#### **GUIDELINES FOR DETERMINING ELIGIBILITY**

Pursuant to Section 31-15-7 NMSA 1978, the following guidelines are established for determination of indigency and eligibility for public defender services.

#### I. PRESUMPTION OF INDIGENCY

An applicant is presumed indigent if the applicant is a current recipient of state or federally administered public assistance programs for the indigent: aid to families of dependent children (AFDC), food stamps, medicaid, disability security income (DSI), public assisted housing or Department of Health case management services (DHMS). Proof of assistance must be attached to the application and no further inquiry is necessary. Home equity, etc. is not to be taken into account if the applicant is a current recipient of one of the six programs described above.

If the interviewer is unable to complete the indigency application or believes the information to be unreliable because of communication or other problems associated with a mental disability of the applicant, indigency will be presumed until the applicant's competency to stand trial and indigency is determined by the public defender or court. If because of the mental disability of the applicant, the interviewer is unable to complete the indigency application or believes the information is unreliable, the Department of Health case management services (DHMS) section should be checked.

#### II. FINANCIAL RESOURCES

If the applicant is not presumptively indigent, the screening agent shall examine the financial resources of the applicant with consideration given to:

- A. Net Income
- B. Assets
- C. Exceptional Expenses

#### A. Net Income

The screening agent shall include total salary and wages for the applicant and the applicant's spouse minus deductions required by law (FICA, state and federal withholding). In order to calculate the salary of an individual, the screening agent shall use one of the two methods:

- (1) if the individual is presently unemployed, the screening agent shall ask about employment during the twelve (12) months preceding the interview date and calculate the amount of money earned during such twelve (12) months. Proof of this income must be attached to the application; or
- (2) if the individual is presently employed, the screening agent shall project the current income for twelve (12) months into the future. Proof of this income must be attached to the application. If the applicant is unemployed and has no income, the screening agent shall inquire as to how the applicant "gets by". Proof of income is not required but responses must be documented on the eligibility form (i.e. eats on soup line, street person, sleeps in car, etc.). If the applicant gets by on "odd jobs", the income from the odd jobs should be noted. Proof of income must be provided (i.e. income tax returns, etc). Zeros will not be accepted for income. If there is no income, an explanation is needed as to why there is no income.

If the applicant does not pay for housing, the fair rental value of the housing shall be included as income. The fair rental value of the applicant's housing may be determined by the chief public defender or designee. Also to be considered are funds from any other sources including but not limited to social security payments, union funds, veteran's benefits, worker's compensation, unemployment benefits, regular support from any absent family member, public or private employee pensions, or income from dividends, interests, rents, estates, trusts or gifts. If the applicant lives alone but

receives rent from a family member, the rent shall be considered as regular support from the applicant's family and shall be included as income.

The income of a spouse must be included in the calculation of income even though the applicant and the applicant's spouse are not living in the same household unless:

- (1) the applicant and the spouse are legally separated; or
- (2) the spouse is an alleged victim of the applicant or a complaining witness against the applicant.

#### **B.** Assets

The screening agent shall consider all assets of the applicant and the applicant's spouse which are convertible into cash within a reasonable period of time. Assets include all cash on hand as well as in checking and savings accounts, stocks, bonds, certificates of deposit and tax refunds. All real estate shall be considered in terms of the amounts which could be raised by a loan on the property.

# C. Exceptional Expenses

The screening agent shall consider any unusual expenses of the applicant and the applicant's legal dependents which would, in all probability, prohibit the applicant from being able to secure private counsel. The following expenses are not exceptional expenses: rent, food, utilities, gas money, consumer loans and student loans. Exceptional expenses shall include, but not be limited to, costs for medical care, family support obligations and child care payments. In order to be included as an exceptional expense:

- (1) the cost of medical care cannot be covered by insurance;
- (2) family support expense obligations must be court ordered and actually paid on a regular basis; and
- (3) child care must be paid on a regular basis. If the applicant says that child support or child care is paid when the applicant can, the payments do not qualify as exceptional expenses.

The applicant must provide proof of the exceptional expense incurred and proof that payment is being made on a regular basis. If proof is provided, the regular monthly payment for the exceptional expense is multiplied by twelve (12) months and the calculated amount can be deducted from total income.

Other exceptional expenses shall include: payroll garnishments, internal revenue service claims, court ordered attorney fees or other court ordered payments and funeral expenses not covered by insurance.

#### III. INDIGENCY FORMULA

The screening agent shall calculate the amount of available funds by adding the total for net income for the household (Column A) together with the total for assets for the household (Column B) and subtracting the total for exceptional expenses (Column C). If the available funds (net income plus assets minus exceptional expenses) are at or below the amounts in the indigency table, the applicant is indigent and is eligible for free representation. If the available funds exceed the amounts in the indigency table, the chief public defender may deem the applicant not to be indigent.

If the applicant does not know the applicant's spouses's income or assets the applicant is presumed not indigent and is not eligible for free representation unless the applicant produces the necessary information within two (2) working days after the interview.

#### IV. APPEAL

If the applicant is found by the screening agent or the court not to be indigent, the applicant may appeal the decision to the district defender in those districts with public defender offices. If the applicant wishes to appeal the decision of the district defender, the applicant shall appeal to the district court. In those districts without public defender offices, the applicant may appeal directly to the court. If the applicant wishes to appeal a finding that the applicant is not indigent:

- (1) in those districts with district public defender offices, the screening agent shall notify the public defender of the appeal;
- (2) in those districts without public defender offices, the screening agent shall notify the court of the appeal.

All appeals shall be filed within ten (10) working days after the date of the decision.

#### V. REIMBURSEMENT

If the applicant is not indigent, but cannot hire a private attorney, the applicant may be represented by the public defender department on a reimbursement basis. In order to qualify for representation by the Public Defender Department on a reimbursement basis, the applicant must obtain statements from three financial institutions: e.g., a bank, a savings and loan, a credit union or a loan company. The statements from the financial institutions must state whether the financial institutions would lend the applicant any money and if so, how much. After obtaining statements from three financial institutions, the applicant must obtain letters from three private lawyers stating whether they will accept the case on behalf of the applicant. If none of the lawyers will accept the case, the applicant must bring the three financial institution statements and the three lawyer letters to:

(1) the public defender staff office if the district has a public defender staff office; or

(2) the court in which the case is pending if the district does not have a public defender staff office.

Upon receipt of the three statements and three letters, the public defender or the court shall find that the applicant is not indigent but is unable to hire a private attorney. In districts with public defender staff offices, the public defender shall accept the applicant's case on a reimbursement basis. In districts without a public defender staff office, the court shall appoint an attorney on contract with the Public Defender Department to represent the applicant on a reimbursement basis.

If the applicant is ineligible for free representation but is in jail and cannot make bail, the applicant shall not be required to provide documentation of inability to hire private counsel as set forth. Any applicant who is ineligible for free representation but is in jail and cannot make bail shall be given public defender representation on a reimbursement basis.

In reimbursement cases, the chief public defender or designee may ask the applicant to sign a contract and a promissory note to pay reimbursement to the State of New Mexico. The reimbursement shall cover legal fees, expert witness fees and private investigation. The legal fees shall be governed by schedule adopted by the Public Defender Department. The expert witness fees and private investigation fees shall be governed by the fees paid by the Public Defender Department.

First payment shall be due thirty (30) days from the date of completion of the contract and note. If the applicant is incarcerated on the date of completion of the contract and note, the date of payment shall be thirty (30) days from the date of release from incarceration.

If the applicant fails to complete a contract and note, the order of appointment with reimbursement shall serve as notice for collection if payments are not made. If this is the case, a copy of the order of appointment and a copy of the application should be sent to the administration office in lieu of contract and note.

#### VI. NEW CHARGES

If an applicant has applied for public defender services within six (6) months prior to the filing of new charges or a probation violation, completion of a new eligibility determination form is not necessary. A copy of the last eligibility determination form should be placed in the new file being opened. If an applicant has applied for public defender services more than six (6) months prior to the filing of new charges or a probation violation, completion of a new eligibility determination form is necessary. If less than six (6) months have elapsed but there has been a change in circumstance for the applicant, completion of a new eligibility determination form is necessary.

PROCEDURE
(To be printed on the reverse side of report)
1. The laboratory named on the front of this report is a laboratory certified by the scientific laboratory division of the health department to perform blood and alcohol tests. The

agency has established formal procedures for receipt and

handling of controlled substance, breath and blood samples to assure integrity of the sample, a formal procedure for conduct and report of

the chemical analysis of the samples by the

control procedures to validate the analyses. The quality control procedures include semi-annual proficiency testing by an independent laboratory. The procedures have the general acceptance and approval of the scientific community, including the medical profession, and of the courts, as a means of assuring a chemical analysis of a controlled substance, breath or blood sample that accurately discloses the percentage of alcohol contained in the blood.

- 2. When a controlled substance, breath sample or blood sample is received at the laboratory from a law enforcement agency for an alcohol analysis, the receiving clerk examines the sample container and:
- (a) determines that it is a standard container of a kit approved by the director of the laboratory;
- (b) determines that the container is accompanied by this report, with the portion of the form marked for use by the law enforcement officer duly completed;
- (c) determines that the donor's name and the date that the sample was taken have already been entered on this report and on the container and that they correspond;
- (d) makes a log entry of the receipt of the sample and of any irregularity in the condition of the container or its seals;
- (e) places an accession number (laboratory number) and the date of receipt on the log, on the container, and on this report, so that each has the same accession number and date of receipt;
- (f) completes and signs the portion of this report marked for use by the receiving clerk, making specific notations as to any unusual circumstances, discrepancies, or irregularities in the condition or handling of the sample up to the time that the container and report are delivered to the analysis laboratory;
- (g) personally places the container with this report attached, in a designated secure cabinet for the analyst.

- 3. When the controlled substance, breath or blood sample is received by the analyst, the analyst examines the sample container and this report and:
- (a) makes sure that the accession number on the container corresponds with the accession number on this report;
- (b) makes sure that the analysis is conducted on the sample which accompanied this report at the time that the report was received by the analyst;
- (c) conducts a chemical analysis of the sample and enters the results on this report;
- (d) retains the sample container and the raw data from the analysis;
- (e) completes and signs the portion of the report that is marked for use by the analyst, noting any circumstance or condition which might affect the integrity of the sample or otherwise affect the validity of the analysis;
  - (f) delivers this report to the supervisor of the analysts.
- 4. The supervisor checks the calculations of the analysis, examines this report, signs it, and delivers it to the receiving clerk for distribution.
- 5. An employee of the agency mails a copy of this report to the donor at the address shown on this report, by depositing it in an outgoing mail container which is maintained in the usual and ordinary course of business of the laboratory. The employee then signs the certificate of mailing to the donor, and then mails the original of this report to the submitting law enforcement agency.
- 6. The analyst who conducted the analysis in this case meets the qualifications required by the director of this laboratory as sufficient to qualify one to properly conduct such analyses. The supervisor of analysts is also qualified to conduct such analyses.

[As amended, effective October 1, 1991.]

**ANNOTATIONS** 

The 1991 amendment, effective for cases filed on or after October 1, 1991, inserted "chemical" and "controlled substance" in the report heading; inserted "donor" following "send copy to", added the lines for street/box number, city, state, and zip; substituted references to samples drawn for references to samples taken; substituted "Tests or Samples Obtained" for "Tests taken"; added the material between the line for the signature of the arresting officer and the "Certificate of Receiving Clerk"; in the "Certificate of Analyst", deleted "chemistry" preceding "Laboratory", added the lines for "other sample", and inserted "if alcohol was tested"; and, in the "Procedure" portion, rewrote the first sentence and inserted "controlled substance" throughout.
