Establishing physical presence. — Under Subsections C and H of this section, a person who does not have a sufficient physical presence in a place to qualify that place as an abode or a habitation (i.e., as a place where the person lives or resides, even if only part-time) must establish such a physical presence in the place - that is, he must "remove" to the place - before his voting residence can be changed to that place. *Klumker v. Van Allred*, 1991-NMSC-045, 112 N.M. 42, 811 P.2d 75.

Loss of residence status. — A person who physically leaves the county where he has resided and then votes or qualifies to vote outside that county loses his residence in that county for voting purposes. *Klumker v. Van Allred*, 1991-NMSC-045, 112 N.M. 42, 811 P.2d 75.

Multiple residences not precluded. — This section and 1-1-7.1 NMSA 1978 merely codify the supreme court's pronouncement in *State ex rel. Magee v. Williams*, 1953-NMSC-082, 57 N.M. 588, 261 P.2d 131, and do not preclude the possibility of multiple residences. *Apodaca v. Chavez*, 1990-NMSC-028, 109 N.M. 610, 788 P.2d 366.

Family home as permanent residence. — Political candidate's Santa Fe county family home remained his permanent residence, even though he maintained a home in Rio Arriba county where he resided with his wife and two children. *Apodaca v. Chavez*, 1990-NMSC-028, 109 N.M. 610, 788 P.2d 366.

Residence for voting similar to residence for jury service. — There is a similarity between residence for the purpose of voting and residence for the purpose of serving as a juror. *State v. Watkins*, 1979-NMCA-003, 92 N.M. 470, 590 P.2d 169.

Right of Indian to vote. — There is nothing in the constitution or the statutes which prohibits an Indian from voting in a proper election, provided he fulfills the statutory requirements required of any other voter. *Montoya v. Bolack*, 1962-NMSC-073, 70 N.M. 196, 372 P.2d 387.

Reservation deemed residence for voting purposes. — A reservation lying within geographic boundaries of the state is a part of the state, and residence for voting purposes, within the meaning of the constitution, follows. *Montoya v. Bolack*, 1962-NMSC-073, 70 N.M. 196, 372 P.2d 387.

Polling places may be placed on reservations. — Inasmuch as there is residence on a reservation for voting purposes, there is no prohibition to the location of polling places thereon. *Montoya v. Bolack*, 1962-NMSC-073, 70 N.M. 196, 372 P.2d 387.

Vote cast outside residence of voter is void; it must be cast in person in the precinct in which the voter has resided for the preceding 30 days. *State ex rel. Bd. of Cnty. Comm'rs v. Board of*

Franchise cannot be conferred on nonresident. — Former statute purporting to make residents living on condemned lands residents of New Mexico in the constitutional sense did not aid person living on condemned lands at Los Alamos project, since legislature could not constitutionally confer the elective franchise on persons whose legal status was that of a nonresident. *Arledge v. Mabry*, 1948-NMSC-047, 52 N.M. 303, 197 P.2d 884.

Those residing on former public domain land may exercise elective franchise in both state and federal elections, since the state retained jurisdiction over the area not inconsistent with federal use. 1964 Op. Att'y Gen. No. 64-123.

No residence on purchased without consent of state. — Those people residing on land obtained by the United States through the constitutional method may not establish their residency so as to become electors; those residing on lands obtained by purchase without obtaining the consent of the state are in a similar position. 1964 Op. Att'y Gen. No. 64-123.

Establishing residence. — "Residence" for voting and election purposes is established initially by actual residence and intent to make that place a home. After "residence" is thus established, the person may move elsewhere, and if he intends to return, his "residence" for voting and election purposes remains as established. 1956 Op. Att'y Gen. No. 56-6445.

For those residing upon lands within military installations which formerly were part of public domain, "residence" for voting purposes could be established thereon. The reasoning behind this conclusion is that the state of New Mexico, as to these lands, exercised concurrent jurisdiction with the federal government even though title was held by the federal government. 1956 Op. Att'y Gen. No. 56-6425.

Term "residence" has been defined as being synonymous with home or domicile denoting the permanent dwelling place to which a party, when absent, intends to return and also as "that place wherein he legally resides and has his domicile and from which, when temporarily absent, he intends to return." 1956 Op. Att'y Gen. No. 55-6208.

1-1-7.2. Petitions; nominations; signatures to be counted.

A. A person who signs a nominating petition shall sign only one petition for the same office unless more than one candidate is to be elected to that office, and in that case, a person may sign not more than the number of nominating petitions equal to the number of candidates to be elected to the office.

B. A person who signs a nominating petition shall indicate the person's registration address. If the person does not have a standard street address, the person may provide the mailing address as shown on the person's certificate of registration.

C. A signature shall be counted on a nominating petition unless there is evidence presented that the petition does not provide the information required by the nominating petition for each person signing or the person signing:

(1) is not a voter of the state, district, county or area to be represented by the office for which the person seeking the nomination is a candidate;

(2) has signed more than one petition for the same office, except as provided in Subsection A of this section, and if the person has signed more than one petition for the same office and in the same election cycle, none of the challenged signatures from that person shall count toward the total number of signatures required for any candidate for that office;

(3) has signed one petition more than once, in which case only one signature from that person shall count toward the total number of signatures required for that candidate for office;

(4) in a primary election, is not of the same political party as the candidate named in the nominating petition as shown by the signer's certificate of registration; or

(5) is not the person whose name appears on the nominating petition.

D. The procedures set forth in this section shall be used to validate signatures on any petition required by the Election Code, except that Paragraph (4) of Subsection C of this section

shall not apply to petitions filed by unaffiliated candidates or petitions filed by candidates of minor political parties.

E. No later than January 1, 2024, the secretary of state shall implement a secure internet application, in addition to the paper circulation process, to gather electronic signatures in accordance with rules developed by the secretary of state. The secure internet application shall provide for the ability to verify that a person signing the petition is a registered voter and is eligible to sign the petition for a particular candidate.

History: 1953 Comp., § 3-8-24.2, enacted by Laws 1973, ch. 228, § 5; 1975, ch. 255, § 109; 1975, ch. 295, § 16; 1979, ch. 378, § 7; 1985, ch. 207, § 8; 1993, ch. 314, § 47; 1993, ch. 316, § 47; 1999, ch. 267, § 27; 2011, ch. 137, § 58; 2017, ch. 101, § 10; 1978 Comp., §1-8-31, recompiled and amended as § 1-1-7.2 by Laws 2019, ch. 212, § 9; 2023, ch. 39, § 4.

ANNOTATIONS

Recompilations. — Laws 2019, ch. 212, § 9 recompiled and amended former 1-8-31 NMSA 1978 as 1-1-7.2 NMSA 1978, effective April 3, 2019.

The 2023 amendment, effective June 16, 2023, required the secretary of state to implement a secure internet application to gather electronic signatures, which shall provide for the ability to verify that a person signing the petition is a registered voter and is eligible to sign the petition for a particular candidate; and added Subsection E.

The 2019 amendment, effective April 3, 2019, revised the procedures for counting signatures on a nominating petition; in the section heading, deleted "Nominating petition" and added "Petitions; nominations"; in Subsection C, after "evidence presented that", added "the petition does not provide the information required by the nominating petition for each person signing or", deleted former Paragraph C(1) and redesignated former Paragraphs C(2) and C(3) as Paragraphs C(1) and C(2), in Paragraph C(2), after "Subsection A of this section", deleted "or has signed one petition more than once" and added the remainder of the paragraph, added a new Paragraph C(3), in Paragraph C(4), added "in a primary election"; and deleted former Subsections D and E and redesignated former Subsection F as Subsection D.

The 2017 amendment, effective June 16, 2017, changed the requirements for the invalidation of nominating petitions; in the catchline, deleted "Primary Election Law"; in Subsection C, deleted Paragraph C(1), which stated "was not a registered member of the candidate's political party ten days prior to the filing of the nominating petition", and redesignated the succeeding paragraphs accordingly; in Subsection D, provided paragraph designations for each item that must be listed at the top of a nominating petition, in Paragraph D(2), after "the candidate's name", deleted "the candidate's address, the candidate's county of residence and", in Paragraph D(3), after "office sought by the candidate", deleted "which shall include", and added "and", in Paragraph D(4), after "the district", deleted "or division", after "office sought", added "or", and after "if", deleted "applicable" and added "the office sought is a judicial division office within a judicial district, the judicial division number"; designated the last sentence in former Subsection D as Subsection E and redesignated former Subsection E as Subsection F; in Subsection E, added "With or without a showing of fraud or reasonable opportunity for fraud", after "invalid if any of the", deleted "preceding", after "information", added "required by Subsection D of this section", after "not listed", added "on the petition", and after "if any of the",

deleted "preceding" and added "required"; and in Subsection F, after "except that", deleted "Paragraphs (1) and (5)" and added "Paragraph (4)".

The 2011 amendment, effective July 1, 2011, added Subsection D to list the information that is required to be listed on the nominating petition before it is signed by a voter.

The 1999 amendment, effective June 18, 1999, added Subsection B, and redesignated subsequent subsections accordingly; in Subsection C, added Paragraph (1), redesignated subsequent paragraphs accordingly, and added the language ending "the person is qualified" at the beginning of Paragraph (2); and added the exception to Subsection D.

The 1993 amendment, effective June 18, 1993, substituted "certificate" for "affidavit" in Subsection B(3).

Burden of proof. — The burden is on the challenger to demonstrate that specific signatures should not be counted in a primary election nominating petition. *Ruiz v. Vigil-Giron*, 2008-NMSC-063, 145 N.M. 280, 196 P.3d 1286.

Failure to fill in entire line. — This section does not include as a reason for disqualification the failure to fill in all blanks in a nominating petition. *Simmons v. McDaniel*, 1984-NMSC-049, 101 N.M. 260, 680 P.2d 977 (decided prior to 1999 amendment).

Scope of section. — Although the title of this section is "Primary Election Law; nominating petition; signatures to be counted," it is obvious from the explicit language of Subsection C [now Subsection D] that the legislature intended this section to apply to all petitions required by the Election Code, including ballot access petitions. *Workers World Party v. Vigil-Giron*, 693 F. Supp. 989 (D.N.M. 1988).

Variance between petition and registration. — This section does not include as a reason for disqualification the failure to provide on the petition the signatory's name or address printed as registered. Therefore, where a county clerk automatically excluded signatures of registered voters whose names and addresses on the petitions varied somewhat or differed from their affidavits of registration, there was a failure to comply with the statutory requirements. *Workers World Party v. Vigil-Giron*, 693 F. Supp. 989 (D.N.M. 1988).

Signature to contain address, etc., to be valid. — Any signature on a nominating petition not containing the address, county and precinct number of the elector is invalid. 1952 Op. Att'y Gen. No. 52-5486 (opinion rendered under former law).

1-1-8. Election returns.

As used in the Election Code [Chapter 1 NMSA 1978], "election returns" means the certificate of the precinct board [election board] showing the total number of votes cast for each candidate, or for or against each proposed constitutional amendment or other question, and may include statements of canvass, signature rosters, poll books, tally books, machine printed returns and, in any canvass of returns for county candidates, the original certificates of registration in the possession of the county clerk, together with the copies of certificates of registration in the office of the county clerk.

History: 1953 Comp., § 3-1-7, enacted by Laws 1969, ch. 240, § 7; 1977, ch. 222, § 2; 1993, ch. 314, § 2; 1993, ch. 316, § 2.

ANNOTATIONS

Bracketed material. — The bracketed material was inserted by the compiler and is not part of the law.

Laws 2019, ch. 212, § 283, effective April 3, 2019, provided that references in the Election Code to "precinct board", shall be deemed to be references to "election board", as that term is defined in Section 1-1-13 NMSA 1978.

1993 amendments. — Identical amendments to this section were enacted by Laws 1993, ch. 314, § 2 and Laws 1993, ch. 316, § 2, both effective June 18, 1993, which substituted "certificates" for "affidavits" following "original" and "copies of certificates" for "duplicate affidavits". The section was set out as amended by Laws 1993, ch. 316, § 2. See 12-1-8 NMSA 1978.

Actual ballots not included. — The county canvassing board is limited by 1-13-4 and 1-13-5 NMSA 1978 to examining only the "election returns." This does not include the actual ballots. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Copies of registration lists not included. — Under former Election Code, definition of "returns" did not include certified copies of registration lists filed with secretary of state. *Chavez v. Hockenhull*, 1934-NMSC-093, 39 N.M. 79, 39 P.2d 1027.

Poll lists and tally sheets were considered part of returns for purposes of former provisions dealing with correction of returns and county canvassing board certificates by order of state canvassing board. *Chavez v. Hockenhull*, 1934-NMSC-093, 39 N.M. 79, 39 P.2d 1027.

History: 1953 Comp., § 3-1-10, enacted by Laws 1969, ch. 240, § 10; 2019, ch. 212, § 5.

ANNOTATIONS

Cross references. — For nature of precinct, see 1-3-1 NMSA 1978.

The 2019 amendment, effective April 3, 2019, revised the definition of "precinct" as used in the Election Code; and after "county for election", added "and redistricting", and after "purposes", deleted the remainder of the section, which related to a polling place and precinct board for each precinct.

Polling place required. — If a precinct, or any portion thereof, is involved in any election whatsoever in this state, at least one polling place must be provided therein, and all of the voters in that precinct involved in the election must be permitted and required to vote in that polling place. 1954 Op. ANNOTATIONS

Cross references. — For consolidation of precincts, see 1-3-4 and 1-3-5 NMSA 1978.

Temporary provisions. — Laws 2023, ch. 39, § 97 provided that each election day polling place established in the 2021 polling place resolution for each county or any election day polling place established by any subsequent amendment to such a resolution shall operate as a voter convenience center for all statewide elections in calendar year 2023.

The 2019 amendment, effective April 3, 2019, revised the definition of "consolidated precinct" as used in the Election Code; in Subsection A, after "means", added "a single precinct or", and after "polling place", added "for the purpose of establishing a voter convenience center"; and in

Subsection B, after "are used", added "to establish a voter convenience center", and after the next occurrence of "in", deleted "an" and added "a statewide".

The 2011 amendment, effective July 1, 2011, corrected the statutory reference to the method of consolidating precincts and clarifies the meaning of "precincts".

The 2011 amendment, effective July 1, 2011, defined "poll workers" and added absent voter precincts and alternative voting locations to the list of voting places.

"Precinct board" does not include county clerk. — For the purposes of the Election Code, "precinct board" means the appointed election officials serving a single precinct or a

consolidated precinct and does not include the county clerk. *Gunaji v. Macias*, 2001-NMSC-028, 130 N.M. 734, 31 P.3d 1008.

1-1-14. Publication.

A. As used in the Election Code, "publication", unless otherwise provided in the constitution of New Mexico or the Election Code, means publication for the required number of times in a newspaper of general circulation in the county. Bracketed material. — The bracketed material was inserted by the compiler and is not part of the law.

Laws 2019, ch. 212, § 283, effective April 3, 2019, provided that references in the Election Code to "precinct board", shall be deemed to be references to "election board", as that term is defined in Section 1-1-13 NMSA 1978.

The 2011 amendment, effective July 1, 2011, eliminated the secretary of state's obligation to assist in the recruitment and training of poll workers and other election workers and in the certification of presiding judges of precinct boards.

The 2005 amendment, effective July 1, 2005, in Subsection I, provided that the secretary of state shall assist county clerks in the recruitment and training of poll workers and other election workers and in the certification of the presiding judges of the precinct boards and deleted the former provision that the secretary of state shall assist in the education and training of precinct boards.

The 1995 amendment, effective April 6, 1995, deleted "deputy" preceding "registration" in Subsection I.

Mandamus appropriate on issue of proper way to conduct primary election. — Where petitioners, twenty-seven county clerks, and respondent, the New Mexico secretary of state, submitted a stipulated petition for an emergency writ to compel the secretary of state to mail absentee ballots directly to all registered voters in lieu of conducting in-person voting for the June 2020 primary election, claiming that the primary election was scheduled amidst a global pandemic and national statewide public health emergency, that in-person voting could not be conducted safely under those circumstances, and that the requested relief was necessary to protect the health of election workers, voters, and the general public, and where intervenors argued that the Election Code, §§ 1-1-1 to 1-26-6 NMSA 1978, does not allow elections to be conducted entirely by mail and that it would violate separation of powers principles for a non-legislative branch of government to implement an alternative election procedure, mandamus was appropriate because the case involved a fundamental constitutional question of great public importance, involved a legal rather than a factual dispute, and required an expeditious resolution. *State ex rel. Riddle v. Toulouse Oliver*, 2021-NMSC-018.

The New Mexico secretary of state had a nondiscretionary duty to ensure that the 2020 primary election held during a pandemic was conducted in compliance with the Election Code and executive and public health orders. — Where petitioners, twenty-seven county clerks, and respondent, the New Mexico secretary of state, submitted a stipulated petition for an emergency writ to compel the secretary of state to mail absentee ballots directly to all registered voters in lieu of conducting in-person voting for the June 2020 primary election, claiming that the primary election was scheduled amidst a global pandemic and national statewide public health emergency, that in-person voting could not be conducted safely under those circumstances, and that the requested relief was necessary to protect the health of election workers, voters, and the general public, and where intervenors argued that the Election Code, §§ 1-1-1 to 1-26-6 NMSA 1978, does not allow elections to be conducted entirely by mail and that it would violate separation of powers principles for a non-legislative branch of government to implement an alternative election procedure, the New Mexico supreme court denied petitioners' and respondent's requested relief because the Election Code does not permit the secretary of state to mail absentee ballots directly to voters without a prior request from the voter, but the supreme court issued its writ of mandamus to compel the secretary of state to mail absentee ballot applications to every eligible voter in New Mexico, because the secretary of state had an affirmative duty to conduct elections in full compliance with the Election Code, which requires that all statewide primary and general elections offer both in-person voting and absentee voting options, and an affirmative duty to comply with all pandemic-related executive and public health orders, which required the secretary of state to take all lawful steps to minimize the spread of COVID-19. As the chief election officer of the state, respondent had a duty to manage the election in a manner that minimized the risk of spreading COVID-19 and in a manner that protected lives by helping voters stay home as much as possible. *State ex rel. Riddle v. Toulouse Oliver*, 2021-NMSC-018.

B. A person who determines that there is a violation or that a violation is about to occur pursuant to this section may file a complaint with the secretary of state. Complaints may be consolidated by the secretary.

Legislature did not intend using school buildings as polling place except upon approval. — The legislature did not intend that the institutional buildings of the New Mexico school for the visually handicapped be made available as voting sites for election purposes when the board of

regents of such institution determines otherwise. While it is not mandatory that the board of regents of such institution provide a building for use in connection with the holding of elections within the precinct or election district, it should be noted, however, that buildings of such institution or a portion of such institution may, upon approval of the board of regents of the institution, be made available as an election site whenever the board of regents may grant such permission. However, the using of such property of the New Mexico school for the visually handicapped as an election polling place would be contingent upon the approval by the board of regents of the institution and their determination that such use would not endanger the lives and safety of the students of the school. 1961 Op. Att'y Gen. No. 61-130.

Voting machines do not change requirement that polling place to accommodate voters.

— Notwithstanding the fact that voting machines may accommodate more than 600 voters, enactment of Laws 1951, ch. 192 (now repealed) did not supersede or repeal 3-2-1, 1953 Comp., requiring county commissioners to divide precincts and voting districts so that no polling place will be required to accommodate more than 600 voters. 1952 Op. 1-3-6. Precincts; boundaries; protest.

A. Any twenty-five or more voters of a precinct dissatisfied with the boundaries fixed for a precinct or location of the polling place designated by the board of county commissioners for that precinct may, within one hundred eighty days from the date a change to the boundaries of a precinct was approved in the case of a protest to the boundaries of a precinct, or at any time not less than one hundred twenty days prior to any statewide election, petition the district court of that county, setting forth the facts and reasons for their dissatisfaction and requesting that the board of county commissioners be required by mandamus to change the boundaries or polling place as set forth in the petition.

The 1995 amendment, effective June 16, 1995, substituted "twenty-five" for "ten" in Subsection A.

Petition to be filed 45 days prior to general election regardless of primary date. — This statute is specific in referring to a general election. However, it is also specific in providing that the petition may be filed at any time not less than 45 days prior to the general election. In speaking of the time within which the commissioners may themselves order an abolishment or boundary change of a precinct or election district, the statute requires that action be taken not less than four months prior to any election. When speaking of the time within which a petition must be filed by dissatisfied electors, the statute uses the term general election. There obviously was an intention on the part of the legislature to make a distinction. The term "general election" has an obvious meaning. Therefore, the petition may be filed at any time not less than 45 days prior to the general election regardless of the time relation between the date the petition is filed and the date of the primary. 1962 Op. Att'y Gen. No. 62-43 (opinion rendered under former law).

B. The board of county commissioners shall designate as the polling place or places, as the case may be, in each precinct, other than a mail ballot election precinct, the most convenient and suitable public building or public school building in the precinct that can be obtained.

For constitutional provision regarding registration of qualified electors, see N.M. Const., art. VII, § 1.

Special school bond election is not a "special election" or a "municipal election" within statutes so that the word "election" should apply to all special and municipal elections and so that no person should vote in any special or municipal election unless registered, and voters otherwise qualified were entitled to vote in special school bond election, although not registered. *Johnston v. Board of Educ.*, 1958-NMSC-141, 65 N.M. 147, 333 P.2d 1051.

Meaning of "registrant". — One not registered as a democrat is not entitled to vote in democratic primary as he was not a "registrant" within this section. *Reese v. Dempsey*, 1944-NMSC-039, 48 N.M. 417, 152 P.2d 157.

Irregular registration does not affect status when evidence showed registrant and voter to be same. — Strong case was presented for holding that irregularity in registration did not affect the status of voters as being duly registered where trial court found on substantial evidence that person voting and person registered were one and the same. *Miera v. Martinez*, 1944-NMSC-005, 48 N.M. 30, 145 P.2d 487.

Enforcement not duty of state canvassing board. — Enforcement of mandate against voting by unregistered persons and counting the ballots of such persons is not the duty of state canvassing board. *Chavez v. Hockenhull*, 1934-NMSC-093, 39 N.M. 79, 39 P.2d 1027.

Registration requirements directory. — Although registration of voters was calculated to prevent fraud, yet the requirements were held to be directory. *State ex rel. Walker v. Bridges*, 1921-NMSC-041, 27 N.M. 169, 199 P. 370.

Irregular election not wholly void when voters present affidavits with ballots. — An election held without appointment of board of registration and registration of voters, while irregular, is not wholly void, since voters participating therein presented the affidavits required by law to the judges of election along with their ballots. *State ex rel. Walker v. Bridges*, 1921-NMSC-041, 27 N.M. 169, 199 P. 370.

Requirements and qualifications for voting at municipal elections are same as those for general elections. 1964 Op. Att'y Gen. No. 64-33.

If voter otherwise qualified. — Registration for voting was not a necessary prerequisite to vote in a school bond election if the voter was otherwise qualified to vote in such election. 1964 Op. Att'y Gen. No. 64-27.

Permissible to copy voter registration records. — It is permissible for an individual or a company such as an abstractor to photocopy voter registrations in the offices of the county clerks so long as adequate precautions are taken to insure the integrity of the records and to preserve their availability for inspection by others. 1959 Op. Att'y Gen. No. 59-170.

Section to be construed liberally. — Registration is required in order to exercise the privilege to vote, and it is a well accepted principle that registration statutes should be construed liberally in favor of the franchise. 1959 Op. Att'y Gen. No. 59-169.

Purpose of section to obtain complete registration. — It is the purpose of this section to obtain as complete a registration as possible. In keeping with this policy, the county clerks or registration officials have discretion in the matter of delivering affidavits of registration to responsible persons in order to effectuate a more complete registration of those entitled to vote. 1959 Op. Att'y Gen. No. 59-169.

The county clerk shall not disclose information received from the secretary of state pursuant to this subsection except as necessary to complete an investigation pursuant to this section. The county clerk shall investigate or reconcile the information received from the secretary of state.

E. The secretary of state shall develop a general program that is uniform and nondiscriminatory for county clerks to investigate and reconcile the information received from the secretary of state and to identify voters who may be eligible for cancellation from the statewide voter registration list. Twenty-eight day registration requirement is not unconstitutional. — Where plaintiff sued the secretary of state and the Bernalillo county clerk, seeking an injunction to enjoin them from prohibiting voters who declined to designate their political affiliation from voting during the primary election, the district court did not err in granting the motion to dismiss plaintiff's complaint, because New Mexico's twenty-eight day registration requirement, 1-4-5.1(F) NMSA 1978, is not too burdensome and does not unconstitutionally infringe on the right to vote because it does not totally deny the electoral franchise to any particular class of residents. *Crum v. Duran*, 2017-NMSC-013.

D. Pursuant to Sections 1-4-47 and 1-4-47.1 NMSA 1978, a qualified elector may become registered to vote by automatic voter registration at the motor vehicle division of the taxation and revenue department or other state or local public offices designated by the secretary of state.

ANNOTATIONS

Recompilations. — Laws 2011, ch. 137, § 109 recompiled former 1-5-24 NMSA 1978 as 1-4-5.5 NMSA 1978 effective July 1, 2011.

The 2015 amendment, effective July 1, 2015, added definitions for "election campaign purposes", "governmental purposes", "mailing labels", "special voter list" and "voter data"; and added Subsection E.

Election Code does not prohibit the publication of voter data online. — Where plaintiff, a voting advocacy organization which sought to publish voter data on its website, brought a federal civil action against the New Mexico Attorney General and the New Mexico Secretary of State, alleging that the secretary of state's interpretations of statutory restrictions on the use of voter data violated the First and Fifth Amendments to the United States Constitution, and where plaintiff moved for a preliminary injunction seeking to enjoin the attorney general and the secretary of state from prohibiting plaintiff from disseminating or using New Mexico voter information for purposes related to election integrity, and from prosecuting plaintiff for unlawful use of voter data, the court held that plaintiff was entitled to a preliminary injunction, because plaintiff's election-related work in analyzing and evaluating the secretary of state's work related to the operation of a state government, and is, therefore, a "governmental purpose" as defined in this section, and plaintiff's crowd-sourcing work, which encouraged users to check their own and others' voter data and inform the secretary of state of any errors they find also falls within this section's broad definition of "governmental purposes". New Mexico's Election Code does not prohibit plaintiff, or any organization, from posting voter data online, so long as the organization does not publish voters' birth information or any portion of a voter's social security number. *Voter Reference Found., LLC v. Balderas*, ___ F. Supp.3d ___ (10th Cir. 2022).

1-4-5.6. Unlawful use or disposition of voter data, mailing labels or special voter lists; penalties.

A. Unlawful use of voter data, mailing labels or special voter lists consists of:

(1) the knowing and willful selling, loaning, providing access to or otherwise surrendering of voter data, mailing labels or special voter lists by a person for purposes prohibited by the Election Code; or

(2) causing voter data, mailing labels or special voter lists or any part of the voter data, mailing label or special voter lists that identifies, or that could be used to identify, a specific voter or the voter's name, mailing or residence address to be made publicly available on the internet or through other means.

B. Any person, organization or corporation or agent, officer, representative or employee thereof who commits unlawful use of voter data, mailing labels or special voter lists is guilty of a fourth degree felony and upon conviction shall be fined one hundred dollars (\$100) for each line of voter information that was unlawfully used.

C. Each unlawful use of voter data, mailing labels or special voter lists constitutes a separate offense.

The 2023 amendment, effective July 1, 2023, revised the elements of the crime of unlawful use of voter data, mailing labels or special voter lists; and in Subsection A, Paragraph A(1), after "willful", deleted "use of such information for purposes prohibited by the Voter Records System Act" and added "selling, loaning, providing access to or otherwise surrendering of voter data, mailing labels or special voter lists by a person for purposes prohibited by the Election Code; or", and added a new Paragraph A(2).

Election Code does not prohibit the publication of voter data online. — Where plaintiff, a voting advocacy organization which sought to publish voter data on its website, brought a federal civil action against the New Mexico Attorney General and the New Mexico Secretary of State, alleging that the secretary of state's interpretations of statutory restrictions on the use of voter data violated the First and Fifth Amendments to the United States Constitution, and where plaintiff moved for a preliminary injunction seeking to enjoin the attorney general and the secretary of state from prohibiting plaintiff from disseminating or using New Mexico voter information for purposes related to election integrity, and from prosecuting plaintiff for unlawful use of voter data, the court held that plaintiff was entitled to a preliminary injunction, because plaintiff's election-related work in analyzing and evaluating the secretary of state's work related to the operation of a state government, and is, therefore, a "governmental purpose" as defined in 1-4-5.5 NMSA 1978, and plaintiff's crowd-sourcing work, which encouraged users to check their own and others' voter data and inform the secretary of state of any errors they find also falls within that section's broad definition of "governmental purposes". During a statewide election, a qualified elector may register to vote or update an existing certificate of registration at the county clerk's office or any early or election day voting location; provided that the secretary of state shall establish procedures to ensure that a registration officer has an opportunity to review the information of a qualified elector who registers to vote or updates an existing certificate of registration immediately before the qualified elector votes.

C. A voter whose political party affiliation on the voter's certificate of registration is with a major political party shall not be allowed to change party affiliation when updating an existing certificate of registration or registering to vote at a voting location immediately before voting in a primary election.

D. During a special election, a qualified elector may register to vote or update an existing certificate of registration at the county clerk's office during the regular hours and days of business beginning on the twenty-eighth day preceding the election until 7:00 p.m. on election day; provided that the county clerk shall provide the voter with a ballot and balloting materials immediately after the qualified elector registers to vote or updates the existing certificate of registration.

E. A qualified elector seeking to register to vote or update an existing certificate of registration pursuant to this section shall provide a physical form of identification that is issued by the federal government, a state government, a federally recognized Indian nation, tribe or pueblo or an educational institution and that:

(1) contains the name of the qualified elector, which shall reasonably match the name provided on the certificate of registration;

(2) contains a photograph of the qualified elector, which shall resemble the qualified elector;

(3) need not contain an expiration date, and if it does, the expiration date is not required to be a date on or after the date of the election; and

(b) be accompanied by an original or copy of a utility bill, bank statement, government check, paycheck or other document issued by an educational institution or government, including a document issued by a federally recognized Indian nation, tribe or pueblo, dated within the ninety days prior to the qualified elector registering to vote or updating an existing certificate of registration and that contains the name of the qualified elector, which shall reasonably match the name provided on the certificate of registration, and an address that matches the address provided for the certificate of registration.

F. If a voting location does not have real-time synchronization with the voting data at the office of the county clerk, a voter desiring to update an existing certificate of registration or to register to vote shall be issued a provisional paper ballot. A provisional paper ballot issued pursuant to this section shall be qualified and tabulated once the county clerk determines that the voter did not vote any other ballot in the same election and if no challenge is successfully interposed.

(1) the names of the officers of the organization and the name and permanent address of the organization;

(2) the names, permanent addresses, temporary addresses, if any, and dates of birth of each person registering persons to vote in the state on behalf of the organization; and

Constitutionality. — Section 1-4-19 NMSA 1978 is not void for vagueness or unconstitutionally overbroad. The National Voting Rights Act does not preempt New Mexico's third-party voter registration law, or violate N.M. Const., art. II, § 8. *Am. Ass'n of Disabilities v. Herrera*, 690 F. Supp. 2d 1183 (D.N.M. 2010).

The requirement in 1-4-49 NMSA 1978 that county clerks train and educate registration agents does not violate the New Mexico constitutional principle of non-delegation and the due process clause. *Am. Ass'n of Disabilities v. Herrera*, 690 F. Supp. 2d 1183 (D.N.M. 2010).

For constitutional provisions on the right to vote, see U.S. Const., amendments XIX and XXVI.

The 2019 amendment, effective April 3, 2019, rewrote the provision relating to absentee voting; in the section heading, deleted "ballot", and after "A voter may vote absentee", deleted "ballot for all candidates and on all questions appearing on the ballot as if the voter were able to cast the ballot in person" and added the remainder of the section.

Compiler's notes. — The following annotations are from cases decided prior to the 1993 amendment, which eliminated requirements for voting by absentee ballot.

Obvious intent of absentee voting statutes is to enlarge the right of franchise to people who fall into the categories specifically set forth in the law, provided they have good reason to believe that they cannot be available at the polls on election day. *Kiehne v. Atwood*, 1979-NMSC-098, 93 N.M. 657, 604 P.2d 123.

Requirements of valid absentee ballot. — A qualified absentee voter must in good faith have a reasonable belief that he may be unable to vote in person on election day for one or more of the specific statutory reasons and must sign the proper affidavits under oath to prove his status; after he has done this, it is the burden of the one challenging his right to vote to come forward

and prove that the ballot is illegal, either when the votes are counted or by election contest. *Kiehne v. Atwood*, 1979-NMSC-098, 93 N.M. 657, 604 P.2d 123.

Certain knowledge of absence not required. — To hold that the application for an absentee ballot must be made with certain knowledge that a voter cannot be present would place unreasonable constraints upon the right to vote and would be in contravention of the legislature's manifest intent to enlarge the voter franchise. *Kiehne v. Atwood*, 1979-NMSC-098, 93 N.M. 657, 604 P.2d 123.

Presence in county on election day by otherwise qualified absentee voter does not invalidate his vote. *Kiehne v. Atwood*, 1979-NMSC-098, 93 N.M. 657, 604 P.2d 123.

A voter who has declined to designate on the voter's certificate of registration a party affiliation shall be provided the option on the application form for a mailed ballot in a primary election to request the ballot of one of the parties participating in the primary election.

B. Each application on a paper form for a mailed ballot shall be signed by the applicant and shall require the applicant's printed name, registration address and year of birth. C. The secretary of state shall allow a voter to submit an online application for a mailed ballot through a website authorized by the secretary of state; provided that the voter shall have a current or expired New Mexico driver's license or state identification card issued by the motor vehicle division of the taxation and revenue department. F. New registrants who registered for the first time in this state by mail and at that time did not provide acceptable documentary identification as required by federal law shall be informed of the need to comply with federal identification requirements when returning the requested ballot and notified that if the registrant votes for the first time in New Mexico by mail and does not follow the instructions for returning the required documentary identification, the registrant waives the right to secrecy in that mailed ballot. The secretary of state shall issue rules to exempt voters from submitting identification only as required by federal law and shall review and, if necessary, update these rules no later than March 15 of even-numbered years.

G. A person who willfully and with knowledge and intent to deceive or mislead any voter, election board, canvassing board, county clerk or other election official and who falsifies any information on an absentee ballot request form or who affixes a signature or mark other than the person's own on a mailed ballot request form is guilty of a fourth degree felony.

A. An absent voter election board may convene as provided in this section to process the official mailing envelopes that have been returned. Before opening an official mailing envelope, the presiding judge and the election judges shall determine that the county clerk has verified the required information on the reverse side of the official mailing envelope.

B. An official mailing envelope rejected by the absent voter election board may be qualified if the

reason for the rejection is cured at any time before the approval of the county canvass report or prior to the conclusion of an appeal by the voter.

C. Subject to the limitations in Subsection A of Section 1-2-25 NMSA 1978, a lawfully appointed challenger may view the official mailing envelope and may challenge the ballot of any mailed ballot voter for the following reasons:

For any election in which fewer than ten thousand mailed ballots were sent to the voters of a county, only between 8:00 a.m. and 10:00 p.m. on the five days preceding the election, and beginning at 7:00 a.m. on election day, under the personal supervision of the presiding election judge, shall the election judges open the official mailing envelope and the official inner envelope and insert the enclosed ballot into an electronic voting machine to be registered and retained until votes are counted by generating the report of the ballot results beginning no sooner than 9:00 a.m. on election day.

If the absent voter election board does not complete its work by 11:00 p.m. on election night, the county clerk shall notify the county sheriff's office that a deputy is required to be present to secure the room or facility where uncounted ballots are locked overnight. If the sheriff indicates that a sheriff's deputy is unavailable, the county clerk shall notify the secretary of state, who shall request state police to assign a state police officer or other certified law enforcement officer to secure the ballots. The county clerk shall provide as much notice as is practicable in order to secure law enforcement personnel to secure the uncounted ballots overnight. Beginning at 11:00 p.m. on election night, a sheriff's deputy, state police officer or other certified law enforcement officer is required for overnight watch any time the absent voter election board is not present until the return of the absent voter election board. ANNOTATIONS

The 2023 amendment, effective June 16, 2023, revised the definition of "voter-participant" as used in the Intimate Partner Violence Survivor Suffrage Act; and in Subsection I, added "or a participant who is also a qualified resident who may be considered a voter pursuant to Section 1-4-2 NMSA 1978".

1-6C-3. Elections covered; automatic delivery of ballots; form of ballot and ballot materials; confidentiality.

A. The procedures in the Intimate Partner Violence Survivor Suffrage Act apply to all elections and operate notwithstanding other provisions of the Election Code or state or local laws related to elections to the contrary.

B. Upon a person's certification as a participant, the administrator shall determine whether the participant is a voter. If the participant is not a voter but appears to be a qualified elector, the administrator shall offer the participant the opportunity to register to vote.

C. A voter-participant shall vote exclusively by mailed absentee ballot or mailed ballot. In each election in which a voter-participant is eligible to vote, the administrator shall send a mailed absentee ballot or a mailed ballot to the voter-participant without requiring a request or application to receive a ballot.

D. The form of the ballot for a voter-participant shall be the same as the ballot provided to all other voters. A voter-participant may vote for all candidates and on all questions as if the voter were casting a ballot in person.

(2) once a person is decertified, records related to that voter are no longer confidential pursuant to Paragraph (1) of this subsection and may be disclosed in the same manner provided for disclosure of voter information pursuant to the provisions of the Election Code.

1-6C-4. Voter records; certification; decertification; cancellation.

Notwithstanding the provisions of the Voter Records System Act [Chapter 1, Article 5 NMSA 1978], the secretary of state shall:

A. maintain within the state voter registration electronic management system a secured module. Voter-participant registration records shall be maintained in the secured module and shall be accessible only as required by staff designated by the secretary of state. Voter-participant registration records shall not appear in the voter file or the county voter list, be accessible by any county user or be viewable by the public;

B. maintain a register of voter-participants, which shall serve as a supplement to the county register for the county in which each voter-participant's voter registration residential address is

located. The register maintained by the secretary of state shall be filed in a fire-resistant container;

C. upon the determination that a participant is an existing voter, proceed to transfer all voter registration records related to the voter-participant from the voter file to the secured module and shall notify the appropriate county clerk, who shall immediately transfer the voter-participant's voter registration documents from the county register to the secretary of state. Voter registration records related to a voter-participant shall not be maintained in the county register or by the county clerk;

D. when a participant executes a new or updated certificate of registration, fulfill the duties of the appropriate county clerk in placing the voter-participant's certificate of registration in the register maintained by the secretary of state and entering the information into the secured module;

E. upon decertification of a person who is a voter:

(1) transfer the person's voter registration information from the secured module into the voter file; and

(2) deliver the certificate of voter registration to the appropriate county clerk for placement in the county register;

F. upon the cancellation of a person's voter registration when the person is also decertified as a participant:

(1) transfer the canceled voter registration information from the secured module into the voter file; and

(2) deliver the certificate of registration and other documents pertaining to the canceled voter registration to the appropriate county clerk for placement in the county register for the retention period; and

G. upon the cancellation of a participant's voter registration when the person remains a participant, perform the duties of the county clerk in the cancellation of registration and retention of records; provided that when the person is decertified, the secretary of state shall:

(1) transfer the canceled voter registration information from the secured module into the voter file; and

(2) if the retention period for voter registration records provided in Section 1-4-32 NMSA 1978 has not expired, deliver the certificate of registration and other documents pertaining to the canceled voter to the appropriate county clerk for placement in the county register for the remainder of the retention period.

B. In the mailed absentee ballot or mailed ballot process, the random identifier shall be used in place of the voter-participant's required voter identification and the verification code shall be used in place of the voter-participant's signature.

C. History: Laws 2019, ch. 226, § 5.

ANNOTATIONS

Effective dates. — Laws 2019, ch. 226, § 13 made Laws 2019, ch. 226, § 5 effective July 1, 2019.

1-6C-6. Transmission of ballots to voter-participants.

A. On the thirty-fifth day before an election, on behalf of each voter-participant eligible to vote in that election, the administrator shall request from each appropriate county clerk the ballot to be used by each voter-participant registered to vote in that county.

B. The request shall not reveal the name or address of the voter-participant. In place of a voter-participant's name and address, the administrator shall provide the appropriate county clerk the random identifier and verification code associated with the voter-participant for that election. The request made pursuant to this section is a record related to voting subject to the disclosure and retention procedures of Section 1-12-69 NMSA 1978.

C. No later than thirty-two days before the election, the appropriate county clerk shall transmit to the administrator the ballot for each voter-participant registered to vote in that county.

D. Twenty-eight days before the election, the administrator shall mail a ballot and balloting materials to a voter-participant's delivery address, along with a return envelope necessary to return the voted ballot to the appropriate county clerk. The return envelope shall be the same as for all other voters, except that in place of the required voter identification to be written under the privacy flap, the administrator shall provide the random identifier assigned to that voter-participant for that election. The return envelope for the voted ballot shall be postage-paid and the return address shall be the address for the appropriate county clerk.

E. When a participant registers to vote or updates a voter registration after the thirty-fifth day before an election but before the deadline to register to vote or to update an existing registration pursuant to Section 1-4-8 NMSA 1978, the administrator shall:

- (1) request from the appropriate county clerk, and the appropriate county clerk shall transmit to the administrator as soon as practicable, a ballot and balloting materials; and
- (2) send a voter-participant the ballot and balloting materials within twenty-four hours of receipt from the appropriate county clerk.

F. When an unvoted ballot is transmitted to the administrator on behalf of a voter-participant, the appropriate county clerk shall note in the ballot register the random identifier in place of the voter-participant's name and the address of the confidential substitute address program in place of the voter-participant's address and shall not note the voter-participant's gender or year of birth.

G. A voter-participant needing a replacement ballot may appear in person only at the office of the county clerk and execute an affidavit stating that the voter participant wishes to void any previous mailed ballot that was mailed in that election. When completing the affidavit, the voter-participant shall use the random identifier in place of the voter-participant's name and the verification code in place of the voter-participant's signature. Upon receipt of the sworn affidavit, if the ballot register does not show that a ballot from the voter-participant has been received in that election, the county clerk shall void the ballot that was previously issued and issue to the voter-participant a replacement ballot and ballot materials, which shall include the voter-participant's random identifier, but the county clerk shall not provide to the voter-participant the verification code when issuing a replacement ballot pursuant to this subsection.

History: Laws 2019, ch. 226, § 6; 2023, ch. 39, § 40.

ANNOTATIONS

The 2023 amendment, effective June 16, 2023, provided a process for voter-participants to obtain a replacement ballot; and added Subsection G.

1-6C-7. Receipt of voted ballots from voter-participants.

A. A voted ballot shall be returned by the voter-participant to the appropriate county clerk. A voted ballot from a voter-participant shall be considered timely if it is received no later than the deadline for receiving mailed absentee ballots or mailed ballots pursuant to Section 1-6-10 NMSA 1978.

B. When a voted ballot is received from a voter-participant, the appropriate county clerk or election board shall compare the random identifier provided by the voter-participant under the privacy flap to the list of random identifiers provided by the administrator for that election. If the random identifier appears in both places, the appropriate county clerk shall verify that the verification code assigned to that random identifier for that election matches the verification code provided by the voter-participant under the privacy flap in lieu of the voter's signature. If the verification code is on the list provided by the administrator for use in that election and matches the random identifier assigned by the administrator to identify the voter-participant, the

ballot shall be qualified and processed in the same manner as mailed absentee ballots or mailed ballots received and qualified in that election.

C. If either the random identifier or the verification code is missing, or if the random identifier and verification code under the privacy flap do not match, the ballot shall not be qualified and shall be disposed of in the same manner as mailed absentee ballots or mailed ballots received in that election and not qualified.

D. Following an election and within the time frames provided in the Election Code, the appropriate county clerk shall provide to the administrator using the random identifier for that election the voter credit information for each voter-participant who voted.

History: Laws 2019, ch. 226, § 7; 2023, ch. 39, § 41.

ANNOTATIONS

The 2023 amendment, effective June 16, 2023, removed a provision requiring the appropriate county clerk to provide to the administrator the appropriate notations for any voter-participant whose election mail was returned as undeliverable; and in Subsection D, after "each voter-participant who voted", deleted "and the appropriate notations for any voter-participant whose election mail was returned as undeliverable".

1-6C-8. Statewide election; state canvass report.

The secretary of state shall prepare a public report to be included with the state canvass results of each statewide election. The report shall include the total number of statewide:

- A. participants;
- B. voter-participants who were sent a ballot;
- C. voter-participants who returned a ballot; and
- D. ballots from voter-participants that were qualified and counted.

In a judicial proceeding related to an election, upon good cause shown and only as is required to complete the judicial proceeding, a judge may permit in-camera inspection of a voter-participant's voter registration information and information related to participation in the confidential substitute address program.

B. The administrator shall be notified and joined as an indispensable party on behalf of the confidential substitute address program in a judicial proceeding related to an election whenever a judge considers permitting in-camera inspection of any information related to a voter-participant and before such determination is made.

C. In a judicial proceeding related to an election in which the secretary of state is a party in the secretary's capacity as the chief election officer of the state and the administrator is joined as an indispensable party on behalf of the confidential substitute address program, the attorney general shall provide separate representation for the secretary of state and for the administrator.

ARTICLE 7

Political Parties

1-7-1. Political parties; conditions for use of ballot.

All nominations of candidates for public office in New Mexico made by political parties shall be made pursuant to the Election Code [Chapter 1 NMSA 1978]. No political party shall be permitted to have the names of its candidates printed on any election ballot unless and until it has qualified as provided in the Election Code.

History: 1953 Comp., § 3-7-1, enacted by Laws 1969, ch. 240, § 144.

ANNOTATIONS

Party must file rules and regulations with secretary of state before candidates appear on ballot. — The first step that must be taken by a political party before the names of its candidates may be placed upon the ballot in the general election is to make, adopt and file through its state central committee, or other governing body, a set of rules and regulations providing for its convention and organization, the manner of calling and conducting its elections, the mode of selection of delegates to such conventions, the manner of selecting members of its state central committee, the state chairman and other officers and members of its governing bodies, the powers and duties of such officers, committees and governing bodies, the method of selecting nominees for such offices, and the means and manner of filling vacancies in such offices, committees and governing bodies and on the party ballot. Such rules and regulations must be filed with the secretary of state within 30 days after the organization of the party and at least 60 days before the general election, if the party desires to have the names of its candidates placed on the ballot for national, state or district officers. 1960 Op. Att'y Gen. No. 60-113 (opinion rendered under former law).

Political party must hold convention for purpose of nominating candidates for such offices. 1960 Op. Att'y Gen. No. 60-113 (opinion rendered under former law).

Am. Jur. 2d, A.L.R. and C.J.S. references. — 25 Am. Jur. 2d Elections § 198 et seq.

29 C.J.S. Elections § 84.

1-7-2. Qualification; removal; requalification.

A. To qualify as a political party in New Mexico, each political party through its governing body shall adopt rules providing for the organization and government of that party and shall file the rules with the secretary of state. Uniform rules shall be adopted throughout the state by the county organizations of that party, where a county organization exists, and shall be filed with the county clerks. At the same time the rules are filed with the secretary of state, the governing body of the political party shall also file with the secretary of state a petition containing the hand-printed names, signatures, addresses of registration and counties of residence of at least one-half of one percent of the total votes cast for the office of governor at the preceding general election who declare by their signatures on the petition that they are voters of New Mexico and that they desire the party to be a qualified political party in New Mexico. Blank petition forms shall be available at any time from the secretary of state.

B. Each county political party organization may adopt supplementary rules insofar as they do not conflict with the uniform state rules or do not abridge the lawful political rights of any person. Such supplementary rules shall be filed with the county clerk and the secretary of state in the same manner as other rules are filed.

C. A qualified political party shall cease to be qualified for the purposes of the Election Code [Chapter 1 NMSA 1978] if two successive general elections are held without at least one of the party's candidates on the ballot or if the total votes cast for the party's candidates for governor or president of the United States, provided that the party has a candidate seeking election to either of these offices, in a general election do not equal at least one-half of one percent of the total votes cast for the office of governor or president of the United States, as applicable. No later than March 15 of an odd-numbered year, the secretary of state shall send notice of nonqualification to the state chair of any political party that fails to remain qualified. The notice shall be delivered by registered mail to the last known address of the state chair of the political party, and a copy shall be kept in the secretary of state's file of parties qualified in New Mexico.

D. The secretary of state shall then notify all county clerks of the removal and nonqualification of the political party and shall post the notice on the web site maintained by the secretary of state. The secretary of state shall within forty-five days notify by mail all voters registered as members of such party of the removal and nonqualification of the party.

E. To requalify, the party shall again comply with the provisions of the Election Code dealing with filing requirements for political parties.

History: 1953 Comp., § 3-7-2, enacted by Laws 1969, ch. 240, § 145; 1975, ch. 255, § 97; 1979, ch. 378, § 4; 1981, ch. 141, § 1; 1989, ch. 392, § 16; 1990, ch. 39, § 1; 1995, ch. 124, § 8; 2011, ch. 137, § 49.

ANNOTATIONS

The 2011 amendment, effective July 1, 2011, required the secretary of state to make blank petition forms available at all times and to send notice of nonqualification to the state chair of any political party that fails to remain qualified and to post the notice on the secretary of state's web site and imposed a forty-five day deadline for sending notice to registered voters who are members of the party.

The 1995 amendment, effective January 1, 1996, inserted "where a county organization exists" and made a minor stylistic change in the second sentence of Subsection A, and inserted "provided that the party has a candidate seeking election to either of these offices" in the second sentence of Subsection C.

The 1990 amendment, effective March 1, 1990, substituted "desire the party to be a qualified political party in New Mexico" for "support the official recognition of that party" at the end of Subsection A and, in Subsection C, substituted the first two sentences for the former first sentence which read "Beginning with the general election in 1988, if two successive general elections are held without at least one candidate from the qualified political party on the ballot or that party does not receive at least one-half of one percent of the total votes cast for the office of governor or president, the party will no longer be considered 'qualified' for purposes of the Election Code."

Constitutionality. — Subsection A's former requirement that a new political party must provide petitions containing 500 signatures from registered voters who declare that they are members of that party was unconstitutional, imposing an unnecessary burden on those signatories' First Amendment rights. *Workers World Party v. Vigil-Giron*, 693 F. Supp. 989 (D.N.M. 1988).

The bylaws of state political parties may not be inconsistent with prevailing law, and those that are inconsistent with law are generally unenforceable. — Political parties organized as nonprofit corporations, are governed by the Nonprofit Corporation Act (NCA), 53-8-1 to 53-8-99 NMSA 1978, which allows organizations to form for socially beneficial purposes, including political purposes, and further provides that through their board of directors, the nonprofits have the power to make and alter bylaws. The NCA makes it clear that a nonprofit corporation's bylaws may not be inconsistent with law or the nonprofit's articles of incorporation. A political party may also be registered as a political committee through the Campaign Reporting Act (CRA), 1-19-25 to 1-19-36 NMSA 1978, which requires organizations operating primarily for the purpose of influencing or attempting to influence an election, to register with the secretary of state as political committees, pay a filing fee, and file reports disclosing their activities and contributors, and although the CRA does not address the bylaws of a political committee, the principles of nonprofit corporations acting for political purposes control in the context of political committee bylaws. Therefore, the bylaws of a political party such as the republican party of New Mexico, which is registered as a domestic nonprofit corporation pursuant to the NCA, or the democratic party of New Mexico, which is registered as a political committee pursuant to the CRA, may not be inconsistent with prevailing law, and bylaws that are inconsistent with law are generally unenforceable. Moreover, an organization cannot become a "qualified political party" unless they comply with specific provisions of the Election Code, which is clear that political party organizations may not adopt rules that conflict with the state party's uniform rules, nor may they adopt rules that abridge the lawful rights of any person. 2024 Op. Att'y Gen. No. 24-09.

Maintaining major party status. — To maintain recognition as a major political party in an upcoming general election, a political party must satisfy the same requirements necessary for initial recognition as a major political party. The party must: 1) have run at least one candidate in one of the last two general elections, with its candidate for governor or U.S. president, if any, having received the statutorily prescribed minimum number of votes, 2) have a candidate who received, in the last preceding general election, the minimum number of votes required, and 3) have in its membership on the day of the primary election proclamation registered voters sufficient to satisfy the minimum membership requirement. 1996 Op. Att'y Gen. No. 96-01.

1-7-3. Rules and regulations; contents.

The secretary of state and the county clerk shall not accept the rules and regulations of any political party for filing unless such rules and regulations provide:

- A. a method for nominating candidates for the general election;
- B. a method for calling and conducting conventions;
- C. a method for selection of delegates to conventions;
- D. a method for selection of state central committee members, a state chairman and other party officers, and all other members of governing bodies of the party;
- E. a method for filling vacancies in party offices, committees and other governing bodies;
- F. the powers and duties of party officers, committees and other governing bodies;
- G. for the structure of the state and county party organizations;
- H. that meetings to elect any party officers, including delegates, shall be held at a public place during the week specified by the state party chairman;
- I. that notice of such meetings shall be published by the officers of the county party organization in a newspaper of general circulation at least fourteen days prior to the meeting and the notice shall specify the time, date and place for holding the meeting; and
- J. a method for amending the party rules and regulations.

History: 1953 Comp., § 3-7-3, enacted by Laws 1969, ch. 240, § 146.

ANNOTATIONS

County chairman and precinct chairman not automatically delegates. — Nowhere in the New Mexico statutes is it provided that county chairmen and precinct chairmen automatically become delegates by virtue of their positions. In order to be delegates they must be elected in the same manner that other delegates are elected. 1966 Op. Att'y Gen. No. 66-17.

Party to file with secretary of state to place candidates on ballots for national, etc., offices. — When a party wishes to place candidates on the ballots for national, state, district

and legislative offices from multiple county districts, such party must comply with this section by filing its rules and regulations with the secretary of state. 1956 Op. Att'y Gen. No. 56-6559.

Party must file with county clerk for county offices. — If a party is interested in having candidates on the ballot for county offices, such party must comply with this section by filing its rules and regulations with the county clerk. 1956 Op. Att'y Gen. No. 56-6559.

Rules need not be filed with county clerk for election of district attorney. — The secretary of state is not concerned with the question of whether there have been party rules and regulations filed with county clerks with reference to the nomination or election to the office of the district attorney. The office of district attorney is a state office. 1956 Op. Att'y Gen. No. 56-6559.

Nominations for congress must follow rules and regulations. — It is clear that nominations to fill vacancies in United States congress are to be made in accordance with the rules and regulations of the respective parties. 1956 Op. Att'y Gen. No. 56-6540.

1-7-4. Rules and regulations; filing; fee.

A. Each political party shall file its rules and regulations, along with petitions containing the required number of signatures, if the signature provision is applicable to the party, within thirty days after its organization and no later than twenty-three days after the primary election before any general election in which it is authorized to participate.

B. Within seven days after the filing of the political party's rules and qualifying petitions, the secretary of state shall notify the political party whether the rules and qualifying petitions are in proper order and that the party has qualified. The secretary of state shall notify all county clerks in the state of the qualification of that political party and post notice of qualification on the secretary of state's web site.

C. Political parties filing rules and regulations with the county clerk shall pay the standard filing fee.

ANNOTATIONS

The 2014 amendment, effective March 12, 2014, provided for the filing of a qualifying petition and notice of qualification as a party; provided for standardized filing dates; in Subsection A, after "rules and regulations", added "along with petitions containing the required number signatures, if the signature provision is applicable to the party", after "no later than" deleted "the first Tuesday in April" and added "twenty-three days after the primary election", and after "before any", added "general"; and added Subsection B.

Laws 2014, ch. 40, § 1, effective March 7, 2014, and Laws 2014, ch. 81, § 1, effective March 12, 2014, enacted identical amendments to this section. The section was set out as amended by Laws 2014, ch. 81, § 1. See 12-1-8 NMSA 1978.

The 1995 amendment, effective January 1, 1996, substituted "first Tuesday in April" for "second Tuesday in July" in Subsection A.

Party must file with secretary of state for national, etc., offices. — When a party wishes to place candidates on the ballots for national, state, district and legislative offices from multiple county districts, such party must comply with this section by filing its rules and regulations with the secretary of state. 1956 Op. 1-7-5. Rules and regulations; amendment.

Political party rules and regulations filed as required by the Election Code [Chapter 1 NMSA 1978] are subject to amendment only in the manner provided for in such rules and regulations. No amendments shall be made less than one hundred twenty days prior to any general election, nor shall any amendment be effective until thirty days after being filed. Amendments shall be filed in the same manner as original party rules and regulations are filed.

1-7-6. Party name and emblem.

D. The state convention of a political party may change the party name and party emblem by adopting in their stead another name and emblem. The new party name and party emblem shall be filed in the same manner as was the original party name and party emblem, provided the certificate shall be signed by the presiding officer and the secretary of the state convention adopting the new party name and party emblem.

E. No political party shall adopt any party name or party emblem which is the same as, similar to, or which conceivably can be confused with or mistaken for the party name or party emblem of any other qualified political party in New Mexico.

1-7-7. Major political party; minor political party.

As used in the Election Code [Chapter 1 NMSA 1978]:

A. "major political party" means any qualified political party, any of whose candidates received as many as five percent of the total number of votes cast at the last preceding general election for the office of governor or president of the United States, as the case may be, and

whose membership totals not less than one-third of one percent of the statewide registered voter file on the day of the governor's primary election proclamation; and

B. "minor political party" means any qualified political party that is not qualified as a major political party pursuant to Subsection A of this section.

History: 1953 Comp., § 3-1-8, enacted by Laws 1969, ch. 240, § 8; 1975, ch. 255, § 3; 1983, ch. 258, § 1; 1995, ch. 124, § 1; 1978 Comp., § 1-1-9, recompiled and amended as § 1-7-7 by Laws 2011, ch. 137, § 48.

ANNOTATIONS

The 2011 amendment, effective July 1, 2011, modified the definition of "minor political party" by eliminating the requirement that candidates of the party receive not more than five percent of the votes cast in the preceding general election for the office of governor or president of the United States.

The 1995 amendment, effective January 1, 1996, inserted the language beginning "and whose membership" and ending "election proclamation" in Subsection A.

Minimum vote requirement for major party. — To satisfy the minimum vote requirement for recognition as a major political party, at least one candidate of the qualified political party, irrespective of office sought, must have received at least five percent of the total votes cast at the last preceding general election for the office of governor or U.S. president, whichever election is applicable. Additionally, Subsection A requires that the political party must satisfy a minimum membership requirement of at least one-third of one percent of the statewide registered voter file on the day of the primary election proclamation. 1996 Op. Att'y Gen. No. 96-01.

Maintaining major party status. — To maintain recognition as a major political party in an upcoming general election, a political party must satisfy the same requirements necessary for initial recognition as a major political party. The party must: 1) have run at least one candidate in one of the last two general elections, with its candidate for governor or U.S. president, if any, having received the statutorily prescribed minimum number of votes, 2) have a candidate who received, in the last preceding general election, the minimum number of votes required, and 3) have in its membership on the day of the primary election proclamation registered voters sufficient to satisfy the minimum membership requirement. 1996 Op. Att'y Gen. No. 96-01.

Candidate for governor or president not required. — The intent of the Election Code is to permit qualified political parties to run candidates for governor or U.S. president, but not to mandate that they do so. Accordingly, Subsection A does not require a major political party to run a candidate for governor or U.S. president in each general election in which the office is to be filled. 1996 Op. Att'y Gen. No. 96-01.

ARTICLE 8

Nominations and Primary Elections

1-8-1. Nominating procedures; major political parties; minor political parties.

A. Any major political party in New Mexico, as defined in Section 1-7-7 NMSA 1978, shall nominate its candidates, other than its presidential candidates, by secret ballot at the next succeeding primary election as prescribed in the Primary Election Law [1-8-10 to 1-8-52 NMSA 1978].

B. Any minor political party in New Mexico, as defined in Section 1-7-7 NMSA 1978, shall nominate candidates for public office in the manner prescribed in its party rules and regulations and according to the provisions of the Election Code [Chapter 1 NMSA 1978].

History: 1953 Comp., § 3-8-1, enacted by Laws 1969, ch. 240, § 151; 1975, ch. 255, § 99; 2003, ch. 300, § 1; 2014, ch. 40, § 2; 2014, ch. 81, § 2.

The 2003 amendment, effective June 20, 2003, inserted "other than its presidential candidates" following "shall nominate its candidates," near the middle of Subsection A.

Primary Election Law not violative of equal protection clause of U.S. constitution. — Although plaintiff complains that Democrats seeking nomination face an unconstitutionally more onerous burden than do other political party candidates because the greater number of Democrats in New Mexico requires that a greater number of signatures be obtained on nominating petitions, only invidious discrimination violates the United States constitution, and this statute must be sustained if a valid public purpose can be shown for the statute, and limitation of the number of names on the ballot remains a valid consideration. The New Mexico Primary Election Law does not violate the equal protection clause. *Dillon v. Evans*, 549 F.2d 183 (10th Cir. 1977).

A. If the rules of a minor political party require nomination by political convention:

(1) the chair and secretary of the state political convention shall certify to the secretary of state the names of their party's nominees for United States senator, United States representative, all elective state offices, legislative offices elected from multicounty districts, all elective judicial officers in the judicial department and all offices representing a district composed of more than one county; and

(2) the chair and secretary of the county political convention shall certify to the county clerk the names of their party's nominees for elected county offices and for legislative offices elected from a district located wholly within one county or that is composed of only one county.

B. The names certified to the secretary of state shall be filed on the twenty-third day following the primary election in the year of the general election and shall be accompanied by a nominating petition containing the signatures of voters totaling not less than one percent of the total number of votes cast for governor at the last preceding general election at which a governor was elected:

(1) in the state for statewide offices; provided that if there are fewer members of the minor party registered to vote in the state for statewide offices or registered to vote in the district for offices other than statewide offices than the number of signatures required for that office, a nominating petition shall contain the signatures of voters totaling not less than the required number of signatures of voters for independent candidates for the same office; and provided further that for the public education commission, a nominating petition shall be signed by at least two-thirds of the number of signatures that would otherwise be required, and for a judicial office, a nominating petition shall be signed by two-thirds of the number of signatures that would otherwise be required; and

(2) in the district for offices other than statewide offices.

The petition shall contain a statement that the voters signing the petition are residents of the area to be represented by the office for which the person being nominated is a candidate.

C. The names certified to the county clerk shall be filed on the twenty-third day following the primary election in the year of the general election and shall be accompanied by a nominating petition containing the signatures of voters totaling not less than one percent of the total number of votes cast for governor at the last preceding general election at which a governor was elected:

(1) in the county for countywide offices; and

(2) in the district for offices other than countywide offices; provided that if there are fewer members of the minor party registered to vote in the county for countywide offices or registered to vote in the district for offices other than countywide offices than the number of signatures required for that office, a nominating petition shall contain the signatures of voters totaling not less than the required number of signatures of voters for independent candidates for the same office; and provided further that for a judicial office, a nominating petition shall be signed by two-thirds of the number of signatures that would otherwise be required.

The petition shall contain a statement that the voters signing the petition are residents of the area to be represented by the office for which the person being nominated is a candidate.

D. Except in the case of a political party certified in the year of the election, persons certified as candidates shall be members of that party on the day the secretary of state issues the general election proclamation.

E. When a political party is certified in the year of the general election, and after the day the secretary of state issues the general election proclamation, a person certified as a candidate shall be:

(1) a member of that party not later than the date the political party filed its rules and qualifying petitions pursuant to Sections 1-7-2 and 1-7-4 NMSA 1978; and

(2) a resident in the district of the office for which the person is a candidate on the date of the secretary of state's proclamation for the general election or in the case of a person seeking the office of United States senator or United States representative, a resident within New Mexico on the date of the secretary of state's proclamation for the general election. No person who is a candidate for a party in a primary election may be certified as a candidate for a different party in the general election in the same election cycle.

F. No voter shall sign a petition prescribed by this section for more persons than the number of candidates necessary to fill the office at the next ensuing general election.

The 2014 amendment, effective March 12, 2014, provided for standardized filing dates; required that petitions be signed by one percent of the votes cast for governor at the general election; provided qualifications for candidates; in Subsection B, in the first paragraph, after "filed on the", deleted "twenty-first" and added "twenty-third", after "accompanied by", deleted "a petition containing a list of signatures and addresses of voters" and added "nominating petitions containing the signatures of voters", after "number of votes cast", added "for governor", and after "preceding general election", deleted "for the office of governor or president of the United States, as the case may be" and added "at which a governor was elected", and in the second paragraph, after "residents of the" deleted "state, district, county or"; in Subsection C, in the first paragraph, after "filed on the", deleted "twenty-first" and added "twenty-third", after "shall be accompanied by a", added "nominating", after "petition containing" deleted "a list of" and added "the", after "petition containing the signatures", deleted "and addresses", after "votes cast" added "for governor", and after "general election", deleted "for the office of governor or president of the United States, as the case may be" and added "at which a governor is elected"; and in the second paragraph, after "residents of the", deleted "state, district, county or"; in Subsection D, at the beginning of the sentence, added "Except in the case of a political party certified in the year of the election", after "persons certified as", deleted "nominees" and added "candidates", and after "of that party" deleted "before" and added "on"; added Subsection E; and in Subsection F, after "the number of", deleted "minor party".

Signature list requirements not unconstitutional. — Signature list requirements under Subsections B and C of this section and 1-8-3C NMSA 1978 do not violate plaintiff's United States constitutional rights of freedom of association, as guaranteed by U.S. Const., amend. I, and of equal protection, as guaranteed by U.S. Const., amend. XIV. *People's Constitutional Party v. Evans*, 1971-NMSC-116, 83 N.M. 303, 491 P.2d 520.

Requirements to endorse party or designate affiliation not unconstitutional. — That signers of a nominating petition must in effect state that they "endorse the principles of a political party named thereon" or "will designate or have designated such party affiliation on their affidavits of registration" did not violate plaintiff's rights of association or equal protection. *People's Constitutional Party v. Evans*, 1971-NMSC-116, 83 N.M. 303, 491 P.2d 520.

Lists guard against abuse of elective franchise and secure election purity. — The New Mexico legislature has determined that the signature list requirements as provided by Subsections B and C of this section and 1-8-3C NMSA 1978 are consistent with its authority and duty to secure the purity of elections and guard against abuse of the elective franchise, and it is the supreme court's duty to uphold this legislative determination, unless satisfied beyond all reasonable doubt that the legislature went outside its constitutional authority in enacting these statutory requirements. *People's Constitutional Party v. Evans*, 1971-NMSC-116, 83 N.M. 303, 491 P.2d 520.

Legitimate state interests. — The state has a legitimate interest in trying to determine some degree of good faith on the part of electors who sign nominating petitions, and in assuring at least a modicum of support for a political party and its nominees whose names are placed on the general election ballot and these requirements imposed by the legislature under this section and 1-8-3 NMSA 1978 are consistent with its duty to protect the purity of elections and safeguard against abuse of the elective franchise. *People's Constitutional Party v. Evans*, 1971-NMSC-116, 83 N.M. 303, 491 P.2d 520.

1-8-3.1. Nominating petition for candidate of an unqualified state political party; qualification as an independent candidate.

The declaration of candidacy and petition signatures submitted to the proper filing officer by a candidate for nomination as a minor party candidate shall be counted toward the requirements for qualification as an independent candidate for the same office in the same election if the candidate's party files for, but does not obtain status as, a qualified political party in that election cycle. To qualify as an independent candidate, the candidate must meet all requirements for an independent candidate in Section 1-8-45 NMSA 1978 and submit the required number of petition signatures for an independent candidate as prescribed in Section 1-8-51 NMSA 1978. No candidate may circulate petitions for candidacy for more than one political party in an election cycle.

Duplicate laws. — Laws 2014, ch. 40, § 6, effective March 7, 2014, and Laws 2014, ch. 81, § 6, effective March 12, 2014, enacted identical new sections. The section was set out as enacted by Laws 2014, ch. 81, § 6. See 12-1-8 NMSA 1978.

1-8-4. Secretary of state; certification of nominees; minor political party.

A. Upon receipt of certificates of nomination of any minor political party and nominating petitions, and no later than 5:00 p.m. on the first Tuesday following the filing date, the proper filing officer shall:

- (1) determine whether the method of nomination used by the certifying political party complies with the current rules of that party on file in the secretary of state's office;
- (2) determine whether the number of signatures required have been submitted and all the requirements of Sections 1-8-1 through 1-8-3 NMSA 1978 have been complied with; and
- (3) if such determinations are answered in the affirmative, mail notice to the certifying party and the candidate no later than 5:00 p.m. on the Tuesday following the filing date that the certificates of nomination and nominating petitions are in proper order and that the candidate, based on those documents, is qualified to have the candidate's name placed on the ballot.

B. If a minor political party candidate is notified by the proper filing officer that the candidate is not qualified to have the candidate's name appear on the ballot, the candidate may challenge the decision by filing a petition with the district court within ten days of the notification. The district court shall hear and render a decision on the matter within ten days after the petition is filed. The decision of the district court may be appealed to the supreme court within five days after the decision is rendered. The supreme court shall hear and render a decision no later than sixty-three days prior to the general election.

C. Any voter may file a court action challenging a minor political party candidate's nominating petitions pursuant to the provisions of Section 1-8-35 NMSA 1978.

The 2017 amendment, effective June 16, 2017, changed the deadline for the supreme court to hear and render a decision on an appeal from the district court in cases where a minor political party candidate is challenging a decision that the candidate is not qualified to have the candidate's name appear on the ballot; and in Subsection B, after "render a decision no later than", deleted "fifty-six" and added "sixty-three".

The 2014 amendment, effective March 12, 2014, provided for notification that a candidate is qualified; provided for judicial challenge of a determination that a candidate is not qualified; provided for voter challenges of a candidate's nominating petition; in Subsection A, after "minor political party" added "and nominating petitions", after "5:00 p.m. on the", deleted "thirty-fifth day" and added "first Tuesday", and after "filing date, the", deleted "secretary of state" and added "proper filing officer"; in Subsection A, in Paragraph (2), after "determine whether", added "the number of signatures required have been submitted and", and after "complied with", deleted "and that the petition and list of signatures and addresses of voters are valid and comply with law"; in Subsection A, in Paragraph (3), after "in the affirmative", deleted "within forty-two days following the filing date certify the names of each minor party's nominees as candidates for the office for which each is nominated to each county clerk in the state" and added the remainder of the sentence; and added Subsections B and C.

The 2011 amendment, effective July 1, 2011, imposed a thirty-five day deadline to determine whether the nomination complies with the rules of the party and the requirements of Sections 1-8-1 through 1-8-3 NMSA 1978 and imposed a forty-two day deadline to certify the party's nominees.

Secretary of state need not certify candidates who clearly cannot qualify. — The secretary of state has some discretion under this section, and if it clearly appears that any of the candidates could not qualify for the offices which they seek, the secretary of state has no duty to certify their names. *State ex rel. Chavez v. Evans*, 1968-NMSC-167, 79 N.M. 578, 446 P.2d 445.

Mandamus is proper action to contest validity of secretary of state's action in failing to certify a party's nominees. *State ex rel. Chavez v. Evans*, 1968-NMSC-167, 79 N.M. 578, 446 P.2d 445 (decided under former law).

Mandamus will be denied if certificate fails to comply. — Certificate of nomination of candidates for presidential electors by communist party convention did not comply with former statute where signed by secretary of party alone, and mandamus to secretary of state to certify candidates' names to counties under such a certificate, would be denied. *Wilson v. Gonzales*, 1940-NMSC-073, 44 N.M. 599, 106 P.2d 1093.

1-8-5. Canvassing boards; certification of nominees of parties participating in primary.

Immediately upon completion of their respective canvasses, the state and county canvassing boards shall certify to the county clerk the name of each person who has been nominated by each participating political party in the primary election, and the offices for which they have been nominated. The county clerk shall send a certified list of all persons so nominated to the secretary of state.

ANNOTATIONS

Since it was not possible to determine for whom unregistered persons had voted, state canvassing board acted correctly in taking position that it could not throw out all the votes of six precincts, disenfranchising a large number of voters, when doing so could not change result of contested race. *Reese v. Dempsey*, 1944-NMSC-057, 48 N.M. 485, 153 P.2d 127 (decided under former law).

Certificate of election furnishes prima facie right to office only, and in a canvass of returns, no one is foreclosed thereby if any other statutory remedy, including recount or contest, remain available. *Reese v. Dempsey*, 1944-NMSC-039, 48 N.M. 417, 152 P.2d 157.

Certificate of tally may be used in recount where ballots destroyed. — Since ballots cast at election were not available for use during recount because they had been destroyed by election officials, the authentic certificate of tally of votes might be considered in absence of fraud on part of officials. *Walker v. 1-8-6. Vacancy on primary ballot.

(1) the death of a candidate after filing of the declaration of candidacy or after certification as a convention-designated nominee and before the primary election;

(2) the failure of a major political party to nominate a candidate for lieutenant governor; provided that the major political party nominated a candidate for governor; or

C. Appointments to fill vacancies in the list of a party's nominees for the general election ballot shall be made and filed with the proper filing officer on the twenty-third day after the primary election using the form prescribed by the secretary of state, along with the declaration of candidacy subscribed and sworn by the selected nominee and the required form for candidates pursuant to the Campaign Reporting Act [1-22A-1 to 1-22A-10 NMSA 1978].

D. When the name of a nominee is filed as provided in this section, the name shall be placed on the general election ballot as the party's candidate for that office.

The 2019 amendment, effective April 3, 2019, revised the provisions related to vacancies on a general election ballot; in Subsection A, added new Paragraph A(2) and redesignated former Paragraph A(2) as Paragraph A(3), and in Paragraph A(3), after "included in", deleted "governor's" and added "general election"; in Subsection C, after "secretary of state", deleted "within fifteen days" and added "on the twenty-third day", after "primary election", deleted "and when so filed, it shall be placed on the general election ballot as the political party's nominee for such office" and added "along with a declaration of candidacy subscribed and sworn by the selected nominee and the required form for candidates pursuant to the Campaign Reporting Act"; and added Subsection D.

The 2017 amendment, effective June 16, 2017, provided for the secretary of state to approve the form to be filed when filling vacancies on a general election ballot when such vacancies occur before the primary election; and in Subsection B, after "the proper filing officer", added "on a form approved by the secretary of state".

The 2015 amendment, effective July 1, 2015, amended the date for filling vacancies on a general election ballot when the vacancy was caused by the resignation or death of a person holding a public office; in Paragraph (2) of Subsection A, after "public office after the", deleted "date for filing a declaration of candidacy or after the date required for certification as a convention designated nominee, and before the primary election" and added "last Friday before the first Tuesday in March".

1-8-8. Vacancy on general election ballot; occurring after primary.

A. If after a primary election, but ninety or more days before the general election, a vacancy occurs, for any cause, in the list of the nominees of a qualified political party for any public office to be filled in the general election, or a vacancy occurs because of the resignation or death of a person holding a public office not included in the secretary of state's general election proclamation and which office is required by law to be filled at the next succeeding general election, or a vacancy occurs because a new public office is created and was not included in the secretary of state's general election proclamation but is capable by law of being filled at the next succeeding general election, the vacancy on the general election ballot may be filled by:

(1) the central committee of the state political party filing the name of its nominee for the office with the proper filing officer when the office is a federal office, state office, district office or multicounty legislative district office; and

(2) the central committee of the county political party filing the name of its nominee for the office with the proper filing officer when the office is a magistrate office, county office or legislative district office where the district is entirely within the boundaries of a single county.

B. Appointments made pursuant to Subsection A of this section shall qualify pursuant to Section 1-8-18 NMSA 1978.

C. The county or state central committee members making the appointment pursuant to Subsection A of this section shall be as provided for in the rules of the respective party; provided that, at a minimum, the committee shall include those members residing within the boundaries of the area to be represented by the public office.

D. Appointments to fill vacancies in the list of a party's nominees shall be made and filed with the proper filing officer on or before the seventieth day prior to a general election using the form prescribed by the secretary of state, along with the declaration of candidacy form subscribed and sworn by the selected nominee and the form for candidates pursuant to the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978].

E. When the name of a nominee is filed as provided in this section, the name shall be placed on the general election ballot as the party's candidate for that office.

The 2019 amendment, effective April 3, 2019, required additional documents be included with the form for filling vacancies, and replaced "governor" with "secretary of state" with regard to issuing the general election proclamation; in Subsection A, in the introductory clause, replaced each occurrence of "governor" with "secretary of state's general election"; and in Subsection D, after "general election,", added "along with a declaration of candidacy subscribed and sworn by the selected nominee and the required form for candidates pursuant to the Campaign Reporting Act."

The 2017 amendment, effective June 16, 2017, changed the deadline for filling a vacancy on a general election ballot when a vacancy occurs after the primary, changed the deadline by which appointments to fill such vacancies are made, and provided for the secretary of state to approve the form on which appointments to fill such vacancies are made and filed; in Subsection A, in the introductory paragraph, after "after a primary election", added "but seventy or more days before the general election"; and in Subsection D, after "shall be made and filed", added "with the proper filing officer using a form approved by the secretary of state", and after "at least", deleted "fifty-six" and added "sixty-three".

The 2015 amendment, effective July 1, 2015, required that the county or state central committee making an appointment to fill a vacancy on a general election ballot, occurring after the primary, include members residing within the boundaries of the area to be represented by the public office; and added a new Subsection C and redesignated the succeeding subsections accordingly.

The 2011 amendment, effective July 1, 2011, provided for filling the vacancy in a new public office that was not included in the governor's proclamation; required that appointments to vacancies qualify pursuant to Section 1-8-18 NMSA 1978; eliminated the five day deadline for filling a vacancy caused by the death of a nominee; and eliminated the requirement that a nominee's name be pasted over the name of the initial candidate when the nominee is appointed after the ballot has been printed.

The 1995 amendment, effective January 1, 1996, added Subsection B and redesignated former Subsections B and C as Subsections C and D.

Nomination for a district court judicial position, which is a state position, not a county position, must be filled by a state central committee and not by a county central committee. *Johnson v. Vigil-Giron*, 2006-NMSC-051, 140 N.M. 667, 146 P.3d 312.

No vacancy occurs if there is no primary candidate. — Where the Republican Party did not run a primary election candidate for the position of state representative, a vacancy did not exist on the general election ballot for the Republican Party to fill. *Johnson v. Vigil-Giron*, 2006-NMSC-051, 140 N.M. 667, 146 P.3d 312.

Notice of withdrawal as candidate. — There are no formal requirements for the withdrawal of candidates from a general election and the secretary of state may rely on a candidate's press

release that the candidate has withdrawn from the general election. *Johnson v. Vigil-Giron*, 2006-NMSC-051, 140 N.M. 667, 146 P.3d 312.

Fifty-six day rule of Subsection B (now C) invalid. — The fifty-six day restriction placed upon political party central committees by Subsection B (now C) is inconsistent with the panoply of rights provided in the remainder of Chapter 1, the Election Code; because its enforcement would result in unjust, absurd or unreasonable consequences, it cannot stand. *Thompson v. Robinson*, 1984-NMSC-096, 101 N.M. 703, 688 P.2d 21.

Section only authorizes filling of vacancies after primary. — Section 1-8-7 NMSA 1978 and this section only authorize the filling of vacancies on the party tickets for elective offices after the holding of the primary election. *State ex rel. Robinson v. King*, 1974-NMSC-028, 86 N.M. 231, 522 P.2d 83.

Vacancies for county offices. — Since no candidate appeared on democratic primary ballot for county superintendent of schools because candidate who filed for office was declared ineligible prior to election, the party's county executive committee did not have right to designate a successor candidate to appear on general election ticket. *Granito v. Grace*, 1952-NMSC-088, 56 N.M. 652, 248 P.2d 210 (decided under former law).

Section as exception to nominating candidates at primary. — Former provision for filling of vacancy after primary by party committee operated as an exception to statute requiring candidates to be nominated at primary election and required strict construction. *State ex rel. Van Schoyck v. Board of Cnty. Comm'rs*, 1942-NMSC-061, 46 N.M. 472, 131 P.2d 278.

Vacancy cannot be filled if no candidate nominated at primary. — Former statute did not permit selection of candidate after primary when there was no candidate for nomination in the primary. *State ex rel. Van Schoyck v. Board of Cnty. Comm'rs*, 1942-NMSC-061, 46 N.M. 472, 131 P.2d 278.

Constitutionality. — This section meets the strict scrutiny test and serves a compelling state interest. *Skeen v. Hooper*, 631 F.2d 707 (10th Cir. 1980).

Nominations after death of unopposed candidate. — When an unopposed candidate died before general election, only his political party may select a nominee for the general election. *Skeen v. Hooper*, 631 F.2d 707 (10th Cir. 1980).

Resignation of appeals judge after primary. — The office of any court of appeals judge who resigns after the 1988 primary election is not subject to the central committee nomination procedures in this section; the governor must appoint someone to fill the unexpired term. 1988 Op. Att'y Gen. No. 88-52.

Fifty-six day time limit applicable to resignations after primary. — While the fifty-six day limit of Subsection B (now C) is "impossible of performance" or "impractical" in the case of vacancies in nominations created by successful election contests, there is no reason why it would be unreasonable, unjust or absurd to require the appropriate central committees to conform to that time period in filling vacancies created by resignations after the June, 1988 primary election. 1988 Op. Att'y Gen. No. 88-52.

A prospective, unconditional resignation that takes effect within the fifty-six day time limit but before the general election, creates a present vacancy in the ballot that the appropriate party central committee may fill in accordance with this section. 1988 Op. Att'y Gen. No. 88-52.

Committee authority exercisable only in event of vacancy. — The authority of a state central committee of a political party to select a nominee for an office, to be voted upon at a general election, exists only in the event that there is a vacancy in the list of the party's nominees for that office. 1980 Op. Att'y Gen. No. 80-31.

When there has been no party nominee for an office, there is no vacancy in the list of nominees to be filled by the committee. 1980 Op. Att'y Gen. No. 80-31.

Congressional nominations. — When a political party's state central committee is performing the function of choosing a nominee for the office of United States representative under this section, only the members from the congressional district to be represented by the nominee are eligible to vote. 1980 Op. Att'y Gen. No. 80-30.

Section only authorizes filling of vacancies after primary. — This section applies in the case in which the position to be voted upon in the general election does not become "vacant" until after the primary. 1978 Op. Att'y Gen. No. 78-05.

When vacancy occurs in position that could not have been subject to primary procedure, the responsibility for selecting the nominees falls to the political parties. 1978 Op. Att'y Gen. No. 78-05.

Vacancies in single county and multicounty districts. — The intent of this section was to allow the county central committee to fill all candidate vacancies that occur in a district that is entirely within the county. Where the district involved is composed of a multicounty district, the intent is to allow the state central committee to fill any vacancies that may occur. 1974 Op. Att'y Gen. No. 74-33.

In the case of a judicial district which is a multicounty one, the state central committee names the nominees. If the judicial district is composed of a single county, then the nominee is to be selected by the county central committee. 1972 Op. Att'y Gen. No. 72-49.

Party committee may not nominate candidate if no primary candidate. — If a political party to which the primary election laws apply did not have a candidate for a particular office at the primary election, its committee could not select a nominee for the office after the primary election. 1964 Op. Att'y Gen. No. 64-64 (opinion rendered under former law).

No filing fee necessary for filling vacancy after primary. — Persons selected to fill in vacancies occurring after the primary election need not pay a filing fee in order to have their names appear on the general election ballot. 1948 Op. Att'y Gen. No. 48-5173 (opinion rendered under former law).

1-8-16. Primary and general elections; proclamation; amendment.

The secretary of state may amend the proclamation between the time of its issuance and the first Tuesday in March to include a newly created public office that is capable by law of being filled at the next succeeding general election, or any existing office becoming vacant by removal, resignation or death when such vacancy occurs no later than the last Friday before the first Tuesday in March, or to provide for any corrections or omissions.

History: 1953 Comp., § 3-8-15, enacted by Laws 1969, ch. 240, § 165; 1975, ch. 295, § 5; 2011, ch. 137, § 54; 2015, ch. 145, § 53; 2023, ch. 39, § 47.

ANNOTATIONS

The 2023 amendment, effective June 16, 2023, authorized the secretary of state to amend the proclamation between the time of its issuance and the first Tuesday in March for certain offices that are capable of being filled in the next succeeding general election when such vacancy occurs no later than the last Friday before the first Tuesday in March, or to provide for any corrections or omissions, removing this authority from the governor; in the section heading, deleted "election law" and added "and general elections"; and after "The", deleted "governor" and added "secretary of state".

The 2015 amendment, effective July 1, 2015, provided that the governor may amend the proclamation between the time of its issuance and the first Tuesday in March when an existing office becomes vacant by removal, resignation or death when such vacancy occurs no later than the last Friday before the first Tuesday in March; and after "resignation or death", added "when such vacancy occurs no later than the last Friday before the first Tuesday in March".

When permissive language of section construed as mandatory. — When governor's proclamation omitted certain descriptions which would have a profound effect on voter notice and knowledgeability, the permissive language of this section was construed as being mandatory, and therefore, the governor was directed to amend proclamation to include the specific boundaries of the districts which make up the office and terms of each office relative to its district. *State ex rel. Robinson v. King*, 1974-NMSC-028, 86 N.M. 231, 522 P.2d 83.

Mandamus properly granted. — Since the governor's duty under the Primary Election Law to issue a proclamation is mandatory, mandamus is properly granted to compel the governor to specify in his proclamation the boundaries of the district making up the office of county commissioner and terms of that office. *State ex rel. Robinson v. King*, 1974-NMSC-028, 86 N.M. 231, 522 P.2d 83.

B. The Primary Election Law does not apply to the election of persons to fill municipal, school district or special district offices, nor does it apply to special elections to fill vacancies in any office filled at the general election. No bond issue or other question shall be voted upon at any primary election.

History: 1953 Comp., § 3-8-16, enacted by Laws 1969, ch. 240, § 166; 1977, ch. 222, § 19.

Candidate for member of state education board not nominated by primary convention. — Under former law, since the manifest object of the classifications of the primary election statutes was to require candidates for office, elected from a judicial district only, as contrasted to those elected from the state at large, to follow the provisions of 3-11-16, 1953 Comp., rather than to have to be nominated by a statewide primary convention, a candidate for the office of member of the state board of education was not nominated by the primary nominating convention. 1964 Op. Att'y Gen. No. 64-10.

Party may follow own rules for school board nominations. — A political party may nominate whomever it chooses for school board elections under such rules and regulations as it may adopt. 1943 Op. Att'y Gen. No. 43-4222 (opinion rendered under former law).

1-8-18. Primary Election Law; who may become a candidate.

(1) affiliation with that political party on the date of the secretary of state's general election proclamation; and

(2) residence in the district of the office for which the person is a candidate on the date of the secretary of state's general election proclamation or in the case of a person seeking the office of United States senator or United States representative, residence within New Mexico on the date of the secretary of state's general election proclamation.

B. A voter may challenge the candidacy of a person seeking nomination by a political party for the reason that the person does not meet the requirements of Subsection A of this section by filing a petition in the district court within ten days after the last day for filing a declaration of candidacy or a statement of candidacy for convention designation. The district court shall hear and render a decision on the matter within ten days after the filing of the petition. The decision of the district court may be appealed to the supreme court within five days after the decision is rendered. The supreme court shall hear and render a decision on the appeal forthwith.

One-year party affiliation requirement void. — Requirement contained in former version of this section that a person's record of registration show his affiliation with a political party for a period of at least one year next preceding the filing date of primary election before he could become a candidate for nomination by that party added an impermissible requirement of at least two years residency to the qualifications for United States senator and was therefore void. *Dillon v. No name shall be placed on the ballot until the person has been notified in writing by the proper filing officer that the certificate of registration on file, the declaration of candidacy and the petition, if required, are in proper order and that the person, based on those documents, is qualified to be a candidate. The proper filing officer shall mail the notice no later than 5:00 p.m. on the Tuesday following the filing date.

E. If a person is notified by the proper filing officer that the person is not qualified to be a candidate, the person may challenge that decision by filing a petition with the district court within ten days of the notification. The district court shall hear and render a decision on the matter within ten days after the petition is filed. The decision of the district court may be appealed to the supreme court within five days after the decision is rendered. The supreme court shall hear and render a decision on the appeal forthwith.

Time for meeting eligibility requirements for taking office. — The language of this section, "will be eligible and legally qualified to hold [the] office at the beginning of its term", is a clear and unambiguous statement of legislative intent. A candidate for any office in this state must meet its eligibility requirements at the time of taking office. *Lopez v. Kase*, 1999-NMSC-011, 126 N.M. 733, 975 P.2d 346.

Candidate need not use same name as on registration. — A candidate is not required to file a declaration of candidacy in the identical name shown on his or her affidavit of registration, but may use a legal given name or initials. 1957 Op. Att'y Gen. No. 57-309.

Married woman may use her registered name or given name. — The language in a provision such as this one is construed to permit, at least, a married woman to use either her required registered name or her own given name. 1957 Op. Att'y Gen. No. 57-309.

1-8-30. Primary Election Law; declaration of candidacy; nominating petition; filing and form.

A. As used in the Primary Election Law, "nominating petition" means the authorized form used for obtaining the required number of signatures of voters, which is signed on behalf of the person wishing to become a candidate for a political office in the primary election requiring a nominating petition.

B. In making a declaration of candidacy, the candidate at the same time shall file a nominating petition, which shall be on the form prescribed by law.

C. The nominating petition shall be on paper approximately eight and one-half inches wide and eleven inches long with numbered lines for signatures spaced approximately three-eighths of an inch apart and shall be in the following form:

"NOMINATING PETITION

I, the undersigned, a registered voter of New Mexico, and a member of the _____ party, hereby nominate _____, who resides at _____ in the county of _____, New Mexico, for the party nomination for the office of _____, to be voted for at the primary election to be held on _____, and I declare that I am a registered voter of the state, district, county or area to be represented by the office for which the person being nominated is a candidate. I also declare that I have not signed, and will not sign, any nominating petition for more persons than the number of candidates necessary to fill such office at the next ensuing general election.

2.

D. In October of odd-numbered years, the secretary of state shall post on the secretary of state's web site and shall furnish to each county clerk a sample of a nominating petition form, a copy of which shall be made available by the county clerk upon request of any candidate.

E. When more than one sheet is required for a petition, each of the sheets shall be in the form prescribed by this section and all sheets shall be firmly secured by a staple or other suitable fastening.

History: 1953 Comp., § 3-8-24.1, enacted by Laws 1973, ch. 228, § 4; 1974, ch. 18, § 1; 1975, ch. 255, § 108; 1975, ch. 295, § 15; 1977, ch. 222, § 20; 1985, ch. 206, § 1; 1987, ch. 327, § 14; 1993, ch. 55, § 6; 1994, ch. 92, § 4; 1995, ch. 124, § 15; 1999, ch. 267, § 26; 2001, ch. 234, § 1; 2011, ch. 137, § 57.

ANNOTATIONS

The 2011 amendment, effective July 1, 2011, made stylistic changes to the nominating petition and required the secretary of state to post a sample of a nominating petition on the secretary of state's website.

The 2001 amendment, effective June 15, 2001, changed the paper length for nominating petitions from fourteen inches long to eleven inches long in Subsection C.

The 1999 amendment, effective June 18, 1999, deleted former Subsection E, relating to circumstances under which voter signatures shall not be counted, and redesignated former Subsection F as Subsection E.

The 1995 amendment, effective January 1, 1996, deleted "provided that candidates for statewide office or the office of United States representative who seek preprimary convention designation shall not be required to file nominating petitions with the declaration of candidacy" from the end of Subsection B, and added the first sentence in Subsection E.

The 1994 amendment, effective January 1, 1996, in Subsection B, deleted "whether by petition or preprimary convention designation" following "candidacy," and added the language after "prescribed by law".

The 1993 amendment, effective November 15, 1993, substituted "whether by petition or preprimary convention designation" for "or statement of candidacy for convention designation" in Subsection B.

Form of nominating petitions. — Where petitioner sought preprimary designation as a candidate for the office of United States representative from New Mexico's third congressional district at the 2020 republican party pre-primary convention, and where petitioner filed forty-nine nominating petitions containing over 700 signatures, along with her declaration of candidacy, and where the secretary of state invalidated the signatures on forty-four of petitioner's nominating petitions because those petitions omitted the heading "2020 Primary Nominating Petition", which the secretary of state deemed to be critical information required by law, the secretary of state's refusal to accept any nominating petition that did not have the heading at issue was improper because the substance of the invalidated nominating petitions conformed with the form prescribed by this section and therefore met the requirements of the Election Code. *Morper v. Toulouse Oliver*, 2020-NMSC-012.

A nominating petition for magistrate judgeship must include the division number of the judgeship that the candidate seeks. *Charley v. Johnson*, 2010-NMSC-024, 148 N.M. 246, 233 P.3d 775.

Failure to fill in entire line does not disqualify signature, notwithstanding Subsection E. *Simmons v. McDaniel*, 1984-NMSC-049, 101 N.M. 260, 680 P.2d 977 (decided prior to 1999 amendment).

Nominating petition filing requirement not violative of equal protection. — States may impose on minor political parties the precondition of demonstrating the existence of some reasonable quantum of voter support by requiring such parties to file petitions for a place on the ballot signed by a percentage of those who voted in a prior election. Consequently, 1-8-33

NMSA 1978 is not repugnant to the equal protection clause of the fourteenth amendment, since the percentage requirements are identical for the different political parties, all candidates of the same party running for the same office must acquire the same number of signatures, and any disparity in the number of signatures required as between the different parties merely accentuates the basic fairness of the procedure in recognizing the variation in the number of registered voters affiliated with the numerous parties in this state. *Dillon v. King*, 1974-NMSC-096, 87 N.M. 79, 529 P.2d 745.

Filing requirement discourages "laundry list" ballots. — "Laundry list" ballots discourage voter participation and confuse and frustrate those who participate. Rational results within the framework of our system are not likely to be reached if the ballot for a single office must list a dozen or more aspirants who are relatively unknown or have no prospects for success. Our electoral history vividly demonstrates that unrestricted primaries foster a rank and verdant growth of candidates. *Dillon v. King*, 1974-NMSC-096, 87 N.M. 79, 529 P.2d 745.

Legitimate state interest. — Free and open elections do not require a total lack of restraint on the number of political parties and nominees entitled to placement on the ballot. The state has a legitimate interest in trying to determine some degree of good faith on the part of electors who sign nominating petitions, in assuring at least a modicum of support for a political party and its nominees whose names are placed on the general election ballot, and in regulating the size of the ballot so as to minimize voter confusion and to prevent the overwhelming of voting machines. *Dillon v. King*, 1974-NMSC-096, 87 N.M. 79, 529 P.2d 745.

Scope of section. — This section is limited by its language to nominating petitions for primary elections. *Workers World Party v. Vigil-Giron*, 693 F. Supp. 989 (D.N.M. 1988).

Language mandatory. — The language of this section is mandatory and not discretionary and any nominating petition not containing the address of the candidate and his official designation on each sheet is invalid. 1952 Op. Att'y Gen. No. 52-5486 (opinion rendered under former law).

Candidate's name on petition. — So long as the name of the candidate upon the nominating petition reasonably and sufficiently identifies the declarant or candidate and so long as there is no patent discrepancy between the name on the nominating petition and the name on the declaration of candidacy, the petition is valid and acceptable. 1952 Op. Att'y Gen. No. 52-5486 (opinion rendered under former law).

1-8-32. Primary Election Law; nominating petition; offenses; penalty.

A. Any person who knowingly falsifies any information on a nominating petition is guilty of falsifying an election document.

B. It is unlawful for any person to knowingly circulate, present or offer to present for the signature of another person a nominating petition that does not clearly show on the face of the petition the name of the candidate, the address at which the candidate resides, the candidate's county of residence and the office for which the candidate seeks nomination. Any person violating the provisions of this subsection is guilty of a misdemeanor and upon conviction therefor shall be imprisoned in the county jail for a definite term less than one year or to the payment of a fine of not more than one thousand dollars (\$1,000), or to both such imprisonment and fine in the discretion of the judge.

1-8-33. Primary Election Law; nominating petition; number of signatures required.

A. As used in this section, "total vote" means the sum of all votes cast for all of the party's candidates for governor at the last preceding primary election at which the party's candidate for governor was nominated.

B. Candidates who seek preprimary convention designation shall file nominating petitions at the time of filing declarations of candidacy. Nominating petitions for those candidates shall be signed by a number of voters equal to at least two percent of the total vote of the candidate's party in the state or congressional district, or the following number of voters, whichever is greater: for statewide offices, two hundred thirty voters; and for congressional candidates, seventy-seven voters.

C. Nominating petitions for candidates for any other office to be voted on at the primary election for which nominating petitions are required shall be signed by a number of voters equal to at least the greater of:

(1) for the public education commission, two percent of the total vote of the candidate's party in the district; for judicial candidates, two percent of the total vote of the candidate's party in the district or division; and for all other candidates, three percent of the total vote of the candidate's party in the district; or

(2) for metropolitan court and magistrate courts, ten voters; for the public education commission, twenty-five voters; for state representative, ten voters; for state senator, seventeen voters; and for district attorney and district judge, fifteen voters.

D. A candidate who fails to receive the preprimary convention designation that the candidate sought may collect additional signatures to total at least four percent of the total vote of the candidate's party in the state or congressional district, whichever applies to the office the candidate seeks, and file a new declaration of candidacy and nominating petitions for the office for which the candidate failed to receive a preprimary designation. The declaration of candidacy and nominating petitions shall be filed with the secretary of state either ten days following the date of the preprimary convention at which the candidate failed to receive the designation or on the date all declarations of candidacy and nominating petitions are due pursuant to the provisions of the Primary Election Law, whichever is later.

ANNOTATIONS

The 2023 amendment, effective June 16, 2023, reduced the nominating petition signature requirement for the public education commission and for judicial candidates; in Subsection C, Paragraph C(1), added "for the public education commission, two percent of the total vote of the candidate's party in the district; for judicial candidates, two percent of the total vote of the candidate's party in the district or division; and for all other candidates", and after "the candidate's party in the district", deleted "or division, or the following number of voters, whichever is greater".

The 2020 amendment, effective January 1, 2023, removed the public regulation commission from the calculation of petition signatures needed to run in a primary election; and in Subsection C, after "ten voters", deleted "for the public regulation commission, fifty voters".

Laws 2020, ch. 9, § 5 amended 1-8-33 NMSA 1978, effective January 1, 2023, contingent upon the adoption of Laws 2019, SJC/SRC/SJR Nos. 1 and 4, Constitutional Amendment 1, at the general election held on November 3, 2020. Constitutional Amendment 1 was adopted by a vote of 445,655 for and 355,471 against.

The 2008 amendment, effective February 29, 2008, added Subsection D.

The 2007 amendment, effective July 1, 2007, eliminated the procedure by which a candidate who failed to receive a preprimary convention designation could obtain a declaration of candidacy and nominating petition.

The 1998 amendment, effective March 6, 1998, inserted "; for the public regulation commission, fifty voters" in Subsection C.

The 1995 amendment, effective January 1, 1996, in Subsection B, deleted "do not" preceding "seek", substituted "two" for "three", and substituted the language beginning "or the following number" at the end for "as the case may be"; in Subsection C, substituted the language beginning "or the following number of voters" at the end for "as the case may be"; and in Subsection D, substituted "additional signatures to total at least four percent" for "signatures equal to at least three percent" and made minor stylistic changes.

The 1994 amendment, effective January 1, 1996, in Subsection B, inserted the first sentence and substituted "those candidates" for "a candidate for United States senator, any statewide officer or any candidate for United States representative" in the second sentence; deleted former Subsection D relating to the submission of nominating petitions and redesignated former Subsection E as Subsection D; and substituted "equal to at least three" for "from an additional one" in Subsection D.

The 1993 amendment, effective November 15, 1993, substituted "As used in this section, 'Total vote' means the sum of all votes cast for all of" for "The basis of percentage for the votes of the party in each instance referred to in this section shall be the total vote for" at the beginning of Subsection A, deleted "provided that in determining the total vote of the party on the nominating petition for a candidate for member of the legislature, absentee votes shall be excluded" at the end of Subsection C, and added Subsections D and E.

Rational results within the framework of our system are not likely to be reached if the ballot for a single office must list a dozen or more aspirants who are relatively unknown or have no prospects for success. Our electoral history vividly demonstrates that unrestricted primaries foster a rank and verdant growth of candidates. *Dillon v. King*, 1974-NMSC-096, 87 N.M. 79, 529 P.2d 745.

Legitimate state interest. — Free and open elections do not require a total lack of restraint on the number of political parties and nominees entitled to placement on the ballot. The state has a legitimate interest in trying to determine some degree of good faith on the part of electors who sign nominating petitions, in assuring at least a modicum of support for a political party and its nominees whose names are placed on the general election ballot, and in regulating the size of the ballot so as to minimize voter confusion and to prevent the overwhelming of voting machines. *Dillon v. King*, 1974-NMSC-096, 87 N.M. 79, 529 P.2d 745.

Official canvass record used in determining number of signatures required. — In determining the number of signatures required under former 3-11-7, 1953 Comp. to be contained in a petition for nomination the official canvass is to be the record that is used. 1964 Op. Att'y Gen. No. 64-35.

1-8-34. Primary Election Law; nominating petition; withdrawals and additions; copies made available.

A. A nominating petition when filed shall not be withdrawn nor added to, nor shall any person be permitted to revoke his signature thereon. A nominating petition shall be complete when filed. The proper filing officer shall not permit additions to or withdrawals from a nominating petition after it is filed nor shall any person be permitted to revoke his signature on a petition after it has been filed.

B. The original nominating petition shall remain in the filing officer's office and copies shall be made available by the filing officer for a nominal cost.

ANNOTATIONS

Inclusion of signatures filed for convention designation not prohibited. — This section should not be construed to prohibit the inclusion of the signatures originally filed by the candidate for convention designation in the total necessary to appear on the ballot using the alternate method. 1975 Op. Att'y Gen. No. 75-61.

Withdrawals must be 30 days before primary. — Section 3-11-54.1, 1953 Comp., governed withdrawals from primary elections by virtue of 3-11-20, 1953 Comp., and provided that such withdrawals must be at least 30 days prior to the primary election. 1964 Op. Att'y Gen. No. 64-28 (opinion rendered under former law).

1-8-35. Primary Election Law; nominating petition; limitation on appeals of validity of nominating petitions.

A. Any voter filing any court action challenging a nominating petition provided for in the Primary Election Law [1-8-10 to 1-8-52 NMSA 1978] shall do so within ten days after the last day for filing the declaration of candidacy with which the nominating petition was filed. Within ten days after the filing of the action, the district court shall hear and render a decision on the matter. The decision shall be appealable only to the supreme court and notice of appeal shall be filed within five days after the decision of the district court. The supreme court shall hear and render a decision on the appeal forthwith.

B. For the purposes of an action challenging a nominating petition, each person filing a nominating petition under the Primary Election Law appoints the proper filing officer as his agent to receive service of process. Immediately upon receipt of process served upon the proper filing officer, the officer shall, by certified mail, return receipt requested, mail the process to the person.

History: 1953 Comp., § 3-8-24.6, enacted by Laws 1973, ch. 228, § 9; 1975, ch. 295, § 18; 1985, ch. 2, § 7; 1993, ch. 55, § 8.

Request for expedited hearing. — Complaints challenging nominating petitions should be accompanied by a request for an expedited hearing, and the matter should immediately be called to the attention of the judge assigned to the case. *Charley v. Johnson*, 2010-NMSC-024, 148 N.M. 246, 233 P.3d 775.

Notice to the candidate of the proceeding. — Time is of the essence in a proceeding challenging a nominating petition, and plaintiff must notify the candidate of the action by serving the complaint on the candidate's statutory agent for service of process and by immediately delivering a copy of the complaint and notice of hearing to the candidate. *Charley v. Johnson*, 2010-NMSC-024, 148 N.M. 246, 233 P.3d 775.

Challenged signatures must be set forth in a single count. — Each signature challenged by the plaintiff must be set forth in a separate count in the complaint, and if the signature is challenged on multiple grounds, each of those grounds must be set forth in the count for that signature. *Charley v. Johnson*, 2010-NMSC-024, 148 N.M. 246, 233 P.3d 775.

Required procedure not followed. — Where plaintiffs challenged the sufficiency and validity of defendant's nominating petition for magistrate judge; plaintiffs neither filed a request for an expedited hearing when the complaint was filed nor obtained a setting within ten days of the filing of the complaint; the complaint did not state who conducted the search of the voter registration records; the complaint did not set forth each challenged signature and the multiple challenges to the signature as a separate count, but multiple signatures into a single count based on the type of challenge; plaintiffs did not attempt to deliver the complaint or a notice of hearing to defendant; and the county clerk testified summarily that the nominating petition had only eighteen valid signatures, but neither discussed each signature individually nor explained why the county clerk concluded that the remaining signatures were invalid, the district court erred by removing defendant's name from the ballot. *Charley v. Johnson*, 2010-NMSC-024, 148 N.M. 246, 233 P.3d 775.

Contest of primary election not governed by section. — After a primary election, the unsuccessful candidate or any other challenger has 30 days from date of issuance of the certificate of nomination, pursuant to 1-14-3 NMSA 1978, to properly contest the election; this section is not controlling. *Thompson v. The 1999 amendment, effective June 18, 1999, rewrote the section, which formerly read: "No candidate shall withdraw from a primary election unless he withdraws no later than the first Friday after the filing date."

Withdrawal before primary creates no vacancy. — When the only candidate for a county office for a given political party participating in the primary withdraws prior to the primary, no vacancy exists. 1956 Op. Att'y Gen. No. 56-6419.

Section applies at any time after filing of any declaration. Hence, the candidate would be required to file an affidavit of withdrawal on a separate sheet with the county clerk and then file a second declaration of candidacy. 1956 Op. Att'y Gen. No. 56-6407.

Withdrawal from first office necessary to file for second. — A person who filed for an office and then without the benefit of a formal withdrawal changed his original declaration and filed for a second office is eligible to run for the first office filed for and not the second as no withdrawal has been accomplished. The moneys paid by that person cannot be refunded and must be treated as a filing fee despite the mistake which was made by the candidate. 1956 Op. Att'y Gen. No. 56-6407.

Procedure for withdrawal. — A candidate may withdraw his candidacy before the official ballots are printed, a valid withdrawal being effected by notifying the officer with whom the declaration of candidacy was originally filed, before she issues her certificate. 1950 Op. Att'y Gen. No. 50-5294.

1-9-5. Requirement to use voting systems; sufficient check-in stations and voting booths.

A. Certified voting systems shall be used in all polling locations in all statewide elections.

B. The secretary of state shall provide to the county clerk of each county at least one optical scan tabulator for use in each polling location in the general and primary elections. At the request of a county clerk, the secretary of state shall provide additional optical scan tabulators for use in a polling place to accommodate the anticipated number of voters in that polling place and to preserve the secrecy of the ballot. C. The secretary of state shall provide to the county clerk of each county a sufficient number of check-in stations for use in each polling location in the primary and general elections when electronic rosters or their equivalents are used. The number of check-in stations at a polling location shall be capable of accommodating the number of voters who appeared to vote in person on election day from the precincts represented in a consolidated precinct in the same election held four years earlier or the number of voters who actually voted in that polling location four years earlier, whichever is greater; provided that no polling location shall be provided fewer than two check-in stations. No later than the last Tuesday in June of each odd-numbered year, the secretary of state shall determine how many voters a check-in station can accommodate in a day and develop a formula so that a check-in station is in use no more than seventy-five percent of the time. No later than the first Monday in August of the odd-numbered year, the county clerk in each county shall provide to the secretary of state the number of check-in stations required per polling location based on the formula provided by the secretary of state. Nothing in this section prohibits the board of county commissioners from acquiring additional check-in stations for use in an election, in addition to those provided by the secretary of state.

D. The county clerk shall ensure that an adequate number of voting booths are provided to ensure that voters in each polling location may cast their ballots in secret.

Notwithstanding the fact that voting machines may accommodate more than 600 voters, enactment of Laws 1951, ch. 192 (now repealed) did not supersede or repeal 3-2-1, 1953 Comp., requiring county commissioners to divide precincts and voting districts so that no polling place will be required to accommodate more than 600 voters. 1952 Op. Att'y Gen. No. 52-5489.

1-9-7.1. Voting system; use of paper ballot; access for blind or visually impaired voters.

A. All voting systems used in elections covered by the Election Code shall use a paper ballot on which the voter physically or electronically marks the voter's choices on the ballot itself.

B. The secretary of state shall purchase the paper ballots for all counties to use for primary and general elections. If a system designed to print ballots at a polling location is certified and the voting system certification committee finds that its use in a polling place would result in cost savings, the secretary of state shall acquire such systems and paper ballot stock in lieu of fully preprinted paper ballots for those polling places where cost savings would be realized.

C. The paper ballot shall be used in a recount proceeding, and in case of a discrepancy, the paper ballot shall be considered the true and correct record of the voter's choices.

ANNOTATIONS

Recompilations. — Laws 2009, ch. 150, § 10 recompiled former 1-12-44 NMSA 1978 as 1-10-12 NMSA 1978, effective June 19, 2009.

The legislature did not delegate to the secretary of state the authority to reinstate straight-ticket voting in New Mexico. — Where the New Mexico secretary of state sought to reinstate straight-ticket voting in the November 2018 general election, and where petitioners, a coalition of voters, political parties, and political organizations, filed a petition for writ of mandamus requesting an order prohibiting the secretary of state from further efforts to reinstate the straight-ticket option on the grounds that she does not possess the authority to do so, the writ of mandamus was issued because N.M. Const., Art. VII, § 1(B) gives the legislature plenary authority over elections, an authority which cannot be delegated and which is limited only by the New Mexico constitution. Moreover, the history of straight-ticket voting in New Mexico indicates that the legislature never delegated or attempted to delegate to the secretary of state the authority to decide whether straight ticket voting shall be an option to voters in general elections, and 1-10-12(F) NMSA 1978, which gives the secretary of state the authority to prescribe the form of the ballot, was never intended to authorize the secretary of state to decide questions related to straight-ticket voting. *Unite New Mexico v. Oliver*, 2019-NMSC-009.

When a write-in candidate has been qualified by the proper filing officer pursuant to the Election Code:

B. the write-in candidate's name shall not be pre-printed on the ballot, nor displayed or otherwise provided in any polling place by any election official or member of an election board.

History: 1953 Comp., § 3-12-81, enacted by Laws 1977, ch. 222, § 50; § 1-12-47 NMSA 1978, recompiled and amended as § 1-10-13 NMSA 1978 by Laws 2009, ch. 150, § 11; 2019, ch. 212, § 105.

Mandatory nature of statute. — This section does not require that law enforcement officers called to assist in establishing order in a polling place conduct an independent investigation of the premises or personally witness the polling place in disorder. The statute merely states that when called, an officer "shall render assistance". It is reasonably related to New Mexico's interests in protecting voters from intimidation at the polls and from preventing disruptions that might undermine the integrity of state elections. The statute is viewpoint neutral, and does not depend on the nature of or the reason for the disruption a particular citizen's presence at the polling place might cause. *Ramos v. Carbajal*, 508 F. Supp. 2d 905 (10th Cir. 2007).

1-12-4.1. Conduct of elections; suspension of certain voter identification requirements.

If on election day the amount of time voters must spend in line before being able to vote in the precinct exceeds forty-five minutes, the presiding judge of the precinct shall suspend all physical forms of voter identification requirements other than those mandated by federal law; provided, however, that at the request of two or more precinct board [election board] members of different political parties, a voter shall still present the required physical form of identification, and in the case of a voter who does not provide the required name, birth year and unique identifier, the voter shall still be required to present the required physical form of identification.

The 2003 amendment, effective July 1, 2003, substituted "county" for "precinct" in the first sentence of Subsection A; and rewrote Subsection B which read "No person shall vote in any primary election whose party affiliation is not designated on his original certificate of registration".

The 1999 amendment, effective June 18, 1999, in Subsection C, substituted "current certificate" for "original certificate", and deleted "at the time the governor issues the primary election proclamation" at the end; and deleted former Subsection D, which stated that no person shall vote in any primary, general or statewide special election whose name and certificate of registration number appears on the list of voters purged from the rolls.

The 1993 amendment, effective June 18, 1993, substituted "certificate" for "affidavit" throughout the section.

The 1991 amendment, effective April 2, 1991, added "at the time the governor issues the primary election proclamation" at the end of Subsection C.

Closed primary election system. — Under New Mexico's closed primary election system, a voter who wants to vote during the primary election must be affiliated with a major political party and can only vote for candidates of a party which is designated on the voter's current voter registration certificate. *Crum v. Duran*, 2017-NMSC-013.

New Mexico's closed primary election system is not unconstitutional. — Where plaintiff sued the secretary of state and the Bernalillo county clerk, seeking an injunction to enjoin them from prohibiting voters who declined to designate their political affiliation from voting during the primary election, the district court did not err in granting the motion to dismiss plaintiff's complaint, because requiring voters to designate their affiliation with a major political party at least twenty-eight days before the primary election, and only allowing voters to vote for candidates of a party which is designated on their voter registration, are reasonably modest burdens which further the state's interests in securing the purity of and efficiently administering primary elections. *Crum v. Duran*, 2017-NMSC-013.

A. At each election day polling location, other than a consolidated precinct where any voter in the county may vote, the precinct board [election board] shall post securely at or near the entrance of the polling place one copy of an alphabetical list of voters and a map of the precincts represented in that polling place for use of the voters prior to voting. The posted copy

shall not contain a listing of voter addresses, years, months or days of birth or social security numbers.

B. At each polling location where physical rosters are used, the presiding judge of the precinct board [election board] shall assign one judge or election clerk of the board to be in charge of one copy of the checklist of voters, which shall be used to confirm the registration and voting of each person offering to vote.

C. The presiding judge of the precinct board [election board] shall assign one judge or election clerk to be in charge of the signature roster.

D. The judge or election clerk assigned to confirm registration shall determine that each person offering to vote is registered and, in the case of a primary election, that the voter is either currently registered in a party designated on the primary election ballot or has declined to designate a party affiliation on the voter's certificate of registration and chooses to affiliate with a major political party for that primary election by requesting a ballot of a party designated on the primary election ballot. If the person's registration is confirmed and the voter provides the required voter identification, the judge or election clerk shall announce to the judges or election clerks the list number and the name of the voter as shown on the checklist of voters. If the voter does not provide the required voter identification, the voter shall be allowed to vote on a provisional paper ballot and shall provide the required voter identification to the county clerk's office before 5:00 p.m. on the second day following the election, or to the precinct board [election board] before the polls close, or the voter's provisional ballot shall not be qualified. If the required voter identification is provided, the voter's provisional paper ballot shall be qualified and the voter shall not vote on any other type of ballot.

E. The judge or election clerk shall locate the name on the signature roster and shall require the voter to sign the voter's usual signature or, if unable to write, to make the voter's mark opposite the voter's printed name. If the voter makes the voter's mark, it shall be witnessed by one of the judges or election clerks of the precinct board [election board].

F. If the signature roster indicates that the voter is required to present a physical form of identification before voting, the judge or election clerk shall ask the voter for the required physical form of identification. If the voter does not provide the required identification, the voter shall be allowed to vote on a provisional paper ballot; provided, however, that if the voter brings the required physical form of identification to the polling place after casting a provisional paper ballot, that ballot shall be qualified.

G. The judge or election clerk shall follow the procedures provided for in Sections 1-12-7.2 and 1-12-8 NMSA 1978 if a person whose name does not appear on the signature roster requests to vote or a person is required to vote on a provisional paper ballot.

H. A voter shall not be permitted to vote until the voter has properly signed the voter's usual signature or made the voter's mark in the signature roster.

B. The judges or election clerks in charge of the signature rosters shall add the voter's name and address in ink to the signature roster on the line immediately following the last entered voter's name, and the voter shall be allowed to sign an affidavit of eligibility and cast a provisional paper ballot; provided that the voter has first signed or marked both the signature roster and checklist of registered voters.

Upon making that determination, the county clerk shall transmit the ballot to the county canvassing board to be tallied and included in the canvass of that county for the appropriate precinct.

The 2023 amendment, effective June 16, 2023, revised the county clerk's post-election duties, and required that all ballots be tabulated by an election board; added a new Subsection A and redesignated former Subsections A and B as Subsections B and C, respectively; and added Subsection D.

The 2019 amendment, effective April 3, 2019, provided additional post-election duties for the county clerk; in the introductory clause, after "county", deleted "canvassing board" and added "clerk"; in Subsection A, added "prepare the report of the"; and added Subsection B.

Board may not examine actual ballots. — The county canvassing board is limited to examining only the "election returns." This does not include the actual ballots. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Board may not correct errors. — The duty of the county canvassing board is limited to finding errors, not correcting them. If an error is found, the precinct board and the secretary of state must be notified. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

"May" is not infrequently used interchangeably with "must," and where 1941 Comp. § 56-349(6) provided that original affidavits of registration, constituting the official registration list and record in the office of the county clerk may be considered a part of the official election returns, and

where the law required the board to canvass all of the returns of an election, the board had an absolute obligation to consider the certified list of registered electors. *Reese v. Dempsey*, 1944-NMSC-039, 48 N.M. 417, 152 P.2d 157.

Court not bound by board's certificate excluding unregistered votes. — Since it appeared affirmatively that the total number of unregistered votes cast was insufficient to alter result of the race, the district court was not bound by county canvassing board's certificate of election upon finding, correctly, that certificate improperly excluded returns from a precinct in which unregistered votes were allegedly cast. *Miera v. Martinez*, 1944-NMSC-005, 48 N.M. 30, 145 P.2d 487.

Effect of irregularity in registration. — Strong case is presented for holding that irregularity in registration does not affect status of voters as being duly registered where trial court finds on substantial evidence that person voting and person registered are one and the same. *Miera v. Martinez*, 1944-NMSC-005, 48 N.M. 30, 145 P.2d 487.

Mere irregularity does not void election. — Honest mistake or mere omission on part of election officers, or nonfraudulent irregularities, even though gross, will not void election unless they affect result, or render it uncertain. *Orchard v. Board of Comm'rs*, 1938-NMSC-011, 42 N.M. 172, 76 P.2d 41.

Order requiring board to cancel certificates proper where returns incomplete. — In proceeding to compel county canvassing board to canvass votes delivered late, order requiring board to cancel certificates of election previously issued was proper, although holders of previous certificates were not made parties to the proceeding. *Board of Cnty. Comm'rs v. Chavez*, 1937-NMSC-022, 41 N.M. 300, 67 P.2d 1007.

Canvassing officers not to determine legality of votes. — Section 2035 of Code 1915, providing that probate judge, with a justice of peace (now magistrate), should publicly examine vote polled for each candidate did not confer on canvassing officers the power to determine illegality of votes and reject them on that ground, because that was covered by § 55 of the same act, Code 1915, § 2069 (repealed by Laws 1927, ch. 41, § 722). *Bull v. Southwick*, 1882-NMSC-015, 2 N.M. 321.

Officials not entitled to compensation. — Since an omission to tally the results of a primary election was made by the election officials, the officials were not entitled to compensation as the provisions of the statute are mandatory. 1952 Op. Att'y Gen. No. 52-5563.

1-13-5. Post-election duties; county canvass; defective returns; correction.

A. The county canvassing board shall immediately issue a summons directed to the precinct board [election board], commanding them to forthwith appear and make the necessary corrections or supply omissions if:

(1) it appears on the face of the election returns that any certificate has not been properly executed;

(2) it appears that there is a discrepancy within the election returns;

(3) it appears that there is a discrepancy between the number of votes set forth in the certificate for any candidate and the number of electors voting as shown by the election returns;
or

(4) it appears that there is any omission, informality, ambiguity, error or uncertainty on the face of the returns.

B. The summons shall be served by the sheriff as in the manner of civil cases, and for each service the sheriff shall be allowed the same mileage as is paid in civil cases. The mileage shall be paid by each member of the precinct board [election board] served.

C. After issuing the necessary summonses, the county canvassing board shall proceed with the canvass of all correct election returns.

Mandamus proper remedy to enforce duty to count ballots. — When judges in a municipal election showed, in making their return under Comp. Laws 1897, §§ 1687 and 1689, that a certain number of ballots had been cast which they had failed to count for any candidate, mandamus, and not quo warranto, was the proper remedy to enforce compliance with the duty to count and make returns of such ballots. *Territory of New Mexico ex rel. Lester v. Suddith*, 1910-NMSC-068, 15 N.M. 728, 110 P. 1038.

Court presumes certificate authorized instrument. — In mandamus proceedings to compel county commissioners to canvass an election certificate, the appellate court will presume that trial court found a copy of certificate, which it admitted in evidence, to have been an instrument authorized by Comp. Commissioners not to review legality of votes. — Under former statute which provided that commissioners should determine results of election from returns of precinct judges and declare the result, it was their ministerial duty to count all votes passed by the judges and declare result from such returns alone, without sitting as a court of review passing upon legality of individual votes. *Bull v. Southwick*, 1882-NMSC-015, 2 N.M. 321.

Election contest and recount are not mutually exclusive. Although an election contest is a completely separate remedy from a recount, the election contest is a much broader remedy. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Election contest is special proceeding unknown to common law. — A contestant has a right to contest only in the manner and to the extent provided in the election contest statutes. *Montoya v. McManus*, 1961-NMSC-060, 1944-NMSC-013, 68 N.M. 381, 362 P.2d 771.

Right to challenge not precluded by prior adverse mandamus. — Contestant's right to challenge election of contestee in statutory election contest was not precluded by prior adverse judgment in mandamus proceeding instituted on relation of contestant. *Valdez v. Herrera*, 1944-NMSC-013, 48 N.M. 45, 145 P.2d 864.

Special statutory contest proceedings bar quo warranto. — The election contest being a special statutory proceeding, the right is not to be inferred from doubtful provisions, since granting of contest bars contestants from right to statutory quo warranto. *Montoya v. Gurule*, 1934-NMSC-092, 39 N.M. 42, 38 P.2d 1118.

Exclusive remedy for election contest. — Former article provided exclusive remedy for contest of elections and superseded remedy by quo warranto. *State ex rel. Abercrombie v. District Court of Fourth Judicial Dist.*, 1933-NMSC-057, 37 N.M. 407, 24 P.2d 265.

III. GROUNDS.

Elements of election contest. — An election contest is a challenge to the result of an election, as well as a challenge to the inherent validity of an election when the challenge would necessarily require overturning the results or effects of an election. An election contest can derive from a violation of a provision of the Election Code, from a violation of another statute governing the particular election at issue, or from the New Mexico Constitution. *Glaser v. LeBus*, 2012-NMCA-028, 274 P.3d 114.

Plaintiff's complaint presented an election contest under the Public Improvement District Act. — Where plaintiff alleged that the petition and ballot to form a public improvement district were invalid because they did not meet statutory requirements; that the information provided to the municipality and the voters prior to the formation election was false, fraudulent, or misleading; and that the ballot did not present a question that specifically addressed the authority to tax, the challenges to the underlying validity of the election based on a failure to comply with statutory requirements was an election contest governed by the Election Code's election contest procedures. *Glaser v. LeBus*, 2012-NMCA-028, 274 P.3d 114.

Sufficiency of complaint. — A complaint alleging that a candidate received a majority of the votes cast, and that the improper conduct of the election officials in refusing to count certain votes deprived him of victory, is sufficient to support an election contest. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Right to hold office is not property right nor is it vested one. *Montoya v. McManus*, 1961-NMSC-060, 68 N.M. 381, 362 P.2d 771.

Claimed majority as constitutional grounds. — A candidate's claimed majority, adversely affected by conduct of election officials, afforded sufficient grounds for an election contest under N.M. Const., art. VII, § 5. *Seele v. Smith*, 1947-NMSC-068, 51 N.M. 484, 188 P.2d 337.

Challenge to rights of voters should show bad faith, etc. — In absence of any showing of bad faith, fraud or reasonable opportunity for fraud, court will rather unsympathetically and most carefully examine any challenge to rights of a large number of voters in an election. *Valdez v. Herrera*, 1944-NMSC-013, 48 N.M. 45, 145 P.2d 864.

Allegation that unsuccessful candidate elected constitutes contest grounds. — Any allegations showing that the unsuccessful candidate was legally elected will constitute ground for election contest; allegation that contestant received majority of votes, but that ballots were fraudulently altered after return stated ground for contest. *Rogers v. Scott*, 1931-NMSC-027, 35 N.M. 446, 300 P. 441.

Election not set aside for mere irregularity. — If no fraud or illegal voting is shown, elections conducted fairly and honestly, will not be set aside for mere irregularity in the manner of the appointment of the election officers, or in the conduct of the election. *Carabaja v. Lucero*, 1916-NMSC-045, 22 N.M. 30, 158 P. 1088.

Court to reject illegal votes. — Code 1915, § 2069 (now repealed) provided "to reject any illegal votes that may be polled at any election . . . it shall not be necessary to contest or question them at the polls, but they may be rejected by the authorities qualified by law to determine the validity of said elections, by being proved, after due notice is given by the party contesting said election to the opposing party . . ." It was then the only mode by which illegal votes received and returned by the judges of election could be determined and rejected, and it was not to be done by the canvassing officers at the time the returns from several precincts were canvassed by them. The only lawful tribunal having jurisdiction to determine questions of this kind was the district court. *Bull v. Southwick*, 1882-NMSC-015, 2 N.M. 321.

IV. NONAPPLICABILITY.

Local option election not contestable. — Provision in local option election statute that those elections should be conducted in manner provided by law for general elections did not provide for election contest or recounts therein since general laws did not grant rights of contest or recount. *State ex rel. Denton v. Vinyard*, 1951-NMSC-030, 55 N.M. 205, 230 P.2d 238.

Remedy not lost due to knowledge of prior events. — A candidate is not deprived of his remedy by contest because of anything which happened prior to the contest where he did not participate, though it transpired with his knowledge or consent. *Valdez v. Herrera*, 1944-NMSC-013, 48 N.M. 45, 145 P.2d 864.

Contests not applicable to changing county seat. — Former contest provisions had no application to contest of election for changing county seat. *Orchard v. Board of Comm'rs*, 1938-NMSC-011, 42 N.M. 172, 76 P.2d 41.

Municipal school board election not contestable. — An election for members of board of education of a municipal school district was not contestable. *Auge v. Owen*, 1935-NMSC-074, 39 N.M. 470, 49 P.2d 1134.

Contests not applicable to land grant board of trustees. — Contest and recount provisions are applicable only to general elections for state, district and county offices, and not to election of board of trustees of land grant. *Montoya v. Gurule*, 1934-NMSC-092, 39 N.M. 42, 38 P.2d 1118.

District attorney may not entertain contest. — Code 1915, §§ 2060 to 2080 did not authorize district courts to entertain contest proceeding for office of district attorney. *Crist v. Abbott*, 1917-NMSC-009, 22 N.M. 417, 163 P. 1085.

In case of a contest of an election, the person holding the certificate of election shall take possession and discharge the duties of the office until the contest is decided.

History: 1953 Comp., § 3-14-2, enacted by Laws 1969, ch. 240, § 327.

ANNOTATIONS

Court not bound by certificate excluding returns. — Certificate of county canvassing board that contestee had been duly elected did not bind district court when certificate improperly excluded returns from a questioned precinct because unregistered persons supposedly voted and it affirmatively appeared that number of unregistered votes cast was not enough to alter the

election result. *Miera v. Martinez*, 1944-NMSC-005, 48 N.M. 30, 145 P.2d 487 (decided under former law).

Person holding certificate takes possession and discharges duties of office. — Election of justices of peace (now magistrates) may be contested before probate judge, and contest must be heard and determined in summary manner; pending such contest, person holding certificate of election takes possession and discharges duties of office. *Quintana v. Tompkins*, 1853-NMSC-001, 1 N.M. 29, *overruled on other grounds*, *Arellano v. Chacon*, 1859-NMSC-002, 1 N.M. 269, (decided under former law).

1-14-3. Contest of election; filing of complaint.

Any action to contest an election shall be commenced by filing a verified complaint of contest in the district court of the county where either of the parties resides. Such complaint shall be filed no later than thirty days from issuance of the certificate of nomination or issuance of the certificate of election to the successful candidate. The party instituting the action shall be known as the contestant, and the party against whom the action is instituted shall be known as the contestee. The Rules of Civil Procedure apply to all actions commenced under the provisions of this section.

History: 1953 Comp., § 3-14-3, enacted by Laws 1969, ch. 240, § 328; 1971, ch. 210, § 1.

ANNOTATIONS

Application of the Election Code to public improvement district formation elections. — The Election Code's thirty-day limitation period for filing a complaint to contest an election applies to a public improvement district formation election under the Public Improvement District Act. *Glaser v. LeBus*, 2012-NMSC-012, 276 P.3d 959.

Where the petitioners filed a complaint to contest an election to form a public improvement district under the Public Improvement District Act thirteen months after the election, the action was barred by the thirty-day limitation for filing a complaint to contest an election under the Election Code. *Glaser v. LeBus*, 2012-NMSC-012, 276 P.3d 959.

Shorter filing period in Rule 1-087 NMRA held invalid. — The 30-day filing period granted by the legislature in this section represents a substantive right which the supreme court has no power to reduce. Therefore, that portion of Rule 1-087 NMRA requiring notice of an election contest to be filed within 15 days of the issuance of the certificate of nomination is invalid, although other portions of the rule remain valid and must be followed. *Eturriaga v. Valdez*, 1989-NMSC-080, 109 N.M. 205, 784 P.2d 24.

"Election contest" construed. — Where petitioner sought a writ of mandamus directing respondent to effectuate the compilation of three constitutional amendments which were voted

on in three separate elections, and where the petition was filed one, five, and seven years after the elections at issue were certified, the petition was not time-barred, because the substantive issue presented, whether a simple majority of the voters was enough to approve the 2008, 2010, and 2014 amendments to N.M. Const., art. VII, § 1 is not an election contest and the 30-day filing period does not apply, because the petition, rather than seeking to alter the certified results of the elections, sought clarity about the meaning and effect of the uncontested certified results of the elections under the New Mexico constitution. *State ex rel. League of Women Voters v. Advisory Comm.*, 2017-NMSC-025.

Unverified petition dismissed. — A petition contesting the validity of a special bond election for the construction of a cultural facility did not invoke the jurisdiction of the district court, because it was not verified in accordance with this section, and was, therefore, properly dismissed. *Dinwiddie v. Board of Cnty. Comm'rs*, 1985-NMSC-099, 103 N.M. 442, 708 P.2d 1043, cert. denied, 476 U.S. 1117, 106 S. Ct. 1974, 90 L. Ed. 2d 658 (1986).

Notice of contest to allege contestant received more votes. — Since the objective of the contestant in an election contest is to be declared the winner, his notice of contest should allege that he has received more legal votes than the contestee, and a failure to so allege is not a claim showing that the contestant is entitled to relief. *Heth v. Armijo*, 1972-NMSC-011, 83 N.M. 498, 494 P.2d 160.

Function and effect of prayer in election contests does not differ from that in ordinary civil actions. *Heth v. Armijo*, 1972-NMSC-011, 83 N.M. 498, 494 P.2d 160.

Prayer to only determine relief sought or interpret ambiguity. — The prayer in election contests can be looked to and considered only to determine what relief is sought by the complaint, or to interpret any ambiguity in the complaint. *Heth v. Armijo*, 1972-NMSC-011, 83 N.M. 498, 494 P.2d 160.

Prayer not to determine if complaint states cause of action. — The prayer cannot be taken into account to determine whether or not the body of the complaint states a cause of action in ordinary civil cases, and the same is true in election contests. *Heth v. Armijo*, 1972-NMSC-011, 83 N.M. 498, 494 P.2d 160.

Rules of civil procedure apply to election contests except when inconsistent. *Heth v. Armijo*, 1972-NMSC-011, 83 N.M. 498, 494 P.2d 160.

District court only tribunal having original jurisdiction. — Under former statute providing for commencement of actions to contest elections, district court was only tribunal having original jurisdiction to determine questions regarding legality of individual ballots. *Bull v. Judgment shall be rendered in favor of the party for whom a majority of the legal votes shall be proven to have been cast, and shall be to the effect that he is entitled to the office in controversy with all the privileges, powers and emoluments belonging thereto and for his costs. If the contestant prevails he shall have judgment placing him in possession of the contested office and for the emoluments thereof from the beginning of the term for which he was elected and for his costs.

Purpose. — This section was intended to place the successful contestant of a general election into the office to which he is entitled. In the words of the statute, there is no "office in controversy" when the results of a primary are contested. It is the legal entitlement to the certificate of nomination which is in controversy. *Eturriaga v. Valdez*, 1963-NMSC-123, 109 N.M. 205, 784 P.2d 24.

County official recall elections. — The Election Code does not expressly cover an appeal of a decision concerning a county official recall election filed before the election occurred, because it was not, when filed, a contest of an election. *Sparks v. Constitutional power of superintending control used where appeal inadequate. — Since the right to vote of large segments of the population would remain undetermined unless a case is at least allowed to proceed beyond its present initial stage, as distinguished from the ordinary election contest, involving more appealable issues, the power of superintending control, described in N.M. Const., art. VI, § 3, may be exercised. In cases (1) where the remedy by appeal seems wholly inadequate, and (2) where the use of the power is necessary to prevent irreparable mischief, great, extraordinary or exceptional hardship, costly delays and unusual burdens of expense, it may be exercised. *Montoya v. McManus*, 1961-NMSC-060, 68 N.M. 381, 362 P.2d 771.

Election contest judgments reviewable under appeal, not writ of error. — Judgments in election contest cases could be reviewed in supreme court only under statute authorizing appeal, and writs of error did not lie to review such judgments under Laws 1917, ch. 43, §§ 1, 2, 4 (39-3-2, 39-3-15 and 39-3-5 NMSA 1978). *Hannett v. Either the contestant or contestee, within the time provided by the Election Code for the preservation of ballots, may give written notice with delivery confirmation to the county clerk of those counties wherein the contestant or contestee wishes the ballots preserved that a contest is pending in a designated court, and thereupon it is the duty of the county clerk to preserve the ballots of all precincts named in the notice of contest and answer until the contest has been finally determined.

As used in Sections 1-14-9 through 1-14-12 NMSA 1978, "ballots" includes tally sheets, registration certificates, paper ballots, absentee ballots, statements of canvass, absentee ballot applications and absentee ballot registers, but does not include voting machines.

ANNOTATIONS

Repeals and reenactments. — Laws 1971, ch. 249, § 1 repealed former 3-14-16, 1953 Comp., relating to contest of election, impounding ballots, and enacted a new 3-14-16, 1953 Comp.

The section was set out as amended by Laws 1993, ch. 316, § 57. See 12-1-8 NMSA 1978.

The 1991 amendment, effective April 2, 1991, substituted "include tally sheets" for "includes poll books, tally books, affidavits for assistance".

1-14-9. Impounding ballots; application for court order; deposit required.

A. Upon an order of the district court, ballots may be impounded during the period of time between the completion of the county canvass and the last day to file a candidate contest in that election.

B. Any candidate in an election may petition the district court for an order impounding ballots in one or more precincts or polling places within which the candidate's name appeared on the ballot. The action shall be brought in the district court for the county in which the precincts or polling places are located. The petition shall state what specific items of ballots are requested to be impounded. Upon receipt of the petition, along with a sufficient cash deposit or a sufficient surety bond to cover the costs of each precinct or polling place for which impoundment is demanded, the court shall issue an order of impoundment.

C. Ballots shall be impounded in the county courthouse or secured in the county clerk's office. When impounded ballots are being handled, a county clerk or the clerk's agent shall be present to ensure that all documents are properly catalogued and returned in proper order.

D. The state canvassing board shall determine the estimated actual cost of impoundment per polling place and for mailed ballots no later than March 15 of even-numbered years. The secretary of state shall post the impoundment cost determinations on the secretary of state's website when the state canvassing board issues its cost determinations.

History: 1953 Comp., § 3-14-16.1, enacted by Laws 1971, ch. 249, § 2; 2023, ch. 39, § 71.

ANNOTATIONS

The 2023 amendment, effective June 16, 2023, amended requirements for ballot impoundment, required the canvassing board to determine the estimated actual cost of impoundment per polling place and for mailed ballots, and required the secretary of state to post the impoundment cost determinations on the secretary of state's website; added a new Subsection A; in Subsection B, after "one or more precincts", added "or polling places", after "within which", deleted "he is a candidate" and added "the candidate's name appeared on the ballot", after "in which the precincts", added "or polling places", and after "cash deposit", deleted "of twenty-five dollars (\$25.00) per precinct" and added "or a sufficient surety bond to cover the costs of each precinct or polling place for which impoundment is demanded"; and added Subsections C and D.

1-14-10. Order of impoundment; contents.

The court order of impoundment shall specify the items of ballots to be impounded and shall direct the state police to:

- A. take immediate physical custody of any items ordered impounded and not in use in the precinct in the conduct of the election;
- B. take legal custody of items ordered impounded and being used in the conduct of the election by assigning an officer to be physically present in the precinct polling place until the polling place is closed and the results in the precinct have been tallied and certified as required by the Election Code [Chapter 1 NMSA 1978];
- C. take physical custody of items ordered impounded and being used in the conduct of the election as soon as the polling place is closed and the results in the precinct have been tallied and certified as required by the Election Code; and
- D. deliver all items ordered impounded and taken into physical custody to the district court clerk of the court entering the order for safekeeping subject to further orders of the court.

A. The party petitioning the court for the original order of impoundment may by motion to the court request an order allowing the party or his attorney access to and inspection of any items impounded. The court shall enter its order allowing access and inspection under conditions set by the court that will assure adequate safeguarding of the impounded items. The order shall, if

requested by the petitioner, allow for the copying or reproduction of any items by and at the expense of the petitioner.

B. Ten days from the date of the original order of impoundment or, if an order granting access and inspection has been entered, ten days after that order, the order of impoundment shall automatically terminate unless the court extends the time for good cause shown. The court shall in all cases order the impoundment of ballots terminated no later than thirty days after the entry of the original order of impoundment.

C. Upon the termination of an impoundment of ballots the items impounded shall be delivered by the district court clerk to the person that would have been entitled to the possession of the items under the Election Code [Chapter 1 NMSA 1978] if there had been no impoundment.

History: 1953 Comp., § 3-14-16.3, enacted by Laws 1971, ch. 249, § 4.

1-14-12. Disposition of deposit in impoundment proceedings.

If the petitioner shall successfully prosecute an election contest [contest] or recount proceeding that results in a change in his favor the court shall refund to him the deposit required under Section 1-14-9 NMSA 1978 less any amount expended for guarding and preserving the impounded ballots. In all other cases there shall be no refund. Any amounts not refunded shall be transmitted to the state treasurer for credit to the state general fund.

1-14-13. Post-election duties; proof that no corruption occurred; rejection of ballots.

A. In any election contest a prima facie showing that the precinct board [election board] of any precinct has failed to substantially comply with the provisions of the Election Code [Chapter 1 NMSA 1978] that protect the secrecy and sanctity of the ballot and prescribe duties of the precinct board [election board] during the conduct of election, shall cast upon the candidates of the political party having majority representation on the precinct board [election board] the burden of proving that no fraud, intimidation, coercion or undue influence was exerted by such members of the precinct board [election board], and that the secrecy and purity of the ballot was safeguarded and no intentional evasion of the substantial requirements of the law was made.

B. Upon failure to make such a showing upon which the court shall so find, the votes of that entire precinct shall be rejected; provided, that no such rejection shall be made where it appears to the court that the members of the precinct board [election board] ignored the requirements of the Election Code with the probable interest of procuring the rejection of the entire vote in the precinct.

1-14-13.1. Repealed.

History: Laws 2005, ch. 270, § 75; repealed by Laws 2009, ch. 233, § 3.

ANNOTATIONS

Repeals. — Laws 2009, ch. 233, § 3 repealed 1-14-13.1 NMSA 1978, as enacted by Laws 2005, ch. 270, § 75, relating to post-election duties, random voting system checks and recounts, effective June 19, 2009. For provisions of former section, see the 2008 NMSA 1978 on *NMOneSource.com*.

1-14-13.2. Post-election duties; voting system check.

A. At least ninety days prior to each statewide election or as soon as practicable prior to an election to fill a vacancy in the office of United States representative, the secretary of state shall contract with an auditor qualified by the state auditor to audit state agencies to oversee a check on the accuracy of precinct electronic vote tabulators, alternate voting location electronic vote tabulators and absent voter precinct electronic vote tabulators. The voting system check shall be conducted for all federal offices, for governor, for contests in the regular local election and for the statewide elective office, other than the office of the governor, for which the winning

candidate won by the smallest percentage margin of all candidates for statewide office in New Mexico. The voting system check is waived for any office for which an automatic recount is conducted.

B. For each selected office, the auditor shall publicly select a random sample of precincts from a pool of all precincts in the state no later than twelve days after the election. The random sample shall be chosen in a process that will ensure, with at least ninety percent probability for the selected offices, that faulty tabulators would be detected if they would change the outcome of the election for a selected office. The auditor shall select precincts starting with the statewide office with the largest winning margin and ending with the precincts for the statewide office with the smallest winning margin and then, in the same manner, select precincts from each congressional district. The size of the random sample for each office shall be determined as provided in Table 1 of this subsection. When a precinct is selected for one office, it shall be used in lieu of selecting a different precinct when selecting precincts for another office in the same congressional district, or for any statewide office. If the winning margin in none of the offices for which a voting system check is required is less than fifteen percent, a voting system check for that general election shall not be required.

C. After selecting the random sample of precincts pursuant to Subsection B of this section or as required for a regular local election, the auditor shall also randomly select one precinct from each county where a precinct was not selected in the random sample.

D. The auditor shall notify the appropriate county clerks of the precincts that are to be included in the voting system check upon their selection. The auditor shall direct the appropriate county clerks to open the locked ballot boxes and remove ballots from the selected precincts and:

(1) in a primary or general election, the auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for candidates for offices subject to the voting system check from the selected precincts for each office with the respective vote totals of a hand recount of the paper ballots from those precincts;

(2) in a regular local election, the size of the random sample shall be the largest number of precincts that were used for the random sample in the previous general election. The auditor shall direct the appropriate county clerks to compare the original machine count precinct

vote totals for the three contests with the closest margin between the two candidates receiving the greatest number of votes affecting the final outcome for an office from each of the selected precincts with the respective vote totals of a hand recount of the paper ballots from those precincts; provided that if there are fewer than three contested contests in a precinct, the auditor shall randomly select one or more contests so that three contests are included in the sample from that precinct; and

(3) in an election called to fill a vacancy in United States representative, the auditor shall direct the appropriate county clerks to compare the original machine count precinct vote totals for candidates for United States representative from the selected precincts with the respective vote totals of a hand recount of the paper ballots from those precincts.

E. The county clerks shall report their results to the auditor within fourteen days of the notice to conduct the voting system check unless a county clerk is aware of a recount in any office that includes one or more precincts in the county, in which case the county clerk shall report the results of the post-election audit to the auditor within fourteen days following the conclusion of the recount.

F. Based on the results of the voting system check and any other auditing results, the auditor shall determine the error rate in the sample for each office. If the winning margin decreases and the error rate based on the difference between the vote totals of hand recounts of the paper ballots and the original precinct vote totals exceeds ninety percent of the winning margin for an office, another sample equal in size to the original sample shall be selected and the original precinct vote totals compared to the vote totals of hand recounts. The error rate based on the first and second sample shall be reported, and if it exceeds ninety percent of the winning margin for the office, the state canvassing board shall order that a full hand recount of the ballots for that office be conducted.

G. The auditor shall report the results of the voting system check to the secretary of state upon completion of the voting system check and release the results to the public.

H. Persons designated as county canvass observers may observe the hand recount described in Subsection D of this section. Observers shall comply with the procedures governing county canvass observers as provided in Section 1-2-31 NMSA 1978.

I. If a recount for an office selected for a voting system check is conducted pursuant to the provisions of Chapter 1, Article 14 NMSA 1978, the vote totals from the hand count of ballots for that office in precincts selected for the voting system check may be used in lieu of recounting the same ballots for the recount.

J. All costs of a voting system check or required hand recount shall be paid in the same manner as automatic recounts.

K. The secretary of state may issue rules to implement voting system checks.

ANNOTATIONS

The 2023 amendment, effective June 16, 2023, amended requirements for voting system checks, revised post-election duties related to voting system audits, and authorized the secretary of state to issue rules to implement voting system checks; in Subsection A, after "prior to each", deleted "general" and added "statewide", after the next occurrence of "election", added "or as soon as practicable prior to an election to fill a vacancy in the office of the United States representative", after "for governor", added "for contests in the regular local election", and after "for any office for which", deleted "a" and added "an automatic"; added a new Subsection C and redesignated former Subsection C as Subsection D; in Subsection D, Paragraph D(1), added "in a primary or general election, the auditor shall direct the appropriate county clerks to", and after "precinct vote totals", deleted "including early absentee and absentee by mail machine count vote totals", and added Paragraphs D(2) and D(3); and redesignated former Subsections D through H as Subsections F through J, respectively; in Subsection E, after each occurrence of "auditor within", deleted "ten" and added "fourteen"; and added Subsection K.

The 2015 amendment, effective July 1, 2015, provided for a certain waiver for a voting system check; in Subsection A, after "New Mexico", added "The voting system check is waived for any office for which a recount is conducted."; in Table 1 of Subsection B, after "0.5 or less", deleted "automatic recount for that office" and added "165"; and in Subsection C, after "the appropriate county clerks to", added "open the locked ballot boxes, remove ballots from the selected precincts and", and after "voting system check", added the remainder of the subsection.

1-14-13.3. General election audit.

The secretary of state shall issue rules for the conduct and procedures of the post-election voting system check, set minimum qualifications for auditors eligible for selection to conduct post-election evaluations of the accuracy of voting systems and approve the contract terms for auditors. The state auditor shall review the rules, qualification standards and contract terms to ensure they meet audit standards.

ANNOTATIONS

Effective dates. — Laws 2009, ch. 233 contained no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, was effective June 19, 2009, 90 days after the adjournment of the legislature.

1-14-14. Recounts; rechecks; application.

A. Whenever any candidate believes that any error or fraud has been committed by any precinct board in counting or tallying the ballots, in the verification of the votes cast on the voting machines or in the certifying of the results of any election whereby the results of the election in the precinct have not been correctly determined, declared or certified, the candidate, within six days after completion of the canvass by the proper canvassing board, may have a recount of the ballots, or a recheck of the votes shown on the voting machines, that were cast in the precinct.

B. All applications for recount or recheck shall be filed with the secretary of state.

The 2023 amendment, effective June 16, 2023, provided that all applications for recount or recheck shall be filed with the secretary of state, and removed a provision requiring certain applications for recount or recheck be filed with the district judge for the county in which the applicant resides; in Subsection B, deleted "In the case of any office for which the state canvassing board issues a certificate of nomination or election, application" and added "All applications"; and deleted Subsection C.

The 2018 amendment, effective July 1, 2018, expanded the applicability of the section; in Subsection A, after "Whenever any candidate", deleted "for any office for which the state canvassing board or county canvassing board issues a certificate of nomination or election"; and in Subsection C, after "canvassing board", added "or secretary of state".

The 2009 amendment, effective June 19, 2009, in Subsection A, after "tallying the", deleted "emergency paper ballots or absentee"; and in Subsection B, after "recount of the", deleted "emergency paper ballots or absentee".

Election contest and recount are not mutually exclusive. Although an election contest is a completely separate remedy from a recount, the election contest is a much broader remedy. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Examination of write-in scrolls constitutes a "recheck", and is covered by this section. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Failure to request recount bars examination of write-ins. — The trial court correctly refuses to examine write-in scrolls in an election contest where the contestant failed to apply for a recount. *Weldon v. Sanders*, 1982-NMSC-136, 99 N.M. 160, 655 P.2d 1004.

Rights to election contest or recount are purely statutory and do not apply to local option elections. *State ex rel. Denton v. Vinyard*, 1951-NMSC-030, 55 N.M. 205, 230 P.2d 238.

Provisions not applicable to local option elections. — Provision in local option election statute that those elections should be conducted in manner provided by law for general elections did not provide for election contests or recounts therein since general laws did not grant rights of contest or recount. *State ex rel. Denton v. Vinyard*, 1951-NMSC-030, 55 N.M. 205, 230 P.2d 238.

Provisions not applicable to land grant board of trustees election. — Contest and recount provisions are applicable only to general elections for state, district and county offices, and not

to election of board of trustees of land grant. *Montoya v. Gurule*, 1934-NMSC-092, 39 N.M. 42, 38 P.2d 1118.

Application alleged in statute language sufficient. — Application for recount alleging in language of statute that applicant had reason to believe that error or fraud had been committed by election officers in counting ballots or certifying results was sufficiently specific. *Sandoval v. Madrid*, 1930-NMSC-118, 35 N.M. 252, 294 P. 631, *aff'd*, 1932-NMSC-052, 36 N.M. 274, 13 P.2d 877.

When sixth day after completion of canvass fell on Sunday, application for recount filed on Monday following was seasonable. *Sandoval v. Madrid*, 1930-NMSC-118, 35 N.M. 252, 294 P. 631, *aff'd*, 1932-NMSC-052, 36 N.M. 274, 36 N.M. 274, 13 P.2d 877.

County to handle recount of officials elected by one county. — The intent of the legislature was that counties should handle all matters relating to officials who were elected by the electors of one county alone. The fact that a candidate is nominated by the electors of only one county determines the place where he is to file his declaration of candidacy, who is to issue his certificate of nomination and who is to fill a vacancy in case the nominated candidate dies or withdraws. It does not seem logical to assume that the legislature intended that a different standard was to prevail in the case of recount. 1956 Op. Att'y Gen. No. 56-6478.

1-14-15. Recounts; rechecks; cost of proceedings.

A. An applicant for a recount shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state sufficient cash, or a sufficient surety bond, to cover the cost of a recount for each precinct for which a recount is demanded. An applicant for a recheck shall deposit with the proper canvassing board or, in the case of an office for which the state canvassing board issues a certificate of nomination or election, with the secretary of state sufficient cash, or a sufficient surety bond, to cover the cost of the recheck for each voting machine to be rechecked. The state canvassing board shall determine the estimated actual cost of a recount per polling place and for mailed ballots and a recheck per voting machine no later than March 15 of even-numbered years. The secretary of state shall post the recount and recheck cost determinations on the secretary of state's website when the state canvassing board issues its cost determinations.

B. The deposit or surety bond shall be security for the payment of the costs and expenses of the recount or recheck in case the results of the recount or recheck are not sufficient to change the results of the election.

C. If it appears that error or fraud sufficient to change the winner of the election has been committed, the costs and expenses of the recount or recheck shall be paid by the state upon

warrant issued by the secretary of finance and administration supported by a voucher of the secretary of state, or shall be paid by the county upon warrant of the county clerk from the general fund of the county, as the case may be.

D. If no error or fraud appears to be sufficient to change the winner, the costs and expenses for the recount or recheck shall be paid by the applicant. Costs shall consist of any docket fees, mileage of the sheriff in serving summons and fees and mileage of election board members, at the same rates allowed witnesses in civil actions. If error or fraud has been committed by an election board, the board members shall not be entitled to such mileage or fees.

ANNOTATIONS

Repeals and reenactments. — Laws 1978, ch. 48, § 1, repealed 3-14-19, 1953 Comp. (former 1-14-15 NMSA 1978), relating to recounts, rechecks and cost of proceedings, and enacted a new section.

The 2023 amendment, effective June 16, 2023, revised the provision related to the determination of the cost of a recount or recheck; in Subsection A, after "actual cost of a recount per", deleted "precinct" and added "polling place and for mailed ballots"; and in Subsection D, after "mileage of", deleted "precinct" and added "election", and after "committed by", deleted "a precinct" and added "an election"

The 2007 amendment, effective April 2, 2007, in Subsection A, required a deposit of sufficient cash to cover the cost of a recount or recheck and provided that the canvassing board shall determine the estimated actual cost of a recount per precinct and a recheck per voting machine no later than March 15 of even-numbered years.

The 2005 amendment, effective July 1, 2005, in Subsection B, provided that the state canvassing board may condition the issuance of the summons on receipt of a part or all of the estimated costs of the recount or recheck.

Compiler's note. — *Cobb v. State Canvassing Board*, 2006-NMSC-034, 140 N.M. 77, 140 P.3d 498, held the 2005 amendment to 1-14-15 NMSA 1978 unconstitutional and that Laws 2001, ch. 109, § 1 was still effective.

The 2001 amendment, effective June 15, 2001, in Subsection A, added the requirements that deposits for certain recounts or rechecks are to be deposited with the secretary of state; and substituted "secretary of state" for "state canvassing board" in Subsection C.

Unconstitutional delegation. — The 2005 amendment to 1-14-15 NMSA 1978, which gave the state canvassing board discretionary authority, without adequate standards to guide its discretion, to condition any voting recount and recheck on advance payment of the full estimated costs of the procedures is an unconstitutional delegation of legislative authority, with the result that the 2001 version of the statute is in effect. *Cobb v. State Canvassing Board*, 2006-NMSC-034, 140 N.M. 77, 140 P.3d 498.

Under the 2001 version of 1-14-15 NMSA 1978, the state canvassing board has no authority to require advance payment of the full estimated costs of a voting recount and recheck before starting the procedures. *Cobb v. State Canvassing Board*, 2006-NMSC-034, 140 N.M. 77, 140 P.3d 498.

Constitutionality of recount and bond provisions. — Where plaintiffs, the libertarian party of New Mexico, the chair of the libertarian party of New Mexico, and Stephen Curtis, a libertarian party of New Mexico candidate for a position on the New Mexico court of appeals during the 2020 New Mexico primary election, filed an action alleging that the discretionary recount and bond provisions set forth in § 1-14-15 NMSA 1978, violate the first amendment, the equal protection clause, and the due process clause of the United States constitution, and where the plaintiffs demonstrated by a preponderance of the evidence, through discrepancies between county canvass reports and state canvass reports, that fundamental unfairness in how New Mexico tabulates write-in ballots changed the election outcome for Mr. Curtis, and where the secretary of state could not proffer an explanation for the discrepancies, the court found that, although plaintiffs had a valid right-to-vote claim under the due process clause because they showed that a significant number of votes in the libertarian party primary election in Bernalillo county had not been counted, the discretionary recount provision does not violate the first amendment because the discretionary recount provision is a privilege and not a federal constitutional right and the bond requirement does not substantially burden voters rights to make free choices and to associate politically through the vote, that the discretionary recount provision does not violate the equal protection clause because the provision does not interfere with a fundamental right or discriminate against a suspect class and the bond requirement was rationally related to a legitimate governmental purpose of ensuring election fairness and accuracy, and that the discretionary recount provision and bond requirement do not render New Mexico's election process fundamentally unfair. *Curtis v. Oliver*, 479 F. Supp. 3d 1039 (D. N.M. 2020).

Bond in election contest proceeding was designed and intended by legislature to afford security for the payment of costs which might be adjudged against the obligor in the bond. The bond was designed as a protection to the opposite party to secure him in the collection of any judgment for costs which he might recover. *Montoya v. McManus*, 1961-NMSC-060, 68 N.M. 381, 362 P.2d 771.

Purpose was to require more in way of bond than written promise to pay. *Montoya v. McManus*, 1961-NMSC-060, 68 N.M. 381, 362 P.2d 771.

Term "bond" is commonly used in judicial procedure in connection with the giving of security for a stay of proceedings upon appeal or otherwise. *Montoya v. McManus*, 1961-NMSC-060, 68 N.M. 381, 362 P.2d 771.

Corporate surety bond not required. — A bond with personal sureties complied with this section, requiring "a sufficient surety bond," as a condition of a recount. The expression "of

commercial surety type" means substantially the same as "corporate surety type" and to require such a bond is going beyond the legislative fiat. *Montoya v. McManus*, 1961-NMSC-060, 68 N.M. 381, 362 P.2d 771.

State could not maintain action on bond to recover fees and mileage due to sheriff and election officials after recount, because state did not own the right sought to be enforced and judgment in its favor would not bar action by sheriff or election officials. *State v. Barker*, 1947-NMSC-010, 51 N.M. 51, 178 P.2d 401.

Individuals may qualify as sureties on the required bond. *Sandoval v. Madrid*, 1930-NMSC-118, 35 N.M. 252, 294 P. 631, *aff'd*, 1932-NMSC-052, 36 N.M. 274, 13 P.2d 877.

1-14-16. Recount or recheck proceedings.

A. Immediately after filing of the application for recount or recheck, or notice of an automatic recount, the appropriate canvassing board shall issue an order to the county clerk of each county where a precinct specified in the application or notice is located commanding the county clerk to convene a recount precinct board [election board] at the county seat on a day specified in the order, which date shall not be more than ten days after the filing of the application for a recount or recheck or notice of an automatic recount.

B. For all other offices, the number of ballots to be tallied and tabulated shall be equal to the greater of one hundred, or five percent, of the ballots cast for the office, distributed by county where applicable. If more than one electronic vote tabulating system is to be used in a county, the ballots to be recounted shall be divided among the electronic vote tabulating systems to be used, and the above process shall be performed on each electronic vote tabulating system based on the number of votes to be recounted on each individual electronic vote tabulating system.

If the results of the hand tally and the electronic vote tabulating system differ, the electronic vote tabulating system shall not be used in the recount and the remaining ballots shall be recounted by hand or on a different electronic vote tabulating system in which the results did not differ.

C. ARTICLE I Membership

Any state of the United States and the District of Columbia may become a member of this agreement by enacting this agreement.

Each member state shall conduct a statewide popular election for president and vice president of the United States.

ARTICLE III Manner of Appointing Presidential Electors in Member States

A. Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a "national popular vote total" for each presidential slate.

B. The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the "national popular vote winner".

C. The presidential elector certifying official of each member state shall certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner.

D. At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within twenty-four hours to the chief election official of each other member state.

E. The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state's final determination conclusive as to the counting of electoral votes by congress.

F. In event of a tie for the national popular vote winner, the presidential elector certifying official of each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official's own state.

G. If, for any reason, the number of presidential electors nominated in a member state in association with the national popular vote winner is less than or greater than that state's number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state's presidential elector certifying official shall certify the appointment of such nominees.

H. The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

I. This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

ANNOTATIONS

The 2021 (2nd S.S.) amendment, effective March 17, 2022, in the second sentence, after each occurrence of "district", deleted "number".

Constitution gives congress exclusive power over qualifications of its members. — United States Const., art. I, § 5, relating to the powers of congress, provides that each house shall be sole and exclusive judge of the election and qualifications of its own members and deprives the courts of jurisdiction to determine those matters. *State ex rel. Chavez v. Evans*, 1968-NMSC-167, 79 N.M. 578, 446 P.2d 445.

State law cannot add to or subtract from constitutional qualifications. — The constitutional qualifications for membership in the lower house of congress exclude all other qualifications, and state law can neither add to nor subtract from them. *State ex rel. Chavez v. Evans*, 1968-NMSC-167, 79 N.M. 578, 446 P.2d 445.

Court must look to creating authority for all qualifications. — The state may provide such qualifications and restrictions as it may deem proper for offices created by the state; but for offices created by the United States Constitution, the court must look to the creating authority for all qualifications and restrictions. *State ex rel. Chavez v. Evans*, 1968-NMSC-167, 79 N.M. 578, 446 P.2d 445.

Constitution does not require election of representatives by district. — While holding under 3-10-19.1, 1953 Comp., (now repealed) that at large elections in a state entitled to more than one congressman do not work an abridgement of the privileges and immunities clause of U.S. Const., amend. XIV, § 1, the court also said that U.S. Const., art. I, § 2 is not a mandate to state legislatures and to the congress to provide for election of representatives by districts, but is optional. *Norton v. ANNOTATIONS

Temporary provisions. — Laws 2021, ch. 17, § 1, effective April 1, 2021, repealed effective December 31, 2021, provided:

A. This section regulates the conduct of any election held in 2021 to fill a vacancy in the office of United States representative. To the greatest extent possible, the provisions of this section are to be read as supplemental to and in harmony with the provisions of the Election

Code; provided, however, that if a direct conflict exists with other provisions in the Election Code, the provisions of this section shall apply.

B. Each election day polling location located in the district established in the 2019 polling place resolution for each county or a location in the district established by any subsequent amendment to such a resolution shall operate as a voter convenience center.

C. A polling place located on Indian nation, tribal or pueblo land shall not be closed or consolidated with other polling locations, nor shall the days and times of voting be modified, without the written agreement of the Indian nation, tribe or pueblo where the polling location is located. If, as a result of public health concerns, voters registered within the Indian nation, tribe or pueblo are unable to leave the Indian nation, tribe or pueblo during the time when voting occurs for the election, regardless of whether voters residing outside the boundaries of the Indian nation, tribe or pueblo are able to access such polling locations, there shall be at least one polling location within the boundaries of the Indian nation, tribe or pueblo.

D. On behalf of each county clerk, the secretary of state shall automatically deliver to each mailable voter in the district a notice informing the voter of the date of the election, an internet web address where a voter may request a mailed ballot, a telephone number where a voter may call to request a paper mailed ballot application and a list of the days and times and addresses where voters may vote in person. The notice shall be mailed beginning on the fiftieth day before the election. As used in this subsection, a "mailable voter" is a voter in the district other than a voter:

(1) to whom a notice was sent pursuant to Subsection C of Section 1-4-28 NMSA 1978 in 2018 or 2020, and subsequent to the sending of the most recent notice:

(a) did not return the prepaid and pre-addressed return card provided pursuant to that section;

(b) has not filed a new or amended certificate of registration with a new address at which election-related mail is to be sent; and

(c) has not since voted;

(2) who registered to vote on or before December 31, 2016, has not submitted a new certificate of registration at any time since January 1, 2017 and has not voted in any election since January 1, 2017; or

(3) whose ballot is delivered pursuant to the provisions of the Uniform Military and Overseas Voters Act or the Intimate Partner Violence Survivor Suffrage Act.

E. Each mailed ballot sent to a voter in the election shall contain the following notice: "This ballot may be returned to the office of the county clerk or any open polling location in the county where you are registered to vote at any time up to and including the day of the election. If this ballot is returned by mail, to ensure timely postal delivery to the county clerk, the ballot should be mailed no later than _____. The date used in the notice shall be seven days prior to the election.

F. An application for a mailed ballot from a voter who is not a federal qualified elector is timely if received by the county clerk no later than fourteen days prior to the election. An application for a mailed ballot from a voter who is not a federal qualified elector that is received by the county clerk after the fourteenth day prior to the election shall be rejected, and if the application was received by the county clerk by the fourth day prior to the election, the county clerk shall within twenty-four hours of receipt of the application send a rejection notice to the voter that shall include a list of the early and election day polling locations in the county. The county clerk shall only accept applications for a mailed ballot submitted through the official web portal operated by the secretary of state or submitted on the official paper form sent to a voter by the county clerk, and shall process only the first request submitted by the voter. A request for a replacement ballot is not subject to the deadlines in this subsection.

G. If the application for a mailed ballot from a voter who is not a federal qualified elector indicates that the mailed ballot is to be delivered to an address other than an address listed on the voter's certificate of registration, the county clerk shall prepare a notice of requested mailed ballot. The notice of requested mailed ballot shall inform the voter of the address to which the ballot was mailed along with the phone number of the county clerk's office and the internet address of the voter web portal provided by the secretary of state. The notice of requested mailed ballot shall be delivered to the address provided on the voter's certificate of registration on the same day the county clerk delivers the mailed ballot to the address requested by the voter.

H. An application for a mailed ballot from a voter who is a federal qualified elector is timely if received by the county clerk no later than seven days prior to the election; provided that the voter provides information permitting secured electronic delivery of the ballot to the voter. An application for a mailed ballot from a voter who is a federal qualified elector who does not provide information permitting secured electronic delivery of the ballot is timely if received by the county clerk no later than fourteen days prior to the election.

I. To return a mailed ballot, each voter shall provide in the space provided for that purpose under the privacy flap of the official mailing envelope the voter's signature on a line located under the required attestation and the last four digits of the voter's social security number, which shall constitute the required voter identification. The attestation shall include the pre-printed name of the voter to whom the mailed ballot was sent. No additional information shall be required of a voter to return a mailed ballot.

J. Upon receipt of a mailed ballot, the county clerk shall remove the privacy flap to verify that the voter signed the official mailing envelope and confirm that the last four digits of the social security number provided by the voter matches the information available to the county clerk. If the signature is present and the last four digits of the voter's social security number match, the county clerk shall note in the absentee ballot register that the ballot was accepted and shall transfer the ballot to the special deputy for mailed ballots for delivery to the absent voter election board. If either the voter's signature is missing or the last four digits of the voter's social security number are not provided or do not match, the county clerk shall reject the mailed ballot and make the appropriate notation in the absentee ballot register and shall transfer the ballot to the special deputy for mailed ballots for delivery to the absent voter election board. If the mailed ballot is rejected, the county clerk shall within one day send the voter a notice of rejection, along with information regarding how the voter may cure the reason for the rejection. When an application for a mailed ballot is rejected pursuant to this section, the county clerk shall send a notice of rejection to the mailing address on the voter's certificate of registration and, if

different, also to the address listed on the voter's application for a mailed ballot. The determination of the county clerk to accept or reject a mailed ballot is subject to a later interposition of a challenge before the absent voter election board. In addition to existing procedures in the Election Code for qualifying a previously rejected absentee ballot after election day, a previously rejected absentee ballot may be qualified by the presiding judge and election judges of the absent voter election board before the day of the election if the ballot was rejected for the lack of a signature or missing required voter identification if the voter provides such information pursuant to procedures established by the secretary of state.

K. A political party with a candidate on the ballot may appoint a challenger to observe the determination made by the county clerk to accept or reject a mailed ballot. The challenger shall not interpose a challenge to the county clerk, but may make notes to interpose a challenge to the absent voter election board; provided that a challenger shall not copy, record or transcribe any portion of a voter's social security number. Challengers are subject to the same public health requirements as county clerk staff and election board members.

L. On election night, the absent voter election board shall recess upon the earlier of completion of its work or 11:00 p.m. An absent voter election board that recesses at 11:00 p.m. shall continue its work only between the hours of 9:30 a.m. and 8:00 p.m. on each subsequent day until the board has completed its work.

M. If the absent voter election board does not complete its work by 11:00 p.m. on election night, the county clerk shall notify the county sheriff's office that a deputy is required to be present to secure the room or facility where uncounted ballots are locked overnight. If the sheriff indicates a sheriff's deputy is unavailable, the county clerk shall notify the secretary of state who shall request state police to assign a patrolman to secure the room or facility where uncounted ballots are locked overnight. The county clerk shall provide as much notice as is practicable in order to secure law enforcement personnel to secure the uncounted ballots overnight. A sheriff's deputy or state police patrolman is required for overnight watch any time the absent voter election board is not present until the return of the absent voter election board. If neither a sheriff's deputy nor a state police patrolman is available, the county clerk or chief deputy shall remain on site until the return of the absent voter election board and shall allow any challenger or observer to remain present, as well.

N. When preparing the county canvass report, each county clerk shall appoint an election board to conduct a machine tabulation or hand tally if the county clerk has received and logged any:

- (1) paper ballots not previously tabulated;
- (2) mailed ballots delivered to an election board not previously tabulated;
- (3) provisional paper ballots that have been qualified and contain votes that are to be counted; or
- (4) ballots with write-in votes not previously counted.

O. Certificates of registration and cancellations of existing voter registrations not processed until after the election pursuant to existing law may be processed by the county clerk beginning the first Monday following the election; provided that such certificates of registration and

cancellations of existing voter registrations shall be processed beginning the first business day following approval of the report of the county canvass by the county canvassing board.

P. No later than fifty days before the election and in consultation with the department of health, the secretary of state shall procure sufficient personal protective equipment and sanitizing supplies for distribution to each county clerk and for each early, mobile and election day polling location.

Q. Nothing in this section shall alter or modify the time lines or procedures provided in the Uniform Military and Overseas Voters Act except for the deadlines provided in this section for the request of a military-overseas ballot by a voter who is a federal qualified elector. Nothing in this section shall alter or modify the time lines or procedures provided in the Intimate Partner Violence Survivor Suffrage Act.

R. The secretary of state shall deposit sufficient funds in the business reply mail account for each county clerk to ensure delivery of all mailed ballot applications and returned mailed ballots.

S. Notwithstanding any limitations to the contrary, the state board of finance shall authorize sufficient funds to be timely distributed to the secretary of state and the department of health for necessary and reasonable expenses incurred pursuant to this section.

T. The compiler shall not compile this section, but shall reference it in a compiler's note.

Ballot Questions

1-16-1. Ballot questions; application of Election Code.

At all elections at which any ballot question is submitted to the voters, the election shall be called, conducted and canvassed in accordance with the Election Code.

History: 1953 Comp., § 3-16-1, enacted by Laws 1969, ch. 240, § 374; 2019, ch. 212, § 133.

ANNOTATIONS

For voters' ratification of amendments, see N.M. Const., art. XIX, § 1.

For amendment of compact with the United States, see N.M. Const., art. XIX, § 4.

The 2019 amendment, effective April 3, 2019, removed references to "constitutional amendments" and added "ballot questions"; in the section heading, deleted "State constitutional amendments" and added "Ballot questions"; and after "which any", deleted "proposed constitutional amendment or" and added "ballot", and after "conducted", added "and canvassed".

Constitutional requirement to publish full text of other questions. — When the legislature stated that other questions should have their full text published "in accordance with the constitution of New Mexico" in 1-16-4 NMSA 1978 the reference is necessarily to the provision for publication in N.M. Const., art. XIX, § 1, as there is no other provision in the constitution setting forth the requirements for publication. *State ex rel. Constitutional Convention v. Evans*, 1969-NMSC-139, 80 N.M. 720, 460 P.2d 250.

Publication requirement must be complied with in adoption of new constitution. Election Code requires compliance with the publication provisions of N.M. Const., art. XIX, § 1, when the question of the adoption of the new constitution is published. *State ex rel. Constitutional Convention v. Evans*, 1969-NMSC-139, 80 N.M. 720, 460 P.2d 250.

Act proposing amendment election not submitted to referendum. — An act calling for a special election on a proposed constitutional amendment is not one that may, by petition of election, be submitted to referendum. *Hutcheson v. Gonzales*, 1937-NMSC-047, 41 N.M. 474, 71 P.2d 140 (decided under former law).

Applicability to referendum elections. — Former sections relating to mode of submitting questions to be presented to electorate, conduct of election thereon, manner of ascertaining result and certification thereof were applicable to referendum elections. *State v. Perrault*, 1929-NMSC-099, 34 N.M. 438, 283 P. 902 (decided under former law).

Withdrawals from petition for form of government election permitted. — Under Laws 1909, ch. 87 (now repealed), where petition had been presented for election upon question of commission form of government, withdrawals from petition were permitted and effectual. *Territory ex rel. Stockard v. Roswell*, 1911-NMSC-041, 16 N.M. 340, 117 P. 846 (decided under former law).

An insert subject to attack. — Publication of the proposed constitution and proclamation in the form of a removable insert similar to the Sunday supplement type inserts and advertising flyers included in newspapers would be subject to legal attacks. 1969 Op. Att'y Gen. No. 69-125.

Publication should be regular part of newspaper. — In order to insure that the material is "published in the newspaper" and not merely "distributed" therein, it should be published either as part of a regular section of the newspaper, or as a separate section containing the running head of the newspaper, the date of publication and some designation to indicate that it is a section of that day's newspaper. 1969 Op. Att'y Gen. No. 69-125.

Requirement for registrants list not applicable in amendment election. — Since a list of registrants can serve no useful purpose in connection with an election solely on constitutional amendments, former Section 3-2-30, 1953 Comp., requiring the clerk to furnish such a list, is neither practical nor applicable in such case. 1951 Op. Att'y Gen. No. 51-5403 (opinion rendered under former law).

ANNOTATIONS

Federal election law expressly preempts state election law with respect to election to federal office. — The Federal Election Campaign Act, 52 U.S.C. §§ 30101 et seq., expressly provides that it, and the rules prescribed under it, supersede and preempt any provision of state law with respect to election to federal office, and would therefore preempt any interpretation or application of New Mexico's Campaign Reporting Act (act), 1-19-25 to 1-19-36 NMSA 1978, that would prevent a state candidate from donating campaign funds to a candidate for federal office. As a result, the New Mexico secretary of state does not have the authority under the act to restrict donations from a state candidate's campaign funds to federal candidates. *Campaign Reporting Act* (9/2/21), [Att'y Gen. The 2024 amendment, effective May 15, 2024, added the definitions of "artificial intelligence", "depicted individual", "distribution platform" and "materially deceptive media" to the Campaign Reporting Act; added a new Subsection C and redesignated former Subsections C through J as Subsections D through K, respectively; added new Subsections L and M and redesignated

former Subsections K through O as Subsections N through R, respectively; and added a new Subsection S and redesignated former Subsections P through V as Subsections T through Z, respectively.

The 2019 amendment, effective July 1, 2019, defined "advertisement", "ballot question", "campaign expenditure", "coordinated expenditure", "independent expenditure", "legislative caucus committee", and "political party", and revised and removed the definitions of certain terms, as used in the Campaign Reporting Act; deleted former Subsection A, which defined "advertising campaign", and added a new Subsection A; added a new Subsection C and redesignated former Subsections C and D as Subsections D and E, respectively; in Subsection D, after "financial institution", deleted "located in New Mexico" and added "regulated by the United States or a state of the United States"; in Subsection E, after "authorized by a candidate to", deleted "raise, collect or expend contributions" and added "act", and after "office;", added "provided that a candidate shall not authorize more than one campaign committee"; added a new Subsection F and redesignated former Subsections E and F as Subsections G and H, respectively; in Subsection G, in the introductory clause, after "declaration of candidacy" deleted "or nominating petition" and added "and has not subsequently filed a statement of withdrawal", in Paragraph G(2), after "made expenditures of", deleted "two thousand five hundred dollars (\$2,500)", after "more", added "than three thousand dollars (\$3,000)", after "make expenditures of", deleted "two thousand five hundred dollars (\$2,500)", and after "more", added "than three thousand dollars (\$3,000)"; in Subsection H, added paragraph designations "(1)" and "(3)" and Paragraphs H(2) and H(4); added a new Subsection I and redesignated former Subsections G through J as Subsections J through M, respectively; in Subsection M, after "pre-primary convention", deleted "but does not include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee"; added new Subsections N and O and redesignated former Subsections K and L as Subsections P and Q, respectively; in Subsection Q, after "means", deleted the remainder of the introductory clause, deleted former Paragraphs (1) through (3), and added new Paragraphs Q(1) through Q(4); added new Subsection R and redesignated former Subsection M and N as Subsections S and T, respectively; in Subsection S, after "means", deleted "influencing or attempting to influence an election or pre-primary convention, including a constitutional amendment or other question submitted to the voters" and added "for the purpose of supporting or opposing a ballot question or the nomination or election of a candidate"; deleted former Subsection O, which defined "proper filing officer", and redesignated former Subsections P and Q as Subsections U and V, respectively.

2009 Multiple Amendments. — Laws 2009, ch. 68, § 2, effective November 3, 2010, in Subsection L(1), added "political parties".

Laws 2009, ch. 67, § 1, effective June 19, 2009, deleted Subsection R, which defined "statement of exception".

Severability. — Laws 2009, ch. 68, § 5 provided that if any part or application of this act is held invalid, the remainder or its application to other situations or persons shall not be affected.

The 2003 amendment, effective June 20, 2003, in Subsection G, inserted "to deliver" preceding "by certified", substituted "transmission" for "mail" preceding "or facsimile"; inserted "political committee" near the end of Subsection L; added designations Paragraphs L(1) to L(3); deleted "provided that a political committee includes" at the end of Paragraph L(1); substituted "five

hundred dollars (\$500)" for "two thousand dollars (\$2,000)" in Paragraph L(3); inserted "or electronic format" in Subsection N.

The 1997 amendment, effective June 20, 1997, added Subsection A and redesignated the following subsections accordingly.

The 1995 amendment, effective June 1, 1995, added Subsections H, J, N, O, and Q and redesignated the remaining subsections accordingly; in Subsection D, inserted "including a public official" and "nominating petition or"; in Subsection G, deleted "regular" before "primary"; in Subsection P, inserted "public official" and deleted "who contributes, receives contributions or makes expenditures as defined in the Campaign Reporting Act" following "political committee"; and made minor stylistic changes throughout the section.

The 1993 amendment, effective June 18, 1993, rewrote the section to the extent that a detailed comparison would be impracticable.

Campaign Reporting Act's "appeal to vote" definition is neither overbroad nor unconstitutionally vague. — Plaintiffs, arguing that the Campaign Reporting Act's definition of "independent expenditure" as an expenditure for an advertisement "susceptible to no other reasonable interpretation than as an *appeal to vote* for or against a clearly identified candidate or ballot question" was overbroad and vague, failed to establish that the definition in NMSA 1978, § 1-19-26(N)(3)(b) prohibited a substantial amount of protected speech. The Campaign Reporting Act's definition of "appeal to vote" in § 1-19-26(N)(3)(b), therefore, is neither overbroad nor unconstitutionally vague. *Republican Party of N.M. v. Torrez*, ___ F.Supp.3d ___ (D. N.M. 2023).

Campaign Reporting Act's "electioneering communication" definition is neither overbroad nor unconstitutionally vague. — Where plaintiffs challenged as overbroad and vague the Campaign Reporting Act's definition of "independent expenditure" as an expenditure for an advertisement that "refers to a clearly identified candidate or ballot question and is published and disseminated to the relevant electorate in New Mexico within thirty days before the primary election or sixty days before the general election at which the candidate or ballot question is on the ballot", and where plaintiffs argued that this definition, in NMSA 1978, 1-19-26(N)(3)(c), requires disclosure of all communications about a candidate or a ballot measure that are made close to an election, regardless of whether the speech qualifies as express advocacy and regardless of whether the communication is cabined in terms of medium and number of viewers targeted, plaintiffs failed in their burden of showing a substantial number of applications of the Campaign Reporting Act's definition of "independent expenditure" are unconstitutional, judged in relation to the statute's plainly legitimate sweep. The Campaign Reporting Act's definition of "electioneering communication" in § 1-19-26(N)(3)(c), therefore, is neither overbroad nor unconstitutionally vague. *Republican Party of N.M. v. Torrez*, ___ F.Supp.3d ___ (D. N.M. 2023).

Campaign Reporting Act's definition of "artificial intelligence" is not unconstitutionally vague. — This section's definition of "artificial intelligence" as a "machine-based or computer-based system that through hardware or software uses input data to emulate the structure and characteristics of input data in order to generate synthetic content, including images, video or audio" can reasonably be understood on its face by a person of ordinary intelligence as applying to generative AI applications capable of producing realistic deepfakes, and therefore the

definition does not appear to be facially overbroad or unconstitutionally vague. 2025 Op. Att'y Gen. No. 25-09.

Defining political committee. — The secretary of state cannot regulate as political committees those organizations which do not engage in express advocacy or the functional equivalent of advocacy for the election or defeat of candidates. *New Mexico Youth Organized v. Herrera*, No. 09-2212 (10th Cir. June 30, 2010).

Expenditures for political purposes independently of a candidate. — An expenditure of funds for political purposes separately and independently of a candidate is not, by itself, an in-kind contribution to the candidate. If, however, the person gives the goods, services or other product of the expenditure to the candidate, the goods, services or other product will constitute an in-kind contribution. 2010 Op. Att'y Gen. No. 10-03.

A political committee that makes contributions to candidates may solicit unlimited contributions from allowable persons on behalf of political committees that only make "independent expenditures". — The Campaign Reporting Act, §§ 1-19-25 to 1-19-36 NMSA 1978, limits the amounts persons may contribute to candidates, candidates' campaign committees, and political committees during primary and general election cycles, and further prohibits persons, including political committees, from knowingly soliciting or accepting contributions from other persons, including political committees, that exceed these limits, § 1-19-34.7(A)(1), (E), but § 1-19-34.7(I) provides that these limits and prohibitions do not apply to political committees that make "independent expenditures" only, and therefore a political committee that only makes independent expenditures may indirectly solicit unlimited contributions through a political committee that makes contributions to candidates, and further, a political committee that makes contributions to candidates may solicit unlimited contributions on behalf of a political committee that only makes independent expenditures. For similar reasons, an officeholder and a candidate may request third-party donors to contribute at any amount to a political committee that only makes independent expenditures. 2022 Op. Ethics Comm'n No. 2022-05.

A candidate may not solicit unlimited contributions for a political committee that makes expenditures to support the candidate's election. — The Campaign Reporting Act's prohibitions on fundraising do not apply to political committees that only make "independent expenditures", but if a candidate solicits contributions to be given to a political committee, and the political committee uses contributions to pay for advertisements supporting the candidate's election, then the political committee is not making an "independent expenditure", but is making a "coordinated expenditure", which is prohibited by 1-19-34.7(E) NMSA 1978. 2022 Op. Ethics Comm'n No. 2022-05.

Energy company's payment of legislators' expenses incidental to an educational tour need not be reported as in-kind donations. — Payments from an energy company that is proposing to build a nuclear waste storage facility in southeastern New Mexico for members of the New Mexico legislature to attend a series of educational programs at the company's Missouri nuclear generating station are not required to be reported by legislators on their filings with the secretary of state, because the energy company's payment of reasonable expenses for flights, meals, refreshments, and lodging incidental to the educational tour are not given for a political purpose and therefore are not contributions under 1-19-26(H)(1) NMSA 1978. 2020 Op. Ethics Comm'n No. 2020-03.

The Campaign Reporting Act does not apply to federal elections. — Members of the New Mexico legislature and certain other elected officials are prohibited from knowingly soliciting contributions governed by the Campaign Reporting Act between January 1 and the adjournment of any regular legislative session and between the proclamation and adjournment of any special session, 1-19-34.1 NMSA 1978, but the Campaign Reporting Act only applies to candidates in primary, general or statewide special elections in New Mexico and excludes federal elections from the application of the act, and therefore a New Mexico state legislator who solicited campaign contributions for the federal office of United States Representative during a state legislative session did not violate the Campaign Reporting Act. 2021 Op. Ethics Comm'n No. 2021-05.

Federal election law expressly preempts state election law with respect to election to federal office. — The Federal Election Campaign Act, 52 U.S.C. §§ 30101 et seq., expressly provides that it, and the rules prescribed under it, supersede and preempt any provision of state law with respect to election to federal office, and would therefore preempt any interpretation or application of New Mexico's Campaign Reporting Act (act), 1-19-25 to 1-19-36 NMSA 1978, that would prevent a state candidate from donating campaign funds to a candidate for federal office. As a result, the New Mexico secretary of state does not have the authority under the act to restrict donations from a state candidate's campaign funds to federal candidates. *Campaign Reporting Act* (9/2/21), [Att'y Gen. Adv. Ltr. 2021-11](#).

The Campaign Reporting Act (CRA) does not prohibit candidates for local elected office from using contributions received in local elections to support the candidate's subsequent campaign for an office covered by the CRA. — The Campaign Reporting Act (CRA) excludes municipal and special district offices from its definition of "election" thereby excepting candidates seeking municipal or special district elected office from the CRA's requirements concerning registration, disclosure, contributions, and expenditures, and the School District Campaign Reporting Act, §§ 1-22A-1 to 1-22A-10 NMSA 1978, permits the use of contributions for a candidate's election to any public office, including a public office subject to the CRA, and therefore a candidate for municipal, school district, or special district elected office is not prohibited by the CRA from using contributions to that candidacy to support the candidates subsequent campaign for an office covered by the CRA. Municipalities and special districts, however, may limit contributions or impose restrictions on the permissible use of those contributions by candidates for municipal or special district elected office. 2022 Op. Ethics Comm'n No. 2022-02.

1-19-26.1. Political committees; registration; disclosures; penalties.

A. It is unlawful for a political committee to continue to receive or make any contribution or expenditure for a political purpose if the committee fails to meet the requirements of Subsections B and C of this section.

B. A political committee shall appoint and maintain a treasurer, file a statement of organization with the secretary of state and pay a filing fee of fifty dollars (\$50.00).

C. A statement of organization required by Subsection B of this section shall be made under oath on a prescribed form showing:

- (1) the full name of the committee, which shall fairly and accurately reflect the identity of the committee, including any sponsoring organization, and its address;
- (2) a statement of the purpose for which the committee was organized;
- (3) the names and addresses of the officers of the committee; and
- (4) an identification of any bank account used by the committee to receive or make contributions or make expenditures.

D. Any changes to the information provided in the statement of organization shall be reported to the secretary of state within ten days.

E. If a political committee fails to update the statement of organization within the time prescribed in Subsection D of this section, the political committee is subject to a fine of five hundred dollars (\$500).

F. A state political party shall furnish to the secretary of state a list of each county political party associated with it and the names and contact information of the county party officers as submitted to the state political party. The list shall be updated quarterly if there have been any reported changes.

G. The provisions of this section do not apply to a political committee that is located in another state and is registered with the federal election commission if the political committee reports on federal reporting forms filed with the federal election commission all expenditures for and contributions made to reporting individuals in New Mexico and files with the secretary of state, according to the schedule required for the filing of forms with the federal election commission, a copy of either the full report or the cover sheet and the portions of the federal reporting forms that contain the information on expenditures for and contributions made to reporting individuals in New Mexico.

History: 1978 Comp., § 1-19-26.1, enacted by Laws 1993, ch. 46, § 2; 1995, ch. 153, § 2; 2002, ch. 89, § 2; 2019, ch. 262, § 5; 2021, ch. 109, § 1.

ANNOTATIONS

The 2021 amendment, effective July 1, 2021, provided a penalty for political committees that fail to update their statement of organization within the time prescribed, required state political parties to furnish to the secretary of state a list of each county political party associated with it, including contact information of the county party officers, and to update the list quarterly if there have been any reported changes; in the section heading, after "disclosures", added "penalties"; and added new Subsections E and F and redesignated former Subsection E as Subsection G.

The 2019 amendment, effective July 1, 2019, removed the five hundred dollar (\$500) threshold on amounts a political committee received, contributed or expended before it was required to meet the registration and other requirements of the provision, and required that any political committee must meet the specified requirements before it may receive or make any contributions or make expenditures for a political purpose; in Subsection A, after "political committee", deleted "that receives, contributes or expends in excess of five hundred dollars (\$500) in any calendar year", after "political purpose", deleted "unless that political committee

appoints and maintains a treasurer and registers with the secretary of state" and added "if the committee fails to meet the requirements of Subsections B and C of this section"; in Subsection B, after "shall", deleted "register" and added "appoint and maintain a treasurer, file a statement of organization", after "secretary of state", deleted "within ten days of receiving, contributing or expending in excess of five hundred dollars (\$500) by paying" and added "and pay"; added new subsection designation "C"; in Subsection C, in the introductory clause, after "organization", added "required by Subsection B of this section shall be made", deleted former Paragraph (3) and redesignated Paragraphs (4) and (5) as Paragraphs C(3) and C(4); added Subsection D and redesignated former Subsection C as Subsection E.

The 2002 amendment, effective May 15, 2002, substituted "five hundred dollars (\$500)" for "two thousand dollars (\$2,000)" in Subsections A and B.

The 1995 amendment, effective June 16, 1995, added Subsection C; substituted "two thousand dollars (\$2,000)" for "five hundred dollars (\$500)" in Subsections A and B; and in Subsection B, deleted "no later than ten days after the effective date of this section or" following "secretary of state" in the first sentence, inserted "identity of the committee, including any" in Paragraph (2), made a minor stylistic change in Paragraph (4), and deleted "account" following "bank" in Paragraph (5).

A state employee who also receives a monthly salary from a political campaign committee does not necessarily violate state ethics laws. — Although the Gift Act, 10-16B-1 to 10-16B-4 NMSA 1978, the Governmental Conduct Act, 10-16-1 to 10-16-18 NMSA 1978, the Financial Disclosure Act, 10-16A-1 to 10-16A-8 NMSA 1978, the Campaign Reporting Act, 1-19-25 to 1-19-36 NMSA 1978, and the State Ethics Commission Act, Chapter 10, Article 16G NMSA 1978, impose certain duties on state employees and regulate certain state employees' conduct, the limited set of facts presented in this request, that a state employee, while employed and performing regular public duties, is also receiving a monthly salary from a political campaign committee or political organization, do not establish a violation of any of the foregoing statutes. 2020 Op. Ethics Comm'n No. 2020-01.

1-19-26.2. Rules and regulations.

The secretary of state may adopt and promulgate rules and regulations to implement the provisions of the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978]. In adopting and promulgating these rules and regulations, the secretary of state shall comply with the provisions of the Administrative Procedures Act [12-8-1 to 12-8-25 NMSA 1978]. In addition to any other notification required pursuant to the provisions of Paragraph (2) of Subsection A of Section 12-8-4 NMSA 1978, the secretary of state shall notify all qualified political parties in the state and the New Mexico legislative council prior to adopting, amending or repealing any rule or regulation.

History: Laws 1997, ch. 112, § 1.

1-19-26.3. Campaign committee and political committee expenditures; disclosure; telephone calls; records.

A. A campaign committee or political committee that is required to register pursuant to the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978] shall not expend campaign or

political committee funds to directly or indirectly pay for a telephone call without disclosing to the recipient the name of the organization that authorized or paid for the call if the call:

(1) is one of five hundred or more calls that are similar in nature made during an election cycle by an individual or individuals, or by electronic means; and

(2) advocates support for, or opposition to, a candidate for public office or ballot measure.

B. The campaign committee or political committee that pays for a call referred to in Subsection A of this section shall be disclosed in the call unless the organization that authorized the call and in whose name it is placed has filing obligations pursuant to the Campaign Reporting Act and the name announced in the call is either:

(1) the full name by which the organization or individual is identified in any statement or report required to be filed pursuant to the Campaign Reporting Act; or

(2) the name by which the organization or individual is commonly known.

C. A campaign committee or political committee that pays directly or indirectly for telephone calls as described in Subsection A of this section shall maintain a record of the script of the calls for at least ninety days following election day. If any of the calls qualifying pursuant to Subsection A of this section are recorded messages, a copy of the recording shall also be maintained for that period.

D. A campaign committee or political committee may not contract with a phone bank vendor that does not disclose the information required to be disclosed by Subsection A or B of this section.

History: Laws 2002, ch. 89, § 1.

ANNOTATIONS

Effective dates. — Laws 2002, ch. 89 contained no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, was effective May 15, 2002, 90 days after adjournment of the legislature.

1-19-26.4. Disclaimers in advertisements; artificial intelligence; materially deceptive media; violation; penalty.

A. A person who makes a campaign expenditure, a coordinated expenditure or an independent expenditure for an advertisement in an amount that exceeds one thousand dollars (\$1,000), or in an amount that, when added to the aggregate amount of the campaign expenditures, coordinated expenditures and independent expenditures for advertisements made by the same person during the election cycle, exceeds one thousand dollars (\$1,000), shall ensure that the advertisement contains the name of the candidate, committee or other person who authorized and paid for the advertisement.

B. The requirements of Subsection A of this section do not apply to the following:

(1) bumper stickers, pins, buttons, pens and similar small items upon which the disclaimer cannot be conveniently printed; or

(2) skywriting, water towers, wearing apparel or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable.

C. The disclaimer statements required by Subsection A of this section shall be set forth legibly on any advertisement that is disseminated or displayed by visual media. If the advertisement is transmitted by audio media, the statement shall be clearly spoken during the advertisement. If the advertisement is transmitted by audiovisual media, the statement shall be both written legibly and spoken clearly during the advertisement.

D. If a person creates, produces or purchases an advertisement that contains materially deceptive media, the advertisement shall include a disclaimer. The disclaimer shall appear in a clear and conspicuous manner in every language used in the advertisement and shall indicate: "This ____ has been manipulated or generated by artificial intelligence". The blank line in the disclaimer shall be filled with each of the following terms that describes the media:

(1) image;

(2) video; or

(3) audio.

E. The disclaimer required in Subsection D of this section shall be included as follows:

(1) for visual media that is an image, the text of the disclaimer shall appear in a size that is easily readable;

(2) for visual media that is video, the disclaimer shall appear for the duration of the video in a size that is easily readable;

(3) for media that contains audio only, the disclaimer shall be read in a clearly spoken manner and in a pitch that can be easily heard at the beginning of the audio, at the end of the audio and, if the audio is greater than two minutes in length, interspersed within the audio at intervals of not greater than two minutes each; and

(4) for mixed media, there shall be a disclaimer in the same form as provided in this section for each form of media used.

F. Each occurrence of a person creating, producing or purchasing an advertisement subject to the disclaimer requirements as provided in Subsection D of this section that fails to meet the disclaimer requirements constitutes a separate violation. A person found to have violated the requirements provided in Subsection D of this section shall be subject to civil penalties as provided in Section 1-19-34.6 NMSA 1978.

G. It is not a violation of this section for:

(1) a radio or television broadcasting station, including a cable television, satellite television or streaming service operator, programmer or producer, that broadcasts an advertisement as part of a bona fide newscast, news interview, news documentary or on-the-spot coverage of a bona fide news event if the broadcast clearly acknowledges through content or a disclaimer, in a manner that can be easily read or heard, that the advertisement was generated in whole or in part by using artificial intelligence and does not accurately represent the speech or conduct of the depicted individual;

(2) a radio or television broadcasting station, including a cable television, satellite television or streaming service operator, programmer or producer, that broadcasts an advertisement when the station or streaming service is paid to broadcast the advertisement if the station or streaming service can show that it has disclaimer requirements that are consistent with the requirements provided in Subsection D of this section and that it provided those disclaimer requirements to each person or entity that purchased the broadcast or streaming of the advertisement;

(3) an advertisement that reasonably constitutes satire or parody if the advertisement includes a disclaimer consistent with the requirements provided in Subsection D of this section; and

(4) a distribution platform that published, posted or distributed an advertisement or a prerecorded phone message if the distribution platform can show that it has disclaimer requirements that are consistent with the requirements provided in Subsection D of this section and that it provided those disclaimer requirements to the person or entity that purchased the distribution of the advertisement or prerecorded phone message by or on the distribution platform.

H. Nothing in this section shall be construed to preclude a claim pursuant to any other section of law or any civil action for damages.

History: Laws 2019, ch. 262, § 2; 2024, ch. 57, § 2.

ANNOTATIONS

The 2024 amendment, effective May 15, 2024, added a disclaimer requirement for materially deceptive media, provided that a person found to have violated the disclaimer requirement is subject to civil penalties, and provided certain exceptions; in the section heading, added "artificial intelligence; materially deceptive media; violation; penalty"; and added Subsections D through H.

Campaign Reporting Act's definition of "artificial intelligence" is not unconstitutionally vague. — The definition of "artificial intelligence," as provided in 1-19-26(C) NMSA 1978 as a "machine-based or computer-based system that through hardware or software uses input data to emulate the structure and characteristics of input data in order to generate synthetic content, including images, video or audio" can reasonably be understood on its face by a person of ordinary intelligence as applying to generative AI applications capable of producing realistic deepfakes, and therefore the definition does not appear to be facially overbroad or unconstitutionally vague. 2025 Op. Att'y Gen. No. 25-09.

Statutes that create disclaimer language for political speech are subject to exacting scrutiny. — Statutes that create disclaimer requirements for political speech are subject to a lower standard of exacting scrutiny, rather than strict scrutiny, because such laws impose no ceiling on campaign-related activities and do not prevent anyone from speaking. Exacting scrutiny requires that the disclaimer requirement bear a substantial relationship to a sufficiently important governmental interest, and it requires that the disclaimer requirement be narrowly tailored to the government's asserted interest. 2025 Op. Att'y Gen. No. 25-09.

Constitutionality of disclaimer requirement. — The disclaimer requirement in 1-19-26.4(D) NMSA 1978 prevents viewers or listeners from being misled into believing that an advertisement depicts conduct or speech genuinely engaged in by the depicted individual. The disclaimer serves the sufficiently important governmental interest in protecting the voting public from misinformation or disinformation about an election, does not create an undue burden on an advertiser, and is narrowly tailored to the government interests it serves. The statute is therefore not impermissibly overbroad on its face. 2025 Op. Att'y Gen. No. 25-09.

The legislature's decision to exclude consensual depictions from the reach of the Campaign Reporting Act does not violate the first amendment. — The legislature intended to prevent a person's likeness from being used for a portrayal that the person had not approved; the legislature viewed a lack of consent as an integral component of the deception and falsity of the media. The disclaimer requirement in 1-19-26.4(D) NMSA 1978 merely alerts a viewer or listener that the depiction of the individual is not genuine, a disclaimer that would have less impact for consensual renderings. The disclaimer requirement is therefore substantially related to an important governmental interest and is narrowly tailored to the interest, and therefore the legislature's decision to exclude consensual depictions from the reach of the Campaign Reporting Act does not violate the first amendment. 2025 Op. Att'y Gen. No. 25-09.

Disclaimer requirement for advertisement reasonably constituting satire or parody is likely unconstitutional on its face. — The legislature expressly provided that an advertisement that reasonably constitutes satire or parody does not violate this section "if the advertisement includes a disclaimer consistent with the requirements provided in Subsection D of this section." Section 1-19-26.4 NMSA 1978 is designed to protect against misleading advertisements. By its nature, however, an advertisement that reasonably constitutes satire or parody is not likely to mislead a reasonable viewer or listener. The disclaimer is thus not substantially related to the governmental interests it is designed to protect and is not narrowly tailored for this purpose. 2025 Op. Att'y Gen. No. 25-09.

A political committee may make a coordinated expenditure on an advertisement that advocates both the election of clearly identified candidates and the passage of a clearly identified ballot question. — The Campaign Reporting Act, generally, does not purport to regulate the contents of a political committee's advertisements, and therefore, where a political committee intends to make a coordinated expenditure on an advertisement that advocates both the election of clearly identified candidates and the passage of a clearly identified ballot question, there is no violation of the Campaign Reporting Act. Whether an advertisement refers to a ballot question is immaterial to its classification as a coordinated or independent expenditure. For the coordinated expenditure, however, the political committee would be subject to contribution limits and disclosure requirements. 2022 Op. Ethics Comm'n No. 2022-08.

1-19-26.5. Political committees; acknowledgment of responsibilities; penalty.

A. Beginning on July 1, 2021, for all new political committees registering with the secretary of state, the treasurer for the political committee shall submit an electronically signed statement acknowledging the political committee's responsibilities on a form prescribed by the secretary of state within ten days of registering the political committee. The signed acknowledgment statement serves as notification of the responsibilities of the political committee to comply with the financial reporting prescribed in the Campaign Reporting Act and the potential personal liability of the treasurer for penalties assessed against the political committee.

B. The secretary of state shall notify the political committee of any individual who has failed to submit the acknowledgment statement. Failure to return the acknowledgment statement is a violation of this section for which a fine of one hundred dollars (\$100) may be assessed against the political committee. This section also applies to individuals named in an updated or amended registration who have not previously submitted an acknowledgment statement for the political committee.

C. For all political committees already registered with the secretary of state prior to July 1, 2021, the secretary of state shall notify the principal officer and treasurer of record requiring the treasurer to submit an acknowledgment form required in Subsection A of this section. If the political committee does not respond to the request made by the secretary of state or disputes current responsibility for the political committee, the political committee shall not raise or spend any funds until the registration is amended and the acknowledgment form has been signed.

D. If there are already fines accrued against a political committee previously registered with the secretary of state, the treasurer of record shall sign the acknowledgment statement accepting personal liability from that date forward. Outstanding fines are still due unless the secretary of state is compelled to file a petition in court to have the fines dissolved.

History: Laws 2021, ch. 109, § 18.

ANNOTATIONS

Effective dates. — Laws 2021, ch. 109, § 23 made Laws 2021, ch. 109, § 18 effective July 1, 2021.

1-19-26.6. Political committees; notice of resignation or removal of treasurer.

A. An individual who resigns as the treasurer of a political committee shall submit a written resignation statement to the secretary of state. An individual's resignation is not effective until the secretary of state receives the written resignation statement from the individual and a replacement treasurer is appointed for the political committee. If an individual is involuntarily removed from the position of treasurer, the political committee shall notify the secretary of state by amending the electronic registration maintained by the secretary of state. An individual who resigns as the treasurer of a political committee remains personally liable for any penalties or fines accrued during the time that the individual served in the position.

B. The secretary of state shall prescribe the form and process for notifying the secretary of state of a resignation or replacement of a treasurer and shall maintain all records electronically to the extent practicable.

1-19-26.8. Prohibited use of materially deceptive media; disclaimers required; crime for violation; exceptions; enforcement.

A. Except as otherwise provided in Subsections B through D of this section, it is a violation of the Campaign Reporting Act for a person to distribute or enter into an agreement with another person to distribute materially deceptive media. A person violates this subsection if that person distributes or enters into an agreement with another person to distribute materially deceptive media and:

- (1) the person knows the materially deceptive media falsely represents a depicted individual;
- (2) the distribution occurs within ninety days before an election; and
- (3) the person intends the distribution to result in altering the voting behavior of electors in an election by misleading the electors into believing that the depicted individual engaged in the speech or conduct depicted, and the distribution is reasonably likely to cause that result.

B. The prohibition provided in Subsection A of this section does not apply to materially deceptive media if that media includes a disclaimer that appears in a clear and conspicuous manner in every language used in the media and indicates: "This ____ has been manipulated or generated by artificial intelligence". The blank line in the disclaimer shall be filled in with each of the following terms that describes the media:

- (1) image;
- (2) video; or
- (3) audio.

C. The disclaimer required in Subsection B of this section shall be included as follows:

- (1) for visual media that is an image, the text of the disclaimer shall appear in a size that is easily readable;
- (2) for visual media that is video, the disclaimer shall appear for the duration of the video;
- (3) for media that contains audio only, the disclaimer shall be read in a clearly spoken manner and in a pitch that can be easily heard at the beginning of the audio, at the end of the audio, and if the audio is greater than two minutes in length, interspersed within the audio at intervals of not greater than two minutes each; and
- (4) for mixed media, there shall be a disclaimer in the same form as provided in this section for each form of media used.

D. A person found to have willfully and knowingly violated the prohibition provided in Subsection A of this section is guilty of a crime as follows:

- (1) for a first conviction, a misdemeanor; and
- (2) for a second conviction, a fourth degree felony.

E. Enforcement of the provisions of this section, including injunctive relief, against a person who violates this section may be sought in any court of competent jurisdiction by any of the following:

- (1) the attorney general;
- (2) a district attorney;
- (3) a depicted individual who is falsely represented;
- (4) a candidate for office who has been injured or is likely to be injured by the distribution of materially deceptive media; or
- (5) any organization that represents the interests of voters who are likely to be misled by the distribution of materially deceptive media.

F. Nothing in this section shall be construed to preclude a claim pursuant to any other section of law or any civil action for damages.

History: 1978 Comp., § 1-19-26.8, enacted by Laws 2024, ch. 57, § 3.

ANNOTATIONS

Effective dates. — Laws 2024, ch. 57 contained no effective date provision, but, pursuant to N.M. Const., art. IV, § 23, was effective May 15, 2024, 90 days after adjournment of the legislature.

Campaign Reporting Act's definition of "artificial intelligence" is not unconstitutionally vague. — The definition of "artificial intelligence" as provided in 1-19-26(C) NMSA 1978 as a "machine-based or computer-based system that through hardware or software uses input data to emulate the structure and characteristics of input data in order to generate synthetic content, including images, video or audio" can reasonably be understood on its face by a person of ordinary intelligence as applying to generative AI applications capable of producing realistic deepfakes, and therefore the definition does not appear to be facially overbroad or unconstitutionally vague. 2025 Op. Att'y Gen. No. 25-09.

Statutes that create disclaimer language for political speech are subject to exacting scrutiny. — Statutes that create disclaimer requirements for political speech are subject to a lower standard of exacting scrutiny, rather than strict scrutiny, because such laws impose no ceiling on campaign-related activities and do not prevent anyone from speaking. Exacting scrutiny requires that the disclaimer requirement bear a substantial relationship to a sufficiently important governmental interest, and it requires that the disclaimer requirement be narrowly tailored to the government's asserted interest. 2025 Op. Att'y Gen. No. 25-09.

Constitutionality of disclaimer requirement. — The disclaimer requirement in 1-19-26.8(B) NMSA 1978 prevents viewers or listeners from being misled into believing that certain media depicts conduct or speech genuinely engaged in by the depicted individual. The disclaimer serves the sufficiently important governmental interest in protecting the voting public from misinformation or disinformation about an election, does not create an undue burden on a distributor, and is narrowly tailored to the government interests it serves. The statute is therefore not impermissibly overbroad on its face. 2025 Op. Att'y Gen. No. 25-09.

The legislature's decision to exclude consensual depictions from the reach of the Campaign Reporting Act does not violate the first amendment. — The legislature intended

to prevent a person's likeness from being used for a portrayal that the person had not approved; the legislature viewed a lack of consent as an integral component of the deception and falsity of the media. The disclaimer requirements in 1-19-26.4(D) NMSA 1978 and 1-19-26.8(B) NMSA 1978 merely alert a viewer or listener that the depiction of the individual is not genuine, a disclaimer that would have less impact for consensual renderings. The disclaimer requirements are therefore substantially related to an important governmental interest and are narrowly tailored to the interest, and therefore the legislature's decision to exclude consensual depictions from the reach of the Campaign Reporting Act does not violate the first amendment. 2025 Op. Att'y Gen. No. 25-09.

Subsection E does not grant private individuals the authority to appear on behalf of the state for purposes of seeking civil or criminal penalties. — The legislature is presumed to be aware of existing law when it undertakes to amend its own statutes, and therefore if 1-19-26.8(E) NMSA 1978 were construed to authorize private prosecutions, it would conflict with 36-1-19 NMSA 1978 and the constitutional and statutory authority of the attorney general and the district attorneys to represent the state in criminal proceedings; such a construction of the statute would be contrary to established rules of statutory construction. Therefore, interpreting the statute as a whole and *in pari materia* with other statutes, there is little question that the legislature intended to allow the private individuals listed in 1-19-26.8(E) NMSA 1978 to seek injunctive relief for a violation of this section but not to seek civil or criminal penalties on behalf of the State. 2025 Op. Att'y Gen. No. 25-09.

1-19-27. Reports required; electronic reporting system; campaign reporting system fund.

A. All reporting individuals shall file with the secretary of state reports of expenditures and contributions and statements of no activity when required by the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978] in an electronic format prescribed by the secretary of state.

B. The secretary of state shall develop or contract for services to develop an electronic reporting system for reporting individuals to register with the secretary of state and file all reports of expenditures and contributions and statements of no activity as required by the Campaign Reporting Act. The electronic reporting system shall:

- (1) enable a person to register and file reports online by electronically submitting the relevant data to the secretary of state's website;
- (2) for the submission of data, use unique identifiers and master drop-down lists of candidates, political committees, lobbyists and, to the extent reasonably possible, master lists of contributors, occupations, expenditure types and contribution types;
- (3) provide the data in open, structured formats for easy search and download to allow for public inspection of all report data from the secretary of state's website;
- (4) provide for cross-checking and compliance features;
- (5) provide for online registration and fee payment for political committees and lobbyists;

(6) integrate, to the extent possible, with the reporting required by the Lobbyist Regulation Act [Chapter 2, Article 11 NMSA 1978];

(7) to the extent possible, provide for a mechanism to directly upload the required data from other third-party tools; and

(8) provide for encrypted transmissions.

C. Registration fees collected by the secretary of state from lobbyists and political committees shall be deposited in the "campaign reporting system fund", which is hereby created in the state treasury. Money in the fund is appropriated to the secretary of state for the purposes of paying for upgrades, maintenance and operation of the electronic reporting system. Money remaining in the fund at the end of a fiscal year shall not revert to the general fund.

The costs of educational programs related to a legislator's official duties need not be reported as in-kind donations. — The costs of certain educational programs offered by an energy company to members of the New Mexico legislature that pertain to the energy company's proposed nuclear waste storage facility in southeastern New Mexico need not be characterized or included as in-kind donations on a legislator's campaign finance report if the educational programs are for the purpose of informing members of the New Mexico legislature about the storage facility and not offered for a political purpose. *Educational Program Exception under the New Mexico Gift Act* (4/22/20), [Att'y Gen. A political committee may make a coordinated expenditure on an advertisement that advocates both the election of clearly identified candidates and the passage of a clearly identified ballot question. — The Campaign Reporting Act, generally, does not purport to regulate the contents of a political committee's advertisements, and therefore, where a political committee intends to make a coordinated expenditure on an advertisement that advocates both the election of clearly identified candidates and the passage of a clearly identified ballot question, there is no violation of the Campaign Reporting Act. Whether an advertisement refers to a ballot question is immaterial to its classification as a coordinated or independent expenditure. For the coordinated expenditure, however, the political committee would be subject to contribution limits and disclosure requirements. 2022 Op. Ethics Comm'n No. 2022-08.

E. If a person who has made a report required by this section is required to make subsequent reports during the election cycle, the information concerning contributions in the subsequent reports shall cover only contributions not previously reported.

- (1) no later than the second Monday in April, a report of all expenditures made and contributions received on or before the first Monday in April and not previously reported;
- (2) no later than the second Monday in May, a report of all expenditures made and contributions received on or before the first Monday in May and not previously reported;

Reports shall be required until the reporting individual delivers a report to the secretary of state stating that:

(1) there are no outstanding campaign debts;

(2) all money has been expended in accordance with the provisions of Section 1-19-29.1 NMSA 1978; and

(3) the bank accounts have been closed.

G. If, during a nonelection year, a political committee has not received any contributions or made any coordinated or independent expenditures since it filed its last report pursuant to this section, it need not file any report under this section until the next reporting period, if any, in which it receives contributions or makes expenditures. A political committee that has not received any contributions or made any coordinated or independent expenditures for a continuous period of at least one year may cancel its registration as a political committee by submitting an appropriate request in writing to the secretary of state. The committee shall retain the obligation to submit a new registration pursuant to Section 1-19-26.1 NMSA 1978 in the event that its future activities meet the requisites for registration under that section.

H. A reporting individual who is a candidate within the meaning of the Campaign Reporting Act because of the amount of contributions the candidate receives or expenditures the candidate makes and who does not ultimately file a declaration of candidacy or a nominating petition with the secretary of state and does not file a statement of no activity shall file biannual reports in accordance with Subsection A of this section.

I. Reports required by this section shall be subscribed and sworn to by the candidate or the treasurer of the political committee or, in the case of candidates for judicial office, by the treasurer of the candidate's campaign committee. A report filed electronically shall be electronically authenticated by the candidate or the treasurer of the committee using an electronic signature in conformance with the Electronic Authentication of Documents Act [14-15-1 to 14-15-6 NMSA 1978] and the Uniform Electronic Transactions Act [Chapter 14, Article 16 NMSA 1978]. For the purposes of the Campaign Reporting Act, a report that is electronically authenticated in accordance with the provisions of this subsection shall be deemed to have

been subscribed and sworn to by the candidate or the treasurer of the committee who was required to file the report.

J. Reports required by this section shall be filed electronically by all reporting individuals.

K. Reporting individuals may apply to the secretary of state for exemption from electronic filing in case of hardship, which shall be defined by the secretary of state.

A political committee may make a coordinated expenditure on an advertisement that advocates both the election of clearly identified candidates and the passage of a clearly identified ballot question. — The Campaign Reporting Act, generally, does not purport to regulate the contents of a political committee's advertisements, and therefore, where a political committee intends to make a coordinated expenditure on an advertisement that advocates both the election of clearly identified candidates and the passage of a clearly identified ballot question, there is no violation of the Campaign Reporting Act. Whether an advertisement refers to a ballot question is immaterial to its classification as a coordinated or independent expenditure. For the coordinated expenditure, however, the political committee would be subject to contribution limits and disclosure requirements. 2022 Op. Ethics Comm'n No. 2022-08.

1-19-29.1. Campaign funds; limitation on use.

A. It is unlawful for a candidate or the candidate's agent to make an expenditure of contributions received, except for the following purposes or as otherwise provided in this section:

- (1) expenditures of the campaign;
- (2) expenditures of legislators that are reasonably related to performing the duties of the office held, including mail, telephone and travel expenditures to serve constituents, but excluding personal and legislative session living expenses;
- (3) donations to the state general fund;
- (4) donations to an organization to which a federal income tax deduction would be permitted under Subparagraph (A) of Paragraph (1) of Subsection (b) of Section 170 of the Internal Revenue Code of 1986, as amended;
- (5) expenditures to eliminate the campaign debt of the candidate for the office sought or expenditures incurred by the candidate when seeking election to another public office covered by the Campaign Reporting Act;
- (6) donations to a political committee or to another candidate seeking election to public office; or
- (7) disbursements to return unused funds pro rata to the contributors if no campaign debt exists.

B. A judge subject to a nonpartisan retention election or a candidate for judicial office shall solicit or accept campaign funds and return unused funds in accordance with the provisions of the Code of Judicial Conduct.

C. No contributions solicited for or received in a federal election campaign may be used in a state election campaign.

The 2009 amendment, effective November 3, 2010, in Paragraph (6) of Subsection A, after "political", changed "party" to "committee".

Severability. — Laws 2009, ch. 68, § 5 provided that if any part or application of this act is held invalid, the remainder or its application to other situations or persons shall not be affected.

The 1995 amendment, effective June 16, 1995, deleted "federal campaign funds prohibited in state races" following "use" in the section heading; in Subsection A, deleted "elected official" following "candidate" and inserted "or as otherwise provided in this section"; rewrote Paragraph (5) of Subsection A, which related to donations made to a political party, another candidate, or for the elimination of campaign debt; added Paragraphs (6) and (7) of Subsection A and made related changes; rewrote Subsection B which prohibited the use of contributions received in a federal election campaign in a state election campaign; and added Subsection C.

Subsection C of Section 1-19-29.1 violates the First Amendment to the United States Constitution. *New Mexicans for Bill Richardson v. Gonzales*, Memorandum Opinion and Order, Cv. No. 93-1135 JP (U.S. Dist. Ct. D. N.M. filed August 2, 1996).

Ripeness of challenge on first amendment grounds. — Although the congressman had not officially declared a candidacy for state office, this section's prohibition against using funds raised during a federal campaign for a statewide race created a direct and immediate dilemma for the congressman, and he should not have had to risk prosecution under this section before his challenge on first amendment grounds was ripe for judicial action. *New Mexicans for Bill Richardson v. Gonzales*, 64 F.3d 1495 (10th Cir. 1995).

A candidate for an office covered by the Campaign Reporting Act is not prohibited from donating campaign funds to a candidate for a municipal, school board, or special district election. — Although the Campaign Reporting Act excludes from its definition of "election", any municipal, school board or special district election, 1-19-29.1(A)(6) NMSA 1978 permits donations to another candidate seeking election to "public office," a position whose occupant has legal authority to exercise a government's sovereign powers for a fixed period, and municipal, school board, or special district offices meet this definition. Accordingly, 1-19-29.1(A)(6) NMSA 1978 permits donations of contributions received to candidates for public offices, including municipal, school board, and special district offices. 2021 Op. Ethics Comm'n No. 2021-11.

The Campaign Reporting Act does not prohibit a state campaign committee from making a donation to a municipal candidate. — Subsection 1-19-29.1(A)(6) NMSA 1978 of the Campaign Reporting Act permits the use of campaign contributions to make "donations to a political committee or to another candidate seeking election to public office"; the Campaign Reporting Act does not make a distinction between a federal, state or local candidate, and a plain reading of the law is that a donation to a candidate for any public office, federal, state or local, is permissible. It is permissible, therefore, under the New Mexico Campaign Reporting Act, for a state campaign committee to make a donation to a municipal candidate or local committee advocating for a municipal candidate. *Restrictions of Campaign Committee Contributions to a Municipal Measure Finance Committee* (6/17/20), [Att'y Gen. Adv. Ltr. 2020-06](#).

A candidate for judicial office is prohibited from using contributions in a subsequent campaign for other public office. — Under the Campaign Reporting Act (CRA), a candidate for judicial office may solicit and accept campaign funds but must return unused funds in accordance with the provisions of the Code of Judicial Conduct, and likewise, 21-404(B) NMRA of the Code of Judicial Conduct permits candidates for elective judicial office to accept contributions to support a campaign for judicial office, but prohibits the retention of contributions received after the election takes place, and therefore the CRA, which incorporates the Code of Judicial Conduct by reference, prohibits a municipal judge who intends to run for county office in

2022 from transferring unexpended contributions received as a candidate for judicial office to a newly-formed campaign committee that supports his candidacy for county office. Moreover, 21-405 NMRA of the Code of Judicial Conduct prohibits a judge seeking appointment or election to a public, nonjudicial office from soliciting or accepting funds, either personally or through a committee, to support the candidacy. 2022 Op. Ethics Comm'n No. 2022-02.

A candidate may contract with a family member for bona fide goods or services to the candidate's campaign. — The Campaign Reporting Act, NMSA 1978, §§ 1-19-25 to -37, provides that a candidate may make an expenditure of campaign contributions for campaign expenses, and regulations promulgated by the secretary of state implementing the Campaign Reporting Act prohibit personal use of campaign funds, including payments to a candidate's family, but the regulations except from this prohibition situations where the family member is providing a bona fide service to the campaign and further specifies that any salary in excess of the fair market value of the services provided is personal use, and therefore a candidate may make payments to a member of the candidate's family so long as the family member provides bona fide goods or services to the campaign and is not being paid in excess of the fair market value for those goods or services. 2023 Op. Ethics Comm'n No. 2023-09.

A candidate must report the expenditure of personal funds for campaign expenditures, and may be reimbursed for those expenditures if they are a loan to the campaign. — Regulations promulgated by the secretary of state implementing the Campaign Reporting Act require candidates to report the use of personal funds for campaign expenditures. If a candidate expends personal funds on goods or services for the candidate's campaign, the expenditure must be reported either as a contribution or as a loan; if the expenditure is a loan, the candidate may be reimbursed for the expenditure so long as the campaign committee properly itemizes and reports the expenditures. 2023 Op. Ethics Comm'n No. 2023-09.

Expenditures for conferences and courses reasonably related to performing the duties of legislative office are permissible. — The Campaign Reporting Act, NMSA 1978, §§ 1-19-25(A)(2), provides that permissible uses of campaign funds includes expenditures of legislators that are reasonably related to performing the duties of the office held to serve constituents, and therefore a legislator may use campaign funds to pay for registration and associated travel to conferences and courses reasonably related to the elected legislative office. "Reasonably related" requires some degree of meaningful connection between the training and the legislative office held, and the use of campaign funds cannot be used for personal uses, which includes the use of campaign funds for personal travel, or travel associated with a training that is so broad or generalized it is not directly connected to the position of the legislative office held. 2024 Op. Ethics Comm'n No. 2024-02.

The Campaign Reporting Act does not prohibit a legislator from using campaign funds to cover childcare expenses where the expenses are reasonably related to performing the duties of office. — The Campaign Reporting Act and state regulations implementing the provisions of the Campaign Reporting Act provide that a campaign may expend funds for expenditures of the campaign or for expenditures reasonably related to the duties of office, but may not use campaign contributions for personal expenses, and therefore a legislator would be permitted under New Mexico law to expend campaign funds on expenditures for childcare expenses the legislator incurs as a direct result of the specific duties of the legislative office, so long as the expenses would not exist regardless of the responsibilities as a legislator, and the expense are reasonably related to those duties. 2025 Op. Ethics Comm'n No. 2025-01.

A legislator may use campaign funds to cover legal expenses in certain circumstances.

— A legislator may use campaign funds to cover legal expenses so long as the expenditure does not constitute "personal use" and so long as the expenses are reasonably related to performing the duties of legislative office. 2025 Op. Ethics Comm'n No. 2025-04.

A candidate for legislative office may use campaign funds to cover legal expenses in certain circumstances.

— A candidate for legislative office may use campaign funds to cover legal expenses so long as the expenditure does not constitute "personal use" and so long as the expenses are reasonably related to the candidate's campaign. 2025 Op. Ethics Comm'n No. 2025-04.

A legislator, former legislator, or a candidate may use campaign funds to pay for legal expenses to initiate a defamation lawsuit under certain circumstances.

— A legislator, former legislator, or a candidate may use campaign funds to pay for legal expenses to bring a defamation lawsuit as a plaintiff provided the underlying allegations are reasonably related to the legislator's or former legislator's legislative duties of legislative office or are reasonably attributable to the candidate's campaign. The legislator, former legislator, or candidate is prohibited, however, from converting to personal use any monetary recovery incurred as a result of a lawsuit paid for by the campaign. 2025 Op. Ethics Comm'n No. 2025-04.

Federal election law expressly preempts state election law with respect to election to federal office.

— The Federal Election Campaign Act, 52 U.S.C. §§ 30101 *et seq.*, expressly provides that it, and the rules prescribed under it, supersede and preempt any provision of state law with respect to election to federal office, and would therefore preempt any interpretation or application of New Mexico's Campaign Reporting Act (act), 1-19-25 to 1-19-36 NMSA 1978, that would prevent a state candidate from donating campaign funds to a candidate for federal office. As a result, the New Mexico secretary of state does not have the authority under the act to restrict donations from a state candidate's campaign funds to federal candidates. *Campaign Reporting Act* (9/2/21), [Att'y Gen. Adv. Ltr. 2021-11](#).

1-19-33. Repealed.

History: 1978 Comp., § 1-19-33, enacted by Laws 1979, ch. 360, § 9; 1993, ch. 46, § 10; 1995, ch. 153, § 10; repealed by Laws 2009, ch. 67, § 7.

ANNOTATIONS

Repeals. — Laws 2009, ch. 67, § 7 repealed 1-19-33 NMSA 1978, as enacted by Laws 1979, ch. 360, § 9, relating to the exclusion of certain candidates from reporting, effective June 19, 2009. For provisions of former section, see the 2008 NMSA 1978 on *NMOneSource.com*.

1-19-34. Candidates; political or campaign committees; treasurer; bank account; anonymous contributions; contributions from special events; credit and debit card contributions.

A. A political or campaign committee or a candidate shall ensure that:

(1) a treasurer has been appointed and is constantly maintained; provided, however, that when a duly appointed treasurer is unable for any reason to continue as treasurer, the candidate or committee shall appoint a successor and notify the secretary of state within ten days; and provided further that a candidate may serve as the candidate's own treasurer;

(2) all disbursements of money and receipts of contributions are authorized by and through the candidate or treasurer;

(3) a bank account has been established and all receipts of money contributions are deposited in and all expenditures of money are disbursed from one or more bank accounts maintained by the treasurer in the name of the candidate or committee; provided that nothing in this section shall prohibit investments from a bank account to earn interest as long as the investments and earnings are fully reported. All disbursements except for disbursements made from a petty cash fund of one hundred dollars (\$100) or less shall be made in a form such that the date, amount and payee of the transaction are automatically recorded or by check made payable to the person or entity receiving the disbursement and not to "cash" or "bearer"; and

(4) the treasurer upon disbursing or receiving money or other things of value immediately enters and thereafter keeps a proper record preserved by the treasurer, including a full, true and itemized statement and account of each sum disbursed or received, the date of such disbursement or receipt, to whom disbursed or from whom received and the object or purpose for which it was disbursed or received.

B. No anonymous contributions shall be accepted for more than one hundred dollars (\$100). The aggregate amount of anonymous contributions received by a reporting individual during a primary or general election or a statewide special election shall not exceed two thousand dollars (\$2,000) for statewide races and five hundred dollars (\$500) for all other races.

C. Cash contributions received at special events that are unidentifiable as to specific contributor but identifiable as to the special event are not subject to the anonymous contribution limits provided for in this section so long as no single special event raises, after expenses, more than one thousand dollars (\$1,000) in such cash contributions. For those contributions, due diligence and best efforts shall be made to disclose on a special prescribed form the sponsor, date, place, total amount received, expenses incurred, estimated number of persons in attendance and other identifiable factors that describe the special event. For purposes of this subsection, "special event" includes an event such as a barbecue or similar fundraiser where tickets costing twenty-five dollars (\$25.00) or less are sold or an event such as a coffee, tea or similar reception; provided that no candidate shall accept contributions of more than twenty-five dollars (\$25.00) in cash at a special event from any one contributor.

D. Any contributions received pursuant to this section in excess of the limits established in Subsections B and C of this section shall be donated to the state general fund or an organization to which a federal income tax deduction would be available under Subparagraph (A) of Paragraph (1) of Subsection (b) of Section 170 of the federal Internal Revenue Code of 1986, as amended.

E. A candidate or political committee shall not accept a contribution made by a credit card or a debit card via the internet or where the card is not physically present unless, at the time the contribution is made, the contributor provides the card security code assigned to and printed or imprinted on the card and the billing address associated with the card.

1-19-34.1. Legislative session fundraising prohibition.

A. It is unlawful during the prohibited period for a state legislator, the attorney general, the secretary of state, the state treasurer, the commissioner of public lands or the state auditor or a candidate for state legislator, attorney general, secretary of state, state treasurer, commissioner of public lands or state auditor, or any agent on behalf of the attorney general, the secretary of state, the state treasurer, the commissioner of public lands or the state auditor or a candidate for attorney general, the secretary of state, state treasurer, commissioner of public lands or state auditor, to knowingly solicit a contribution governed by the Campaign Reporting Act. For purposes of this subsection, "prohibited period" means that period beginning January 1 prior to any regular session of the legislature or, in the case of a special session, after the proclamation has been issued, and ending on adjournment of the regular or special session.

B. It is unlawful during the prohibited period for the governor or the lieutenant governor, or any agent on the governor's or the lieutenant governor's behalf, to knowingly solicit a contribution governed by the Campaign Reporting Act. For purposes of this subsection, "prohibited period" means that period beginning January 1 prior to any regular session of the legislature or, in the case of a special session, after the proclamation has been issued, and ending on the twentieth day following the adjournment of the regular or special session.

History: 1978 Comp., § 1-19-34.1, enacted by Laws 1993, ch. 46, § 12; 1995, ch. 153, § 12; 2019, ch. 86, § 18.

ANNOTATIONS

The 2019 amendment, effective January 1, 2020, prohibited certain public officials, and candidates for these offices, from soliciting contributions governed by the Campaign Reporting Act during a prohibited period; in Subsection A, added "the attorney general, the secretary of state, the state treasurer, the commissioner of public lands or the state auditor", after "candidate for state legislator", added "attorney general, secretary of state, state treasurer, commissioner of public lands or state auditor", after "agent on behalf of", deleted "either" and added "the attorney general, the secretary of state, the state treasurer, the commissioner of public lands or the state auditor or a candidate for attorney general, the secretary of state, state treasurer, commission of public lands or state auditor", and after "knowingly solicit a contribution", deleted "for a political purpose" and added "governed by the Campaign Reporting Act"; and in Subsection B, after "prohibited period for the governor", added "or the lieutenant governor", after "agent on", deleted "his" and added "the governor's or the lieutenant governor's", and after "knowingly solicit a contribution", deleted "for a political purpose" and added "governed by the Campaign Reporting Act".

The 1995 amendment, effective June 16, 1995, made a minor stylistic change in Subsection A and substituted "the governor" for "a person holding a state office" in the first sentence of Subsection B.

Application to contributions to candidates for federal office. — The legislative session fundraising prohibition in the State Campaign Reporting Act, Section 1-19-34.1 NMSA 1978, does not apply to contributions to candidates for federal office based on the doctrine of federal preemption and because the State Campaign Reporting Act does not regulate contributions to candidates for federal office. 2007 Op. Att'y Gen. No. 07-01.

A member of the New Mexico state legislature does not violate the Campaign Reporting Act by soliciting campaign contributions for federal office during the "prohibited period".

— Members of the New Mexico legislature and certain other elected officials are prohibited from knowingly soliciting contributions governed by the Campaign Reporting Act between January 1 and the adjournment of any regular legislative session and between the proclamation and adjournment of any special session, but the Campaign Reporting Act only applies to candidates in primary, general or statewide special elections in New Mexico and excludes federal elections from the application of the act, and therefore a New Mexico state legislator who solicited campaign contributions for the federal office of United States Representative during a state legislative session did not violate the Campaign Reporting Act. 2021 Op. Ethics Comm'n No. 2021-05.

1-19-34.2. Regulated industry solicitations prohibited.

It is unlawful for an elected state official, public officer or employee who works for a regulatory office or a candidate who seeks election to a regulatory office or anyone authorized by a candidate to solicit funds on his behalf to knowingly solicit a contribution from an entity or its officers or employees or a person that is directly regulated by the office. For purposes of this section, an entity or person is directly regulated by an office when the entity's or person's charges for services offered to the public are set or directly subject to approval by the regulatory office or when a license to do business in the state is determined by the regulatory office.

History: 1978 Comp., § 1-19-34.2, enacted by Laws 1993, ch. 46, § 13; 1995, ch. 153, § 13.

ANNOTATIONS

The 1995 amendment, effective June 16, 1995, inserted "regulatory" preceding the last two references to "office" in the section and made a stylistic change.

Justices may not solicit funds from attorneys. — This section precludes justices of and candidates for the New Mexico Supreme Court, either directly or through anyone they authorize, to solicit funds on their behalf, or to knowingly solicit campaign contributions from attorneys licensed in New Mexico. This section, however, is directed at the solicitation of funds, and does not prohibit Supreme Court justices or candidates from accepting voluntary, unsolicited contributions from attorneys. In addition, this section would not prevent lawyers or organizations of lawyers or other citizens from soliciting contributions for a justice or candidate for Supreme Court justice if they were not authorized by the justice or candidate to solicit contributions on his or her behalf. 1994 Op. Att'y Gen. No. 94-04.

1-19-34.3. Contributions in one name given for another prohibited; concealing source of contributions used for independent expenditures.

A. It is unlawful for a person to make a contribution in the name of another person, and no person shall knowingly accept a contribution made by one person in the name of another person.

B. No person shall make contributions or expenditures with an intent to conceal the names of persons who are the true source of funds used to make independent expenditures or the true recipients of the expenditures.

History: 1978 Comp., § 1-19-34.3, enacted by Laws 1993, ch. 46, § 14; 1994, ch. 84, § 1; 1995, ch. 153, § 14; 2009, ch. 68, § 4; 2019, ch. 262, § 10.

ANNOTATIONS

Temporary provisions. — Laws 2019, ch. 262, § 16 provided that the secretary of state, in consultation with the attorney general, shall promulgate rules to implement the amendatory provisions of this act by August 1, 2019.

The 2019 amendment, effective July 1, 2019, prohibited a person from making contributions or expenditures with an intent to conceal the names of persons who are the true source of funds used to make independent expenditures or are the true recipients of the expenditures; and added Subsection B.

The 2009 amendment, effective November 3, 2010, deleted the former language which made it unlawful for a political committee or a candidate or his agent to accept a contribution that is reported as coming from one person or entity when the candidate or his agent knows that the contribution is from another person or entity; and added the language after "It is unlawful for a person".

Severability. — Laws 2009, ch. 68, § 5 provided that if any part or application of this act is held invalid, the remainder or its application to other situations or persons shall not be affected.

The 1995 amendment, effective June 16, 1995, inserted the second "or his agent" following "when the candidate" and substituted "the" for "its" following "directed that".

The 1994 amendment, effective May 18, 1994, deleted "bundling disclosure required" following "prohibited" in the section heading, deleted the Subsection A designation which appeared at the beginning of the section, and deleted former Subsection B relating to the disclosure of multiple contributions.

Contributions by an individual through a corporation owned by the individual. — The transfer funds to a corporation by a person who controls the corporation for purposes of making a political contribution in the name of the corporation is a violation of the Campaign Reporting Act. 2010 Op. Att'y Gen. No. 10-03.

1-19-34.4. Education and voluntary compliance; investigations; referrals for enforcement.

A. The secretary of state shall advise and seek to educate all persons required to perform duties under the Campaign Reporting Act of those duties. This includes advising all known reporting individuals at least annually of that act's deadlines for submitting required reports and statements of no activity. The state ethics commission, in consultation with the secretary of state, shall issue advisory opinions, when requested in writing to do so, on matters concerning that act.

B. The secretary of state may conduct examinations of reports filed pursuant to Section 1-19-29 NMSA 1978 and the state ethics commission may initiate investigations to determine whether any provision of the Campaign Reporting Act has been violated.

C. Any person who believes that a provision of the Campaign Reporting Act has been violated may file a written complaint with the state ethics commission pursuant to the terms of the State Ethics Commission Act [Chapter 10, Article 16G NMSA 1978]. If the commission has jurisdiction for the complaint, the state ethics commission shall refer the complaint to the secretary of state. Upon referral, the secretary of state shall attempt to achieve voluntary compliance with the Campaign Reporting Act. Within thirty-five days after receiving the complaint from the state ethics commission, the secretary of state shall return the complaint to the state ethics commission and certify to the state ethics commission whether voluntary compliance was achieved. If the secretary of state certifies voluntarily compliance, the state ethics commission shall dismiss the complaint or that part of the complaint alleging a violation of the Campaign Reporting Act. If the secretary of state does not certify voluntarily compliance, the state ethics commission shall proceed with the complaint pursuant to the terms of the State Ethics Commission Act.

D. The secretary of state and the state ethics commission shall at all times seek to ensure voluntary compliance with the provisions of the Campaign Reporting Act.

E. At any time, the secretary of state may refer a matter to the state ethics commission for a civil injunctive or other appropriate order or to the attorney general or a district attorney for criminal enforcement.

History: 1978 Comp., § 1-19-34.4, enacted by Laws 1993, ch. 46, § 15; 1995, ch. 153, § 15; 1997, ch. 112, § 4; 2021, ch. 109, § 3.

ANNOTATIONS

The 2021 amendment, effective July 1, 2021, revised administrative and enforcement duties of the state ethics commission and the secretary of state under the Campaign Reporting Act, modified the complaint procedure under the Campaign Reporting Act, removed provisions related to binding arbitration following a notice of final action, and removed provisions allowing the secretary of state to refer violations of the Campaign Reporting Act to the attorney general or a district attorney for enforcement; in the section heading, after "investigations", deleted "binding arbitration"; in Subsection A, after "statements of", deleted "exception" and added "no activity", after the next occurrence of "The", deleted "secretary of state, in consultation with the attorney general" and added "state ethics commission, in consultation with the secretary of state", and after "concerning the act", deleted "All prescribed forms prepared shall be clear and easy to complete."; in Subsection B, after "The secretary of state may", added "conduct examinations of reports filed pursuant to Section 1-19-29 NMSA 1978 and the state ethics commission may", and after "has been violated", deleted the remainder of the subsection; added a new Subsection C and redesignated former Subsection C as Subsection D; in Subsection D, after "The secretary of state", added "and the state ethics commission", after "Campaign Reporting Act.", deleted the remainder of the subsection; deleted former Subsections D through F and redesignated former Subsection G as Subsection E; and in Subsection E, after "may refer a matter to the", deleted "attorney general or a district attorney" and added "state ethics commission", and after "appropriate order or", added "to the attorney general or a district attorney".

The 1997 amendment, effective June 20, 1997, in Subsection A, substituted "that" for "the Campaign Reporting"; made minor stylistic changes in Subsection B; and rewrote Subsections D, E and F.

The 1995 amendment, effective June 16, 1995, inserted "statements of exception" at the end of the second sentence in Subsection A, inserted "any provision of" preceding "the Campaign Reporting Act" and made a related change in Subsection B, rewrote Subsections C through E, and in Subsection F, added the first sentence and inserted "and filed with the secretary of state" following "shall be issued" in the fifth sentence.

Constitutionality. — Provision of this section providing for binding arbitration of alleged violations of the Campaign Reporting Act, 1-19-25 through 1-19-36 NMSA 1978, for which a penalty has been imposed is not unconstitutional, because the act specifically requires that the arbitration procedures be governed by the Uniform Arbitration Act, 44-7-1 through 44-7-22 [44-7A-1 to 44-7A-32] NMSA 1978, which expressly authorizes judicial review of the arbitrator's decision. 2002 Op. Att'y Gen. No. 02-01.

1-19-34.5. Presumptions; civil action.

A. For purposes of a civil action, it shall be presumed that a public official or a candidate for public office subject to the Campaign Reporting Act [1-19-25 to 1-19-36 NMSA 1978] has authorized and approved each solicitation for campaign contributions made by his campaign committee or a person authorized by the candidate to solicit campaign contributions on his behalf.

B. For purposes of a civil action, it shall be presumed that a candidate who seeks election to a regulatory office, as described in Section 1-19-34.2 NMSA 1978, has advised his campaign committee and all persons authorized by the candidate to solicit campaign contributions on his behalf that it is unlawful to solicit contributions from an entity or its officers or employees or a person that is directly regulated by the office the candidate seeks.

History: Laws 1995, ch. 153, § 18.

1-19-34.6. Civil penalties.

A. If the secretary of state exhausts efforts in seeking voluntary compliance and reasonably believes that a person committed, or is about to commit, a violation of the Campaign Reporting Act, the secretary of state shall refer the matter to the state ethics commission for enforcement; provided, however, that if the secretary of state waives the imposition of a fine pursuant to Subsection D of Section 1-19-35 NMSA 1978, the matter shall not be referred.

B. With or without a referral from the secretary of state, the state ethics commission may institute a civil action in district court for any violation of the Campaign Reporting Act or to prevent a violation of that act that involves an unlawful solicitation or the making or acceptance of an unlawful contribution. An action for relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including a civil penalty of up to one thousand dollars (\$1,000) for each violation not to exceed a total of twenty thousand dollars (\$20,000), and forfeiture of any contribution received as a result of an unlawful solicitation or unlawful contribution. Each unlawful solicitation and each unlawful contribution made or accepted shall be deemed a separate violation of the Campaign Reporting Act.

C. With or without a referral from the secretary of state, the state ethics commission may institute a civil action in district court if a violation has occurred or to prevent a violation of any

provision of the Campaign Reporting Act other than that specified in Subsection B of this section. Relief may include a permanent or temporary injunction, a restraining order or any other appropriate order, including an order for a civil penalty of up to one thousand dollars (\$1,000) for each violation not to exceed a total of twenty thousand dollars (\$20,000).

History: : Laws 1995, ch. 153, § 19; 2019, ch. 262, § 11; 2021, ch. 109, § 4.

ANNOTATIONS

The 2021 amendment, effective July 1, 2021, required the secretary of state, after exhausting efforts in seeking voluntary compliance, to refer violations of the Campaign Reporting Act to the state ethics commission for enforcement, removed a provision allowing the secretary of state to refer violations to the attorney general or a district attorney for enforcement, provided an exception when the secretary of state waives the imposition of a fine, authorized the state ethics commission to institute a civil action in district court, with or without a referral from the secretary of state, for any violation of the Campaign Reporting Act or to prevent a violation of that act that involves an unlawful solicitation or the making or acceptance of an unlawful contribution, and removed this authority from the attorney general and district attorney; changed "attorney general or a district attorney" to "state ethics commission", throughout; and in Subsection A, after "If the secretary of state", added "exhausts efforts in seeking voluntary compliance and", and after "for enforcement", added "provided, however, that if the secretary of state waives the imposition of a fine pursuant to Subsection D of Section 1-19-35 NMSA 1978, the matter shall not be referred".

The 2019 amendment, effective July 1, 2019, increased the penalty for violations of the Campaign Reporting Act to not more than one thousand dollars (\$1,000) for each violation, not to exceed twenty thousand dollars (\$20,000); in Subsection B, added "With or without a referral from the secretary of state", after "civil penalty of", deleted "two hundred fifty dollars (\$250)" and added "up to one thousand dollars (\$1,000)", after "not to exceed", deleted "five thousand dollars (\$5,000)" and added "a total of twenty thousand dollars (\$20,000)"; and in Subsection C, added "With or without a referral from the secretary of state", after "civil penalty of", deleted "fifty dollars (\$50.00)" and added "up to one thousand dollars (\$1,000)", and after "not to exceed", deleted "five thousand dollars (\$5,000)" and added "a total of twenty thousand dollars (\$20,000)".

1-19-34.7. Contribution limitations; candidates; political committees.

A. Except as provided in Subsections H through J of this section:

(1) a person, including a political committee, shall not make a contribution to a candidate, including the candidate's campaign committee, or to a political committee in an amount that will cause that person's total contributions to the candidate or political committee to exceed five thousand dollars (\$5,000) during a primary election cycle or five thousand dollars (\$5,000) during a general election cycle; provided that a person may make a contribution attributable to the general election cycle during the primary election cycle even though the person has contributed the maximum amount allowed for the primary election cycle:

(a) if that contribution is not used to pay for any expenditure related to the primary election; and

(b) if the candidate is not on the general election ballot, all contributions made to the candidate for the general election are returned to the persons who made the contributions or deposited in the public election fund; and

(2) a primary election candidate who does not become a candidate on the general election ballot shall remain subject to the contribution limits of the primary election cycle and shall not accept a contribution from a person who has contributed the maximum allowable amount during the primary election cycle to pay for primary election expenditures of the campaign.

B. A person, including a political committee, shall not make a contribution to a candidate committee authorized for the purpose of electing a candidate for governor in an amount that will cause that person's total contributions to the committee to exceed two times the limit imposed pursuant to Subsection A of this section.

C. Except as provided in Subsection K of this section, a person, including a political committee, shall not make a contribution to a political party or legislative caucus committee in an amount that will cause that person's total contributions to the political party or legislative caucus committee to exceed five times the limit imposed pursuant to Subsection A of this section.

D. All contributions made by a person to a candidate, either directly or indirectly, including contributions that are in any way earmarked or otherwise directed through another person to a candidate, shall be treated as contributions from the person to that candidate.

E. A person, including a political committee, shall not knowingly accept or solicit a contribution, directly or indirectly, including a contribution earmarked or otherwise directed or coordinated through another person, including a political committee, that violates the contribution limits provided for in this section.

F. On January 1 after each general election, the contribution amounts provided in Subsection A of this section shall be increased by the percentage of the preceding two calendar years' increase of the consumer price index for all urban consumers, United States city average for all items, published by the United States department of labor. The amount of the increase shall be rounded to the nearest multiple of one hundred dollars (\$100). The secretary of state shall publish by October 1 before each general election the adjusted contribution limits that shall take effect the January 1 following general election.

G. All contributions in excess of the limits imposed by the provisions of this section shall be deposited in the public election fund upon a finding by the secretary of state that the contribution limits have been exceeded.

H. The limitation on contributions to a candidate provided for in Subsection A of this section shall not apply to a candidate's own contribution from the candidate's personal funds to the candidate's own campaign.

I. The limitations on contributions to political committees provided for in Subsection A of this section shall not apply to a political committee that makes only independent expenditures or to a contribution to a political committee that is deposited in a segregated bank account that may only be used to make independent expenditures.

J. The limitations on contributions to candidates or campaign committees provided for in Subsection A of this section shall not apply to the value of in-kind contributions from a political party or legislative caucus committee to a candidate nominated by that party in a general election cycle.

K. The limitations on contributions to political parties or legislative caucus committees provided for in Subsection C of this section shall not apply to contributions from a campaign committee authorized for the purpose of electing a candidate from that party in a primary or general election cycle. For purposes of this subsection, "campaign committee" includes a candidate committee regulated by the federal election commission.

L. The members of a political party in a chamber of the legislature shall not maintain more than one legislative caucus committee in each chamber.

History: Laws 2009, ch. 68, § 1; 2019, ch. 262, § 12.

ANNOTATIONS

Temporary provisions. — Laws 2019, ch. 262, § 16 provided that the secretary of state, in consultation with the attorney general, shall promulgate rules to implement the amendatory provisions of this act by August 1, 2019.

The 2019 amendment, effective July 1, 2019, set a flat limit on contributions to all candidates and political committees of \$5,000 per election cycle, provided that a primary election candidate who does not move on to the general election shall remain subject to the primary election cycle contribution limits and shall not accept a contribution from a person who has contributed the maximum allowable amount during the primary election cycle to pay for primary election expenditures, provided that a person, including a political committee, shall not make a contribution to a candidate committee authorized for the purpose of electing a candidate for governor in an amount that will cause that person's total contributions to the committee to exceed two times the limit imposed by the section during a primary or a general election cycle, prohibited contributions to a political party or legislative caucus committee that will cause the contributor's total contributions to the political party or legislative caucus committee to exceed five times the limit imposed by the section during a primary or a general election cycle, changed the date on which contribution limits are increased, provided that the limitation on contributions to candidates or campaign committees do not apply to the value of in-kind contributions from political parties or legislative caucus committees to candidates nominated by the parties in the general election, excluded contributions from candidates or campaign committees from the limitations on contributions to political parties or legislative caucus committees, and limited a political party caucus to one legislative caucus committee in each chamber of the legislature; deleted former Subsection A, added new Subsections A through C and redesignated former Subsections B through F as Subsections D through H, respectively; in Subsection F, after "On", deleted "the day" and added "January 1", and after "shall take effect the", deleted "day after the" and added "January 1"; and deleted former Subsection G and added Subsections I through L.

Severability. — Laws 2009, ch. 68, § 5 provided that if any part or application of this act is held invalid, the remainder or its application to other situations or persons shall not be affected.

Constitutionality. — For a contribution limit to survive, a state must first show a sufficiently important interest in that limit, and that the challenged contribution limits are closely drawn to

avoid unnecessary abridgement of associational freedoms. *Republican Party of N.M. v. Torrez*, ___ F.Supp.3d ___ (D. N.M. 2023).

Campaign Reporting Act's limit on contributions from persons and political committees to state political parties is constitutional. — The state has established that it has a sufficiently important interest in limiting contributions to political parties to prevent circumvention of other valid contribution limits and actual or apparent *quid pro quo* corruption, and the Campaign Reporting Act's limits on contributions to parties are closely drawn to the state's interest in preventing circumvention and actual or apparent *quid pro quo* corruption. *Republican Party of N.M. v. Torrez*, ___ F.Supp.3d ___ (D. N.M. 2023).

Campaign Reporting Act's limit on contributions from state to county political parties is unconstitutional. — The state has failed to put forth evidence that there is a serious risk of donors circumventing valid contribution limits by donating money to a state party with the intention that the money be donated to a county party so that the money can ultimately be donated to a candidate in exchange for a *quid pro quo* arrangement or the appearance of one. The limit on contributions from state to county parties, therefore, is too attenuated from the root concern of *quid pro quo* corruption between individuals and candidates. *Republican Party of N.M. v. Torrez*, ___ F.Supp.3d ___ (D. N.M. 2023).

Campaign Reporting Act's limit on contributions from state political parties to nongubernatorial candidates and gubernatorial candidates is unconstitutional. — The state has established that it has a sufficiently important interest in limiting contributions from state parties to candidates to prevent circumvention of other valid contribution limits, but the Campaign Reporting Act's limits on contributions by state parties to candidates are substantially lower than limits previously upheld by the United States supreme court and are substantially lower than comparable limits in other states, and the state has failed to show that it tailored its contribution limits to how much it costs to run a competitive statewide and local campaign, which demonstrates that the limits on contributions from state parties to candidates are not closely drawn to the state's interest in preventing circumvention of other valid contribution limits. *Republican Party of N.M. v. Torrez*, ___ F.Supp.3d ___ (D. N.M. 2023).

A political committee that makes contributions to candidates may solicit unlimited contributions from allowable persons on behalf of political committees that only make "independent expenditures". — The Campaign Reporting Act, §§ 1-19-25 to 1-19-36 NMSA 1978, limits the amounts persons may contribute to candidates, candidates' campaign committees, and political committees during primary and general election cycles, and further prohibits persons, including political committees, from knowingly soliciting or accepting contributions from other persons, including political committees, that exceed these limits, § 1-19-34.7(A)(1), (E), but § 1-19-34.7(I) provides that these limits and prohibitions do not apply to political committees that make "independent expenditures" only, and therefore a political committee that only makes independent expenditures may indirectly solicit unlimited contributions through a political committee that makes contributions to candidates, and further, a political committee that makes contributions to candidates may solicit unlimited contributions on behalf of a political committee that only makes independent expenditures. For similar reasons, an officeholder and a candidate may request third-party donors to contribute at any amount to a political committee that only makes independent expenditures. 2022 Op. Ethics Comm'n No. 2022-05.

A candidate may not solicit unlimited contributions for a political committee that makes expenditures to support the candidate's election. — The Campaign Reporting Act's prohibitions on fundraising do not apply to political committees that only make "independent expenditures", but if a candidate solicits contributions to be given to a political committee, and the political committee uses contributions to pay for advertisements supporting the candidate's election, then the political committee is not making an "independent expenditure", but is making a "coordinated expenditure", which is prohibited by 1-19-34.7(E) NMSA 1978. 2022 Op. Ethics Comm'n No. 2022-05.

Contributions by national committees of political parties. — The Campaign Reporting Act prohibits the national committee of a political party from contributing to its state political party in an amount greater than five thousand dollars (\$5,000) during a primary election or during a general election. 2010 Op. Att'y Gen. No. 10-03.

Contributions by an individual and through a corporation owned by the individual. — The campaign Reporting Act does not prohibit an individual and a corporation controlled by the individual from making separate contributions in their own names up to the limits of the act. If, however, instead of separate contributions by the individual and the corporation, the individual makes a personal contribution and transfers funds to the corporation for purposes of making another contribution, the act would attribute both contributions to the individual for purposes of the act's contribution limits and if the contributions, in the aggregate exceed the contribution limits for either a primary or a general election, the contributions would be a violation of the act, even if the violation was not intentional. 2010 Op. Att'y Gen. No. 10-03.

1-19-34.8. State ethics commission; jurisdiction.

A. The state ethics commission shall have jurisdiction to investigate and adjudicate a complaint alleging a civil violation of a provision of the Campaign Reporting Act in accordance with the provisions of that act.

B. The secretary of state shall forward complaints it receives alleging violations of the Campaign Reporting Act to the state ethics commission in accordance with the provisions of the Campaign Reporting Act and a formalized agreement.

B. For contested primary elections, the amount of money to be distributed to a certified candidate is equal to the following:

(a) fifteen cents (\$.15) in a district with four hundred thousand or more voters;

(b) twenty-five cents (\$.25) in a district with two hundred thousand or more but fewer than four hundred thousand voters;

(c) forty cents (\$.40) in a district with one hundred thousand or more but fewer than two hundred thousand voters; and

(d) fifty-five cents (\$.55) in a district with fewer than one hundred thousand voters; and

(2) for the office of justice of the supreme court or judge of the court of appeals, fifteen cents (\$.15) for each voter of the candidate's party in the state.

C. For uncontested primary elections in which another candidate has filed a declaration of candidacy for nomination in another party's primary for the same office and that candidate's primary is contested, the amount of money to be distributed to a certified candidate is equal to twenty percent of the amount specified in Subsection B of this section.

D. For uncontested primary elections in which another candidate has filed a declaration of candidacy for nomination in another party's primary for the same office, but no primary for the office is contested, the amount of money to be distributed to a certified candidate is equal to the average of the amount each candidate would receive pursuant to Subsection B of this section.

If the total amount to be distributed in the primary election cycle and the estimated total amount to be distributed in the general election cycle taken together exceed the amount expected to be available in the fund, the secretary shall allocate the amount available between the primary and general election cycles. This allocation shall be based on the ratio of the two total amounts.

H. If the allocation specified in Subsection G of this section is greater than the total amount available for distribution, then the amounts to be distributed to individual candidates, specified in Subsections B through F of this section, shall each be reduced by the same percentage as the reduction by which the total amount needed has been reduced relative to the total amount available.

I. At least every two years, the secretary shall evaluate and modify as necessary the dollar values originally determined by Subsections B through F of this section and shall increase the amounts by the percentage of the preceding two calendar years' increase of the consumer price index for all urban consumers, United States city average for all items, published by the United States department of labor.

If the state ethics commission makes a determination that a violation of that act has occurred, the state ethics commission shall impose a fine and, if the violation is willful or knowing, transmit the finding to the attorney general for criminal prosecution pursuant to Subsection B of this section. In determining whether a certified candidate is in violation of the expenditure limits of that act, the state ethics commission may consider as a mitigating factor any circumstances out of the candidate's control.

B. A person who willfully or knowingly violates the provisions of the Voter Action Act or knowingly makes a false statement in a report required by that act is guilty of a fourth degree felony and, if the person is a certified candidate, shall return to the fund all money distributed to that candidate.

History: Laws 2003, ch. 14, § 17; 2019, ch. 175, § 10; 2021, ch. 109, § 9.

ANNOTATIONS

The 2021 amendment, effective July 1, 2021, revised duties of the state ethics commission and the secretary of state in administering and enforcing the Voter Action Act, and required the state ethics commission to transmit findings of willful or knowing violations of the Voter Action Act to the attorney general for criminal prosecution; changed "secretary" to "state ethics commission" throughout; and in Subsection A, after "impose a fine and", added "if the violation is willful or knowing".

The 2019 amendment, effective July 1, 2019, clarified certain penalty provisions; in Subsection A, after "impose a fine", deleted "or" and added "and", added "criminal" preceding "prosecution", and after "prosecution", added "pursuant to Subsection B of this section"; and in Subsection B, after "Voter Action Act", deleted "or rules of the secretary".

Imposition of a fine by the secretary of state. — If the secretary of state elects not to refer a violation of the Voter Action Act to the attorney general for possible criminal prosecution, then the secretary is statutorily obligated to impose a civil penalty under the act. The secretary has discretion only to determine the amount of the penalty. *Montoya v. Herrera*. 2012-NMSC-011, 276 P.3d 952.

Where the applicant candidate violated the Voter Action Act by contributing more than \$8,000 of the candidate's own funds to the candidate's election campaign and the secretary of state elected not to refer the violation to the attorney general for possible criminal prosecution, the secretary had the statutory obligation to impose a fine on the candidate and the secretary had the discretion to impose a \$2,000 fine on the candidate. *Montoya v. Herrera*. 2012-NMSC-011, 276 P.3d 952.

Attorney general's authority to initiate criminal prosecutions. — Section 1-19A-17 NMSA 1978 does not limit the attorney general's authority to initiate criminal prosecutions of the Voter Action Act. The attorney general is not required to first receive a referral from the secretary of state before the attorney general can initiate criminal proceedings. *State v. Block*, 2011-NMCA-101, 150 N.M. 598, 263 P.3d 940.

Double jeopardy. — The civil penalty authorized under Section 1-19A-17 NMSA 1978 is remedial and does not constitute punishment for double jeopardy purposes. The imposition of a civil penalty does not bar a subsequent criminal prosecution under the Voter Action Act for the same conduct for which the secretary of state assessed the civil penalty. *State v. Block*, 2011-NMCA-101, 150 N.M. 598, 263 P.3d 940.

Imposition of civil penalty and subsequent criminal prosecution. — Where the secretary of state assessed civil penalties against defendant for violations of the Voter Action Act; the secretary of state did not refer the matter to the attorney general for criminal prosecution; and the attorney general subsequently filed criminal charges against defendant for the same violations of the act, the attorney general was authorized to initiate the criminal prosecution and the assessment of the civil penalties did not preclude the subsequent criminal prosecution. *State v. Block*, 2011-NMCA-101, 150 N.M. 598, 263 P.3d 940.

The secretary of state shall adopt procedures for issuing advisory opinions and processing complaints and notifications of violations.

B. The secretary of state shall at all times seek to ensure voluntary compliance with the provisions of the School District Campaign Reporting Act. If the secretary of state determines that a provision of that act for which a penalty may be imposed has been violated, the secretary of state shall by written notice set forth the violation and the fine imposed and inform the reporting individual that the individual has ten working days from the date of the letter to correct the matter and to provide a written explanation, under penalty of perjury, stating any reason why the violation occurred. If a timely explanation is filed and the secretary of state determines that good cause exists to waive the fine imposed, the secretary of state may by a written notice of final action partially or fully waive any fine imposed for any late, incomplete or false report or statement of exception. A written notice of final action shall be sent by certified mail.

Arbitrators shall be considered to be independent contractors, not public officers or employees, and shall not be paid per diem and mileage.

E. The arbitrator shall conduct the hearing within thirty days of the request for arbitration. The arbitrator may impose any penalty the secretary of state is authorized to impose. The arbitrator shall state the reasons for the arbitrator's decision in a written document that shall be a public record. The decision shall be final and binding. The decision shall be issued and filed with the secretary of state within thirty days of the conclusion of the hearing. History: 1953 Comp., § 77-4A-6, enacted by Laws 1977, ch. 308, § 6; 1993, ch. 226, § 17; 1978 Comp., § 22-7-6, recompiled and amended as § 1-25-4 by Laws 2019, ch. 212, § 162.

ANNOTATIONS

Recompilations. — Laws 2019, ch. 212, § 162 recompiled and amended former 22-7-6 NMSA 1978 as 1-25-4 NMSA 1978, effective April 3, 2019.

The 1993 amendment, effective July 1, 1993, substituted "this section" for "section 6 of the Local School Board Member Recall Act" at the end of Subsection G and made stylistic changes.

Protections when exercising the right to petition. — Where respondent, a Taos school board member, brought a malicious abuse of process claim against petitioners, eighteen members of an unincorporated citizens' association who sought to remove respondent from office, the district court properly granted petitioners' motion to dismiss, because petitioners who pursue the recall of a local school board member under the Local School Board Member Recall Act, 22-7-1 to 22-7-16 NMSA 1978, are entitled to the procedural protections of the New Mexico statute prohibiting strategic litigations against public participation (Anti-SLAPP statute, 38-2-9.1 NMSA 1978), and are entitled to immunity under the *Noerr-Pennington* doctrine when they exercise their first amendment right to petition. *Cordova v. Cline*, 2017-NMSC-020, *rev'g* 2013-NMCA-083, 308 P.3d 975.

Standing to file recall petition. — Where defendants formed an unincorporated organization to file a petition to recall plaintiff who was a member and officer of a municipal school board; the organization registered with the county clerk pursuant to Section 53-10-1 NMSA 1978; and defendants were residents and voters of the county in which the school district was located, the organization had standing to file a recall petition. *Cordova v. Cline*, 2013-NMCA-083, cert. granted, 2013-NMCERT-007.

1-25-5. Recall; responsibilities of petitioner.

The petitioner shall complete the following portions of the face sheet:

A. name of the named official;

B. name of the local jurisdiction in which the named official has been elected;

C. name of the individual, group or organization initiating the petition; and

D. the specific charges to support recall of the named official, which shall constitute malfeasance in office, misfeasance in office or violation of oath of office.

History: 1953 Comp., § 77-4A-8, enacted by Laws 1977, ch. 308, § 8; 1985, ch. 169, § 4; 1978 Comp., § 22-7-8, recompiled and amended as § 1-25-5 by Laws 2019, ch. 212, §163.

ANNOTATIONS

Recompilations. — Laws 2019, ch. 212, § 163 recompiled and amended former 22-7-8 NMSA 1978 as 1-25-5 NMSA 1978, effective April 3, 2019.

The 2019 amendment, effective April 3, 2019, revised the responsibilities of the petitioner in a recall proceeding; in the section heading, added "RECALL"; deleted former Subsection A and subsection designation "B." and redesignated former Paragraph B(1) as Subsection A; added new Subsection B and redesignated former Paragraph B(2) as Subsection C and deleted former Subsection C and added new subsection designation "D."; and deleted former Subsections D through F.

Premature signing of affidavit. — Canvassers signed affidavits prior to obtaining signatures, in the mistaken belief that this was necessary before the circulation of the petitions could begin. These premature signatures of the affidavits did not invalidate the petitions or the results of the recall election. *Montoya v. Lopez*, 1983-NMSC-024, 99 N.M. 448, 659 P.2d 900.

Improper motive as component of misfeasance. — When a public officer has a right to perform an act which is discretionary, the manner in which the discretion is exercised does not rise to the level of misfeasance unless the discretion is exercised with an improper or corrupt motive; therefore where the school board engaged in a site selection process spanning approximately two years, including consideration of 15 sites and a myriad of relevant factors, and nothing in the record indicated that any of the challenged board members acted out of an improper or corrupt motive, there was no misfeasance. *CAPS v. Board Members*, 1992-NMSC-035, 113 N.M. 729, 832 P.2d 790.

1-25-6. Recall; court hearing.

A. The petitioner shall file the completed face sheet along with a petition in the district court of the county in which the named official resides, requesting a hearing for a determination by the court of whether sufficient facts and probable cause exist to allow the petitioner to continue with the recall process. A separate face sheet and petition shall be filed for each named official.

B. Upon the filing of the application, the district court shall set a hearing date on the issue of sufficiency of the facts alleged, which hearing shall be held not more than fourteen days from the date the petitioner files the face sheet and petition. The court shall notify the county clerk of the date for the hearing. At the hearing, the petitioner and the named official shall each be given an opportunity to present evidence and cross-examine witnesses.

C. The district court's decision is appealable by the petitioner or the named official only to the supreme court, and notice of appeal shall be filed within five days after the decision of the district court. The supreme court shall hear and render a decision on the appeal forthwith.

History: 1978, Comp., § 22-7-9.1, enacted by Laws 1987, ch. 142, § 2; recompiled and amended as § 1-25-6 by Laws 2019, ch. 212, §164.

ANNOTATIONS

Recompilations. — Laws 2019, ch. 212, § 164 recompiled and amended former 22-7-9.1 NMSA 1978 as 1-25-6 NMSA 1978, effective April 3, 2019.

The 2019 amendment, effective April 3, 2019, revised the provisions related to the recall process; in the section heading, added "Recall"; in Subsection A, deleted "Prior to affixing the date of initiation to the completed face sheet, the county clerk shall file an application with the district court within five days from the date the completed face sheet is presented to the county clerk" and added "The petitioner shall file the completed face sheet along with a petition in the district court of the county in which the named official resides", after "sufficient facts", added "and probable cause", and after "recall process.", added "A separate face sheet and petition shall be filed for each named official."; in Subsection B, after "not more than", deleted "ten" and added "fourteen", after "from the date the", deleted "application is filed by the county clerk" and added "petitioner files the face sheet and petition", and after "notify the", deleted "petitioner at the mailing address listed on the face sheet of the time and place of the hearing." and added "county clerk of the date for the hearing. At the hearing, the petitioner and the named official shall each be given an opportunity to present evidence and cross-examine witnesses"; and deleted Subsections C and D and redesignated former Subsection E as Subsection C.

Protections when exercising the right to petition. — Where respondent, a Taos school board member, brought a malicious abuse of process claim against petitioners, eighteen members of an unincorporated citizens' association who sought to remove respondent from office, the district court properly granted petitioners' motion to dismiss, because petitioners who pursue the recall of a local school board member under the Local School Board Member Recall Act, 22-7-1 to 22-7-16 NMSA 1978, are entitled to the procedural protections of the New Mexico statute prohibiting strategic litigations against public participation (Anti-SLAPP statute, 38-2-9.1 NMSA 1978), and are entitled to immunity under the *Noerr-Pennington* doctrine when they

exercise their first amendment right to petition. *Cordova v. Cline*, 2017-NMSC-020, *rev'g* 2013-NMCA-083, 308 P.3d 975.

Application to recall petitions. — The anti-SLAPP statute [Section 38-2-9.1 NMSA 1978] does not apply to a sufficiency hearing before a district court to determine the sufficiency of the allegations in a recall petition pursuant to Section 22-7-9.1 NMSA 1978, because a sufficiency hearing before the district court is a judicial proceeding, not a public meeting or a quasi-judicial proceeding as defined in the anti-SLAPP statute. *Cordova v. Cline*, 2013-NMCA-083, cert. granted, 2013-NMCERT-007.

Where defendants filed a petition with the county clerk to recall plaintiff who was a member and officer of a municipal school board; the county clerk filed an application for a district court hearing on the sufficiency of the recall allegations pursuant to Section 22-7-9.1 NMSA 1978; at the hearing, before the district court determined the sufficiency of the petition, defendants dismissed the petition; plaintiff filed suit against defendants for damages; and the district court dismissed plaintiff's complaint under the anti-SLAPP statute [Section 38-2-9.1 NMSA 1978], the district court improperly dismissed plaintiff's suit because the anti-SLAPP statute did not apply to a judicial proceeding to determine the sufficiency of the recall petition. *Cordova v. Cline*, 2013-NMCA-083, cert. granted, 2013-NMCERT-007.

Violation of Open Meetings Act. — Charges of multiple intentional violations of the Open Meetings Act, which permitted policy decisions concerning the respective roles of the superintendent and the school board without public participation, were a form of misconduct for which recall was provided. *Doña Ana Cnty. Clerk v. Martinez*, 2005-NMSC-037, 138 N.M. 575, 124 P.3d 210.

Standing. — Sections 22-7-9.1 and 22-7-12 NMSA 1978 do not authorize local school board members facing a recall petition to challenge the form of the petition. *Doña Ana Cnty. Clerk v. Martinez*, 2005-NMSC-037, 138 N.M. 575, 124 P.3d 210.

1-25-7. Recall; duties of county clerk.

B. For each petition that is accompanied by the required affidavit pursuant to the Recall Act, the county clerk shall verify the signatures on the completed petitions within fifteen days and determine whether the verified signatures meet the required minimum number.

C. The minimum number of verified signatures required to validate a petition is thirty-three and one-third percent of the total number of voters who voted for all candidates for the elected position currently occupied by the named official at the last election where the official was elected.

D. Within five days of making a determination whether the verified signatures meet the required minimum number, the county clerk shall notify the petitioner and the named official in writing of the determination, and if the county clerk determines that sufficient signatures have been submitted, the clerk shall initiate procedures for a recall election as provided in the Local

Election Act; provided that the order of the district court shall serve as the proclamation calling the recall election.

Clerk v. Martinez*, 2005-NMSC-037, 138 N.M. 575, 124 P.3d 210.

Exclusion of names on list by superintendent. — Superintendent (now county clerk) may exclude those signatures not listing a date, but his exclusion of signatures with names not "printed as registered" or with "city" not listed, as required by Section 22-7-6 NMSA 1978, was inconsistent with the purpose of Section 22-7-10D NMSA 1978 and was, therefore, improper. *State ex rel. Citizens for Quality Educ. v. Gallagher*, 1985-NMSC-030, 102 N.M. 516, 697 P.2d 935.

Name withdrawal petitions valid before final action on petition. — Where superintendent (now county clerk) received name withdrawal petitions after receiving clerk's certification of signatures, but before taking final action on petition, superintendent (now county clerk) properly refused to count names to those persons who submitted name withdrawal petitions. *State ex rel. Citizens for Quality Educ. v. Gallagher*, 1985-NMSC-030, 102 N.M. 516, 697 P.2d 935.

ANNOTATIONS

The 2021 amendment, effective June 18, 2021, staggered the initial term of office for newly created district court judgeships, even if the result is a shortened first term; and added a new Subsection D and redesignated former Subsection D as Subsection E.

Temporary provisions. — Laws 2021, ch. 74, § 3, provided that pursuant to Article 20, Section 3 of the constitution of New Mexico, the legislature finds that the judicial term adjustments provided for district court judges in Laws 2021, ch. 74, § 1 and for metropolitan court judges in Laws 2021, ch. 74, § 2 are needed to:

- A. balance the number of judicial positions appearing on the ballot in any one election cycle;
- B. enable more effective evaluation of judges by the judicial performance evaluation commission; and
- C. create greater continuity of judges at the trial court level by not having all judges up for judicial retention in the same election cycle.

Constitutional amendment implicitly repealed the requirement that all district and metropolitan court judges stand for retention at the same time. — Where petitioners, sitting district and metropolitan court judges and their association, filed a petition for writ of mandamus challenging the constitutionality of §§ 1-26-5 and 1-26-6 NMSA 1978, which provide for staggered retention elections of district court and metropolitan court judges, respectively, claiming that N.M. Const., Art. VI, § 33, specifically requires that retention elections of all district judges statewide occur at the same time and that N.M. Const., Art. XX, § 3, generally authorizes the legislature to stagger the dates of elections of district officers, and that because the two constitutional provisions conflict, the general provision must yield to the more specific provision, and as a result, §§ 1-26-5 and 1-26-6 are unconstitutional, the petition was denied because, although Art. XX, § 3 irreconcilably conflicts with N.M. Const., Art. VI, §§ 33, 35, 36, and 37 and Art. VI, § 33 is the more specific of the two provisions, Art. XX, § 3, as amended by the voters in 2020, implicitly repealed the requirement in Art. VI, § 33 that all district and metropolitan court judges stand for retention election at the same time. Article XX, § 3 therefore, authorized the legislature to amend §§ 1-26-5 and 1-26-6 to stagger retention elections for district and metropolitan court judges. *State ex rel. Franchini v. Toulouse Oliver*, 2022-NMSC-016.

1-26-6. Judicial retention; metropolitan court judges.

A. Each eligible metropolitan court judge shall be subject to retention or rejection at the general election in the last year of the four-year term of office for the position in which the judge is serving.

B. Terms of office for positions on each metropolitan court shall be staggered, as follows:

(1) the term of office for division 1 and for every second division number thereafter shall expire in 2024 and every four years thereafter; and

(2) the term of office for division 2 and for every second division number thereafter shall expire in 2022 and every four years thereafter.

C. The administrative office of the courts shall maintain current on its website a list of the names of the currently serving judges of the metropolitan court and the year in which the term of office for each position expires.

D. The initial term of office for a newly created metropolitan court judgeship shall be staggered in accordance with the provisions of Subsection B of this section, even if the result is a shortened first term for the office.

E. As used in this section, "division" means the divisions established pursuant to Subsection B of Section 34-8A-4 NMSA 1978.
