related field from an accredited college or university and shall have at least five years of experience as an investment advisor or as a funds investment manager or a combination of both.

C. Any commission paid for the purchase or sale of any securities pursuant to this section shall be reasonable and shall not exceed the brokerage rate for such transaction charged at the time of purchase or sale by national brokerage firms.

D. Investment of the fund shall be made with the exercise of that degree of judgment and care, under the circumstances then prevailing, which men of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation but for investment, considering the probable safety of their capital as well as the probable

income to be derived.

E. Securities purchased from the fund shall be held in the custody of the state treasurer. At the director's direction, the state treasurer shall deposit the securities with a bank or trust company for safekeeping or servicing.

F. The director may delegate his investment authority to the state treasurer, who shall make investments or reinvestments of the fund in accordance with this section.

A. Notwithstanding any other specific law to the contrary and except as provided in Subsection I of this section, every nonsalaried public officer shall receive either reimbursement pursuant to the provisions of Subsection K or L of this section or up to seventy-five dollars (\$75.00) per diem expenses:

(1) for each board or committee meeting attended; or

(2) for each day spent in discharge of official duties for travel within the state but away from his home.

Nonsalaried public officers who travel to attend a board or committee meeting may elect to be reimbursed per diem under either Paragraph (1) or (2) of this subsection.

B. Every salaried public officer or employee who is traveling within the state but away from his home and away from his designated post of duty on official business shall receive either reimbursement pursuant to the provisions of Subsection K or L of this section or:

(1) up to sixty-five dollars (\$65.00) per diem expenses for each day spent in the discharge of his official duties for a salaried public officer or employee of a local public body or state agency. If the secretary finds that a per diem allowance of sixty-five dollars (\$65.00) is inadequate for reimbursement of expenses in any municipality of this state, the secretary may authorize the reimbursement of per diem for travel to such municipality not to exceed seventy-five dollars (\$75.00); or

(2) up to sixty-five dollars (\$65.00) per diem expenses for each day spent in the discharge of his official duties for a salaried public officer or employee of a public post-secondary educational institution. If the governing board finds that a per diem allowance of sixty-five dollars (\$65.00) is inadequate for reimbursement of expenses in any municipality of this state, the governing board may authorize the reimbursement of per diem for travel to such municipality not to exceed seventy-five dollars (\$75.00).

C. Every public officer or employee shall receive either reimbursement pursuant to the provisions of Subsection K or L of this section or:

(1) for public officers or employees of a state agency or local public body, up to seventy-

five dollars (\$75.00) per diem expenses for each day of travel outside the state on official business. If the secretary finds that a per diem allowance of seventy-five dollars (\$75.00) is inadequate for out-of-state travel to a geographical area, the secretary may authorize per diem not to exceed ninety-five dollars (\$95.00) for out-of-state travel to such geographical area; provided that the secretary may authorize per diem for travel to a locality inside or outside the continental United States for a public officer or employee who is reimbursed solely from federal funds in accordance with the rate allowed by the federal government for travel to that locality. In lieu of per diem, persons trained in the field of accountancy and performing duties in that field of training as an employee while assigned for periods exceeding three weeks per assignment to travel out-of-state on official business may receive either reimbursement pursuant to the provisions of Subsection L of this section or actual expenses not to exceed ninety-five dollars (\$95.00) per day. Expenses shall be substantiated in accordance with rules promulgated by the department of finance and administration. The governing board may promulgate rules defining what constitutes out-of-state travel for purposes of the Per Diem and Mileage Act.

D. Every public officer or employee shall receive twenty-five cents (\$.25) a mile for each mile traveled in a privately owned vehicle or forty cents (\$.40) a mile for each mile traveled in a privately owned airplane if the travel is necessary to the discharge of his official duties and if the private conveyance is not a common carrier. Provided, however, that only one person shall receive mileage for each mile traveled in a single privately owned vehicle or airplane except in the case of common carriers, in which case the person shall receive the cost of the ticket in lieu of the mileage allowance.

E. The per diem and mileage or per diem and cost of tickets for common carriers paid to salaried public officers or employees is in lieu of actual expenses for transportation, lodging and subsistence.

F. In addition to the in-state per diem set forth in this section, the department of finance and administration, by regulation, may authorize a flat subsistence rate in the amount set by the legislature in the general appropriations act for commissioned officers of the New Mexico state police in accordance with rules and regulations promulgated by the

department of finance and administration.

G. In lieu of the in-state per diem set in Subsection B of this section, the department of finance and administration may, by regulation, authorize a flat monthly subsistence rate for certain employees of the state highway and transportation department, provided that the payments made under this subsection shall not exceed the maximum amount that would be paid under Subsection B of this section.

(1) reimbursement for actual expenses for lodging; and

(2) reimbursement for actual expenses for meals not to exceed twenty-two dollars fifty cents (\$22.50) per day.

L. With prior written approval of the governing board or its designee, a nonsalaried public officer of a public post-secondary educational institution, a salaried public officer of a public post-secondary educational institution or a salaried employee of a public post-secondary educational institution is entitled to per diem expenses under this subsection and shall receive:

(1) reimbursement for actual expenses for lodging; and

(2) reimbursement for actual expenses for meals not to exceed twenty-two dollars fifty cents (\$22.50) per day.

The 1987 amendment, effective June 19, 1987, deleted former Subsection J which provided an exception as to meetings within fifteen miles of an official's residence, redesignated former Subsections K and L as present Subsections J and K, and made minor stylistic changes throughout the section.

The 1989 amendment, effective June 16, 1989, in Subsections A and B, inserted "or L"; in Subsection B, added the Paragraph (1) designation, inserting therein "for a salaried public officer or employee of a local public body or state agency" and added Paragraph (2); in Subsection C, inserted "or L", added the Paragraph (1) designation, inserting therein "for public officers or employees of a state agency or local public body", and added Paragraph (2); in Subsection G, inserted "and transportation"; in Subsection H, inserted "or the governing board"; in Subsection K, inserted "of a state agency or local public body" in three places; and added Subsection L.

Compiler's notes. - Laws 1981, ch. 109, § 1, as enacted by the legislature, contained provisions in Subsection K to require that travel vouchers contain a certificate to be subscribed and sworn to before a notary; however, such provisions were vetoed by the governor.

General Appropriations Act. - The General Appropriations Act, referred to in Subsection F, is the yearly act passed by the state legislature which funds all state agencies and personnel.

Intent of payment. - Payment under this section is intended to defray costs incurred in travel associated with the performance of public business rather than serve as a salary for services performed. 1977 Op. Att'y Gen. No. 77-20.

Where allowance may not be drawn. - State highway commissioners, as unsalaried state officers, may not draw the statutory per diem allowance while engaged in official state business at their residence or personal business premises. 1977 Op. Att'y Gen. No. 77-20.

The "designated post of duty" of a county commissioner is established by reference to Section 4-38-8 NMSA 1978 at the county seat, and, therefore, a county commissioner may not receive per diem for travel to commission meetings or other official business at the county seat. 1988 Op. Att'y Gen. No. 88-65.

Enforcement of dropped restriction disallowed. - Where a 35-mile condition is retained only in a per diem clause of a bargaining agreement and it is clear that the parties intended that the 35-mile condition would not apply to a special living allowance provision, the highway department, once it agrees to drop a restriction during negotiations, cannot now be allowed to enforce it. ### **§ 10-8-5. Restrictions; regulations.**

A. The secretary may promulgate rules and regulations for state agencies and local public bodies for the purpose of carrying out the provisions of the Per Diem and Mileage Act [10-8-1 to 10-8-8 NMSA 1978]. Public officials of public post-secondary educational institutions and employees of public post-secondary educational institutions shall be subject to the rules and regulations of their governing boards.

B. Public funds may be advanced to any public officer or employee before the travel occurs only with prior written approval of the secretary, the secretary's designee, the local public body or the governing board or its designee. This restriction shall not prohibit the use of authorized credit cards in connection with purchases necessary to the use of vehicles owned by the state, a local public body or a public post-secondary educational institution or for food, lodging or transportation as permitted by the department of finance and administration or the governing board. Public funds shall be paid out under the Per Diem and Mileage Act only upon vouchers duly presented with any required receipts attached thereto. For employees authorized to receive public funds in advance of travel, payment shall be received only upon vouchers submitted with attached authorization for each travel period. For public officers or employees using authorized credit cards, vouchers with required receipts for each month's travel expenses shall be submitted as a condition to receiving authorization to use the credit card for the next month's travel. Travel expenses may also be advanced if the travel is to be performed under provisions of federal or private contracts and the funds used are not derived from taxes or revenues paid to the state or any of its political subdivisions.

C. Money expended by the governor from the appropriations made for his office and contingent and other expenses are not subject to any of the foregoing provisions of this section and are not subject to audit.

D. The secretary may reduce the rates set for the per diem and mileage for any class of public officials and for employees of state agencies except public officials of public post-secondary educational institutions at any time he deems it to be in the public interest, and such reduction shall not be construed to permit payment of any other compensation, perquisite or allowance. The secretary shall exercise this power of reduction in a reasonable manner and shall attempt to achieve a standard rate for all

public officers and employees of the same classification. The secretary may, at the request of any state agency and for good cause shown, reduce the rates of per diem and mileage for that state agency. The governing body of any local public body may eliminate or may reduce the rates set for the per diem and mileage for all or any class of public officials and employees of the local public body at any time the local public body deems it to be in the public interest, and such reduction shall not be construed to permit payment of any other compensation, perquisite or allowance. The local public body shall exercise this power of reduction in a reasonable manner and shall attempt to achieve a standard rate for all public officers and employees of the same classification.

The secretary may, in extraordinary circumstances and with the prior approval of the state board of finance in public meeting, allow actual expenses rather than the per diem rates set in the Per Diem and Mileage Act.

E. The governing board or its designee may reduce the rates set for the per diem and mileage for public officials of public post-secondary educational institutions and for employees of public post-secondary educational institutions at any time the governing board deems it to be in the public interest, and such reduction shall not be construed to permit payment of any other compensation, perquisite or allowance. The governing board shall exercise this power of reduction in a reasonable manner and shall attempt to achieve a standard rate for public officers and employees of public post-secondary educational institutions. The governing board may reduce the rates of per diem and mileage for its public post-secondary educational institution and may, in extraordinary circumstances and in public meeting, allow actual expenses rather than the per diem rates set in the Per Diem and Mileage Act.

F. No reimbursement for out-of-state travel shall be paid to any elected public officer, including any member of the legislature, if after the last day to do so that officer has not filed a declaration of candidacy for reelection to his currently held office or has been defeated for reelection to his currently held office in a primary election or any general election.

G. Subsection F of this section does not apply to any elected public officer who is ineligible to succeed himself after serving his term in office.

H. Subsection F of this section does not apply to legislators whose travel has been approved by a three-fourths' vote of the New Mexico legislative council at a regularly called meeting.

I. Any person who is reimbursed under the provisions of the Per Diem and Mileage Act in an amount that singly or in the aggregate exceeds one thousand five hundred dollars (\$1,500) in any one year shall not be entitled to further reimbursement under the provisions of that act until the person furnishes in writing to his department head or, in the case of a department head or board or commission member, to the governor or, in the case of a member of the legislature, to the New Mexico legislative council an itemized statement on each separate instance of travel covered within the

reimbursement, the place to which traveled and the executive, judicial or legislative purpose served by the travel.

The 1989 amendment, effective June 16, 1989, added present Subsection A; redesignated former Subsections A to C as present Subsections B to D; in Subsection B, inserted "or the governing board or its designee" in the first sentence and "or a public post-secondary educational institution" and "or the governing board" in the second sentence; in Subsection D, inserted "except public officials of public post-secondary educational institutions" in the first sentence; added present Subsection E; redesignated former Subsections D to G as present Subsections F to I, updating internal subsection references therein; and made minor stylistic changes throughout the section.

State board of finance. - Laws 1977, ch. 247, §§ 6 and 93G (compiled as 9-6-6 NMSA 1978 and 6-1-1 NMSA 1978) establish the state board of finance, referred to in the second paragraph of Subsection D, in connection with the board of finance division of the department of finance and administration. See 9-6-6 NMSA 1978 and 6-1-1 NMSA 1978.

Generally, as to nonsalaried public officers. - Nonsalaried public officers, including state highway commissioners, may receive the statutory per diem allowance for each day on which public business involving the requisite travel is performed without regard to the number of hours actually expended while away from place of residence and personal business premises in the performance of public duties. 1977 Op. Att'y Gen. No. 77-20.

Reducing rates. - A state agency may reduce rates of per diem and mileage for that state agency to an amount less than that specified in the Per Diem and Mileage Act, subject to the prior approval of the director (now secretary) of the department of finance and administration. 1977 Op. Att'y Gen. No. 77-20.

## **§ 10-8-6. Application of act.**

The Per Diem and Mileage Act [10-8-1 to 10-8-8 NMSA 1978] shall not apply to the

members of the legislature unless the legislature by specific reference to the act makes it applicable to the members, and such application does not thereby exceed the per diem and mileage rates fixed in the constitution.

(1) moving expenses;

(2) professional fees or dues;

(3) tuition and fees for attending educational programs or classes approved by the secretary; and

(4) registration fees for attending seminars, educational programs or classes.

B. The governing body of any local public body may, by resolution, authorize the reimbursement of public officers and employees for any of the actual expenses set forth in Subsection A of this section. No resolution adopted pursuant to this subsection shall authorize the reimbursement for any expense not authorized by regulation of the secretary pursuant to Subsection A of this section.

C. The governing board may, by regulation, authorize the reimbursement of public officers of public post-secondary educational institutions and employees of public post-secondary educational institutions for any of the actual expenses set forth in Subsection A of this section.

D. No reimbursement shall be made for any expenses unless receipts for all such expenses are attached to the reimbursement voucher.

## **Article 9**

### **Personnel**

#### **§ 10-9-1. Short title.**

This act may be cited as the "Personnel Act."

History: 1953 Comp., § 5-4-28, enacted by Laws 1961, ch. 240, § 1.

Meaning of "this act". - The term "this act", referred to in this section, refers to Laws 1961, ch. 240, the provisions of which are presently compiled as 10-9-1 to 10-9-4, 10-9-8 to 10-9-10, 10-9-12, 10-9-13 and 10-9-15 to 10-9-17 and 10-9-20 to 10-9-25 NMSA 1978.

Act preemptive of collective bargaining. - Where the legislature has undertaken to act to regulate employment, such action preempts the authority of the state agency to engage in collective bargaining, and the purpose of the Personnel Act is inconsistent with the idea of collective bargaining. 1987 Op. Att'y Gen. No. 87-41 (overruling and withdrawing 1971 Op. Att'y Gen. No. 71-96.).

Even if the legislature could delegate its power to make law concerning public sector collective bargaining, and even if it intended to do so in this act, it failed to do so properly, and the Rules for Labor-Management Relations promulgated by the personnel

board are therefore void and a nullity, since the Personnel Act does not mention collective bargaining, much less any standards to guide the board in fashioning the RLMR. 1987 Op. Att'y Gen. No. 87-41.

Rules constituting unlawful delegation of authority. - The Rules for Labor-Management Relations promulgated by the personnel board unlawfully delegate the board's authority over personnel matters that the legislature has placed with the board. 1987 Op. Att'y Gen. No. 87-41.

Medical center covered by act. - The Los Lunas state hospital and training school (now the Los Lunas medical center) is a state institution and it falls within the category of departments covered by the Personnel Act. 1961-62 Op. Att'y Gen. No. 61-80.

So is state land office. - The state land office is presently subject to the Personnel Act. 1969 Op. Att'y Gen. No. 69-99.

And agencies already with merit systems. - Nothing in the Personnel Act indicates that agencies that have adopted merit systems are thereby exempted from the operation of the Personnel Act. 1959-60 Op. Att'y Gen. No. 60-229 (decided under former law).

Law reviews. - For note, "Public Labor Disputes - A Suggested Approach for New Mexico," see 1 N.M.L. Rev. 281 (1971).

## **§ 10-9-2. Purpose of act; enactment under constitution.**

The purpose of the Personnel Act is to establish for New Mexico a system of personnel administration based solely on qualification and ability, which will provide greater economy and efficiency in the management of state affairs. The Personnel Act is enacted under and pursuant to the provisions of Article 7, Section 2 of the constitution of New Mexico, as amended.

History: 1953 Comp., § 5-4-29, enacted by Laws 1961, ch. 240, § 2; 1963, ch. 200, § 1.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Legislative intent. - In enacting the Personnel Act it was the desire of the legislature to insulate in some manner the paid state employee from the whims and caprice of the political election so as to provide continuity of government in a changing environment. 1963-64 Op. Att'y Gen. No. 64-7.

Legislature intended balance between internal and statewide administration. - The legislature intended to strike a balance between the inherent power of a state agency or department to act administratively to adjust or organize itself internally so as to more effectively and efficiently carry out its duties, and the statutory objective of establishing

and creating an effective system of state personnel administration. 1963-64 Op. Att'y Gen. No. 63-33.

Ability of government to be enhanced. - The legislature wished to enhance the ability of government by insuring that the "sifting system" of the public election be replaced by objective examinations to assure that competent citizens are initially selected for the "insulated" positions. 1963-64 Op. Att'y Gen. No. 64-7.

Purpose and interpretation of Personnel Act. - The Personnel Act has for its basic purpose the furtherance of economy and efficiency in state government. To achieve this purpose and implement the objectives of the act, the provisions providing for the right of an administrative hearing and judicial review should not be narrowly interpreted so as to restrict such a view. *Montoya v. Department of Fin. & Admin.*, 98 N.M. 408, 649 P.2d 476 (Ct. App. 1982).

Merit system provided. - The Personnel Act provides for a merit system, but not a seniority system. 1965 Op. Att'y Gen. No. 65-78A.

State agencies not to engage in collective bargaining. - A collective bargaining agreement between the division of vocational rehabilitation and the American Federation of State, County and Municipal Employees is void, as it is illegal for state agencies governed by the provisions of this article to engage in collective bargaining. 1987 Op. Att'y Gen. No. 87-56.

### **§ 10-9-3. Definitions.**

As used in the Personnel Act:

- A. "director" means the personnel director;
- B. "board" means the personnel board;
- C. "service" means the state personnel service created by the Personnel Act, and includes all positions covered by the Personnel Act;
- D. "position" means any state office, job, or position of employment;
- E. "employer" means any authority having power to fill positions, in an agency;
- F. "agency" means any state department, bureau, division, branch or administrative

group which is under the same employer;

G. "class" means a group of positions similar enough in powers and responsibilities that they can be covered by the same qualifications and rate of pay;

H. "test" means a test of the qualifications, fitness and ability, and includes tests that are written, oral, physical or in the form of a demonstration of skill or any combination thereof;

I. "employee" means a person in a position in the service who has completed his probationary period; and

J. "probationer" means a person in a position in the service who is still in the probationary period for that position.

History: 1953 Comp., § 5-4-30, enacted by Laws 1961, ch. 240, § 3.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Effect on person contemplated by 28-15-1 NMSA 1978. - If a person contemplated by 28-15-1 NMSA 1978 has gained the status of an "employee" as that term is defined by this section and the personnel board rules, he will have additional rights under the state personnel board rules that a "probationer" would not. 1969 Op. Att'y Gen. No. 69-108.

Where employees not entitled to participate. - Since the employees of an intercommunity gas association worked for a corporation controlled by three separate municipalities rather than for the state itself, such employees were not entitled to participate under the provisions of the State Personnel Act. 1966 Op. Att'y Gen. No. 66-7.

Am. Jur. 2d, A.L.R. and C.J.S. references. - 81A C.J.S. States § 86.

#### **§ 10-9-4. Coverage of service.**

The Personnel Act and the service cover all state positions except:

A. officials elected by popular vote or appointed to fill vacancies to elective offices;

B. members of boards and commissions and heads of agencies appointed by the governor;

C. heads of agencies appointed by boards or commissions;

D. directors of department divisions;

E. those in educational institutions and in public schools;

F. those employed by state institutions and by state agencies providing educational programs and who are required to hold valid certificates as certified school instructors as defined in Section 22-1-2 NMSA 1978 issued by the state board of education;

G. those in the governor's office;

H. those in the state militia or the commissioned officers of the New Mexico state police division of the department of public safety;

I. those in the judicial branch of government;

J. those in the legislative branch of government;

M. those filled by patients or inmates in charitable, penal or correctional institutions;

N. state employees if the personnel board in its discretion decides that the position is one of policy-making;

O. disadvantaged youth under twenty-two years of age regularly enrolled or to be enrolled in a secondary educational institution approved by the state board of education or in an accredited state institution of advanced learning or vocational training and who are to be employed for not more than seven hundred twenty hours during any calendar year:

(1) the term "disadvantaged youth" shall be defined for purposes of this exemption by regulation duly promulgated by the board; and

(2) the board shall:

(a) require that all of the above criteria have been met;

(b) establish employment lists for the certification of the highest standing candidates to the prospective employers; and

(c) establish the pay rates for such employees; and

P. those employed by the corrections department of the executive branch of

government and not excluded from coverage pursuant to the provisions of Subsections A through O of this section.

History: 1953 Comp., § 5-4-31, enacted by Laws 1961, ch. 240, § 4; 1963, ch. 200, § 2; 1967, ch. 181, § 1; 1969, ch. 126, § 1; 1975, ch. 182, § 1; 1977, ch. 247, § 45; 1979, ch. 202, § 6; 1981, ch. 339, § 5; 1987, ch. 254, § 15; 1989, ch. 204, § 10.

The 1987 amendment, effective July 1, 1987, substituted "the commissioned officers and all civilian employees of the New Mexico state police division of the public safety department" for "New Mexico state police, including all civilian employees of the New Mexico state police" in Subsection H, and deleted "and criminal rehabilitation" following "corrections" in Subsection P.

The 1989 amendment, effective July 1, 1989, in Subsection H deleted "and all civilian employees" following "officers", and substituted "department of public safety" for "public safety department".

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Due process requirements. - New Mexico has recognized that nonpolicymaking officials are entitled to due process before they may be dismissed, but members of boards and commissions and heads of agencies appointed by the governor are not entitled to the State Personnel Act's notice and hearing requirements preceding dismissal of state employees. *Mitchell v. King*, 537 F.2d 385 (10th Cir. 1976).

Purposes underlying exemptions. - The purposes underlying the exemption of certain classes of employees are not to preclude them from benefits such as vacation and sick leave. 1969 Op. Att'y Gen. No. 69-47.

Meaning of "division". - In determining whether departments are "divisions" for purposes of Personnel Act coverage, it is well to keep in mind that there is nothing magic in the word "division"; whether a subdivision of a governmental agency is termed a unit, department, bureau or something else is not the determining factor. Rather the critical determination is whether the subdivision is a major component within the internal administrative framework of the state agency, with certain policy-making powers vested in the head of the "unit"; if so, the department or unit is a "division" within the meaning of the Personnel Act. 1963-64 Op. Att'y Gen. No. 63-90.

Certain positions exempt. - The following departments, agencies, offices, etc., are exempt from the Personnel Act because they are neither (1) not state positions within the meaning of the act or (2) they are not official state agencies within the meaning of the act: district judges, New Mexico historical society and probation officers. 1961-62 Op. Att'y Gen. No. 61-28.

Removal of personnel from policy-making positions. - By exempting members of boards and commissions and agency heads from the Personnel Act, under Subsection B, the

legislature acknowledges that such policy-making positions are different from other types of employment positions and that such category of persons are not entitled to hearings, provided for by 10-9-13H NMSA 1978, before removal from their positions. State ex rel State ex rel. Duran v. Anaya, 102 N.M. 609, 698 P.2d 882 (1985).

Employing agency's determination of exemption prima facie correct. - When an employing agency employs a person to hold an exempt position and so notifies the personnel department (personnel director), the determination by the employing agency is to be considered as prima facie correct. 1963-64 Op. Att'y Gen. No. 63-105.

Status of classified employees upon transfer to successor department. - If classified personnel of a department are transferred to a new, supplanting department, the personnel retain the same classified status and position that they held in the former department and are thus within the coverage of the Personnel Act, 10-9-1 NMSA 1978 et seq.; if a classified position is to become exempt from the provisions of the Personnel Act, then it must first become vacant. 1983 Op. Att'y Gen. No. 83-3.

Associate museum directors exempt. - The four associate directors of the museum of New Mexico are exempt from the Personnel Act under Subsection C. 1961-62 Op. Att'y Gen. No. 62-19.

Judicial employees are specifically exempt from the Personnel Act. - 1969 Op. Att'y Gen. No. 69-47.

Coverage of insurance department personnel. - All insurance department personnel are covered under the Personnel Act except those, if any, who have been properly excluded under the provisions of this section. 1964 Op. Att'y Gen. No. 64-121.

Classification of corrections department teachers. - Teachers employed by the department of corrections should be classified as state employees under the State Personnel Act. 1974 Op. Att'y Gen. No. 74-2.

A. Notwithstanding the provisions of Section 10-9-4 NMSA 1978, all employees of the rocky mountain information network who commence employment on or after the effective date of this act are exempt from coverage under the Personnel Act.

B. Notwithstanding the provisions of Section 10-9-4 NMSA 1978, any employee of the rocky mountain information network who was employed prior to the effective date of this act may elect to become exempt from coverage under the Personnel Act by filing a written election to do so with the director of the rocky mountain information network and

the director of the state personnel office. An election is effective upon filing and shall be irrevocable so long as the employee remains employed by the rocky mountain information network.

C. As used in this section, "rocky mountain information network" means that project funded by the United States department of justice, regulated by the provisions of 28 Code of Federal Regulations, Part 23, created as part of the regional information sharing systems program established by the United States department of justice and serving law enforcement agencies in the states of New Mexico, Arizona, Nevada, Colorado, Wyoming, Montana, Idaho and Utah.

History: Laws 1987, ch. 337, § 1.

Effective dates. - Laws 1987, ch. 337 contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective on June 19, 1987.

"Effective date of this act". - The term "effective date of this act," referred to in Subsections A and B, means June 19, 1987, the effective date of Laws 1987, ch. 337.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

(9) state employees whose positions the personnel board has classified as policy-making positions and exempt employees of elective public officials; and

(10) secretaries of departments appointed by the governor.

B. Excluded from the provisions of this section are employees of the commission on higher education and employees of state educational institutions named in Article 12, Section 11 of the constitution of New Mexico.

C. The exempt salaries plan for the ensuing fiscal year, as prepared by the department of finance and administration and approved by the governor, shall be published as a part of the executive budget document presented to the legislature at its next regular session following the preparation of the plan.

D. Upon the governor's approval, the plan shall take effect at the beginning of the subsequent fiscal year.

Repeals and reenactments. - Laws 1978, ch. 96, § 1, repealed 5-4-31.1, 1953 Comp. (former 10-9-5 NMSA 1978), relating to annual exempt-salaries plan for public officers and employees in the executive branch, and enacted a new 10-9-5 NMSA 1978,

The 1987 amendment, effective July 1, 1987, substituted "the commissioned officers and all civilian employees of the New Mexico state police division of the public safety department" for "the New Mexico state police, including all civilian employees of the New Mexico state police" in Subsection A(6), and substituted "departments" for "department" in Subsection A(10).

The 1989 amendment, effective July 1, 1989, in Subsection A(6) deleted "and all civilian employees" following "officers", and substituted "department of public safety" for "public safety department"; made minor stylistic changes in Subsection A(7); and in Subsection B substituted "commission on higher education" for "state board of educational finance".

### **§ 10-9-7. Certain rules changes requiring legislative approval.**

The state personnel office shall not spend any of its appropriation for the promulgating or filing of rules, policies or plans which have significant financial impact or which would require significant future appropriations to maintain without prior, specific legislative approval.

History: 1953 Comp., § 5-4-31.3, enacted by Laws 1976, ch. 11, § 1; 1980, ch. 6, § 1; 1984, ch. 7, § 1.

1983 rules violative of section. - The current Rules for Labor-Management Relations promulgated by the personnel board in 1983 were promulgated in violation of this section, since the rules contain numerous provisions that have, or are likely to have, a significant financial impact and since no specific, prior legislative approval was given for the promulgation. 1987 Op. Att'y Gen. No. 87-41.

### **§ 10-9-8. Personnel board; appointment.**

The personnel board is created, and shall be composed of five members appointed by the governor and confirmed by the senate, who shall served staggered terms of five years each with one board member's term expiring each year. No person shall be a member of the board or eligible for appointment to the board who is an employee in the service, holds political office or is an officer of a political organization.

History: 1953 Comp., § 5-4-32, enacted by Laws 1961, ch. 240, § 5; 1980, ch. 47, § 1.

Meaning of "political office". - Under the theory advanced by a Kentucky court, any person who is elected by the voters to a public office would be deemed holding a political office within the intent of Laws 1961, ch. 240, §§ 5 and 15 (this section and 10-9-21 NMSA 1978). This would be so even if the election were conducted along what is commonly known as nonpartisan lines rather than political party lines. The term "political office" applies to every elected public office within the state including, but not limited to

state elected positions, county elected positions and municipal elected positions, even if conducted along nonpartisan lines. 1961-62 Op. Att'y Gen. No. 61-53.

### **§ 10-9-9. Board members; pay; meetings.**

Each board member shall be paid per diem and mileage according to the Per Diem and Mileage Act [10-8-1 to 10-8-8 NMSA 1978] when traveling on board business. The board shall meet at the call of the chairman but in the absence of such call, at least once every two months.

### **§ 10-9-10. Board duties.**

The board shall:

- A. promulgate regulations to effectuate the Personnel Act;
- B. hear appeals and make recommendations to the employers;
- C. hire, with the approval of the governor, a director experienced in the field of personnel administration;
- D. review budget requests prepared by the director for the operation of the personnel program and make appropriate recommendations thereon;
- E. make investigations, studies and audits necessary to the proper administration of the Personnel Act;
- F. make an annual report to the governor at the end of the fiscal year;
- G. establish and maintain liaison with the general services department; and
- H. represent the public interest in the improvement of personnel administration in the system.

History: 1953 Comp., § 5-4-34, enacted by Laws 1961, ch. 240, § 7; 1963, ch. 200, § 3; 1967, ch. 181, § 3; 1983, ch. 301, § 21.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Effect of word "shall". - The word "shall" in this section appears to place a mandatory duty upon the board to promulgate rules and regulations to effectuate the Personnel Act. 1963-64 Op. Att'y Gen. No. 64-22.

Rules adopted by board may not abridge statutory rights and duties. - The board has the statutory authority to adopt rules; however, the rules adopted may not abridge the rights or duties imposed by statute. *State ex rel. New Mexico State Hwy. Dep't v. Silva*, 98 N.M. 549, 650 P.2d 833 (Ct. App. 1982).

Classification under rule-making authority. - Under the rule-making authority of this section and 10-9-13 NMSA 1978 the state personnel board has a limited and restricted right to classify as confidential certain portions of an individual's personnel file which would not otherwise be made available to the state unless on a confidential or restricted basis. 1963-64 Op. Att'y Gen. No. 64-19.

Board acts in quasi-judicial capacity in hearing appeals. - In hearing administrative appeals by employees from agency action, as distinguished from its function in adopting rules and creating policy, the state personnel board acts in a quasi-judicial capacity rather than a policy-making function. *Montoya v. Department of Fin. & Admin.*, 98 N.M. 408, 649 P.2d 476 (Ct. App. 1982).

Collective bargaining. - In New Mexico, there is an implied authority to bargain collectively in the public sector as an incident to the express grant of authority under the Personnel Act. *Local 2238 of AFSCME v. Stratton*, 108 N.M. 163, 769 P.2d 76 (1989).

Collective bargaining contracts with governmental employees cannot in any way conflict with, contradict, expand or enlarge the rules of labor-management relations adopted by the state personnel board or any other governmental entity acting in this regard. The same applies to any merit system in place or to be adopted in the future. *Local 2238 of AFSCME v. Stratton*, 108 N.M. 163, 769 P.2d 76 (1989).

### **§ 10-9-11. Board and office administratively attached to general services department.**

The board and the state personnel office are administratively attached, as defined in the Executive Reorganization Act [9-1-1 to 9-1-10 NMSA 1978], to the general services department.

History: 1953 Comp., § 5-4-34.1, enacted by Laws 1977, ch. 247, § 47; 1983, ch. 301, § 22.

### **§ 10-9-12. Director duties.**

The director shall:

- A. supervise all administrative and technical personnel activities of the state;
- B. act as secretary to the board;
- C. establish, maintain and publish annually a roster of all employees of the state, showing for each employee his division, title, pay rate and other pertinent data;
- D. make annual reports to the board;
- E. recommend to the board rules he considers necessary or desirable to effectuate the Personnel Act; and
- F. supervise all tests and prepare lists of persons passing them to submit to prospective employers.

History: 1953 Comp., § 5-4-35, enacted by Laws 1961, ch. 240, § 8; 1967, ch. 181, § 4.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

### **§ 10-9-13. Rules; adoption; coverage.**

Rules promulgated by the board shall be effective when filed as required by law. The rules shall provide, among other things, for:

- A. a classification plan for all positions in the service;
- B. a pay plan for all positions in the service;
- C. competitive entrance and promotion tests to determine the qualifications, fitness and ability of applicants to perform the duties of the position for which they apply. Such rules shall also provide for the awarding to those applicants having a passing grade of two preference points for each year of residency in New Mexico not to exceed a total of ten preference points;

D. exemption from competitive entrance tests for those professional persons applying for classified positions in the service who possess recognized registration or certification by another state agency;

E. a period of probation of one year during which a probationer may be discharged or demoted or returned to the eligible list without benefit of hearing;

F. the establishment of employment lists for the certification of the highest standing candidates to the prospective employers and procedure to be followed in hiring from the lists;

G. hours of work, holiday and leave;

H. dismissal or demotion procedure for employees in the service, including presentation of written notice stating specific reasons and time for the employees to reply thereto, in writing, and appeals to the board;

I. the rejection of applicants who fail to meet reasonable requirements as to age, physical condition, training, experience or moral conduct; and

J. employment of any apparently qualified applicant for a period of not more than ninety days when an emergency condition exists and there are no applicants available on an appropriate employment list as provided in Subsection F of this section. The applicant, if employed, shall be paid at the same rate as a comparable position covered by the Personnel Act.

History: 1953 Comp., § 5-4-36, enacted by Laws 1961, ch. 240, § 9; 1963, ch. 200, § 4; 1967, ch. 181, § 5; 1975, ch. 26, § 1; 1983, ch. 28, § 2.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Rules adopted by board may not abridge statutory rights and duties. - The board has the statutory authority to adopt rules; however, the rules adopted may not abridge the rights or duties imposed by statute. *State ex rel. New Mexico State Hwy. Dep't v. Silva*, 98 N.M. 549, 650 P.2d 833 (Ct. App. 1982).

No valid delegation of authority to promulgate rules. - The words "among other things" at the beginning of this section do not constitute a valid delegation of legislative power, authorizing the personnel board to promulgate rules allowing state employees to bargain collectively with state agencies, since the state constitution commits New Mexico to the doctrine of separation of powers and vests the legislative powers in the legislature. It is fundamental that no one of the three branches can delegate effectively any of the powers which belong to it. 1987 Op. Att'y Gen. No. 87-41.

No presumptive ratification of rules. - Legislative acquiescence in and ratification of the Rules for Labor-Management Relations promulgated by the personnel board should not

be presumed because the legislature did not disapprove collective bargaining when it amended this section in 1975 and 10-9-18 NMSA 1978 in 1980. 1987 Op. Att'y Gen. No. 87-41.

Removal of personnel from policy-making positions. - By exempting members of boards and commissions and agency heads from the Personnel Act under 10-9-4B NMSA 1978, the legislature acknowledges that such policy-making positions are different from other types of employment positions and that such category of persons are not entitled to hearings, provided for by Subsection H of this section, before removal from their positions. *State ex rel. Duran v. Anaya*, 102 N.M. 609, 698 P.2d 882 (1985).

Collective bargaining contracts with governmental employees cannot in any way conflict with, contradict, expand or enlarge the rules of labor-management relations adopted by the state personnel board or any other governmental entity acting in this regard. The same applies to any merit system in place or to be adopted in the future. *Local 2238 of AFSCME v. Stratton*, 108 N.M. 163, 769 P.2d 76 (1989).

Requiring physical examination. - The state personnel board has the authority to require a physical examination of all applicants for employment. 1963-64 Op. Att'y Gen. No. 64-22.

Harmonization with other act. - The Personnel Act can be harmonized with the provision in the General Appropriation Act that "insurance department personnel shall have qualifications as established by the superintendent of insurance." 1964 Op. Att'y Gen. No. 64-121.

Granting of overtime pay or time-off. - There is no prohibition against the cattle sanitary board (now livestock board) paying its employees engaged in inspecting meat overtime pay or granting compensatory time-off for the extra hours worked. 1967 Op. Att'y Gen. No. 67-20.

Generally, as to specific work hours. - There is no requirement contained in the New Mexico constitution or statutes that work be done at any specific hours of the day. 1967 Op. Att'y Gen. No. 67-89.

And eight-hour days. - There is no specific requirement, either constitutional or statutory, requiring that employees of the state work an eight-hour day. 1967 Op. Att'y Gen. No. 67-89.

Classification of personnel file as confidential. - Under the rule-making authority of this section and 10-9-10 NMSA 1978, the state personnel board has a limited and restricted right to classify as confidential certain portions of an individual's personnel file which would not otherwise be made available to the state unless on a confidential or restricted basis. 1963-64 Op. Att'y Gen. No. 64-19.

Salary matter of public record. - An employee's salary, kept and published under this section, is a matter of public record under 14-2-1 NMSA 1978. 1968 Op. Att'y Gen. No. 68-110.

So is test score and position. - A job applicant's test score and position on an eligibility list under this section, possessed by the state personnel office, is a public record under 14-2-1 NMSA 1978. 1968 Op. Att'y Gen. No. 68-110.

But not medical and employment histories. - The medical history and employment history solicited from an applicant's previous employer, under this section, are not public records under 14-2-1 NMSA 1978. 1968 Op. Att'y Gen. No. 68-110.

Generally, as to employment termination and pay. - Terminal leave pay is available to involuntarily terminated employees at the discretion of the appointing authority. Terminal leave pay is available to voluntarily resigning employees as a matter of right. The only limitations upon the power of the appointing authority to dismiss are that notice must be given in writing to the dismissed employee and an authorized reason for dismissal must be stated therein. The only limitation on the right of the voluntarily resigning employee to terminal pay is the requirement that he must give 14 days' notice to the appointing authority. 1959-60 Op. Att'y Gen. No. 60-213.

Physician dismissal by miners' hospital board. - The miners' hospital board may dismiss a physician in their employment for not abiding by the rules and regulations of the hospital board, but the physician has the right to appeal the dismissal to the personnel board. 1964 Op. Att'y Gen. No. 64-130.

Dismissal of employees. - The miners' hospital board has the power to remove or discharge any employee, but it must exercise this power in accordance with the rules promulgated by the personnel board. 1964 Op. Att'y Gen. No. 64-130.

Right to board hearing. - An employee covered by Personnel Act has a right to a personnel board hearing on his dismissal when the reason given for the dismissal is administrative change and a reduction in personnel. 1961-62 Op. Att'y Gen. No. 62-138.

### **§ 10-9-13.1. Legislative finding; purpose of act.**

The legislature finds that residents of the state are a valuable resource in state employment because of their dedication and commitment to the state they live in.

Therefore, the purpose of this act [10-9-13, 10-9-13.1 NMSA 1978] is to encourage residents to remain in the state rather than moving out of state because of unsatisfactory employment opportunities in New Mexico.

History: Laws 1983, ch. 28, § 1.

### **§ 10-9-13.2. Veteran's preference.**

A. In establishing the list of eligibles for appointment, the board shall provide preference points for veterans honorably discharged from the armed forces of the United States. Veterans with a service-connected disability shall be awarded ten points over and above their regular test scores. Veterans without a service-connected disability shall be awarded five points over and above their regular test scores.

B. The board shall determine the rank on any employment list by adding the points to the veteran's final passing grade on the examination after the veteran has submitted proof of having status as a veteran at the time of application for employment with a state agency. In the case of a veteran having a service-connected disability, the veteran shall provide proof of a service-connected disability in the form of a certification by the federal veterans' administration. A veteran with or without a service-connected disability shall have his name placed on the list in accordance with the numerical rating of other veterans and nonveterans.

Effective dates. - Laws 1989, ch. 284, contains no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, is effective on June 16, 1989.

Compiler's notes. - Laws 1989, ch. 43, § 1 and Laws 1989, ch. 284, § 1 enacted virtually identical versions of this section. The section is set out as enacted by Laws 1989, ch. 284, § 1. Subsection A is identical in both versions, but Subsection B in the Laws 1989, ch. 43, § 1 version read "The board shall determine the rank on any employment list by adding the points to the veteran's final passing grade on the examination after the veteran has submitted proof of having status as a veteran at the time of application for employment with a state agency. In the case of having a service-connected disability, the veteran shall provide proof of a service-connected disability in the form of a certification by the United States veterans' administration. A veteran in both five and ten point categories shall have his name placed on the list in accordance with the numerical rating of other veterans and nonveterans." See 12-1-8 NMSA 1978.

### **§ 10-9-14. Blind not barred from competitive examination; method of testing.**

A. No agency or officer of the state or any of its political subdivisions shall prohibit, prevent, disqualify or discriminate against any blind person, otherwise qualified, from registering, taking or competing in a competitive entrance or promotion test for any position for which the blind person makes application.

B. The state personnel board and all political subdivisions of the state which require competitive or promotion tests for any position shall provide and adequate and equal test by an appropriate method for any blind person requesting such a test at the time of submitting his application.

All officers and employers of the state shall comply with the Personnel Act. All employers shall hire employees only from employment lists of applicants who meet prescribed minimum requirements and have passed the prescribed tests, provided by the director. All officers and employers shall furnish any records or information which the director or the board requests.

## **§ 10-9-16. Status of present employees.**

All employees of the state holding positions brought into the classified service by the Personnel Act shall be continued in their positions and become regular employees without original examinations, if they have held the position for at least one year immediately prior to the effective date of the Personnel Act. All other employees of the state holding positions brought into the service by the Personnel Act shall be continued in their positions as probationers until they have, not later than one year from the effective date of the Personnel Act, taken and passed a qualifying test prescribed by the director for the position held. An employee who fails to qualify shall be dismissed within thirty days after the establishment of an employment or promotion list for his position. Nothing in the Personnel Act shall preclude the reclassification or reallocation of any position held by an incumbent.

This section shall not apply to employees of the grant-in-aid agencies whose status as employees or probationers shall be recognized under rules to be promulgated by the board.

## **§ 10-9-17. Certification of payroll.**

No person shall make or approve payment for personnel services to any person in the service, unless the payroll voucher or account of the pay is certified by the director that the person being paid was employed in accordance with the Personnel Act.

History: 1953 Comp., § 5-4-39, enacted by Laws 1961, ch. 240, § 12.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Only concern of personnel department (personnel director) under this section is to certify whether the person shown on a payroll voucher is employed in accordance with the Personnel Act, and this would involve such matters as eligibility for the particular covered position at the particular salary shown on the payroll voucher. 1963-64 Op. Att'y Gen. No. 63-105.

Certification authority applies only to positions covered under Personnel Act. 1963-64 Op. Att'y Gen. No. 63-105.

The status and compensation of unclassified (exempt) employees is of no concern to the personnel department (personnel director), as its statutory authority is limited to the "service" defined in Subsection C of 10-9-3 NMSA 1978. 1963-64 Op. Att'y Gen. No. 63-105.

Department of finance and administration corrects computation errors. - If an objection of the personnel office (personnel director) to a payroll voucher goes to errors in computation or something of like nature, it is for the department of finance and administration to see that such errors are corrected. 1963-64 Op. Att'y Gen. No. 63-105.

But exemption questions determined by attorney general. - The department of finance and administration is to honor a payroll voucher so long as it meets that department's requirements, but if the personnel department is of the opinion that a position is not exempt from coverage under the Personnel Act, a legal question involving statutory interpretation arises, and the matter should be referred to the office of the attorney general for determination. 1963-64 Op. Att'y Gen. No. 63-105.

Employing agency's determination of exemption prima facie correct. - When an employing agency employs a person to hold a position which is exempt from coverage under the Personnel Act and so notifies the personnel department (personnel director), the determination by the employing agency is to be considered as prima facie correct. 1963-64 Op. Att'y Gen. No. 63-105.

### **§ 10-9-18. Appeals by employees to the board.**

A. Any employee who is dismissed, demoted or suspended may, within thirty days after the dismissal, demotion or suspension, appeal to the board. The appealing employee and the agency whose action is reviewed have the right to be heard publicly and to present facts pertinent to the appeal.

B. Any applicant denied permission to take an examination or who is disqualified may appeal to the board.

C. The technical rules of evidence shall not apply to appeals to the board.

D. A record shall be made of the hearing which shall be transcribed if there is an appeal to the district court. Costs of such transcripts, including one copy for the board, shall be paid initially by the agency. The cost of such transcripts may be assessed [assessed] by the court to the losing party on appeal.

E. The board may designate a hearing officer who may be a member of the board or any qualified state employee to preside over and take evidence at any hearing held

pursuant to this section. The hearing officer shall prepare and submit to the board a summary of the evidence taken at the hearing and proposed findings of fact. The board shall render a decision which shall include findings of fact and conclusions of law.

F. If the board finds that the action taken by the agency was without just cause, the board may modify the disciplinary action or order the agency to reinstate the appealing employee to his former position or to a position of like status and pay. Every consideration shall be given to placing the appealing employee in the same geographical location in which he was employed prior to the disciplinary action. The board may recommend that the appealing employee be reinstated by an agency other than the one who disciplined the appealing employee. When the board orders an agency to reinstate an appealing employee, such reinstatement shall be effective within thirty days of the board's order. The board may award back pay as of the date of the dismissal, demotion or suspension or as of such later date as the board may specify.

G. Any party aggrieved by the decision of the board made pursuant to this section may appeal the decision to the direct court for the district in which he resides, is employed or maintains his principal office or for the district of Santa Fe county. Such appeal shall be initiated by filing a notice of appeal with the clerk of the appropriate district court within thirty days after the service of a written copy of the decision of the board on that party. Upon appeal the district court shall affirm the decision of the board unless the decision is found to be:

- (1) arbitrary, capricious or an abuse of discretion;
- (2) not supported by substantial evidence; or
- (3) otherwise not in accordance with law.

H. An appeal from the decision of the district court may be taken to the court of appeals in accordance with the rules of civil procedure.

History: 1978 Comp., § 10-9-18, enacted by Laws 1980, ch. 47, § 2.

Repeals and reenactments. - Laws 1980, ch. 47, § 2, repeals former 10-9-18 NMSA 1978, relating to appeals by employees to the personnel board, and enacts the above section.

Board acts in quasi-judicial capacity in hearing appeals. - In hearing administrative appeals by employees from agency action, as distinguished from its function in adopting rules and creating policy, the state personnel board acts in a quasi-judicial capacity rather than a policy-making function. *Montoya v. Department of Fin. & Admin.*, 98 N.M. 408, 649 P.2d 476 (Ct. App. 1982).

Board may modify agency's action. - The board can find there was employee misconduct and can also determine that the agency's action was inappropriate for the

misconduct found by the board. The board may then modify the agency's action, and this includes reinstatement of a dismissed employee. State ex rel. New Mexico State Hwy. Dep't v. Silva, 98 N.M. App. 549, 650 P.2d 833 (1982).

Agency appeal will stay reinstatement order. - An appeal by the highway department operates as a stay of an employment reinstatement order. State ex rel. New Mexico State Hwy. Dep't v. Silva, 98 N.M. 549, 650 P.2d 833 (Ct. App. 1982).

Board not indispensable party on appeal. - The state personnel board is not an indispensable party to an appeal from a final order making an administrative determination as to the employment status of a state employee. Montoya v. Department of Fin. & Admin., 98 N.M. 408, 649 P.2d 476 (Ct. App. 1982).

Review by district court. - In determining whether a decision by the board is supported by substantial evidence in the record as a whole, the district court, on appeal, will review the evidence in the light most favorable to the board's decision. Jimenez v. Department of Cors., 101 N.M. 795, 689 P.2d 1266 (1984).

A reviewing court on appeal must determine whether, on balance, the record as a whole contains substantial evidence to support the hearing officer's finding. Anaya v. New Mexico State Personnel Bd., 107 N.M. 622, 762 P.2d 909 (Ct. App. 1988).

Dismissals from human services department were in accordance with law and supported by substantial evidence, which included the failure to promptly report the alleged sexual abuse of a child to the proper authorities. Perkins v. Department of Human Servs., 106 N.M. 651, 748 P.2d 24 (Ct. App. 1987).

## **§ 10-9-19. Reduction in force.**

Whenever an employee is terminated by an employer in a reduction in force by the employer, the terminated employee shall be rehired by that employer if the same or a comparable position becomes available in an increase of force within six months after the termination.

## **§ 10-9-20. Oaths; testimony; records; refusal.**

The board has the power to administer oaths, subpoena witnesses and compel the production of books and papers pertinent to any investigation or hearing authorized by the Personnel Act. Refusal to testify before the board on matters pertaining to personnel is grounds for dismissal from the service.

History: 1953 Comp., § 5-4-41, enacted by Laws 1961, ch. 240, § 14.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

### **§ 10-9-21. Prohibited acts.**

A. No employer shall dismiss an employee for failure or refusal to pay or promise to pay any assessment, subscription or contribution to any political organization or candidate; however, nothing contained in this section shall prevent voluntary contributions to political organizations.

B. No person in the personnel office or employee in the service shall hold political office or be an officer of a political organization during his employment. For the purposes of the Personnel Act, being a local school board member or an elected board member of any post-secondary educational institution shall not be construed to be holding political office, and being an election official shall not be construed to be either holding political office or being an officer of a political organization. Nothing in the Personnel Act shall deny employees the right to vote as they choose or to express their opinions on political subjects and candidates.

C. Any employee who becomes a candidate for public office shall, upon filing or accepting the nomination and during the campaign, take a leave of absence. This subsection does not apply to those employees of a grant-in-aid agency whose political activities are governed by federal statute.

D. The director shall investigate any written charge by any person that this section has been violated and take whatever steps deemed necessary.

E. No person shall be refused the right of taking an examination, from appointment to a position, from promotion or from holding a position because of political or religious opinions or affiliation or because of race or color.

F. No employee or probationer shall engage in partisan political activity while on duty.

G. With respect to employees of federal grant-in-aid agencies, the applicable personnel

standards, regulations and federal laws limiting activities shall apply and shall be set forth in rules promulgated by the board.

History: 1953 Comp., § 5-4-42, enacted by Laws 1961, ch. 240, § 15; 1963, ch. 200, § 6; 1967, ch. 181, § 6; 1983, ch. 81, § 1.

Personnel Act. - See 10-9-1 NMSA 1978 and notes thereto.

Constitutionality. - Subsection B does not violate the first amendment guarantee of freedom of speech in requiring that certain state employees not hold public office, nor does it deny equal protection by exempting some state employees from its provisions. State ex rel. Gonzales v. Manzagol, 87 N.M. 230, 531 P.2d 1203 (1975).

Legislative power. - The legislature had the constitutional power under N.M. Const., art. VII, § 2B, to enact this section and to thereby provide, as a qualification or standard for continued employment by the state in a position covered by the State Personnel Act, that the employee not hold "political office." State ex rel. Gonzales v. Manzagol, 87 N.M. 230, 531 P.2d 1203 (1975).

Scope of prohibition in Subsection B. - The words "be an officer of a political organization" are relatively clear. The prohibition (in Subsection B) is without restriction and the legislative intent of these words applies with equal force to the highest and lowest office in a political party or organization. Since there is no restriction, all officers of the party or organization are included within the prohibition, from the state chairman to membership in the central committee or executive committee on down the line to precinct officers and division officers. 1961-62 Op. Att'y Gen. No. 61-53.

Effect of election to public office. - Under the theory advanced by a Kentucky court, any person who is elected by the voters to a public office would be deemed holding a political office within the intent of Laws 1961, ch. 240, §§ 5 and 15 (10-9-8 NMSA 1978 and this section). This would be so even if the election were conducted along what is commonly known as nonpartisan lines rather than political party lines. The term "political office" applies to every elected public office within the state including, but not limited to state elected positions, county elected positions and municipal elected positions, even if conducted along nonpartisan lines. 1961-62 Op. Att'y Gen. No. 61-53 (rendered prior to 1963 amendment).

Example of political office. - The office of city councilman clearly falls within the definition of a "political office" and petitioner who held such office could properly be discharged from his classified state job under this section. State ex rel. Gonzales v. Manzagol, 87 N.M. 230, 531 P.2d 1203 (1975).

Effect of section on municipal election judges or clerks. - Municipal election judges or clerks are not holders of public office under the prohibition of the Personnel Act. 1961-62 Op. Att'y Gen. No. 62-37.

On candidate for delegate to constitutional convention. - A candidate for the position of delegate to the constitutional convention, which is both a temporary and occasional position, is not a candidate for "public office" and need not take a leave of absence. 1969 Op. Att'y Gen. No. 69-28.

On the delegate. - The position of delegate to a constitutional convention is not a "political office" within the meaning of Subsections B or C of this section. 1969 Op. Att'y Gen. No. 69-28.

Generally, as to delegates. - There is no fundamental inconsistency between the positions of public employee covered by the State Personnel Act and that of delegate to the constitutional convention. 1969 Op. Att'y Gen. No. 69-28.

Phrase "while on duty" as used in the Personnel Act means to be actually on the job. 1961-62 Op. Att'y Gen. No. 62-116.

When political activity permissible. - A state employee covered by the Personnel Act may engage in political activity while on annual leave, on week-ends and after working hours during the work week. 1961-62 Op. Att'y Gen. No. 62-116.

A. make any false statement, certificate, mark or rating with regard to any test, certification or appointment made under the Personnel Act;

B. directly or indirectly give, pay, offer, solicit or accept any money or other valuable consideration or secure or furnish any special or secret information for the purpose of affecting the rights or prospects of any person with respect to employment in the service.

When the provisions of any laws of the United States, or any rule, order, or regulation of any federal agency or authority providing federal funds for use in New Mexico, either directly or indirectly or as a grant-in-aid, to be matched or otherwise, impose as a condition for the receipt of such funds, other or higher personnel standards or different classifications than are provided for by the Personnel Act, the board has the authority and is directed to adopt rules and regulations to meet the requirements of such law, rule, order or regulation.

History: Laws 1987, ch. 253, § 2; 1989, ch. 31, § 1; 1989, ch. 333, § 1.

Cross-references. - For county hospitals, retirement plans for employees, see 4-48B-17 NMSA 1978. For Educational Retirement Act, see 22-11-1 to 22-11-45 NMSA 1978.

Repeals and reenactments. - Laws 1987, Chapter 253 repealed former 10-11-2 NMSA 1978, as enacted by Laws 1965, ch. 284, § 1, relating to short title of Public Employees'

Retirement Act, and enacted a new 10-11-2 NMSA 1978. For provisions of former section, see the 1983 replacement pamphlet.

The 1989 amendments. - Laws 1989, ch. 31 § 1, effective June 16, 1989, making minor stylistic changes in Subsections G and J, and inserting "any soil and water conservation district, any regional dispatch authority" in Subsection L, was approved on March 13, 1989. However, Laws 1989, ch. 333, § 1, also effective June 16, 1989, in Subsection G, substituting "Section 10-11-117 NMSA 1978" for "Section 117 of the Public Employees Retirement Act"; in Subsection J, deleting "public employees retirement" preceding "association"; and in Subsection L, inserting "any regional housing authority, and soil and water conservation district, any entity created pursuant to a joint powers agreement," was approved on April 7, 1989. The section is set out as amended by Laws 1989, ch. 333, § 1. See 12-1-8 NMSA 1978.

Temporary provisions. - Laws 1987, ch. 253, § 142 provides that the public employees' retirement association established by Laws 1947, Chapter 167, Section 2, as amended, is redesignated and continued as the public employees retirement association with the duties and responsibilities provided for in the Public Employees Retirement Act and that all rights, duties, etc., existing immediately prior to the effective date of the Public Employees Retirement Act shall, unless specifically modified by the Public Employees Retirement Act, continue without abatement, interruption, change or need for any further action upon the effective date of the Public Employees Retirement Act.

"Salary". - Injury time payments to city employees which did not exceed the difference between workers' compensation benefits and the employees' regular pay, were not "wages paid for personal services rendered" within the meaning of Subsection P. 1988 Op. Att'y Gen. No. 88-23.

Workers' compensation benefits are not "wages paid for personal services rendered", but rather are benefits to compensate the injured employee for a portion of those wages he might have earned but for his injury during the course of his employment. Thus, the benefits are not "salary" for purposes of Subsection P. 1988 Op. Att'y Gen. No. 88-23.

Subsection P's exclusion of overtime, clothing and other allowances evidences legislative intent to exclude fringe benefits. 1988 Op. Att'y Gen. No. 88-23.

Cash payments to retiring city employees for compensatory time, which were not part of the regular, periodic wages of those employees, were not "salary" for purposes of Subsection P. 1988 Op. Att'y Gen. No. 88-23.

Payments for unused sick leave, whether converted to annual leave or not, were not "salary" as defined by Subsection P. 1988 Op. Att'y Gen. No. 88-23.

Lump sum annual leave payment. - A retired city policeman's benefits could not be calculated to include a lump sum annual leave payment for 586.56 hours where he was covered under a police officers' association's collective bargaining agreement with the

city that permitted cash compensation upon termination for "any" unused vacation. 1988 Op. Att'y Gen. No. 88-23.

A. Except as may be provided for in the Volunteer Firefighters Retirement Act [10-11A-1 to 10-11A-7 NMSA 1978], the Judicial Retirement Act [Chapter 10, Article 12 NMSA 1978], the Magistrates Retirement Act [10-12A-1 to 10-12A-13 NMSA 1978], the Educational Retirement Act [22-11-1 to 22-11-45 NMSA 1978] and the provisions of Sections 29-4-1 through 29-4-11 NMSA 1978 governing the state police pension fund, each employee and elected official of an affiliated public employer shall be a member of the association unless excluded from membership in accordance with Subsection B of this section.

B. The following employees and elected officials are excluded from membership in the association:

- (1) elected officials who are not members on June 30, 1987;
- (2) elected officials who file with the association a written application for exemption from membership within ninety days of taking office;
- (3) elected officials who file with the association a written application for exemption from membership within ninety days of the date the elected official's public employer becomes an affiliated public employer;
- (4) employees designated by the affiliated public employer as seasonal or student employees;
- (5) employees on June 30, 1987, who have been excluded from membership as a consequence of being in a part-time or temporary occupational classification;

(6) employees of an affiliated public employer on the effective date of affiliation who file with the association a written exemption from membership within thirty days of affiliation; and

(7) employees of an affiliated public employer which is making contributions to a private retirement program on behalf of the employee as part of a compensation arrangement who file with the association a written application for exemption within thirty days of employment.

C. Employees designated as seasonal and student employees shall be notified in writing by their affiliated public employer of the designation and the consequences of the designation with respect to membership, credited service and benefits. A copy of the notification shall be filed with the association within thirty days.

D. An exemption from membership by an elected official shall expire at the end of the term of office for which filed.

E. Employees and elected officials who have exempted themselves from membership may subsequently withdraw the exemption by filing a membership application. Membership shall commence the first day of the first pay period following the date the application is filed.

F. The membership of an employee or elected official shall cease upon termination of the employee's employment with an affiliated public employer, upon the elected official's relinquishment of office or upon either the employee or the elected official becoming excluded from membership as provided in Subsection B of this section.

History: Laws 1987, ch. 253, § 3.

Repeals and reenactments. - Laws 1987, Chapter 253 repeals former 10-11-3 NMSA 1978, as enacted by Laws 1967, ch. 25, § 1, relating to exemption of national guard employees, and enacts the above section effective July 1, 1987. For provisions of former section, see 1983 replacement pamphlet.

Exemption of elected official. - A person who was a contributing member of the retirement association at the time of taking office as an elected official has the right to exempt himself as an elected official. 1957-58 Op. Att'y Gen. No. 57-90.

An elected official who has been a member of the association for one elected term of office may choose to exempt himself from membership when he commences serving a successive term of that elective office. However, the official may not "retire," resume office under a successive term to which he has been re-elected, and attempt to invoke the "elected official" exception to membership and benefit suspension. 1989 Op. Att'y Gen. No. 89-25.

An elected official who is exempt from membership on June 30, 1987 must file an

exemption from membership with respect to that official's successive term of office to remain exempt from membership. 1989 Op. Att'y Gen. No. 89-25.

Person appointed to fill unexpired term of elected official. - A person appointed to fill an unexpired term of an elected official may exempt himself from membership in the association for the remainder of that term. 1989 Op. Att'y Gen. No. 89-25.

An "appointee" to an elective office is an "elected official" for purposes of Subsection B's membership exemption option. 1989 Op. Att'y Gen. No. 89-25.

Employees exempted from membership. - Full-time city public school teacher who was a member of the educational retirement system, and who was simultaneously employed on a part-time basis by the city, was not required to be a member of the Public Employees Retirement Association. 1988 Op. Att'y Gen. No. 88-70.

Benefits under Volunteer Firefighters Act precluded. - A Public Employees Retirement Act member, having entitlement to PERA retirement benefits upon meeting the necessary age and service requirements, may not also participate in and receive benefits under the Volunteer Firefighters Act. 1987 Op. Att'y Gen. No. 87-75.

Benefits suspended upon employment by entity covered by Educational Retirement Act. - A Public Employees Retirement Act retiree who returns to employment with a governmental entity whose employees are covered exclusively under the provisions of the Educational Retirement Act for retirement purposes may not continue to receive PERA benefits. Such retiree's benefits must be suspended. That retiree is employed by an affiliated public employer and his "membership," within the meaning of that term, is not provided for in the PERA. 1987 Op. Att'y Gen. No. 87-79.

#### **§ 10-11-4. Credited service; requirements for; forfeiture; reinstatement.**

A. Personal service rendered an affiliated public employer by a member shall be credited to the member's credited service account in accordance with retirement board rules and regulations. Service shall be credited to the nearest month. In no case shall any member be credited with a year of service for less than twelve months of service in any calendar year or more than a month of service for all service in any calendar month or more than a year of service for all service in any calendar year.

B. Service rendered as a judge of the district court or court of appeals or as a justice of the supreme court shall not be considered service for purposes of the Public Employees Retirement Act [this article].

C. Personal service rendered an affiliated public employer prior to August 1, 1947 shall be credited to a member if the member acquires one year of credited service for personal service rendered an affiliated public employer.

D. Personal service rendered an affiliated public employer after July 31, 1947 but prior to that date the public employer became an affiliated public employer is prior service and shall be credited to a member if:

(1) the member acquires five years of credited service for personal service rendered an affiliated public employer; and

(2) the member pays the association the amount determined in accordance with Subsection E of this section.

E. The amount of payment for each year of prior service being purchased under the provisions of Subsection D of this section is equal to the member contribution rate multiplied by the member's final average salary, both determined in accordance with coverage plan applicable to the member at the time payment is made. Payment shall be made within sixty days of the date the member is informed of the amount of the payment.

F. Credited service shall be forfeited if a member ceases to be a member and is paid the member's accumulated member contributions.

G. A member may reinstate forfeited credited service by paying the association all accumulated member contributions previously withdrawn plus compound interest from the date of withdrawal to the date of repayment. The rate of compound interest shall be set from time to time by the retirement board. Payment shall be made within sixty days of the date the member is informed of the amount of the payment.

A municipal affiliated public employer may elect by resolution of its governing body and in the manner prescribed by the retirement board to be responsible for making contributions of seventy-five percent of its employees' member contributions as follows:

A. the resolution shall be irrevocable, shall apply to all employees or else to specified employee divisions of the municipal affiliated public employer and shall be effective the first pay period of the month following the filing of the resolution with the retirement board;

B. the portion of the employee contributions made by the municipal affiliated public employer on behalf of a member shall be credited to the member's individual accumulated member contribution account in the member contribution fund. C. pensions payable to members whose municipal affiliated public employer makes the election provided for in this section shall be the same as if the member had made the entire member contribution.

### **§ 10-11-6. Credited service; credit for intervening military and United States government service.**

A. A member who leaves the employ of an affiliated public employer to enter an armed

service of the United States shall be given credited service for periods of active duty subject to the following conditions:

- (1) the member is reemployed by an affiliated public employer within ninety days following termination of the period of active duty;
- (2) the member reinstates any forfeited credited service;

B. For a member who is subsequently employed by the government of the United States within thirty days of leaving the employ of an affiliated public employer:

- (1) that member may continue membership in the association subject to the following conditions:
  - (a) the member has fifteen or more years of credited service;

Ninety-day application period in Subsection A(1). - Subsection A(1) must be interpreted in a manner consistent with the federal and state laws on veteran reemployment rights. If the veteran otherwise qualifies for reemployment and applies within 90 days of the termination of his active duty period, he still may acquire service credit for retirement purposes even though the employer does not actually rehire him until after the ninetieth day. 1988 Op. Att'y Gen. No. 88-24.

### **§ 10-11-7. Credited service; purchase of service.**

A. A member who entered an armed service of the United States may purchase credited service for periods of active duty subject to the following conditions:

(1) the member pays the association the purchase cost determined according to Subsection D of this section;

(2) the member has five or more years of credited service acquired as a result of personal service rendered in the employ of an affiliated public employer;

(3) the aggregate amount of credited service purchased under this Subsection does not exceed five years reduced by any period of credited service acquired for military service under any other provision of Public Employees Retirement Act [this article]; and

(4) credited service may not be purchased for periods of active duty which are used to obtain or increase a benefit from another retirement program.

B. A member who was employed by a utility company, library, museum, transit company or by a nonprofit organization administering federally funded public service programs which utility company, library, museum, transit company or nonprofit organization administering federally funded service programs or federally funded service programs administered by a nonprofit organization are subsequently taken over by an affiliated public employer may purchase credited service for the period of employment subject to the following conditions:

(1) the member pays the association the purchase cost determined according to Subsection D of this section;

(2) the member has five or more years of credited service acquired as a result of personal service rendered in the employ of an affiliated public employer; and

(3) the aggregate amount of credited service purchased under this subsection does not

exceed five years.

C. A member who was appointed to participate in a cooperative work study training program established jointly by the state highway department and the university of New Mexico or New Mexico state university may purchase credited service for the period of participation subject to the following conditions:

(1) the member pays the association the purchase cost determined according to Subsection D of this section;

(2) the member has five or more years of credited service acquired as a result of personal service rendered in the employ of an affiliated public employer; and

(3) the aggregate amount of credited service purchased under this subsection does not exceed five years.

D. Except for service to be used under a state legislator coverage plan, the purchase cost for each year of credited service purchased under the provisions of this section is equal to the member's final average salary multiplied by the sum of the member contribution rate and employer contribution rate, determined in accordance with the coverage plan applicable to the member at the time payment is made. The purchase cost for each year credited service to be used under a state legislator coverage plan is equal to the sum of the member contribution and an employer contribution of ten times the annual amount of pension per year of credited service under the state legislator coverage plan applicable to the member. Payment shall be made within sixty days of the date the member is informed of the amount of the payment. The portion of the purchase cost derived from the employer contribution rate shall be credited to the employer accumulation fund and shall not be paid out of the association in the event of cessation of membership.

E. A member shall be paid, upon written request filed with the association, the portion of the purchase cost of credited service purchased under this section which the association determines to have been unnecessary to provide the member with the maximum pension applicable to the member. The association shall not pay interest on the portion of the purchase cost refunded to the member.

Cooperative work study training program. - A member may not obtain free service credit under the Public Employees' Retirement Act for the period of time he was in "school phases" of a cooperative work study training program. 1989 Op. Att'y Gen. No. 89-05.

## **§ 10-11-8. Normal retirement; suspension.**

A. A member or vested former member may retire upon fulfilling the following requirements:

(1) a written application for normal retirement, in the form prescribed by the association, is filed with the association prior to the selected date of retirement;

(2) employment is terminated with all affiliated public employers prior to the selected date of retirement;

(3) the member or vested former member selects a date of retirement which is the first day of a calendar month; and

(4) the member or vested former member meets an age and service requirement for normal retirement specified in the coverage plan applicable to the member.

B. The amount of normal retirement pension is determined in accordance with the coverage plan applicable to the member.

C. Except as provided in Subsections D and E of this section, payment of a normal retirement pension shall be suspended at the end of the calendar month of the first calendar year in which a retired member, who is reemployed by or serves a term of office with an affiliated public employer, earns one hundred percent or more of the amount which causes a decrease or suspension of an old age benefit under the federal social security program, subject to the following conditions:

(1) the retired member shall become a member at the beginning of the first full pay period following suspension of payment of the pension;

(2) the amount of pension shall be recomputed upon termination of the reemployment or term of office with the affiliated public employer, taking into account the credited service and salary resulting from the reemployment or term of office;

(3) payment of the pension shall resume the first day of the calendar month following termination of the reemployment or term of office;

(4) the recomputation shall be made using the provisions of the Public Employees Retirement Act [this article] in effect on the date of the original retirement unless the retired member acquired at least three years of credited service on account of the reemployment or term of office;

(5) the recomputed pension shall not be less than the amount of the suspended pension but shall be made employing the form of payment selected by the retired member prior to the resumption of the pension payments; and

(6) member contributions made for the period of reemployment or term of office shall be paid to the retired member upon resumption of pension payments if the amount of pension is unchanged by the period of reemployment or term of office.

D. The provisions of Subsection C of this section shall not apply to a retired member who is appointed chief of police of an affiliated public employer, other than of the affiliated public employer from which retired, or who is appointed undersheriff if the retired member files an irrevocable exemption from membership with the association within thirty days of appointment. For purposes of this subsection, each sheriff's office shall be limited to one undersheriff. The irrevocable exemption shall be for the chief of police's or the under-sheriff's term of office. Filing of an irrevocable exemption shall irrevocably bar the retired member from acquiring credited service for the period of exemption from membership.

E. The provisions of Subsection C of this section shall not apply to a retired member who is elected to serve a term as an elected official if the retired member files an irrevocable exemption from membership with the association within thirty days of taking office. Filing of an irrevocable exemption shall irrevocably bar the retired member from acquiring credited service for the period of exemption from membership.

F. The pension of a member who has three or more years of credited service under each of two or more coverage plans shall be determined in accordance with the coverage plan, from among the two or more coverage plans which produces the highest pension. The pension of a member who has credited service under two or more coverage plans but who has three or more years of credited service under only one of those coverage plans shall be determined in accordance with the coverage plan in which the member has three or more years of credited service, and any difference between the actuarial present value of the resulting pension and of the member's contributions shall be paid to the annuitant; provided, however, that if the credited service is acquired under two different coverage plans applied to the same affiliated public employer as a consequence of an election by the members, adoption by the affiliated public employer or a change in the law which results in the application of a coverage plan with a greater annuity, the greater annuity shall be paid a member retiring from the affiliated public employer under which the change in coverage plan took place regardless of the amount of credited service under the coverage plan producing the greater annuity. The provisions of each coverage plan for the purpose of this subsection shall be those in effect at the time the member ceased to be covered by the coverage plan. Credited service for the purposes of this subsection shall be only personal service rendered an affiliated public employer and credited to the member under the provisions of Subsection A of Section 10-11-4 NMSA 1978. Service credited under any other subsection of the Public Employees Retirement Act shall not be used to satisfy the three-year credited service requirement of this subsection.

History: Laws 1987, ch. 253, § 8; 1989, ch. 79, § 1.

Repeals and reenactments. - Laws 1987, Chapter 253 repealed former 10-11-8 NMSA 1978, as amended by Laws 1978, ch. 167, § 2 relating to affiliated public employers, and enacted a new 10-11-8 NMSA 1978. For provisions of former section, see 1983 replacement pamphlet.

The 1989 amendment, effective June 16, 1989, in Subsection F inserted "adoption by the affiliated public employer" near the middle of the second sentence and "affiliated" preceding "public employer" near the end of that sentence, and made a minor stylistic change in the fourth sentence.

Effect of 1987 recodification. - The 1987 recodification of the public employees retirement act does not permit a normal or disability retirement pension to be made retroactive. 1988 Op. Att'y Gen. No. 88-15.

Written application for retirement. - The public employees retirement board may not excuse the statutory requirement that a member file a written application for retirement, even where a member alleges that he made verbal requests of the public employees retirement association for an application form but did not receive the form promptly, since strict compliance with the statutory requirements for receiving retirement benefits is required. 1988 Op. Att'y Gen. No. 88-33.

Death not treated as retirement. - An employee who dies during employment does not retire, and thus an employee's affidavit directing that his death be treated as his retirement is ineffectual. 1989 Op. Att'y Gen. No. 89-06.

The general rule under Subsection F is that a retiring member who has coverage under two different coverage plans will receive benefits calculated under the provisions of the better coverage plan if the member has three years of credited service under the better coverage plan. If not, the member will receive benefits calculated under the provisions of the lesser coverage plan. 1987 Op. Att'y Gen. No. 87-66.

The only exception to the general rule under Subsection F is where the retiring member acquires credited service under two coverage plans "applied to the same affiliated public employer . . . ." This exception must be strictly construed, because it departs from the general rule, financially impacts the association as imminent retirees make little contribution toward the greater benefits, and envisions potential manipulation and abuse as demonstrated by the association's experience with the "loopholers" or "job jumpers". 1987 Op. Att'y Gen. No. 87-66.

The object to the phrase "same affiliated public employer" in Subsection F is to prevent "job jumping" from a public employer covered under a lower benefit formula to a public employer covered under a higher benefit formula to retire at the higher formula from the second entity after working, if at all, for a brief period of time. 1987 Op. Att'y Gen. No. 87-66.

Reappointment after suspension of benefits. - County treasurer could not retire in June, 1988, and resume office as county treasurer without suspension of public employee retirement benefits, if the county commission reappointed him as county treasurer to serve the remainder of his unexpired term, ending December 31, 1988. 1987 Op. Att'y Gen. No. 87-80.

Suspension of benefits upon resumption of employment. - An employee of the department of finance and administration, retired pursuant to the provisions of Public Employee's Retirement Act, may not resume employment with the department of education without suspension of retirement benefits. 1987 Op. Att'y Gen. No. 87-37 (decided under former 10-11-22 NMSA 1978).

An employee of a public school system, retired pursuant to the provisions of the Educational Retirement Act, may not resume employment with the department of education without suspension of educational retirement benefits. 1987 Op. Att'y Gen. No. 87-38 (decided under former 10-11-8 NMSA 1978).

The suspension provisions of the disbursing system apply to the benefits granted pursuant to the reciprocity act to a member retired under the public employee retirement association and the educational retirement system who resumes employment. 1988 Op. Att'y Gen. No. 88-22.

Public Employee Retirement Act annuitants whom the department of education subsequently employs and who elect to participate in the educational retirement system by making contributions to that system do not "qualify for (retirement) coverage" under 22-11-17D NMSA 1978, since they are not considered as having acquired any service credit for purposes of educational retirement benefits. 1987 Op. Att'y Gen. No. 87-37 (decided under former 10-11-22 NMSA 1978).

Exception to 3-year credited service requirement. - Because a leave of absence without pay can be distinguished from a termination of employment, is not a complete separation of employment, and denotes continuity of employment status, members who take a bona fide leave of absence without pay are eligible for Subsection F's exception to the three-year credited service requirement for coverage under state general member coverage plan 2. 1988 Op. Att'y Gen. No. 88-19.

Reemployment as seasonal employees of legislature. - Retirees of the Public Employees Retirement Association who are reemployed as seasonal employees by the state legislature are subject to benefit suspension when they exceed the maximum earnings permitted by Subsection C. 1989 Op. Att'y Gen. No. 89-15.

## **§ 10-11-9. Vested termination of membership.**

A. A member who ceases to be a member for a reason other than death or retirement shall be a vested former member if the member meets the following requirements:

(1) the member has five or more years of credited service; and

(2) the member's accumulated member contributions are left on deposit in the association.

B. Eligibility for normal retirement, amount of normal retirement pension, eligibility for disability retirement, amount of disability retirement pension, eligibility for a survivor pension and amount of survivor pension shall be determined according to the provisions of the Public Employees Retirement Act at time of termination of membership.

C. An election by a vested former member to be paid accumulated member contributions shall cause forfeiture of credited service and all rights to any benefits of the association other than payment of the accumulated member contributions.

History: Laws 1987, ch. 253, § 9.

Repeals and reenactments. - Laws 1987, ch. 253 repeals former 10-11-9 NMSA 1978, as amended by Laws 1981, ch. 135, § 3 relating to membership in association, and enacts the above section, effective July 1, 1987. For provisions of former section, see 1983 replacement pamphlet.

Resignation of judge prior to new term for which elected. - A magistrate member of the public employees retirement association, reelected in November for a new term commencing January 1st, may not qualify for retirement benefits by resigning from his then-current position during the period between his election and the new term. 1987 Op. Att'y Gen. No. 87-13.

§§ 10-11-9.1, 10-11-9.2. Repealed.

Repeals. - Laws 1987, ch. 253, § 140, repeals 10-11-9.1 NMSA 1978, as enacted by Laws 1979, ch. 316, § 2, relating to exemption of participants covered under Comprehensive Employment and Training Act, and 10-11-9.2 NMSA 1978, as enacted by Laws 1986, ch. 85, § 1, relating to exemption permitted for undersheriffs, effective July 1, 1987.

## **§ 10-11-10. Disability retirement.**

A. The retirement board may retire a member or vested former member on account of disability if the following requirements are satisfied:

(1) the individual seeking disability retirement was a member or vested former member at the time disability was incurred;

(2) a written application for disability retirement, in the form and containing the

information prescribed by the association, has been filed with the association by the member, by the member's affiliated public employer or by the vested former member;

(3) membership is terminated prior to the selected date of disability retirement and:

(a) the member or vested former member has five or more years of credited service; or

(b) the retirement board finds the disability to have been the natural and proximate result of causes arising solely and exclusively out of and in the course of the member's performance of duty with an affiliated public employer;

(4) the member or vested former member submits to all medical examinations and tests, and furnishes copies of all medical reports, requested by the association or medical committee, provided that if the member or vested former member meets an age and service requirement for normal retirement, the cost of all medical examinations, tests and reports shall be paid by the member or vested former member; and

(5) the retirement board or the medical committee of the retirement board makes the certification required under Subsection B of this section.

B. A member or vested former member seeking disability retirement must obtain certification by the retirement board or by the medical committee to the retirement board that:

(1) the member is mentally or physically totally incapacitated for continued employment with the affiliated public employer or the vested former member is mentally or physically totally incapacitated for any gainful employment;

(2) the incapacity is likely to be permanent; and

(3) the member or vested former member should be retired.

C. The medical committee shall include in its membership at least one licensed physician selected by the association. Any licensed physician selected shall not be required to be a member of the retirement board.

D. The amount of a disability retirement pension shall be calculated in the same manner as a normal retirement pension. If the retirement board finds the disability to have been the natural and proximate result of causes arising solely and exclusively out of and in the course of a member's performance of duty with an affiliated public employer and the member has not met an age and service requirement for normal retirement, the amount of disability retirement pension shall be calculated using the amount of credited service the member could have acquired had the member continued in the employ of the affiliated public employer until an age and service requirement for normal retirement had been met.

E. Each disability retired member shall annually submit to the association, prior to July 1, a statement of earnings from gainful employment during the preceding calendar year. The statement of earnings shall be in the form requested by the association. Payment of the disability retirement pension shall be suspended for the months of July through December if the amount of earnings from gainful employment is one hundred percent or more of the amount which causes a decrease or suspension of an old age benefit under the federal social security program. Payment of the disability retirement pension shall be suspended starting with the month of July if the statement of earnings is not received by the association prior to July 1. The provisions of Subsection C of Section 8 [10-11-8 NMSA 1978] of the Public Employees Retirement Act shall be applicable in lieu of the provisions of this subsection if the disability retired member is age sixty-five years or older or meets an age and service requirement for normal retirement specified by the coverage plan applicable at time of disability retirement.

History: Laws 1987, ch. 253, § 10.

Repeals and reenactments. - Laws 1987, Chapter 253 repeals former 10-11-10 NMSA 1978, as amended by Laws 1986, ch. 86, § 1, relating to membership of lieutenant governor and members of legislature, and enacts the above section, effective July 1, 1987. For provisions of former section, see 1986 cumulative supplement to this pamphlet.

Compiler's notes. - Laws 1987, ch. 44 purported to amend this section, but was not published because of the repeal and reenactment by Laws 1987, ch. 253.

Legislative intent, as to contributing service. - The five years of contributing service for each employee was placed in this section by the legislature, with the intent that it be a safeguard to protect the association and the board from retiring employees for nonduty disability when they enter the service of the state or any of its agencies, and who were already disabled and could work for the state or its agencies for a few weeks or months and then claim nonduty disability. 1955-56 Op. Att'y Gen. No. 6449.

Retroactive award prohibited. - The Public Employees Retirement Association may not award disability benefits retroactive to the date of the member's name last appeared on the payroll with pay. 1989 Op. Att'y Gen. No. 89-18.

### **§ 10-11-11. Reevaluation of disability retired member; termination of disability pension.**

A. The association may require a disability retired member to undergo periodic medical or other reevaluation at the association's expense or submit acceptable evidence of continuation of disability if the member has not met an age and service requirement for normal retirement specified by the coverage plan applicable to the disability retired member at time of retirement or is not age sixty-five years or older. Medical or other reevaluations not specifically required by the association shall be solely at the retired member's expense.

B. The retirement board may suspend payment of a disability pension if the disability retired member refuses to submit to reevaluation. If the refusal continues for one year, the retirement board may terminate the disability retirement pension and revoke the disability retired member's right to the disability retirement pension.

C. A disability pension shall be terminated if the medical committee reports to the retirement board that the disability retired member no longer meets the requirements for disability retirement.

D. A disability retired member may return to employment with an affiliated public employer or other employer for a trial period not to exceed one hundred twenty calendar days without becoming a member or affecting the disability retired member's status upon prior approval by the association. Trial periods of employment shall be limited to two in any five-year period following disability retirement.

Repeals and reenactments. - Laws 1987, Chapter 253 repeals former 10-11-11 NMSA 1978, as amended by Laws 1981, ch. 142, § 1, relating to continuation of coverage, and enacts the above section, effective July 1, 1987. For provisions of former section, see 1983 replacement pamphlet.

Return for "trial period". - A disability annuitant retired under the provisions of the Public Employees Retirement Act in effect before July 1, 1987, may return to employment for a "trial period" pursuant to Subsection D. 1988 Op. Att'y Gen. No. 88-44.

## **§ 10-11-12. Status of disability retired member upon termination of disability retirement.**

A. The membership status of a disability retired member following termination of the disability retirement pension shall be governed by the membership provisions of the Public Employees Retirement Act [this article]. Upon reacquisition of membership, the credited service of the member at time of disability retirement shall be restored. Credited service shall not be granted for the period of disability retirement unless the retirement board has found the disability to have been the natural and proximate result of causes arising solely and exclusively out of and in the course of the disability retired member's performance of duty with an affiliated public employer. In no case shall credited service be granted for disability retirement time incurred after the date the disability retired member meets an age and service requirement for normal retirement or after the date the disability retired member attains age sixty-five years.

Effect of section on school for visually handicapped. - The New Mexico school for the visually handicapped is not legally separate and distinct; it is in fact a state educational institution. Most of its funds come from either state school lands or from appropriations from the legislature. This institution is actually a part of the state. Inasmuch as the school for the visually handicapped is not a political subdivision, it cannot be considered a separate retirement system for the purposes of holding a referendum relative to the coverage under the old-age and survivors insurance program. 1955-56 Op. Att'y Gen. No. 6411.

Eligibility. - Under the social security laws, both state and federal, all members of the retirement system become eligible for social security upon a favorable vote of the referendum posing the questions of joining the social security system. 1955-56 Op. Att'y Gen. No. 6416.

## **§ 10-14-2. Definitions.**

For the purposes of Sections 10-14-1 through 10-14-10 NMSA 1978:

A. the term "wages" means all remuneration for employment as defined herein, including the cash value of all remuneration paid in any medium other than cash, except that such term shall not include that part of such remuneration which, even if it were for "employment" within the meaning of the Federal Insurance Contributions Act would not constitute "wages" within the meaning of that act;

B. the term "employment" means any service performed by an employee in the employ of the state, or any political subdivision thereof, for such employer, except (1) service which in the absence of an agreement entered into under this act [10-14-1 to 10-14-3, 10-14-5 to 10-14-10 NMSA 1978] would constitute "employment" as defined in the Social Security Act; or (2) service which under the Social Security Act may not be included in an agreement between the state and the secretary of health, education and welfare entered into under this act. Service which under the Social Security Act may be included in an agreement only upon certification by the governor or an officer of the state designated by the governor, in accordance with Section 218(d)(3) of that act shall be included in the term "employment" if and when the governor, or an officer of the state designated by the governor, issues, with respect to such service, a certificate to the secretary of health, education and welfare pursuant to Section 9(b) [10-14-10B NMSA

1978] of this act, provided, however, that an agreement may exclude (1) any service of an emergency nature; (2) services performed in the employ of a school, college or university by a student who is enrolled and regularly attending classes at such school, college or university; (3) all services in any class or classes of (a) elective positions; (b) part-time positions, or (c) positions the compensation for which is on a fee basis, performed by an employee of the state or an employee of a subdivision of the state, if so provided in a plan submitted by said subdivision under Section 5 [10-14-6 NMSA 1978] of this act;

C. the term "employee" includes an officer of a state or political subdivision thereof;

D. the term "state agency" means the agency of the state of New Mexico designated by the governor for the administration of this act;

E. the term "secretary of health, education and welfare" includes any individual to whom the secretary of health, education and welfare has delegated any functions under the Social Security Act with respect to coverage under such act of employees of states and their political subdivisions, and with respect to any action taken prior to April 11, 1953, includes the federal security administrator and any individual to whom such administrator had delegated any such function;

F. the term "political subdivision" includes an instrumentality of the state or one or more of its political subdivisions, or of the state and one or more of its political subdivisions, but only if such instrumentality is a juristic entity which is legally separate and distinct from the state or subdivision and only if its employees are not by virtue of their relation to such juristic entity employees of the state or subdivision;

G. the term "Social Security Act" means the act of congress approved August 14, 1935, Chapter 531, 49 Stat. 620, officially cited as the "Social Security Act," (including regulations and requirements issued pursuant thereto), as such act has been and may from time to time be amended; and

H. the term "Federal Insurance Contributions Act" means Subchapter A of Chapter 9 of the federal Internal Revenue Code of 1939 and Subchapters A and B of Chapter 21 of the federal Internal Revenue Code of 1954, as such codes have been and may from time to time be amended; and the term "employee tax" means the tax imposed by Section 1400 of such code of 1939 and Section 3101 of such code of 1954, as it has been and may from time to time be amended.

Effect of section on sick leave payments. - Where the university of New Mexico did not make a social security contribution with respect to sick leave payments on the grounds that such payments were excluded from wages, the social security administration was justified in assessing \$28.60 in respect to those payments and holding that they were not excluded from wages. *New Mexico v. Weinberger*, 517 F.2d 989 (10th Cir. 1975), cert. denied, 423 U.S. 1051, 96 S. Ct. 779 (1976).

Weinberger*, 517 F.2d 989 (10th Cir. 1975), cert. denied, 423 U.S. 1051, 96 S. Ct. 779 (1976).

Where hospitals not political subdivisions. - Hospitals created jointly by counties and municipalities are not independent political subdivisions, but are an intricate part of the county and the municipality creating the same, and therefore they can come under the social security system only as the county and the municipality of which they are part come within the provisions of the Social Security Act. 1955-56 Op. Att'y Gen. No. 6437.

Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration and other appropriate provisions as the state agency and secretary of health, education and welfare shall agree upon, but, except as may be otherwise required by or under the Social Security Act as to the services to be covered, such agreement shall provide in effect that:

(2) the state will pay to the secretary of the treasury, at such time or times as may be prescribed under the Social Security Act, contributions with respect to wages (as defined in Section 2 of this act), equal to the sum of the taxes which would be imposed by the Federal Insurance Contributions Act if the services covered by the agreement constituted employment within the meaning of that act;

(3) such agreement shall be effective with respect to services in employment covered by the agreement performed after a date specified therein in accordance with the Social Security Act;

(4) all services which constitute employment as defined in Section 2 and are performed in the employ of the state by employees of the state, shall be covered by the agreement;

(6) as modified, the agreement shall include all services described in either Paragraph (4) or Paragraph (5) of this subsection and performed by individuals to whom Section 218(c)(3)(C) of the Social Security Act is applicable, and shall provide that the service of any such individual shall continue to be covered by the agreement in case he thereafter becomes eligible to be a member of a retirement system; and

(7) as modified, the agreement shall include all services described in either Paragraph (4) or Paragraph (5) of this subsection and performed by individuals in positions covered by a retirement system with respect to which the governor, or an officer of the state designated by the governor, has issued a certificate to the secretary of health, education and welfare pursuant to Section 9(b) [10-14-10B NMSA 1978] of this act.

B. Any instrumentality jointly created by this state and any other state or states is

Such agreements, shall, to the extent practicable, be consistent with the terms and provisions of Subsection A and other provisions of this act.

C. Pursuant to Section 218(d)(6)(B) of the Social Security Act, the retirement system covering the employees who are eligible to acquire or who have acquired retirement and emeritus status under Section 1 of Chapter 112, Laws of 1937, as amended, shall be deemed to constitute a separate system for the employees of each institution of higher learning covered thereunder.

Such liability shall arise in consideration of the employee's retention in the service of the state, or his entry upon such service, after the enactment of this act [10-14-1 to 10-14-3, 10-14-5 to 10-14-10 NMSA 1978.]

B. The contribution imposed by this section shall be collected by deducting the amount of the contribution from wages as and when paid, but failure to make such deduction shall not relieve the employee from liability for such contribution.

C. If more or less than the correct amount of the contribution imposed by this section is paid or reduced [deducted] with respect to any remuneration, proper adjustments, or refund if adjustment is impracticable, shall be made, without interest, in such manner and at such times as the state agency shall prescribe.

A. Each political subdivision of the state is hereby authorized to submit for approval by the state agency a plan for extending the benefits of Title 2 of the Social Security Act, in conformity with applicable provisions of such act, to employees of such political subdivision. Each such plan and any amendment thereof shall be approved by the state

agency if it finds that such plan, or such plan as amended, is in conformity with such requirements as are provided in regulations of the state agency, except that no such plan shall be approved unless:

(1) it is in conformity with the requirements of the Social Security Act and with the agreement entered into under Section 10-14-3 NMSA 1978;

(2) it provides that all services which constitute employment as defined in Section 10-14-2 NMSA 1978 and are performed in the employ of the political subdivision by employees thereof, shall be covered by the plan, except that it may exclude services performed by individuals to whom Section 218(c)3(C) [Section 218(c)(3)(C)] of the Social Security Act is applicable;

(3) it specifies the source or sources from which the funds necessary to make the payments required by Paragraph (1) of Subsection C and by Subsection D of this section are expected to be derived and contains reasonable assurance that such sources will be adequate for such purpose;

(4) it provides for such methods of administration of the plan by the political subdivision as are found by the state agency to be necessary for the proper and efficient administration of the plan;

(5) it provides that the political subdivision will make such reports, in such form and containing such information, as the state agency may from time to time require, and comply with such provisions as the state agency or the secretary of health and human services may from time to time find necessary to assure the correctness and verification of such reports; and

(6) it authorizes the state agency to terminate the plan in its entirety, in the discretion of the state agency, if it finds that there has been a failure to comply substantially with any provision contained in such plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the state agency, and may be consistent with the provisions of the Social Security Act.

B. The state agency shall not finally refuse to approve a plan submitted by a political subdivision under Subsection A of this section, and shall not terminate an approved plan, without reasonable notice and opportunity for hearing to the political subdivision affected thereby.

C.(1) Each political subdivision as to which a plan has been approved under this section shall pay into the contribution fund, with respect to wages, as defined in Section 10-14-2 NMSA 1978, at such time or times as the state agency may by regulation prescribe, contributions in the amounts and at the rates specified in the applicable agreement entered into by the state agency under Section 10-14-3 NMSA 1978.

(2) Each political subdivision required to make payments under Paragraph (1) of this

subsection is authorized, in consideration of the employee's retention in, or entry upon, employment after enactment of Sections 10-14-1 through 10-14-3 and 10-14-5 through 10-14-10 NMSA 1978, to impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages, as defined in Section 10-14-2 NMSA 1978, not exceeding the amount of the employee tax which would be imposed by the Federal Insurance Contributions Act if such services constituted employment within the meaning of that act, and to deduct the amount of such contribution from his wages as and when paid. Contributions so collected shall be paid into the contribution fund in partial discharge of the liability of such political subdivision or instrumentality under Paragraph (1) of this subsection. Failure to deduct such contribution shall not relieve the employee or employer of liability therefor.

D. Delinquent payments due under Paragraph (1) of Subsection C of this section with interest charged by the federal government, may be recovered by action in a court of competent jurisdiction against the political subdivision liable therefor or may, at the request of the state agency, be deducted from any other money payable to such subdivision by any department or agency of the state.

## **§ 10-14-7. Contribution fund.**

A. There is hereby established a special fund to be known as the "contribution fund."

Such fund shall consist of and there shall be deposited in such fund:

Such transfers shall be made by July 30 of each fiscal year.

C. From the contribution fund the custodian of the fund shall pay to the secretary of the treasury such amounts and at such time or times as may be directed by the state agency in accordance with any agreement entered into under Section 10-14-3 NMSA 1978 and the Social Security Act.

D. The state treasurer shall be ex-officio treasurer. The secretary of finance and

(2) The state agency shall submit to each regular session of the state legislature, at least ninety days in advance of the beginning of such session, an estimate of the amounts authorized to be appropriated to the contribution fund by Paragraph (1) of this subsection for the next appropriation period.

## **§ 10-14-10. Referenda and certification.**

A. The governor is empowered to authorize a referendum, and to designate any agency or individual to supervise its conduct, in accordance with the requirements of Section 218(d)(3) of the Social Security Act, on the question of whether service in positions covered by a retirement system established by the state or by a political subdivision thereof should be excluded from or included under an agreement under this act [10-14-1 to 10-14-3, 10-14-5 to 10-14-10 NMSA 1978]. The notice of referendum required by Section 218(d)(3)(C) of the Social Security Act to be given to employees shall contain or shall be accompanied by a statement, in such form and such detail as the agency or individual designated to supervise the referendum shall deem necessary and sufficient, to inform the employees of the rights which will accrue to them and their dependents and survivors, and the liabilities to which they will be subject, if their services are included under an agreement under this act.

B. Upon receiving evidence satisfactory to him that with respect to any such referendum the conditions specified in Section 218(d)(3) of the Social Security Act have been met, the governor or an officer of the state designated by the governor, shall so certify to the secretary of health, education and welfare.

Social Security Act. - Section 218 of the federal Social Security Act, referred to in Subsections A and B, appears as 42 U.S.C. § 418.

Legislative intent. - The legislature intends, so far as the political subdivisions are concerned, that the initial step for coverage is to be made by the political subdivision by submitting a plan. If the plan is proper, and the political subdivision has its own retirement system or was a part of the state system, the governor is to call for a referendum for such political subdivision. If there happens to be a number of such divisions with proper plans, they can, of course, be grouped together for the purpose of the referendum. No political subdivision would work out a plan for coverage without first determining that the employees were for such plan. 1955-56 Op. Att'y Gen. No. 6333.

Scope of gubernatorial powers as to referendums. - The governor can, within the provisions of the Social Security Act, designate what shall constitute a retirement system for the purpose of a referendum. The governor can designate each political subdivision as a separate retirement system for the purpose of this referendum. 1955-56 Op. Att'y Gen. No. 6333.

### **Open Meetings**

#### **§ 10-15-1. Formation of public policy.**

A. In recognition of the fact that a representative government is dependent upon an informed electorate, it is declared to be public policy of this state that all persons are entitled to the greatest possible information regarding the affairs of government and the official acts of those officers and employees who represent them. The formation of public policy or the conduct of business by vote shall not be conducted in closed meeting. All meetings of any public body except the legislature and the courts shall be public meetings, and all persons so desiring shall be permitted to attend and listen to the deliberations and proceedings. Reasonable efforts shall be made to accommodate the use of audio and video recording devices.

B. All meetings of a quorum of members of any board, commission or other policy-making body of any state agency, any agency or authority of any county, municipality, district or any political subdivision, held for the purpose of formulating public policy, including the development of personnel policy, rules, regulations or ordinances, discussing public business or for the purpose of taking any action within the authority of

or the delegated authority of any board, commission or other policy-making body are declared to be public meetings open to the public at all times, except as otherwise provided in the constitution of New Mexico or the provision of the Open Meetings Act [this article]. No public meeting once convened that is otherwise required to be open pursuant to the Open Meetings Act shall be closed or dissolved into small groups or committees for the purpose of permitting the closing of the meeting.

C. Any meetings at which the discussion or adoption of any proposed resolution, rule, regulation or formal action occurs and at which a majority or quorum of the body is in attendance, and any closed meetings, shall be held only after reasonable notice to the public. The affected body shall determine at least annually in a public meeting what notice for a public meeting is reasonable when applied to that body. That notice shall include broadcast stations licensed by the federal communications commission and newspapers of general circulation which have provided a written request for such notice.

D. The board, commission or other policy-making body shall keep written minutes of all its meetings. The minutes shall include as a minimum the date, time and place of the meeting, the names of members in attendance and those absent, the substance of the proposals considered and a record of any decisions and votes taken which show how each member voted. All minutes are open to public inspection. Draft minutes shall be prepared within ten working days after the meeting and shall be approved, amended or disapproved at the next meeting where a quorum is present. Minutes shall not become official until approved by the policy-making body.

E. The provisions of Subsections A, B and D of this section do not apply to:

(1) meetings pertaining to issuance, suspension, renewal or revocation of a license except that a hearing at which evidence is offered or rebutted shall be open. All final actions on the issuance, suspension, renewal or revocation of a license shall be taken at an open meeting;

(2) limited personnel matters; provided that for purposes of the Open Meetings Act, "limited personnel matters" means the discussion of hiring, promotion, demotion, dismissal, assignment or resignation of or the investigation or consideration of complaints or charges against any individual public employee; provided further that this subsection is not to be construed as to exempt final actions on personnel from being taken at open public meetings; nor does it preclude an aggrieved public employee from demanding a public hearing. Judicial candidates interviewed by any commission shall have the right to demand an open interview;

(3) meetings for the discussion of bargaining strategy preliminary to collective bargaining negotiations between the policy-making body and a bargaining unit representing the employees of that policy-making body and collective bargaining sessions at which the policy-making body and the representatives of the collective bargaining unit are present;

(4) that portion of meetings at which a decision concerning purchases in an amount exceeding two thousand five hundred dollars (\$2,500) that can be made only from one source. The actual approval of purchase of the item is to be made in an open meeting;

(5) meetings subject to the attorney-client privilege pertaining to threatened or pending litigation in which the public body is or may become a participant;

(6) meetings for the discussion of the purchase, acquisition or disposal of real property or water rights by the public body; and

(7) those portions of meetings of committees or boards of public hospitals which receive less than fifty percent of their operating budget from direct public funds and appropriations where strategic and long-range business plans are discussed.

F. If any meeting is closed pursuant to the exclusions contained in Subsection E of this section, the closure:

(1) if made in an open meeting, shall be approved by a majority vote of a quorum of the policy-making body and the authority for the closure shall be stated in the motion calling for the vote on a closed meeting and the vote shall be taken in an open meeting and the vote of each individual member is to be recorded in the minutes. Only those subjects announced or voted upon prior to closure by the policy-making body may be discussed in a closed meeting; and

(2) if called for when the policy-making body is not in an open meeting, the closed meetings shall not be held until public notice, appropriate under the circumstances, stating the specific provision of the law authorizing the closed meeting is given to the members and to the general public.

History: 1953 Comp., § 5-6-23, enacted by Laws 1974, ch. 91, § 1; 1979, ch. 366, § 1; 1989, ch. 299, § 1.

The 1989 amendment, effective June 16, 1989, in Subsection A, added the first sentence, inserted "and the courts" in the third sentence, and added the last sentence; in the first sentence in Subsection B, inserted "including the development of personnel policy, rules, regulations or ordinances" near the middle and "of New Mexico" near the end, and added the last sentence; in Subsection C, added the last sentence; in Subsection D, in the next-to-last sentence, inserted "and shall be approved, amended or disapproved at the next meeting where a quorum is present"; in Subsection E(1), substituted all of the language beginning with "except that a hearing" for "unless a public hearing is requested by the licensee"; in Subsection E(2), inserted "limited" in two places near the beginning, substituted "the Open Meetings Act" for "this Act", and added the last sentence; in Subsection E(5), inserted "subject to the attorney-client privilege" and substituted "threatened" for "threat of litigation"; in Subsection E(6), inserted "or disposal"; added Subsection E(7); in Subsection F(1), added the last sentence; deleted

former Subsection F(3) which read "the provisions of this subsection shall not apply to meetings contemplated under Paragraph (5) of Subsection E of this section"; and made minor stylistic changes.

Purpose of the Open Meetings Act is to open the meetings of governmental bodies to public scrutiny by allowing public attendance at such meetings, not to unduly burden the appropriate exercise of governmental decision-making and ability to act. *Gutierrez v. City of Albuquerque*, 96 N.M. 398, 631 P.2d 304 (1981).

Effect on city-owned utility. - A city-owned electric utility corporation is a governmental board within a statute that requires the governing bodies of municipalities, etc., and all other governmental boards and commissions of state or its subdivisions that are supported by public funds to make all final decisions at meetings open to the public. *Raton Pub. Serv. Co. v. Hobbes*, 76 N.M. 535, 417 P.2d 32 (1966) (decided under prior law).

And on city board of education. - A city board of education is a policymaking body covered by the public meeting law. *State v. Hernandez*, 89 N.M. 698, 556 P.2d 1174 (1976).

Dental hygiene committee must comply fully with the Open Meetings Act. 1987 Op. Att'y Gen. No. 87-82.

To "attend and listen," as used in Subsection A, means that persons desiring to attend shall have the opportunity to do so, that no one will be systematically excluded or arbitrarily refused admittance, and that the meeting will not be "closed" to the public. *Gutierrez v. City of Albuquerque*, 96 N.M. 398, 631 P.2d 304 (1981).

Reasonable public access required. - A governmental entity must allow reasonable public access for those who wish to attend and listen to its proceedings. *Gutierrez v. City of Albuquerque*, 96 N.M. 398, 631 P.2d 304 (1981).

All stages to be open. - All stages of the meetings must be open to the public because if the body were allowed to conduct a closed meeting in the determination of a matter, and then merely open the meeting to the public and announce its decision, the clear intent of the legislature would be defeated. 1959-60 Op. Att'y Gen. No. 59-105 (decided under prior law).

Meeting with overflow crowd qualifies as open and public. - When the size of a crowd exceeds the capacity of the meeting place and every effort is made to allow those who cannot gain entrance to listen to the proceedings, the requirements of this article are satisfied and the meeting qualifies as both open and public. *Gutierrez v. City of Albuquerque*, 96 N.M. 398, 631 P.2d 304 (1981).

Where decisions made by telephone, etc. - Final decisions made by telephone, mail or telegraph are not made at a meeting open to the public within the meaning of the act. A

clear intention of the words "meeting open to the public" is to provide a situation where all of the attending members of the board or commission assembled together arrive at final decisions and determinations in such a manner as to allow the press and the general public to be present. Any other interpretation would defeat the legislative intent of the statute. 1959-60 Op. Att'y Gen. No. 59-105 (decided under prior law).

Recording and broadcasting of meetings. - News reporters may record public meetings and may later broadcast those recordings, if the recording process does not effectively interfere with certain legitimate governmental interests such as the need to provide for order, decorum, etc. 1973 Op. Att'y Gen. No. 73-10 (decided under prior law).

Example where notice reasonable. - Where notice of the meeting at which a board adopted regulations under the Environmental Improvement Act was mailed at least 10 days prior to the scheduled date to 64 individuals, committees and organizations (including the appellant who had and exercised the opportunity to appear at two preliminary meetings at which evidence was taken regarding the proposed regulations), the notice of these preliminary meetings was published in nine newspapers, a news release was issued on April 16, 1974, giving the time and place of the April 19 meeting and stating that the board would take action on proposed regulations for solid waste and New Mexico's ambient air standard for sulfur dioxide, notice of the meeting, citing a U.P.I. release, appeared in two other papers on April 18, 1974, and April 17, 1974, respectively, and moreover, April 19 was the regular monthly meeting date for the board, it was held that all of these efforts by the board constituted reasonable notice to the public within the meaning of this subsection. *New Mexico Mun. League, Inc. v. New Mexico Env'tl. Imp. Bd.*, 88 N.M. 201, 539 P.2d 221 (Ct. App.), cert. denied, 88 N.M. 318, 540 P.2d 248 (1975).

Reinstatement of termination proceedings after initial ones defective. - Where the original termination proceedings against a teacher were reversed based upon a procedural defect (failure to comply with this article), the school board was entitled to reinstate terminational proceedings, correct the procedural defect, and rely upon the same alleged acts of misconduct that had been relied upon in the original proceedings. *Board of Educ. v. Sullivan*, 106 N.M. 125, 740 P.2d 119 (1987).

Correction of procedural error. - A local school board's procedural error in, following private deliberations, issuing its written decision affirming a teacher's dismissal without convening an open meeting and without a public announcement of the vote, may be corrected by holding a prompt public meeting, affording the teacher an opportunity to be present, and publicly voting on and ratifying its decision. *Kleinberg v. Board of Educ.*, 107 N.M. 38, 751 P.2d 722 (Ct. App. 1988).

No general right of public sector collective bargaining. - It would be incorrect to infer that by including a provision allowing closed meetings to discuss strategy preliminary to collective bargaining negotiations, Paragraph E(3) of this section, the legislature recognized the general right of public sector collective bargaining. To the contrary, that provision was enacted only because the legislature specifically had authorized cities to

bargain collectively with transit workers in 3-52-14 to 3-52-16 NMSA 1978. 1987 Op. Att'y Gen. No. 87-41.

### **§ 10-15-1.1. Short title.**

Chapter 10, Article 15 NMSA 1978 may be cited as the "Open Meetings Act".

History: 1978 Comp., § 10-15-1.1, enacted by Laws 1979, ch. 366, § 2; 1989, ch. 299, § 2.

The 1989 amendment, effective June 16, 1989, substituted "Chapter 10, Article 15 NMSA 1978" for "Sections 10-15-1 through 10-15-4 NMSA 1978".

### **§ 10-15-2. State legislature; meetings.**

A. All meetings of a quorum of members of any committee or policymaking body of the state legislature held for the purpose of discussing public business or for the purpose of taking any action within the authority of or the delegated authority of such committee or body are declared to be public meetings open to the public at all times.

B. The provisions of Subsection A of this section shall not apply to matters relating to personnel, or matters adjudicatory in nature, or any bill, resolution or other legislative matter not yet presented to either house of the legislature or general appropriation bills.

C. For the purposes of this section, "meeting" means a gathering of the members called by the presiding officer of a standing committee.

History: 1953 Comp., § 5-6-24, enacted by Laws 1974, ch. 91, § 2.

Where open meetings not required. - The open meetings requirement as defined in this section does not apply to a caucus of the majority party of the house of representatives. 1976 Op. Att'y Gen. No. 76-21.

### **§ 10-15-3. Invalid actions; standing.**

A. No resolution, rule, regulation, ordinance or action of any board, commission, committee or other policy-making body shall be valid unless taken or made at a meeting held in accordance with the requirements of Section 10-15-1 NMSA 1978. Every resolution, rule, regulation, ordinance or action of any board, commission, committee or other policy-making body shall be presumed to have been taken or made at a meeting held in accordance with the requirements of Section 10-15-1 NMSA 1978.

B. All provisions of the Open Meetings Act [this article] shall be enforced by the attorney general or by the district attorney in the county of jurisdiction. However, nothing in that act shall prevent an individual from independently applying for enforcement through the district courts.

C. The district courts of this state shall have jurisdiction, upon the application of any person to enforce the purpose of the Open Meetings Act, by injunction, mandamus or other appropriate order. The prevailing party in that legal action shall be awarded court costs.

D. No section of the Open Meetings Act shall be construed to preclude other remedies or rights not relating to the question of open meetings.

History: 1953 Comp., § 5-6-25, enacted by Laws 1974, ch. 91, § 3; 1989, ch. 299, § 3.

The 1989 amendment, effective June 16, 1989, rewrote this section to the extent that a detailed comparison would be impracticable.

Employment offer from two commissioners. - The action of two county commissioners orally extending an offer of a two-year employment was without statutory authority because it was not made at a duly constituted meeting of the board and, thus, it was not a valid act capable of binding the county. *Trujillo v. Gonzales*, 106 N.M. 620, 747 P.2d 915 (1987).

#### **§ 10-15-4. Penalty.**

Any person violating any of the provisions of Section 10-15-1 or 10-15-2 NMSA 1978 is guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than five hundred dollars (\$500) for each offense.

History: 1953 Comp., § 5-6-26, enacted by Laws 1974, ch. 91, § 4; 1989, ch. 299, § 4.

The 1989 amendment, effective June 16, 1989, substituted "Section 10-15-1 or 10-15-2 NMSA 1978" for "Section 1 or 2 of this act" and "five hundred dollars (\$500)" for "one hundred dollars (\$100)".

## **Article 16**

## **Conflict of Interest**

### **§ 10-16-1. Short title.**

This act [10-16-1 to 10-16-15 NMSA 1978] may be cited as the "Conflict of Interest Act."

History: 1953 Comp., § 5-12-1, enacted by Laws 1967, ch. 306, § 1.

Scope of act. - The Conflict of Interest Act applies only to state agencies and that term would not include a county commission. 1969 Op. Att'y Gen. No. 69-135.

Effect on school districts. - It would not have been necessary to enact 22-21-1 NMSA 1978 of the public school code if the Conflict of Interest Act applied to school districts. 1969 Op. Att'y Gen. No. 69-19.

Employees of school districts do not hold a "state office." 1969 Op. Att'y Gen. No. 69-19.

Members of racing commission are within purview of conflict laws as employees. 1979 Op. Att'y Gen. No. 79-15.

New Mexico municipal self-insurers' fund. - The New Mexico municipal self insurers' fund, formed under the provisions of 11-1-3 NMSA 1978, authorizing governing bodies to exercise joint powers, and Article 62, Chapter 3 NMSA 1978, governing municipal insurance, is an "agency," as defined in this section and is, therefore, subject to audit by the state auditor under 12-6-3 NMSA 1978. 1987 Op. Att'y Gen. No. 87-65.

### **§ 10-16-3. Gifts.**

A. No employee or legislator shall request or receive and accept a gift or loan for himself or another if:

(1) it tends to influence him in the discharge of his official acts; or

(2) he, within two years, has been involved in any official act directly affecting the donor or lender or knows that he will be involved in any official act directly affecting the donor or lender.

B. This section does not apply in the case of:

(1) an occasional nonpecuniary gift, insignificant in value;

(2) an award publicly presented in recognition of public service;

(3) a commercially reasonable loan made in the ordinary course of business by an institution authorized by the laws of the state to engage in the business of making loans;

Free passes for racing commissioners disallowed. - When the members of the racing commission distribute free passes which the tracks must honor they are requesting a benefit for themselves or for those upon whom they wish to confer a benefit from persons who are directly affected by their official acts, which is the kind of activity the Conflict of Interest Act is intended to prevent. 1979 Op. Att'y Gen. No. 79-15.

Public Employees Retirement Board members could not accept expense-paid trip. - Public Employees Retirement Board members could not accept an offer of an expense-paid trip to Columbus, Ohio to be hosted by Public Employees Benefit Services Corporation. 1989 Op. Att'y Gen. No. 89-21.

#### **§ 10-16-4. Disqualification.**

A. An employee shall disqualify himself from participating in any official act directly affecting a business in which he has a financial interest.

B. If the public interest so requires, the governor may make an exception from this section for an employee, by expressing the exception and the reasons for it in writing. The exception shall be effective when the employee files this writing with the secretary of state.

History: 1953 Comp., § 5-12-4, enacted by Laws 1967, ch. 306, § 4.

State Transportation Authority member should recuse himself when a conflict arises between the authority's official acts and his own financial interests. When the public interest requires the participation of a member who has a conflict of interest with the particular official act, the member should ask the governor for a specific exception. If the public interest so requires, the governor should grant the exception. 1987 Op. Att'y Gen. No. 87-71.

History: 1953 Comp., § 5-12-5, enacted by Laws 1967, ch. 306, § 5.

### **§ 10-16-6. Confidential information.**

History: 1953 Comp., § 5-12-6, enacted by Laws 1967, ch. 306, § 6.

### **§ 10-16-7. Contracts involving employees.**

A state agency shall not enter into any contract with an employee of the state or with a business in which the employee has a controlling interest, involving services or property of a value in excess of one thousand dollars (\$1,000), when the employee has disclosed his controlling interest unless the contract is made after public notice and competitive bidding; provided that this section does not apply to a contract of official employment with the state or to contracts made pursuant to the provisions of the University Research Park Act [21-28-1 to 21-28-25 NMSA 1978].

History: 1953 Comp., § 5-12-7, enacted by Laws 1967, ch. 306, § 7; 1983, ch. 90, § 1; 1989, ch. 264, § 26.

The 1989 amendment, effective April 5, 1989, added all of the language beginning with "or to contracts" at the end of the section.

### **§ 10-16-8. Contracts involving former employees.**

A state agency shall not enter into a contract with, nor take any action favorably affecting, any person or business which is:

A. represented personally in the matter by a person who has been an employee of the state within the preceding year if the value of the contract or action is in excess of one thousand dollars (\$1,000) and the contract is a direct result of an official act by the employee; or

B. assisted in the transaction by a former employee of the state whose official act, while in state employment, directly resulted in the agency's making that contract or taking that action.

History: 1953 Comp., § 5-12-8, enacted by Laws 1967, ch. 306, § 8; 1983, ch. 90, § 2.

## **§ 10-16-9. Contracts involving legislators.**

A state agency shall not enter into any procurement contract for services, construction or items of personal property with a legislator or with a business in which the legislator has controlling interest, in excess of one thousand dollars (\$1,000), where the legislator has disclosed his controlling interest unless the contract is made after public notice and competitive sealed bidding or competitive sealed proposal in accordance with the provisions of the Procurement Code.

History: 1953 Comp., § 5-12-9, enacted by Laws 1967, ch. 306, § 9; 1989, ch. 143, § 1.

The 1989 amendment, effective June 16, 1989, substituted the present provisions for "A state agency shall not enter into any contract of purchase with a legislator or with a business in which such legislator has controlling interest, involving services or property in excess of one thousand dollars (\$1,000) where the legislator has disclosed his controlling interest, unless the contract is made after public notice and competitive bidding. As used in this section contract shall not mean a lease."

School districts are "state agencies" covered by the Conflict of Interest Act. 1989 Op. Att'y Gen. No. 89-34.

Legislator is subject to restrictions when he sells products. - A legislator can sell products to a state agency on an open account or collect-on-delivery basis only under contracts of less than \$1,000.00. In addition, a legislator would remain subject to N.M. Const., art. IV, § 28, so that he could not make any sales during his term or one year afterwards if the sales were authorized by law during his term. 1989 Op. Att'y Gen. No. 89-34.

Legislator may bid on state contracts, if there was public notice of the bid and the bidding was competitive. 1967 Op. Att'y Gen. No. 67-133.

Company owned by legislator may bid on state contracts. - Unless otherwise prohibited by N.M. Const., art. IV, § 28, a company owned by a legislator may bid on contracts to supply state agencies with materials and supplies under the competitive bid process set forth in the Procurement Code. 1989 Op. Att'y Gen. No. 89-34.

A legislator's company can bid as general contractor on state construction projects only if the project was not authorized during, or within one year of, his service in the legislature. If the contract the legislator's company bids on is one authorized by statutes enacted more than one year before his service in the legislature and is worth more than \$1,000.00, then he must give public notice of his bid and the state agency must comply with the special procedures contained in the Conflict of Interest Act. 1989 Op. Att'y Gen. No. 89-34.

When business owned by legislator acts as subcontractor. - If a business owned by a legislator bids on a contract with the state as a subcontractor and is a party to the contract, then the business is subject to the same limitations that apply when it acts as general contractor. If, however, the business only contracts with the general contractor and does not enter into any contract with the state, then the restrictions of this section no longer control. However, even though a subcontractor may not be subject to the Conflict of Interest Act, it still may be indirectly interested in a state contract and subject to the prohibition contained in N.M. Const., art. IV, § 28. 1989 Op. Att'y Gen. No. 89-34.

Public defenders. - New Mexico Const., art. IV, § 28 would prohibit contract between public defender department and legislator if the legislator was in office in 1968 when the original Indigent Defense Act was passed, regardless of whether public notice and competitive bidding are used. 1979 Op. Att'y Gen. No. 79-23.

The public defender's office may not award state representatives professional service contracts unless solicitation for competitive bids is done, in accordance with the Procurement Code. 1987 Op. Att'y Gen. No. 87-67.

Legislator is not prevented from serving as member of peanut commission by this section. 1979 Op. Att'y Gen. No. 79-34.

Conflict of interest is not affected if bond proceeds involved. - Any potential conflict of interest is not affected if a contract or project is funded with local bond proceeds rather than state money. 1989 Op. Att'y Gen. No. 89-34.

## **§ 10-16-10. Disclosures.**

A. Every employee who has a financial interest which he believes or has reason to believe may be affected by actions of the state agency by which he is employed shall disclose the precise nature and value of such interest. The disclosures shall be made in writing to the secretary of state before entering state employment, and during the month of January every year thereafter.

B. Every legislator who has a controlling interest or a financial interest exceeding ten thousand dollars (\$10,000) in a business which is regulated by official acts of the state shall disclose the precise nature and value of such interest. Disclosure shall be made to the secretary of state during the month of January of each year of the term for which he was elected.

C. The information on the disclosures, except for the valuations attributed to the reported interests, shall be made available by the secretary of state for inspection to any citizen of this state. The valuation shall be confidential except for official removal or impeachment proceedings.

D. Except for legislators or employees removable only by impeachment, the filing of

disclosures pursuant to this section is a condition of entering upon and continuing in state employment.

History: 1953 Comp., § 5-12-10, enacted by Laws 1967, ch. 306, § 10.

### **§ 10-16-11. Codes of conduct.**

A. The head of every executive agency and institution of the state shall draft a code of conduct for all employees in that agency or institution. The code of conduct shall prescribe standards in addition to those set forth in the Conflict of Interest Act [10-16-1 to 10-16-15 NMSA 1978] which are peculiar and appropriate to the function and purpose for which the agency or institution was created or exists. Such codes, upon approval of the governor, shall further govern the conduct of the employees of that agency or institution, and except for those employees removable only by impeachment, shall, if violated, constitute cause for dismissal, demotion or suspension. All codes approved by the governor shall be filed with the secretary of state and shall be open to public inspection.

B. Codes of conduct shall be reviewed from time to time, and amendments submitted to the governor for his approval, and after approval the amended code shall be filed as provided in Subsection A of this section.

C. Codes of conduct shall be submitted by the head of every executive agency and institution of the state to the governor by September 1, 1969.
